State of the Company's affairs

Resolution Plan of the Company under the Insolvency & Bankruptcy Code, 2016 (IBC, 2016) was approved by the Hon'ble National Company Law Tribunal ("NCLT"), Kolkata by its order dated April 18, 2018. The appeals filed by some of the banks were dismissed by the Hon'ble National Company Law Appellate Tribunal ("NCLAT") by its order dated August 16, 2019 finding them without any merit. The Hon'ble Supreme Court by its order dated January 18, 2022 has dismissed the civil appeal no. 8411 of 2019 filed by one of the dissenting banks against the Hon'ble NCLAT order dated August 16, 2019. The Resolution Plan has accordingly attained finality.

Promoters and entities forming part of Promoter Group have contributed Rs. 6330 lakhs (Rs. 4011.00 lakhs fresh induction and Rs. 2319.00 lakhs out of existing dues) in terms of the approved Resolution Plan.

The Company has successfully completed/handed over/ received completion certificates for the following public interest projects since the approval of the Resolution Plan:

1. Development & Operation of Bikaner-Suratgarh Section of NH-62 (Km. 553/869 of NH-11 to Km.173/000 of NH-62) in

the State of Rajasthan on DBFOT basis for Ministry of Road Transport & Highways through PWD, Rajasthan. (PCOD-96.54%).

2. Widening & Strengthening of existing National Highway from 2 Lane to 4 Lane from Km 183.000 to 163.895 of Sonapur to Guwahati Section of NH-115 (earlier NH-37 in the State of Assam on EW-II under program of NHDP Package AS-03 for National Highways Authority of India.
3. Improvement / Upgradation of roads and bridges of Shivganj-Rafiganj-Goh-Uphara-Devkund-Baidrabad Road (SH-68), Package-1 for Bihar State Road Development Corporation Ltd.
4. Rehabilitation and up gradation of Pundibari to Baxirhat section of NH-10 (earlier NH-31) from Km 770.00 to 816.00 of NH-31 in the State of West Bengal to two lanes with paved shoulders under NHDP-IV on EPC basis for Ministry of Road Transports & Highways. (In JV with ABCI)
5. Construction of residential accommodation for NHAI Staff at Dwarka, New Delhi for National Highways Authority of India.

6. Construction of two lane Railway Over bridge at Sonapat Purkhas Moi Road at Level Crossing No. 29 on Delhi Ambala Railway Line in Sonapat Distt, Haryana for Haryana State Roads and Bridges Development Corporation Ltd.
7. Construction of 96 flats (Basement + Ground + 12 storey) Tulsi Tower I/C Internal W/S, S/F, Internal Electrification works, Development work at Tulsi Nagar, Bhopal, Madhya Pradesh for Madhya Pradesh Housing & Infrastructure Development Board.
8. Construction of Police Line & Residential Quarters at Kondli Check Post, Delhi for Ministry of Home Affairs, Delhi Police through RITES Ltd.
9. Redevelopment of Police Colony Delhi Cantt, Delhi for Ministry of Home Affairs, Delhi Police through RITES Ltd.
10. Construction of 222 flats (Basement +Ground +10 storey) at Keelandev, Bhopal for Madhya Pradesh Housing & Infrastructure Development Board.
11. Construction of various buildings i/c residences of National Law University in Rajiv Gandhi Education City at Rai in Sonapat District, Haryana for PWD (B & R), Haryana

The qualification/bidding capacity of the Company has substantially increased with completion /handing over of these projects. Bank Guarantees of Rs. 199.13 crores have been released duly discharged by the clients as against Bank Guarantees of Rs. 210.51 crores outstanding as on 18.04.2018 (except the Bank Guarantees encashment of which was already accounted for in the approved Resolution Plan).

The commercial operations of toll collections for 172.384 kms of the BOT project at Suratgarh-Bikaner Section of NH-62 in the state of Rajasthan was commenced by Suratgarh Bikaner Toll Road Pvt Ltd., 100% owned subsidiary of the Company since 17.02.2019. After approval of additional length of 9.780 kms on 18.03.2021, tolling operations have already started since 01.04.2021 for 96.54% (increased from 90.86%). The balance work of the project along with the change of scope works are expected to be completed within financial year 2022-23.

The total income of the Company during the Financial year 2021-22 was Rs. 16148 lakhs on standalone basis and Rs. 26047 lakhs on consolidation basis as against Rs. 26009 lakhs on standalone basis and Rs.32234 lakhs on consolidation basis during FY 2020-21. The Company had profit after tax of Rs.6359 lakhs on standalone basis and a profit of Rs. 13 lakhs on consolidation basis during FY 2021-22 as against profit of Rs. 9334 lakhs on standalone basis and profit (including exceptional items) of Rs. 6337 lakhs on consolidation basis during FY 2020-21.

The Resolution Plan of the Company was not implemented by the working capital banks, first on the plea of pending appeals before Hon'ble NCLAT and thereafter on the plea of pending civil appeal before Hon'ble Supreme Court against NCLAT order dated 16.08.2019. After dismissal of the civil appeal by Hon'ble Supreme Court, Hon'ble NCLAT by order dated 11.03.2022 inter-alia, directed implementation of the Resolution Plan by working capital banks. An appeal has been filed against order dated 11.03.2022 before Hon'ble NCLAT, which is pending adjudication. The operations of the Company are not normal due to non-implementation of the Resolution Plan by working capital Banks and the financial performance of the Company was adversely affected.

On account of cost over-run arising due to client responsibility delays, client's suspension/ termination of projects, deviation in design, change in scope of work, etc. significant amounts have been withheld. The Company is perusing its receivables and have taken all steps including arbitration proceedings and has been successful in winning some arbitration awards.

There are lot of opportunities in the core competency area of the Company. With impetus of the government on infrastructure sector, the Company is poised for growth trajectory and the level of operations is expected to increase substantially after the documentation by the working capital banks.

Changes in the Nature of Business, if any

There has been no change in the nature of business of the Company during the financial year 2021-22. The Board of Directors in its meeting held on 28th May 2022 approved change in name of the Company from "MBL Infrastructures Ltd." to "MBL Infrastructure Ltd." and consequential changes in the Memorandum & Article of Association of the Company, subject to approval of shareholders in ensuing Annual General Meeting and such other approvals as may be required in connection thereof.

Changes in Share Capital

During the period under review, there has been no change in the authorized and paid up share capital of the Company.

Non-Convertible Debentures

In terms of the approved Resolution Plan, the Company had issued 0.10 % p.a. Secured Non-Convertible Debentures aggregating to Rs. 88,085 lakhs on April 30, 2018 to the working capital banks who had voted in favour of approved Resolution plan. These debentures will be reissued after reconciliation in demat form on the execution of working capital consortium documents by the Banks. The aforesaid debentures are redeemable in terms

of the approved Resolution Plan in 39 unequated quarterly installments.

The approved Resolution Plan has not been implemented by the working capital banks and as such repayment obligations has not started and the requirement of making deposits /investments equivalent to 15% of the non-convertible debentures maturing during the financial year 2022-23 or at 31st March 2023 cannot be ascertained. The Company will comply with the requirement as and when the approved resolution plan is implemented by the working capital banks.

The Company has made provisions for payment of liquidation value to dissenting financial creditors in terms of the approved Resolution Plan which will be paid in priority on documentation by the working capital banks before any recovery is made by assenting financial creditors.

Transfer to Reserves

During the period under review, no amount is to be transferred to General Reserve.

Dividend

The Directors do not recommend any dividend for the year.

Management Discussion and Analysis Report

Management Discussion and Analysis Report is enclosed as **Annexure-A** and forms an integral part of this Annual Report.

Material Changes and Commitments, if any, affecting the financial position of the Company which have occurred between the end of the Financial Year of the Company to which the Financial Statements relate and the date of the Report

Other than as stated elsewhere in this report, there are no material changes and commitments affecting the Financial Position of the Company which have occurred between the end of the Financial Year of the Company to which the Financial Statements relate and the date of the Report.

Annual Return

The Annual Return of the Company as on March 31, 2022 is available on the Company's website and can be accessed at weblink: <https://www.mblinfra.com/uploadingimages/pdf/pdf-1655549845.pdf>

AUDITORS

Statutory Auditors

M/s SARC & Associates, Chartered Accountants, (Firm Registration No. 006085N) were appointed as Statutory Auditors of the Company for a period of 5 (Five) consecutive years in the AGM held on 11th November, 2017 until the conclusion of the ensuing Annual General Meeting and is eligible for reappointment. The Auditors have confirmed that they are not disqualified from continuing as Statutory Auditors of the Company and hold a valid certificate issued by Peer Review Board of the ICAI. The Board is of the opinion that continuation of M/s. SARC & Associates, as Statutory Auditors will be in the best interests of the Company and therefore, the members are requested to consider their re-appointment as Statutory Auditors of the Company, for a second term of five consecutive years, from the conclusion of the ensuing Annual General Meeting, till the Annual General Meeting to be held in the calendar year 2027, at such remuneration mutually agreed and approved by the Board.

The Auditors report does not contain any qualifications, reservations and adverse remarks or disclaimer. The note on financial statements referred to Auditors Report are self-explanatory and do not call for further comments. There has been no fraud reported by the Statutory Auditors during the period. The Auditors attended the previous AGM of the Company

Secretarial Auditors

The Secretarial Audit was conducted by M/s Mehak Gupta & Associates, Practicing Company Secretary for the FY 2021-22. The Secretarial Audit Report is enclosed as **Annexure-E** and forms integral part of the Directors Report. The Secretarial Audit report does not contain any reservations or adverse remarks or

disclaimers except for delay in compliance of regulation 17 for appointment of director during the quarter ended 30th June 2020 and quarter ended 30th September 2020. The Company had made submissions before NSE & BSE and representations before the relevant Committee of NSE for delayed compliance of Regulation 17 citing reasons beyond the control of the Company, inter-alia, due to COVID-19 pandemic and it was unintentional and had requested for waiver of fine. BSE after considering the submissions made by the Company, by email dated 23.06.2021 acceded to the request of the Company and has waived the fine. However, since NSE has not granted waiver, fine was paid by the Company to NSE under protest. Further submissions have been made to NSE to take a considerate view in terms of SEBI SOP, NSE circular and decision taken by BSE and the Company has requested that fine paid under protest be refunded to it. Further response from NSE is awaited. There has been no fraud reported by the Secretarial Auditor during the period. The Board of Directors of the Company on the recommendation of the Audit Committee has appointed M/s Mehak Gupta & Associates, Practicing Company Secretary to conduct Secretarial Audit of the Company for the Financial Year 2022-23.

Pursuant to Circular No. CIR/CFD/CMD1/27/2019 dated February 08, 2019, issued by SEBI, the Company has also obtained Annual Secretarial Compliance Report from M/s. Anjali Yadav & Associates, Practicing Company Secretaries, on compliance of all applicable SEBI Regulations and circulars/ guidelines issued thereunder and the copy of the same has been submitted with the Stock Exchanges within the prescribed due date.

The Secretarial Audit Report of Kuldeep Dahiya & Associates, Practicing Company Secretary, for material unlisted company is enclosed as **Annexure-F**. The Secretarial Audit report does not contain any reservation or adverse remarks or disclaimers. There has been no fraud reported by the Secretarial Auditor during the period.

Cost Auditors

As per the requirements of Section 148 of the Act read with the Companies (Cost Records and Audit) Rules, 2014 as amended from time to time, company is required to maintain cost records and accordingly such accounts are made and maintained every year. The Board of Directors on the recommendation of Audit Committee has appointed M/s Dipak Lal & Associates, Cost Accountant as Cost Auditors of the Company for the Financial Year ending 2022-23 at a remuneration of Rs. 35,000/- (Rupees Thirty five thousand only) plus applicable taxes and reimbursement of out of pocket expenses, subject to ratification by members in the ensuing AGM.

The Cost Audit report for FY 2020-21 does not contain any qualification or reservation or adverse remark or disclaimer. There has been no fraud reported by the Cost Auditor during the year.

Particulars of Loans, Guarantees or Investments

Hence, disclosure in form AOC-2 under the Act read with the rules made therein is not required. The shareholders in the Annual General Meeting held on 29th September, 2018 have approved to undertake related party transactions for a period of five years not exceeding aggregate amount of Rs. 1000 crores per annum. The Company has not entered into any contract/ arrangement/ transaction which would be considered as material in accordance with the policy of the Company on the materiality of the related party transaction. The details of RPT transactions forms part of the notes to audited financial statements.

None of the transaction with any related parties were in conflict with the Company interest.

The policy on Related Party Transactions as approved by the Board may be accessed on the weblink https://www.mblinfra.com/uploadimages/pdf/pdf_1655285644.pdf

Significant and Material Orders

The civil appeal filed against the Hon'ble NCLAT order dated 16.08.2019 was dismissed by Hon'ble Supreme Court by order dated 18.01.2022 whereby the Hon'ble Supreme Court has, inter alia, upheld the Resolution Plan. The Resolution Plan has attained finality with the dismissal of the civil appeal by Hon'ble Supreme Court. After dismissal of the civil appeal by Hon'ble Supreme Court, Hon'ble NCLT by order dated 11.03.2022 inter alia, directed implementation of the Resolution Plan by working

capital banks. An appeal has been filed against order dated 11.03.2022 before Hon'ble NCLAT, which is pending adjudication. There are no other significant and material orders passed during the year by the regulators, courts or tribunals impacting the going concern status and Company's operations in the future.

Further the members' attention is drawn to the notes forming part of Financial Statements including statement of contingent liabilities and commitments.

Details of Conservation of Energy, Technology Absorption and Foreign Exchange Earnings and outgo:

- i) Conservation of energy is an ongoing process in the Company's activities. As the core activities of the Company are not energy intensive activity, no information is to be furnished regarding conservation of energy.
- ii) The Company had not undertaken any research and development activity for any manufacturing activity nor was any specific technology obtained from any external sources, which needs to be absorbed or adapted.
- iii) During the period under review, the Company has not made any expenditure nor made any earnings in foreign currency.

Risk Management

The Company has a mechanism in place to inform Board Members about the risk assessment and minimization procedures. The Company has in place Risk Management Policy and Risk Manual which helps in framing, implementing and monitoring the risk management plan of the Company. The details of the identification of the various risk associated with the business of the Company which in the opinion of the Board may threaten existence of the Company is detailed in the enclosed Management Discussion & Analysis Report ("MDAR").

Committees of Board

The Board of Directors have the following committees:

1. Audit Committee
2. Nomination and Remuneration Committee
3. Stakeholders' Relationship Committee
4. Corporate Social Responsibility Committee

Apart from above, the Board has two (non-statutory) committees namely Banking Committee and Management Committee.

The composition, terms of reference and number of meetings of the Committees during the period under review and changes made therein is covered in the enclosed CGR.

Particulars of the Employees

During the period under review no employee was paid remuneration in excess of the limit specified under Rule 5(2) of the Companies (Appointment and Remuneration) Rules, 2014. Disclosure pursuant to Section 197(12) of the Act forms part of Report. The Reports and Accounts are being sent to Members and other entitled thereto, excluding the information on employee's particulars which is available for inspection by the Members at the Registered Office of the Company during business hours on any working day. If any member is interested in obtaining a copy thereof, such member may write to Company Secretary in this regard.

Remuneration Policy

The Company has in place Remuneration Policy for Directors, Key Managerial Personnel and Senior Management Personnel to align with the requirement of the Act and LODR. The brief particulars of the remuneration policy are stated in the enclosed CGR and is available on the website of the company at weblink https://www.mblinfra.com/uploadimages/pdf/pdf_1586685957.pdf. There has been no changes in the policy during the year.

Statement in respect of Adequacy of Internal Financial Controls with Reference to the Financial Statements

The purpose of the internal control is to prevent risk arising in course of operations by adopting appropriate controls and process, especially with regard to conformity with the laws, compliance with the strategy, the quality of accounting and reporting, and the quality of process and protection of assets amongst others.

Your Company has an effective internal control system commensurate to its size, scale and complexities of its operations. The Company has in-house Internal Audit Department comprising of professional executives. The Internal Audit Department has conducted the Internal Audit in line with the scope formulated, functioning, periodicity and methodology agreed with the Audit Committee. The Internal Audit Department monitors and evaluates the efficacy and adequacy of the internal control system in the Company, its compliance with operating systems and accounting procedures and policies adopted by it. Based on the reports of the internal audit, process owners undertake corrective action in their respective areas and thereby strengthening the controls. The Company has appointed consultants/professionals to conduct Cost Audit and Secretarial Audit and observations made, if any, are reviewed by the Management periodically and corrective actions, if required, are taken.

Whistle Blower Policy/ Vigil Mechanism

The Company has in place Vigil Mechanism/ Whistle Blower Policy for director and employees to report genuine concerns. The policy is available on the website of the Company www.mblinfra.com and the brief particulars of the establishment of Vigil Mechanism is provided in the enclosed CGR.

Deposits

During the period under review, no deposits were accepted by the Company.

Disclosures under Sexual Harassment of Women at Workplace (Prevention, Prohibition & Redressal) Act, 2013.

Your Company has in place a policy on Prevention of Sexual Harassment at workplace. This policy is in line with the requirements of The Sexual Harassment of Women at the Workplace (Prevention, Prohibition & Redressal) Act, 2013. All employees, whether permanent, contractual, temporary and trainees are covered under this Policy. As per the said Policy, an Internal Complaints Committee is also in place to redress complaints received regarding sexual harassment. During the period under review, no complaint was pending neither any complaint was filed pertaining to Sexual Harassment Policy.

Acknowledgements

We convey our grateful appreciation for the valuable patronage and co-operation received and goodwill enjoyed by the Company from all the Stakeholders, its esteemed customers, shareholders, business associates, banks, financial institutions, Government authorities and other stakeholders.

We place on record our appreciation to the contribution made by the employees at all levels.

Management Discussion and Analysis Report

ANNEXURE-A

Indian Economic Overview

India is a fast growing major economy. The Government has taken significant initiatives to strengthen the economic credentials of the country. Various measures have been announced by Government providing economic relief, strengthening the health system and providing impetus to growth and employment. With the vaccination programme having covered the bulk of the population, economic momentum building back and the likely long-term benefits of supply-side reforms in the pipeline, the Indian economy is expected to gain momentum. The various initiatives of Central Bank have infused liquidity into the banking system to nurture nascent growth impulses and support a durable recovery.

The increase in global demand as the world economy recovers from pandemic and Russian -Ukraine war led to increase in crude prices, which also impacted the domestic economy. The government through various initiatives/reforms, inter-alia, deregulation of numerous sectors, simplification of process and privatization has helped in reducing the imbalance of demand and supply in the overall economy. A rise in domestic investments has been one of the most significant contribution to

the Indian growth story and the public and private sectors have enabled and sustained these investments.

Apart from being a critical driver of economic growth, Foreign Direct Investment (FDI) has been a major non-debt financial resource for the economic development of India. The Government's favourable policy regime and robust business environment has ensured inflow of the foreign capital. Inflation is expected to remain elevated due to volatile commodity and crude prices on the back of geopolitical tensions due to the Russia-Ukraine conflict.

India has undertaken a number of reforms, such as formalisation of its economy, incentivising domestic manufacturing, digitalisation, import substitution, increasing exports which has helped in providing flexibility to the government in terms of monetary policy. With an improvement in the economic scenario, there have been investments across various sectors of the economy. The Indian economy is poised to grow at a quick pace backed by various initiatives taken by the government. Initiatives under Atma Nirbhar Bharat including introduction

Development & Operation of Bikaner-Suratgarh Section of NH-62 (earlier NH-15) in the state of Rajasthan for Ministry of Road Transport & Highways through PWD, Rajasthan (PCOD-96.54%).

of structural and procedural reforms, record vaccinations, various PLI schemes designed to attract investments, Make-in-India programme to boost domestic manufacturing capacity, reduction of corporate tax rate, etc and steps to improve operational efficiency have helped the economy to grow.

Strengthening, Widening, Maintaining and Operating 18.303 kms Waraseoni-Lalbarra Road in the state of Madhya Pradesh

Infrastructure - Road & Highways

India has a road network of about 63.72 lakh km which is second largest in the world. National Highways have a total length of 1,40,995 km which serve as the arterial network of the country. Government of India is responsible for development and maintenance of the National Highways and has taken major initiatives to upgrade and strengthen National Highways. National Highway development programmes through various phases, Bharatmala Pariyogna, SARDP-NE etc are some of the initiatives taken by Government of India. These projects are executed through NHAI, MoRTH and through state PWD/state corporations. The Road Transport Sector accounts for about 87% of passenger traffic and 60% of freight traffic movement in the country. National Highways constitute about 2.21% of the total road network, but carry about 40% of the total road traffic. In union Budget 2022-23, government of India has allocated Rs 199 lakh crores to the Ministry of Road Transport & Highways.

Widening & Strengthening of existing National Highway from 2 lane to 4 lane of Sonapur to Guwahati section of NH-115 (earlier NH 37).

The Government of India has allocated Rs 111 lakh crores under the National Infrastructure Pipeline for FY 2019-25. Development and maintenance of state roads have been given top priority by most of the states. Each state has budget allocation for its roads. State Highways are about 1,71,039 kms and account for 2.6% of the total roads in India. National & State Highways have attracted overseas investment including from Asian Development Bank, New Development Bank and World Bank.

The sector is highly responsible for propelling India's overall development and enjoys intense focus from Government for initiating policies that would ensure time-bound creation of world class infrastructure in the country. Infrastructure in India is estimated to grow at a CAGR of approximately 7% during the period 2022-27. To achieve seamless working and productivity in other business sectors and India's ambitious goal to be a USD 5 trillion economy by 2025, strong infrastructure growth is essential. In order to achieve USD 5 trillion GDP by FY'25, it is expected that about USD 1.4 trillion every year would be spent over this period on infrastructure. Consistently proactive, graded, and measured policy support is anticipated to boost the Indian economy.

Economic activity will be driven by investment, with public investment playing a catalytic role. Infrastructure creates significant economic stimulus even compared to other forms of spending. The outlay of capital expenditure has increased by 35.40% from Rs 5.54 lakh crore in FY 21-22 to Rs 7.50 lakh crore in FY 2022-23. The effective capital expenditure of the government is estimated to be Rs 10.68 lakh crores in FY 2022-23, which will be about 4.1% of GDP.

Improvement/Upgradation of roads and bridges of Shivganj-Rafiganj-Goh-Uphara-Devkund-Baidrabad Road (SH-68), Package 1 for Bihar State Road Development Corporation Ltd.

Infrastructure is the back bone for any economy and is critically linked to growth and economic performance of the country. The extent and quality of infrastructure determines the ability of the country to utilize its comparative advantage and enables cost competitiveness. With the strong backward and forward

linkages and the positive externalities that infrastructure generates, it is considered as one of the vehicles for social and economic transformation. The government is focussed on optimizing the efficiency of the movement of goods and people across the country.

Road Transport is considered to be one of the most cost effective and preferred mode of transport, both for freight and passengers, keeping in view its level of penetration into populated areas. Road Transport is a critical infrastructure for the economic development of a country. It impacts the pace, structure and pattern of development.

Entering Amrit Kaal, the 25 year long lead up to India @100, the budget provides impetus for growth along four priorities: (i) PM GatiShakti (ii) Inclusive Development (iii) Productivity Enhancement & Investment, Sunrise opportunities, Energy Transition, and Climate Action (iv) Financing of investments. Increased government expenditure is expected to attract private investments, with a production-linked incentive scheme providing excellent opportunities.

Strengthening, Widening, Maintaining and Operating 18.303 kms Waraseoni-Lalbarra Road in the state of Madhya Pradesh

The PM Gati Shakti - National Master Plan, was announced with an aim to bring in more holistic and integrated planning and execution of projects with a view to address the issues of multi-modal and last-mile connectivity. By the said Plan a digital platform has been created to bring sixteen ministries including Railways & roadways together for integrated planning and coordinated integration for infrastructure connectivity projects. The multi model connectivity will provide integrated and seamless connectivity for movement of people, goods and service from one mode of transport to another. The National Master Plan is aimed at world class modern infrastructure and logistics synergy and is expected to facilitate planning, implementation, monitoring and administration of transport infrastructure projects to avoid delays. Under the said master plan, Roads, Railways, Airports, Ports, Mass Transportation,

Waterways, and Logistics Infrastructure are the seven engines that propel PM Gati Shakti. The National Highways Network is expected to be expanded by 25000 kilometres, with a budget of Rs. 20000 crore (US\$ 2.67 billion) set out for the project in FY 2022-23. Every infrastructure project is expected to route through the network planning group (NPG) constituted under this initiative. Various other government initiatives such the National Infrastructure Pipeline, National Monetisation Pipeline, Bharatmala Pariyojana, changes in the Hybrid Annuity Model (HAM) and fast pace of asset monetization would also boost road construction.

Construction of 2 lane Railway overbridge at Sonepat for Haryana State Roads and Bridges Development Corporation Ltd.

