EXPLANATORY STATEMENT IN RESPECT OF THE SPECIAL BUSINESS PURSUANT TO SECTION 102 OF THE COMPANIES ACT, 2013

Item No. 1 :

The following explanatory statement sets out all the material facts relating to the business mentioned in the accompanying Notice:-

Introduction and transactions structure

The Board of Directors of the Company at its meeting held on 19th February, 2022 subject to approval of shareholders, had approved the proposal to divestment all the equity shares held by GPIL in Godawari Green Energy Limited (GGEL). As on date GPIL is holding 2,52,34,860 equity shares and additionally holding beneficial interest in 60 equity shares. GPIL proposes to acquire remaining 12080 equity shares from other existing shareholders of GGEL.

About Godawari Green Energy Limited

Godawari Green Energy Limited, a material subsidiary of the Company, was incorporated on 16th July, 2009 for setting up a 50 MW Solar Thermal Power Plant in Rajasthan under Jawaharlal Nehru National Solar Mission. Accordingly GGEL had set up a 50 MW Solar Thermal Power Plant in Nokh village of Jaisalmer, district of Rajasthan and the plant started its commercial operations in 2013.

Rationale of the Proposed Transaction

GPIL has been looking to divest its stake in GGEL and other non-core businesses to any prospective investor so that the proceedings may be utilized in its core business.

GGEL is having a single product business and does not have any value addition facilities. GGEL has been operating as a merchant power plant and its contribution to the consolidated turnover is very negligible. GPIL will mainly focus on its standalone operations in Chhattisgarh where it has captive iron ore mines and also operate pellet plants with a capacity of 2.1 million and an integrated steel plant with an annual capacity of 0.4 million tonnes. GPIL is looking to consolidate its operations in Chhattisgarh and grow it gradually in sustainable manner, maintaining a healthy Balance Sheet.

GPIL is in the process of setting up of 70 MW Solar Power Plant at a project cost envisaged at Rs.210 Crores for captive use in the District Rajnandgaon, Chhattisgarh, which is considered to be more lucrative and profitable in long run than operating the Independent Solar Power Plant in Rajasthan.

It has, therefore, been thought prudent by the management of GPIL, to dispose off of its entire stake in GGEL. Virescent Renewable Energy Trust has shown interest in acquiring the said asset and after conducting due diligence offered an enterprise value of Rs.665 crores.

Regulatory Requirement

Regulation 24(5) of SEBI (Listing Obligations and Disclosure Regulations) 2015 provides that a listed entity shall not dispose of shares in its material subsidiary which would reduce its shareholding (either on its own or together with other subsidiaries) to less than or equal to fifty percent without passing a special resolution in its general meeting, except in cases where such divestment is made under a scheme of arrangement duly approved by a Court/Tribunal or under a resolution plan duly approved under Section 31 of the Insolvency and Bankruptcy Code. Material subsidiary for the purpose of Regulation 24 of the Listing Regulations shall mean a subsidiary, whose income or net worth exceeds ten percent of the consolidated income or net worth respectively, of the listed entity and its subsidiaries in the immediately preceding accounting year. Considering the Net Worth of GGEL to the consolidated Net Worth of the Company and the fact that it is a material subsidiary of the Company, the proposed transaction will require Shareholders' approval by way of special resolution in terms of Regulation 24 of the said Regulations.

The Virescent Renewable Energy Trust is not a related party and therefore, the proposed transaction does not fall under related party transaction within the meaning Section 188 of Companies Act, 2013 read with Section 2(76) of the Companies Act, 2013 and Regulation 2(1) (zb) of SEBI (LODR) Regulations, 2015.

Recommendation of the Board

The Board is of the opinion that the proposed divestment is in the overall best interests of the Company and recommends the passing of the resolution as set out in the accompanying notice as a Special Resolution.

None of the directors or key managerial personnel of the Company and any relatives of such director or key managerial personnel are in any way concerned or interested in this resolution, financially or otherwise

The Board recommends the Special Resolution set out at Item No.1 of the notice for approval of the members.
