NOTICE is hereby given that the 42nd Annual General Meeting of the Members of **ASHAPURA MINECHEM LIMITED** will be held on Friday, **29th September, 2023 at 3.30 pm** through Video Conferencing / other Audio Visual Means (VC/OAVM) to transact the following businesses:

ORDINARY BUSINESS:

1. To receive, consider and adopt the Audited Financial Statements of the Company (including Consolidated Financial Statements) for the Financial Year ended 31st March, 2023, together with the Reports of the Board of Directors and Auditors thereon.
2. To re-appoint a director in place of Mr. Chetan Shah (DIN-00018960) who retires by rotation and being eligible, offers himself for re-appointment.

SPECIAL BUSINESS:

3. To consider and if thought fit, to pass the following resolution **as an Ordinary Resolution:**

“RESOLVED THAT, pursuant to the provisions of Section 148 and other applicable provisions, if any, of the Companies Act, 2013, read with the Companies (Audit and Auditors) Rules, 2014, (including any statutory modification(s) or re-enactment thereof for the time being in force), consent of the shareholders of the Company be and is hereby accorded to ratify the remuneration of Rs.1,62,565/- (Rupees One Lakh Sixty-Two Thousand Five Hundred Sixty-Five only) per annum plus Goods and Service Tax (GST), to be paid to M/s. Priyank Vyas & Associates, Cost & Management Accountants, the Cost Auditor appointed by the Board of Directors on the recommendation of the Audit Committee, to conduct audit of the cost accounting records relating to the Company’s Products for the Financial Year 2023-2024.

RESOLVED FURTHER THAT the Board be and is hereby authorised to do all acts and take all such steps as may be necessary, proper or expedient to give effect to this resolution.

4. To Consider and if thought fit, to pass the following resolution **as a Special Resolution:**

Re-appointment of Shri Hemul Shah as an Executive Director & Chief Executive Officer of the Company:

“RESOLVED THAT in accordance with the provisions of Sections 196, 197, 198 and 203 read with Schedule V and other applicable provisions, if any, of the Companies Act, 2013 and the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014 (including any statutory modification(s) or re-enactment thereof, for the time being in force) and in terms of recommendations of the Nomination & Remuneration Committee and approval of the Board of Directors, the Company hereby accords its approval and consent for the re-appointment of Shri Hemul Shah as an Executive Director & Chief Executive Officer of the Company, for a further period of 2 years with effect from 16th February, 2024 till 15th February, 2026 on terms and conditions including remuneration as are set out in the Statement pursuant to Section 102 of the Companies Act, 2013 annexed to this Notice and which forms part of the Agreement between the Company & Shri Hemul Shah, with liberty to the Board of Directors (hereinafter referred to as “the Board” which term shall be deemed to include the duly authorized Committee of the Board including the Nomination & Remuneration Committee) to alter and vary the terms and conditions of the said re-appointment, including the remuneration, subject to ceiling as specified in Schedule V of the Companies Act, 2013.

RESOLVED FURTHER THAT the Board or any Committee thereof be and is hereby authorized to do all such acts, deeds and things as it may in its absolute discretion think necessary, expedient or desirable; to settle any question or doubt that may arise in relation thereto in order to give effect to the foregoing resolution and to seek such approval/consent from the concerned/appropriate authorities, as may be required in this regard.”

5. To Consider and if thought fit, to pass the following resolution **as an Ordinary Resolution:**

To approve existing as well as new material related party transactions with M/s Ashapura Holdings UAE FZE:

“RESOLVED THAT pursuant to provisions of Regulation 23 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (“SEBI Listing Regulations”), as amended from time to time, the applicable provisions of the Companies Act, 2013 (“Act”) read with Rules made thereunder, other applicable laws/statutory provisions, if any, (including any statutory modification(s) or amendment(s) or re-enactment(s) thereof, for the time being in force), the Company’s Policy on Related Party Transactions and subject to such approval(s), consent(s), permission(s) as may be necessary from time to time and on the basis of approval and recommendation of the Audit Committee and the Board of Directors of the Company, the approval of the Members of the Company be and is hereby accorded for entering into and/or carrying out and/or continuing with existing contracts/arrangements/transactions or material modification(s) of earlier arrangements/transactions or as fresh and independent transaction(s) or otherwise (whether individually or series of transaction(s) taken together or otherwise), with M/s Ashapura Holdings UAE FZE , Step Down Subsidiary, a related party of the Company, as per the details set out in the explanatory statement annexed to this notice, notwithstanding the fact that the aggregate value of all these transaction(s), whether undertaken directly by the Company, may exceed the prescribed thresholds as per provisions of the SEBI Listing Regulations as applicable from time to time, provided, however, that the said contract(s)/arrangement(s)/ transaction(s) shall be carried out at an arm’s length basis and in the ordinary course of business of the Company.

Ashapura Minechem Limited

RESOLVED FURTHER THAT the aforesaid approval shall be valid for 1 year i.e. from the date of this Annual General Meeting till the conclusion of the 43rd Annual General Meeting of the Company to be held in the year 2024 in terms of the SEBI Listing Regulations and the circulars issued by the SEBI in this regard.

RESOLVED FINALLY THAT the Board or any Committee thereof be and is hereby severally authorised to execute all such agreements, documents, instruments and writings as deemed necessary, with power to alter and vary the terms and conditions of such contracts/ arrangements/ transactions, settle all questions, difficulties or doubts that may arise in this regard."

9. The Notice has also been hosted on the website of the Company www.ashapura.com. The Notice can also be accessed from the websites of the Stock Exchanges i.e. BSE Limited and National Stock Exchange of India Limited at www.bseindia.com and www.nseindia.com.
10. In compliance with the said Circulars, the Company has also published a public notice by way of an advertisement made dated 5th September, 2023 in Free Press Journal and Navashakti both having a wide circulation in Mumbai, inter alia, advising the members whose e-mail ids and bank Account details are not registered with the Company, its Registrar and Share Transfer Agent (RTA) or Depository Participant(s) (DPs), as the case may be, to register their e-mail ids with them.

GENERAL INSTRUCTIONS AND PROCEDURE FOR JOINING THE AGM THROUGH VC / OAVM

11. The Company has entered into an agreement with Central Depository Services (India) Limited (CDSL) for conducting Annual General Meeting through electronic means, as the authorized e-voting's agency.
12. The Members can join the AGM in the VC/OAVM mode 15 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned hereafter. The facility of participation at the AGM through VC/OAVM will be made available to at least 1000 members on first come first served basis. This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the AGM without restriction on account of first come first served basis.

13. The attendance of the Members attending the AGM through VC/OAVM will be counted for the purpose of ascertaining the quorum under Section 103 of the Companies Act, 2013.

THE INSTRUCTIONS FOR SHAREHOLDERS FOR REMOTE E-VOTING ARE AS UNDER:

Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of SEBI (Listing Obligations & Disclosure Requirements) Regulations 2015 (as amended), and MCA Circulars dated April 08, 2020, April 13, 2020, May 05, 2020, January 13, 2021, December 08, 2021, December 14, 2021, May 05, 2022 and 28th December, 2022, the Company is providing facility of remote e-voting to its Members in respect of the business to be transacted at the AGM. For this purpose, the Company has entered into an agreement with Central Depository Services (India) Limited (CDSL) for facilitating voting through electronic means, as the authorized e-Voting agency. The facility of casting votes by a member using remote e-voting as well as the e-voting system on the date of the AGM will be provided by CDSL.

THE INTRUCTIONS OF SHAREHOLDERS FOR E-VOTING AND JOINING VIRTUAL MEETINGS ARE AS UNDER:

- (i) The voting period begins on 26th September, 2023 (Tuesday) at 9.00 a.m. and end on 28th September, 2023 (Thursday) at 5.00 p.m. During this period, shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date i.e. 22nd September, 2023 (Friday) may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.
- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- (iii) Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 09, 2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders. In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

- (iv) In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e-voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-voting facility

a) Performance of the company & Future Outlook:

At Standalone level, the Income from Operations and other income stood at Rs. 26,271 lakhs and that the total expenses stood at Rs. 26,853 Lakhs which resulted into loss of Rs. 701.12 Lakhs During the Financial Year, the Company's operating and development expenses exceeded its revenues which led to negative bottomline. However, the Company is actually working towards augmenting its revenues.

At Consolidated level, the Income from Operations and other income stood at Rs. 1,91,697 Lakhs as against Rs.1,37,344 Lakhs for the previous financial year ended 31st March, 2022 and that total expenses stood at Rs. 1,79,517 Lakhs which resulted into Net profit. As compared to the previous financial year, on a consolidated basis, the Company's total revenue in FY 2022-23 increased by 40 %, whereas the Profit After Tax for FY 2022-23 was Rs. 10,973 Lakhs versus a profit Rs. 8,653 Lakhs in the previous financial year. The net increase in profit after tax is approximately 27%. All business segments of the company have largely performed well resulting in higher revenues and profits for the company on a consolidated basis.

The outlook for FY 2023-24 is set to be positive on account of two more Bauxite mines becoming operational in Guinea from the second half of the financial year, which would enable the company to export higher volumes.

The Company shall continue its constant endeavour to move up the value chain by introducing a new line of animal feed products which are value-added from quality Bentonite. Furthermore, the Company's Kaolin products are consolidating its position in the overseas market making up for the supply that has been lost because of the turmoil in Ukraine.

SECRETARIAL AUDIT REPORT

FOR THE FINANCIAL YEAR ENDED 31ST MARCH, 2023

[Pursuant to Section 204(1) of the Companies Act, 2013 and Rule No.: 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,
The Members,
Ashapura Minechem Limited

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by the Ashapura Minechem Limited (hereinafter called "the Company"). The Secretarial Audit was conducted in a manner that provides me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of the Company's statutory registers, minute books, forms and returns filed with the Registrar of Companies ('the ROC'), soft copy of the various records sent over mail as provided by the Company and other relevant records maintained by the Company and also the information provided by the Company, its Officers and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the Company has, during the audit period covering the financial year ended on 31st March, 2023 ("audit period"), prima facie complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the statutory registers, minute books, forms and returns filed with the ROC and other relevant records maintained by the Company for the financial year ended on 31st March, 2023 according to the provisions of:

- (i) The Companies Act, 2013 ('the Act') and the rules made there under;
- (ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made there under;
- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed there under;
- (iv) Foreign Exchange Management Act, 1999 and the rules and regulations made there under to the extent of Foreign Direct Investment, Overseas Direct Investment - applicable only to the extent of Foreign Direct Investments and Overseas Direct Investment;
- (v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):-
 - (a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - (b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
 - (c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018;

Though the following laws are prescribed in the format of Secretarial Audit Report by the Government, the same were not applicable to the Company for the financial year ended 31st March, 2023:-

- (a) The Securities and Exchange Board of India (Share Based Employee Benefits and Sweat Equity) Regulations, 2021;
 - (b) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2021;
 - (c) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 2018;
 - (d) The Securities and Exchange Board of India (Issue and Listing of Non-Convertible Securities) Regulations, 2021;
 - (e) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;
- (vi) I further report that, based on the Compliance Report of various Laws submitted by Department Heads of the Company, I am of the opinion that the Company has prima facie proper system to comply with the applicable laws.
 - (vii) I have also examined compliance with the applicable clauses of the following and I am of the opinion that the Company has prima facie complied with the applicable provisions:
 - (a) Secretarial Standards 1 and 2 issued by the Institute of Company Secretaries of India.
 - (b) The Listing agreements entered into by the Company with the Stock Exchanges read with the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015.

During the audit period, I am of the opinion that the Company has prima facie complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. as mentioned.

I further report that:-

1. I have not examined the Financial Statements, Financial books and related financial Act like Income Tax, Sales Tax, Value Added Tax, Goods and Services Tax, ESIC, Provident Fund, Professional Tax, Foreign Currency Transactions, Related Party Transactions, including reconciliation of Bank Statements etc., For these matters, I rely on the report of statutory auditor's and their observations, if any, and notes on accounts in Financial Statement for the year ended 31st March, 2023.
2. The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were prima facie carried out in compliance with the provisions of the Act.
3. As per the information provided, the company has prima facie given adequate notice to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on agenda items before the Meeting and for meaningful participation at the Meeting.
4. I was informed and I observed from the minutes of the Board and Committee Meetings that all the decisions at the Meetings were prima facie carried out unanimously.
5. There are prima facie adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines subject to observations and qualifications, if any made by the Statutory Auditors in their report.
6. The management is responsible for compliances of all Statutory laws as Applicable. This also includes maintenance of statutory registers/files required by the concerned authorities and internal control of the concerned department.
7. During the audit period, the Company has allotted 40,40,000 Convertible Warrants on preferential basis on 14th February, 2023.
8. I further report that during the audit period, there were no instances of:
 - i. Public/ Rights / debentures / sweat equity etc.;
 - ii. Issue of equity shares under Employee Stock Option Scheme;
 - iii. Redemption / Buy- back of securities;
 - iv. Major decisions taken by the Members in pursuance to Section 180 of the Companies Act, 2013 which would have major bearing on the Company's affairs;
 - v. Merger / Amalgamation / Reconstruction etc.;
 - vi. Foreign Technical Collaborations.

I further report that:

1. Maintenance of Secretarial record is the responsibility of the Management of the Company. My responsibility is to express an opinion on these Secretarial Records based on my audit.
2. I have followed the audit practices and processes as were appropriate to obtain reasonable assurance about the correctness of the contents of the Secretarial records. The verification was done on test basis to ensure that correct facts are reflected in the Secretarial records. I believe that the processes and practices, I followed provide a reasonable basis for my opinion.
3. Where ever required, I have obtained the Management representation about the compliance of Laws, Rules and Regulations and happening of events etc.
4. I have not verified the correctness and appropriateness of financial records and Books of Accounts of Company.
5. The compliance of the provisions of Corporate and other applicable Laws, Rules, Regulations, Standards is the responsibility of the Management. My examination was limited to the verification of procedures on test basis.
6. The Secretarial Audit report is neither an assurance as to the future viability of the company nor the efficacy or effectiveness with which the Management has conducted the affairs of the company.
7. Due to the inherent limitations of an audit including internal, financial and operating controls, there is an unavoidable risk that some Misstatements or material non-compliances may not be detected, even though the audit is properly planned and performed in accordance with the Standards.