The Government had launched major initiatives to upgrade and strengthen National Highways through various phases of the National Highways Development Project (NHDP) and is taking the initiative forward through the umbrella program of Bharatmala Pariyojana, Phase-I and other schemes and projects. Bharatmala Pariyojana, India's largest infrastructure program was envisioned in 2017 to develop 34,800 km of National Highway corridors, connecting 600+ districts in the nation. The objective of the Bharatmala Pariyojana program is to optimize the efficiency of freight and passenger movement across the country by bridging critical infrastructure gaps through development of Economic Corridors, Inter Corridors and Feeder Routes, National Corridor Efficiency Improvement, Border and International connectivity roads, Coastal and Port connectivity roads and Green-field expressways. The umbrella program of Bharatmala focused on enhancing effectiveness of already built infrastructure, multi-modal integration, bridging infrastructure gaps for seamless movement and integrating National and Economic Corridors. Bharatmala Pariyojana focuses on development of 24,800 km of dedicated expressways, access-controlled economic corridors, and associated feeder routes, coastal and port connectivity, border and international connectivity corridors. In addition, 10,000 km of ongoing NHDP projects are envisioned as part of the overall program which will cover a length of 34,800 km. As

Widening & Strengthening of existing National Highway from 2 lane to 4 lane of Sonapur to Guwahati section of NH-115 (earlier NH 37) for NHAI

part of Phase I of Bharatmala Pariyojana, 22 Greenfield Corridors are being developed with length 8,409 km and total capital cost of Rs. 3,60,000 Cr. The government has emphasized on the development of National Highways in the North-Eastern Region and 10 per cent of the total budget allocation is earmarked for North Eastern region. The total length of National Highways in North-East is 13,651 Km and these are being developed and maintained by four Agencies- the State PWDs, BRO, NHAI and NHIDC.

National Infrastructure Pipeline (NIP) is one of the steps of the government towards forging partnership with private sector via effective models for co-working between public and private sectors. NIP aims to boost the economy to create more employment opportunity in different sectors, provide better infrastructure for all sectors, enhance ease of living for its citizens and make growth more inclusive. NIP aims to improve

project preparation and attract investment into infrastructure. The NIP aims to capture key greenfield and brownfield projects for investments across all economic and social infrastructure sub-sectors on a best-effort basis. Roads, Urban and Housing, Railways, Power (Conventional and Unconventional) and Irrigation will receive the most from NIP amounting to almost 80% of the funds. Under NIP the target total length of National Highway will be 1.99 lakh km with a total investment of US\$ 26.90 bn.

The National Highways & Infrastructure Development Corporation (NHIDCL) is entrusted with the task of developing and improving road connectivity in length of about 13,000 km including the international trade corridor in the North Eastern region of India. To fast track construction, NHAI is expected to award new highway projects with a combined length of 6500 kms through a mix of Engineering Procurement and construction (EPC) and Hybrid Annuity model and BOT routes. National Bank for Financing Infrastructure and Development (NaBFID) will provide non-recourse infrastructure financing and is expected to raise Rs. 4 lakh crore (US\$ 53.58 billion) in the next 3 years to support projects.

Few of the other on-going major programmes/projects undertaken by the government are:

- (i) Setu Bharatam Programme to replace Railway Crossing on National Highways by Road over Bridges (ROBs) / Road Under Bridges (RUBs). Government has taken up construction of such ROBs/RUBs on National Highways under Setu Bharatam programme through its own

Development & Operation of Bikaner-Suratgarh Section of NH-62 (earlier NH-15) in the state of Rajasthan for Ministry of Road Transport & Highways through PWD, Rajasthan (PCOD-96.54%).

Widening & Strengthening of existing National Highway from 2 lane to 4 lane of Sonapur to Guwahati section of NH-115 (earlier NH 37) for NHAI.

implementing agencies such as State PWDs, NHAI, and NHIDCL and funds are provided for construction of ROBs/RUBs like other National Highways Projects.

- (ii) Allocation of Rs 1 lakh crore to assist states in catalysing PM GatiShakti related and other investments through 50 year interest free loans.
- (iii) The Government has taken up separate programme for connectivity improvement for Char-Dham (Kedarnath, Badrinath, Yamunothri & Gangotri) in Uttarakhand. Out of total 53 civil works covering the entire length of 889 km under Chardham project, 40 civil works of total project cost amounting to Rs. 9474 crore (including cost of pre-construction works amounting to Rs. 491 cr.) in a length of 673 km have been sanctioned. 34 works in a length of 604 km amounting to Rs. 7923 cr. have been awarded out of which 30 works amounting to Rs. 7679 cr. in length of 589 km are ongoing.
- (iv) Prime Minister Development initiative for North East Region (PM-Dev INE) with initial allocation of Rs 1500 crores for initial 8 projects which will be besides existing central and state sponsored schemes. Special Accelerated Road Development Programme in the North East Region (SARDP-NE) has been envisaged to be taken up in three phase.
- (v) Ease of living -sustainable urbanization which inter-alia includes modernization of byelaws, implementing town planning schemes and transit oriented development, establishing regional centres of excellence in urban planning with endowment of Rs 250 cr each.
- (vi) In 2022-23, 80 lakh houses will be completed for the identified eligible beneficiaries for PM Awas Yojana, both urban and rural, at a cost of Rs 48,000 cr.
- (vii) Vibrant Villages Programme for development of Border villages with sparse population, limited connectivity and infrastructure on the northern border.

The government push for more capital expenditure towards infrastructure while reducing the growth of revenue expenditures, augurs well for improving the potential growth of the economy. The project preparation has significantly improved which will avoid delays and disputes. Various policy measures have been taken to streamline the infrastructure projects.

Industry Structure & Development

A key driver for the Indian economy, the infrastructure sector is highly responsible for propelling India's overall development. The sector also enjoys intense focus from the Government for initiating policies that would ensure time-bound creation of world class infrastructure in the country. Sustained economic growth is the key to India's power. Infrastructure without a doubt lies at the heart of this growth story. Infrastructure growth provides livelihood, drives business, generates employment and determines quality of life.

Company Overview

- The Company provides integrated engineering, procurement and construction (EPC) services for civil construction and other infrastructure projects.
- The Company is engaged in the execution of civil engineering projects in various business segments namely: Highways (EPC, BOT, O&M), Building, Housing & Urban Infrastructure, Railways/Metro and Other Infrastructure.
- MBL was among the first batch of contractors to be awarded the contracts of prestigious North South East West Corridor by NHAI and was the first to complete the project
- MBL was amongst the early batch of contractors to be awarded contract for maintenance of National Highways by NHAI.
- MBL has witnessed a continuous growth in bid capacity and pre-qualification capability.

Police Station & Residential Quarters at Kondli, New Delhi for MHA, Delhi Police through RITES Ltd.

- The Company has a large fleet of sophisticated equipment, including hot mix plants, sensor pavers, tandem rollers, soil compactors, stone crushers, loaders, excavators, tippers, motor graders, concrete batching plants, transit mixers, concrete pumps, dozers, cranes etc.
- The Company is certified for execution of civil engineering projects under the following categories:
 - (a) ISO 9001: 2015: in recognition of the Organisation's Quality Management System
 - (b) ISO 14001:2015: in recognition of the Organisation's Environment Management System
 - (c) ISO 45001:2018: in recognition of the Organisation's Health and Safety Management System

Risk Management

1. Strategic risk

- 1.1 A limited business strategy could affect the Company's ability to capitalize on opportunities in a growing market.

Mitigation

- 1.2 Our company enjoys a rich experience of construction under EPC/ BOT projects. We have executives tracking developments within the industry, allowing us to capitalize on emerging opportunities. Though our thrust area remains roads & highways, to de-risk from an overt exposure to the road sector, we have extended into segments like railways, urban infrastructure and industrial infrastructure.

2. Competition risk

- 2.1 More opportunities have attracted numerous mid-sized players in the infrastructure sector. Increased competition could threaten the Company's growth ambitions.

Police Station & Police Colony, Delhi Cantt. for MHA, Delhi Police through RITES Ltd.

Mitigation

- 2.2 Entry barrier is less for small sized road and highway projects whereas for execution of large projects now, there are only limited players. We are trusted as a reliable partner for new projects and our ability to execute large size projects across the length and breadth of the country has helped us emerge as one of the most renowned road developers in India.

3. Financial risk

- 3.1 Inadequate financials management might result in the Company's inability to secure funding for projects and to control cost might affect profitability.

Mitigation

- 3.2 We have years of experience in the infrastructure sector and have robust financial management protocols which ensures our productivity is maintained along with keeping project costs in check.
- 3.3 The Resolution Plan of the Company under the Insolvency & Bankruptcy Code, 2016 (IBC, 2016) by the Hon'ble National Company Law Tribunal ("NCLT"), Kolkata by its order dated April 18, 2018. The appeals filed by some of the banks were dismissed by the Hon'ble National Company Law Appellate Tribunal ("NCLAT") by its order dated August 16, 2019 finding them without any merit. The Hon'ble Supreme Court by its order dated January 18, 2022 has dismissed the civil appeal no. 8411 of 2019 filed by one of the dissenting banks against the Hon'ble NCLAT order dated August 16, 2019. The Resolution Plan has accordingly attained finality.

4. Execution risk

- 4.1 Inability to secure projects and successfully execute large projects within project timelines could lead to stalled projects and stuck funds.

Mitigation

- 4.2 We always bid for projects within our core competence, which allows us to leverage our technical expertise to achieve timely project execution. We also have bitumen, concrete, equipment and quarry divisions.

5. Economic risk

- 5.1 Any adverse change in governmental policy could affect the entire industry.

Mitigation

- 5.2 India displayed impressive growth during the year under review to become the fastest growing economy in the

world. The Central Government's emphasis on road infrastructure, energy, railways and affordable housing is expected to create numerous opportunities for MBL. We have displayed an inherent ability to explore and capitalize on opportunities presented across the entire infrastructure spectrum.

Construction of National Law University, Rai in Sonapat District, Haryana for PWD (B & R), Haryana

6. Industry risk

6.1 A downturn in the road sector can potentially impact sustainability.

Mitigation

6.2 The road sector enjoys priority in India. The Central Government announced a slew of initiatives to kick-start growth, supported by various policy changes. Our presence in all segments of infrastructure development, significantly mitigates this risk.

7. Business model risk

7.1 In new business models like BOT, revenue accrues to the contractor at a later date in the form of user-fees or toll. It is risky if the toll collected is insufficient to compensate the contractor with reasonable profits.

Construction of 96 flats at Tulsi Tower, Bhopal for MP Housing & Infrastructure Development Board

Mitigation

7.2 We take due caution before taking up any such project; estimates of toll revenues are made with utmost diligence, considering all practical constraints and realistic view points, so as to arrive at a reasonably accurate figure of future revenues to be earned through collection of user fees. The quality of its project is always maintained at the highest levels, which attracts higher traffic intensity.

8. Input risk

8.1 Availability of the right quality and quantity of resources (raw material and finances) is critical for the timely completion of infrastructure projects. Besides, cost escalation could affect profitability.

Mitigation

8.2 We control our projects directly – as opposed to sub-contracting core infrastructure assignments – enabling us to ascertain when material would be required; in what quantity and where we procure key raw materials (steel and cement) directly from leading manufacturers for a more timely access. Moreover, most of our contracts are protected with input escalation clauses, which protect profitability.

9. Manpower risk

9.1 Since people represent the most valuable asset in the business, any attrition could lead to a valuable loss of competitive edge. Recruitment and retention of specialized professionals in any industry is a challenge.

Mitigation

9.2 We maintain a cordial and informal working environment. Authority is delegated at all levels through a defined system of the scope of work, responsibility and reporting structure which results in leaders being nurtured across the organisational structure. We remunerate employees according to the prevailing industry standards and conduct in-depth training, both functional and attitudinal, leading to a low attrition rate.

10. Quality risk

10.1 For an Infrastructure Company, product quality needs to withstand the test of time. Any failure could effectively invite negative publicity affecting the Company's prospects.

Mitigation

10.2 The Company procures raw material from reputed brands (SAIL, TISCO, RINL, Ultratech, ACC, IOCL, HPCL, BPCL,

Construction of 222 Flats at Keelandev Tower, Bhopal for MP Housing & Infrastructure Development Board.

among others) only, minimizing much of the risk. The Company has in-house laboratories and engineers for quality checks. Work-in-progress checks are carried out during execution. The Company has its own quarrying & mining, concrete and bituminous divisions and engineering personnel to ensure quality execution. Finished quality checks are carried out post-execution to ensure quality of the final product before handing over the works to the clients.

Financial Overview

Sales & Other Income

The total income of the Company during the Financial year 2021-22 was Rs. 16148 lakhs on standalone basis and Rs. 26047 lakhs on consolidation basis as against Rs. 26009 lakhs on standalone basis and Rs.32234 lakhs on consolidation basis during FY 2020-21. The Company had profit after tax of Rs.6359 lakhs on standalone basis and profit of Rs. 13 lakhs on consolidation basis during FY 2021-22 as against profit of Rs. 9334 lakhs on standalone basis and profit (including exceptional items) of Rs. 6337 lakhs on consolidation basis during FY 2020-21.

Residential accommodation for NHAI staff at Sector 17, Dwarka, New Delhi.

Key Ratios

Key financial ratios are given below:

Particulars	Year Ended	
	2021-22	2020-21
Debtors Turnover	0.11	0.19
Inventory Turnover	10.81	12.55
Interest Coverage Ratio	-	-
Current Ratio	2.41	1.79
Debt Equity Ratio	0.64	0.79
Operating Profit Margin (%)	9.52	3.39
Net Profit Margin (%)	0.39	0.36
Return on Net Worth (%)	0.05	0.08

The key ratios are not comparable as the operations of the Company are not normal due to non-implementation of the resolution plan by working capital banks post CIRP under IBC, 2016.

Internal Control Systems & their Adequacy

We have an adequate system of internal control to ensure that transactions are properly authorized, recorded and reported apart from safeguarding our assets. The internal control system is supplemented by well-documented policies, guidelines and procedures. We have also installed an extensive CCTV Surveillance system to cover all our project sites. All these measures are continuously reviewed and necessary improvements are implemented.

Material Developments in Human Resources/ Industrial Relations Front, including – Number of People Employed

We recognize the importance of human values and ensure that proper encouragement, both moral and financial, is extended

Construction of Police station & Residential Quarters, Hari Nagar, Delhi for MHA, Delhi Police through RITES Ltd.

to employees. The senior management team consists of experienced professionals with diverse skill sets across all cadres and geographical locations. The total number of employees employed as on 31st March, 2022 was 354.

Health, Safety and Environment

MBL has framed a Health, Safety and Environment Policy (HSE). The key objective of HSE Policy is to empower employees to attain a healthy and safe work place with an emphasis on zero injury and environmental protection. We provide regular training to our employees, conduct regular audits and have taken ISO 9001, ISO 14001 and OHSAS 45001 certifications to ensure proper implementation of our HSE Policy. The HSE Policy enunciated by the Management lays emphasis on Health, Safety & Environment through a structured approach and well-defined SOP's have been established for implementing the requisites at all stages of construction. The safety and health of employees, partners, service providers and the public are a priority at MBL. The wellbeing of stakeholders and the minimization of impact on the natural environment are extremely important to us. HS&E are key focus areas and integrated into our business operations

at every level. Our HSE Policy ensures that site operations meet legal requirements and that operations cause minimal visual impact or nuisance to the public. Continuous efforts to achieve safety awareness and eliminate unsafe practices are made through employee engagement.

Cautionary Statement

The statements in the Management Discussion and Analysis Report' with regard to projections, estimates and expectations have been made in good faith. The achievement of results is subject to risks, uncertainties and even less than accurate assumptions. Market data and information are gathered from various published and unpublished reports. Their accuracy, reliability and completeness cannot be assured.

*The shareholders in the Annual General Meeting held on 07.08.2021 appointed Mr. Ram Dayal Modi as an Independent Director for a period of 5 years w.e.f. 13.05.2021 and had approved appointment/redesignation of Mr. Surender Aggarwal as an as Wholetime Director/Executive Director w.e.f. 23.06.2021.

As mandated by Regulations 17A and 26(1) of LODR:

- (a) None of the Directors are Directors in more than seven (7) Listed Companies;
- (b) None of the Independent Directors serve as an Independent Director in more than 7 (Seven) Listed Companies;
- (c) The Managing Director is not serving as an Independent Director in any other listed company;
- (d) None of the Directors are member in more than ten (10) committees or acts as chairperson in more than 5 (Five) Committees.

Chairpersonship/Membership of the Board Committee includes membership of Audit Committee and Stakeholders' Relationship Committee in other public limited companies.

Directorship/Chairpersonship/Membership in Listed Company implies MBL Infrastructures Ltd.

The Board periodically evaluates, as and when required, the need for change in its composition and size. None of the Directors are related inter-se in terms of Section 2(77) of the Act.

Skills/ Expertise/ Competencies of the Board of Directors

The Board has identified that the Directors of the Company have skills, expertise and competencies required in the context of Company's business, policies, work culture and the potential opportunities of the industry in which the Company belongs to. The following are the core list available with the Board Members:

Financial awareness	Strategy and Planning awareness	Corporate Governance Awareness
Basic understanding of the Financial Statements/Financial Reporting of the Company	Finance, Operations, Sales, Marketing, Purchase, Human Resources, Information Technology	Corporate Governance awareness, awareness of good business practice,
Every Board member has the basic understanding of the Financial Statements, Financial Reporting of the Company. The members use their respective rich experience, knowledge and skills effectively to contribute to the growth of the Company.	The Board members are aware of the Business strategy which includes Finance, Operations, Sales, Marketing, Purchase, Human Resources, Information Technology and moreover the risk and gain potential opportunity and threat of the Company's Industry Sector.	The Board members possess the Corporate Governance awareness, awareness of good business practice, responsibilities and reporting to stakeholders and to support legal compliance systems.

The aforesaid expertise/competencies/skills in the context of the business sector for the effective functioning of the Board is available and also provided from time to time to the Board.

Board Agenda

The meetings of the Board are governed by a structured agenda which is circulated to the Directors well in advance for facilitating meaningful and focused discussion at the meeting. Where it is not practicable to attach any document to the Agenda, it is tabled at the meeting with specific reference to the effect in the agenda. In special and exceptional circumstances additional or supplementary item(s) on the agenda are permitted.

The Board members and Key Managerial Personnel (KMP) confirm quarterly to the Board of Directors that they, directly or indirectly or on behalf of third parties, does not have a material interest in the transactions or matters directly affecting the Company. The Board members in consultation with the Chairman may bring upon other matters for consideration at the Board meeting. Members of the Senior Management are occasionally present in the meeting as an invitee as and when required.

Information placed before the Board

Necessary information as required under the statute and Regulation 17(7) read with Part A of Schedule II of LODR are placed before the Board, from time to time. The Board periodically reviews compliance reports pertaining to all laws applicable to the Company as well as steps taken by the Company to rectify instances of non-compliances, if any. Within fifteen (15) days from the date of the conclusion of the Meeting of the Board, the draft Minutes are circulated amongst the members for their comments. The minutes of the meeting explicitly record dissenting opinions of the members, if any. Further to protect the shareholders rights, the Board ensures that:

- a. Shareholders have the right to participate in and be sufficiently informed on decisions concerning fundamental corporate changes.
- b. Shareholders have the opportunity to participate effectively and vote in general meetings.
- c. Shareholders are informed on the rules including voting procedures that govern general shareholder meetings.
- d. Shareholders have the opportunity to ask questions to the Board, to place items on the agenda of general meetings and to propose resolutions, subject to reasonable limitations.
- e. Effective shareholder participation is facilitated in key Corporate Governance decisions, such as nomination and election of board members.
- f. Company has an adequate mechanism to address the grievances of the shareholders.
- g. Company has an effective means to protect and redress the minority shareholders from abusive actions by or in the interest of, controlling shareholders either directly or indirectly.

Post Meeting Mechanism

The important decisions taken at the Board/Board Committee(s) meetings are communicated to the concerned departments/divisions. Action Taken Report on decisions, if any, minutes of the previous meeting is placed at the succeeding meeting of the Board/Board committees for noting. The Company also files the reports, statements, documents, filings and other information with NSE & BSE on the electronic platform as specified in LODR and Act.

Number of Board Meeting held and attended by Directors

During the year under review 5 (Five) meetings of the Board were held. The intervening gap between the meetings was within the period/relaxations due to Covid-19 pandemic provided/prescribed under the Act/LODR. The necessary quorum was present for all the Board Meetings. The Company has also provided video/tele-conferencing facilities to the Directors to participate in the meetings. The dates on which the Board meetings were held were 8th June, 2021, 23rd June, 2021, 7th August, 2021, 13th November, 2021 and 14th February, 2022.

Mr. Ashwini Kumar Singh	5	5	Yes
Mr. Ram Dayal Modi	5	5	Yes
Ms. Sunita Palita	5	5	Yes
Mr. Ranjit Datta	5	5	Yes
Mr. Surender Aggarwal	5	5	Yes

Independent Directors

In terms of the requirement of the Act read with LODR, the shareholders of the Company had approved re-appointment/appointment of all Independent Directors to hold office for a term of five consecutive years. All the Independent Directors possess wide range of skills and experience required by the Company. The Board on the basis of performance evaluation and their background experience and the contribution made by them during their tenure confirms that in the opinion of the Board the Independent directors fulfill the conditions specified in LODR and are independent of management and their continued association will be beneficial to the Company. The Company had issued formal letter of appointment to the Independent Director

which, inter-alia, explains the role, functions, duties and responsibilities expected from them as a Director of the Company. The brief terms and conditions for their appointment as Independent Directors is available on Company's website www.mblinfra.com. Further the independent directors' have confirmed that they have enrolled themselves in the Independent Directors' Data Bank maintained with the Indian Institute of Corporate Affairs.

All Independent Directors have given declaration that there has been no change in the circumstances which may affect their status as an independent director and they meet the criteria of independence as enumerated in LODR and Section 149 of the Act. The Independent Directors have also affirmed that they have abided by the provisions specified in Schedule IV to the Act.

The Board had approved and adopted Code of Conduct as detailed in Schedule IV of the Act as criteria for evaluation of performance of Directors, performance evaluation of the Board, its committees, and individual directors is based on the roles and responsibilities and is based on certain parameters like director profile, attendance, acquaintance with business, contribution to Board and its committees, adherence to applicable codes/ policies performance of Directors and fulfillment of the independence criteria as specified in LODR and their independence from management.

A separate meeting of Independent Directors of the Company without the presence of Managing Director & the Management representatives was held on 21st June, 2021 as required under Schedule IV of the Companies Act, 2013. All the Independent Directors of the Company have attended the meeting. The Independent Directors, inter alia, evaluated the performance of the Non-Independent Directors and the Board of Directors as a whole, evaluated the performance of the Chairman of the Board after taking into account the views of Executive and Non-Executive Directors and discussed aspects relating to the quality, quantity and timeliness of the flow of information between the Company, the Management and the Board. The Committee after evaluating the performance of each member of the Board was of the opinion that performance of all members was satisfactory and all members had contributed towards the growth of the Company. The Company had recommended that all members of Board should continue, subject to applicable laws, etc. The Directors being evaluated had not participated in the process.

Code of Conduct

The Board has laid down, the Code of Conduct ("Code") of the Company for all Board Members and Senior Management of the Company. The Code has incorporated duties of Independent Directors as laid down in the Companies Act, 2013 ("the Act"). The Board members and senior management have conducted themselves so as to meet the expectations of operational transparency to stakeholders while at the same time maintaining confidentiality of information in order to foster a culture of good decision making. The code anchors ethical and legal behaviour within the organization. The Code is available on the website of the Company www.mblinfra.com.

All Board Members and Senior Management Personnel have confirmed compliance with the Code on an annual basis and the declaration to the effect signed by the Managing Director is enclosed at the end of the Report.

Codes under SEBI (Prohibition of Insider Trading) Regulations, 2015

The Board pursuant to the requirement of the SEBI (Prohibition of Insider Trading) Regulations, 2015 has adopted and amended the same, from time to time, (1) Code of Conduct to Regulate, Monitor and Report Trading by Insiders and (2) Code of Practices and Procedures for Fair Disclosure of Unpublished Price Sensitive Information (Code for Fair Disclosure). These Codes ensures that Board Members, KMP and Senior Management i.e. one level below the Board shall conduct themselves so as to meet the expectations of operational transparency to stakeholders. While at the same time maintaining confidentiality of information in order to foster a culture of good decision making. All the Board members and senior management personnel have confirmed compliance with the Code. All the Directors, Promoters, employees and third parties as defined in the Code etc. who could have access to the unpublished price sensitive information of the Company are governed by this Code. The Code for Fair Disclosure is available on the Company's website www.mblinfra.com.

Familiarization Programme for the Independent Directors

The familiarization programs for the Independent Directors are in line with the Policy adopted by the Board in connection thereof.

The management provides information as detailed in the Familiarization Policy for the Independent Directors either at the Board meeting(s) or committee meeting(s) or otherwise. Periodic presentations were made at the Board and /or Committee meetings thereof on various matters, inter-alia, covering business and performance updates, finance, product updates, quality, human resources, quarterly and financial results, status of the compliance of the applicable laws and such other areas as may arise, from time to time, where directors get an opportunity to interact with the Company management. Each Director of the Company has complete access to any information relating to the Company. Independent Directors have the freedom to interact with the Company's management. They are given all documents sought by them for enabling a good understanding of the Company, its various operations and industry segments of which it is a part.

During the year the Company continuously through its various Board Meeting(s) and/or Committee meeting(s) facilitated Directors to familiarize about the Company performance and in turn helped them in their active participation in managing the affairs of the Company.

Familiarization Programme undertaken for Independent Directors is provided at the following weblink: https://www.mblinfra.com/uploadimages/pdf/pdf_1649745934.pdf

Board Evaluation

The Board adopted a formal mechanism for evaluating its performance and effectiveness as well as that of its Committees and individual Directors, including the Chairman of the Board. For Board and its Committees, the exercise was carried out through a structured evaluation process covering various aspects of the Boards functioning such as structure and composition of the Board & committees, experience & competencies of Directors, regularity and frequency of meetings, agenda, participation in discussion performance of specific duties & obligations, governance and compliance issues, evaluation of risk, grievance redressal for investors, stakeholders value and responsibility etc. The evaluation of individual directors and chairperson is based on qualification, experience, knowledge and competency, commitment and contribution, integrity etc. In the Board meeting held after the meeting of the Independent Directors and the meeting of the NRC, the performance of the Board, its Committees, and individual directors were discussed. The Directors were satisfied with the evaluation results, which reflected the overall engagement and effectiveness of the Board and its Committees.

