As per provisions of section 186 of the Companies Act, 2013 the Board of Directors of a company could give any loan, guarantee or provide security in connection with a loan to any other body corporate or person and acquire securities by way of subscription, purchase or otherwise to any person or body corporate to the extent of sixty percent of paid up share capital, free reserves and securities premium or one hundred per cent of its free reserves and securities premium account whichever is more and for giving any loan or providing guarantee and/or security in excess of limit specified above, the approval of the members of the company in General Meeting by way of Special resolution has to be obtained.

The Company may give loan and guarantee to any person and make investments by acquiring securities by way of purchase or subscription or otherwise from time to time. So, it is proposed to increase the limit of giving any loan or guarantee or providing security to anybody corporate or any other person and to invest funds upto ₹350 Crores and hereby recommends to the members of the company for their approval by way of a Special Resolution.

None of the Directors, key managerial personnel and relatives of Directors and/or key managerial personnel (as defined in the Companies Act, 2013) are concerned or interested in the proposed resolution, except in the ordinary course of business and extent to their shareholding and directorship.

ITEM No. 6 : Approval for setting a threshold limit under section 185 and provide power to the Board of Directors:

The Company's principal business activities inter alia consists of manufacturing of Ceramic and Vitrified Tiles. The Company may be required to make loan(s) including loan represented by way of Book Debt (the "loan") to, and/or give guarantee(s) and/or provide security(ies) in connection with any loan, including loan represented by way of Book debt, if any (the "Loan") taken/ to be taken by the Company. The said Loan(s)/ guarantee(s)/ security (ies) shall be utilised by the company for its principal business activities and the matters connected and incidental thereto (the "Principal Business Activities").

Section 185 (1) of the Companies Act, 2013 provides that no company shall, directly or indirectly, advance any loan, including any loan represented by a book debt to, or give any guarantee or provide any security in connection with any loan taken by—

- (1) (a) any director of company, or of a company which is its holding company or any partner or relative of any such director; or
(b) any firm in which any such director or relative is a partner.
- (2) A company may advance any loan including any loan represented by a book debt, or give any guarantee or provide any security in connection with any loan taken by any person in whom any of the director of the company is interested, subject to the condition that—
 - (a) a special resolution is passed by the company in General Meeting :

Provided that the explanatory statement to the notice for the relevant General Meeting shall disclose the full particulars of the loans given, or guarantee given or security provided and the purpose for which the loan or guarantee or security is proposed to be utilised by the recipient of the loan or guarantee or security and any other relevant fact; and

NOTICE (Contd.)

(b) the loans are utilised by the borrowing company for its principal business activities.

hence consent of the members is being sought by way of a special resolution pursuant to the above provisions of the Act for making of Loan(s) to, and/or giving of guarantee(s), and/or providing of security (ies) in connection with any Loan taken/ to be taken an aggregate outstanding amount not exceeding ₹350.00 Crores (Rupees Three hundred fifty crores only) and necessary delegation of authority to the Board for this purpose. Your Directors recommend the resolution set out at Item No. 5 to be passed as a special resolution by the members.

None of the Directors, key managerial personnel and relatives of Directors and/or key managerial personnel (as defined in the Companies Act, 2013) are concerned or interested in the proposed resolution, except in the ordinary course of business and extent to their shareholding and directorship.

ITEM No. 7 : Approval for enter into Related Party Transactions as prescribed under section 188 and provide power to the Board of Directors:

The Companies Act, 2013 aims to ensure transparency in the transactions and dealings with the related parties of the Company. The provisions of Section 188(1) of the Companies Act, 2013 read with Regulation 23 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, govern the Related Party Transactions for entering into any contract, transactions or arrangement with the related party (ies).

The Company in its ordinary course of business and/or on arm's length price basis avails services and purchases of electricity, the Company also purchases goods from its group companies. The purchase of electricity and goods or availing services from its group companies as mentioned in the resolution is dependent on the requirement of the Company for its products from time to time and the ability of supply of specified material by its group companies. During the course of its business the Company also sells its products to its group companies.