CONSERVATION OF ENERGY, TECHNOLOGY ABSORPTION AND FOREIGN EXCHANGE EARNINGS AND OUTGO

A. CONSERVATION OF ENERGY:

a. Energy Conservation measures taken:

1. Use of Solar energy in terms of light and power using Turbo Fans and Transparent sheets installation. Its use in hot section, obviate the need of power consumption and provide natural ventilation.
2. Installation of Regulators and Variable Frequency Drive (VFD) in equipment's such as Bead Mill, rotatory glass bead furnace and Roller Mill.
3. Introduction of different types of process equipment such as vibro and screw feeder replace manual feeding of material.
4. Installation of smart sensors and related automation for optimum use of power components such as bulbs, tube light and fans in many critical and non-critical areas.
5. Regular check-up of the working of electrical components and ensure the replacement of starter and switches by MCB saves cost and energy.
6. Reduced energy consumption by Optimized the AC usage, which in all over the IKC premises.
7. Introduce the appropriate equipment's such as hammer crusher and ultra-fine mill achieve required fineness for hard materials sizing - save time and energy.
8. Modified/installed the machinery/equipment of required capacities i.e. Granulator, Pulverizer, Ball Mill, Jaw Crusher, Filter Press and grinding mills.
9. Maintained Power Factor from 88 to 91, by introduction of capacitor and periodic maintenance of power sources such as transformer, generator, etc.
10. Inventories and maintenance of the Air Condition/Cooling units to follow the preventive maintenance procedures.
11. Assessment and Implementation of preventive maintenance plan and workout troubleshooting record reduces energy consumption and breakdown maintenance cost too.

b. Impact of above measures:

All above mentioned steps in power saving measures are imminent. It leave a big impact on overall power consumptions, in spite of high cost per unit of power from grid.

B. TECHNOLOGY ABSORPTION:

	2021-22	2022-23
<p>1. Efforts made towards technological absorption.</p>	<p>1) Specialty Mineral Products</p> <ul style="list-style-type: none"> a. Development of Clay Based Phosphorus removal degumming Aid from Edible oil as an alternate of Phosphoric Acid. b. Development of Clay based 3MCPD Removal adsorbent and performance validation from the Crude Palm Oil. c. Upgradation of Inferior grade Bentonite for Bleaching Clay through the additive and process modification. d. Improvement of Net Acidity, Surface Area, and Pore Volume of ACTAL product by using Inorganic and Clay additive. e. Improvement of Loose Bulk Density of BTX product by Mechanical process and Fractionation. f. Development of White and Bright Opacifier for Pharma, Cosmetic, Paint etc as an alternate of TiO₂. g. Development of Pharma Grade Purified Bentonite with Pb <2ppm, and As <1ppm content by Beneficiation and Purification. h. Development of Direct Compressive grade Calcium Carbonate for Pharmaceutical Industry to make a direct tablet. i. Study to improve the Foam Value of Soap nut Powder by natural means. j. Study to optimize the extraction process of Natural Herbal Extract to improve the Quality and Yield. k. Study to improve the stability of Juices like Aloe vera, Amal, Wheatgrass etc without chemical preservative. l. Study to extract the proteins from Soybean, Peas, and other protein rich source. m. Plant level manufacturing of ISP – 20/40 and 30/50 using lean grade bauxite material of 10000 psi proppant. n. Development of Light-weight proppant – 20/40 (7500 psi) by using available clay and Bauxite material o. Study of Binders/Additives – Organic/Inorganic lab level and conducted plant level trials to reduce the temperature and improve the strength. p. Development of tabular form of Mg-Al spinel aggregates and the performance in castable. q. Development of HFST aggregates (non-spherical form) using extrusion, briquetting and tablet method. r. Fused Calcium Aluminate flux development using low grade raw materials. 	<p>1) Specialty Mineral Products</p> <ul style="list-style-type: none"> a. Development of water-based Paints – Interior/Exterior with special features or properties. b. Development of replacement of TiO₂ for Paint and plastic application. c. Bleaching clay product with low Chloride content for edible oil purification. d. Development of Phosphorous removal adsorbent used for palm oil purification. e. High-purity Bentonite development for Pharma application. f. Identification, process optimisation and specification cease out of raw bentonite for high Net Acidity value. g. New Product development using minerals such as Bentonite, Pumice, Calcite for cosmetic and Herbal application. h. Development of Bleaching Clay provide low MCPD value and its performance validation. i. Development of Premier and Economy grade primer for construction application. k. Development of Artic X product as replacement of TiO₂. j. Mineral based viscosity modifier (acidic / alkaline pH) work in neutral, saline and alcoholic condition of water. <p>2) Industrial Functional & White Mineral.</p> <ul style="list-style-type: none"> a. Development of high strength cementitious grout i.e. more than 100 MPa strength. b. Multi-purpose single tile-adhesive with binding properties with Wood and concrete tile. c. Development of various color grout with sparkling features. d. High thickness and high strength putty development for new construction practices i.e. plaster cum putty. e. SOP development for casting rate using Ball Clay. f. Color based impurity i.e. Iron and Titania – an evaluation study of various sources of Quartz. g. Frac-sand (Silica) resource development from various mines for Oil/gas exploration. h. Color aggregates development for road marking applications. i. Development of high fineness kaolin i. e. 4 – 6, micron size using Jet milling process. j. Pilot scale study of high-density kaolin product using spray drier process. k. Scale up study of developed - Rainbow color Cat litter at commercial scale.

	<p>2) Industrial Functional & White Mineral.</p> <p>a. Beneficiation study of Kaolin for Iron reduction.</p> <p>b. Study of very fine Kaolin with micron size using decanter/ centrifuge technique.</p> <p>c. Development of Sealing Bentonite for grouting application with enhance impermeability and strength.</p> <p>d. Exploration, evaluation and Testing of Rajasthan Ball clay for Ceramic application.</p> <p>e. Construction grade silica sand – Testing of parameters/ properties of Silica sand.</p> <p>f. Optimization and Suitability study of Quartz for Ferrosilicon application.</p> <p>g. Leachability study of Titanium from Titania-Sand and Illuminite.</p> <p>h. Development of Non-shrink Grout for construction application.</p> <p>i. Development and performance evaluation of Geo-polymer concrete and also determine the usability bottlenecks for its scaleup and commercialization aspect.</p> <p>j. Development and evaluation of Epoxy resin tile grout for Building Material Application.</p> <p>k. Study on the evaluation and suitability of Bentonite for Nuclear waste disposal application.</p> <p>l. Beneficiation study of Bauxite for making sintered/ Fused products.</p> <p>m. Upgradation of Kutchh Kaolin from B-Grade to A-Grade by introduction of various processing-steps and properties enhancement i.e. whiteness and brightness.</p> <p>n. Plant level study and optimization of process of making Color Cat-litter.</p> <p>o. Glue development for compressed wood pallet.</p> <p>p. Characterization and evaluation of various types of Ball Clay, Bauxite, Silica, Iron Ore, etc. for mineral and mines exploration.</p> <p>3) Water Treatment and Catalysis development</p> <p>a. Development of phosphate adsorbent from spent acid – an Industrial by product.</p> <p>b. Performance evaluation study for Ammonia removal using in-house developed Zeolites-4A.</p> <p>c. Scale up the technology of Iron removal at Pilot Scale and establishment of 20 Kl / day work on gravity filtration setup in R&D-premises.</p> <p>d. Development of high performance and effective water impurities removal media using Iron and alumina rich minerals and spent acid such as Ferrihydrite, treated minerals, etc.</p>	<p>l. Developed of epoxy resin tile grout.</p> <p>m. Development of High Purity Alumina (HPA) - 3N.</p> <p>n. Development of r-GO with high surface area – 350 to 400 m²/gm.</p> <p>o. Improvement of optical properties of Kaolin using 3.5 Tesla magnetic and validate its commercial viability.</p> <p>3) Advanced Ceramic & Castable</p> <p>a. Development of various color pigments useful for ceramic application.</p> <p>b. Development of Glass beads for road safety.</p> <p>c. Lab level study of Barium Ferrite material for magnet application.</p> <p>d. Development of Ceramic Sand for Foundry applications such as Injection molding and Sand Casting.</p> <p>e. Study for development of Ultra High Strength Proppant (UHSP) at lab level.</p> <p>f. Study and manufacturing of High and Intermediate strength proppant study using lean grade bauxite at plant level.</p> <p>g. Study of High strength ceramic grain for Castable development.</p> <p>h. Finer grade Ceramic Sand development for Zirconia replacement in foundry application.</p> <p>i. Development of calcium silicate board using energy intensive method.</p> <p>j. Intermediate and High – Strength proppant development using low alumina raw bauxite.</p> <p>k. Study and explore the possibility of making proppant using low temperature treated raw bauxite.</p> <p>l. Use of low melting metal oxides in developing - White and Brown fused alumina.</p> <p>4) Technology Adsorption Centre</p> <p>a. Optimization of operational parameters of various grinding mills and define the output efficiency at standard operation condition.</p> <p>b. Scalable production of Activated Bauxite is established with SOP.</p> <p>c. Various types of water treatment products are manufactured at Technology Adsorption Center.</p> <p>d. Installation and commissioning of various equipment/ machinery such as glass bead rotatory tube furnace, ultra fine mill, high capacity pulverizer, Jet Mill Spray drier, etc.</p> <p>5) Accreditation & Recognition:</p> <p>a. Desktop audit completion with extension of NABL scope for additional water testing parameters – 38 Nos.</p> <p>b. Reports preparation and submission to DSIR for period of 2022-23.</p>

Development of value-added products such as low temperature ceramics, coagulant, pH-adjuster, aluminium sulphate, etc using spent acid – An industrial by-product.</p> <p>i. Adsorbent media development for Hardness removal and its performance evaluation study using column study.</p> <p>j. Environmental study laboratory establishment along with - NABL accreditation for water testing.</p> <p>4) Technology Absorption Center</p> <p>a. Scale up of the product development and process optimization in Technology Absorption Center (TAC) save cost, energy and time and make the company self-reliant in terms of scale up and SOPs finalization process.</p> <p>b. Grindability study of the various crushing units (with various minerals) is assessed per metric ton.</p> <p>c. Implemented maintenance plant for equipment/ machinery as per the schedule on scheduled periodic calendar.</p> <p>d. Installation of optimum capacity machinery i.e. Jaw Crusher and roller crusher unit to cater the trial order and SOPs optimization.</p> <p>e. Establishment of pilot setups for study helps to understand the bottle necks in ceasing out the plant level SOPs.</p> <p>5) Accreditation & Recognition:</p> <p>a. National Accreditation Board for Testing & Calibration (NABL) - renewal completed successfully & accreditation is valid for 2 years (till 26.04.2024). Additional 30 parameters were included for water analysis accreditation process.</p> <p>b. DSIR intermittent report submitted for yearly extension for year 2022-23 (Period – 2022-25)</p> <p>c. 5S – certification process implementation done followed standard work practices and maintained.</p> <p>d. Training completed for ISO/IEC 17025: 2017 and completed with NABL - certification process.</p> <p>e. Conceptually adapted cross functional audits among departments and self-audit methodology is adapted at plant and units. Also introduces standard - method of testing at QC laboratories.</p> <p>f. To create awareness on Safety and Waste management – Presentation and Field training given to the staff. Maintained all safety & Hazards norms for Fire, Electrical & Chemicals.</p>	<p>c. Filed Publication and Patent at National/International level.</p> <p>d. Initiated the various training for Mineral and Products parameters, Operational and QC excellence under Ashapura Learning Forum</p> <p>6) Other Activities:</p> <p>a. Extension of Refractory laboratory testing laboratory and add testing facilities for ceramic sand used for foundry application.</p> <p>b. Establishment of Paint Testing Laboratory with small scale R&D lab setup for paint synthesis.</p> <p>c. A separate, sections as Heating Zone and Crushing Zone are established.</p> <p>d. Extension of water treatment facilities from 12 k to 20 k liters per day capacity for in-house consumption.</p> <p>e. Developed green belt in open land within the premises.</p> <p>f. NABL scope expanded for water parameters.</p>

Ashapura Minechem Limited

	<p>6. Other Activities:</p> <ul style="list-style-type: none"> a. Extended the testing capabilities for Organic compound/Coal analysis by introduction of new Facilities such as HPLC, CHNS & Microwave Digestor. b. Introduction of new Instrument/equipment facilities to enhance the testing capacity in process laboratory. c. Separate Section for High temperature equipments i.e. Furnaces, Autoclave & Driers. d. Increases the Safety, Health & Environment friendly system at work place. e. Environmental monitoring laboratory establishment along with - NABL accreditation for water testing. f. Plantation work promoted to increase the green area development within premises. 	
<p>2. Benefits derived like product improvement, cost reduction, product development, import substitution etc.</p>	<ul style="list-style-type: none"> a. In-house development of pilot plant setups for Bleaching Clay and BTX grade catalysis to validate product performance at pilot scale and cease out the plant SOP. b. Cost reduction and Waste minimization done by utilization of lean-grade raw materials/rejects in making ceramic materials. c. Pilot scale trials and small- scale production of adsorbent and catalysis obviate the need of imported product. d. Generated Internal reference Material (IRMs) obviate the need of Certified reference Materials (CRMs) reduces the import requirement and saves the cost also. e. Refractory aggregates product development and manufacturing at plant through sintering/fusion method saves energy. f. Engineered Building product development and manufacturing at plant scale for construction industries. g. To cater the packaging need of all the material Pellet manufacturing plant indigenously and extend its supply to other companies. 	<ul style="list-style-type: none"> a. Various trials at R&D and Plant – provide break-through for value added product development in sintered and fused product range. b. Utilization of lean grade raw material not only reduces the inventory but also save cost and natural resources. c. SOP development with pilot trials at Technology Adsorption Center (TAC) save cost in terms of energy, time, and cost. d. Internal training and development program enhanced the technical competency of Quality and R&D staff. e. A range of new product development ceramic, refractory and building construction enhance the overall product portfolio and generated business. f. Niche products in road marking and making applications open up chance of new window for future. <p>Expansion of new analytical and processing facility support to characterize the new materials for successful implementation of research projects.</p>
<p>3. In case of imported technology (imported during the last 3 years reckoned from the beginning of the financial year), following information may be furnished:</p> <ul style="list-style-type: none"> a. Details of technology imported b. Year of import c. Whether the technology been fully absorbed d. If not fully absorbed, areas where absorption has not taken place, and the reasons, therefore. 	<p>Indigenously dealt with technical requirement in terms of Projects and Testing.</p> <p>No technology has been imported in the last 3 years.</p>	<p>No technology has been imported in the last 3 years.</p>

**C. EXPENDITURE ON RESEARCH & DEVELOPMENT:**

	2021-22 (Rs. In Lakhs)	2022-23 (Rs. In Lakhs)

ANNUAL REPORT ON CORPORATE SOCIAL RESPONSIBILITY (CSR) ACTIVITIES (AS PER SECTION 135 OF THE COMPANIES ACT, 2013)

The Corporate Social Responsibility "CSR" Committee of the Company was constituted on 14th October, 2014 in terms of provisions of Section 135 of the Companies Act, 2013 (the Act) read with the Companies (Corporate Social Responsibility), Rules 2014 (the Rules).

