#### **Auditor's Report on Quarterly Financial Results and Year to Date Results of the Company Pursuant to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.**

**To the Resolution Professional of  
Sri Adhikari Brothers Television Network Limited**

1. The Hon'ble National Company Law Tribunal, Mumbai bench ("NCLT") in an Order dated December 20, 2019 admitted an Insolvency and Bankruptcy petition filed by one of the secured lenders against Sri Adhikari Brothers Television Network Limited and appointed Mr. Vijendra Kumar Jain to act as Resolution Professional (RP) to carry the functions as mentioned under Insolvency and Bankruptcy Code, 2016.
2. As per Regulation 33(2)(b) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, the financial results of a company submitted to the Stock Exchange shall be signed by the Chairperson or Managing Director or Whole Time Director or in absence of all of them, it shall be signed by any Director of the company who is duly authorized by the board of Directors to sign the financial results. Pursuant to the order of Hon'ble NCLT initiating Corporate Insolvency Resolution Process ("CIRP"), the powers of the Board of Directors stand suspended and such powers are exercisable by RP. As the powers of the Board of Directors have been suspended, the above results are signed by RP, subject to RP's qualifications. Further, as informed to us, the above results are not approved by the Audit Committee and not adopted by Board of Directors as the erstwhile Board of Directors are suspended in CIRP.
3. We have audited the quarterly financial results of **Sri Adhikari Brothers Television Network Limited** ("the Company") for the quarter ended March 31, 2020 and the year to date results for the period ended April 1, 2019 to March 31, 2020, attached herewith, being submitted by the company pursuant to the requirement of Regulations 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, which has been prepared by the suspended management of the Company. Our responsibility is to express an opinion on these financial results based on our audit of the financial results which have been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standards, prescribed under Section 133 of the Companies Act, 2013 read with relevant rules issued thereunder; or by the Institute of Chartered Accountants of India and other accounting principles generally accepted in India.
4. We conducted our audit in accordance with the auditing standards generally accepted in India. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial results are free of material misstatement(s). An audit includes examining, on a test basis, evidence supporting the amounts disclosed as financial results. An audit also includes assessing the accounting principles used and significant estimates made by management. We believe that our audit provides a reasonable basis for our opinion.

**Adverse Opinion**

- i) *We are not able to judge solely on the basis of verification of other audit evidences obtained during the course of audit whether the management has fulfilled its responsibility for the preparation of the financial statements in accordance with the applicable financial reporting framework. Further, we had also requested the management to give a written representation that it has provided us with all the relevant information during the audit and whether all the transactions have been properly recorded and reflected in financial statements, however the management has not provided all such written representations as required by SRE 2410 and as per Standard on Auditing SA 580, as a result we are unable to obtain sufficient appropriate audit evidence. The possible effects of such inability on the financial statements are not confined to specific elements, any accounts or items of financial statements and hence we conclude this condition to be pervasive, in our professional judgment, due to which we have issued adverse opinion on the financial statements in such circumstances as required by Standard on Auditing SA 705 (Revised).*
- ii) *We draw attention to Note No. 6 forming part of financial results regarding preparation of accounts on going concern basis notwithstanding the fact that loans have been recalled back by secured lenders, current liabilities are substantially higher than the current assets, issue of notices under Securitisation and Reconstruction of Financial Assets and Enforcement of Security Interest Act, 2002, recovery proceedings initiated with debt recovery tribunal and taking over symbolic possession of immovable properties by the secured lenders of the Company and invocation of Corporate Guarantees which was given by the Company relating to its related group companies, initiation of Corporate Insolvency Resolution Process under Insolvency and Bankruptcy Code, 2016, termination of leave and licence agreement notices sent to lessees in the subsequent financial year, substantial losses incurred by the Company for the quarter and period ended March 31, 2020 and previous financial years and negative Total Equity of Rs. 32,19,34,869/- as on March 31, 2020. Further, attention is drawn to Order dated 17.01.2020 by Hon'ble NCLAT, New Delhi, wherein it is stated that the RP has to ensure that the Company continues to remain as a going concern and will have to take the assistance of the suspended management. The appropriateness of assumption of going concern is mainly dependent on the company's ability to generate growth in cash flows in future, to meet its obligation. However, we are unable to obtain sufficient and appropriate audit evidence regarding management using principle of going concern in the preparation of financial results, in view of the initiation of Corporate Insolvency Resolution Process, the outcome of which cannot be ascertained as on date and uncertainty relating to other matters stated hereinabove. Further, as represented by RP in Committee of Creditors (CoC) meeting dated June 20, 2020 wherein it was decided that since the current leases are causing many hindrances, as mentioned in minutes of the said CoC meeting, in finding a resolution to the Company's current situation, the RP has served termination of Leave and License agreement notices to the lessees in the subsequent financial year in the interest of the Company. However, an application is issued on behalf of Mr. Markand Adhikari before Hon'ble NCLT, Mumbai Bench seeking issuance of appropriate directions to quash the termination of Leave and Licence Notice on behalf of the Company to the lessees. The outcome of such application cannot be ascertained as on date.*
- iii) *Due to defaults in repayment of loans taken from Bank/s, the Account of the Company has been classified as Non-Performing Asset by Banks in the previous financial years and except two Banks, other Banks have*

