shut for 3 years

Twelve out of 21 cabinets in the mortuary's cold room at Bharat Ratna Pandit Bhimsen Joshi (Tembha) Hospital in Bhayandar (West), a government-run establishment, are out of service due to non-operational airconditioners. These cabinets have been awaiting repairs for more than two months, resulting in hospitals returning the bodies that come for preservation back to the families. The mortuary, designed to

accommodate 21 bodies with seven cabinets that consist three units each, currently only accommodates nine bodies. This situation poses a challenge for bereaved families who require additional time for preservation, especially those awaiting the arrival of relatives from distant locations.

Moreover, the mortuary also caters to six police stations handling medico-legal cases involving accidental and unnatural deaths, as well as railway-related incidents between Mira Road and Virar.

Dr Zafar Tadvi, the civil surgeon, said, "Efforts are on to get the cabinets repaired and put them into use as early as possible. We have also requested the district health department to provide new cabinets.'

The mortuary in the civic-run Bharat Ratna Indira Gandhi Hospital in Mira Road has been nonfunctional for more than three years. Initially equipped with three cabinets and three units each for nine bodies, ongoing construction to add extra floors to the hospital building led to its temporary closure, and improper handling caused irreparable damage to the cabinets. Retired banker and social activist Rajesh Talreja said, "I have been repeatedly requesting the civic administration to start the morgue so that the kin

The administrative control of the mortuary, constructed by the Mira Bhayandar Municipal Corporation in 2011 at a cost of Rs90 lakh, transitioned to the state government in 2018 after facing challenges in sustaining the administrative expenses to run the medical institution.