Managing Director & CFO Certificate

A Compliance Certificate from the Managing Director (MD) and Chief Financial Officer (CFO) of the Company pursuant to Regulation 17(8) of LODR, is enclosed at the end of the Report. Pursuant to Regulation 33 of LODR, Managing Director and CFO also give quarterly certification on financial results while placing the same before the Board.

Disclosure regarding Re-Appointment of Director

The brief resume and other information required to be disclosed under this Section is provided in the Notice of the Annual General Meeting.

To

The Board of Directors
MBL Infrastructures Ltd.

Sir/Madam,

We have reviewed the Financial Statements and the Cash Flow Statements of MBL Infrastructures Ltd. ('the Company') for the financial year ended 31st March, 2022 and that to the best of our knowledge and belief, we state that:

1. a. these statements do not contain any materially untrue statement or omit any material fact or contain statements that might be misleading;
- b. these statements together present a true and fair view of the Company's affairs and are in compliance with existing accounting standards, applicable laws and regulations;
2. There are, to the best of our knowledge and belief, no transactions entered into by the Company during the year which are fraudulent, illegal or violative of the Company's code of conduct.
3. We accept responsibility for establishing and maintaining internal controls for financial reporting. We have evaluated the effectiveness of internal control systems of the Company pertaining to financial reporting and we have disclosed to the auditors and the Audit Committee, deficiencies in the design or operation of such internal controls, if any, of which we are aware and the steps taken or propose to taken for rectifying these deficiencies.
4. We have indicated to the Auditors and the Audit Committee:
 - a. significant changes in internal control over financial reporting during the year, if any;
 - b. significant changes, if any, in accounting policies during the year and that the same have been disclosed in the notes to the financial statements; and
 - c. Instances of significant frauds, if any, of which we have become aware and the involvement therein, if any, of the management or an employee having a significant role in the company's internal control system over financial reporting.

Compliance Certificate on Corporate Governance

[Pursuant to Regulation 17(8) of SEBI (Listing Obligations & Disclosure Requirements) Regulations, 2015]

To

**The Members of
MBL Infrastructures Ltd.**

We have examined the compliance of the conditions of Corporate Governance by MBL Infrastructures Ltd ("the Company"), for the financial year ended March 31, 2022, as stipulated under Regulations 17 to 27, clauses (b) to (i) of Regulation 46(2) and paragraphs C, D and E of Schedule V to the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (hereinafter referred as the "Listing Regulations"), as amended from time to time.

The compliance of conditions of Corporate Governance is the responsibility of the Management of the Company. Our examination was limited to the review of procedures and implementation thereof, as adopted by the Company for ensuring compliance with conditions of Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.

Opinion

Based on our examination of the relevant records and according to the information and explanations furnished to us and the representations provided by the Management and considering the relaxations granted by the Ministry of Corporate Affairs and Securities and Exchange Board of India warranted due to spread of the COVID-19 pandemic, we certify that the Company has complied with the conditions of Corporate Governance as stipulated in Listing Regulations during the financial year ended March 31, 2022.

We further state that such compliance is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the Management has conducted the affairs of the Company.

Restriction on use

The certificate is addressed and provided to the members of the Company solely for the purpose to enable the Company to comply with the requirement of the Listing Regulations, and it should not be used by any other person or for any other purpose.

Secretarial Audit Report for the Financial Year Ended 31st March, 2022

[Pursuant to Section 204(1) of the Companies Act, 2013 and Rule 9 of the Companies (Appointment and Remuneration Personnel) Rules, 2014]

To,
The Members,
MBL Infrastructures Limited,
Bani Corporate One, Suite No. 308,
3rd Floor, Plot No. 5, Commercial Centre,
Jasola, New Delhi-110025

I, Mehak Gupta, Proprietor of M/s. Mehak Gupta & Associates, Company Secretaries have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **MBL Infrastructures Limited** (CIN: L27109DL1995PLC338407) (hereinafter called the company). The Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the company has, during the audit period covering the financial year ended on 31st March, 2022 complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on 31st March, 2022 according to the provisions of:

- (i) The Companies Act, 2013 ('the Act') and the rules made there under (as amended from time to time)
- (ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made there under (as amended from time to time)
- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed there under (as amended from time to time)
- (iv) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings (as amended from time to time):-*Not applicable to the Company during the audit period*
- (v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act')
 - (a) The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirement) Regulations, 2015;(as amended)
 - (b) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011(as amended from time to time)
 - (c) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015 (as amended from time to time)
 - (d) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018 (as amended from time to time)
 - (e) The Securities and Exchange Board of India (Employee Stock Option Scheme, Employee Stock Purchase Scheme) Guidelines, 1999 and 1 Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014; (as amended from time to time):-*Not applicable to the Company during the audit period*
 - (f) The Securities and Exchange Board of India (Share Based Employees Benefits and Sweat Equity) Regulations, 2021; (as amended from time to time):- *Not applicable to the Company during the audit period*
 - (g) ²The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008:-*Not applicable to the Company during the audit period*
 - (h) ³The Securities and Exchange Board of India (Issue and Listing of Non-Convertible and Redeemable Preference Shares) Regulations, 2013; (as amended from time to time):-*Not applicable to the Company during the audit period*
 - (i) Securities and Exchange Board of India (Issue and Listing of Non-Convertible Securities) Regulations, 2021; (as amended from time to time:-*Not applicable to the Company during the audit period*
 - (j) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client; (as amended from time to time).

Footnotes:

1. The Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014 and SEBI (Issue of Sweat Equity) Regulations, 2002 (as amended) have been merged into The Securities and Exchange Board of India (Share Based Employees Benefits and Sweat Equity) Regulations, 2021; (as amended).
- 2.&3. The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008 and The Securities and Exchange Board of India (Issue and Listing of Non-Convertible and Redeemable Preference Shares) Regulations, 2013; (as amended) have been merged into Securities and Exchange Board of India (Issue and Listing of Non-Convertible Securities) Regulations, 2021; (as amended) provided at point (i) to the report.

I have also examined compliance with the applicable clauses of the following:

- (i) Secretarial Standard- 1 (Meetings of Board of Directors) and Secretarial Standard- 2 (General Meetings) issued by The Institute of Company Secretaries of India.
- (ii) The Listing agreements entered into by the Company with National Stock Exchange of India Ltd and BSE Ltd

During the period under review the Company has complied with the provisions of the Act, Rules, Regulations, guidelines, standards, etc mentioned above.

I, further report that having regard to compliance system prevailing in the Company and on examination of relevant documents and records in pursuance thereof on test-check basis, the Company has complied with the following laws applicable specifically to the Company :

(A) Contact Labour (Regulation and Abolition) Act, 1970

(B) Building and other Constructions Workers (BOCW) Act, 1996.

I, further report that,

The Board of Directors of the Company is duly constituted with proper balance of Executive/Whole-time Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance to all the Directors, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting. Decisions at the Board meeting were taken unanimously as recorded in the minutes of the meetings of the Board of Directors or Committees of the Board, as the case may be.

I further report that there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with the applicable laws, rules, regulations and guidelines.

I, further report that,

1. During the audit period under review in the Board Meeting held on 13th May, 2021, Mr. Ram Dayal Modi (DIN: 03047117) was appointed as an Additional Independent Non-Executive for a period of five years with effect from 13th May, 2021 and his appointment was duly approved in the Annual General Meeting held on 07th August, 2021.
2. During the audit period under review in the Board Meeting held on 23rd June, 2021, Mr. Surender Aggarwal (DIN: 07272927) was appointed /re-designated as Whole Time Director/Executive Director of the Company with effect from 23rd June, 2021 to 30th September 2022 and his appointment/re-designation was duly approved by the shareholders in the Annual General Meeting held on 07th August, 2021.
3. The Company had made submissions to both the Stock Exchanges i.e. BSE & NSE for waiver of fine for alleged lapse of Regulation 17(1) of SEBI (LODR) Regulations, 2015. BSE after considering the submissions vide letter dated 23.06.2021 has waived the fine. However, NSE did not consider the similar submissions made by the Company to BSE. The Company vide letter dated 01.07.2021 had requested NSE that in view of the fact that similar submissions made by the Company was considered by BSE, it was requested to take uniform action in compliance with SEBI SOP circular and also requested for waiver of fine. Since no response was received from NSE to the letter dated 01.07.2021, the Company "under protest" paid fine on 05.07.2021. NSE vide email dated 12.04.2022 in response to the Company email dated 05.07.2021 advised the Company that further submissions, if required, could be made before the Relevant Committee of NSE. The Company vide letter dated 19.04.2022 once again reiterated the aforesaid grounds for waiver of fine and referred to the NSE circular dated 31.03.2022 under which the Company falls under the category of "commonly listed entity" and requested that the decision taken by BSE on waiver of fine should also be applicable to NSE to maintain the uniformity at both the exchanges and the amount of fine paid under protest be refunded to the Company. Further reply/communication from NSE is awaited.
4. During the audit period under review the Company has received waiver of fine for delay in submission of financial results for the quarter ended March 31, 2018 from NSE. However, the company has not received any communication from BSE in the matter and the same is still pending before the exchange.
5. During the audit period under review, the Company has obtained approval from the members in the Annual General Meeting held on 07th August, 2021 for raising of funds upto Rs. 300 crores (Rupees Three Hundred Crores Only) through issue of securities, whether denominated in Indian Rupee and/or foreign currency, either by way of public issue or private placement (including through a qualified institution placement).

6. The working capital consortium has appointed Forensic Auditor for the period 01.04.2017 to 31.03.2021 as a compliance measure and the same was intimated to the stock exchange(s) on 28th October, 2021.
7. The Hon'ble Supreme Court by its order dated 18.01.2022 has dismissed the civil appeal filed against the Hon'ble NCLAT order dated 16.08.2019. The Resolution Plan of the Company has accordingly attained finality.

This Report is to be read with my letter of even date which is annexed as Annexure 1 and forms an integral part of this Report.

West Bengal-700027

I, Kuldeep Dahiya, Proprietor of Kuldeep Dahiya & Associates, Company Secretaries have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by the Company. Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the Company has, during the audit period covering the financial year ended on March 31, 2022 complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter.

I have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on March 31, 2022 and made available to me, according to the provisions of:

- (i) The Companies Act, 2013 (as amended) (the Act) and the rules made there under (as amended from time to time)
- (ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made there under (as amended from time to time) - Not applicable to the Company during the audit period
- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed there under (as amended from time to time)
- (iv) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings (as amended from time to time) - Not applicable to the Company during the audit period
- (v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):
 - a) The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended from time to time) - *Not applicable to the Company during audit period*
 - b) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011 (as amended from time to time) - *Not applicable to the Company during audit period*
 - c) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015 (as amended from time to time) - *Not applicable to the Company during audit period*
 - d) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018 (as amended from time to time) - *Not applicable to the Company during audit period*
 - e) The Securities and Exchange Board of India (Employee Stock Option Scheme, Employee Stock Purchase Scheme) Guidelines, 1999 and 1 Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014 (as amended from time to time) - *Not applicable to the Company during audit period*
 - f) The Securities and Exchange Board of India (Share Based Employees Benefits and Sweat Equity) Regulations, 2021 (as amended from time to time) - *Not applicable to the Company during the audit period*
 - g) ²The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008 (as amended from time to time) - *Not applicable to the Company during audit period*
 - h) ³The Securities and Exchange Board of India (Issue and Listing of Non-Convertible and Redeemable Preference Shares) Regulations, 2013 (as amended from time to time) - *Not applicable to the Company during audit period*

- i) Securities and Exchange Board of India (Issue and Listing of Non-Convertible Securities) Regulations, 2021 (as amended from time to time) -*Not applicable to the Company during the audit period*

However, SEBI regulations provided in footnotes are not applicable to the company during the year under review.

- j) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client (as amended from time to time)
- k) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2021 (as amended from time to time)-*Not applicable to the company during the audit period*
- l) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 2018 (as amended from time to time)- *Not applicable to the company during the audit period*
- m) Securities and Exchange Board of India (Depositories and Participants) Regulations, 2018 (as amended from time to time)-*Not applicable to the company during the audit period*

I have also examined compliance with the applicable clauses of the following:

- (i) Secretarial Standard- 1 (Meetings of Board of Directors) issued by The Institute of Company Secretaries of India.
- (ii) Secretarial Standard- 2 (General Meetings) issued by The Institute of Company Secretaries of India.

During the audit period under review, the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above.

I further report that,

The Board of Directors of the Company is duly constituted and there were changes in key managerial personnel during the audit period.

Adequate notices were given to directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent in advance to directors and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

All decisions at the Board Meetings were carried out unanimously as recorded in the minutes of the Board of Directors.

Based on the information provided by the Company, its officers and authorized representatives during the conduct of the audit, in our opinion, adequate systems and processes and control mechanism exist in the Company to monitor and ensure compliance of provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above.

This Report is to be read with my letter of even date which is annexed as Annexure 1 and forms an integral part of this Report.

Standalone Financial Statements

INDEPENDENT AUDITOR'S REPORT

To The Members of

MBL Infrastructures Limited

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying Standalone Financial Statements of **MBL Infrastructures Limited** ("the Company"), which comprise the standalone balance sheet as at March 31, 2022, and the standalone statement of profit and loss including other comprehensive income, the standalone statement of changes in equity and the standalone statement of cash flows for the year then ended, and notes to the standalone financial statements, including a summary of the significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations provided to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 as amended ("Act") in the manner so required and give a true and fair view in conformity with accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2022, its profit, including other comprehensive income, changes in equity and cash flows for the year ended on that date.

Basis of Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards of Auditing (SAs) as specified under Section 143(10) of the Act. Our responsibilities under those SAs are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis of our opinion on the standalone financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of the most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Description of Key Audit Matters

Measurement of Construction Revenue - Refer Note 3 (n)	
The Key Audit Matters	How the matter was addressed in audit
<p>Revenue from construction contracts represents significant portion of the total revenue from the operations of the Company. Revenue from these contracts is recognized on satisfaction of performance obligation over time in accordance with the requirements of relevant Indian accounting standards.</p> <p>The Company has contracts whose revenue recognition can be dependent on a high level of judgement over the percentage of completion. It is based on their best estimate of the costs to complete, claims and ability to deliver the contract within the contractual time limit. The execution of construction contracts also requires assessment of execution risk resulting from uncertainty related to COVID 19 pandemic.</p>	<p>Our audit procedures included:</p> <ul style="list-style-type: none"> • Obtaining an understanding and consideration of the appropriateness of the policies in respect of revenue recognition against the criteria in the Indian accounting standards. • Evaluated the design and implementation and tested operating effectiveness of key controls (including IT controls) around the contract price, estimation of costs to complete management's testing of these attributes. • Understanding and documenting the contract and other related contractual provisions including contractually agreed deliverables, termination rights, penalties for delay, etc to understand the nature and scope of the arrangements with the customer. • Assessing key judgements inherent in the estimation of significant construction contract projects. It includes comparing the stage-of-completion and costs of completion on significant projects.

<p>The Company's current year revenue from construction contracts and amount of expenses incurred, arise from transaction with related parties as well. These related parties are principally subsidiaries and JV (Enterprise-Participation) of the Company.</p> <p>The Company uses an input method based on costs incurred to measure progress of the projects. Under this approach, the Company recognises revenue based on the costs incurred to date relative to the estimated total costs to complete the performance obligation. Profit is not recognised until the outcome of the contract is fairly certain.</p> <p>Revenues, total estimated contract costs and profit recognition may deviate significantly from original estimates based on new knowledge about cost overruns and changes in project scope over the term of a construction contract.</p>	<ul style="list-style-type: none"> • We assessed the estimated costs to complete, variations in contract price and contract costs and underlying invoices, signed contracts/ statements of work completed for all ongoing projects. • We understood and documented the Company's process for identifying related parties and recording related party transactions. We have also assessed Company's key controls in relation to the assessment and approval of related party transactions and examined Company's disclosures in respect of the transactions. • We tested on test check basis, the approvals of the Audit Committee and Board of Directors for related party transactions. • We tested samples of manual journals posted to revenue to identify unusual items • We checked adequacy of the disclosures made in note 45 to the Company's standalone financial statements are compliant with Ind AS -115.
--	--

Assessment of recoverability of investments in subsidiaries - Refer Note 4 (c)

The Key Audit Matters	How the matter was addressed in audit
<p>The Company has significant investments in subsidiaries which carry out road and other infrastructure projects.</p> <p>The carrying amount of the investments in subsidiaries held at cost less impairment as at 31 March 2022 is Rs. 30,299.50 lakhs.</p> <p>The Company has investments in subsidiaries which are considered to be associated with significant risk in respect of valuation of such investments. Changes in business environment could also have a significant impact on the valuation of these investments. These investments are carried at cost less any diminution in value of such investments. The investments are examined for impairment at each reporting date.</p> <p>These investments are unquoted and hence it is difficult to measure the realisable amount of these investments.</p> <p>The Company performs an annual assessment of its investments in subsidiaries at cash generating unit (CGU) level, to identify any indicators of impairment. The recoverable amount of the CGUs which is based on the higher of the value in use or fair value less costs to sell, has been derived from discounted forecast cash flow models. These variables used to determine the value in use are evolving especially in light of uncertainty related to the COVID 19 pandemic.</p> <p>These models use several key assumptions, concerning estimates of future revenue growth, concession period, operations costs, the discount rate and assessments of the status of the project and cost of complete balance work.</p>	<p>Our audit procedures included:</p> <ul style="list-style-type: none"> • We have evaluated the design and implementation and tested the operating effectiveness of key controls placed around the impairment assessment process of the recoverability of the investments made including the estimation of future cash flows forecasts, the process by which they were produced and discount rates used. • We have assessed Company's identification of CGU with reference to the guidance in the applicable Indian accounting standards. • Assessed the net worth of subsidiaries on the basis of latest available financial statements. • We focused on the sensitivity in the difference between the estimated value and book values of the projects, where change in assumptions could cause the carrying amount to exceed its estimated present value. We also assessed the historical accuracy of Company's estimates <ul style="list-style-type: none"> - Comparing the carrying amount of investments with the relevant subsidiaries balance sheet to identify their net assets, being an approximation of their minimum recoverable amount. Instances where the net assets are in excess of their carrying amount and assessed that those subsidiaries have historically been profit-making - For the investments where the carrying amount exceeded the net asset value, comparing the carrying amount of the investment with the expected value of the business based discounted cash flow analysis. • We focused on key assumptions which were most sensitive to the recoverable value of the intangible asset. We also assessed the key assumptions were plausible and appropriate in the light of the current environment of the COVID 19 pandemic. We also assessed the historical accuracy of Company's estimates. <p>We reviewed and assessed the work performed by management's external valuation experts, including the valuation methodology and the key assumptions used. We also assessed the competence, capabilities and objectivity of the experts used by the management in the process of evaluating impairment model.</p>

Disputed Tax Matters - Refer Note 3 (i)	
The Key Audit Matters	How the matter was addressed in audit
<p>Tax litigation exposures have been identified as a key audit matter due to:</p> <ul style="list-style-type: none"> • Significance of these amounts. • Significant judgement and assumptions required by management in assessing the exposure of each case to evaluate whether there is a need to set up a provision and measurement of exposures as well as the disclosure of contingent liabilities. <p>Additionally, the treatment of tax litigation require significant judgement due to the complexity of the cases and, timescales for resolution.</p>	<p>Our audit procedures include the following:</p> <ul style="list-style-type: none"> • Obtained understanding and assessed the internal control environment relating to the identification, recognition and measurement of provisions for disputed tax matters. • Obtained the summary of disputed tax matters from management and assessed management’s position through discussions on both the probability of success in significant cases, and the magnitude of any potential loss. • Read evidence to corroborate management’s assessment of the risk profile in respect of tax disputed matters. • We involved tax specialists to assist us in evaluating tax positions taken by management. <p>We assessed the disclosures relating to the disputed tax matters as mentioned in Note 42 of the Standalone Ind AS financial statements.</p>

Other Information

The Company’ Board of Directors are responsible for the other information. The other information comprises the information included in the Company’s annual report but does not include the standalone financial statements and our auditors’ report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibility of the Management for the Standalone Financial Statements

The Company’s Board of Directors are responsible for the matters stated in Section 134 (5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, changes in equity and cash flow of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for

preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company’s ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company’s financial reporting process.

Auditor’s Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor’s report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SA’s will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of audit in accordance with SA's, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures in the standalone financial statements made by the Management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements

regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Emphasis of Matter

We draw attention to the following matters in the notes to the accompanying Standalone Financial Statement:

- a. Note 3(a) regarding the approval of Resolution Plan of the Company under the Insolvency & Bankruptcy Code, 2016 (IBC, 2016) by the Hon'ble National Company Law Tribunal ("NCLT"), Kolkata by its order dated April 18, 2018. The appeals filed by some of the banks were dismissed by the Hon'ble National Company Law Appellate Tribunal ("NCLAT") by its order dated August 16, 2019 finding them without any merit. The Hon'ble Supreme Court by its order dated January 18, 2022 has dismissed the civil appeal no. 8411 of 2019 filed by one of the dissenting banks against the Hon'ble NCLAT order dated August 16, 2019. The Resolution Plan has accordingly attained finality.
- b. Note 6.3 regarding Investments by the company as at March 31, 2022 (i) Non-Current Investment amounting to Rs.1,000.00 lakhs (March 31, 2021; Rs.1,000.00 lakhs) in MBL (MP) Road Nirman Company Limited; (ii) Non-Current Investment amounting to Rs.1,200.00 lakhs (March 31, 2021; Rs.1,200.00 lakhs) in AAP Infrastructure Limited; (iii) Non-Current Investment amounting to Rs.5,110.00 lakhs (March 31, 2021; Rs.5,110.00 lakhs) in MBL Highway Development Company Limited. All the above entities are wholly owned by the Company along with its wholly owned subsidiary Company, MBL Projects Ltd and have incurred losses due to cancellation/termination of the projects. The net worth of above entities as at March 31, 2022 have been fully eroded. The net worth of these subsidiaries does not represent true market value of the underlying investment/assets. Claims have been filed against the cancellation/termination of the projects. These claims are based on the

terms & conditions implicit in the contract in respect of the cancelled/terminated projects. Considering the contractual tenability; legal advice obtained and progress of arbitration/ litigation, the management is confident of recovery of these claims. In view of this, the management is confident that the realisable amount is higher than the carrying value of the investments and, therefore, has considered the investment in the above subsidiaries as good and recoverable.

- c. Note 6.4 regarding Non-Current Investment as at March 31, 2022 amounting to Rs.2,984.25 lakhs (March 31, 2021; Rs.2,984.25 lakhs) holds 100% shares in MBL Projects Ltd., the net worth of the subsidiary which does not represent true market value. The subsidiary holds shares in downstream SPVs in which projects were cancelled. Claims have been filed against cancellation of projects. These claims are based on the terms & conditions implicit in the contract in respect of cancelled projects. Considering the contractual tenability, legal advice obtained and progress of arbitration/ litigation, the management is confident of recovery in these claims. In view of this, the management is confident that the realisable amount is higher than the carrying value of non-current assets and therefore considering the investment in the above subsidiary as good and recoverable.
- d. Note 6.5 regarding Non-Current Investment as at March 31, 2022 amounting to Rs.18,505.23 lakhs (March 31, 2021; Rs.18,505.23 lakhs) holds 100% shares in Suratgarh Bikaner Toll Road Company Private Limited which has started toll operations effective February 17, 2019. The net worth of the subsidiary does not represent true market value as the value of underlying investments/ assets. Based on TEV study report, certain estimates like future business plan, growth prospects and other factors, the management is confident that the realisable amount is higher than the carrying value of non-current assets and therefore considering the investment in the above subsidiary as good and recoverable.
- e. Note 35.1 regarding non provision of interest in view of waiver of interest/ penal interest/ interest on interest/ other panel charges on the delayed payments from the date of NPA till the implementation of the resolution plan by the Working Capital Banks. As the Working Capital Banks are yet to implement the approved Resolution Plan and therefore interest etc. have not accrued to them. Accordingly, no provision for interest amounting to Rs.8,418.75 lakhs (March 31, 2021 Rs.6,467.15 lakhs) has been made as on March 31, 2022. The Hon'ble NCLT has passed order dated March 11, 2022 excluding the period from April 18, 2018 to January 18, 2022 from the calculation of the period for implementation
- of the approved Resolution Plan and all dates mentioned in the Resolution Plan are consequently extended for implementation of the Resolution Plan. An appeal has been filed before the Hon'ble NCLAT against the Order dated March 11, 2022, which is pending adjudication. The ageing of the borrowings has been taken as per the Hon'ble NCLT order and may undergo changes after adjudication.
- f. Note 42.2 regarding judgments of the Hon'ble Supreme Court, whereby the Resolution Plan approved under IBC is binding on all creditors including Central Government, State Government, any Local Authority under section 31(1) of IBC, 2016 and any amount not claimed by the operational creditors stand extinguished. These claims are subject to reconciliation and rights and remedies available with the Company and are not acknowledged as debt.
- g. Note 46.1 regarding recognition of deferred tax assets (net) on conservative basis as at March 31, 2022 amounting to Rs.15,118.67 lakhs (March 31, 2021 Rs.9,466.04 lakhs) corresponding to unused brought forward income tax losses pursuant to the provisions of Ind AS 12 "Income Taxes", for which it has convincing evidences viz. opportunities available in area of its core competence, bidding/pre-qualification limit, conducive government policies and market conditions, recovery of pending claims, TEV study and approved Resolution Plan etc., based on which it is inferred that sufficient taxable profit will be available against which unused tax losses can be utilised by the Company.
- h. Note 52 regarding the claims in respect of cost over-runs arising due to client responsibility delays, client's suspension of projects, deviation in design, change in scope of work etc., which are at various stages of negotiation/ discussion with the clients/ arbitration /litigation. The realisability of these claims are estimated by the Company based on contractual terms, historical experience with similar claims as well as legal opinion obtained from internal and external experts, wherever necessary. Revenue in respect of claims is recognised to the extent the Company is reasonably certain of their realisation. Realisation of above claims may be lower than the claims recognized if the Company decides to settle the same out of court in future considering the substantial time involved in litigation. Impact thereof will be considered in the year of such settlement.
- i. Note 53 regarding the management's assessment of the financial impact of the outbreak of Coronavirus (Covid-19) pandemic situation, for which a definitive assessment of the impact in the subsequent period is dependent upon the

circumstances as they evolve.