The Company has noted that its fall under the category of a related party of the Company in terms of the provisions of the Regulation 23 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. The provisions of the Listing Agreement consider a transaction with a related party material if the transaction / transactions to be entered into individually or taken together with previous transactions during a financial year, exceeds ten percent of the annual consolidated turnover of the company as per the last audited financial statements of the company. Further, the Listing Agreement requires all material related party transactions to be approved by the shareholders through a special resolution and the related parties shall abstain from voting on such resolutions. The Company envisages that the transaction(s) entered into with its Group Companies whether individually and/or in aggregate would exceed the stipulated threshold of ten percent of the annual consolidated turnover of the Company as per the last audited and financial statements of the Company during a financial year of the Company. The Company therefore requires approval of the shareholders through a special resolution for entering into contract(s)/ arrangement (s)/ transaction(s) with its Group Companies upto a maximum amount as mentioned in the resolution 7 from the financial year 2019-20 and onward. Although approval of the shareholders would not be required under the provisions of Section 188 of the Companies Act, 2013 and the rules framed thereunder for the specified transactions with its group companies, the same is being sought as an abundant precautionary measure.

All related parties shall abstain from voting on these resolutions.

The Audit committee and the Board of the Directors of the Company have considered these proposed arrangements and limits at their meeting held on 29th May, 2019 and have approved the proposed arrangements with the Related Party(ies) and have also decided to seek approval of shareholders by way of special resolution pursuant to section 188 of the Companies Act 2013 read with the Companies (Meeting of Board and its Powers) Rules, 2014 and Regulation 23 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 as amended from time to time.

None of the Directors, key managerial personnel and relatives of directors and/or key managerial personnel (as defined in the Companies Act, 2013) are concerned or interested in the proposed resolution, except in the ordinary course of business and extent to their shareholding and directorship.

BRIEF DESCRIPTION OF THE COMPANY'S WORKING DURING THE YEAR / STATE OF COMPANY'S AFFAIR PROSPECTS/ MATERIAL CHANGES AND COMMITMENTS AFFECTING FINANCIAL POSITION BETWEEN THE END OF THE FINANCIAL YEAR AND DATE OF THE REPORT

Our clients and prospective clients are faced with transformative business opportunities due to quality and modernization. The Company focused on strengthening its capacity and capability to meet customer aspiration. There is increasing penetration of Vitrified and Ceramic tile as a preferred option in rural areas. Various government initiatives for infrastructure development like Swachh Bharat Abhiyan, Development of 100 smart cities, Housing for all by 2022, Rural Housing Fund under National Housing Board and favorable demographics expected to drive ceramics, sanitary ware and bathroom fittings industry in future. India's domestic consumer market, increase in working-age population and urbanization is envisaged to augur well for the aesthetically and technically superior high-end Ceramic tiles in the urban segment in the past. All the Vitrified and Ceramic Tiles are value-added products in the urban areas. In view of the above Government Projects and customers demand, our Company has started producing the Vitrified tiles of double and multi charge tiles in its unit at Karaikal which is functioning with improved gas allocation. Our other new unit at Sira Taluk, Tumkur District is also fetching better market for quality products. The Company is expecting a better growth in the near future.

During the year under review, there have been no any material changes and commitments affecting the financial position of the Company which have occurred between the end of the financial year to which the financial statements relate and the date of this Report and also no change in the nature of business of the Company.

OUTLOOK

The Government's efforts to improve lives and livelihood through employment generating initiatives coupled with an estimate for normal monsoon augurs well for uplifting consumer sentiment for discretionary purchases. India is one of the shining economies in the Asia-Pacific region with a marked uptrend in economic growth that contrasts sharply with the economic reality. Rising awareness towards personal hygiene along with massive schemes launched by the Government of India, the industry is expecting a positive growth in the near future due to versatile architectural resource, with multiple inherent benefits like low maintenance, high durability, affordability and an array of options to choose from, Vitrified and Ceramic tiles have gained popularity and is slowly dominating the floor tiles segment globally. Now, with the technological advancements, the Global Ceramic Tile industry has not only scaled up but also launched multiple value-added products like Glazed Vitrified Tiles, Polished Glazed Vitrified Tiles, large-size slabs, Wall Ceramic Tiles, etc.