not charged the interest / reversed the unpaid interest charged from the date the account has been classified as non-performing. No provision has been made in the books of accounts maintained by the Company for interest / penal interest, if any, on these term loans amounting to Rs. 19,79,81,711/- as on March 31, 2020, hence to that extent, finance cost, total loss for the year ended March 31, 2020, Negative "Other Equity" balances (as it includes interest expense of previous financial years) and current financial liabilities are understated by Rs. 19,79,81,711/- as on March 31, 2020. The said amount of Rs. 19,79,81,711/- is the difference between claims amounting to Rs. 1,94,98,88,488/- (including interest) received from banks by RP and amount of loan outstanding from banks amounting to Rs.175,19,06,777 /- reflected in books of accounts of the Company as on March 31, 2020.

- iv) The Company / RP has received claims from Operational Creditors and employees amounting to Rs. 10,19,182 /- which has been accepted, however Rs. 7,82,303/- is the balance outstanding as per books as on March 31, 2020 for such creditors and employees. The loss for the year ended March 31, 2020 and Trade Payables are understated to the extent of Rs. 2,36,879 /- as on March 31, 2020.
- v) The aggregate carrying value of business and commercial rights in the books of the Company as on March 31, 2020 is Rs. 109,83,77,750/-. There is no revenue generation from monetization of these assets during the quarter and period ended March 31, 2020 due to which the Company has incurred substantial losses during the quarter and period ended March 31, 2020 and previous financial years. There is a strong indication of impairment in the value of these business and commercial rights and therefore we are of the opinion that the impairment loss of Rs. 109,83,77,750/- should be provided on all such assets in the books of accounts of the Company as on March 31, 2020. The assets of the Company are overstated and net loss for the quarter and period ended March 31, 2020 is understated to that extent.
- vi) The Company has not provided for loss allowances on financial corporate guarantee contracts amounting to Rs. 428,28,25,736/- (including interest / penalty calculated upto CIRP admission date) given by the Company on behalf of its related group companies which is to be recognized as required by Indian Accounting Standard (IND-AS 109). The financial liabilities of the Company and net loss for the quarter and period ended March 31, 2020 is understated to that extent.
- vii) The Company's inventories are carried in the Balance Sheet at Rs. 2,71,01,487/- as on March 31, 2020. The Management has not stated the inventories at the lower of cost and net realizable value but has stated them solely at cost, which constitutes a departure from Indian Accounting Standard-2- Inventories (Ind AS-2). As the inventories of the Company consist of rights which are returned by the customers due to defect in quality of such rights and it also consist of such inventory which are non-moving for a long period of time, we are of the opinion that the net realizable value of inventories is NIL as on March 31, 2020. The assets of the Company are overstated and net loss for the quarter and period ended March 31, 2020 is understated to that extent.
- viii) The impact of impairment of all other Tangible assets in Property, Plant and Equipment amounting to Rs. 37,76,89,098/- and Capital Work in Progress amounting to Rs. 14,03,44,247 /- should have been accounted in the books of accounts by the Company at the year ended March 31, 2020 after considering the physical verification of all such assets and by ascertaining the Fair Market Value of such assets by appointing a third