Our opinion is not modified in respect of above matters.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "Annexure A", a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
- 2.(A) As required by Section 143(3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - (c) The standalone balance sheet, the standalone statement of profit and loss (including other comprehensive income), the standalone statement of changes in equity and the standalone statement of cash flows dealt with by this Report are in agreement with the books of account;
 - (d) In our opinion, the aforesaid standalone financial statements comply with the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act;
 - (e) On the basis of the written representations received from the directors as on March 31, 2022 and taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2022 from being appointed as a director in terms of Section 164 (2) of the Act; and
- (f) With respect to the adequacy of the internal financial controls with reference to the standalone financial statements of the Company and the operating effectiveness of such controls, refer to our separate report in "Annexure B".
- (g) In our opinion, the managerial remuneration for the year ended March 31, 2022 has been paid/ provided by the Company to its directors in accordance with the provisions of Section 197 read with Schedule V to the Act
- (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations as at March 31, 2022 on its financial position in its standalone financial statements - Refer Note 42.1 to the standalone financial statement.
 - ii. The Company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts;
 - iii. There has been no delay in transferring amounts required to be transferred, to the Investor Education and Protection Fund by the Company during the year ended March 31, 2022

ANNEXURE 'A' TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 2 under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of MBL Infrastructures Limited of even date)

To the best of our information and according to the explanations provided to us by the Company and the books of account and records examined by us in the normal course of audit, we state that

- (i) In respect of the Company's Property, Plant and Equipment and Intangible Assets:
 - (a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment.
 - (B) The Company has no intangible assets and hence reporting under clause 3(1)(a)(B) of the Order is not applicable.
 - (b) The Company has a program of physical verification of Property, Plant and Equipment to cover all the assets once every three years which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. Pursuant to the program, certain Property, Plant and Equipment were due for verification during the year and were physically verified by the Management during the year. According to the information and explanations given to us, no material discrepancies were noticed on such verification.
 - (c) Based on our examination of the property tax receipts and lease agreement for land on which building is constructed, registered sale deed / transfer deed / conveyance deed provided to us, we report that, the title in respect of buildings and title deeds of all other immovable properties (other than properties where the Company is the lessee and the lease agreements are duly executed in favour of the lessee), disclosed in the financial statements included under Property, Plant and Equipment are held in the name of the Company as at the balance sheet date.
 - (d) The Company has not revalued any of its Property, Plant and Equipment (including right-of-use assets) and intangible assets during the year.
 - (e) No proceedings have been initiated during the year or are pending against the Company as at March 31, 2022, for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (as amended in 2016) and rules made thereunder.
- (ii) (a) According to the information and explanations provided to us, the inventory has been physically verified at reasonable intervals during the year by the management. In our opinion and according to the information and explanations provided to us, the interval of such physical verification is reasonable having regard to size of the Company and nature of its business. The discrepancies noticed on physical verification of inventories as compared to book records were less than 10% in aggregate for each class of inventory and same have been properly dealt within books of account.
- (b) The company has not been sanctioned working capital limits in excess of Rs.5 Crores, in aggregate, at any points of time during the year, from banks or financial institutions on the basis of security of current assets and hence reporting under clause 3(ii)(b) of the Order is not applicable.
- (iii) According to the information and explanation given to us and on the basis of our examination of the records of the Company, the Company has not provided any guarantee or security or granted any loans or advances in the nature of loans, secured or unsecured, to Companies, Firms, Limited Liability Partnership or any Other Parties during the year except Corporate Guarantees for project centric finance of its Subsidiary Companies. Hence Clause 3(iii)(c), (d), (e) & (f) of the Order is not applicable
 - (a) Based on the audit procedures carried on by us and as per the information and explanation given to us, the Company has provided Corporate Guarantees in respect of project centric financial participation in the projects of subsidiary Companies for Rs.43,716.42 Lakhs. Banks have issued guarantee on behalf of the Company which have been disclosed in Note No.
 - (b) The Company has not made any investment during the year. The terms and conditions of the Corporate Guarantees provided for Subsidiary Companies are not prejudicial to the Company's interest.

- (iv) The Company has complied with the provisions of Sections 185 and 186 of the Companies Act, 2013 in respect of loans granted, investments made and guarantees, and securities provided, as applicable.
- (v) The Company has not accepted any deposit or amounts which are deemed to be deposits. Hence, reporting under clause 3(v) of the Order is not applicable.
- (vi) We have broadly reviewed the books of account maintained by the Company pursuant to the Rules made by the Central Government for the maintenance of cost records under sub section (1) of Section 148 of the Companies Act, 2013 in respect of Company's products/services and are of the opinion that, prima facie, the prescribed accounts and records have been made and maintained. However, we have not made a detailed examination of the same..
- (vii) According to the information and explanations provided to us and, in respect of statutory dues:
 - (a) Undisputed statutory dues including goods and service tax (GST), provident fund, employee state insurance, income tax, sale tax, service tax, duty of custom, duty of excise, value added tax, cess and any other statutory dues as applicable, have been regular in depositing with the appropriate authorities. There are no undisputed amounts payable in respect thereof, which were outstanding at the year-end for a period of more than six months from the date they become payable except the amount payable at the time of approval of resolution plan and not claimed by the respective authorities. The same have not been acknowledged as debt by the Company on the basis of recent judgements.
 - (b) According to the record of the Company, there are no dues of goods and service tax (GST), provident fund, employee state insurance, income tax, sale tax, service tax, duty of custom, duty of excise, value added tax, cess and any other statutory dues on account of dispute except the dues payable at the time of approval of resolution plan and not claimed by the respective authorities. The same have not been acknowledged as debt by the Company on the basis of recent judgements.
- (viii) There were no transactions relating to previously unrecorded income that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961).
- (ix)
 - (a) The Company has not taken any loans or other borrowings from any lender except the loans outstanding at the time of approval of Resolution Plan. Hence reporting under clause 3(ix)(a) of the Order is not applicable.
 - (b) The Company has not been declared willful defaulter by any bank or financial institution or government or any government authority.
 - (c) The Company has not taken any term loan during the year and there are no outstanding term loans at the beginning of the year except the term loans outstanding at the time of Resolution Plan and hence, reporting under clause 3(ix)(c) of the Order is not applicable.
 - (d) On an overall examination of the financial statements of the Company, funds raised on short term basis have, prima facie, not been used during the year for long-term purposes by the Company.
 - (e) On an overall examination of the financial statements of the Company, the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries.
 - (f) The Company has not raised any loans during the year and hence reporting on clause 3(ix)(f) of the Order is not applicable.
- (x)
 - (a) The Company has not raised moneys by way of initial public offer or further public offer (Including debt instruments) during the year and hence reporting under clause 3(x)(a) of the Order is not applicable.
 - (b) During the year, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully or partly or optionally) and hence reporting under clause 3(x)(b) of the Order is not applicable.
- (xi)
 - (a) No fraud by the Company and no material fraud on the Company has been noticed or reported during the year.
 - (b) No report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government during the year and upto the date of this report.

- (c) We have taken into consideration the whistle blower complaints received by the Company during the year (and unto the date of this report), while determining the nature, timing and extent of our audit procedures.
- (xii) The Company is not a Nidhi Company and hence reporting under clause (xii) of the Order is not applicable.
- (xiii) In our opinion, the Company is in compliance with Section 177 and 188 of the Companies Act, 2013 with respect to applicable transactions with the related parties and the details of related party transactions have been disclosed in the standalone financial statements as required by the applicable accounting standards.
- (xiv) (a) In our opinion the Company has an adequate internal audit system commensurate with the size and the nature of its business.
- (b) We have considered, the internal audit reports for the year under audit, issued to the Company during the year and till date, in determining the nature, timing and extent of our audit procedures.
- (xv) In our opinion during the year the Company has not entered into any non-cash transactions with its Directors or persons connected with its directors and hence provisions of Section 192 of the Companies Act, 2013 are not applicable to the Company.
- (xvi) (a) In our opinion, the Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Hence, reporting under clause 3(xvi)(a), (b) and (c) of the Order is not applicable.
- (b) In our opinion, there is no core investment company within the Group (as defined in the Core Investment Companies (Reserve Bank) Directions, 2016) and accordingly reporting under clause 3(xvi)(d) of the Order is not applicable.
- (xvii) The Company has not incurred cash losses during the financial year covered by our audit and the immediately preceding financial year.
- (xviii) There has been no resignation of the statutory auditors of the Company during the year.
- (xix) On the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future liability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- (xx) (a) There are no unspent amounts towards Corporate Social Responsibility (CSR) on other than ongoing projects requiring a transfer to a Fund specified in Schedule VII to the Companies Act in compliance with second proviso to sub-section (5) of Section 135 of the said Act. Accordingly, reporting under clause 3(xx)(a) of the Order is not applicable for the year.
- (b) There are no unspent amounts towards Corporate Social Responsibility (CSR) on ongoing projects requiring a transfer to a Fund specified in Schedule VII to the Companies Act in compliance with second proviso to sub-section (6) of Section 135 of the said Act. Accordingly, reporting under clause 3(xx)(b) of the Order is not applicable for the year.

ANNEXURE 'B'

To the Independent Auditors Report on Standalone Financial Statements of **MBL Infrastructures Limited** for the year ended March 31, 2022

Report on the internal financial controls with reference to the aforesaid standalone financial statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (hereinafter referred to as "the Act")

(Referred to in paragraph 2(f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

We have audited the internal financial controls with reference to the standalone financial statements of **MBL Infrastructures Limited** ("the Company") as of March 31, 2022 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountant of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to standalone financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to standalone financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to standalone financial statements were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to standalone financial statements and their operating effectiveness. Our audit of internal financial controls with reference to standalone financial statements included obtaining an understanding of such internal financial controls, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal controls based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to the standalone financial statements.

Meaning of Internal Financial controls with reference to the Financial Statements

A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements include those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial controls with Reference to the Standalone Financial Statements

Because of the inherent limitations of internal financial controls with reference to standalone financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial

controls with reference to standalone financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls with reference to the standalone financial statements and such internal financial controls were operating effectively as at March 31, 2022, based on the internal financial controls with reference to standalone financial statements criteria established by the Company

considering the essential components of internal control stated in the Guidance Note issued by the Institute of Chartered Accountants of India

1. CORPORATE AND GENERAL INFORMATION

MBL Infrastructure Limited ("the Company") is a public limited company domiciled and incorporated in India and its equity shares are listed at Bombay Stock Exchange (BSE) & National Stock Exchange (NSE). The registered office is located at Baani Corporate One Tower, Suite N^o 308, 3rd Floor, Plot N^o 5, Commercial Centre, Jasola, New Delhi- 110025, India. The Company is engaged in the execution of civil Engineering infrastructure projects: Roads and Highways (Construction, BOT, O&M), Building, Housing & Urban Infrastructure, Railways/Metro and other infrastructure.

2. STATEMENT OF COMPLIANCE AND RECENT ACCOUNTING PRONOUNCEMENTS

(a) Statement of Compliance

The standalone financial statements have been prepared in accordance with Ind AS prescribed under Section 133 of the Companies Act, 2013 ("Act") read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 as amended and the Companies (Indian Accounting Standards) (Amendment) Rules, 2016.

(b) Amendments to Schedule III of the Companies Act, 2013

Ministry of Corporate Affairs (MCA) issued notifications dated 24th March, 2021 to amend Schedule III of the Companies Act, 2013 to enhance the disclosures required to be made by the Company in its financial statements. These amendments are applicable to the Company for the financial year starting April 01, 2021 and applied to the extent applicable to the standalone financial statements:

- (i) Lease liabilities separately disclosed under the head 'financial liabilities', duly distinguished as current or non-current.
- (ii) Certain additional disclosures in the standalone Statement of Changes in Equity such as changes in equity share capital due to prior period errors and restated balances at the beginning of the current reporting period.
- (iii) Additional disclosure for shareholding of promoters.
- (iv) Additional disclosure for ageing schedule of trade receivables, trade payables, capital work-in-progress.
- (v) Specific disclosure such as compliance with approved schemes of arrangements, compliance with number of layers of companies, title deeds of immovable property not held in the name of the Company, loans and advances to promoters, directors, key managerial personnel (KMP) and related parties etc.
- (vi) Additional Disclosures relating to Corporate Social Responsibility (CSR) and undisclosed income.

(c) Recent Accounting Developments

Ministry of Corporate Affairs (MCA), vide notification dated 23rd March, 2022, has made the following amendments to Ind AS which are effective 1st April, 2022:

- (i) Ind AS 109: Annual Improvements to Ind AS (2021)
- (ii) Ind AS 103: Reference to Conceptual Framework
- (iii) Ind AS 37: Onerous Contracts - Costs of Fulfilling a Contract
- (iv) Ind AS 16: Proceeds before intended use

Based on preliminary assessment, the Company does not expect these amendments to have any significant impact on its standalone financial statements.

3. SIGNIFICANT ACCOUNTING POLICIES

(a) Basis of preparation

The Standalone Financial Statements have been prepared on going concern basis under the historical cost convention on accrual basis except certain financial instruments that are measured in terms of relevant Ind AS at fair value at the end of each reporting period.

Notes to the Standalone Financial Statements for the year ended March 31, 2022

Historical cost convention is generally based on the fair value of the consideration given in exchange for goods and services.

Operating cycle for the business activities of the company covers the normal duration of the project/ contract/ service including the defect obligation period, wherever applicable, and extends up to the realisation of receivables (including retention money) within the credit period normally applicable to the respective project. In cases where the operating cycle cannot be identified in the normal course, the same has been assumed to have duration of twelve months. Accordingly, all Assets and Liabilities have been classified as current or non-current as per the operating cycle and other criteria set out in Ind AS 1 'Presentation of Financial Statements' and Schedule III to the Companies Act, 2013.

The standalone financial statements are presented in Indian Rupees ('INR'), which is the Company's functional and presentation currency and all amounts are rounded to the nearest Lakhs in two decimals (except otherwise indicated).

The Resolution Plan of the Company under the Insolvency & Bankruptcy Code, 2016 (IBC, 2016) by the Hon'ble National Company Law Tribunal ("NCLT"), Kolkata by its order dated April 18, 2018. The appeals filed by some of the banks were dismissed by the Hon'ble National Company Law Appellate Tribunal ("NCLAT") by its order dated August 16, 2019 finding them without any merit. The Hon'ble Supreme Court by its order dated January 18, 2022 has dismissed the civil appeal no. 8411 of 2019 filed by one of the dissenting banks against the Hon'ble NCLAT order dated August 16, 2019. The Resolution Plan has accordingly attained finality.

(b) Fair Value Measurement

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date under current market conditions.

The Company categorizes assets and liabilities measured at fair value into one of three levels depending on the ability to observe inputs employed for such measurement:

- (i) Level 1: inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities.
- (ii) Level 2: inputs other than quoted prices included within level 1 that are observable either directly or indirectly for the asset or liability.
- (iii) Level 3: inputs for the asset or liability which are not based on observable market data (unobservable inputs).

The company has an established control framework with respect to the measurement of fair values. This includes a finance team that has overall responsibility for overseeing all significant fair value measurements who regularly review significant unobservable inputs, valuation adjustments and fair value hierarchy under which the valuation should be classified.

(c) Accounting Estimates

The preparation of the standalone financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities as at the date of standalone financial statements and the results of operation during the reported period. Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ from these estimates which are recognised in the period in which they are determined. The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision effects only that period or in the period of the revision and future periods if the revision affects both current and future years.

(d) Estimates and assumptions

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. The Company based its assumptions and estimates on parameters available when the standalone financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Company. Such

Notes to the Standalone Financial Statements for the year ended March 31, 2022

changes are reflected in the standalone financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the standalone financial statements.

(e) Recoverability of claims

The Company has claims in respect of cost over-runs arising due to client responsibility delays, client's suspension of projects, deviation in design, change in scope of work etc., which are at various stages of negotiation/ discussion with the clients/ arbitration/litigation. The realisability of these claims are estimated based on contractual terms, historical experience with similar claims as well as legal opinion obtained from internal and external experts, wherever necessary. Revenue in respect of claim is recognised to the extent the Company is reasonably certain of their realisation.

(f) Property Plant and Equipment (PPE)

Property, plant and equipment are stated at cost of acquisition, construction and subsequent improvements thereto less accumulated depreciation and impairment losses, if any. For this purpose, cost include deemed cost on the date of transition and comprises purchase price of assets or its construction cost including duties and taxes, inward freight and other expenses incidental to acquisition or installation and adjustment for exchange differences wherever applicable and any cost directly attributable to bring the asset into the location and condition necessary for it to be capable of operating in the manner intended by the management.

The cost of replacing part of an item of property, plant and equipment is recognised in the carrying amount of the item if it is probable that the future economic benefits embodied within the part will flow to the Company and its cost can be measured reliably. The costs of the day-to-day servicing of property, plant and equipment are recognised in the income statement when incurred.

Depreciation

Depreciation on Property, Plant and Equipment is provided as per Schedule II of the Companies Act, 2013 on straight line method. Assets costing rupees five thousand or less are being depreciated fully in the year of addition/acquisition.

Depreciation on Property, Plant and Equipment commences when the assets are ready for their intended use. Based on above, the estimated useful lives of assets for the current period are as follows.

Category	Estimated Useful Life (in years)
Buildings	60 Years
Plant and machinery	4-13 Years*
Computer equipment	3 Years
Furniture and fixtures	10 Years
Office equipment	4-10 Years*
Vehicles	
Motor Bus, Motor Lorry, Motor Cars other than those used in a business of running them on hire	6-8 Years*
Motor Cycles, Scooters & Other Mopeds	5-10 years*

* For these class of assets , based on internal assessment and independent technical evaluation carried out by the chartered engineers, the company believes that the useful lives as given above best represents the period over which the company expects to use these assets. Hence the useful lives for these assets are different from the useful lives as prescribed under Part C of Schedule-II of the Companies Act, 2013.

Freehold Land is not depreciated.

Depreciation methods, useful lives and residual values are reviewed and adjusted as appropriate, at each reporting date.

Notes to the Standalone Financial Statements for the year ended March 31, 2022

(g) Derecognition of Tangible assets

An item of PPE is de-recognised upon disposal or when no future economic benefits are expected to arise from its use or disposal. Gain or loss arising on the disposal or retirement of an item of PPE is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in the Statement of Profit and Loss.

(h) Inventories

Construction materials are valued at lower of cost and fair value (except scrap/ waste which are valued at net realizable value). Cost of inventories is ascertained on FIFO basis.

Net realizable value is the estimated selling price in the ordinary course of business less estimated costs of completion and selling costs. The cost is computed on weighted average basis.

Provision for obsolescence in inventories is made, whenever required.

(i) Financial assets and financial liabilities

Financial assets and financial liabilities (financial instruments) are recognised when the Company becomes a party to the contractual provisions of the instruments.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in the Statement of Profit and Loss.

The financial assets and financial liabilities are classified as current if they are expected to be realised or settled within operating cycle of the company or otherwise these are classified as non-current.

The classification of financial instruments whether to be measured at Amortized Cost, at Fair Value through Profit and Loss (FVTPL) or at Fair Value Through Other Comprehensive Income (FVTOCI) depends on the objective and contractual terms to which they relate. Classification of financial instruments are determined on initial recognition.

(1) Cash and cash equivalents

All highly liquid financial instruments, which are readily convertible into determinable amounts of cash and which are subject to an insignificant risk of change in value and are having original maturities of three months or less from the date of purchase, are considered as cash equivalents. Cash and cash equivalents includes balances with banks which are unrestricted for withdrawal and usage.

(2) Financial Assets and Financial Liabilities measured at amortised cost

Financial Assets held within a business whose objective is to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding are measured at amortized cost.

The above Financial Assets and Financial Liabilities subsequent to initial recognition are measured at amortized cost using Effective Interest Rate (EIR) method.

The effective interest rate is the rate that exactly discounts estimated future cash payments or receipts (including all fees and points paid or received, transaction costs and other premiums or discounts) through the expected life of the Financial Asset or Financial Liability to the gross carrying amount of the financial asset or to the amortised cost of financial liability, or, where appropriate, a shorter period, to the net carrying amount on initial recognition.

(3) Financial Asset at Fair Value through Other Comprehensive Income (FVTOCI)

Financial assets are measured at fair value through other comprehensive income if these financial assets are held within a business whose objective is achieved by both collecting contractual cash flows and selling financial assets

Notes to the Standalone Financial Statements for the year ended March 31, 2022

and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. Subsequent to initial recognition, they are measured at fair value and changes therein are recognised directly in other comprehensive income.

(4) For the purpose of para (2) and (3) above, principal is the fair value of the financial asset at initial recognition and interest consists of consideration for the time value of money and associated credit risk.

(5) Financial Assets or Liabilities at Fair value through profit or loss

Financial Instruments which does not meet the criteria of amortised cost or fair value through other comprehensive income are classified as Fair Value through Profit or loss. These are recognised at fair value and changes therein are recognized in the statement of profit and loss.

(6) Investment in Subsidiaries and associates are being carried at cost.

(7) Impairment of financial assets

The Company evaluates whether there is any objective evidence that financial assets including loan, trade and other receivables are impaired and determines the amount of impairment allowance as a result of the inability of the parties to make required payments. The Company bases the estimates on the ageing of the receivables, credit-worthiness of the receivables and historical write-off experience and variation in the credit risk on year to year basis.

(8) Derecognition of financial instruments

The Company derecognizes a financial asset or a group of financial assets when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party.

On derecognition of a financial asset (except for equity instruments designated as FVTOCI), the difference between the asset's carrying amount and the sum of the consideration received and receivable are recognized in statement of profit and loss.

On derecognition of assets measured at FVTOCI, the cumulative gain or loss previously recognised in other comprehensive income is reclassified from equity to profit or loss as a reclassification adjustment.

Financial liabilities are derecognized if the Company's obligations specified in the contract expire or are discharged or cancelled. The difference between the carrying amount of the financial liability derecognized and the consideration paid and payable is recognized in Statement of Profit and Loss.

(j) Foreign Currency Transactions

Transactions in foreign currencies are translated into the functional currency at the exchange rates prevailing on the date of the transactions. Foreign currency monetary assets and liabilities at the year-end are translated at the year-end exchange rates. Non-monetary items which are carried in terms of historical cost denominated in a foreign currency, are reported using the exchange rate as at the date of transaction. The loss or gain thereon and also on the exchange differences on settlement of the foreign currency transactions during the year are recognized as income or expense in the statement of profit and loss. Foreign exchange gain/loss to the extent considered as an adjustment to Interest Cost are considered as part of borrowing cost.

(k) Equity Share Capital

An equity instrument is a contract that evidences residual interest in the assets of the company after deducting all of its liabilities. Par value of the equity shares is recorded as share capital and the amount received in excess of par value is classified as Securities Premium. Costs directly attributable to the issue of ordinary shares are recognised as a deduction from equity, net of any tax effects.

(l) Provisions, Contingent Liabilities and Contingent Assets

Provisions involving substantial degree of estimation in measurement are recognized when there is a legal or constructive obligation as a result of past events and it is probable that there will be an outflow of resources and a reliable estimate can

Notes to the Standalone Financial Statements for the year ended March 31, 2022

be made of the amount of obligation. Provisions are not recognised for future operating losses. The amount recognized as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation.

Contingent liabilities are not recognized and are disclosed by way of notes to the standalone financial statements when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or when there is a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the same or a reliable estimate of the amount in this respect cannot be made.

Contingent assets are not recognised but disclosed in the Standalone Financial Statements by way of notes to accounts when an inflow of economic benefits is probable.

Provisions for onerous contracts are recorded in the statements of operations when it becomes known that the unavoidable costs of meeting the obligations under the contract exceed the economic benefits expected to be received.

(m) Employee Benefits

Employee benefits are accrued in the year in which services are rendered by the employees. Short term employee benefits are recognized as an expense in the statement of profit and loss for the year in which the related service is rendered.

Contribution to defined contribution plans such as Provident Fund etc, is being made in accordance with statute and are recognised as and when incurred.

Contribution to defined benefit plans consisting of contribution to gratuity are determined at close of the year at present value of the amount payable using actuarial valuation techniques. Actuarial gain and losses arising from experience adjustments and changes in actuarial assumptions are recognized in other comprehensive income.

Other long term employee benefits consisting of Leave Encashment are determined at close of the year at present value of the amount payable using actuarial valuation techniques. The changes in the amount payable including actuarial gain/loss are recognised in other comprehensive income.

(n) Revenue recognition

"The Company recognizes revenue from contracts with customers when it satisfies a performance obligation by transferring promised good or service to a customer. The revenue is recognized to the extent of transaction price allocated to the performance obligation satisfied. Performance obligation is satisfied over time when the transfer of control of asset (good or service) to a customer is done over time and in other cases, performance obligation is satisfied at a point in time. The customer obtains control of the asset when it simultaneously benefits by the entity's performance. For performance obligation satisfied over time, the revenue recognition is done by measuring the progress towards complete satisfaction of performance obligation. The progress is measured in terms of a proportion of actual cost to date, to the total estimated cost attributable to the performance obligation.