DIRECTORS' REPORT (Contd.)

MARKETING STRATEGY

Our strategic objective is to build a sustainable organization that remains relevant to the agenda of our clients, while creating growth opportunities for our employees and generating profitable growth for our investors. Government's focus on infrastructure development expected to result in driving demand for Indian ceramics, sanitary ware and bathroom fittings industry and the Company is accordingly focusing on Brand building and accordingly advertisements are given on regular basis to increase the sales. India is forging ahead as the world's fastest growing and shining major economy. **MANAGEMENT DISCUSSION AND ANALYSIS REPORT FORMING PART OF THE
DIRECTORS' REPORT****INDUSTRY STRUCTURE AND DEVELOPMENT**

The Current scenarios in India of real estate is booming because of the Central Government new plans of Housing for all by 2022, Rural Housing Fund under National Housing Board, Swachh Bharat Abhiyan, Development of 100 smart cities, and favorable demographics and also the relaxed interest rates for real estate development. Simultaneously a situation of cut throat competition, margin squeezing to capture market caused serious setback to the business of tiles manufacturers in the organized sector. The Ceramic and Vitrified Tiles Industry is largely dependent on Indian Real estate Development. Ceramic and Vitrified Tiles are the major input only in building and construction, we can conclude that once the building and development increase there is a huge demand for Ceramic and Vitrified tiles. Added to this many small and unorganized sector have taken up production of tiles and the number of such small units are increasing day by day. However, Unorganised and small players, too, stand to gain from such partnerships as they are assisted by larger entities in streamlining their manufacturing operations, generate economies of scale, expand geographical reach through use of well-established marketing channels of organised players and ensure compliance of stringent pollution control norms of the State and Central Government Pollution Control Boards.

Murudeshwar Ceramics Limited started commercial production on 01.05.1988 with an installed capacity of 12,500 tons per annum (TPA) of Ceramic tiles at Hubli in Northern Karnataka. The Company undertook a major product diversification into manufacture of Vitrified tiles in the year 1993. The Vitrified tiles project was completed in a very short time and the production commenced on 01.03.1994. On considerations of quality, value addition, aesthetic looks and endurance, the said Vitrified tiles under the Brand Name of "NAVEEN DIAMONTILE" became very popular in domestic markets in a very short time. Encouraged by the response for Vitrified tiles in the Indian market, the company has established one more Vitrified tile manufacturing unit in Karaikal with an initial capacity of 6,000 Sq. mtrs., per day which commenced its commercial production on 1st day of October 2003. Simultaneously the capacity expansion also was carried on side by side. On cost considerations the Company stopped production of Ceramic tiles in August 2002. But later on, as a support product, manufacturing of Ceramic tiles was once again started with an initial capacity of 8,000 Sq.mtrs per day at Hubli unit. The new Ceramic tile manufacturing unit became operational from January 2006 and the expansion project was undertaken simultaneously. New varieties of tiles in aesthetic colours, shades, body matrix and in different dimensions are being constantly added on in the product mix. On cost considerations, the Kilns in Hubli unit were modified to be fueled by Coal Gas. The Coal gasification was completed in the year 2009. The Company had to stop the operation at Hubli unit from 2012-13 because of environmental and pollution complaints by the residents around the plant location. The plant was subsequently shifted to new location in Sira Taluk of Tumkur District in Karnataka State and Sira plant started operation from January 2017. During the year under review, the Company has produced 19,61,534 Sq. Mtrs. of Vitrified Tiles.

The Company has achieved sales turnover of ₹125.78 crores for the year ended 31.03.2019 as against ₹119.39 crores for the previous year i.e. increase in 5.35%. The performance would be better but poor real estate market after implementation of RERA and stiff competition from unorganised sector industries from Gujarat are the main reasons for not achieving the estimated sales after starting the SIRA unit. The Company has placed an order for one new Kiln for Sira plant with higher capacity, extra length, fuel efficient and extra production.

