Engineers India Ltd in consortium with Oil India Ltd to bid for acquiring BPCL's stake in Numaligarh Refinery Limited

New Delhi, February 18, 2021: Engineers India Ltd (EIL), in consortium with Oil India Ltd (OIL) (OIL being the leader), has decided to bid for acquiring 61.65% stake of Bharat Petroleum Corporation Limited (BPCL) in Numaligarh Refinery Limited (NRL) with EIL taking the minority stakeholding. This would enable EIL to diversify its business into downstream oil & gas operations.

About EIL

EIL is one of India's leading Engineering Consultancy and EPC companies in the areas of Hydrocarbons and Petrochemicals. The Company has over five decades of project execution experience across entire Oil & Gas value chain encompassing Petroleum Refining, Petrochemicals, Pipelines, Oil & Gas Processing and Terminals & Storages. The Company has also diversified into the areas of Fertilizers, Mining & Metallurgy, Infrastructure and Water & Waste Management, Cold Chain Warehouses etc. EIL has successfully expanded its operations internationally, and has provided a wide range of engineering consultancy services on various international projects, including in the Middle East, Africa and South & Central Asia.