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the Statement. The procedures selected depend on the auditor's judgment, including the assessment of the risk of material misstatement of the Statement, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Parent's preparation and fair presentation of the Statement in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Management, as well as evaluating the overall presentation of the Statement.

We also performed procedures in accordance with the circular issued by the SEBI under Regulation 33 (8) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended, to the extent applicable.

We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion.

**6. Basis of Adverse Opinion for accounts of Holding Company (i.e. Sri Adhikari Brothers Television Network Limited )**

- i) *We are not able to judge solely on the basis of verification of other audit evidences obtained during the course of audit whether the management has fulfilled its responsibility for the preparation of the financial statements in accordance with the applicable financial reporting framework. Further, we had also requested the management to give a written representation that it has provided us with all the relevant information during the audit and whether all the transactions have been properly recorded and reflected in financial statements, however the management has not provided all such written representations as required by SRE 2410 and as per Standard on Auditing SA 580, as a result we are unable to obtain sufficient appropriate audit evidence. The possible effects of such inability on the financial statements are not confined to specific elements, any accounts or items of financial statements and hence we conclude this condition to be pervasive, in our professional judgment, due to which we have issued adverse opinion on the financial statements in such circumstances as required by Standard on Auditing SA 705 (Revised).*
- ii) *We draw attention to Note No. 6 forming part of financial results regarding preparation of accounts on going concern basis notwithstanding the fact that loans have been recalled back by secured lenders, current liabilities are substantially higher than the current assets, issue of notices under Securitisation and Reconstruction of Financial Assets and Enforcement of Security Interest Act, 2002, recovery proceedings initiated with debt recovery tribunal and taking over symbolic possession of immovable properties by the secured lenders of the Company and invocation of Corporate Guarantees which was given by the Company relating to its related group companies, initiation of Corporate Insolvency Resolution Process under Insolvency and Bankruptcy Code, 2016, termination of leave and licence agreement notices sent to lessees in the subsequent financial year, substantial losses incurred by the Company for the quarter and period ended March 31, 2020 and previous financial years and negative Total Equity of Rs. 32,20,49,937/- as on March 31, 2020. Further, attention is drawn to Order dated 17.01.2020 by Hon'ble NCLAT, New Delhi, wherein it is stated that the RP has to ensure that the Company continues to remain as a going concern and will have to take the assistance of the suspended management. concern is mainly dependent on the company's ability to generate growth in cash flows in future, to meet its obligation. However, we are unable to obtain sufficient and appropriate audit evidence regarding management using principle of going concern in the preparation of financial results, in view of the initiation of Corporate Insolvency Resolution Process, the outcome of which cannot be ascertained as on date and uncertainty relating to other matters stated hereinabove. Further, as represented by RP in Committee of Creditors (CoC) meeting dated June 20, 2020 wherein it was decided that since the current leases are causing many hindrances, as mentioned in minutes of the said CoC meeting, in finding a resolution to the Company's current situation, the RP has served termination of Leave and License agreement notices to the lessees in the subsequent financial year in the interest of the Company. However, an application is issued on behalf of Mr. Markand Adhikari before Hon'ble NCLT, Mumbai Bench seeking issuance of appropriate directions to quash the termination of Leave and License Notice on behalf of the Company to the lessees. The outcome of such application cannot be ascertained as on date.