1. Brief outline on CSR Policy of the Company:

The Company has framed a CSR Policy in compliance with the provisions of the Companies Act, 2013 and the Companies (Corporate Social Responsibility Policy) Rules, 2014.

Pursuant to Section 135 of the Act and the Rules framed thereunder it was a mandatory commitment for a corporate to contribute and operate in an economically, socially and environmentally sustainable manner and also establish a Corporate Social Responsibility Policy ('CSR Policy') with an 'Aim and Objective' and guiding principles for selection, implementation, and monitoring of the activities and a Committee to track the transactions relating to CSR initiatives. Hence, it is a continuing commitment for a Company to perform ethically and contribute to economic development of the society. CSR, therefore, is not a mere philanthropic activity but also comprises of activities that require a Company to integrate social, environmental and ethical concerns into the Company's vision and mission through such activities.

2. Composition of CSR Committee:

Sr. No.	Name of Director	Designation / Nature of Directorship	Number of meetings of CSR Committee held during the year	Number of meetings of CSR Committee attended during the year
1	Shri Harish Motiwalla (Chairman)	Non-Executive, Independent	1	1
2	Shri Chetan Shah	Executive Chairman	1	1
3	Shri Pundarik Sanyal	Non-Executive, Independent	1	1

3. The web-link where Composition of CSR committee, CSR Policy and CSR projects approved by the board are disclosed on the website of the company.

The Link to the website is <https://www.ashapura.com>

4. The details of Impact assessment of CSR projects carried out in pursuance of sub-rule (3) of rule 8 of the Companies (Corporate Social Responsibility Policy) Rules, 2014.

Not applicable to the Company as the obligation on the contribution to CSR activities is less than Rs. 10 crores.

5. Details of the amount available for set off in pursuance of sub-rule (3) of rule 7 of the Companies (Corporate Social Responsibility Policy) Rules, 2014 and amount required for set off for the financial year :-

NA	NA		NA		

b. Details of CSR amount spent against ongoing projects for the financial year: NA

c. Details of CSR amount spent against other than ongoing projects for the financial year:

The company does not satisfy any of the conditions laid down under Section 135(1) of the Companies Act, 2013 during F.Y.2021-22 (being the immediately preceding F.Y), consequently, it was not mandatory for the Company to spend on CSR for F.Y.2022-23. However, at the group level the company has undertaken various CSR initiatives.

- d. Amount spent in Administrative Overheads: N.A.
- e. Amount spent on Impact Assessment, if applicable: N.A.
- f. Total amount spent for the Financial Year: N.A
- g. Excess amount for set off, if any:

Sr. No.	Particulars	Amount (Rs. in Lakhs)
(i)	Two percent of average net profit of the company as per section 135(5)	NA
(ii)	Total amount spent for the Financial Year	NA
(iii)	Excess amount spent for the financial year [(ii)-(i)]	NA
(iv)	Surplus arising out of the CSR projects or programmes or activities of the previous financial years, if any	NA
(v)	Amount available for set off over three succeeding financial years [(iii)-(iv)]	12.12

- 9.
- a. Details of Unspent CSR amount for the preceding three financial years: NA

The Board at its meeting held on 02nd January, 2023, had approved the Notice of Postal Ballot / E-Voting for passing of special resolution to obtain approval of shareholders for Issue of Convertible Warrants on preferential basis and enhance the limits for extending loans, making investments and providing guarantees or security under Section 186 of the Companies Act, 2013.

Person Conducting the Postal Ballot Exercise:

Shri Chetan Shah, Executive Chairman, Shri Sachin Polke, Company Secretary & Compliance Officer were appointed as persons responsible for the entire postal ballot / e-voting process. Shri Virendra Bhatt (ACS No. 1157, COP No. 124), Practicing Company Secretary was appointed as the Scrutinizer for conducting the postal ballot / e-voting process in a fair and transparent manner.

Procedure followed:

1. In compliance with the Regulation 44 of the SEBI (Listing Obligation and Disclosure Requirements) Regulations, 2015 and Section 108, 110 and other applicable provisions of the Companies Act, 2013, read with the rules made thereunder, the Company provided electronic voting facility to all its members, to enable them to cast their votes through electronic means only (remote e- voting). The Company engaged the services of Central Depository Services (India) Limited (CDSL) for the purpose of providing e-voting facility.
2. The Company emailed the postal ballot notice dated 03rd January, 2023 containing draft resolutions together with the explanatory statements to the members whose names appeared in the register of members / list of beneficiaries as on cut-off date i.e. Saturday, 31st December, 2022. The Company also published a notice in the newspaper declaring the details of completion of dispatch on 04th January, 2023 as mandated under the Act and applicable rules.
3. The Company emailed Corrigendum to the postal ballot notice on 12th January, 2023 and also published the corrigendum to the postal ballot notice in the newspaper on 13th January, 2023 as mandated under the Act and applicable rules.
4. Ministry of Corporate Affairs ("MCA") vide it's General Circular Nos. 14/2020 dated 8th April, 2020, 17/2020 dated 13th April, 2020, 39/2020 dated 31st December, 2020, 10/2020 dated 23rd June, 2021, 20/2021 dated 8th December, 2021, 3/ 2022 dated 5th May, 2022 and 11/2022 dated 28th December, 2022 provided relaxation with the requirement of providing physical copies of the Notice, postal ballot forms and pre-paid Business Reply Envelopes to Members on account of the threats posed by the COVID-19 pandemic. Therefore, members were requested to provide their assent or dissent through e-voting only.
5. The Scrutinizer submitted his report on 01st February, 2023, after the completion of scrutiny.

6. The results of the postal ballot were announced by the Company Secretary, being duly authorised by the Chairman of the Company on 02nd February, 2023. The last date specified for closure of e-voting i.e. 01st February, 2023, was taken as the date of passing the resolution.

The result of the postal ballot along with the scrutinizer's report was displayed at the registered office of the Company, hosted at the Company's website at www.ashapura.com and on the website of CDSL and was also communicated to the Stock Exchanges.

Apart from the above announcement of the results, the postal Ballot resolution was passed after the end of the financial year 22-23, the details there of given in Directors Report. Further there is no other proposal for passing any special Resolution through postal Bullet before ensuing Annual General Meeting.

SECRETARIAL AUDIT REPORT
FOR THE FINANCIAL YEAR ENDED MARCH 31, 2023

[Pursuant to section 204(1) of the Companies Act, 2013 and Rule No. 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,
The Members,
Bombay Minerals Limited
CIN : U14100GJ1953PLC000699
Dwarka Highway Opp. Ashok Petrol Pump,
Khambhalia, Jamnagar - 361001

I have conducted the Secretarial Audit of compliance of applicable Statutory Provisions and the adherence to good corporate practices by **Bombay Minerals Limited** (hereinafter called "the Company"). Secretarial Audit was conducted in a manner that provides me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on verification of the Company's books, papers, minutes, statutory registers, records, forms and returns filed with the Registrar of Companies ('the ROC') and other records maintained by the Company (on physical and online basis) and also the information provided by the Company, its Officers, Agents and Authorized Representatives during the conduct of Secretarial Audit, the explanations and clarifications given and the representations made by the Management I hereby report that in my opinion, the Company during the audit period covering the financial year 1st April, 2022 to 31st March, 2023, ("audit period") has prima facie complied with the statutory provisions listed hereunder and also that the Company has proper Board processes and compliance mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minutes, statutory registers, records, forms and returns filed and other records maintained by the Company (on physical and online basis) for the financial year ended on 31st March, 2023 according to the applicable provisions of:

- (i) The Companies Act, 2013 (the Act) and the Rules made there under; as also Secretarial Standards 1 & 2 Issued by the Institute of Company Secretaries of India.

MANAGEMENT DISCUSSION AND ANALYSIS

OVERVIEW:

This report is an integral part of the Board's Report and covers management perspective on economic environment, industrial scenario, business performance, opportunities, threats, risks & concern, internal control etc. during the Financial Year 2022-2023. This should be read in conjunction with the Company's Financial Statements, the schedules and notes thereto and other information included elsewhere in the Annual Report.

ECONOMIC ENVIRONMENT:

Nearly all the major economies in the world have tried to bottle the stubborn inflation genie by maintaining high interest rates, growth rates have been relatively stable despite the rising rates.

It all started with the pandemic-induced contraction of the global output, followed by the Russian-Ukraine conflict leading to a worldwide surge in inflation. Then, the central banks across economies led by the Federal Reserve responded with synchronised policy rate hikes to curb inflation. The rate hike by the US Fed drove capital into the US markets causing the US Dollar to appreciate against most currencies. This led to the widening of the Current Account Deficits (CAD) and increased inflationary pressures in net importing economies.

The rate hike and persistent inflation also led to a lowering of the global growth for 2022 and forecasts for 2023 by the IMF. The frailties of the Chinese economy further contributed to weakening the growth forecasts. Slowing global growth apart from monetary tightening may also lead to a financial contagion emanating from the advanced economies where the debt of the non-financial sector has risen the most since the global financial crisis. With inflation persisting in the advanced economies and the central banks hinting at further rate hikes, downside risks to the global economic outlook appear elevated.

The IMF expects global growth to moderate from 3.2 percent in 2022 to 2.7 percent in 2023.

The Indian economy did reasonably well to grow at 7 per cent (as per the Economic Survey) in FY 2022-23, relatively muted against the previous year's growth of 8.7 percent which was largely attributable to a post Covid bump.

INDUSTRY SCENARIO:

The earlier-than-expected end of Covid restrictions in China led to a rapid rebound in consumption-driven economic expansion. Since more than 50% of major mining commodities are consumed in China, the returning demand had a positive impact on volumes. Globally the mining sector grew by 6.1% in 2022.

Miners have maintained robust investment discipline since the 2015-2016 commodity downturn, postponing investment projects when returns were uncertain. Supply and demand in major mining commodities remain balanced with no concerns about fundamental oversupply, leading to broadly unchanged short-term prices.

Copper and Aluminium prices are responsive to economic growth and sentiment and so they both held up during 2022.

Nickel & Lithium discoveries world over have been receiving their fair share of attention, how many of those actually translate into commercially viable & sustainable sources needs to be seen.

OPPORTUNITIES:

The increasing use of Aluminium in global decarbonizing efforts, right from Electric Vehicles, solar panels bode well for the Company's Bauxite operations.

Ukraine has been a large global exporter of white performance minerals, the continuing conflict in the region has seen India emerge as an alternate strategic supplier of quality Kaolin products.

THREATS:

The global interest rate cycle may continue to hamper demand across economies, this in turn may lead to a sluggish demand for the Company's value-added products. Furthermore, China the world's second largest economy continues to remain under a cloud, global mineral & commodity volumes & prices are very sensitive to Chinese demand.

The continuing conflict in Ukraine may lead to higher oil prices which could in turn have implications on inflation and on costs.

FINANCIAL PERFORMANCE:

The Financial Statements for the year ended 31st March, 2023, have been prepared in accordance with the Companies (Indian Accounting Standards) Rule, 2015 (Ind AS) prescribed under section 133 of the Companies Act, 2013 and other recognized accounting practices and policies to the extent applicable.

For the financial year ended 31st March, 2023, revenue at a standalone level stood at Rs. 26,271 lakhs with a pre-tax loss of Rs. 701 lakhs.

At the Consolidated level, the total revenue increased by 40% and stood at Rs. 1,91,617 lakhs as against Rs. 1,37,344 lakhs for the previous financial year ended 31st March, 2022 with a profit of Rs. 10,973 Lakhs before exceptional items and tax, an increase of 3.5% over the previous financial year.

OUTLOOK:

The outlook for FY 2023-24 is set to be positive on account of two more Bauxite mines becoming operational in Guinea from the second half of the financial year, which would enable the company to export higher volumes.

Ashapura Minechem Limited

The Company shall continue its constant endeavour to move up the value chain by introducing a new line of animal feed products which are value-added from quality Bentonite. Furthermore, the Company's Kaolin products are consolidating its position in the overseas market making up for the supply that has been lost because of the turmoil in Ukraine.

RISK & CONCERNS:

The mining industry remains fraught with several challenges such as commodity cycles, environmental risks, regulatory & compliance risks; the Company has a well-oiled risk management apparatus.

Any turbulence in large commodity hungry Asian economies such as India and China could significantly affect demand for the company's products.

INTERNAL CONTROL SYSTEM AND ITS ADEQUACY:

In keeping with the size and nature of its business and complexity of its operations, commensurate internal control procedures are implemented by the Company. The guidelines are set by the Audit Committee Members and Board of Directors who are responsible for the internal control system. They carry out periodic reviews of the internal audit plan, verify the adequacy of the control system, marks its audit observations, and monitors the sustainability of the remedial measures.

On the recommendation of the Audit Committee, the Company appointed M/s Atul HMV & Associates LLP as the Internal Auditors of the Company for the financial year 2022-2023. Observations made in internal audit reports on business processes, systems, procedures and internal controls and implementation status of recommended remedial measures by the Internal Auditors, are presented quarterly to the Audit Committee.

The Company's internal control system is designed to ensure management efficiency, measurability and verifiability, reliability of accounting and management information, compliance with all applicable laws and regulations, and the protection of the Company's assets. This is to timely identify and manage the Company's operational, compliance-related, economic and financial risks.

RESEARCH & DEVELOPMENT:

Company's Research and Development (R&D) capabilities are playing an important role towards furthering your company's vision and goals. Its Knowledge & Innovation Center at Bhuj, Gujarat, has come up with several marketable world-class value-added products. During the year, the R&D Centre has done extensive work on advanced refractory materials and on certain B2C value-added products.

The brief details of the R & D activities during the year are given under 'Annexure - C' forming part of the Directors' Report.