ABOUT CERAMIC MARKET AND COMPETITION

India is the second largest tile producer in the world after China, with an annual production of 1080 million square meters. India's per capita consumption of tile is still a mere 0.59 Sq. Mtrs. Compare to China's 3.95 Sq. Mtrs. Which shows that as our economy is moving forward at an average rate of 9-10%. The Industry has a huge market within the country.

At present due to the huge number of unorganised tile manufacturers in the market, National brands contribute less than 50% of the 760 Million Sq. mtrs., domestic and 228 Million Sq. mtrs. export market. With the incorporation of GST and the E-Way bill, the unorganised players are finding it harder to survive in this competitive market, this opens up a huge market for the Organised tile manufacturers. With a 12% rise in the market year on year and with the new government emphasizing on Housing for all and infrastructure getting a push, the industry looks to a bright future.

Ceramic tiles market has become more competitive and the changes in ceramic technology bringing new varieties, designs, sizes to the market. The premium range of ceramic products is a market segment of the industry in the country with very few competitors. The major organized players seek to expand into the premium products segment by specializing in designer tiles. Their target is to capture the demand from the projects in the Tier II and metro cities. The domestic demand for ceramics has to rise owing to the initiatives under the Swachh Bharat Abhiyan (SBA) and the Pradhan Mantri Awas Yojna (PMAY) along with higher replacement demand. These policies have had a direct effect on the demand for the building and construction materials industry and consequently, there is uptick in the consumption of Ceramic Tiles

**MANAGEMENT DISCUSSION AND ANALYSIS REPORT FORMING PART OF THE
DIRECTORS' REPORT (Contd.)**

and sanitary ware. Since the inception of SBA in 2014 there has been 53% rise in the number of individual household toilets built in the rural parts of the country till date. As of June, 2018, 51 lakhs household have been sanctioned under the PMAY-Urban.

These policies have had a direct effect on the demand for the building and construction materials industry and consequently, there has been an uptick in the consumption of Ceramic Tiles and sanitary ware. The market for both these Ceramic products is growing on the back of upcoming real estate projects in affordable housing, especially in the Tier II cities. Affordable housing with a potential of over 6-8 billion sq. ft. would be a key driver for the ceramic players, both across formal and informal sector.

The major market for Ceramic Tiles are housing and commercial real estate. Organized players in the industry have product ranges in both tiles and sanitary ware, while unorganized players generally cater to only one product segment.

Ceramic tiles can be polished or unpolished. Polished tiles are available in different price ranges. The tile segment of the Ceramic Industry can be further classified into wall and floor as well as Vitrified and Porcelain Tiles. The per capita consumption of tiles in India is ~0.60 square meters, compared with China's 2.6 square meters, Brazil's 3.4 square meters and Europe's 5-6 square meters. The sales by organized players accounts for about 55% of the market. The Cost of Raw Materials is one of the largest cost components for Ceramic Companies. Major raw materials used for the production of Ceramic products are clay – ball clay, feldspar and china clay. The cost of materials grew by 14.6% in FY15.

The established players in the organized sector of the Ceramic industry source finished products from Morbi. Due to easily available and established production technology and quality and brand being the differentiating factors, large players resort to purchase of readymade products (with their own quality monitoring), rather than investing in new manufacturing facilities.

OPPORTUNITIES

Fuelled by the growing construction sector in the country and a rise in exports to the advanced nations, the Indian Ceramic industry, which has the potential to be the largest producer in the world, is looking to double its turnover by 2021. With many new projects lined up in the country, the construction sector is growing at an approximate rate of 7 to 8 per cent. The demand for industrial ceramic products such as Ceramic tiles, Vitrified tiles, wall tiles etc. required in construction applications too are expected to increase.

The government has also announced an investment target of \$376.5 billion in infrastructure by 2020. "Looking at all these factors, the ceramic industry expects a huge growth in volume. The sectors are Housing for All By 2022 & Smart City Initiative, Rising Investments in Commercial Spaces, Rise in Global Urban Population and Standard of Living, GST.