- iii) Due to defaults in repayment of loans taken from Bank/s, the Account of the Company has been classified as Non-Performing Asset by Banks in the previous financial years and except two Banks, other Banks have not charged the interest / reversed the unpaid interest charged from the date the account has been classified as non-performing. No provision has been made in the books of accounts maintained by the Company for interest / penal interest, if any, on these term loans amounting to Rs. 19,79,81,711/- as on March 31, 2020, hence to that extent, finance cost, total loss for the year ended March 31, 2020, Negative "Other Equity" balances (as it includes interest expense of previous financial years) and current financial liabilities are understated by Rs. 19,79,81,711/- as on March 31, 2020. The said amount of Rs. 19,79,81,711/- is the difference between claims amounting to Rs. 1,94,98,88,488/- (including interest) received from banks by RP and amount of loan outstanding from banks amounting to Rs.175,19,06,777 /- reflected in books of accounts of the Company as on March 31, 2020.
- iv) The Company / RP has received claims from Operational Creditors and employees amounting to Rs. 10,19,182 /- which has been accepted, however Rs. 7,82,303/- is the balance outstanding as per books as on March 31, 2020 for such creditors and employees. The loss for the year ended March 31, 2020 and Trade Payables are understated to the extent of Rs. 2,36,879 /- as on March 31, 2020.
- v) The aggregate carrying value of business and commercial rights in the books of the Company as on March 31, 2020 is Rs. 109,83,77,750/-. There is no revenue generation from monetization of these assets during the quarter and period ended March 31, 2020 due to which the Company has incurred substantial losses during the quarter and period ended March 31, 2020 and previous financial years. There is a strong indication of impairment in the value of these business and commercial rights and therefore we are of the opinion that the impairment loss of Rs. 109,83,77,750/- should be provided on all such assets in the books of accounts of the Company as on March 31, 2020. The assets of the Company are overstated and net loss for the quarter and period ended March 31, 2020 is understated to that extent.
- vi) The Company has not provided for loss allowances on financial corporate guarantee contracts amounting to Rs. 428,28,25,736/- (including interest / penalty calculated upto CIRP admission date) given by the Company on behalf of its related group companies which is to be recognized as required by Indian Accounting Standard (IND-AS 109). The financial liabilities of the Company and net loss for the quarter and period ended March 31, 2020 is understated to that extent.

- vii) *The Company's inventories are carried in the Balance Sheet at Rs. 2,71,01,487/- as on March 31, 2020. The Management has not stated the inventories at the lower of cost and net realizable value but has stated them solely at cost, which constitutes a departure from Indian Accounting Standard-2- Inventories (Ind AS-2). As the inventories of the Company consist of rights which are returned by the customers due to defect in quality of such rights and it also consist of such inventory which are non-moving for a long period of time, we are of the opinion that the net realizable value of inventories is NIL as on March 31, 2020. The assets of the Company are overstated and net loss for the quarter and period ended March 31, 2020 is understated to that extent.*
- viii) *The impact of impairment of all other Tangible assets in Property, Plant and Equipment amounting to Rs. 39,38,61,596 /- and Capital Work in Progress amounting to Rs. 14,03,44,247 /- should have been accounted in the books of accounts by the Company at the year ended March 31, 2020 after considering the physical verification of all such assets and by ascertaining the Fair Market Value of such assets by appointing a third party expert valuers and doing a valuation of the same. The assets of the Company are overstated and net loss for the quarter and period ended March 31, 2020 is understated to that extent.*
- ix) *No provision for doubtful debts for the sum of Rs. 26,81,000 /- has been made in books of accounts as on March 31, 2020 as per expected credit loss method prescribed under IND-AS 109 for amount recoverable from a debtor which is doubtful of recovery. The losses and current liabilities of the Company are understated as on March 31, 2020 to the extent of Rs. 26,81,000 /-.*

We wish to highlight that due to the COVID-19 induced restrictions on physical movement and strict timelines, the entire audit team could not visit the office of the Company for undertaking the required audit procedures as prescribed under ICAI issued Standards on Auditing, including but not limited to:

- iii) Attention is drawn to Note No.9 and Note No.10 forming part of the results relating to Exceptional Items wherein the Company has written off Rs. 42,54,046 /- receivable from debtors and also written back Rs. Rs. 28,48,115 /- payable to creditors in financial year 2019-2020, as a part of its policy, however it has not received any related claim or NIL balance certificate / supporting document from any its customer / vendor, hence such write off and write back of balances are subject to confirmation from the concerned parties as on March 31, 2020.
- iv) Attention is drawn to Note No. 2 forming part of the results wherein we are informed by the RP that the suspended management has not handed over the books of accounts and other accounting records and documents, possession of the corporate office, plot at Kandivali, content library (intangible asset), inventories, other fixed assets, original agreements and documents related to Company and the Resolution Professional has filed a non-cooperation petition with Hon'ble NCLT, Mumbai against the suspended management of the Company under section 19 of IBC. Further, attention is also drawn to the application filed before Hon'ble NCLT, Mumbai Bench, on behalf of Mr. Markand Adhikari, seeking substitution / change of the Resolution Professional under section 7(3)(B) of the Insolvency and Bankruptcy Code, 2016, the outcome of both the pending applications mentioned hereinabove cannot be ascertained as on date.
- v) In the management representation provided to us by the RP, it has been stated that the Forensic Auditor has been appointed to conduct Transaction Audit of the Company for the last 5 financial years who could not complete the audit due to non-cooperation from the suspended management and RP has also appointed IBBI approved valuers to carry out valuation of the assets (including intangible assets) of the Company. The financial impact, if any, of findings of such Forensic Audit and valuation of assets (including intangible assets) by IBBI approved valuers, will be accounted for by the Company after the said reports have been received by the Company.

Our opinion is not modified in respect of these matters.

**Emphasis of Matters in Auditors report of Subsidiary Company (i.e. Westwind Realtors Limited)**

Attention is drawn to Significant accounting policies forming part of financial statements of the Subsidiary Company which states that the Subsidiary Company has not provided for depreciation on Building which is being constructed out of construction contribution received from members in accordance with the Articles of Association of the Company, which being a typical nature of entity, wherein though the Company is the technical / legal owner of the property, the shareholders are the beneficial owners of the areas allotted to them in proportion to their shareholding, due to which fixed assets are stated at cost of acquisition and direct/indirect incidental cost incurred to bring them into their present location and condition as per the generally accepted accounting principles.

Our opinion is not modified in respect of this matter.

**Basis of Adverse Opinion for accounts of Associate Company (i.e. SAB Media Networks Private Limited):**

- i) *The aggregate carrying value of Business and Commercial Rights and Channel Development Cost in the books of the Company as on March 31, 2020 is Rs. 98,47,20,824/-. There is no revenue generation from monetization of these assets during the quarter and year ended March 31, 2020 due to which the Company has incurred substantial losses during the quarter and year ended March 31, 2020 and previous financial years. There is a strong indication of impairment in the value of these Business and Commercial Rights and Channel Development Cost and therefore we are of the opinion that the impairment loss of Rs. 98,47,20,824/- should be provided on all such assets in the books of accounts of the Company as on March 31, 2020. The assets of the Company are overstated and net loss for the quarter and year ended March 31, 2020 is understated to that extent.*
- ii) *Due to defaults in repayment of loans taken from Bank/s, the Account of the Company has been classified as Non-Performing Asset by Banks in the previous financial years. Further bank has taken possession and sold the collateral securities belonging to the promoters and its group entities and has invoked the shares pledged as collaterals provided by third party and adjusted sale proceeds of Rs.25,78,01,079/- against the interest liability. No provision has been made in the books of accounts maintained by the Company for interest / penal interest, if any, on these term loans amounting to Rs. 26,81,93,660/- as on March 31, 2020, hence to that extent, finance cost, total loss for the year ended March 31, 2020, Negative "Other Equity" balances (as it includes interest expense of previous financial years) and current financial liabilities are understated by Rs. 26,81,93,660/- as on March 31, 2020.*