HUMAN RESOURCES DEVELOPMENT:

Human Resource is Company's greatest asset and your Company believe that in the roadmap for building the future, employee involvement is crucial to be continually creative and drive organizational excellence. The organizational excellence depends on the quality of people employed. Therefore, your Company focus on the culture of recognition, innovation in technology, engagement of right people for the right job and process improvements. Your company's ethics, principles and ideals have fostered a positive work culture among the employees across all its plants and offices.

The employees are treated with respect and dignity at all times and senior management is easily accessible for counseling and redressal of grievances. Your Company had a dedicated human asset of over 439 employees spread across locations in the organization as on 31st March, 2023.

Leading the way.....

Acid Water Management

Acid activated clays efficiently absorb pigments from oils, known as bleaching, enhancing oil appearance and stability. To produce high-quality bleaching earth and reduce costs, proper clay activation is crucial. The resulting spent acid water, containing hazardous salts, are neutralized or utilized.

The Company has tried to get some value out of the spent acid. So, before neutralization spent acid water was used for the preparation of products like Ammonium Aluminium Sulphate, Alum, Coagulant, White Gypsum, Adsorbent etc.

Fluoride Removal from Drinking Water

The CrystaCIL™ technology developed by the R&D Division of the Company with their scientific approach and in-house technology, implemented a solution for fluoride removal using natural processed mineral. To provide solution for Drinking water treatment - a technically designed easy to use portable Filter system (CrystaCIL™) is developed by the Company with the following advantages:

- 1) No use of electricity (works on gravity)
- 2) Easy to install and use.
- 3) One time expenses of filter (replaceable material)
- 4) Low operational cost.

Feedback from Villagers which we received was that:

- Taste of Water has improved.
- Body and joint pain relieved.
- The digestive system has improved.
- Increased the diet of children.

24. Overview of the entity's material responsible business conduct issues

Please indicate material responsible business conduct and sustainability issues pertaining to environmental and social matters that present a risk or an opportunity to your business, rationale for identifying the same, approach to adapt or mitigate the risk along-with its financial implications, as per the following format

S. No.	Material issue identified	Indicate whether risk or opportunity (R/O)	Rationale for identifying the risk/ opportunity	In case of risk, approach to adapt or mitigate	Financial implications of the risk or opportunity (Indicate positive or negative implications)
1.	GHG Emissions	Risk	Mining operations are energy-intensive and generate significant direct greenhouse gas (GHG) emissions, including carbon dioxide from fuel used during mining, ore processing, and smelting activities. The impact of climate change has increased in frequency and severity over the years and has become an emerging global risk.	In order to mitigate the risk associated with GHG emissions, the Company is focusing on the importance of GHG reduction and effective utilization of energy by selecting appropriate environmentally friendly technologies. The Company, therefore, to reduce GHG emissions, is using very low Sulphur coal and has also installed twin bag filters and cyclone separator. Furthermore, it has also set target for being net zero emission company by 2050, and for achieving the same the Company is taking necessary steps.	Negative
2.	Employee Health & Safety	Risk	Safety is critical to mining operations due to the often hazardous working conditions. The Mining industry has relatively high fatality rates compared to other industries. Fatalities or injuries can result from a number of hazards associated with the industry, including powered haulage and machinery as well as mine integrity. Poor health and safety records can result in fines and penalties, and an increase in regulatory compliance costs from more stringent oversight.	Providing a safe workplace to the employees is a vital responsibility & the Company is therefore constantly striving to provide and maintain safe premises, machinery, systems and processes at its operating locations. It has open-cast surface mining as such risk is substantially low.	Negative
3.	Waste & Hazardous Materials Management	Risk	Mining industry generates large volumes of non-mineral and mineral waste, including waste rock, tailings, slurries, slags, sludge's, smelting, and industrial wastes, some of which may contain substances that are toxic, hazardous, or chemically reactive. Mineral processing sometimes also requires the use of hazardous materials for metal extraction.	Waste produced during mining operations, depending on its type, can be treated, disposed of, or stored on- or off-site in impoundments or old mine pits. Improper disposal or storage of hazardous materials or mining waste can present a significant long-term threat to human health and ecosystems through potential contamination of groundwater or surface water that is used for drinking or agriculture purposes. Thereby at operational level, the Company maintains and takes proper measures for waste disposal. None of the company's operations create sludge, slags etc. The overburden is responsibly used for backfilling of mines.	Negative
4.	Air Quality	Risk	Mining industries generates Non-greenhouse gas (GHG) air emissions, which can have significant, localized human health and environmental impacts. Depending on the metal, uncaptured sulfur dioxide, lead, mercury, cadmium, and arsenic are among the chief pollutants, along with particulate matter.	The emissions of SO _x , NO _x , SPM and particulate matter have become severe health issues across India's urban landscape. The Company monitors its SO _x , NO _x and SPM emissions. The Company also has systems in place to control the air pollutants emitted into the atmosphere and comply with the applicable laws and regulations. Further, the Company does not carry out any smelting or refinery activity.	Negative

S. No.	Material issue identified	Indicate whether risk or opportunity (R/O)	Rationale for identifying the risk/ opportunity	In case of risk, approach to adapt or mitigate	Financial implications of the risk or opportunity (Indicate positive or negative implications)
5.	Management of the Legal and Regulatory Environment Compliances	Risk	Continuous upgradations with respect to mining and environmental laws may impact the company's operations; thereby creating a non-compliance risk.	The company has a comprehensive compliance management framework, which is updated at regular intervals, and is integrated with business processes, risks and controls &, changes in regulations are tracked and integrated within the Compliance Management System.	Negative
6	Employment opportunities for locals	Opportunity	Since the company operates in mining it needs to closely work with the locals; which helps it in the creation of employment opportunities which can have a positive impact on the livelihood and earning capacity and skill development thereof.	NA	Positive

ASHAPURA MINECHEM LIMITED

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying standalone financial statements of Ashapura Minechem Limited ("the Company") which comprise the balance sheet as at 31st March 2023, the statement of profit and loss including other comprehensive income, the statement of changes in equity and the statement of cash flows for the year then ended and notes to the financial statements, including a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and the other accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March 2023, of its loss including other comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("the ICAI") together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the standalone financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in our forming of opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report:

Key Audit Matter	How our audit addressed the Key Audit Matter
<p>Revenue Recognition</p> <p>Revenue is one of the key profit drivers and is, therefore, susceptible to misstatement. Cut-off is the key assertion in so far as revenue recognition is concerned, since inappropriate cut-off can result in material misstatement of results for the year.</p>	<p>We carried out testing controls around dispatches and deliveries, inventory reconciliation and substantive testing for cut-offs and analytical review procedures.</p>
<p>Assessment of litigations and related disclosure of contingent liabilities</p> <p>The Company is subject to large number of various ongoing legal and tax related claims as stated under note no. 34 – Contingent Liabilities.</p> <p>Significant judgment is required to assess such matters to determine the probability of occurrence of material outflow of economic resources and whether a provision should be recognized or a disclosure should be made. The management judgment is also supported with legal advice in certain cases as considered appropriate.</p> <p>As the ultimate outcomes of the matters are uncertain and material in nature, it is considered to be a Key Audit Matter.</p>	<p>We understood, assessed and tested the operating effectiveness of key controls surrounding assessment of litigations and discussed with the management the recent developments and the status of the material litigations;</p> <p>We evaluated management's assessment by understanding precedents set in similar cases and assessed the reliability of the management's past estimates and judgments;</p> <p>We reviewed the disclosures made by the Company in the financial statements in this regard and obtained representation letter from the management on the assessment of these matters.</p>

Information Other than the Standalone Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report, Management Discussion and Analysis, Business Responsibility Report, Corporate Governance Report, Shareholder's Information, but does not include the standalone financial statements and auditor's report thereon. The Board's Report and other information are expected to be made available to us after the date of this auditor's report.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

Ashapura Minechem Limited

In connection with our audit of the standalone financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

When we read the aforesaid reports and information, if we conclude that there is material misstatement therein, we are required to communicate the matter to those charged with governance.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is high level of assurance, but is not a guarantee that audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatements of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of the internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosure, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

- 1 As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India terms of sub-section (11) of section 143 of the Act, we give in the Annexure – A, a statement on the matters specified in clause 3 and 4 of the Order, to the extent applicable.
2. As required by section 143(3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;

ANNEXURE – A TO THE INDEPENDENT AUDITOR’S REPORT

(Referred to in paragraph 1 under ‘Report on Other Legal and Regulatory Requirements’ section of our report of even date)

On the basis of such checks as we considered appropriate and in terms of information and explanations given to us, we state that:

1 In respect of property, plant and equipment:

- a. The Company has maintained proper records showing full particulars including quantitative details and situation of property, plant and equipment.
- b. The Company has maintained proper records showing full particulars of intangible assets.
- c. Property, plant and equipment were physically verified by the management at reasonable intervals in a phased manner in accordance with a programme of physical verification. No material discrepancies were noticed on such verification.
- d. The title deeds of immovable properties (other than properties where the Company is the lessee and the lease agreements are duly executed in favour of the lessee) disclosed in the financial statements included under property, plant and equipment are held in the name of the Company.
- e. The Company has not revalued any of its property, plant and equipment (including right of use assets) or intangible assets during the year.
- f. There are no proceedings initiated or are pending against the Company for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 as amended and Rules made thereunder.

2

- a. The physical verification of inventory has been conducted at reasonable intervals by the management during the year and, in our opinion, the coverage and procedure of such verification by the management is appropriate. The discrepancies noticed on physical verification of inventory as compared to book records were not 10% or more in aggregate for each class of inventory.
- b. The Company has not been sanctioned working capital limits in excess of Rs.5 crore, in aggregate, at any point of time during the year, from banks or financial institutions on the basis of security of current assets. The requirement to report under clause 3(ii)(b) of the Order is, therefore, not applicable.

3 In respect of investments, guarantees or securities provided or loans or advances in the nature of loans granted by the Company:

- a. The Company has not provided any loans or advances in the nature of loans or stood guarantee or provided security to any other entity during the year except:

Particulars	Loans (₹ in lacs)
Aggregate amount of loans granted during the year – subsidiary company	1,982.00
Aggregate amount of loans granted during the year - others	16.98
Aggregate amount of security provided during the year – subsidiary company	268.00
Aggregate amount of securities/guarantees given during the year – associate company	500.00
Balances outstanding of loan given as on balance sheet date – subsidiaries	3552.24
Balances outstanding of loan given as on balance sheet date – others	11.71
Balances outstanding of guarantee/security given as on balance sheet date – subsidiaries	3,403.00
Balances outstanding of guarantee given as on balance sheet date – associate/joint venture companies	3,700.00

- b. The terms and conditions of the grant of these loans and guarantees are not prejudicial to the interest of the Company.
- c. In respect of loans granted by the Company, the schedule of repayment of principal and payment of interest have not been stipulated and the repayments are generally regular. However, receipts of interest and principal for loans of ₹ 1,570.24 lacs granted to one of the subsidiaries are not regular.
- d. There is no overdue amount in respect of loans granted.
- e. No loans or advances in the nature of loans granted by the Company that have fallen due during the year, have been renewed or extended or fresh loans granted to settle the overdues of existing loans given to the same parties except loan granted to one of the subsidiaries aggregating to Rs.1,570.24 lacs.
- f. The Company has not granted any loans or advances in the nature of loans that are either repayable on demand or without specifying any terms or period of repayment.

- 4 The Company has complied with provisions of Section 185 and 186 of the Act in respect of loans, investments, guarantees and securities, to the extent applicable.
- 5 The Company has not accepted any deposits from public or any amounts which are deemed to be deposits within the meaning of sections 73 to 76 of the Act and rules made thereunder, to the extent applicable, *except for advances from customers aggregating to ₹ 320.10 lacs, which, in the opinion of the management, are accepted in the ordinary course of business.* No order has been passed by the Company Law Board or National Company Law Tribunal or Reserve Bank of India or any Court or any other Tribunal.
- 6 We have broadly reviewed the cost records maintained by the Company pursuant to Section 148(1) of the Act and are of the opinion that, prima facie, the prescribed cost records have been maintained. We have, however, not made a detailed examination of the cost records with a view to determine whether they are accurate or complete.
- 7 In respect of statutory and other dues:
- a. The Company has generally been regular in depositing undisputed statutory dues, including provident fund, employees state insurance, income tax, cess, goods & service tax and other statutory dues, to the extent applicable, with the appropriate authorities during the year. There are no undisputed statutory dues outstanding for a period of more than six months from the date they became payable.
- b. There are no statutory dues, which have not been deposited on account of dispute except for the followings:
- | Nature of Dues | Statute | ₹ in lacs | Relevant Year | Forum where dispute is pending |
|----------------|----------------|-----------|---------------|--|
| Income Tax | Income Tax Act | 2,701.63 | 2018-19 | The Commissioner of Income Tax (Appeals) |
- 8 The Company has not surrendered or disclosed any transactions, previously unrecorded in the books of account, in the tax assessments under the Income Tax Act, 1961 as income during the year.
- 9
- a. The Company has not defaulted in repayment of loans or other borrowings or in the payment of interest thereon to any lender *except for ₹1,694.74 lacs related to the borrowing from financial institution. (refer note no. 16).*
- b. The Company has not been declared willful defaulter by any bank or financial institution or government or any government authority.
- c. The term loans have been applied for the purposes for which they were obtained.
- d. On an overall examination of the financial statements of the Company, funds raised on short-term basis have, prima facie, not been used for long-term purposes by the Company.
- e. On an overall examination of the financial statements of the Company, the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries or associate or joint venture companies.
- f. The Company has not raised loans during the year on the pledge of securities held in its subsidiaries. .
- 10
- a. The Company has not raised any money during the year by way of initial public offer or further public offer (including debt instruments).
- b. The Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year under review and hence, the requirement to report under clause 3(x)(b) of the Order is not applicable.
- 11
- a. No fraud by the Company or no fraud on the Company has been noticed or reported during the year.
- b. No report under sub-section (12) of section 143 of the Act has been filed in Form ADT-4 as prescribed under Rule 13 of the Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and up to the date of this report.
- c. The Company has not received any whistle blower complaint during the year and up to the date of this report.
- 12 The Company is not a Nidhi Company as per the provisions of the Act. The requirement to report under clause 3 (xii) of the Order is, therefore, not applicable.
- 13 Transactions with the related parties are in compliance with Section 177 and 188 of the Act, wherever applicable and the details have been disclosed in the financial statements as required by the applicable accounting standards.

