Prasad also announced that Krishi Mahotsav will be organised by the state government for the farmers on June 16 and 17. The annual event this year will focus on water conservation, modernisation of agricultural practices, Pradhan Mantri Fasal Bima Yojana (PMFBY) and Pradhan Mantri Kisan Samman Nidhi Yojana (PM-Kisan), a central government scheme under which farmers are paid Rs 6,000 state assistance. Launched in 2005, the Krishi Mahotsav used to be a month-

ment are battling with scarcity of water and fodder. Under PMFBY, Rs 2,050 crore had been disbursed towards crop insurance claims of over 10.51 lakh farmers in Gujarat at the end of the year 2018-19. Farmers in the state have got crop insurance for groundnut, one of the most important cash crops in Gujarat, he said. Incidentally, The Indian Express had on Thursday reported that a total of 17.5 lakh farmers of the state were covered under the PMFBY, covering an area of 26.08 lakh hectares of the state during 2018-

that the state government was acting in favour of private insurance companies and not farmers. "Prasad says that farmers in drought-affected areas of Gujarat have been paid assistance worth Rs 1,586 crore. But this assistance in itself is proof that farmers' crops have failed. When the farmers have been paid state assistance due to crop failure, why they are not being paid crop insurance which is also paid on the basis of crop-cutting experiments?" said Pal Ambaliya, convenor of farmers' cell of Gujarat Pradesh

companies," Ambaliya alleged. He also said cotton and castor-seed growers must not be misled in the name of those two crops being long-duration ones. "It is true that cotton and castor-seed are long-duration crops. However, deadline for every task under the PMFBY is fixed. Accordingly, reports of crop cutting experiments of cotton have to be submitted latest by March 31 and then insurance claims have to be settled forthwith. It is imperative that an end is put to cheating of unsuspecting farmers in the name of long duration crops," said Ambaliya.

Solanki had allegedly regularised illegal structures of the three-storeyed complex under

March 2011, (March 28, 2011), after due inspection. Firstly, it has emerged that the said illegal structure did not exist as of

## As Chinese industrial park takes shape near Sachana, visiting officials plan tour

EXPRESS NEWS SERVICE  
AHMEDABAD, JUNE 7

Chinese have made Gujarat their second home: CM

A 44-MEMBER delegation from China will be touring Sachana in Ahmedabad district where a Chinese industrial park is being built over 200 hectares, state government sources said on Friday. "The China Association of Small and Medium Enterprises (CASME) has acquired 200 hectares and is building the park," said Rajkumar Beniwal, Managing Director of Industrial Extension Bureau (iNDEXTb) on the sidelines of "2019 China (Guangdong)-India (Gujarat) Economic and Trade Cooperation Conference" being held in Ahmedabad.

iNDEXTb is a Gujarat government arm that helps attract investments to the state. "The state government is playing only a role of a facilitator in this project. Tomorrow, the Chinese delegation will be visit-

ing areas where the proposed park is coming up," Beniwal said, adding that non-polluting industries will be set in the new industrial park.

The visiting Chinese delegation, which consists of representatives from companies like OPPO Mobiles Pvt Ltd, Vivo Mobile Pvt Ltd, ZTE India, Keda Clean Energy Ltd, will also be visiting GIFT City in Gandhinagar.

Earlier, welcoming the Chinese delegation at the conference, Chief Minister Vijay Rupani said, "Chinese firms like China Steel Corporation, TBEA, Chromeni Steels Pvt Ltd and several other companies have made Gujarat their second home."

At present, there are about 30 big Chinese companies that have a presence in Gujarat. These companies belong to the steel, automobile, chemicals, and other sectors.

Hu Jianguo Deputy Managing Director of Midea Group (India Region), a Chinese electrical appliance manufacturer, said, "It is important that we learn from the experience of other Chinese companies that are operating in Gujarat and India. As a country for business, India has a very strong legal framework. But I would advise my Chinese investor friends to have patience for operating in India. Things move slowly in India. It is important to identify right partners in India and respect the local culture... We need to develop and gain trust from this country. This will help to progress in future."

The conference was hosted by People's Government of Guangdong Province, China.

"Greater Bay Area is among the most promising economic area and a hot destination for investment. Many multinational firms have already invested in the region and we invite India to explore and exploit trade opportunities there," Chinese Communist Party leader, Li Xi said. PTI