Apart from the above a blitz of reforms and new strong initiatives bought forth by the Government, the market is looking at wide scale changes. The growth in the ceramic industry is expected to be driven by two factors, firstly the rise in the consumption of ceramic tiles and sanitary ware which could lead to volume growth and secondly, the increase in production costs which are likely to be passed on to the consumers. The organized sector companies are likely to register better growth rates than the industry average.

THREATS

The implementation of the RERA brought about a structural change in the real estate sector and is bound to affect the building materials sector as well. In FY17 the gross bank credit to the commercial real estate sector grew by 4.5% and the growth in the housing loans extended to private individuals was 15%. In FY18, gross bank credit to the commercial real estate sector grew by 1.5% and the growth in the housing loans extended to private individuals was 13%. In FY18 new investments declined by 5.6% as a result of the implementation of RERA in 2017. This dip in new investments may prove to be a slight concern for the Ceramic industry.

Further, in addition to the above your company is facing the following problems Natural Gas supply to Sira is further delayed, due to delay in getting NOC from NHA, Frequent power failure at Sira, Increase in power cost at Karaikal, Reduce in Natural Gas allocation at Karaikal plant.

OUT-LOOK

The Indian Ceramic Tile Industry (ICTI) has faced a challenging environment in the last two financial years ending FY18 on account of multiple policy changes and reforms by the government, like demonetisation, implementation of RERA and GST. In the present term, the vitrified tile segment is envisaged to face further pricing pressure on account of excess production capacity in the Morbi cluster. The installed capacity has increased significantly on account of commissioning of more than 100 new Vitrified tiles manufacturing units in the Morbi cluster during last two financial years ending March

**MANAGEMENT DISCUSSION AND ANALYSIS REPORT FORMING PART OF THE
DIRECTORS' REPORT (Contd.)**

2018. Consequently, the growth in production capacity has exceeded the growth in demand resulting in pricing pressure not only in Morbi cluster but also in other Ceramic tile manufacturing hubs in India.

Moreover, on March 06, 2019, NGT ordered Ceramic units in Morbi to switch to PNG for their fuel requirement and discontinue usage of coal gasifiers to control Air and Water pollution in the region.

However, The Indian Ceramic Tile Industry (ICTI) has recorded a phenomenal growth in terms of capacity, technology advancement, product portfolio and its structure during the last decade. The installed capacity has increased substantially on account of inherent advantages like abundance of raw materials from indigenous sources, advanced infrastructure and low labour cost. The Company has also started to produce only high value double charge Vitrified Tiles in Sira and Digital printing Glazed Vitrified Tiles (GVT) and polished Glazed Vitrified Tiles (PGVT) are manufactured at Karaikal plant and the Company has also started producing high value digital printing Vitrified Tiles at Karaikal.

As regards distribution set up, we have added a few more showrooms in Kerala depending upon the market demand. We are exploring the possibility of appointing new dealers and distributors in other South Indian States.

RISKS AND CONCERNS

During the year the price of fuels was increasing at an alarming rate which had directly influence the costing pattern of the Company, your company is also facing tough competition due to dumping of products from unorganised sectors. The Anti-dumping duty imposed by the Hon'ble Government of India on Vitrified tiles, cheap imported tiles which is disturbing the domestic market continuously, gives some relaxation to the domestic market. These imported tiles though cannot match the tiles produced by the larger industries in the organized sector in terms of quality, but still can affect the retail market which constitutes a larger part of the tiles market in India. Even though the Company can counter this by considering the quality and brand image, still a portion of market will be taken away by such cheap imported tiles on cost considerations. .