Ashapura Minechem Limited

- 14
- a. The Company has an internal audit system commensurate with the size and nature of its business.
 - b. We have considered the internal audit reports of the Company issued till date for the period under audit.
- 15 The Company has not entered into any non-cash transactions with its directors or persons connected with its directors.
- 16
- a. The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934.
 - b. The Company has not conducted any non-banking financial or housing finance activities without obtaining a valid certificate of registration (CoR) from the Reserve Bank of India as per the Reserve Bank of India Act, 1934.
 - c. The Company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India.
 - d. There is no core investment company within the Group (as defined in the Core Investment Companies (Reserve Bank) Directions, 2016) and accordingly the requirement to report under clause 3(xvi)(d) of the Order is not applicable.
- 17 The Company has not incurred cash losses in the current and in the immediately preceding financial year.
- 18 There has been no resignation by the statutory auditors of the Company during the year.
- 19 According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that the Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- 20 The Company does not fulfil the criteria as specified under section 135(1) of the Act read with the Companies (Corporate Social Responsibility Policy) Rules, 2014 for the current year. The requirement to report under of clause 3 (xii) of the Order is, therefore, not applicable to the Company.

ANNEXURE – B TO THE INDEPENDENT AUDITOR’S REPORT

(Referred to in paragraph 2(f) under ‘Report on Other Legal and Regulatory Requirements’ section of our report of even date)

We have audited the internal financial controls over financial reporting of Ashapura Minechem Limited (“the Company”) as of 31st March, 2023 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (“the Guidance Note”) issued by the Institute of Chartered Accountants of India (“the ICAI”). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor’s Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by the ICAI and prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that -

- (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company;
- (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and
- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2023, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

Notes forming part of the financial statements for the year ended 31st March 2023

COMPANY INFORMATION

Ashapura Minechem Limited ("the Company") is a public limited company domiciled in India and incorporated on 19th February, 1982 under the provisions of the Companies Act applicable in India vide CIN: L14108MH1982PLC026396. The Company is engaged in the mining, manufacturing and trading of various minerals and its derivative products and related services. The registered office of the Company is located at Jeevan Udyog Building, 3rd Floor, D N Road, Fort, Mumbai – 400 001. The equity shares of the Company are listed on Bombay Stock Exchange (BSE) as well as National Stock Exchange (NSE).

The standalone financial statements ("the financial statements") were authorized for issue in accordance with the resolution of the Board of Directors on 25th May, 2023.

1 BASIS OF PREPARATION, MEASUREMENT AND SIGNIFICANT ACCOUNTING POLICIES

1.1 Basis of preparation and measurement:

These financial statements are the separate financial statements of the Company (also called standalone financial statements) prepared in accordance with the Indian Accounting Standards ('Ind AS') notified under section 133 of the Companies Act, 2013 ("the Act"), read together with the Companies (Indian Accounting Standards) Rules, 2015, as applicable.

These financial statements have been prepared and presented under the historical cost convention, on the accrual basis of accounting except for certain financial assets and financial liabilities that are measured at fair values at the end of each reporting period, as stated in the accounting policies set out below. The accounting policies have been applied consistently over all the periods presented in these financial statements.

All assets and liabilities have been classified as current or non current as per the Company's normal operating cycle and other criteria as set out in the Division II of Schedule III to the Act. The Company considers 12 months as normal operating cycle.

The Company's financial statements are reported in Indian Rupees, which is also the Company's functional currency, and all values are rounded to the nearest lacs except otherwise indicated.

1.2 Significant accounting policies:

a. System of accounting

The financial statements of the Company are prepared in accordance with Indian Accounting Standards (Ind AS), under the historical cost convention on the accrual basis as per the provisions of Companies Act, 2013 ("Act"), except in case of significant uncertainties.

The Company presents assets and liabilities in the balance sheet based on current/non-current classification. It is held primarily for the purpose of being traded:

- It is expected to be settled in the Company's normal operating cycle;
- It is cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least 12 months after the reporting date.
- It is held primarily for the purpose of being traded;
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.
- All other liabilities are classified as non-current.
- Deferred tax assets and liabilities are classified as non-current only.

b. Key accounting estimates

The preparation of the financial statements, in conformity with the recognition and measurement principles of Ind AS, requires the management to make estimates and assumptions in the application of accounting policies that affect the reported amounts of assets, liabilities, income, expenses and disclosure of contingent liabilities as at the date of financial statements and the results of operation during the reported period. Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ from these estimates which are recognised in the period in which they are determined.

The Company based its assumptions and estimates on parameters available when the financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Company. Such changes are reflected in the financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the financial statements.

Estimates and judgements are regularly revisited. Estimates are based on historical experience and other factors, including futuristic reasonable information that may have a financial impact on the Company.

c. Property, plant and equipment

- (i) Property, plant and equipment are stated at historical cost of acquisition including attributable interest and finance costs, if any, till the date of acquisition/installation of the assets less accumulated depreciation and accumulated impairment losses, if any.

Ashapura Minechem Limited

- (ii) Subsequent expenditure relating to property, plant and equipment is capitalised only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. All other repairs and maintenance costs are charged to the statement of profit and loss as incurred.
- (iii) The cost and related accumulated depreciation are eliminated from the financial statements, either on disposal or when retired from active use and the resultant gain or loss are recognised in the statement of profit and loss.
- (iv) Capital work-in-progress, representing expenditure incurred in respect of assets under development and not ready for their intended use, are carried at cost. Cost includes related acquisition expenses, construction cost, related borrowing cost and other direct expenditure.
- (v) The Company depreciates property, plant and equipment on written down value method except for building, plant & machinery, laboratory equipment and excavators where depreciation is provided on straight line method over the estimated useful life prescribed in Schedule II of the Act from the date the assets are ready for intended use after considering the residual value.
- (vi) Intangible assets mainly represent implementation cost for software and other application software acquired/developed for in-house use. These assets are stated at cost. Cost includes related acquisition expenses, related borrowing costs, if any, and other direct expenditure.
- (vii) Items of stores and spares that meet the definition of property, plant and equipment are capitalized at cost and depreciated over their useful life. Otherwise, such items are classified as inventories.
- (viii) Losses arising from the retirement of and gains or losses arising from disposal of property, plant and equipment which are carried at cost are recognised in the Statement of Profit and Loss.
- (ix) Property, plant and equipment and intangible assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less costs of disposal and value in use. For the purposes of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash inflows which are largely independent of the cash inflows from other assets or groups of assets (cash-generating units).

d. Investments properties

- a) Property which is held for long-term rental or for capital appreciation or both is classified as investment property. Investment properties are measured initially at cost, including transaction costs. Subsequent to initial recognition, investment properties are stated at cost less accumulated depreciation and accumulated impairment loss, if any.
- b) Investment properties currently comprise of plots of land and buildings.
- c) Investment properties are derecognised either when they have been disposed of or when they are permanently withdrawn from use and no future economic benefit is expected from their disposal. The difference between the net disposal proceeds and the carrying amount of the asset is recognised in statement of profit and loss in the period in which the property is derecognised.

e. Investments and financial assets

(i) Investments in subsidiary, joint venture and associate companies

Investments in subsidiary, joint venture and associate companies are recognised at cost and not adjusted to fair value at the end of each reporting period. Cost represents amount paid for acquisition of the said investments.

The Company assesses at the end of each reporting period, if there is any indication that the said investments may be impaired. If so, the Company estimates the recoverable value of the investments and provides for impairment, if any, i.e. the deficit in the recoverable value over cost.

(ii) Other investments and financial assets

Financial assets are recognised when the Company becomes a party to the contractual provisions of the instrument.

On initial recognition, a financial asset is recognised at fair value, in case of financial assets which are recognised at fair value through profit and loss (FVTPL), its transaction costs are recognised in the statement of profit or loss. In other cases, the transaction costs are attributed to the acquisition value of financial asset. However, trade receivables that do not contain a significant financing component are measured at transaction price.

Financial assets are subsequently classified measured at –

- amortised cost
- fair value through profit and loss (FVTPL)
- fair value through other comprehensive income (FVOCI).

Financial assets are not reclassified subsequent to their recognition except if and in the period the Company changes its business model for managing financial assets.

Financial asset is derecognised only when the Company has transferred the rights to receive cash flows from the financial asset. Where the entity has transferred the asset, the Company evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, financial asset is derecognised.

In accordance with Ind AS 109, the Company applies the expected credit loss ("ECL") model for measurement and recognition of impairment loss on financial assets and credit risk exposures. The Company follows 'simplified approach' for recognition of impairment loss allowance on trade receivables. Simplified approach does not require the Company to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECL at each reporting date, right from its initial recognition. For recognition of impairment loss on other financial assets and risk exposure, the Company determines that whether there has been a significant increase in the credit risk since initial recognition.

f. Inventories

- (i) Raw materials and stores and spares are valued at weighted average cost including all charges in bringing the materials to the present location.
- (ii) Finished and semi-finished goods are valued at the cost plus direct expenses and appropriate value of overheads or net realizable value, whichever is lower.
- (iii) Obsolete, slow moving and defective inventories are written off/valued at net realisable value during the year as per policy consistently followed by the Company.

g. Cash and bank balances

Cash and equivalents:

Cash and cash equivalents in the balance sheet comprises of balance with banks and cash on hand and short term deposits with an original maturity of three month or less, which are subject to insignificant risks of changes in value.

Other bank balances:

Other bank balances include deposits with maturity less than twelve months but greater than three months and balances and deposits with banks that are restricted for withdrawal and usage.

h. Trade receivables

A receivable is classified as a trade receivable if it is in respect of the amount due on account of goods sold or services rendered in the normal course of business. Trade receivables are recognised initially at their transaction price and subsequently measured net of any expected credit losses.

i. Equity instruments:

An equity instrument is any contract that evidences a residual interest in the assets of the Company after deducting all of its liabilities. Equity instruments which are issued for cash are recorded at the proceeds received, net of direct issue costs.

j. Financial liabilities

- (i) Financial liabilities are recognised when the Company becomes a party to the contractual provisions of the instrument. Financial liabilities are initially measured at the amortised cost unless at initial recognition, they are classified as fair value through profit and loss.
- (ii) Financial liabilities are subsequently measured at amortised cost using the Effective Interest Rate (EIR) method. Financial liabilities carried at fair value through profit and loss are measured at fair value with all changes in fair value recognised in the statement of profit and loss.
- (iii) Financial liabilities are derecognised when the obligation specified in the contract is discharged, cancelled or expires.

k. Trade payables

A payable is classified as a trade payable if it is in respect of the amount due on account of goods purchased in the normal course of business. These amounts represent liabilities for goods provided to the Company prior to the end of the financial year which are unpaid. These amounts are unsecured and are usually settled as per the payment terms. Trade and other payables are presented as current liabilities unless payment is not due within 12 months after the reporting period.

I. Revenue recognition

- (i) Revenue shall be recognised to depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods and services.
- (ii) Revenue is measured based on transaction price, which is the fair value of the consideration received or receivable, stated net of discounts, return and goods & service tax. Transaction price is recognised based on the price specified in the contract, net of the estimated sales incentives/discounts.
- (iii) Accumulated experience is used to estimate and provide for the discounts/rights of return, using the expected value method.
- (iv) A return liability is recognised to expected return in relation to sales made corresponding assets are recognised for the products expected to be returned.
- (v) The Company recognises as an asset, the incremental costs of obtaining a contract with a customer, if the Company expects to recover those costs. The said asset is amortised on a systematic basis consistent with the transfer of goods or services to the customers.
- (vi) Export incentives are accounted for on export of goods if the entitlements can be estimated with reasonable accuracy and conditions precedent to claim are reasonably expected to be fulfilled.
- (vii) Revenue in respect of other income is recognised on accrual basis. However, where the ultimate collection of the same lacks reasonable certainty, revenue recognition is postponed to the extent of uncertainty.

m. Indirect taxes

Purchases of goods and fixed assets are accounted for net of Goods and Service Tax (GST) input credits. Custom duty paid on import of materials is dealt with in respective material accounts.

n. Mining expenses

Expenses incurred on mining including removal of overburden of mines are charged to the statement of profit & loss as mining cost on the basis of quantity of minerals mined during the year, overburden of removal and mining being carried out concurrently and relatively within a short period of time. Mining restoration expenses are annually reviewed and provided for.

o. Research and development expenses and receipts

Revenue expenditure on research and development is charged against the profit for the year in which it is incurred. Capital expenditure on research and development is shown as an addition to the fixed assets and is depreciated on the same basis as other fixed assets. Receipts of research & development centre of the Company are accounted for as revenue receipts.

p. Foreign currency transactions

- (i) Items included in the financial statements are measured using the currency of primary economic environment in which the company operates ("the functional currency"). The financial statements are presented in Indian Rupee (INR), which is the company's functional and presentation currency.
- (ii) Foreign currency transactions are initially recorded in the reporting currency at foreign exchange rate on the date of the transaction.
- (iii) Monetary items of current assets and current liabilities denominated in foreign currencies are reported using the closing rate at the reporting date. Non-monetary items which are carried in terms of historical cost denominated in a foreign currency are reported using the exchange rate at the date of the transaction.
- (iv) The gain or loss on decrease/increase in reporting currency due to fluctuations in foreign exchange rates are recognised in the statement of profit or loss.

q. Employee benefit expenses

- (i) Contributions to defined contribution schemes such as provident fund, employees' state insurance, labour welfare fund etc. are charged as an expense based on the amount of contribution required to be made as and when services are rendered by the employees. These benefits are classified as defined contribution schemes as the Company has no further obligations beyond the monthly contributions.
- (ii) The Company provides for gratuity which is a defined benefit plan, the liabilities of which are determined based on valuations, as at the reporting date, made by an independent actuary using the projected unit credit method. Re-measurement comprising of actuarial gains and losses, in respect of gratuity are recognised in the other comprehensive income in the period in which they occur. The classification of the Company's obligation into current and non-current is as per the actuarial valuation report.
- (iii) The employees are entitled to accumulate leave subject to certain limits, for future encashment and availment, as per the policy of the Company. The liability towards such unutilised leave as at the end of each balance sheet date is determined based on independent actuarial valuation and recognised in the statement of profit and loss.

r. Leases

Company as lessee

The Company applies the short-term lease recognition exemption to its short-term leases of machinery and equipment (i.e., those leases that have a lease term of 12 months or less from the commencement date and do not contain a purchase option). It also applies the lease of low-value assets recognition exemption to leases of office equipment that are considered to be low value. Lease payments on short-term leases and leases of low-value assets are recognised as expense on a straight-line basis over the lease term.