Transaction price is the amount of consideration to which the company expects to be entitled in exchange for transferring good or service to a customer excluding amounts collected on behalf of a third party. Variable consideration is estimated using the expected value method or most likely amount as appropriated in a given circumstance. Payment terms agreed with a customer are as per business practice and there is no financing component involved in the transaction price.

Costs to obtain a contract which are incurred regardless of whether the contract was obtained are charged off in Statement of Profit and Loss immediately in the period in which such costs are incurred. Incremental costs of obtaining a contract, if any, and costs incurred to fulfil a contract are amortised over the period of execution of the contract in proportion to the progress measured in terms of a proportion of actual cost incurred to date, to the total estimated cost attributable to the performance obligation."

In respect of construction/ project related activity, Revenue is recognised under over time method when it is probable that the company will collect the consideration to which it is entitled to. Revenue under over time method is determined by survey of work performed / physical measurement of work actually completed at each reporting date taking into account contractual price/ unit rates and revision thereto.

Notes to the Standalone Financial Statements for the year ended March 31, 2022

(1) Critical accounting judgements, estimation and uncertainty:

Determining the revenue to be recognized in case of performance obligation satisfied over a period of time; revenue recognition is done by measuring the progress towards complete satisfaction of performance obligation. The progress is measured in terms of a proportion of actual cost incurred to date, to the total estimated cost attributable to the performance obligation.

(2) Revenue from construction/project related activity is recognized as follows:

Fixed price contracts: Contract revenue is recognized over time to the extent of performance obligation satisfied and control is transferred to the customer. Contract revenue is recognized at allocable transaction price which represents the cost of work performed on the contract plus proportionate margin, using the percentage of completion method. Percentage of completion is the proportion of cost of work performed to date, to the total estimated contract costs.

For contracts where the aggregate of contract cost incurred to date plus recognized profits (or minus recognized losses as the case may be) exceeds the progress billing, the surplus is shown as contract asset and termed as "Due from customers". For contracts where progress billing exceeds the aggregate of contract cost incurred to date plus recognized profits (or minus recognized losses as the case may be), the surplus is shown as contract liability and termed as "Due to customers". Amount received before the related work is performed are disclosed in the Balance Sheet as Contract Liability and termed as "Advances from customers". The amounts billed on customer for work performed and are unconditionally due for payment i.e., only passage of time is required before payment falls due, are disclosed in the Balance Sheet as "Trade Receivables". The amount of retention money held by the customers pending completion of performance milestone is disclosed as part of contract asset and is reclassified as "Trade Receivables" when it becomes due for payment.

OTHER INCOME

Interest Income

Finance income is accrued on a time proportion basis, by reference to the principal outstanding and the applicable EIR. Other income is accounted for on accrual basis. Where the receipt of income is uncertain, it is accounted for on receipt basis.

Dividend Income

Dividend income is accounted for when the right to receive the same is established, which is generally when shareholders approve the dividend.

(o) Borrowing costs

Borrowing cost comprises of interest and other costs incurred in connection with the borrowing of the funds. All borrowing costs are recognized in the Statement of Profit and Loss using the effective interest method except to the extent attributable to qualifying Property Plant Equipment (PPE) which are capitalized to the cost of the related assets. A qualifying PPE is an asset, that necessarily takes a substantial period of time to get ready for its intended use or sale. Borrowing cost also includes exchange differences to the extent considered as an adjustment to the borrowing costs.

(p) Leases

As a lessee

"The determination of whether an arrangement is, or contains, a lease is based on the substance of the arrangement at the inception date, whether fulfilment of the arrangement is dependent on the use of a specific asset or assets or the arrangement conveys a right to use the asset, even if that right is not explicitly specified in an arrangement.

A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether: (i) the contract involves the use of an identified asset (ii) Company has substantially all of the economic benefits from the use of the asset through the period of the lease and (iii) Company has the right to direct the use of the asset.

Notes to the Standalone Financial Statements for the year ended March 31, 2022

At the date of commencement of the lease, Company recognizes a right-of-use asset ("ROU") and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short-term leases), low-value leases and where the agreement contain the clause for cancellation of agreement without any penalty. For these short-term, low-value or cancellable leases, the Company recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease.

(q) Taxes on income

Income tax expense representing the sum of current tax expenses and the net charge of the deferred taxes is recognized in the income statement except to the extent that it relates to items recognized directly in equity or other comprehensive income.

(1) Current Tax

Current tax is provided on the taxable income and recognized at the amount expected to be paid to or recovered from the tax authorities, using the tax rates and tax laws that have been enacted or substantively enacted by the end of the reporting period.

(2) Deferred tax

Deferred tax is accounted for using the balance sheet liability method in respect of temporary differences between the carrying amount of assets and liabilities in the financial statements and the corresponding tax basis used in the computation of taxable profit as well as for unused tax losses or credits. In principle, deferred tax liabilities are recognized for all taxable temporary differences and deferred tax assets are recognized to the extent that it is probable that taxable profits will be available against which deductible temporary differences can be utilized. Deferred tax assets and liabilities are also recognized on temporary differences arising from business combinations except to the extent they arise from goodwill that is not taken into account for tax purposes.

Deferred taxes are calculated at the enacted or substantively enacted tax rates that are expected to apply when the asset or liability is settled. Deferred tax is charged or credited to the income statement, except when it relates to items credited or charged directly to other comprehensive income in equity, in which case the corresponding deferred tax is also recognized directly in equity.

(r) Earnings per share

Basic Earnings per share is calculated by dividing the profit from continuing operations and Total profit, both attributable to equity shareholders of the Company by the weighted average number of equity shares outstanding during the period.

Diluted earnings per share is computed using the net profit for the year attributable to the shareholders and weighted average number of equity and potential equity shares outstanding during the year including share options, convertible preference shares and debentures, except where the result would be anti-dilutive. Potential equity shares that are converted during the year are included in the calculation of diluted earnings per share, from the beginning of the year or date of issuance of such potential equity shares, to the date of conversion.

(s) Segment accounting

Operating segments are identified and reported taking into account the different risk and return, organisation structure and internal reporting system.

4. CRITICAL ACCOUNTING JUDGEMENTS, ESTIMATES AND ASSUMPTIONS

The preparation of the standalone financial statements in conformity with the measurement principle of Ind AS requires management to make estimates, judgments and assumptions. These estimates, judgments and assumptions affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of the standalone financial statements and reported amounts of revenues and expenses during the period. Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as management becomes aware of changes in circumstances surrounding the estimates. Differences between the actual results and estimates are recognized in the year in which the results are known / materialized and, if material, their effects are disclosed in the notes to the standalone financial statements.

Notes to the Standalone Financial Statements for the year ended March 31, 2022

Application of accounting policies that require significant areas of estimation, uncertainty and critical judgments and the use of assumptions in the standalone financial statements have been disclosed below. The key assumptions concerning the future and other key sources of estimation uncertainty at the balance sheet date, that have a significant risk of causing a material adjustment to the carrying amount of assets and liabilities within the next financial year are discussed below:

(a) Contract estimates

The Company, being a part of construction industry, prepares budgets in respect of each project to compute project profitability. The two major components of contract estimate are 'claims arising during Construction period' and 'budgeted costs to complete the contract'. While estimating these components various assumptions are considered by the management such as (i) Work will be executed in the manner expected so that the project is completed timely (ii) consumption norms will remain same (iii) Assets will operate at the same level of productivity as determined (iv) Wastage will not exceed the normal % as determined etc. (v) Estimates for contingencies (vi) There will be no change in design and the geological factors will be same as communicated and (vii) price escalations etc. Due to such complexities involved in the budgeting process, contract estimates are highly sensitive to changes in these assumptions all assumptions are reviewed at each reporting date.

(b) Depreciation and impairment on PPE

Property, plant and equipment are depreciated on straight-line basis over the estimated useful lives in accordance with Schedule II of the Companies Act, 2013, taking into account the estimated residual value, wherever applicable.

The useful lives of some of the assets have been reviewed during the year and the same have been revised on the basis of such evaluation duly supported by technical advice. This has resulted in additional depreciation of Rs.406.81 lakhs for the year ended March 31, 2022.

The company reviews carrying value of its Tangible Assets whenever there is objective evidence that the assets are impaired. In such situation Asset's recoverable amount is estimated which is higher of asset's or cash generating units (CGU) fair value less cost of disposal and its value in use. In assessing value in use the estimated future cash flows are discounted using pre-tax discount rate which reflect the current assessment of time value of money. In determining fair value less cost of disposal, recent market realisations are considered or otherwise in absence of such transactions appropriate valuations are adopted. The Company reviews the estimated useful lives of the assets regularly in order to determine the amount of depreciation and amount of impairment expense to be recorded during any reporting period. This reassessment may result in change estimated in future periods.

(c) Impairment on Investments in Subsidiaries and associates

Investments in Subsidiaries and associates are been carried at cost. The company has tested for impairment at year end based on the market value where the shares are quoted, P/E ratio of similar sector company along with premium/discount for nature of holding and Net Asset Value computed with reference to the book value/ projected discounted cash flow of such company in respect of unquoted investments.

(d) Impairment allowances on trade receivables

The Company evaluates whether there is any objective evidence that trade receivables are impaired and determines the amount of impairment allowance as a result of the inability of the customers to make required payments. The Company bases the estimates on the ageing of the trade receivables balance, credit-worthiness of the trade receivables and historical write-off experience. If the financial conditions of the trade receivable were to deteriorate, actual write-offs would be higher than estimated.

(e) Current Tax and Deferred Tax

Significant judgment is required in determination of taxability of certain income and deductibility of certain expenses during the estimation of the provision for income taxes.

Deferred tax assets are recognised for unused losses (carry forward of prior years' losses) and unused tax credit to the extent that it is probable that taxable profit would be available against which the losses could be utilised. Significant management judgment is required to determine the amount of deferred tax assets that can be recognised, based upon the likely timing and the level of future taxable profits together with future tax planning strategies.

Notes to the Standalone Financial Statements for the year ended March 31, 2022

(f) Defined benefit obligations (DBO)

Critical estimate of the DBO involves a number of critical underlying assumptions such as standard rates of inflation, mortality, discount rate, anticipation of future salary increases etc. as estimated by Independent Actuary appointed for this purpose by the Management. Variation in these assumptions may significantly impact the DBO amount and the annual defined benefit expenses.

(g) Provisions and Contingencies

Provisions and liabilities are recognized in the period when it becomes probable that there will be a future outflow of funds resulting from past operations or events and the amount of cash outflow can be reliably estimated. The timing of recognition and quantification of the liability requires the application of judgement to existing facts and circumstances, which can be subject to change.

Management judgement is required for estimating the possible outflow of resources, if any, in respect of contingencies/ claim/litigations/ against the Company as it is not possible to predict the outcome of pending matters with accuracy.

The carrying amounts of provisions and liabilities and estimation for contingencies are reviewed regularly and revised to take account of changing facts and circumstances.

Notes to the Standalone Financial Statements for the year ended March 31, 2022

6.2 Statement of investment in Subsidiaries (including step down subsidiaries)

Name of the Company	Country of Incorporation	% of holding as at March 31, 2022	% of holding as at March 31, 2021
AAP Infrastructure Limited	India	100.00	100.00
MBL (MP) Toll Road Company Limited	India	100.00	100.00
MBL (Haldia) Toll Road Company Limited*	India	100.00	100.00
MBL Projects Limited	India	100.00	100.00
Suratgarh Bikaner Toll Road Company Private Limited	India	100.00	100.00
MBL (MP) Road Nirman Company Limited	India	100.00	100.00
MBL Highway Development Company Limited	India	100.00	100.00
MBL (CGRG) Road Limited	India	100.00	100.00
MBL (Udaipur Bypass) Road Limited*	India	100.00	100.00

*Application have been submitted to the Ministry of Corporate Affairs (MCA) for striking off the name of 2 subsidiaries namely MBL (Haldia) Toll Road Company Limited and MBL (Udaipur Bypass) Road Limited respectively as they have no business.

- 6.3** The Company has as at March 31, 2022 (i) Non-Current Investment amounting to Rs.1,000.00 lakhs (March 31, 2021; Rs.1,000.00 lakhs) in MBL (MP) Road Nirman Company Limited; (ii) Non-Current Investment amounting to Rs.1,200.00 lakhs (March 31, 2021; Rs.1,200.00 lakhs) in AAP Infrastructure Limited; (iii) Non- Current Investment amounting to Rs.5,110.00 lakhs (March 31, 2021; Rs.5,110.00 lakhs) in MBL Highway Development Company Limited. All the above entities are wholly owned by the Company along with its wholly owned Subsidiary Company, MBL Projects Limited and have incurred losses due to cancellation/ termination of the projects and net worth of above entities as at March 31, 2022 have been fully eroded. The net worth of these subsidiaries do not represent true market value of the underlying investment/assets. Claims have been filed against the cancellation/termination of the projects. These claims are based on the terms & conditions implicit in the contract in respect of the cancelled/terminated projects. Considering the contractual tenability; legal advice obtained and progress of arbitration/ litigation, the management is confident of recovery of these claims. In view of this, the management is confident that the realisable amount is higher than the carrying value of the investments and, therefore, has considered the investments in above subsidiaries as good and recoverable.
- 6.4** The Company has as at March 31, 2022 Non-Current Investment amounting to Rs.2,984.25 lakhs (March 31, 2021; Rs.2,984.25 lakhs) in its wholly owned subsidiary company MBL Projects Limited. The net worth of the subsidiary does not represent true market value of the underlying investment/assets. The subsidiary holds shares in downstream SPVs in which projects were cancelled/ terminated. Claims have been filed against cancellation/termination of the projects. These claims are based on the terms & conditions implicit in the contract in respect of cancelled/terminated projects. Considering the contractual tenability; legal advice obtained and progress of arbitration/ litigation, the management is confident of recovery of these claims. In view of this, the management is confident that the realisable amount is higher than the carrying value of the investment and, therefore, has considered the investment in above subsidiary as good and recoverable.
- 6.5** The Company has as at March 31, 2022 Non-Current Investment amounting to Rs.18,505.23 lakhs (March 31, 2021; Rs.18,505.23 lakhs) in its wholly owned subsidiary company Suratgarh Bikaner Toll Road Company Private Limited which has started toll operations effective February 17, 2019. The net worth of the subsidiary does not represent true market value of the underlying investment/assets. Based on TEV study report; certain estimates like future business plan; growth prospects and other factors, the management is confident that the realisable amount is higher than the carrying value of the investment and, therefore, considering the investment in above subsidiary as good and recoverable.
- 6.6** The Company has investment in 2,37,43,800 equity shares aggregating to 30.30% in Orissa Steel Expressway Pvt. Ltd. (OSEPL), a Special Purpose Vehicle, for execution of Four/Two Laning of Rimuli-Roxy- Rajamunda Section of NH 215 from km 163.00 to

Notes to the Standalone Financial Statements for the year ended March 31, 2022

km 269.00 in the state of Orissa awarded by NHAI on DBFOT Basis and there were option agreements which could have been exercised by the parties prior to completion/termination of concession agreement.

On January 13, 2017, the concession agreement with NHAI was foreclosed and arbitration proceedings were initiated by OSEPL. An arbitration award dated March 31, 2019 for Rs.32,278.00 lakhs plus interest @ 10 % p.a. was passed in favour of OSEPL. The said arbitration award has been challenged by NHAI before Hon'ble High Court, Delhi. Pursuant to order dated July 24, 2019, NHAI has deposited Rs.32,278.00 lakhs as a condition for stay of operation of the award pending final adjudication.

Out of 2,37,43,800 equity shares aggregating to 30.30%, 1,28,64,000 equity shares held by the company has been inappropriately transferred reducing the shareholding of the Company in OSEPL to 13.89 % for which the Company has filed an application of inter-alia oppression and mismanagement with Hon'ble NCLT, Cuttack, which is pending adjudication. The investment is carried at net cost.

General Reserve	20.5	12,941.14	12,941.14
Retained Earnings	20.6	16,710.14	10,349.65
Total		112,684.01	106,323.52

20.1 Refer Statement of changes in Equity for movement in balances of reserves.

Nature and purpose of Reserves:-

20.2 Capital Reserve

Capital Reserve represents adjustments arising out of Resolution Plan under Insolvency and Bankruptcy Code, 2016 approved by the Hon'ble NCLT on April 18, 2018.

20.3 Securities Premium

Securities Premium represents the amount received in excess of par value of securities and is available for utilisation as specified under Section 52 of Companies Act, 2013.

20.4 Debenture Redemption Reserve (DRR)

Debenture Redemption Reserve represents 25% of the outstanding amount of debentures in accordance with Companies (Share Capital and Debentures) Rules, 2014. Investment in specified securities against the Debentures Redemption Reserve will be made on Implementation of Resolution Plan by the Financial Institution & Banks.

20.5 General Reserve

The General Reserve is created from time to time by appropriating profits from Retained Earnings. The general reserve is created by a transfer from one component of equity to another and accordingly it is not reclassified to the Statement of Profit and Loss.

20.6 Retained Earnings

Retained Earnings generally represent the undistributed profits /amount of accumulated earnings of the Company and includes remeasurement gains/losses on defined benefit plans.

Mortality Rate	10.00%	11.00	8.22

Sensitivity for significant actuarial assumptions is computed by varying one actuarial assumption used for the valuation of the defined benefit obligation, keeping all other actuarial assumptions constant. In practice, this is unlikely to occur, and changes in some of the assumptions may be correlated. When calculating the sensitivity of the defined benefit obligation to significant actuarial assumptions the same method (projected unit credit method) has been applied as when calculating the defined benefit obligation recognised within the Balance Sheet.

Maturity profile of Defined Benefit Obligation as on 31st March, 2022:

(₹ in lakhs)

Period	Gratuity	Leave Encashment
Within 1 year	3.05	0.75

Total		87,783.34	87,783.34	90,734.69	90,734.69

Notes to the Standalone Financial Statements for the year ended March 31, 2022

The management considers that the above carrying amounts of financial assets and financial liabilities recognized in the financial statements approximate their fair values. The above table includes the balances payable to financial and operational creditors in terms of the resolution plan under the IBC, 2016.

b) Fair Valuation Techniques

The fair values of the financial assets and liabilities are included at the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The following methods and assumptions were used to estimate the fair values:-

- i) The fair value of cash and cash equivalents, trade receivables, current trade payables, current financial liabilities and borrowings approximate their carrying amount largely due to the short-term nature of these instruments. The Board considers that the carrying amounts of financial assets and financial liabilities recognised at cost/amortised cost in the financial statements approximate their fair values.
- ii) In terms of the resolution plan, the long term borrowings as on March,31, 2022 are substantially at fixed rate. Accordingly, any increase or decrease in the market rate of interest will have implications on the fair value of long term debt in future years.

41 Financial risk management, objective and policies

The Company's business activities are exposed to a variety of financial risks – credit risk, liquidity risk and market risk. The Company's focus is to foresee the unpredictability of financial markets and seek to minimize potential adverse effects on its financial performance. The risks are governed by appropriate policies and procedures and that financial risks are identified, measured and managed in accordance with the Company's policies and risk objectives.

However, as indicated in note no. 21 entire loan has been restructured. In view of the above, the related risks have undergone significant variation leading to substantial improvement in financial position and will require reconsideration on giving effect to the above adjustments in the financial statement.

i) Credit Risk

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk from its operating activities (primarily trade receivables). To manage this, the management has a credit policy in place and the exposure to credit risk is monitored on an ongoing basis. The Company periodically assesses the financial reliability of customers, taking into account the financial condition, current economic trends and ageing of accounts receivable.

The Company establishes an allowance for impairment that represents its estimate of incurred losses in respect of trade and other receivables. Receivables from customers are reviewed/evaluated periodically by the management and appropriate provisions are made to the extent recovery there against has been considered to be remote.

The carrying amount of respective financial assets recognised in the financial statements represents the Company's maximum exposure to credit risk.

Credit exposure is managed by counterparty limits for investment of surplus funds which is reviewed by the Management. Bank balances are held with reputed and creditworthy banking institutions.

Trade receivables disclosed include amounts that are past due at the end of the reporting period but against which the Company has not recognised an allowance for doubtful receivables because there has not been a significant change in credit quality and the amounts are still considered recoverable.

ii) Liquidity Risk

The Company objective is maintaining optimum level of liquidity to meet its cash and collateral requirement at all times. The Company relies on Borrowing and internal accruals to meet its need for fund. The current committed lines of credit are sufficient to meet its short to medium term expansion needs.

The table provides undiscounted cash flow towards non-derivative financial liabilities and net settled derivative financial liabilities into relevant maturity based on the remaining period at balance sheet date to contractual maturity date.

Notes to the Standalone Financial Statements for the year ended March 31, 2022

As at March 31, 2022

(₹ in lakhs)

Particulars	Less than 12 months	More than 12 months	Total
Financial Liability			
Borrowings	9,433.94	69,673.69	79,107.63
Trade Payables	4,333.89	3,530.31	7,864.20
Others	-	811.51	811.51
Total	13,767.83	74,015.51	87,783.34

As at March 31, 2021

(₹ in lakhs)

Particulars	Less than 12 months	More than 12 months	Total

Borrowings	8,704.02	70,429.93	79,133.95
Trade Payables	5,185.48	4,347.48	9,532.96
Others	-	2,067.78	2,067.78
Total	13,889.50	76,845.19	90,734.69

iii) Market Risk

Market risk is the risk or uncertainty arising from possible market price movements resulting in fluctuation of the fair value of future cash flows of a financial instrument. The major components of Market risks are foreign currency exchange risk and interest rate risk. Financial instruments affected by market risk include borrowings.

a) Foreign Currency Risk

The Company does not have any significant transaction in foreign currency except foreign currency ECB loan. There are no outstanding Derivative contracts as on 31st March 2022. In terms of resolution plan, ECB Loan is payable in INR Currency. There is no foreign exchange difference accounted in Statement of Profit and Loss during the year.

b) Interest rate and sensitivity

The Company exposure in market relating to change in interest rate primarily arises from floating rate borrowing with banks and financial institutions. As at March 31, 2022, substantially all of the Company borrowings fall under the fixed interest rates (approved under resolution plan), hence there will be no interest rate risk. Considering the restructuring of borrowing, the carrying amount of said borrowing was considered to be at fair value.

As at March 31, 2022

(₹ in lakhs)

Particulars	Total borrowings	Floating rate borrowings	Fixed rate borrowings	Weighted average interest rate (%)
Borrowing- in INR	79,107.63	-	79,107.63	8.65%
Total	79,107.63	-	79,107.63	

As at March 31, 2021

(₹ in lakhs)

Particulars	Total borrowings	Floating rate borrowings	Fixed rate borrowings	Weighted average interest rate (%)
Borrowing- in INR	79,133.95	-	79,133.95	8.65%
Total	79,133.95	-	79,133.95	

Notes to the Standalone Financial Statements for the year ended March 31, 2022

iv) Capital Risk Management

The Company's objectives when managing capital is to safeguard continuity, maintain a strong credit rating and healthy capital ratios in order to support its business and provide adequate return to shareholders through continuing growth. The Company sets the amount of capital required on the basis of annual business and long-term operating plans which include capital and other strategic investments. The funding requirements are met through a mixture of equity, internal fund generation and other non-current borrowings. The Company's policy is to use current and non-current borrowings to meet anticipated funding requirements. The Company monitors capital on the basis of the gearing ratio which is net debt divided by Total capital. Net debts are non-current and current debts as reduced by cash and cash equivalents.

The Company also monitors capital using gearing ratio which is net debt divided by Total capital. The gearing ratio is as follows:

Gearing Ratio

(₹ in lakhs)

Particulars	March 31, 2022	March 31, 2021
Debt		
Borrowing	79,107.63	79,133.95
Cash and Cash Equivalents	747.59	643.27
Net Debt (net of cash and cash equivalent)	78,360.04	78,490.68
Capital		
Equity Share Capital	10,475.46	10,475.46
Other Equity	112,684.01	106,323.52
Total Capital	123,159.47	116,798.98
Capital and net debt	201,519.51	195,289.66
Gearing Ratio	0.39	0.40

42 Contingent Liabilities and Commitments (to the extent not provided for)

a) Contingent Liabilities

(₹ in lakhs)

S.No	Particulars	As at March 31, 2022	As at March 31, 2021
a	Corporate guarantee given on behalf of wholly owned subsidiary company MBL (MP) Toll Road Company Ltd. (as per approved plan)	2,124.65	2,417.55
b	Corporate Guarantees given on behalf of subsidiary Company Suratgarh Bikaner toll road Company Pvt. Ltd. for concessionaire's events of default (as per approved plan)	41,591.77	44,821.60
c	Outstanding bank guarantees	1,138.74	6,428.23
	Total	44,855.16	53,667.38

Notes to the Standalone Financial Statements for the year ended March 31, 2022

b) Commitments : Rs.Nil (March 31, 2021 - Rs.Nil)

43 Disclosures as required by Indian Accounting Standard (Ind AS) 37 "Provisions, Contingent Liabilities and Contingent Assets"

A contingent asset is a possible asset that arises from past events and whose existence will be confirmed only by the occurrence or non occurrence of one or more uncertain future events not wholly within the control of the entity. During the normal course of business, unresolved claims remains outstanding. The inflow of economic benefits, in respect of such claims cannot be measured due to uncertainties that surround the related events and circumstances.

44 Earnings per share

Basic and diluted earnings/(loss) per share is calculated by dividing the profit/(loss) attributable to equity holders of the Company by the weighted average of equity shares outstanding during the year.

