Dear Investor Relations
Welspun India

I am a registered shareholder of Welspun India and Welspun Investment along with my father Govind Kumar Agarwal. I came to know through the company website that my shares have been moved into IEPF and to file an IEPF application we need dividend and share details. For the same I had been trying to reach out to the company for some time. But unfortunately I haven't received any response from RTA. I have mailed share certificate scans also. I understand a stop order was placed a few years back by us when some shares were not traceable. But those shares were retrieved and I have attached the scans of Welspun India shares. I received communication that shares of Welspun Global Brands had been discontinued.

I am also attaching a scanned copy of a letter signed by both shareholders (me and my father). As with time there may be a change in signature, I have also attached my old address proof of registered address and my fathers name.

Request you to help me out with filing IEPF application details and if in case any other document is required please ask RTA to communicate, I will send across the required document. I had been calling them for last 15 days and not getting any response.

Thanks and Regards