**Material uncertainty related to Going Concern of Associate Company ( i.e. SAB Media Networks Private Limited ):**

- i) *The results are prepared on going concern basis notwithstanding the fact that loan accounts are classified as non-performing by bank, loans have been recalled back by secured lenders, current liabilities are substantially higher than the current assets, sale of mortgaged property provided as collateral by promoter and promoter group companies, invocation of part of the shares pledged as collaterals by bank, further as discussed in the Basis of Adverse Opinion paragraph, the carrying value of non-current assets has been fully impaired and also that there is no business activity has been carried out during the financial year under audit and substantial losses incurred by the Company during the year ending March 31, 2020 and previous financial years and negative net worth of Rs. 32,49,83,866 /- as on March 31, 2020. All of the above conditions indicate that a material uncertainty exists that may cast significant doubt on the company's ability to continue as a going concern.*

*Our opinion is not modified in respect of this matter.*

- 5) *In our opinion and to the best of our information and according to the explanations given to us except for the possible effects of the Basis of Adverse Opinion paragraph and Emphasis of Matters paragraph in Holding Company and Subsidiary Company and Basis of Adverse*

		<p>The Hon'ble National Company Law Tribunal, Mumbai bench ("NCLT") in an Order dated December 20, 2019 admitted an Insolvency and Bankruptcy petition filed by one of the secured lenders against Sri Adhikari Brothers Television Network Limited and appointed Mr. Vijendra Kumar Jain to act as Resolution Professional (RP) to carry the functions as mentioned under Insolvency and Bankruptcy Code, 2016.</p> <p>Pursuant to the order of Hon'ble NCLT initiating Corporate Insolvency Resolution Process ("CIRP"), the powers of the Board of Directors stand suspended and such powers are exercisable by Resolution Professional (RP). As informed by the Resolution Professional, the suspended management has not handed over the books of accounts and other accounting records and documents, possession of the corporate office, plot at Kandivali, content library (intangible asset), inventories, other fixed assets, original agreements and documents related to Company. Therefore the Resolution Professional has filed a non-cooperation petition with Hon'ble NCLT, Mumbai against the suspended management of the Company under section 19 of IBC. These Financials are as prepared by the suspended management. The suspended Managing Director who is in possession of the Books of Accounts and under whose supervision the Financials for the quarter ended and financial year ended March 31, 2020 are prepared, has refused to sign the Financials by an email dated 28th July, 2020.</p> <p>Resolution Professional has added qualifications to the above effect in the Notes to the Financials. Accordingly, the Resolution Professional (RP) is not able to comment on the below qualifications.</p>		
II.	<b>Audit Qualification (each audit qualification separately):</b>			
1	<p><b>a. Details of Audit Qualification: Written management representation as per SRE 2410 and SA 580 not provided.</b> We are not able to judge solely on the basis of verification of other audit evidences obtained during the course of audit whether the management (i.e. RP pursuant to the NCLT order) has fulfilled its responsibility for the preparation of the financial statements in accordance with the applicable financial reporting framework. Further, we had also requested the management to give a written representation that it has provided us with all the relevant information during the audit and whether all the transactions have been properly recorded and reflected in financial statements, however the management has not provided all such written representations as required by SRE 2410 and as per Standard on Auditing SA 580, as a result we are unable to obtain sufficient appropriate audit evidence. The possible effects of such inability on the financial statements are not confined to specific elements, any accounts or items of financial statements and hence we conclude this condition to be pervasive, in our professional judgment, due to which we have issued adverse opinion on the financial statements in such circumstances as required by Standard on Auditing SA 705 (Revised).</p>			
	<b>b. Type of Audit Qualification : Qualified Opinion / Disclaimer of Opinion / Adverse Opinion</b>			
	<b>c. Frequency of qualification: Whether appeared first time / repetitive / since how long continuing: First Time</b>			
	<b>d. For Audit Qualification(s) where the impact is quantified by the auditor, Management's Views: NA</b>			
	<b>e. For Audit Qualification(s) where the impact is not quantified by the auditor:</b>			
	<p>i. Management's estimation on the impact of audit qualification: NIL</p> <p>ii. If management is unable to estimate the impact, reasons for the same:</p> <p>iii. Auditors' Comments on (i) or (ii) above:</p>			