Before Exceptional Items

(Rs. In Lakhs except otherwise stated)

Particulars	2021-22	2020-21
Profit/(loss) attributable to equity shareholders	6,359.08	9,333.53
Weighted average number of equity shares (in nos.)	104,754,624	104,754,624
Basic & diluted earnings per equity share (In Rs)*	6.07	8.92

After Exceptional Items

(Rs. In Lakhs except otherwise stated)

Particulars	2021-22	2020-21
Profit/(loss) attributable to equity shareholders	6,359.08	9,333.53
Weighted average number of equity shares (in nos.)	104,754,624	104,754,624
Basic & diluted earnings per equity share (In Rs)*	6.07	8.92

*There is no dilution to the basic EPS as there are no outstanding potentially dilutive equity shares.

45 Disclosures as required under Ind AS 115 "Revenue from contracts with Customers" :

a) Disaggregation of revenue according to type of good or service for the year ended March 31, 2022

(Rs. In Lakhs)

Type of good or service	Revenue as per Ind AS 115
Civil construction	7,411.47
Total	7,411.47

b) Contract balances:

(Rs. In Lakhs except otherwise stated)

i) Movement in contract balances during the year:		
Particulars	Year ended March 31, 2022	Year ended March 31, 2021
Opening balance- Contract liabilities	319.71	909.88
Closing balance-Contract liabilities	-	319.71
Net increase/(decrease)	(319.71)	(590.17)

ii) Revenue recognised during the year from opening balance of contract liabilities amounting to Rs.3828.02 lakhs (March 31, 2021 Rs.1604.57 lakhs).

Notes to the Standalone Financial Statements for the year ended March 31, 2022

c) Reconciliation of Contracted Price with Revenue during the year:

(₹ in lakhs)

Particulars	Year ended March 31, 2022	Year ended March 31, 2021
Opening Contracted Price of Orders at the start of the year*	76,174.32	86,378.30
Add:		
Fresh Orders/Change Orders received (net)	4,406.54	6,033.78
Increase due to additional consideration recognised as per contractual terms/ (decrease) due to scope reduction -net	-	-
Less: Order Completed During the year	15,004.40	16,237.76
Closed Contracted price of orders on hand at the end of the year*	65,576.46	76,174.32
Total Revenue recognised during the year:	7,411.47	14,633.29
a.Revenue out of orders completed during the year	4,964.05	9,983.60
b.Revenue out of orders under execution at the end of the year(i)	2,416.18	4,649.69
Revenue recognised upto previous year (from order pending completion at the end of the year)(ii)	58,921.92	64,921.79
Balance Revenue to be recognised in future viz. Order Book (iii)	4,238.35	6,602.84
Closing Contracted price of Orders on hand at the end of the year*(i+ii+iii)	65,576.45	76,174.32
Closing Contracted price of Orders on hand at the end of the year- Continuing operations	4,238.35	6,602.84

*including full value of partially executed contracts

d) Remaining performance obligations: The aggregate amount of transaction price allocated to remaining performance obligations and expected conversion of the same into revenue is as follows:

(₹ in lakhs)

	Year	Transaction price allocated to the remaining performance obligation
	Upto 1 year	4,238.35
From 1 to 2 years	-	
From 2 to 3 years	-	
From 3 to 4 years	-	
From 4 to 5 years	-	
Beyond 5 years	-	
Total	4,238.35	

46 Tax Expenses

(c) Gross Deferred Tax Liability and Assets for the year ended March 31, 2021 are as follows:

(₹ in lakhs)

Particulars	As at April 1, 2020	Charge/(Credit) recognised in Profit and Loss	Charge/(Credit) recognised in OCI	As at March 31, 2021
Deferred Tax Assets				
Provision for expense allowed for tax purpose on payment basis	122.63	(99.08)	(3.99)	19.56
Tax effect on Unabsorbed Loss and Depreciation	11,389.64	(6,582.01)	-	4,807.63
Difference in carrying value and tax base of Financial Asset at amortised cost	25,199.83	(8,730.14)	-	16,469.69
Difference in carrying value and tax base of Non-Financial Liability	13,328.41	(3,546.74)	-	9,781.67
Total Deferred Tax Assets	50,040.52	(18,957.97)	(3.99)	31,078.55
Deferred Tax Liabilities				
Difference between written down value/ capital work in progress of Fixed Assets as per the books of accounts and Income Tax Act, 1961.	1,760.46	(1,580.28)	-	180.18
Difference in carrying value and tax base of Non-Financial Liability	13,261.59	(3,568.53)	-	9,693.06
Difference in carrying value and tax base of Non-Financial Asset	22,576.13	(10,836.86)	-	11,739.27
Total Deferred Tax Liabilities	37,598.18	(15,985.67)	-	21,612.51
Deferred Income Tax Assets (Net)	12,442.34	(2,972.30)	(3.99)	9,466.04

46.1 Pursuant to the provisions of Ind AS 12 "Income Taxes", the Company has conservatively recognised deferred tax assets (net) as at March 31, 2022 amounting to Rs.15,118.67 lakhs (March 31, 2021 Rs.9,466.04 lakhs) corresponding to unused brought forward income tax losses for which it has convincing evidences viz. opportunities available in area of its core competence, bidding/pre-qualification limit, conducive government policies and market conditions, recovery of pending claims, TEV study

Notes to the Standalone Financial Statements for the year ended March 31, 2022

and approved Resolution Plan etc., based on which it is inferred that sufficient taxable profit will be available against which unused tax losses can be utilised by the Company.

47 Statutory Dues

In terms of the approved Resolution Plan:

- a) Payment of statutory liabilities (like income tax, service tax, Vat, Royalties, Cess, Stamp Duty, other statutory dues etc.) will be made over a period of 3 years from the date of implementation of the Resolution Plan by the financial creditors with waiver of penal Interest, simple interest, compound interest, damages, penalties, compounding charges etc. on all statutory dues. Admitted claims alone will be paid after reconciliation and subject to rights and remedies available.
- b) Any liability arising out of the matter, which is presently sub-judice and leads to liability against the Company will be paid over a period of 7 years after the judgement, without any interest and penalty, subject to rights & remedies available to the Company. Admitted claims alone will be paid after reconciliation and subject to rights and remedies available.
- c) Refer Note No. 42.2

48 Disclosure in relation to Undisclosed Income

During the year, the Company has not surrendered or disclosed any income in the tax assessment under the Income Tax Act, 1961 (such as, Search or Survey or any other relevant provision of the Income tax Act, 1961). Accordingly, there are no transactions which are not recorded in the books of Accounts.

49 Segment Reporting

The Company's operations consist of construction/project activities and there are no other reportable segments under Indian Accounting Standard 108 - Operating Segments.

- 50 Disclosure pursuant to Regulation 34(3) read with Schedule VA(2) of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) regulations, 2015: There is no loan/ advance/ investment outstanding during the year in Subsidiaries, Associates and Firms/ Companies in which Directors are interested.
- 51 In accordance with the provisions of "Indian Accounting Standard (Ind AS) -36 - Impairment of Assets", the Company has made an assessment of the recoverable amount of assets based on higher of the value in use considering its projected scale of operations, prevailing market conditions, future cash flows and future growth projections and estimated net selling price of the assets pertaining to its various Cash Generating Units and found recoverable amount of these assets to be higher as compared to carrying value of assets in its Financial Statements. Accordingly, management considers that there is no need for the provision on account of impairment of assets.
- 52 The Company has claims in respect of cost over-runs arising due to client responsibility delays, client's suspension of projects, deviation in design, change in scope of work etc., which are at various stages of negotiation/ discussion with the clients/ arbitration /litigation. The realisability of these claims are estimated by the Company based on contractual terms, historical experience with similar claims as well as legal opinion obtained from internal and external experts, wherever necessary. Revenue in respect of claims is recognised to the extent the Company is reasonably certain of their realisation. Realisation of above claims may be lower than the claims recognized if the Company decides to settle the same out of court in future considering the substantial time involved in litigation. Impact thereof will be considered in the year of such settlement.
- 53 The outbreak of COVID-19 had impacted the operations of the Company. The operations of the Company were affected by way of interruption in construction activities, supply chain disruption, unavailability of personnel, closure/lockdown of various other activities, etc. The construction activities have been undertaken after implementation of the standard protocols in line with the directives of the concerned authorities. The impact of the COVID-19 including government policies will have to be assessed from time to time. The Company has considered various external and internal information upto the date of approval of these financial results for assessing, inter-alia, the recoverability of investments, trade receivables, project work in progress, inventories and other assets. The Company expects to recover the carrying amount of these assets based on the current indication of future

Notes to the Standalone Financial Statements for the year ended March 31, 2022

economic conditions. The Company has exercised protections available to it as per the various contractual provisions to reduce the impact of COVID-19. The revenue in respect of claims pertaining to COVID-19 will be recognised when the Company will be reasonably certain of their quantification and realisation.

54 The Company has a regular programme of physical verification for its inventory and fixed assets. Further, during the year physical verification of significant part of inventory and fixed assets has been carried out by the management and no material discrepancy were found.

55 Additional Regulatory Information

Accounting Ratios

Particulars	Numerator	Denominator	March 31, 2022	March 31, 2021
Current Ratio*	Current Assets	Current Liabilities	2.41	1.79

Consolidated Financial Statements

INDEPENDENT AUDITOR'S REPORT

To The Members of
MBL INFRASTRUCTURES LTD

Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the accompanying Consolidated Financial Statements of **MBL Infrastructures Limited** (hereinafter referred to as the "Holding Company") and its subsidiaries (Holding Company and its subsidiaries together referred to as "the Group"), which comprise the consolidated balance sheet as at March 31, 2022, and the consolidated statement of profit and loss including other comprehensive income, the consolidated statement of changes in equity and the consolidated statement of cash flows for the year then ended, and notes to the consolidated financial statements, including a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements")

In our opinion and to the best of our information and according to the explanations provided to us, and based on the consideration of reports of other auditors on separate financial statements of such subsidiaries as were audited by the other auditors, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 ("Act"), as amended in the manner so required and give a true and fair view in conformity with accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at March 31, 2022,

its consolidated profit including other comprehensive income, consolidated changes in equity and consolidated cash flows for the year ended on that date

Basis of Opinion

We conducted our audit of the consolidated financial statements in accordance with the Standards on Auditing ("SAs") as specified under Section 143(10) of the Act. Our responsibilities under those SAs are further described in the Auditor's Responsibilities for the Audit of the consolidated financial statements section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis of our opinion on the consolidated financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters

Description of Key Audit Matters

Measurement of Construction Revenue - refer Note 3 (s)	
The Key Audit Matters	How the matter was addressed in audit
<p>Revenue from construction contracts represents significant portion of the total revenue from the operations of the Group. Revenue from these contracts is recognized on satisfaction of performance obligation over time in accordance with the requirements of relevant Indian accounting standards.</p> <p>The Group has contracts whose revenue recognition can be dependent on a high level of judgement over the percentage of completion. It is based on their best estimate of the costs to complete, claims and ability to deliver the contract within the contractual time limit. The execution of construction contracts also requires assessment of execution risk resulting from uncertainty related to COVID 19 pandemic.</p>	<p>Our audit procedures included:</p> <ul style="list-style-type: none"> • Obtaining an understanding and consideration of the appropriateness of the policies in respect of revenue recognition against the criteria in the Indian accounting standards. • Evaluated the design and implementation and tested operating effectiveness of key controls (including IT controls) around the contract price, estimation of costs to complete management's testing of these attributes. • Understanding and documenting the contract and other related contractual provisions including contractually agreed deliverables, termination rights, penalties for delay, etc. to understand the nature and scope of the arrangements with the customer • Assessing key judgements inherent in the estimation of significant construction contract projects. It includes comparing the stage-of-completion and costs of completion on significant projects.

<p>The Group uses an input method based on costs incurred to measure progress of the projects. Under this approach, the Group recognises revenue based on the costs incurred to date relative to the estimated total costs to complete the performance obligation. Profit is not recognised until the outcome of the contract is fairly certain.</p> <p>Revenues, total estimated contract costs and profit recognition may deviate significantly from original estimates based on new knowledge about cost overruns and changes in project scope over the term of a construction contract.</p>	<ul style="list-style-type: none"> • We assessed the estimated costs to complete, variations in contract price and contract costs and underlying invoices, signed contracts/ statements of work completed for all ongoing projects. • We tested samples of manual journals posted to revenue to identify unusual items. • We checked adequacy of the disclosures made in note 46 to the Group's consolidated financial statements are compliant with Ind AS -115
Revenue from Toll Collection - refer Note 3 (s)	
The Key Audit Matters	How the matter was addressed in audit
<p>The Subsidiary Company Licenses to collect toll under the concession agreement with relevant Government authorities falls within the Concession Arrangements.</p> <p>Record of Toll collection and recognition of Revenue through the use of technology, specifically, roadside equipment supported by tolling and billing systems. Tolling equipment and systems are highly customized complex system installed at the toll plaza for correctly identifying vehicle type, calculating fare and for appropriate billing and collection.</p> <p>This is a key audit matter considering the nature and the large volume of transaction; and reliance on information technology systems for the related automated and IT dependent controls.</p>	<p>Our audit procedures included the following:</p> <ul style="list-style-type: none"> • Obtained an understanding of the processes and control placed for toll collection and tested those controls for the operating effectiveness. • Testing a selection of Information Technology General Controls (ITGCs) supporting the integrity of the tolling systems' operation, including access, operations and change management controls. • Obtained and tested reconciliation of toll collected as per transaction report (generated from toll system) with cash deposited in bank and revenue recorded in the books. • Tested on sample basis the rationalisation done by management by multiplying that toll rate charged for each category of vehicle as per relevant government authority's notification with the number of vehicles (as per transaction report) and its reconciliation with the revenue recorded in accounts. • On test check basis, traced the daily collection from bank statement to daily cash toll collected and the revenue recorded. • Performed data analytics procedures on transactions to detect unusual transactions for further examination. • On test check basis, traced the classification of vehicle independently from stored images recorded by the Company.
Disputed Tax Matters - refer Note 3 (q)	
The Key Audit Matters	How the matter was addressed in audit
<p>Tax litigation exposures have been identified as a key audit matter due to:</p> <ul style="list-style-type: none"> • Significance of these amounts. • Significant judgement and assumptions required by management in assessing the exposure of each case to evaluate whether there is a need to set up a provision and measurement of exposures as well as the disclosure of contingent liabilities. <p>Additionally, the treatment of tax litigation require significant judgement due to the complexity of the cases and, timescales for resolution.</p>	<p>Our audit procedures include the following:</p> <ul style="list-style-type: none"> • Obtained understanding and assessed the internal control environment relating to the identification, recognition and measurement of provisions for disputed tax matters. • Obtained the summary of disputed tax matters from management and assessed management's position through discussions on both the probability of success in significant cases, and the magnitude of any potential loss. • Read evidence to corroborate management's assessment of the risk profile in respect of tax disputed matters. • We involved tax specialists to assist us in evaluating tax positions taken by management. <p>We assessed the disclosures relating to the disputed tax matters as mentioned in Note 43 of the Consolidated Ind AS financial statements.</p>

Other Information

The Holding Company's Board of Directors are responsible for the other information. The other information comprises the information included in the Holding Company's annual report, does not include the consolidated financial statements and our auditors' report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibility of the Management for the Consolidated Financial Statements

The Holding Company's Board of Directors are responsible for the preparation and presentation of these consolidated financial statements in terms of the requirements of the Act that give a true and fair view of the consolidated financial position, consolidated financial performance including other comprehensive income, consolidated changes in equity and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act. The respective Management and Board of Directors of the Companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Management and Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective Board of Directors of the Companies included in the

Group are responsible for assessing the ability of each company to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the respective management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the Companies included in the Group are also responsible for overseeing the financial reporting process of each Company.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on internal financial controls with reference to consolidated financial statements and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures in the consolidated financial statements made by the Management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group of which we are the independent auditors and whose financial information we have audited, to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of financial information of such entities included in the consolidated financial statements of which we are the independent auditors. For the other entities included in the consolidated financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

We communicate with those charged with governance of the Holding Company and such other entities included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements

of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Emphasis of Matter

We draw attention to the following matters in the notes to the accompanying Consolidated Financial Statement:

- a. Note 3(a) regarding the approval of Resolution Plan of the Holding Company under the Insolvency & Bankruptcy Code, 2016 (IBC, 2016) by the Hon'ble National Company Law Tribunal ("NCLT"), Kolkata by its order dated April 18, 2018. The appeals filed by some of the banks were dismissed by the Hon'ble National Company Law Appellate Tribunal ("NCLAT") by its order dated August 16, 2019 finding them without any merit. The Hon'ble Supreme Court by its order dated January 18, 2022 has dismissed the civil appeal no. 8411 of 2019 filed by one of the dissenting banks against the Hon'ble NCLAT order dated August 16, 2019. The Resolution Plan has not been implemented by the Banks till date. The Resolution Plan has accordingly attained finality.
- b. Note 36.1 regarding non provision of interest in view of waiver of interest/ penal interest/ interest on interest/ other penal charges on the delayed payments from the date of NPA till the implementation of the resolution plan by the Working Capital Banks. As the Working Capital Banks are yet to implement the approved Resolution Plan and therefore interest etc. have not accrued to them. Accordingly, no provision for interest amounting to Rs.8418.75 lakhs (March 31, 2021 Rs.6,467.15 lakhs) has been made as on March 31, 2022. Hon'ble NCLT has passed order dated March 11, 2022 excluding the period from April 18, 2018 to January 18, 2022 from the calculation of the period for implementation of the approved Resolution Plan and all dates mentioned in the Resolution Plan are consequently extended for implementation of the Resolution Plan. An appeal has been filed before the Hon'ble NCLAT against the Order dated March 11, 2022, which is pending adjudication. The ageing of the borrowings has been taken as per the Hon'ble NCLT order and may undergo changes after adjudication.
- c. Note 43.2 regarding judgments of the Hon'ble Supreme Court, whereby the Resolution Plan approved under IBC is binding on all creditors including Central Government, State Government, any Local Authority under section 31(1) of IBC, 2016 and any amount not claimed by the operational creditors stand extinguished. These claims are subject to

reconciliation and rights and remedies available with the Group and are not acknowledged as debt.

- d. Note 47.1 regarding the recognition of deferred tax assets (net) on conservative basis as at March 31, 2022 amounting to Rs.14,999.55 lakhs (March 31, 2021 Rs.9,487.37 lakhs) corresponding to unused brought forward income tax losses pursuant to the provisions of Ind AS 12 "Income Taxes", for which it has convincing evidences viz. opportunities available in area of its core competence, bidding/pre-qualification limit, conducive government policies and market conditions, recovery of pending claims, TEV study and approved Resolution Plan etc., based on which it is inferred that sufficient taxable profit will be available against which unused tax losses can be utilised by the Group.
- e. Note 58 regarding the claims of the Holding Company in respect of cost over-runs arising due to client responsibility delays, client's suspension of projects, deviation in design, change in scope of work etc., which are at various stages of negotiation/ discussion with the clients/ arbitration / litigation. The realisability of these claims are estimated by the Company based on contractual terms, historical experience with similar claims as well as legal opinion obtained from internal and external experts, wherever necessary. Revenue in respect of claims is recognised to the extent the Company is reasonably certain of their realisation. Realisation of above claims may be lower than the claims recognized if the Company decides to settle the same out of court in future considering the substantial time involved in litigation. Impact thereof will be considered in the year of such settlement.
- f. Note 59 regarding the management's assessment of the financial impact of the outbreak of Coronavirus (Covid-19) pandemic situation, for which a definitive assessment of the impact in the subsequent period is dependent upon the circumstances as they evolve.

Our opinion is not modified in respect of this matter.

Independent Auditors of one of the subsidiary Company Suratgarh Bikaner Toll Road Company Private Limited in his report on financial results for the year ended March 31, 2022 have drawn emphasis of matter paragraphs incorporated by us as under:

- a) We have placed reliance on Resolution Plan submitted by the Company to the bankers which is prepared based on TEV study conducted by external agency and accordingly in the opinion of the management, there is no impairment of assets as on March 31, 2022 and there is no doubt on Company's ability to continue as a going concern.

- b) The loans /credit facilities provided by lenders have been classified as Non-Performing Assets (NPA) by all lenders as on balance sheet date, however in Ind-AS Financial Statements the same is shown both under Short term & Long term borrowings on the basis of repayment plan envisaged in original Sanction letter.

Our opinion is not modified in respect of above matters.

Other Matters

We did not audit the financial statements/ financial information of 8 subsidiaries included in the consolidated financial statement, whose financial statements/ financial information (before eliminating intra-group transactions) reflect total assets of Rs.83,954.21 lakhs as at March 31, 2022 and total revenue of Rs.10,932.09 lakhs , total net loss after tax of Rs.6346.60 lakhs, total other comprehensive income of Rs.Nil and cash flows (net) of Rs.1,917.90 lakhs for the year ended on that date. These financial statements have been audited by other auditors whose reports have been furnished to us by the management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries and our report in terms of sub-section (3) of Section 143 of the Act in so far as it relates to the aforesaid subsidiaries is based solely on the audit reports of the other auditors.

Our opinion on the consolidated financial statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors and the financial statements certified by the Management.

Report on Other Legal and Regulatory Requirements

- A. As required by Section 143(3) of the Act, based on our audit and on the consideration of reports of the other auditors on separate financial statements and other financial information of subsidiaries, as noted in the 'Other Matters' paragraph, we report, to the extent applicable, that:
- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements;
- (b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books and the report of other auditors
- (c) The consolidated balance sheet, the consolidated statement of profit and loss including other

comprehensive income, the consolidated statement of changes in equity and the consolidated statement of cash flows dealt with by this Report are in agreement with the books of account maintained for the purpose of preparation of the consolidated financial statements;

- (d) In our opinion, the aforesaid consolidated financial statements comply with the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act;
- (e) On the basis of the written representations received from the directors of the Holding Company as on March 31, 2022 and taken on record by the Board of Directors of the Holding Company and the reports of the subsidiary companies, none of the directors of the Group is disqualified as on March 31, 2022 from being appointed as a director in terms of Section 164 (2) of the Act;
- (f) With respect to the adequacy of the internal financial controls with reference to the consolidated financial statements of the Holding Company and its subsidiary companies and the operating effectiveness of such controls, refer to our separate report in "Annexure A";
- (g) In our opinion and based on the consideration of reports of other statutory auditors of the subsidiaries incorporated in India, the managerial remuneration for the year ended March 31, 2022 has been paid/ provided by the Holding Company and its subsidiaries incorporated in India to their directors in accordance with the provisions of Section 197 read with Schedule V to the Act;
- (h) In our opinion, the group has claims in respect of cost over-runs arising due to client responsibility delays, client's suspension of projects, deviation in design, change in scope of work etc., which are at various

stages of negotiation/ discussion with the clients/ arbitration /litigation. The realisability of these claims are estimated based on contractual terms, historical experience with similar claims as well as legal opinion obtained from internal and external experts, wherever necessary. Revenue in respect of claim is recognised to the extent the Company is reasonably certain of their realisation.

- (i) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The consolidated financial statements disclose the impact of pending litigations as on March 31, 2022 on the consolidated financial position of the Group - Refer Note 43 to the consolidated financial statement;
 - ii. Provision has been made in the consolidated financial statements, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts;
 - iii. There has been no delay in transferring amounts required to be transferred, to the Investor Education and Protection Fund by the Group during the year ended March 31, 2022.

ANNEXURE 'A'

To the Independent Auditors Report on Consolidated Financial Statements of **MBL Infrastructures Limited** for the year ended March 31, 2022

Report on the internal financial controls with reference to the aforesaid consolidated financial statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (hereinafter referred to as "the Act")

(Referred to in paragraph 2(f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the Holding Company and its subsidiaries which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal controls over financial reporting criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate

internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to group's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Holding Company and its subsidiaries which are companies incorporated in India, internal financial controls over financial reporting with reference to these consolidated financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, deemed to be prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting with reference to these consolidated financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to consolidated financial statements and their operating effectiveness. Our audit of internal financial controls with reference to consolidated financial statements included obtaining an understanding of such internal financial controls, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal controls based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors of the relevant subsidiary companies in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the Group's internal financial controls with reference to the consolidated financial statements.

Meaning of Internal Financial controls with Reference to the Financial Statements

A Company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial controls with reference to consolidated financial statements include those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the group; (2)

provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the group are being made only in accordance with authorisation of management and directors of the group; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the group's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial controls with Reference to the Consolidated Financial Statements

Because of the inherent limitations of internal financial controls with reference to consolidated financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to consolidated financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Other Matters

Our aforesaid report under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls with reference to consolidated financial statements insofar as it relates to eight (8) subsidiary companies, which are companies incorporated in India and to whom internal control over financial statements is applicable, is based on the corresponding report of the auditors of such companies incorporated in India.

Opinion

In our opinion, the Holding Company and such companies incorporated in India which are its subsidiaries, in all material respects, an adequate internal financial controls with reference to the consolidated financial statements and such internal financial controls were operating effectively as at March 31, 2022, based on the internal financial controls with reference to consolidated financial statements criteria established by such companies considering the essential components of internal control stated in the Guidance Note issued by the Institute of Chartered Accountants of India.

Notes to the Consolidated Financial Statements for the year ended March 31, 2022

1. CORPORATE AND GENERAL INFORMATION

MBL Infrastructures Ltd (“the Company”) together with its subsidiaries (collectively, “The Company or its Group”) is a public limited company domiciled and incorporated in India and its equity shares are listed at Bombay Stock Exchange (BSE)/ National Stock Exchange (NSE). The registered office is located at Baani Corporate One Tower, Suite No. 308, 3rd Floor, Plot No. 5, Commercial Centre, Jasola, New Delhi- 110025, India. The Company is engaged in the execution of civil Engineering infrastructure projects: Roads and Highways (Construction, BOT, O&M) Building, Housing & Urban Infrastructure, Railways/ Metro and other infrastructure.

