Dear Sir/Madam,

**Subject: Disclosure of material information.**

**Ref.: Regulation 30 of SEBI (LODR) Regulations, 2015.**

With reference to the subject mentioned above, we hereby inform you that we have experienced an unexpected clinker production stoppage at the company plant located at Cement Nagar, Nandyal on 18<sup>th</sup> November, 2023 due to bucket elevator chain damage and belt cut in clinker processing level.

Despite the clinker production interruption, we would like to emphasize that our cement production and sales activities are unaffected as we have contingency plans to ensure seamless continuation of these operations during this period.

We assure you that we are actively working to promptly resolve the issue and resume clinker production soon.

This is for your information and records.

Yours Sincerely