Company as lessor

Leases in which the Company does not transfer substantially all the risks and rewards incidental to ownership of an asset are classified as operating leases. Rental income arising is accounted for on a straight-line basis over the lease terms. Initial direct costs incurred in negotiating and arranging an operating lease are added to the carrying amount of the leased asset and recognised over the lease term on the same basis as rental income.

s. Borrowing costs

Borrowing costs consist of interest and other costs that the Company incurs in connection with the borrowing of funds. Also, the effective interest rate amortisation is included in finance costs. Borrowing costs relating to acquisition, construction or production of a qualifying asset which takes substantial period of time to get ready for its intended use are added to the cost of such asset to the extent they relate to the period till such assets are ready to be put to use. All other borrowing costs are expensed in the statement of profit and loss in the period in which they occur.

t. Impairment of non financial assets

As at each reporting date, the Company assesses whether there is an indication that a non-financial asset may be impaired and also whether there is an indication of reversal of impairment loss recognised in the previous periods. If any indication exists, or when annual impairment testing for an asset is required, the Company determines the recoverable amount and impairment loss is recognised when the carrying amount of an asset exceeds its recoverable amount. If the amount of impairment loss subsequently decreases and the decrease can be related objectively to an event occurring after the impairment was recognised, then the previously recognised impairment loss is reversed through the statement of profit and loss.

u. Taxes on income

Income tax expense comprises current tax expense and the deferred tax during the year. Current and deferred taxes are recognised in the statement of profit and loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity, respectively.

Current income tax is recognised based on the estimated tax liability computed after taking credit for allowances and exemptions in accordance with the Income Tax Act, 1961. Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit.

Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are recognized for unused tax losses, unused tax credits and deductible temporary differences to the extent that it is probable that future taxable profits will be available against which they can be used. In case of uncertainty of reversal of the deferred tax assets or when it is no longer probable that sufficient taxable profits will be available in the foreseeable future, deferred tax assets, as a matter of prudence, are not recognised.

The carrying amount of deferred tax is reviewed at each reporting date and measured at the tax rates that are expected to be applied to temporary differences when they reverse, using tax rates enacted or substantively enacted at the reporting date. The measurement of deferred tax reflects the tax consequences that would follow from the manner in which the Company expects, at the reporting date, to recover or settle the carrying amount of its assets and liabilities.

v. Provisions and contingent liabilities

The Company creates a provision when there is present obligation, legal or constructive, as a result of past events that probably requires an outflow of resources and a reliable estimate can be made of the amount of obligation.

Contingent liabilities are disclosed in respect of possible obligations that arise from past events, whose existence would be confirmed by the occurrence or non-occurrence of one or more uncertain future events. Contingent assets are neither recognised nor disclosed in the financial statements.

w. Earnings per share

- (i) Basic earnings per share is computed by dividing the net profit or loss for the period attributable to the equity shareholders of the Company by the weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period and for all periods presented is adjusted for events, such as bonus shares, other than the conversion of potential equity shares that have changed the number of equity shares outstanding, without a corresponding change in resources.
- (ii) For the purpose of calculating diluted earning per share, the net profit or loss for the period attributable to the equity shareholders and the weighted average number of equity shares outstanding during the period is adjusted for the effects of all dilutive potential equity shares.

x. Offsetting instruments

Financial assets and liabilities are offset and the net amount reported in the balance sheet when there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the Company or the counterparty.

y. Events after the reporting period

Adjusting events are events that provide further evidence of conditions that existed at the end of the reporting period. The financial statements are adjusted for such events before authorisation for issue. Non-adjusting events are events that are indicative of conditions that arose after end of the reporting period. Non-adjusting events after the reporting date are not accounted, but disclosed.

z. Non-current assets held for sale

Non-current assets are classified as held for sale if their carrying amount will be recovered principally through a sale transaction rather than through continuing use and a sale is considered highly probable. They are measured at the lower of their carrying amount and fair value less costs to sell. An impairment loss is recognised for any initial or subsequent write-down of the asset to fair value less costs to sell. A gain is recognised for any subsequent increases in fair value less costs to sell of an asset, but not in excess of any cumulative impairment loss previously recognised. A gain or loss not previously recognised by the date of the sale of the non-current asset is recognised at the date of de-recognition. Non-current assets are not depreciated or amortised while they are classified as held for sale. Interest and other expenses attributable to the liabilities of a disposal group classified as held for sale continue to be recognised. Non-current assets classified as held for sale are presented separately from the other assets in the balance sheet.

aa. Segment reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the operating decision makers. The decision makers regularly monitor and review the operating result of the whole Company. The activities of the Company, in the opinion of the management, primarily falls under a single segment of "Minerals and its derivative products" in accordance with the Ind AS 108 "Operating Segments".

- ab. Recent pronouncements, the Ministry of Corporate Affairs has vide notification dated 31st March, 2023 notified Companies (Indian Accounting Standards) Amendment Rules, 2023 (the 'Rules') which amends certain accounting standards, and are effective 1 April 2023. The Rules predominantly amends Ind AS 1, Presentation of financial statements and Ind AS 12, Income taxes, whereas the other amendments notified by these rules are primarily in the nature of clarifications. The impact of the amendment on the Financial Statements, in the opinion of the management, is expected to be insignificant on the basis of the preliminary evaluation.

Financial risk management

The Company's activities expose it to credit risk, liquidity risk and market risk.

Risk	Exposure arising from	Measurement	Management
Credit risk	Cash and cash equivalents, financial assets and trade receivables	Credit ratings, Aging analysis, credit evaluation	Diversification of counter parties, investment limits, check on counter parties basis credit rating and number of overdue days
Liquidity risk	Borrowings, trade payables and other liabilities	Maturity analysis	Maintaining sufficient cash/cash equivalents and marketable securities
Market risk	Financial assets and liabilities not denominated in INR	Sensitivity analysis	Constant evaluation and proper risk management policies

The Board provides guiding principles for overall risk management as well as policies covering specific areas such as foreign exchange risk, credit risk and investment of surplus liquidity.

A. Credit risk

Credit risk refers to the risk of a counter party default on its contractual obligation resulting into a financial loss to the Company. The maximum exposure of the financial assets represents trade receivables, work in progress and receivables from group companies and others.

Customer credit risk is managed by the Company through established policy and procedures and control relating to customer credit risk management. Trade receivables are non-interest bearing and are generally carrying upto 90 days credit terms. The Company has a detailed review mechanism of overdue customer receivables at various levels within organisation to ensure proper attention and focus for realisation. Trade receivables are consisting of a large number of customers. Export receivables are backed by forward contract. In respect of trade receivables, the Company uses a provision matrix to compute the expected credit loss allowances for trade receivables in accordance with the expected credit loss (ECL) policy of the Company.

B. Liquidity risk

Liquidity risk is the risk that the Company will encounter difficulty in raising funds to meet its commitments associated with financial instruments. Liquidity risk may result from an inability to sell a financial assets quickly at close to its fair value.

The Company, to the best extent possible, attempts to manage liquidity risk by maintaining adequate liquid assets and banking facilities by continuously monitoring forecast and actual cash flows and by matching the maturity profiles of financial assets and liabilities.

Ashapura Minechem Limited

C. Market risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Such changes in the values of financial instruments may result from changes in foreign currency exchange rates, interest rates, credit, liquidity and other market changes.

The Company has several balances in foreign currency and consequently, the Company is exposed to foreign exchange risk. The Company evaluates exchange rate exposure arising from foreign currency transactions and follows established risk management policies, to the extent possible.

a) Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's long-term debt obligations with floating interest rates. The Company manages its interest rate risk by having a balanced portfolio of fixed and variable rate loans and borrowings, wherever possible.

b) Exposure in foreign currency:

The Company deals with foreign currency loan given, trade payables, trade receivables etc. and is therefore exposed to foreign exchange risk associated with exchange rate movement.

The Company operates internationally and portion of the business is transacted in several currencies and consequently the Company is exposed to foreign exchange risk through its sales in overseas and purchases from overseas suppliers in various foreign currencies.

Exposure in foreign currency -Hedged The Company has no hedged foreign currency exposure at the end of the relevant period.

Note 32

Capital management

For the purpose of the Company's capital management, capital includes issued capital and all other equity reserves attributable to the equity shareholders of the Company. The primary objective of the Company when managing capital is to safeguard its ability to continue as a going concern and to maintain an optimal capital structure so as to maximize shareholder value.

The Company's capital management objective is to maximise the total shareholder returns by optimising cost of capital through flexible capital structure that supports growth. Further, the Company attempts to ensure optimal credit risk profile to maintain/enhance credit rating.

The Company determines the amount of capital required on the basis of annual operating plan and long-term strategic plans. The funding requirements are met through internal accruals and long-term/short-term borrowings. The Company monitors the capital structure on the basis of net debt to equity ratio and maturity profile of the overall debt portfolio of the Company.

INDEPENDENT AUDITOR'S REPORT

The Members of
ASHAPURA MINECHEM LIMITED

Report on the Consolidated Financial Statements

Opinion

We have audited the accompanying consolidated financial statements of **Ashapura Minechem Limited** ("the Parent Company") and its subsidiaries (the Parent Company and its subsidiaries together referred to as "the Group") which includes Group's share of profit in its associates and joint ventures, comprising the consolidated balance sheet as at 31st March 2023, the consolidated statement of profit and loss including other comprehensive income, the consolidated statement of changes in equity and consolidated cash flow statement for the year then ended and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of the reports of other auditors on separate financial statements of the subsidiaries, associates and joint ventures referred to in the Other Matters paragraph below, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and the other accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at 31st March 2023 and their consolidated profit, consolidated total comprehensive income, consolidated changes in equity and consolidated cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the consolidated financial statements in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("the ICAI") together with the ethical requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the consolidated financial statements.

Emphasis of Matter

Attention is invited to the fact that one of the overseas joint venture, Ashapura Dhofar Resources LLC has accumulated losses of ₹ 2,784.35 lacs as on March 31, 2023. This condition indicates the existence of material uncertainty that may cast significant doubts over this joint venture's ability to continue as a going concern. However, since the management is hopeful of providing necessary financial support and resuming activities in near future, these financial statements have been prepared on a going concern basis. Our opinion is not modified in respect of this matter.

Key audit matters

Key audit matters are those matters that, in our professional judgment were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in our forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report:

Key Audit Matter	How our audit addressed the Key Audit Matter
<p>Revenue Recognition Revenue is one of the key profit drivers and is, therefore, susceptible to misstatement. Cut-off is the key assertion in so far as revenue recognition is concerned, since inappropriate cut-off can result in material misstatement of results for the year.</p>	<p>We carried out testing controls around dispatches and deliveries, inventory reconciliation and substantive testing for cut-offs and analytical review procedures.</p>
<p>Assessment of litigations and related disclosure of contingent liabilities The Parent Company is subject to large number of various ongoing legal and tax related claims as stated under note no. 36 – Contingent Liabilities.</p>	<p>We understood, assessed and tested the operating effectiveness of key controls surrounding assessment of litigations and discussed with the management the recent developments and the status of the material litigations;</p>
<p>Significant judgment is required to assess such matters to determine the probability of occurrence of material outflow of economic resources and whether a provision should be recognized or a disclosure should be made. The management judgment is also supported with legal advice in certain cases as considered appropriate.</p>	<p>We evaluated management's assessment by understanding precedents set in similar cases and assessed the reliability of the management's past estimates and judgments;</p>
<p>As the ultimate outcomes of the matters are uncertain and material in nature, it is considered to be a Key Audit Matter.</p>	<p>We reviewed the disclosures made by the Parent Company in the financial statements in this regard and obtained representation letter from the management on the assessment of these matters.</p>
<p>Evaluation of the consolidation process The Group's consolidation process is complex on account of its presence in various geographies and multiple businesses through different ownership structure. The consolidation process includes evaluation of the degree of control/significant influence, alignment of group accounting policies, elimination of inter-company balances and resultant tax adjustments which may require a high level of judgement.</p>	<p>Assessed the design, implementation and operating effectiveness of the key controls in respect of the process of consolidation and procedures for alignment of group accounting policies, consolidation adjustments, elimination of inter-company balances and resultant tax impact;</p>
	<p>Tested the relevant general IT and applications controls over the consolidation process to confirm the appropriateness of inter-company elimination process;</p>
	<p>Evaluated whether the methodology applied by the management for alignment of accounting policies is appropriate and matching it with the Group's accounting policies;</p>

Information Other than the Consolidated Financial Statements and Auditor's Report Thereon

The Parent Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report, Management Discussion and Analysis, Business Responsibility Report, Corporate Governance Report, Shareholder's Information, but does

Ashapura Minechem Limited

not include the consolidated financial statements and auditor's report thereon. The Board's Report and other information are expected to be made available to us after the date of this auditor's report.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

When we read the aforesaid reports and information, if we conclude that there is material misstatement therein, we are required to communicate the matter to those charged with governance.

Management's Responsibility for the Consolidated Financial Statements

The Parent Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance including other comprehensive income, consolidated changes in equity and consolidated cash flows of the Group including its associates and joint ventures in accordance with the Ind AS and accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and of its associates and joint ventures for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Parent Company, as aforesaid.

In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group and of its associates and joint ventures are responsible for assessing the ability of the Group and of its associates and joint ventures to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group and of its associates and joint ventures are responsible for overseeing the financial reporting process of the Group and of its associates and joint ventures.

Auditor's Responsibility for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is high level of assurance, but is not a guarantee that audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatements of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of the internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Parent Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group and its associates and joint ventures to continue as going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group, associates and joint ventures to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosure, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group and its associates and joint ventures to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities or business activities included in the consolidated financial statements of which we are the independent auditors. For the other entities or business activities included in the consolidated financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

We communicate with those charged with governance of the Parent Company and such other entities included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

We did not audit the financial statements of twenty-two subsidiaries, whose financial statements reflect total assets of Rs. 3,76,806.64 lacs as at 31st March 2023 and gross total revenues of Rs. 2,47,535.81 lacs and net profit after tax (including other comprehensive income) Rs. 10,253.21 lacs for the year then ended, and of five associates and one joint venture, whose financial statements reflect the Parent Company's share of net loss of Rs. 28.34 lacs as considered in the consolidated financial statements. These financial statements and other financial information have been audited by other auditors whose reports have been furnished to us by the management, and our opinion on consolidated financial results, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries, joint ventures and associates, is based solely on the report of such other auditors.

Our opinion on the consolidated financial statements above and our report on other Legal and Regulatory Requirements below is not modified in respect of these matters with respect to our reliance on the work done and the reports of the other auditors.