2. STATEMENT OF COMPLIANCE AND RECENT ACCOUNTING PRONOUNCEMENTS

(a) Statement of Compliance

The Consolidated Financial Statements have been prepared in accordance with Ind AS prescribed under Section 133 of the Companies Act, 2013 (“Act”) read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 as amended and the Companies (Indian Accounting Standards) (Amendment) Rules, 2016. These financial statements have been approved for issue by the Board of Directors at its meeting held on May 28, 2022.

(b) Amendments to Schedule III of the Companies Act, 2013

Ministry of Corporate Affairs (MCA) issued notifications dated 24th March, 2021 to amend Schedule III of the Companies Act, 2013 to enhance the disclosures required to be made by the Company in its financial statements. These amendments are applicable to the Company for the financial year starting 1st April, 2021 and applied to the extent applicable to the Consolidated financial statements:

- (i) Lease liabilities separately disclosed under the head ‘financial liabilities’, duly distinguished as current or non-current.
- (ii) Certain additional disclosures in the standalone Statement of Changes in Equity such as changes in equity share capital due to prior period errors and restated balances at the beginning of the current reporting period.
- (iii) Additional disclosure for shareholding of promoters.
- (iv) Additional disclosure for ageing schedule of trade receivables, trade payables, capital work-in-progress.
- (v) Specific disclosure such as compliance with approved schemes of arrangements, compliance with number of layers of companies, title deeds of immovable property not held in the name of the Company, loans and advances to promoters, directors, key managerial personnel (KMP) and related parties etc.
- (vi) Additional Disclosures relating to Corporate Social Responsibility (CSR) and undisclosed income.

(c) Recent Accounting Developments

Ministry of Corporate Affairs (MCA), vide notification dated 23rd March, 2022, has made the following amendments to Ind AS which are effective 1st April, 2022:

- (i) Ind AS 109: Annual Improvements to Ind AS (2021)
- (ii) Ind AS 103: Reference to Conceptual Framework
- (iii) Ind AS 37: Onerous Contracts - Costs of Fulfilling a Contract
- (iv) Ind AS 16: Proceeds before intended use

Based on preliminary assessment, the Company does not expect these amendments to have any significant impact on its standalone financial statements.

Notes to the Consolidated Financial Statements for the year ended March 31, 2022

3. SIGNIFICANT ACCOUNTING POLICIES

(a) Basis of Preparation of Consolidated Financial Statements

- (i) The Consolidated Financial Statements relate to MBL Infrastructures Ltd (the Company), and its subsidiaries collectively known as the Group as detailed below:

Name of the Subsidiaries	Country of Incorporation	% of Shareholding / Voting Power	
		31.03.2022	31.03.2021
AAP Infrastructure Limited	India	100	100
MBL Highway Development Company Limited	India	100	100
MBL (MP) Toll Road Company Limited	India	100	100
Suratgarh Bikaner Toll Road Company Private Limited	India	100	100
MBL Projects Limited	India	100	100
MBL (MP) Road Nirman Company Limited	India	100	100

The Consolidated Financial Statements have been prepared under the historical cost convention on accrual basis except certain financial instruments that are measured in terms of relevant Ind AS at fair value at the end of each reporting period.

Historical cost convention is generally based on the fair value of the consideration given in exchange for goods and services.

Operating cycle for the business activities of the Group covers the normal duration of the project/ contract/ service including the defect obligation period, wherever applicable, and extends up to the realisation of receivables (including retention money) within the credit period normally applicable to the respective project. In cases where the operating cycle cannot be identified in the normal course, the same has been assumed to have duration of twelve months. Accordingly, all Assets and Liabilities have been classified as current or non-current as per the operating cycle and other criteria set out in Ind AS 1 'Presentation of financial statements' and Schedule III to the Companies Act, 2013.

- (ii) The Consolidated Financial Statements are presented in Indian Rupees (`INR'), which is the Group's functional and presentation currency and all amounts are rounded to the nearest Lacs (except otherwise indicated).

The Resolution Plan of the Holding Company under the Insolvency & Bankruptcy Code, 2016 (IBC, 2016) by the Hon'ble National Company Law Tribunal ("NCLT"), Kolkata by its order dated April 18, 2018. The appeals filed by some of the banks were dismissed by the Hon'ble National Company Law Appellate Tribunal ("NCLAT") by its order dated August 16, 2019 finding them without any merit. The Hon'ble Supreme Court by its order dated January 18, 2022 has dismissed the civil appeal no. 8411 of 2019 filed by one of the dissenting banks against the Hon'ble NCLAT order dated August 16, 2019. The Resolution Plan has not been implemented by the Banks till date. The Resolution Plan has accordingly attained finality.

Subsidiaries are entities over which the Group has control and the Control is achieved when the group is exposed, or has rights, to variable returns from its involvement with the investee and has the ability to affect those returns through its:

- Power over the investee
- Exposure or rights to variable returns from its involvement with the investee
- The ability to use its power over the investee to affect its returns

Subsidiaries are consolidated from the date control over the subsidiary is acquired and they are discontinued from the date of cessation of control.

- (a) The Consolidated Financial Statements of parent Company and its subsidiaries have been consolidated on line-by-line basis by adding together book value of like items of assets, liabilities, income and expenses after eliminating intra-group balances and intra- group transactions in accordance with Ind AS 110 "Consolidated Financial Statement".

Notes to the Consolidated Financial Statements for the year ended March 31, 2022

- (b) Non-controlling Interest represents the equity in a subsidiary not attributable, directly or indirectly to a Parent. Non-controlling interest's share of net profit of subsidiaries for the year is identified and adjusted against the revenue of the Group in order to arrive at the net revenue attributable to the owners of the Company. The excess of loss for the year over the non-controlling interest is adjusted in owner's interest. Non-controlling interest's share of net assets of subsidiaries is identified and presented in the Consolidated Balance Sheet separate from liabilities and the equity of the Company's shareholders.
- (c) The difference between the cost of investment at the time of acquisition of shares in the subsidiaries and the share of net of the assets acquired and the liabilities assumed measured at their acquisition date fair values is identified in the Consolidated financial statements as Goodwill or Capital Reserve as the case may be.
- (d) The Build, Operate and Transfer (BOT)/design, built, finance, operate and transfer (DBFOT) contracts are governed by service concession agreements with government authorities (grantor). Under these agreements, the operator does not own the road, but gets "toll collection rights" against the construction services rendered. Since the construction revenue earned by the operator is considered as exchanged with the grantor against toll collection rights, revenue is recognized at fair value of construction services rendered and profit from such contracts is considered as realized. Accordingly, in respect of BOT/DBFOT contracts the intra group transactions relating to constructions and the profits arising thereon are taken as realized and not eliminated.
- (e) The Consolidated Financial Statements are prepared using uniform accounting policies for similar material transactions and other events in similar circumstances otherwise as stated elsewhere.
- (f) Figures pertaining to the subsidiary companies have been reclassified wherever necessary to bring them in line with Parent Company's Consolidated Financial Statements.

(b) Business Combination and Goodwill

The Group except for combination of group entities which are under common control applies the acquisition method in accounting for business combinations. The consideration transferred by the Group to obtain control of a subsidiary is calculated as the sum of the acquisition-date fair values of assets transferred, liabilities incurred and the equity interests issued by the Group, which includes the fair value of any asset or liability arising from a contingent consideration arrangement. Acquisition costs are expensed as incurred. Assets acquired and liabilities assumed are generally measured at their acquisition date fair values.

In case of combination of entities under control, business combination are accounted for under pooling of interest method whereby the assets and liabilities are combined at the carrying amount and no adjustments are made to reflect their fair values or recognize any new assets or liabilities.

After initial recognition, goodwill is measured at cost less any accumulated impairment losses. For the purpose of impairment testing, goodwill acquired in a business combination is, from the combination date, allocated to each of the Group's cash-generating units that are expected to benefit from the combination, irrespective of whether other assets or liabilities of the acquiree are assigned to those units.

(c) Non-Controlling Interest

Non-controlling interests represent the proportion of income, other comprehensive income and net assets in subsidiaries that is not attributable to the Company's shareholders.

Non-controlling interests are initially measured at the non-controlling interests' proportionate share of the amount of the non-controlling interests is the amount of the acquiree's identifiable net assets. Subsequent to the acquisition, the carrying amount of the non-controlling interest is the amount of the interest at initial recognition plus the non - controlling interests' share of subsequent changes in equity.

Notes to the Consolidated Financial Statements for the year ended March 31, 2022

(d) Fair Value Measurement

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date under current market conditions.

The Group categorizes assets and liabilities measured at fair value into one of three levels depending on the ability to observe inputs employed for such measurement:

- (i) Level 1: inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities.
- (ii) Level 2: inputs other than quoted prices included within level 1 that are observable either directly or indirectly for the asset or liability.
- (iii) Level 3: inputs for the asset or liability which are not based on observable market data (unobservable inputs).

The Group has an established control framework with respect to the measurement of fair values. This includes a finance team that has overall responsibility for overseeing all significant fair value measurements who regularly review significant unobservable inputs, valuation adjustments and fair value hierarchy under which the valuation should be classified.

(e) Accounting Estimates

The preparation of the financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities as at the date of financial statements and the results of operation during the reported period. Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ from these estimates which are recognized in the period in which they are determined. The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period or in the period of the revision and future periods if the revision affects both current and future years.

(f) Estimates and Assumptions

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. The Group based its assumptions and estimates on parameters available when the financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Group. Such changes are reflected in the financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the financial statements.

(g) Recoverability of Claims

The Group has claims in respect of cost over-run arising due to client caused delays, suspension of projects, deviation in design and change in scope of work etc., which are at various stages of negotiation/ discussion with the clients or under arbitration. The realisability of these claims are estimated based on contractual terms, historical experience with similar claims as well as legal opinion obtained from internal and external experts, wherever necessary. Changes in facts of the case or the legal framework may impact realisability of these claims. Revenue in respect of the claims is recognised to the extent, the Group is reasonably certain of their realisation.

(h) Property, Plant and Equipment (PPE)

Property, plant and equipment are stated at cost of acquisition, construction and subsequent improvements thereto less accumulated depreciation and impairment losses, if any. For this purpose, cost include deemed cost on the date of transition and comprises purchase price of assets or its construction cost including duties and taxes, inward freight and other expenses incidental to acquisition or installation and adjustment for exchange differences wherever applicable and any cost directly attributable to bring the asset into the location and condition necessary for it to be capable of operating in the manner intended by the management.

Notes to the Consolidated Financial Statements for the year ended March 31, 2022

The cost of replacing part of an item of property, plant and equipment is recognised in the carrying amount of the item if it is probable that the future economic benefits embodied within the part will flow to the Group and its cost can be measured reliably. The costs of the day-to-day servicing of property, plant and equipment are recognised in the income statement when incurred.

Depreciation and Amortisation

Depreciation on Property, Plant & Equipment is provided as per Schedule II of the Companies Act, 2013 on straight line method.

Assets costing rupees five thousand or less are being depreciated fully in the year of addition/acquisition.

Depreciation on Property, Plant and Equipment commences when the assets are ready for their intended use. Based on above, the estimated useful lives of assets for the current period are as follows.

Category	Estimated Useful Life (in years)
Buildings	60 Years
Plant and machinery	4-13 Years*
Computer equipment	3 Years
Furniture and fixtures	10 Years
Office equipment	4-10 Years*
Vehicles	
Motor Bus, Motor Lorry, Motor Cars other than those used in a business of running them on hire	6-8 Years*
Motor cycles, scooters and other mopeds	5-10 years*

* For these class of assets, based on internal assessment and independent technical evaluation carried out by the chartered engineers, the company believes that the useful lives as given above best represents the period over which the company expects to use these assets. Hence the useful lives for these assets are different from the useful lives as prescribed under Part C of Schedule-II of the Companies Act, 2013.

Freehold Land is not depreciated.

Depreciation methods, useful lives and residual values are reviewed, and adjusted as appropriate, at each reporting date.

(i) Intangible Assets

Intangible assets are stated at cost inclusive of duties and taxes less accumulated amount of amortisation and impairment losses. Toll Collection Rights are amortised over the period of concession, using revenue based amortisation as prescribed in IndAS 36. Under this method, the carrying value of the rights is amortised in the proportion of actual toll revenue for the year to projected revenue for the balance toll period, to reflect the pattern in which the assets economic benefits will be consumed. At each balance sheet date, the projected revenue for the balance toll period is reviewed by the management. If there is any change in the projected revenue from previous estimates, the amortisation of toll collection rights is changed prospectively to reflect any changes in the estimates.

Depreciation methods, useful lives and residual values are reviewed, and adjusted as appropriate, at each reporting date.

(j) Intangible Assets under Development

Cost and other directly attributable expenses incurred towards construction of roads are kept as intangible assets under development till the date these are ready for intended use.

(k) Accounting for Service Concession Arrangements

The Group Operates and maintains infrastructure (operation services) used to provide a public service for a specified period of time. These arrangements may include Infrastructure used in a public-to-private service concession arrangement for its entire useful life. Under Appendix C to Ind AS 115 – Service Concession Arrangements, these arrangements are accounted

Notes to the Consolidated Financial Statements for the year ended March 31, 2022

for based on the nature of the consideration. The intangible asset model is used to the extent that the Group receives a right (i.e a franchisee) to charge users of the public services.

(l) Derecognition of Tangible and Intangible Assets

An item of PPE is de-recognised upon disposal or when no future economic benefits are expected to arise from its use or disposal. Gain or loss arising on the disposal or retirement of an item of PPE is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in the Statement of Profit and Loss.

(m) Inventories

Construction materials are valued at lower of cost and fair value (except scrap/ waste which are valued at net realizable value). Cost of inventories is ascertained on FIFO basis.

Net realizable value is the estimated selling price in the ordinary course of business less estimated costs of completion and selling costs. The cost is computed on weighted average basis.

Provision for obsolescence in inventories is made, whenever required.

(n) Financial Assets and Financial Liabilities

Financial assets and financial liabilities (financial instruments) are recognised when the Group becomes a party to the contractual provisions of the instruments.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in the Statement of Profit and Loss.

The financial assets and financial liabilities are classified as current if they are expected to be realised or settled within operating cycle of the Group or otherwise these are classified as non-current.

The classification of financial instruments whether to be measured at Amortized Cost, at Fair Value through Profit and Loss (FVTPL) or at Fair Value Through Other Comprehensive Income (FVTOCI) depends on the objective and contractual terms to which they relate. Classification of financial instruments are determined on initial recognition.

(i) Cash and Cash Equivalents

All highly liquid financial instruments, which are readily convertible into determinable amounts of cash and which are subject to an insignificant risk of change in value and are having original maturities of three months or less from the date of purchase, are considered as cash equivalents. Cash and cash equivalents includes balances with banks which are unrestricted for withdrawal and usage.

(ii) Financial Assets and Financial Liabilities Measured at Amortised Cost

Financial Assets held within a business whose objective is to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding are measured at amortized cost.

The above Financial Assets and Financial Liabilities subsequent to initial recognition are measured at amortized cost using Effective Interest Rate (EIR) method.

The effective interest rate is the rate that exactly discounts estimated future cash payments or receipts (including all fees and points paid or received, transaction costs and other premiums or discounts) through the expected life of the Financial Asset or Financial Liability to the gross carrying amount of the financial asset or to the amortised cost of financial liability, or, where appropriate, a shorter period, to the net carrying amount on initial recognition.

Notes to the Consolidated Financial Statements for the year ended March 31, 2022

(iii) Financial Asset at Fair Value through Other Comprehensive Income (FVTOCI)

Financial assets are measured at fair value through other comprehensive income if these financial assets are held within a business whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. Subsequent to initial recognition, they are measured at fair value and changes therein are recognised directly in other comprehensive income.

(iv) For the purpose of para (ii) and (iii) above, principal is the fair value of the financial asset at initial recognition and interest consists of consideration for the time value of money and associated credit risk.

(v) Financial Assets or Liabilities at Fair Value through Profit or Loss

Financial Instruments which does not meet the criteria of amortised cost or fair value through other comprehensive income are classified as Fair Value through Profit or loss. These are recognised at fair value and changes therein are recognized in the statement of profit and loss.

(vi) Investment in Subsidiaries and Associates are being carried at Cost.

(vii) Impairment of Financial Assets

The Group evaluates whether there is any objective evidence that financial assets including loan, trade and other receivables are impaired and determines the amount of impairment allowance as a result of the inability of the parties to make required payments. The Group bases the estimates on the ageing of the receivables, credit-worthiness of the receivables and historical write-off experience and variation in the credit risk on year to year basis.

(viii) Derecognition of Financial Instruments

The Group derecognizes a financial asset or a group of financial assets when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party.

On derecognition of a financial asset (except for equity instruments designated as FVTOCI), the difference between the asset's carrying amount and the sum of the consideration received and receivable are recognized in statement of profit and loss.

On derecognition of assets measured at FVTOCI, the cumulative gain or loss previously recognised in other comprehensive income is reclassified from equity to profit or loss as a reclassification adjustment.

Financial liabilities are derecognized if the Group's obligations specified in the contract expire or are discharged or cancelled. The difference between the carrying amount of the financial liability derecognized and the consideration paid and payable is recognized in Statement of Profit and Loss.

(o) Foreign Currency Transactions

Transactions in foreign currencies are translated into the functional currency at the exchange rates prevailing on the date of the transactions. Foreign currency monetary assets and liabilities at the year-end are translated at the year-end exchange rates. Non-monetary items which are carried in terms of historical cost denominated in a foreign currency, are reported using the exchange rate as at the date of transaction. The loss or gain thereon and also on the exchange differences on settlement of the foreign currency transactions during the year are recognized as income or expense in the statement of profit and loss. Foreign exchange gain/loss to the extent considered as an adjustment to Interest Cost are considered as part of borrowing cost.

(p) Equity Share Capital

An equity instrument is a contract that evidences residual interest in the assets of the Group after deducting all of its liabilities. Par value of the equity shares is recorded as share capital and the amount received in excess of par value is

Notes to the Consolidated Financial Statements for the year ended March 31, 2022

classified as Securities Premium. Costs directly attributable to the issue of ordinary shares are recognised as a deduction from equity, net of any tax effects.

(q) Provisions, Contingent Liabilities and Contingent Assets

Provisions involving substantial degree of estimation in measurement are recognized when there is a legal or constructive obligation as a result of past events and it is probable that there will be an outflow of resources and a reliable estimate can be made of the amount of obligation. Provisions are not recognised for future operating losses. The amount recognized as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation.

Contingent liabilities are not recognized and are disclosed by way of notes to the Consolidated financial statements when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Group or when there is a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the same or a reliable estimate of the amount in this respect cannot be made.

Contingent assets are not recognised but disclosed in the Consolidated financial statements by way of notes to accounts when an inflow of economic benefits is probable.

Provisions for onerous contracts are recorded in the statements of operations when it becomes known that the unavoidable costs of meeting the obligations under the contract exceed the economic benefits expected to be received.

(r) Employee Benefits

Employee benefits are accrued in the year in which services are rendered by the employees. Short term employee benefits are recognized as an expense in the statement of profit and loss for the year in which the related service is rendered.

Contribution to defined contribution plans such as Provident Fund etc, is being made in accordance with statute and are recognised as and when incurred.

Contribution to defined benefit plans consisting of contribution to gratuity are determined at close of the year at present value of the amount payable using actuarial valuation techniques. Actuarial gain and losses arising from experience adjustments and changes in actuarial assumptions are recognized in other comprehensive income.

Other long term employee benefits consisting of Leave Encashment are determined at close of the year at present value of the amount payable using actuarial valuation techniques. The changes in the amount payable including actuarial gain/loss are recognised in other comprehensive income.

(s) Revenue Recognition

The Group recognizes revenue from contracts with customers when it satisfies a performance obligation by transferring promised good or service to a customer. The revenue is recognized to the extent of transaction price allocated to the performance obligation satisfied. Performance obligation is satisfied over time when the transfer of control of asset (good or service) to a customer is done over time and in other cases, performance obligation is satisfied at a point in time. The customer obtains control of the asset when it simultaneously benefits by the entity's performance. For performance obligation satisfied over time, the revenue recognition is done by measuring the progress towards complete satisfaction of performance obligation. The progress is measured in terms of a proportion of actual cost to date, to the total estimated cost attributable to the performance obligation.

Transaction price is the amount of consideration to which the Group expects to be entitled in exchange for transferring good or service to a customer excluding amounts collected on behalf of a third party. Variable consideration is estimated using the expected value method or most likely amount as appropriated in a given circumstance. Payment terms agreed with a customer are as per business practice and there is no financing component involved in the transaction price.

Notes to the Consolidated Financial Statements for the year ended March 31, 2022

Costs to obtain a contract which are incurred regardless of whether the contract was obtained are charged off in Statement of Profit and Loss immediately in the period in which such costs are incurred. Incremental costs of obtaining a contract, if any, and costs incurred to fulfill a contract are amortised over the period of execution of the contract in proportion to the progress measured in terms of a proportion of actual cost incurred to date, to the total estimated cost attributable to the performance obligation.

In respect of construction/ project related activity, the Group follows percentage of completion method. Percentage of completion is determined by survey of work performed / physical measurement of work actually completed at the balance sheet date taking into account contractual price/ unit rates and revision thereto.

The Income from Projects on BOT (Toll) is recognized on actual collection of toll revenue as per concession agreement. Revenue from electronic toll collection is recognized on accrual basis. Annuity from BOT (Toll plus Annuity) projects is recognized on accrual basis.

(i) Critical Accounting Judgements, Estimation and Uncertainty:

Determining the revenue to be recognized in case of performance obligation satisfied over a period of time; revenue recognition is done by measuring the progress towards complete satisfaction of performance obligation. The progress is measured in terms of a proportion of actual cost incurred to date, to the total estimated cost attributable to the performance obligation.

(ii) Revenue from Construction/ Project Related Activity is recognized as follows:

Fixed Price Contracts: Contract revenue is recognized over time to the extent of performance obligation satisfied and control is transferred to the customer. Contract revenue is recognized at allocable transaction price which represents the cost of work performed on the contract plus proportionate margin, using the percentage of completion method. Percentage of completion is the proportion of cost of work performed to date, to the total estimated contract costs.

For contracts where the aggregate of contract cost incurred to date plus recognized profits (or minus recognized losses as the case may be) exceeds the progress billing, the surplus is shown as contract asset and termed as "Due from customers". For contracts where progress billing exceeds the aggregate of contract cost incurred to date plus recognized profits (or minus recognized losses as the case may be), the surplus is shown as contract liability and termed as "Due to customers". Amount received before the related work is performed are disclosed in the Balance Sheet as Contract Liability and termed as "Advances from customers". The amounts billed on customer for work performed and are unconditionally due for payment i.e., only passage of time is required before payment falls due, are disclosed in the Balance Sheet as "Trade Receivables". The amount of retention money held by the customers pending completion of performance milestone is disclosed as part of contract asset and is reclassified as "Trade Receivables" when it becomes due for payment."

- Revenue in respect of claims is recognised to the extent the Group is reasonably certain of their realisation.
- Other operational income is recognised on rendering of related services, as per the terms of the contracts.
- Other items of income are accounted as and when the right to receive arises.

(iii) Other Income

Interest Income

Finance income is accrued on a time proportion basis, by reference to the principal outstanding and the applicable EIR. Other income is accounted for on accrual basis. Where the receipt of income is uncertain, it is accounted for on receipt basis.

Dividend Income

Dividend income is accounted for when the right to receive the same is established, which is generally when shareholders approve the dividend.

Notes to the Consolidated Financial Statements for the year ended March 31, 2022

(t) Borrowing Costs

Borrowing cost comprises of interest and other costs incurred in connection with the borrowing of the funds. All borrowing costs are recognized in the Statement of Profit and Loss using the effective interest method except to the extent attributable to qualifying Property Plant Equipment (PPE) which are capitalized to the cost of the related assets. A qualifying PPE is an asset, that necessarily takes substantial period of time to get ready for its intended use or sale. Borrowing cost also includes exchange differences to the extent considered as an adjustment to the borrowing costs.

(u) Leases

As a Lessee

The determination of whether an arrangement is, or contains, a lease is based on the substance of the arrangement at the inception date, whether fulfilment of the arrangement is dependent on the use of a specific asset or assets or the arrangement conveys a right to use the asset, even if that right is not explicitly specified in an arrangement.

A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Group assesses whether: (i) the contract involves the use of an identified asset (ii) Group has substantially all of the economic benefits from the use of the asset through the period of the lease and (iii) Group has the right to direct the use of the asset.

At the date of commencement of the lease, the Group recognizes a right-of-use asset ("ROU") and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short-term leases), low-value leases and where the agreement contain the clause for cancellation of agreement without any penalty. For these short-term, low-value or cancellable leases, the Group recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease.

(v) Taxes on Income

Income tax expense representing the sum of current tax expenses and the net charge of the deferred taxes is recognized in the income statement except to the extent that it relates to items recognized directly in equity or other comprehensive income.

(i) Current Tax

Current income tax is provided on the taxable income and recognized at the amount expected to be paid to or recovered from the tax authorities, using the tax rates and tax laws that have been enacted or substantively enacted by the end of the reporting period.

(ii) Deferred Tax

Deferred tax is accounted for using the balance sheet liability method in respect of temporary differences between the carrying amount of assets and liabilities in the Consolidated financial statements and the corresponding tax base used in the computation of taxable profit as well as for unused tax losses or credits. In principle, deferred tax liabilities are recognized for all taxable temporary differences and deferred tax assets are recognized to the extent that it is probable that taxable profits will be available against which deductible temporary differences can be utilized. Deferred tax assets and liabilities are also recognized on temporary differences arising from business combinations except to the extent they arise from goodwill that is not taken into account for tax purposes.