INTERNAL CONTROL SYSTEMS AND ADEQUACY

The Company has an Internal Control System, commensurate with the size, scale and complexity of operations. The Internal Auditor monitors and evaluates the efficacy and adequacy of internal control system in the company, its compliance with operating systems, accounting procedures and policies at all locations of the company. The Company has a separate internal audit department with experienced staff, placed under the supervision and control of the Vice President (Finance) and CFO. The Company has also appointed a practicing chartered accountant to conduct the internal audit and to submit a report for the Board. The system control of the Company is functioning efficiently with most of the branches electronically connected with the Head Office. The organizational set up and the system control have been efficient. The internal control procedures are adequate and efficient. During the year, no reportable material weakness in the design or operation was observed.

DISCUSSION ON FINANCIAL PERFORMANCE WITH RESPECT TO OPERATIONAL PERFORMANCE

The financial performance and operational performance has been more fully described in the Board of Directors report. Shareholder may refer to the same in the Board of Directors report for further reference.

MATERIAL DEVELOPMENT IN HUMAN RESOURCES / INDUSTRIAL RELATIONS

As at the end of the year the Company had 327 employees on the rolls. The Company continued to engage services of senior level personnel even at branches level to ensure better control and coordination. Management also continues to give due importance for Manpower training and motivation. Customer care and Customer satisfaction are being ensured with meticulous care. The understanding between the Management and workers continues to be cordial.

CAUTION

INDEPENDENT AUDITORS' REPORT

To the Members of MURUDESHWAR CERAMICS LIMITED

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the standalone financial statements of MURUDESHWAR CERAMICS LIMITED ("the Company"), which comprise the balance sheet as at 31st March 2019, and the statement of Profit and Loss (including Other Comprehensive Income), statement of changes in equity and statement of cash flows for the year then ended, and a summary of significant accounting policies and other explanatory information (herein referred to as "the standalone financial statements")

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the act read with the Companies (Indian Accounting Standard) Rules, 2015, as amended, ("Ind AS") and other accounting policies generally accepted in India of the state of affairs of the Company as at March 31, 2019, and its profit, total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Audit Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Standalone Financial Statements* section of our report. We are independent of the Company in accordance with the *Code of Ethics* issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Companies Act, 2013 and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Standalone Financial Statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined the matters described below to be the Key Audit Matters to be communicated in our report.

Key Audit matter	How our Audit addressed the Key Audit Matter
Inventory (Refer Note 6 of Standalone Financial Statements)	
<p>The value of inventory as at 31.03.2019 is 10,101.57 lakhs which is 21.3% of total asset value. Given the size of the inventory balance relative to the total asset size of the company, the valuation of inventory required significant audit attention.</p> <p>As disclosed in Note no. 6, inventories are held at the lower of cost or net realizable value determined using weighted average cost.</p> <p>The determination of valuation of inventory requires management to exercise qualitative judgments and apply assumptions.</p>	<p>We have performed the following procedures w.r.t valuation of inventory and assessment of procedure of physical verification of inventory during the period to ensure the accuracy of inventory reporting.</p> <p>For a sample of Outsourced Finished Goods, we performed the weighted average cost calculation and compared the weighted average cost to the last purchased invoices.</p> <p>At the year end, the valuation of inventory is reviewed by management and the cost of inventory is revalued where inventory is forecast to be sold below cost.</p> <p>On a sample basis, we tested the net realisable value of inventory to recent selling prices. We have also considered the Stock audit report by Stock Auditors engaged by the bank to ensure that there are no inconsistencies in inventory reporting.</p>

INDEPENDENT AUDITORS' REPORT (Contd.)

	<p>In the view of the management, basic raw material used is clay for manufacture of tiles and the same being a natural resource, does not have any depletion in value/utility over passage of time.</p> <p>We have also considered the expert opinion on valuation of primary raw materials by Mr. Vijaykumar V Dandin vide report dated 10th of April 2019.</p>
--	------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

Property Plant and Equipment - Refer Note 3

<p>Additions to Fixed Assets during the year were ₹871 lakhs (including CWIP of the previous year). Inappropriate timing of capitalization of project/ inappropriate classification of categories of items of PPE could result in material misstatement of CWIP/ PPE with consequent impact on depreciation charge and results for the year.</p>	<p>Our audit procedures included testing the design, implementation and operating effectiveness of controls in respect of review of capitalization of assets, particularly in respect of timing of the capitalization and recording of additions to items of various categories of PPE with source documentation, substantive testing of appropriateness of cut-off date considered for project capitalization.</p> <p>We tested the source documentation to determine whether the expenditure is of capital nature and has been approved and segregated into appropriate categories. We reviewed operating expenses to determine the appropriateness of accounting.</p>