ANNEXURE – A TO THE INDEPENDENT AUDITOR’S REPORT
(Referred to in paragraph 1(f) under ‘Report on Other Legal and Regulatory Requirements’ section of our report of even date)

We have audited the internal financial controls over financial reporting of **Ashapura Minechem Limited** (“the Parent Company”) and its subsidiaries (the Parent Company and its subsidiaries together referred to as “the Group”) and associates and joint ventures which are incorporated in India as of 31st March, 2023. In conjunction with our audit of the consolidated financial statements of the Parent Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The respective Board of Directors of the Parent Company and its subsidiaries, associates and joint ventures which are incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Parent Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (“the Guidance Note”) issued by the Institute of Chartered Accountants of India (“the ICAI”). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor’s Responsibility

Our responsibility is to express an opinion on the Group’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by the ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on internal financial controls system over financial reporting of the Group, its associates and joint ventures incorporated in India.

Meaning of Internal Financial Controls Over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of consolidated financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that -

- (1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company;
- (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of consolidated financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and
- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Group, its associates and joint ventures which are companies incorporated in India, have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2023, based on the internal control over financial reporting criteria established by the Group considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

Other Matters

Our aforesaid report under section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal controls over financial reporting in so far as it relates to subsidiaries, associates and joint ventures incorporated in India which have been audited by other auditors, is based solely on the corresponding reports of the auditors of such companies. Our opinion is not modified in respect of this matter.

Notes forming part of the consolidated financial statements for the year ended 31st March 2023

COMPANY INFORMATION

Ashapura Minechem Limited (the 'Parent Company') is a public limited company domiciled in India and incorporated on 19th February, 1982 under the provisions of the Companies Act applicable in India vide CIN: L14108MH1982PLC026396. The Group is engaged in the mining, manufacturing and trading of various minerals and its derivative products and related services. The registered office of the Parent Company is located at Jeevan Udyog Building, 3rd Floor, D N Road, Fort, Mumbai – 400 001. The equity shares of the Parent Company are listed on Bombay Stock Exchange (BSE) as well as National Stock Exchange (NSE).

The consolidated financial statements were authorized for issue in accordance with the resolution of the Board of Directors on 25th May, 2023.

1 BASIS OF PREPARATION, MEASUREMENT AND SIGNIFICANT ACCOUNTING POLICIES

1.1 Basis of preparation and measurement

These consolidated financial statements have been prepared in accordance with the Indian Accounting Standards (hereinafter referred to as the 'Ind AS') as notified by Ministry of Corporate Affairs pursuant to section 133 of the Companies Act, 2013 ("the Act") read together with Companies (Indian Accounting Standards) Rules, 2015, as applicable.

The consolidated financial statements have been prepared and presented under historical cost convention, on accrual basis of accounting except for certain financial assets and financial liabilities that are measured at fair value at the end of each reporting period, as stated in the accounting policies set out below. The accounting policies have been applied consistently over all the periods presented in these consolidated financial statements.

All assets and liabilities have been classified as current or non current as per the Group's normal operating cycle and other criteria as set out in the Division II of Schedule III to the Act. The Group considers 12 months as normal operating cycle.

The consolidated financial statements are presented in Indian Rupees (INR) which is the Parent Company's functional currency, and all the values are rounded to the nearest lacs except otherwise indicated.

1.2 Basis for consolidation

- a. The consolidated financial statements are prepared using uniform accounting policies for like transactions and other events in similar circumstances. If a member of the group uses accounting policies other than those adopted in the consolidated financial statements, appropriate adjustments are made to that group member's financial statements in preparing the consolidated financial statements to ensure conformity with the group's accounting policies.
- b. The financial statements of all entities used for the purpose of consolidation are generally drawn up to the same reporting date as that of the Parent Company except for some overseas entities, where the financial statements are drawn up at a different reporting date and the difference between reporting dates is not more than three months. These entities prepare, for consolidation purpose, additional financial information as of the same date as the financial statements of the Parent Company to enable the Parent Company to consolidate the financial information of those companies, unless it is impracticable to do so.
- c. The consolidated financial statements present the consolidated accounts of the Parent Company, Ashapura Minechem Limited with its following subsidiaries, associates and joint ventures:

Subsidiaries

- A subsidiary is an entity over which the Parent Company has control. The Parent Company controls an entity when the Parent Company is exposed to, or has rights to, variable returns from its involvement with the entity and has the ability to affect those returns through its power to direct the relevant activities of the entity. Subsidiaries are fully consolidated from the date on which control is transferred to the Parent Company.
- The Parent Company combines the financial statements of the Parent Company and its subsidiary companies on a line-by-line basis, adding together like items of assets, liabilities, equity, income and expenses. Inter-company transactions, balances and unrealized gains on transactions among the Group are eliminated. Unrealized losses are also eliminated unless the transaction provides evidence of an impairment of the transferred asset. Accounting policies of subsidiaries are consistent with the policies adopted by the Parent Company.
- A change in the ownership interest of a subsidiary, without loss of control, is accounted for as an equity transaction. If the Parent Company loses control over a subsidiary, it derecognizes the assets, liabilities, carrying amount of any non-controlling interests and the cumulative translation differences recorded in equity.

Joint Venture Companies

- A joint venture is a joint arrangement whereby parties that have joint control of the arrangement have rights to the net assets of the arrangement. Interests in joint ventures are initially recognized at cost and thereafter accounted for using the equity method.
- Under the equity method of accounting, the investments are initially recognized at cost and adjusted thereafter to recognize the Group's share of the post-acquisition profits or losses and other comprehensive income of the investee in the Statement of Profit and Loss and Other Comprehensive Income of the Group. Distributions received or receivable from joint ventures are recognized as a reduction in the carrying amount of the investment.
- Unrealized gains on transactions between the Group and its joint ventures are eliminated to the extent of the Group's interest in the joint ventures.
- After application of the equity method, at each reporting date, the Group determines whether there is objective evidence that the investment in the joint venture is impaired. If there exists such evidences, the Group determines extent of impairment and then recognizes the loss in the statement of profit & loss.
- Upon loss of significant joint control over the joint venture, the Group measures and recognizes any retained investment at its fair value. Any difference between the carrying amount of the joint venture and the fair value of the retained investment and proceeds from the disposal is recognized in profit and loss.
- When the Group's share of losses exceeds the carrying value of the joint venture, the carrying value is reduced to nil and recognition of further losses is discontinued, except to the extent that the Group has incurred obligation in respect of the joint venture.

Associates

- a) An associate is an entity over which the Group has significant influence. Significant influence is the power to participate in the financial and operating policy decisions of the investee, but is not control or joint control over those policies.
- b) The considerations made in determining whether significant influence or joint control are similar to those necessary to determine control over the subsidiaries.
- c) The Group's investments in its associate are accounted for using the equity method. Under the equity method, the investment in an associate is initially recognised at cost. The carrying amount of the investment is adjusted to recognised changes in the Group's share of net assets of the associate since the acquisition date. Goodwill relating to the associate is included in the carrying amount of the investments and is not tested for impairment individually.
- d) The statement of profit & loss reflects the Group's share of the results of the operations of the associate. Any change in OCI of those investees is presented as part of the Group's OCI. In addition, when there has been a change recognised directly in the equity of the associate, the Group recognises its share of any changes, when applicable, in the statement of changes in equity. Unrealised gains and losses resulting from transactions between the Group in the associate are eliminated to the extent of the interest in the associate.
- e) If Group share of losses of an associate exceeds its interest in the associate (which includes any long term interest that, in substance, form part of the Groups net investment in the associate), the Group discontinues recognising its share of further losses. Additional losses are recognised only to the extent that the Group has incurred legal or constructive obligations or made payments on behalf of the associate. If the associate subsequently reports profits, the Group resumes recognising its share of those profits only after its share of the profits equals the share of the losses not recognised.
- f) After application of the equity method, the Group determines whether it is necessary to recognise in impairment loss on its investment in its associate. At each reporting date, the Group determines whether there is objective evidence that the investment in the associate is impaired. If there is such evidence, the Group calculates the amounts of impairment as the difference between the recoverable amount of the associate and its carrying value, and then recognises the loss as 'share of profit of an associate' in the consolidated statement of profit & loss.
- g) Upon loss of significant influence over the associate, the Group measures and recognises any retained investment at its fair value. Any difference between the carrying amount of the associate upon loss of significant influence or joint control and the fair value retained investments and proceeds from its disposal is recognised in profit or loss.
- h) When the Group's share of losses exceeds the carrying value of the associate, the carrying value is reduced to nil and recognition of further losses is discontinued, except to the extent that the Group has incurred obligation in respect of the associate.

1.3 Significant accounting policies:

a. System of accounting

The Group follows mercantile system of accounting and recognises income and expenditure on an accrual basis except in case of significant uncertainties. These financial statements are prepared under the historical cost convention unless otherwise indicated.

b. Key accounting estimates

The preparation of the financial statements, in conformity with the recognition and measurement principles of Ind AS, requires the management to make estimates and assumptions in the application of accounting policies that affect the reported amounts of assets, liabilities, income, expenses and disclosure of contingent liabilities as at the date of financial statements and the results of operation during the reported period. Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ from these estimates which are recognised in the period in which they are determined.

The Group based its assumptions and estimates on parameters available when the financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Group. Such changes are reflected in the financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the financial statements.

c. Current and Non Current Classification

The Group presents assets and liabilities in the balance sheet based on current and non-current classification. Any asset or liability is classified as current if it satisfies any of the following conditions:

- It is expected to be settled in the Group's normal operating cycle;
- It is cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least 12 months after the reporting date.
- It is held primarily for the purpose of being traded;
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.
- All other liabilities are classified as non-current.
- Deferred tax assets and liabilities are classified as non-current only.

Ashapura Minechem Limited

d. Property, plant and equipment

- (i) Property, plant and equipment are stated at historical cost of acquisition including attributable interest and finance costs, if any, till the date of acquisition/installation of the assets less accumulated depreciation and accumulated impairment losses, if any.
- (ii) Subsequent expenditure relating to property, plant and equipment is capitalised only when it is probable that future economic benefits associated with the item will flow to the Group and the cost of the item can be measured reliably. All other repairs and maintenance costs are charged to the statement of profit and loss as incurred.
- (iii) The cost and related accumulated depreciation are eliminated from the financial statements, either on disposal or when retired from active use and the resultant gain or loss are recognised in the statement of profit and loss.
- (iv) Capital work-in-progress, representing expenditure incurred in respect of assets under development and not ready for their intended use, are carried at cost. Cost includes related acquisition expenses, construction cost, related borrowing cost and other direct expenditure.
- (v) The Group depreciates property, plant and equipment over the estimated useful life prescribed in Schedule II of the Companies Act, 2013 from the date the assets are ready for intended use after considering the residual value.
- (vi) Intangible assets mainly represent mining rights and implementation cost for software and other application software acquired/developed for in-house use. These assets are stated at cost. Cost includes related acquisition expenses, related borrowing costs, if any, and other direct expenditure.
- (vii) Items of stores and spares that meet the definition of property, plant and equipment are capitalized at cost and depreciated over their useful life. Otherwise, such items are classified as inventories.
- (viii) Losses arising from the retirement of and gains or losses arising from disposal of property, plant and equipment which are carried at cost are recognised in the Statement of Profit and Loss.
- (ix) Property, plant and equipment and intangible assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less costs of disposal and value in use. For the purposes of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash inflows which are largely independent of the cash inflows from other assets or groups of assets (cash-generating units).

e. Investments properties

- a) Property which is held for long-term rental or for capital appreciation or both is classified as investment property. Investment properties are measured initially at cost, including transaction costs. Subsequent to initial recognition, investment properties are stated at cost less accumulated depreciation and accumulated impairment loss, if any.
- b) Investment properties currently comprise of plots of land and buildings.
- c) Investment properties are derecognised either when they have been disposed of or when they are permanently withdrawn from use and no future economic benefit is expected from their disposal. The difference between the net disposal proceeds and the carrying amount of the asset is recognised in statement of profit and loss in the period in which the property is derecognised.

f. Goodwill

Goodwill is an asset representing the future economic benefits arising from other assets acquired in a business combination that are not individually identified and separately recognised. Goodwill is initially measured at cost, being the excess of the consideration transferred over the net identifiable assets acquired and liabilities assumed, measured in accordance with Ind AS -103 Business Combination.

Goodwill is considered to have indefinite useful life and hence is not subject to amortisation but tested for impairment at least annually. After initial recognition, goodwill is measured at cost less any accumulated impairment losses.

g. Investments and financial assets

Financial assets are recognised when the Group becomes a party to the contractual provisions of the instrument.

On initial recognition, a financial asset is recognised at fair value, in case of financial assets which are recognised at fair value through profit and loss (FVTPL), its transaction costs are recognised in the statement of profit or loss. In other cases, the transaction costs are attributed to the acquisition value of financial asset. However, trade receivables that do not contain a significant financing component are measured at transaction price

Financial assets are subsequently classified measured at –

- amortised cost
- fair value through profit and loss (FVTPL)
- fair value through other comprehensive income (FVOCI).

Financial assets are not reclassified subsequent to their recognition except if and in the period the Group changes its business model for managing financial assets.

Financial asset is derecognised only when the Group has transferred the rights to receive cash flows from the financial asset. Where the entity has transferred the asset, the Group evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, financial asset is derecognised.

In accordance with Ind AS 109, the Group applies the expected credit loss ("ECL") model for measurement and recognition of impairment loss on financial assets and credit risk exposures. The Group follows 'simplified approach' for recognition of impairment loss allowance on trade receivables. Simplified approach does not require the Group to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECL at each reporting date, right from its initial recognition. For recognition of impairment loss on other financial assets and risk exposure, the Group determines that whether there has been a significant increase in the credit risk since initial recognition.

h. Inventories

- (i) Raw materials and stores and spares are valued at weighted average cost including all charges in bringing the materials to the present location.
- (ii) Finished and semi-finished goods are valued at the cost plus direct expenses and appropriate value of overheads or net realizable value, whichever is lower.
- (iii) Obsolete, slow moving and defective inventories are written off/valued at net realisable value during the year as per policy consistently followed by the Group

i. Cash and cash equivalents

Cash and equivalents:

Cash and cash equivalents in the balance sheet comprises of balance with banks and cash on hand and short term deposits with an original maturity of three month or less, which are subject to insignificant risks of changes in value.