Deferred taxes are calculated at the enacted or substantively enacted tax rates that are expected to apply when the asset or liability is settled. Deferred tax is charged or credited to the income statement, except when it relates to items credited or charged directly to other comprehensive income in equity, in which case the corresponding deferred tax is also recognized directly in equity.

(iii) Minimum Alternate Tax (MAT)

Minimum Alternate Tax (MAT) paid as per Indian Income Tax Act, 1961 is in the nature of unused tax credit which can be carried forward and utilised when the Group will pay normal income tax during the specified period. Deferred tax

Notes to the Consolidated Financial Statements for the year ended March 31, 2022

asset on such tax credit is recognised to the extent that it is probable that the unused tax credit can be utilised in the specified future period. The net amount of tax recoverable from, or payable to, the taxation authority is included as part of receivables or payables in the balance sheet. At each Balance Sheet date, the carrying amount of MAT Credit Entitlement receivable is reviewed to reassure realisation.

(w) Earnings per Share

Basic Earnings per share is calculated by dividing the profit from continuing operations and total profit, both attributable to equity shareholders of the Group by the weighted average number of equity shares outstanding during the period.

Diluted earnings per share is computed using the net profit for the year attributable to the shareholder' and weighted average number of equity and potential equity shares outstanding during the year including share options, convertible preference shares and debentures, except where the result would be anti-dilutive. Potential equity shares that are converted during the year are included in the calculation of diluted earnings per share, from the beginning of the year or date of issuance of such potential equity shares, to the date of conversion.

(x) Segment Accounting

Operating segments are identified and reported taking into account the different risk and return, organisation structure and internal reporting system.

4. CRITICAL ACCOUNTING JUDGEMENTS, ESTIMATES AND ASSUMPTIONS

The preparation of the Consolidated financial statements in conformity with the measurement principle of Ind AS requires management to make estimates, judgments and assumptions. These estimates, judgments and assumptions affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of the Consolidated financial statements and reported amounts of revenues and expenses during the period. Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as management becomes aware of changes in circumstances surrounding the estimates. Differences between the actual results and estimates are recognized in the year in which the results are known / materialized and, if material, their effects are disclosed in the notes to the Consolidated financial statements.

Application of accounting policies that require significant areas of estimation, uncertainty and critical judgments and the use of assumptions in the Consolidated financial statements have been disclosed below. The key assumptions concerning the future and other key sources of estimation uncertainty at the balance sheet date, that have a significant risk of causing a material adjustment to the carrying amount of assets and liabilities within the next financial year are discussed below:

(a) Contract Estimates

The Group, being a part of construction industry, prepares budgets in respect of each project to compute project profitability. The two major components of contract estimate are 'claims arising during Construction period' and 'budgeted costs to complete the contract'. While estimating these components various assumptions are considered by the management such as (i) Work will be executed in the manner expected so that the project is completed timely (ii) consumption norms will remain same (iii) Assets will operate at the same level of productivity as determined (iv) Wastage will not exceed the normal % as determined etc. (v) Estimates for contingencies (vi) There will be no change in design and the geological factors will be same as communicated and (vii) price escalations etc. Due to such complexities involved in the budgeting process, contract estimates are highly sensitive to changes in these assumptions all assumptions are reviewed at each reporting date.

(b) Depreciation/ Amortisation and Impairment on PPE and Intangible Assets

Property, plant and equipment are depreciated on straight-line basis over the estimated useful lives in accordance with Schedule II of the Companies Act, 2013, taking into account the estimated residual value, wherever applicable.

The useful lives of some of the assets have been reviewed during the year and the same have been revised on the basis of such evaluation duly supported by technical advice. This has resulted in additional depreciation of Rs.406.81 lakhs for the year ended March 31, 2022.

Notes to the Consolidated Financial Statements for the year ended March 31, 2022

The Group reviews carrying value of its Tangible and intangible Assets whenever there is objective evidence that the assets are impaired. In such situation Asset's recoverable amount is estimated which is higher of asset's or cash generating units (CGU) fair value less cost of disposal and its value in use. In assessing value in use the estimated future cash flows are discounted using pre-tax discount rate which reflect the current assessment of time value of money. In determining fair value less cost of disposal, recent market realisations are considered or otherwise in absence of such transactions appropriate valuations are adopted. The Group reviews the estimated useful lives of the assets regularly in order to determine the amount of depreciation and amount of impairment expense to be recorded during any reporting period. This reassessment may result in change estimated in future periods.

(c) Impairment of Investments in Associates

Investments in associates has been carried at cost. The Group has tested for impairment at year end based on the market value where the shares are quoted, P/E ratio of similar sector company along with premium/discount for nature of holding and Net Asset Value computed with reference to the book value/ projected discounted cash flow of such company in respect of unquoted investments.

(d) Impairment Allowances on Trade Receivables

The Group evaluates whether there is any objective evidence that trade receivables are impaired and determines the amount of impairment allowance as a result of the inability of the customers to make required payments. The Group bases the estimates on the ageing of the trade receivables balance, credit-worthiness of the trade receivables and historical write-off experience. If the financial conditions of the trade receivable were to deteriorate, actual write-offs would be higher than estimated.

(e) Income Taxes

Significant judgment is required in determination of taxability of certain income and deductibility of certain expenses during the estimation of the provision for income taxes.

(f) Defined benefit Obligation (DBO)

Critical estimate of the DBO involves a number of critical underlying assumptions such as standard rates of inflation, mortality, discount rate, anticipation of future salary increases etc. as estimated by Independent Actuary appointed for this purpose by the Management. Variation in these assumptions may significantly impact the DBO amount and the annual defined benefit expenses.

(g) Provisions and Contingencies

Provisions and liabilities are recognized in the period when it becomes probable that there will be a future outflow of funds resulting from past operations or events and the amount of cash outflow can be reliably estimated. The timing of recognition and quantification of the liability requires the application of judgement to existing facts and circumstances, which can be subject to change.

Management judgment is required for estimating the possible outflow of resources, if any, in respect of contingencies/ claim/ litigations/ against the Group as it is not possible to predict the outcome of pending matters with accuracy.

The carrying amounts of provisions and liabilities and estimation for contingencies are reviewed regularly and revised to take account of changing facts and circumstances.

*Application have been submitted to the Ministry of Corporate Affairs (MCA) for striking off the name of 2 subsidiaries namely MBL (Haldia) Toll Road Company Limited and MBL (Udaipur Bypass) Road Limited respectively as they have no business.

6.2 The Company has investment of 2,37,43,800 equity shares aggregating to 30.30% in Orissa Steel Expressway Private Limited (OSEPL), a Special Purpose Vehicle, for execution of Four/Two Laning of Rimuli-Roxy- Rajamunda Section of NH 215 from km 163.00 to km 269.00 in the state of Orissa awarded by NHA on DBFOT Basis and there were option agreements which could have been exercised by the parties prior to completion/termination of concession agreement.

On January 13, 2017, the concession agreement with NHA was foreclosed and arbitration proceedings were initiated by OSEPL. An arbitration award dated March 31, 2019 for Rs.32,278.00 lakhs plus interest @ 10 % p.a. was passed in favour of OSEPL. The said arbitration award has been challenged by NHA before Hon'ble High Court, Delhi. Pursuant to order dated July 24, 2019, NHA has deposited Rs.32,278.00 lakhs as a condition for stay of operation of the award pending final adjudication.

Notes to the Consolidated Financial Statements for the year ended March 31, 2022

Out of 2,37,43,800 equity shares aggregating to 30.30%, 1,28,64,000 equity shares held by the company has been inappropriately transferred reducing the shareholding of the Company in OSEPL to 13.89 % for which the company has filed an application of inter-alia oppression and mismanagement with Hon'ble NCLT, Cuttack, which is pending adjudication. The investment is carried at net cost.

36.1 As part of the approved Resolution Plan of the Holding Company there is waiver of interest/penal interest/interest on interest/ other penal charges on the delayed payments from the date of NPA till the implementation of the resolution plan by Working Capital Banks. As the Working Capital Banks are yet to implement the approved Resolution Plan and therefore interest etc. have

Notes to the Consolidated Financial Statements for the year ended March 31, 2022

not accrued to them. Accordingly, no provision for interest amounting to Rs.8,418.75 lakhs (March 31, 2021 Rs.6,467.15 lakhs) . Hon'ble NCLT has passed order dated March 11, 2022 excluding the period from April 18, 2018 to January 18, 2022 from the calculation of the period for implementation of the approved Resolution Plan and all dates mentioned in the Resolution Plan are consequently extended for implementation of the Resolution Plan. An appeal has been filed before the Hon'ble NCLAT against order dated March 11, 2022, which is pending adjudication. The ageing of the borrowings has been taken as per the Hon'ble NCLT order and may undergo changes after adjudication.

36.2 In one of the subsidiary company, Suratgarh bikaner toll road Company private Limited, there is an account with banks that became NPA in terms of the original sanction due to delay in Commercial Operation Date (COD). A Resolution Plan under RBI guidelines has been submitted which is under consideration of the Banks/their financial advisor. Provision has been made for the finance costs during the year as per the said resolution plan. On acceptance of the resolution plan, the classification of term loan to long term/ current maturity, provision for claims, carriage ways of intangible assets etc. may undergo change. These will be accounted for on approval of Resolution Plan by the banks.

Mortality Rate	10.00%	11.00	8.22

Notes to the Consolidated Financial Statements for the year ended March 31, 2022

Sensitivity for significant actuarial assumptions is computed by varying one actuarial assumption used for the valuation of the defined benefit obligation, keeping all other actuarial assumptions constant. In practice, this is unlikely to occur, and changes in some of the assumptions may be correlated. When calculating the sensitivity of the defined benefit obligation to significant actuarial assumptions the same method (projected unit credit method) has been applied as when calculating the defined benefit obligation recognised within the Balance Sheet.

Maturity profile of Defined Benefit Obligation as on 31st March, 2022:

(₹ in lakhs)

Period	Gratuity	Leave Encashment
Within 1 yr	3.05	0.75
1-2 yrs	2.64	0.59
2-3 yrs	4.52	1.16
3-4 yrs	2.27	0.49
4-5 yrs	3.38	0.54
5-10 yrs	19.92	2.54
Above 10 yrs	25.36	4.93
Total	61.15	11.00

Other Financial Liabilities	24 & 29	47,365.20	47,365.20	43,814.97	43,814.97
Total		176,357.10	176,357.10	178,218.72	178,218.72

The management considers that the above carrying amounts of financial assets and financial liabilities recognized in the financial statements approximate their fair values. The above table includes the balances payable to financial and operational creditors in terms of the resolution plan under the IBC, 2016.

b) Fair Value Technique

The fair values of the financial assets and liabilities are included at the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The following methods and assumptions were used to estimate the fair values:-

Notes to the Consolidated Financial Statements for the year ended March 31, 2022

- i) The fair value of cash and cash equivalents, trade receivables, current trade payables, current financial liabilities and borrowings approximate their carrying amount largely due to the short-term nature of these instruments. The Board considers that the carrying amounts of financial assets and financial liabilities recognised at cost/amortised cost in the financial statements approximate their fair values.
- ii) In terms of the resolution plan, the long term borrowings as on 31st March, 2022 are substantially at fixed rate. Accordingly, any increase or decrease in the market rate of interest will have implications on the fair value of long term debt in future years.

42 Financial risk management, objective and policies

"The Company's business activities are exposed to a variety of financial risks – credit risk, liquidity risk and market risk. The Company's focus is to foresee the unpredictability of financial markets and seek to minimize potential adverse effects on its financial performance. The risks are governed by appropriate policies and procedures and that financial risks are identified, measured and managed in accordance with the Company's policies and risk objectives.

However, as indicated in note no. 22 entire loan has been restructured. In view of the above, the related risks have undergone significant variation leading to substantial improvement in financial position and will require reconsideration on giving effect to the above adjustments in the financial statement."

i) Credit risk

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk from its operating activities (primarily trade receivables). To manage this, the management has a credit policy in place and the exposure to credit risk is monitored on an ongoing basis. The Company periodically assesses the financial reliability of customers, taking into account the financial condition, current economic trends and ageing of accounts receivable.

The Company establishes an allowance for impairment that represents its estimate of incurred losses in respect of trade and other receivables. Receivables from customers are reviewed/evaluated periodically by the management and appropriate provisions are made to the extent recovery there against has been considered to be remote.

The carrying amount of respective financial assets recognised in the financial statements represents the Company's maximum exposure to credit risk.

Credit exposure is managed by counterparty limits for investment of surplus funds which is reviewed by the Management. Bank balances are held with reputed and creditworthy banking institutions.

Trade receivables disclosed include amounts that are past due at the end of the reporting period but against which the Company has not recognised an allowance for doubtful receivables because there has not been a significant change in credit quality and the amounts are still considered recoverable.

ii) Liquidity Risk

The Company's objective is to maintain optimum level of liquidity to meet its cash and collateral requirement at all times. The Company relies on Borrowing and internal accruals to meet its need for fund. The current committed lines of credit are sufficient to meet its short to medium term expansion needs.

The table provides undiscounted cash flow towards non-derivative financial liabilities and net settled derivative financial liabilities into relevant maturity based on the remaining period at balance sheet date to contractual maturity date.

Notes to the Consolidated Financial Statements for the year ended March 31, 2022

As at March 31, 2022

(₹ in lakhs)

Particulars	Less than 12 months	More than 12 months	Total
Financial Liability			
Borrowings	22,062.51	98,967.51	121,030.02
Trade Payables	4,432.51	3,529.37	7,961.88
Others	47,365.20	-	47,365.20
Total	73,860.22	102,496.88	176,357.10

As at March 31, 2021

(₹ in lakhs)

Particulars	Less than 12 months	More than 12 months	Total
Financial Liability			
Borrowings	18,617.21	106,145.38	124,762.59
Trade Payables	5,292.65	4,348.51	9,641.16
Others	43,474.32	340.65	43,814.97
Total	67,384.18	110,834.54	178,218.72

iii) Market Risk

Market risk is the risk or uncertainty arising from possible market price movements resulting in fluctuation of the fair value of future cash flows of a financial instrument. The major components of Market risks are foreign currency exchange risk and interest rate risk. Financial instruments affected by market risk include borrowings.

a) Foreign Currency Risk

The Company does not have any transaction in foreign currency except foreign currency ECB loan. There are no outstanding Derivative contracts as on 31st March 2022. In terms of resolution plan, ECB Loan is payable in INR Currency.

b) Interest rate and sensitivity

The Company's exposure in market relating to change in interest rate primarily arises from floating rate borrowing with banks and financial institutions. As at March 31, 2022, substantially all of the Company borrowings fall under the fixed interest rates (approved under resolution plan), hence there will be no interest rate risk. Considering the restructuring of borrowing, the carrying amount of said borrowing was considered to be fair value.

Borrowings

As at March 31, 2022

(₹ in lakhs)

Particulars	Total borrowings	Floating rate borrowings	Fixed rate borrowings	Weighted average interest rate (%)
Borrowings- In INR	121,030.02	-	121,030.02	8.32
Total	121,030.02	-	121,030.02	

As at March 31, 2021

(₹ in lakhs)

Borrowings- In INR	124,762.59	-	124,762.59	8.32
Total	124,762.59	-	124,762.59	

Notes to the Consolidated Financial Statements for the year ended March 31, 2022

iv) Capital Risk Management

The Company's objectives when managing capital is to safeguard continuity, maintain a strong credit rating and healthy capital ratios in order to support its business and provide adequate return to shareholders through continuing growth. The Company sets the amount of capital required on the basis of annual business and long-term operating plans which include capital and other strategic investments. The funding requirements are met through a mixture of equity, internal fund generation and other non-current borrowings. The Company's policy is to use current and non-current borrowings to meet anticipated funding requirements. The Company monitors capital on the basis of the gearing ratio which is net debt divided by total capital. Net debts are non-current and current debts as reduced by cash and cash equivalents.

The Company also monitors capital using gearing ratio which is net debt divided by total capital. The gearing ratio is as follows:

Gearing Ratio

(₹ in lakhs)

Particulars	As at March 31, 2022	As at March 31, 2021
Debt		
Borrowing	121,030.02	124,762.59
Cash and Cash Equivalent	4051.73	2,029.88
Net Debt(net of cash and cash equivalent)	116,978.29	122,732.71
Capital		
Equity Share Capital	10,475.46	10,475.46
Other Equity	73,168.80	71,534.02
Total Capital	83,644.26	82,009.48
Capital and net debt	200,622.55	204,742.19
Gearing Ratio	0.58	0.60

4.3 Contingent Liabilities and Commitments (to the extent not provided for)

a) Contingent Liabilities

(₹ in lakhs)

S.No	Particulars	March 31, 2022	March 31, 2021
a	Claims against the company / disputed liabilities not acknowledged as debts (to the extent ascertained)	5.00	5.00
b	Outstanding bank guarantees	1,138.74	6,428.23
c	Tax matters disputed under appeal	1,038.80	1,038.80
		2,182.54	7,472.03

4.3.1 The Company's pending litigations comprises of claim against the Company and proceedings pending with tax/ statutory/ Government Authorities. The Company has reviewed all its pending litigation and proceedings and has made adequate provisions, and disclosed the contingent liabilities, wherever applicable, in its financial statements.

4.3.2 As per judgments of the Hon'ble Supreme Court, the Resolution Plan approved under IBC is binding on all creditors including Central Government, State Government, any Local Authority under section 31(1) of IBC, 2016 and any amount not claimed by the operational creditors stand extinguished. These claims are subject to reconciliation and rights and remedies available with the Group and are not acknowledged as debt.

4.3.3 As per resolution plan approved under IBC, 2016,

Notes to the Consolidated Financial Statements for the year ended March 31, 2022

- i) Any amount arising out of invocation of existing Corporate Guarantees/Contingent Liabilities other than the current sub-judice matters will be paid after the payment of all the dues of Financial Creditors as per Resolution Plan, without any interest & penalties subject to the rights & remedies available to the corporate debtor.

b) Commitments: Rs.Nil (March 31, 2021 - Rs.Nil)

44 Disclosures as required by Indian Accounting Standard (Ind AS) 37 "Provisions, Contingent Liabilities and Contingent Assets"

A contingent asset is a possible asset that arises from past events and whose existence will be confirmed only by the occurrence or non occurrence of one or more uncertain future events not wholly within the control of the entity. During the normal course of business, unresolved claims remains outstanding. The inflow of economic benefits, in respect of such claims cannot be measured due to uncertainties that surround the related events and circumstances.

45 Earnings per share

Basic and diluted earnings/(loss) per share is calculated by dividing the profit/(loss) attributable to equity holders of the Company by the weighted average of equity shares outstanding during the year.

Before Exceptional Items

(Rs. In Lakhs except otherwise stated)

Particulars	March 31, 2022	March 31, 2021
Profit/(loss) attributable to equity shareholders	13.39	5,392.28
Weighted average number of equity shares (in nos.)	104,754,624	104,754,624
Basic & diluted earnings per equity share (In Rs)	0.01	5.16

After Exceptional Items

(Rs. In Lakhs except otherwise stated)

Particulars	March 31, 2022	March 31, 2021
Profit/(loss) attributable to equity shareholders	13.39	6,337.69
Weighted average number of equity shares (in nos.)	104,754,624	104,754,624
Basic & diluted earnings per equity share (In Rs.)	0.01	6.05

*There is no dilution to the basic EPS as there are no outstanding potentially dilutive equity shares.

46 Disclosure in accordance with Ind AS 115 'Construction contracts' – Amount due from/to customers on Construction Contracts

a) Disaggregation of revenue according to type of good or service for the year ended March 31, 2022

(Rs. In Lakhs)

Type of good or service	Revenue as per Ind AS 115
Civil construction	7,411.47
Total	7,411.47

Notes to the Consolidated Financial Statements for the year ended March 31, 2022

b) Contract balances:

(Rs. In Lakhs except otherwise stated)

i) Movement in contract balances during the year:		
Particulars	Year ended March 31, 2022	Year ended March 31, 2021
Opening balance -Contract Liabilities	319.71	909.88
Closing balance -Contract Liabilities	-	319.71
Net increase/(decrease)	(319.71)	(590.17)

ii) Revenue recognised during the year from opening balance of contract liabilities amounting to Rs.3,828.02 Lakhs (March 31, 2021 Rs.1,604.57 lakhs).

c) Reconciliation of Contracted Price with Revenue during the year:

(₹ in lakhs)

Particulars	Year ended March 31, 2022	Year ended March 31, 2021
Opening Contracted Price of Orders at the start of the year*	76,174.32	86,378.30
<i>Add:</i>		
Fresh Orders/Change Orders received (net)	4,406.54	6,033.78
Increase due to additional consideration recognised as per contractual terms	-	-
Less: Orders completed during the year	15,004.40	16,237.76
Closed Contracted price of orders on hand at the end of the year*	65,576.46	76,174.32
Total Revenue recognised during the year	7,411.47	14,633.29
a.Revenue out of orders completed during the year	4,964.05	9,983.60
b.Revenue out of orders under execution at the end of the year(i)	2,416.18	4,649.69
Revenue recognised upto previous year (from order pending completion at the end of the year)(ii)	58,921.92	64,921.79
Balance Revenue to be recognised in future viz. Order Book (iii)	4,238.35	6,602.84
Balance Revenue to be recognised in future viz. Order Book (iii)	65,576.45	76,174.32
Closing Contracted price of Orders on hand at the end of the year- Continuing Operations	4,238.35	6,602.84

*including full value of partially executed contracts

d) Remaining performance obligations: The aggregate amount of transaction price allocated to remaining performance obligations and expected conversion of the same into revenue is as follows:

(₹ in lakhs)

	Year	Transaction price allocated to the remaining performance obligation
Expected conversion in revenue	Upto 1 year	4,238.35
	From 1 to 2 years	-
	From 2 to 3 years	-
	From 3 to 4 years	-
	From 4 to 5 years	-
	Beyond 5 years	-
	Total	4,238.35

Notes to the Consolidated Financial Statements for the year ended March 31, 2022

47 Tax Expenses

(a) The major components of income tax expense for the year are as under:

(₹ in lakhs)

Particulars	Year ended March 31, 2022	Year ended March 31, 2021
Income Tax recognised in the Statement of Profit and Loss		
Current Tax	-	-
Deferred Tax	(5,512.64)	3,007.34
Income tax for Earlier year	-	(11,809.21)

Notes to the Consolidated Financial Statements for the year ended March 31, 2022

54 Disclosure pursuant to Regulation 34(3) read with Schedule VA(2) of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) regulations, 2015: There is no loan/ advance/ investment outstanding during the year in Subsidiaries, Associates and Firms/ Companies in which Directors are interested.

55 Disclosure in relation to Undisclosed Income

During the year, the Company has not surrendered or disclosed any income in the tax assessment under the Income Tax Act, 1961 (such as Search or Survey or any other relevant provision of the Income tax Act, 1961). Accordingly, there are no transactions which are not recorded in the books of Accounts.

56 In accordance with the provisions of "Indian Accounting Standard (Ind AS) -36 - Impairment of Assets", the Company has made an assessment of the recoverable amount of assets based on higher of the value in use considering its projected scale of operations, prevailing market conditions, future cash flows and future growth projections and estimated net selling price of the assets pertaining to its various Cash Generating Units and found recoverable amount of these assets to be higher as compared to carrying value of assets in its Financial Statements. Accordingly, management considers that there is no need for the provision on account of impairment of assets.

57 Additional Regulatory Information

Particulars	Numerator	Denominator	March 31, 2022	March 31, 2021
Current Ratio*	Current Assets	Current Liabilities	0.51	0.46

*The key ratios are not comparable as the operation of the Company is not normal due to non implementation of the Resolution Plan by the working capital bank post CIRP under IBC, 2016.

58 The Group has claims in respect of cost over-run arising due to client responsibility delays, client's suspension of projects, deviation in design, change in scope of work etc., which are at various stages of negotiation/ discussion with the clients/ arbitration/ litigation. The realisability of these claims are estimated by the Company based on contractual terms, historical experience with similar claims as well as legal opinion obtained from internal and external experts, wherever necessary. Revenue in respect of claim is recognised to the extent the Group is reasonably certain of their realisation. Realisation of above claims may be lower than the claims recognized if the Company decides to settle the same out of court in future considering the substantial time involved in litigation. Impact thereof will be considered in the year of such settlement.

59 The outbreak of COVID-19 had impacted the operations of the Group. The operations of the Group were affected by way of interruption in construction activities, supply chain disruption, unavailability of personnel, closure/lockdown of various other activities, etc. The construction activities have been undertaken after implementation of the standard protocols in line with the directives of the concerned authorities. The impact of the COVID-19 including government policies will have to be assessed from time to time. The Group has considered various external and internal information upto the date of approval of these financial results for assessing, inter-alia, the recoverability of investments, trade receivables, project work in progress,

Notes to the Consolidated Financial Statements for the year ended March 31, 2022

inventories and other assets. The Group expects to recover the carrying amount of these assets based on the current indication of future economic conditions. The Tolling Operation of one SPV of the Group suffered due to Farmer's Agitation. The Group has exercised protections available to it as per the various contractual provisions to reduce the impact of COVID-19/Farmer's Agitation. The revenue in respect of claims pertaining to COVID-19/Farmer's Agitation will be recognised when the Group will be reasonably certain of their realisation.

- 60** The Company has a regular programme of physical verification for its inventory and fixed assets. Further, during the year physical verification of significant part of inventory and fixed assets has been carried out by the management and no material discrepancy were found.
- 61** Previous year's figures were regrouped, rearranged and reclassified, wherever considered necessary.
- 62** These financial statements have been approved by Board of Directors of the Company in their meeting dated May 28, 2022 for issue to the shareholders for their adoption.
