Notes:

1. The above un-audited financial results were reviewed by the Audit Committee and approved by the Board of Directors at their respective meetings held on 09.08.2019.
2. Figures for the previous periods have been reclassified to conform to the presentation adopted in this statement. The figures for the three months ended 31st March, 2019 are the balancing figures between the audited figures in respect of the full financial year and the published year-to-date figures up to the third quarter of the said financial year.
3. Corporation is primarily engaged in the business of term lending. All activities of the Corporation revolve around main business. Hence there are no reportable segments as per AS-17 "Segment Reporting".
4. Corporation has changed the Accounting Policy in respect of recovery from Non Performing Accounts with effect from 1-4-2018 whereby receipts are first accounted for principal and capitalized expenses and thereafter in the order of interest, penalty and other charges. As a result of adoption of the said accounting policy, interest income decreased and NPA provision no longer required written back increased correspondingly.
5. Due to decrease in Loan Assets, NPA provision no longer required of Rs.305.90 lakh written back during the quarter under reference and shown as exceptional item.
6. Statutory Auditors in the Limited Review Report on the said results made qualified opinion which along with Management's views is given below:-

Sr. No.	Audit qualification	Management's view
1	The financial results of the Corporation are prepared on a going concern basis notwithstanding the fact that its net worth is completely eroded and defaulted in repayment obligations due to liquidity problems. This is not in accordance with Accounting Standard (AS)-1 "Disclosure of Accounting Polices". The effect of the same on the financial results is not ascertainable.	Gujarat State Financial Corporation is established under State Financial Corporations Act, 1951 by Parliament as a special Act pursuant to Entry No. 43 of the Union List. Corporation is, thus, a body corporate and statutory Corporation. The main objective of establishment of the Corporation is aimed at achieving balance regional growth by extending financial assistance to first generation entrepreneurs to establish micro and small scale units in the State and to generate employment. The remedial measures available to companies are not available to the Corporation. Corporation has so far suffered immense loss but it is continuing its recovery function. Corporation, being a statutory body, thus, prepares accounts on "going concern" assumptions and it is appropriate under the aforesaid circumstances.
2	Dues payable to Government of Gujarat is subject to confirmation and adjustment, if any, required upon such confirmation. Pending such confirmation, the effect thereof on interest and penal interest is not ascertainable.	Government loans are granted as a result of provision in the Budgets of Government of Gujarat and subsequent issuance of Government Resolutions. The Government has been moved to make the loan advanced to the Corporation interest free from 1-7-2012 which is still under consideration. However, pending decision, interest and penal interest is charged to Statement of Profit & Loss. The outstanding details are submitted to administrative department on quarterly basis. The loan accounts are reconciled with other authorities also from time to time. In view of this, separate confirmation is not obtained.

3	<p>Interest income on loans and advances on account of recovery from the parties are made on actual receipt basis since beginning of previous financial year from 1st April, 2018, as a result of change in accounting policy adopted by the Corporation. However, in respect of receipts prior to 1-4-2018, the then prevailing policy is kept intact. Therefore, the actual effect on written back NPA, bad debt provision and any other items of financial results could not be ascertained.</p>	<p>Till 31st March, 2018, the practice followed was that installments received under OTS Scheme is apportioned in the order of penalty, interest and other charges and lastly in principal. After receiving settlement amount in full, interest and penalty already received is credited to principal and the amount of shortfall in principal and other capitalized expenses is written off. Therefore, interest income reported in P&L A/c and write off may not be of that particular year. This policy has been changed from 1st April, 2018 and now receipts are first accounted for principal and capitalized expenses and thereafter, amount, if any, left out in the order of interest, penalty and other charges. As a result of adoption of the said accounting policy, interest income decreases and NPA provision wrote back increases correspondingly in settlement of NPA accounts. The position will be set right once old cases are settled and completely switching over to the accounting policy adopted from 1st April, 2018.</p>

Independent Auditor's Limited Review Report

To,
The Board of Directors,
Gujarat State Financial Corporation

Introduction

We have reviewed the accompanying statement of un-audited financial results of Gujarat State Financial Corporation ('the Corporation') for the first quarter and three months period ended 30th June, 2019 (the Statement). This statement is the responsibility of Corporation's Management and has been approved by the Board of Directors. Our responsibility is to issue a report on the Statements based on our review.

Scope of Review

We conducted our review of the Statement in accordance with the Standard on Review Engagement (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This Standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provide less assurance than an audit. We have not performed an audit and, accordingly, we do not express an audit opinion.

Basis for qualified conclusion

1. The financial results of the corporation are prepared on a going concern basis, notwithstanding the fact that its net worth is completely eroded and defaulted in repayment obligations due to liquidity problems. This is not in accordance with Accounting Standard (AS) - 1 "Disclosure of Accounting Policies". The effect of the same on the financial results is not ascertainable.
2. Dues payable to Government of Gujarat is subject to confirmation and adjustment, if any. Pending such confirmation, the effect thereof on interest and penal interest is not ascertainable.
3. Interest income on loans and advances on account of recovery from the parties are made on actual receipt basis since beginning of previous financial year from 1st April, 2018, as a result of change in accounting policy adopted by the Corporation. However, in respect of receipts prior to 1-4-2018, the then prevailing policy is kept intact. Therefore, the actual effect on write back of NPA, bad debt provision and any other items of financial results could not be ascertained.

Qualified Conclusion

Based on our review conducted as above, with the exception of the matter described in the preceding paragraph, nothing has come to our attention that causes us to believe that the accompanying statement prepared in accordance with applicable Accounting Standards and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 of SEBI (Listing Obligations and Disclosures Requirement) Regulations, 2015 including the manner in which it is to be disclosed or that it contains any material misstatement.