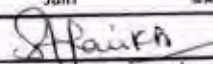

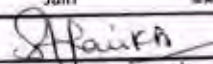

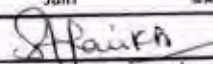

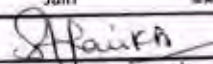

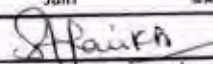

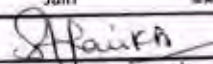

2	<p><b>a. Details of Audit Qualification: Unable to obtain sufficient and appropriate audit evidence regarding management use of the going concern of accounting in the preparation of financial results.</b>  ii) We draw attention to Note No. 6 forming part of financial results regarding preparation of accounts on going concern basis notwithstanding the fact that loans have been recalled back by secured lenders, current liabilities are substantially higher than the current assets, issue of notices under Securitisation and Reconstruction of Financial Assets and Enforcement of Security Interest Act, 2002, recovery proceedings initiated with debt recovery tribunal and taking over symbolic possession of immovable properties by the secured lenders of the Company and invocation of Corporate Guarantees which was given by the Company relating to its related group companies, initiation of Corporate Insolvency Resolution Process under Insolvency and Bankruptcy Code, 2016, termination of leave and licence agreement notices sent to lessees in the subsequent financial year, substantial losses incurred by the Company for the quarter and period ended March 31, 2020 and previous financial years and negative Total Equity of Rs. 32,20,49,937/- as on March 31, 2020. Further, attention is drawn to Order dated 17.01.2020 by Hon'ble NCLAT, New Delhi, wherein it is stated that the RP has to ensure that the Company continues to remain as a going concern and will have to take the assistance of the suspended management. The appropriateness of assumption of going concern is mainly dependent on the company's ability to generate growth in cash flows in future, to meet its obligation. However, we are unable to obtain sufficient and appropriate audit evidence regarding management using principle of going concern in the preparation of financial results, in view of the initiation of Corporate Insolvency Resolution Process, the outcome of which cannot be ascertained as on date and uncertainty relating to other matters stated hereinabove. Further, as represented by RP in Committee of Creditors (CoC) meeting dated June 20, 2020 wherein it was decided that since the current leases are causing many hindrances, as mentioned in minutes of the said CoC meeting, in finding a resolution to the Company's current situation, the RP has served termination of Leave and Licence agreement notices to the lessees in the subsequent financial year in the interest of the Company. However, an application is issued on behalf of Mr. Markand Adhikari before Hon'ble NCLT, Mumbai Bench seeking issuance of appropriate directions to quash the termination of Leave and Licence Notice on behalf of the Company to the lessees. The outcome of such application cannot be ascertained as on date.</p>

3	<p><b>a. Details of Audit Qualification: Non Provision of Interest on loan.</b>  Due to defaults in repayment of loans taken from Bank/s, the Account of the Company has been classified as Non-Performing Asset by Banks in the previous financial years and except two Banks, other Banks have not charged the interest / reversed the unpaid interest charged from the date the account has been classified as non-performing. No provision has been made in the books of accounts maintained by the Company (or interest / penal interest, if any, on these term loans amounting to Rs. 19,79,81,711/- as on March 31, 2020, hence to that extent, finance cost, total loss for the year ended March 31, 2020, Negative "Other Equity" balances (as it includes interest expense of previous financial years) and current financial liabilities are understated by Rs. 19,79,81,711/- as on March 31, 2020. There is no revenue generation from monetization of these assets during the quarter and period ended March 31, 2020 due to which the Company has incurred substantial losses during the quarter and period ended March 31, 2020 and previous financial years. There is a strong indication of impairment in the value of these business and commercial rights and therefore we are of the opinion that the impairment loss of Rs. 109,83,77,750/- should be provided on all such assets in the books of accounts of the Company as on March 31, 2020.