Other bank balances:

Other bank balances include deposits with maturity less than twelve months but greater than three months and balances and deposits with banks that are restricted for withdrawal and usage.

j. Trade receivables

A receivable is classified as a trade receivable if it is in respect of the amount due on account of goods sold or services rendered in the normal course of business. Trade receivables are recognised initially at their transaction price and subsequently measured net of any expected credit losses.

k. Equity instruments

An equity instrument is any contract that evidences a residual interest in the assets of the Company after deducting all of its liabilities. Equity instruments which are issued for cash are recorded at the proceeds received, net of direct issue costs.

l. Financial liabilities

- a. Financial liabilities are recognised when the Group becomes a party to the contractual provisions of the instrument. Financial liabilities are initially measured at the amortised cost unless at initial recognition, they are classified as fair value through profit and loss.
- b. Financial liabilities are subsequently measured at amortised cost using the Effective Interest Rate (EIR) method. Financial liabilities carried at fair value through profit and loss are measured at fair value with all changes in fair value recognised in the statement of profit and loss.
- c. Financial liabilities are derecognised when the obligation specified in the contract is discharged, cancelled or expires.

m. Trade payables

A payable is classified as a trade payable if it is in respect of the amount due on account of goods purchased in the normal course of business. These amounts represent liabilities for goods provided to the Group prior to the end of the financial year which are unpaid. These amounts are unsecured and are usually settled as per the payment terms. Trade and other payables are presented as current liabilities unless payment is not due within 12 months after the reporting period.

n. Revenue recognition

- (i) Revenue shall be recognised to depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods and services.
- (ii) Revenue is measured based on transaction price, which is the fair value of the consideration received or receivable, stated net of discounts, return and goods & service tax. Transaction price is recognised based on the price specified in the contract, net of the estimated sales incentives/ discounts.

Ashapura Minechem Limited

- (iii) Accumulated experience is used to estimate and provide for the discounts/rights of return, using the expected value method.
- (iv) A return liability is recognised to expected return in relation to sales made corresponding assets are recognised for the products expected to be returned.
- (v) The Group recognises as an asset, the incremental costs of obtaining a contract with a customer, if the Group expects to recover those costs. The said asset is amortised on a systematic basis consistent with the transfer of goods or services to the customers.
- (vi) Export incentives are accounted for on export of goods if the entitlements can be estimated with reasonable accuracy and conditions precedent to claim are reasonably expected to be fulfilled.
- (vii) Revenue in respect of other income is recognised on accrual basis. However, where the ultimate collection of the same lacks reasonable certainty, revenue recognition is postponed to the extent of uncertainty.

o. Indirect taxes

Purchased of goods and fixed assets are accounted for net of GST input credits. Custom duty paid on import of materials is dealt with in respective material accounts.

p. Mining expenses

Expenses incurred on mining including removal of overburden of mines are charged to the profit & loss statement as mining cost on the basis of quantity of minerals mined during the year, overburden of removal and mining being carried out concurrently and relatively within a short period of time. Mining restoration expenses are annually reviewed and provided for.

q. Research and development expenses and receipts

Revenue expenditure on research and development is charged against the profit for the year in which it is incurred. Capital expenditure on research and development is shown as an addition to the property, plant and equipment and is depreciated on the same basis as other property, plant and equipment. Receipts of research & development centre of the Group are accounted for as revenue receipts.

r. Foreign currency transactions

- (i) Items included in the financial statements are measured using the currency of primary economic environment in which the Group operates ("the functional currency"). The financial statements are presented in Indian Rupee (INR), which is the Parent Company's functional and presentation currency.
- (ii) Foreign currency transactions are initially recorded in the reporting currency at foreign exchange rate on the date of the transaction.
- (iii) Monetary items of current assets and current liabilities denominated in foreign currencies are reported using the closing rate at the reporting date. Non-monetary items which are carried in terms of historical cost denominated in a foreign currency are reported using the exchange rate at the date of the transaction.
- (iv) The gain or loss on decrease/increase in reporting currency due to fluctuations in foreign exchange rates are recognised in the statement of profit or loss.

s. Employee benefit expenses

- (i) Contributions to defined contribution schemes such as provident fund, employees' state insurance, labour welfare fund etc. are charged as an expense based on the amount of contribution required to be made as and when services are rendered by the employees. These benefits are classified as defined contribution schemes as the Group has no further obligations beyond the monthly contributions.
- (ii) The Group provides for gratuity which is a defined benefit plan, the liabilities of which are determined based on valuations, as at the reporting date, made by an independent actuary using the projected unit credit method. Re-measurement comprising of actuarial gains and losses, in respect of gratuity are recognised in the other comprehensive income in the period in which they occur. The classification of the Company's obligation into current and non-current is as per the actuarial valuation report.
- (iii) The employees are entitled to accumulate leave subject to certain limits, for future encashment and availment, as per the policy of the Group. The liability towards such unutilised leave as at the end of each balance sheet date is determined based on independent actuarial valuation and recognised in the statement of profit and loss.

**t. Leases
Group as Lessee**

The Group, as a lessee, recognises a right-of-use asset and a lease liability for its leasing arrangements, if the contract conveys the right to control the use of an identified asset.

The contract conveys the right to control the use of an identified asset, if it involves the use of an identified asset and the Group has substantially all of the economic benefits from use of the asset and has right to direct the use of the identified asset. The cost of the right-of-use asset shall comprise of the amount of the initial measurement of the lease liability adjusted for any lease payments made at or before the commencement date plus any initial direct costs incurred.

The right-of-use assets is subsequently measured at cost less any accumulated depreciation, accumulated impairment losses, if any and adjusted for any remeasurement of the lease liability. The right-of-use assets is depreciated using the straight-line method from the commencement date over the shorter of lease term or useful life of right-of-use asset. Lease payments on short-term leases and leases of low-value assets are recognised as expense on a straight-line basis over the lease term.

Group as lessor

Leases in which the Group does not transfer substantially all the risks and rewards incidental to ownership of an asset are classified as operating leases. Rental income arising is accounted for on a straight-line basis over the lease terms. Initial direct costs incurred in negotiating and arranging an operating lease are added to the carrying amount of the leased asset and recognised over the lease term on the same basis as rental income.

u. Borrowing costs

Borrowing costs consist of interest and other costs that the Group incurs in connection with the borrowing of funds. Also, the effective interest rate amortisation is included in finance costs. Borrowing costs relating to acquisition, construction or production of a qualifying asset which takes substantial period of time to get ready for its intended use are added to the cost of such asset to the extent they relate to the period till such assets are ready to be put to use. All other borrowing costs are expensed in the statement of profit and loss in the period in which they occur.

v. Impairment of non financial assets

As at each reporting date, the Group assesses whether there is an indication that a non-financial asset may be impaired and also whether there is an indication of reversal of impairment loss recognised in the previous periods. If any indication exists, or when annual impairment testing for an asset is required, the Group determines the recoverable amount and impairment loss is recognised when the carrying amount of an asset exceeds its recoverable amount. If the amount of impairment loss subsequently decreases and the decrease can be related objectively to an event occurring after the impairment was recognised, then the previously recognised impairment loss is reversed through the statement of profit and loss.

w. Taxes on income

Income tax expense comprises current tax expense and the deferred tax during the year. Current and deferred taxes are recognised in the statement of profit and loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity, respectively.

Current income tax is recognised based on the estimated tax liability computed after taking credit for allowances and exemptions in accordance with the Income Tax Act, 1961. Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit.

Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are recognized for unused tax losses, unused tax credits and deductible temporary differences to the extent that it is probable that future taxable profits will be available against which they can be used. In case of uncertainty of reversal of the deferred tax assets or when it is no longer probable that sufficient taxable profits will be available in the foreseeable future, deferred tax assets, as a matter of prudence, are not recognised.

The carrying amount of deferred tax is reviewed at each reporting date and measured at the tax rates that are expected to be applied to temporary differences when they reverse, using tax rates enacted or substantively enacted at the reporting date. The measurement of deferred tax reflects the tax consequences that would follow from the manner in which the Company expects, at the reporting date, to recover or settle the carrying amount of its assets and liabilities.

x. Provisions and contingent liabilities

The Group creates a provision when there is present obligation, legal or constructive, as a result of past events that probably requires an outflow of resources and a reliable estimate can be made of the amount of obligation.

Contingent liabilities are disclosed in respect of possible obligations that arise from past events, whose existence would be confirmed by the occurrence or non-occurrence of one or more uncertain future events. Contingent assets are neither recognised nor disclosed in the financial statements.

y. Earnings per share

- (i) Basic earnings per share is computed by dividing the net profit or loss for the period attributable to the equity shareholders of the Group by the weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period and for all periods presented is adjusted for events, such as bonus shares, other than the conversion of potential equity shares that have changed the number of equity shares outstanding, without a corresponding change in resources.
- (ii) For the purpose of calculating diluted earning per share, the net profit or loss for the period attributable to the equity shareholders and the weighted average number of equity shares outstanding during the period is adjusted for the effects of all dilutive potential equity shares.

Ashapura Minechem Limited

z. Offsetting instruments

Financial assets and liabilities are offset and the net amount reported in the balance sheet when there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the Group or the counterparty.

aa. Events after the reporting period

Adjusting events are events that provide further evidence of conditions that existed at the end of the reporting period. The financial statements are adjusted for such events before authorisation for issue.

Non-adjusting events are events that are indicative of conditions that arose after end of the reporting period. Non-adjusting events after the reporting date are not accounted, but disclosed.

bb. Non-current assets held for sale

Non-current assets are classified as held for sale if their carrying amount will be recovered principally through a sale transaction rather than through continuing use and a sale is considered highly probable. They are measured at the lower of their carrying amount and fair value less costs to sell. An impairment loss is recognised for any initial or subsequent write-down of the asset to fair value less costs to sell. A gain is recognised for any subsequent increases in fair value less costs to sell of an asset, but not in excess of any cumulative impairment loss previously recognised. A gain or loss not previously recognised by the date of the sale of the non-current asset is recognised at the date of de-recognition. Non-current assets are not depreciated or amortised while they are classified as held for sale. Interest and other expenses attributable to the liabilities of a disposal group classified as held for sale continue to be recognised. Non-current assets classified as held for sale are presented separately from the other assets in the balance sheet.

cc. Segment reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the operating decision makers. The decision makers regularly monitor and review the operating result of the Group. The activities of the Group, in the opinion of the management, primarily falls under a single segment of "Minerals and its derivative products" in accordance with the Ind AS 108 "Operating Segments".

dd. Recent pronouncements

The Ministry of Corporate Affairs has vide notification dated 31st March, 2023 notified Companies (Indian Accounting Standards) Amendment Rules, 2023 (the 'Rules') which amends certain accounting standards, and are effective 1 April, 2023. The Rules predominantly amends Ind AS 1, Presentation of financial statements and Ind AS 12, Income taxes, whereas the other amendments notified by these rules are primarily in the nature of clarifications. As per the Management's assessment, these amendments are not expected to have a material impact on the Group in the current or future reporting periods and on foreseeable future transactions.

Financial risk management

The Group's activities expose it to credit risk, liquidity risk and market risk.

Risk	Exposure arising from	Measurement	Management
Credit risk	Cash and cash equivalents, financial assets and trade receivables	Credit ratings, Aging analysis, credit evaluation	Diversification of counter parties, investment limits, check on counter parties basis credit rating and number of overdue days
Liquidity risk	Borrowings, trade payables and other liabilities	Maturity analysis	Maintaining sufficient cash/ cash equivalents and marketable securities
Market risk	Financial assets and liabilities not denominated in INR	Sensitivity analysis	Constant evaluation and proper risk management policies

The Board provides guiding principles for overall risk management as well as policies covering specific areas such as foreign exchange risk, credit risk and investment of surplus liquidity.

A. Credit risk

Credit risk refers to the risk of a counter party default on its contractual obligation resulting into a financial loss to the Group. The maximum exposure of the financial assets represents trade receivables, work in progress and receivables.

Customer credit risk is managed by the Group through established policy and procedures and control relating to customer credit risk management. Trade receivables are non-interest bearing and are generally carrying upto 90 days credit terms. The Group has a detailed review mechanism of overdue customer receivables at various levels within organisation to ensure proper attention and focus for realisation. Trade receivables are consisting of a large number of customers. Export receivables are backed by forward contract. In respect of trade receivables, the Group uses a provision matrix to compute the expected credit loss allowances for trade receivables in accordance with the excepted credit loss (ECL) policy of the Group.

B. Liquidity risk

Liquidity risk is the risk that the Group will encounter difficulty in raising funds to meet its commitments associated with financial instruments.

Liquidity risk may result from an inability to sell a financial assets quickly at close to its fair value.

The Group, to the best extent possible, attempts to manage liquidity risk by maintaining adequate liquid assets and banking facilities by continuously monitoring forecast and actual cash flows and by matching the maturity profiles of financial assets and liabilities.

C. Market risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Such changes in the values of financial instruments may result from changes in foreign currency exchange rates, interest rates, credit, liquidity and other market changes.

The Group has several balances in foreign currency and consequently, the Group is exposed to foreign exchange risk. The Group evaluates exchange rate exposure arising from foreign currency transactions and follows established risk management policies, to the extent possible.

a) Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Group's exposure to the risk of changes in market interest rates relates primarily to the Group's long-term debt obligations with floating interest rates. The Group manages its interest rate risk by having a balanced portfolio of fixed and variable rate loans and borrowings, wherever possible.

b) Interest rate sensitivity:

The following table demonstrates the sensitivity to a reasonably possible change in interest rates on that portion of loans and borrowings affected. With all other variables held constant, the Group's profit before tax is affected through the impact on floating rate borrowings, as follows:

	(Indian ₹ in lacs)	
Particulars	Increase/decrease in basis points	Effect of profit before tax
31st March, 2023	+100	756.20
	-100	(756.20)

Capital management

For the purpose of the Group's capital management, capital includes issued capital and all other equity reserves attributable to the equity shareholders of the Group. The primary objective of the Group when managing capital is to safeguard its ability to continue as a going concern and to maintain an optimal capital structure so as to maximize shareholder value.

The Group's capital management objective is to maximise the total shareholder returns by optimising cost of capital through flexible capital structure that supports growth. Further, the Group attempts to ensure optimal credit risk profile to maintain/enhance credit rating.

The Group determines the amount of capital required on the basis of annual operating plan and long-term strategic plans. The funding requirements are met through internal accruals and long-term/short-term borrowings. The Group monitors the capital structure on the basis of net debt to equity ratio and maturity profile of the overall debt portfolio of the Group.