Information Other than the Financial Statements and Auditor's Report thereon

The Company's Board of Directors is responsible for the other information. The other information comprises Board's Report, Report on Corporate Governance but does not include Standalone Financial Statements and our Auditor's Report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

Based on the work we have performed, if we conclude that there is material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

This Board of Directors is also responsible for overseeing the Company's financial reporting process.

INDEPENDENT AUDITORS' REPORT (Contd.)**Auditor's Responsibilities for the Audit of the Standalone Financial Statements**

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal controls.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

Communication with those charged with governance

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

INDEPENDENT AUDITORS' REPORT (Contd.)**Report on Other Legal and Regulatory Requirements**

As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the Annexure a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

As required by Section 143(3) of the Act, we report that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- (c) The Balance Sheet, the Statement of Profit and loss including Other Comprehensive Income, the Statement of changes in Equity and the statement of Cash Flow dealt with by this Report are in agreement with the books of account.
- (e) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- (f) On the basis of the written representations received from the directors as on 31st March, 2019 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2019 from being appointed as a director in terms of Section 164 (2) of the Act.
- (g) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A".
- (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 1. The Company does not have any pending litigations which would impact its financial position apart from those mentioned in Annexure B to the Independent Auditor's Report.
 2. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 3. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.

As required by Companies (Auditors' Report) Order 2016 ("The Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure B" as statement on matters specified in paragraph 3 and 4 of the order.

ANNEXURE "A" TO THE INDEPENDENT AUDITORS' REPORT

(Referred to in paragraph 1(g) under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of M/s MURUDESHWAR CERAMICS LTD. of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause(i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **M/s MURUDESHWAR CERAMICS LTD.** ("the Company") as of March 31, 2019 in conjunction with our audit of the standalone Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Board of Directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

ANNEXURE “A” TO THE INDEPENDENT AUDITORS’ REPORT (Contd.)**Auditor’s Responsibility**

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that:

- (1) Pertain to them maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2019, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

ANNEXURE “B” TO THE INDEPENDENT AUDITORS’ REPORT

(Referred to in paragraph 2 under ‘Report on Other Legal and Regulatory Requirements’ section of our report to the Members of M/s MURUDESHWAR CERAMICS LTD. of even date)

- i. In respect of the Company’s Property Plant and Equipment:
 - a. The Company has maintained proper records showing full particulars, including quantitative details and situation of Property Plant and Equipment.
 - b. The Company has a program of physical verification to cover all the items of Property Plant and Equipment in a phased manner over a period of three years, which, in our opinion, is reasonable having regard to the size of the Company and the nature of its Property Plant and Equipment. Pursuant to the program, certain Property Plant and Equipment were physically verified by the management during the year. According to the information and explanations given to us, no material discrepancies were noticed on such verification.
 - c. According to the information and explanations given to us, the records examined by us and based on the examination of the sale/transfer/conveyance deeds provided to us, we report that, the title deeds, comprising all the immovable properties of land and buildings which are freehold, are held in the name of the Company.
- ii. The inventory, except goods-in-transit and stocks lying with third parties, have been physically verified by the management during the year. In our opinion, the frequency of such verification is reasonable. The discrepancies noticed on verification between the physical stocks and the book records were not material and have been dealt with in the books of accounts.
- iii. According to the information and explanations given to us, the Company has not granted unsecured loans to any bodies corporate, covered in the register maintained under section 189 of the Companies Act, 2013, and accordingly Clause 3(III) (a) to (c) are not applicable to company and hence cannot be commented upon.
- iv. In our opinion and according to the information and explanations given to us, the Company has complied with the provisions of Sections 185 and 186 of the Act in respect of grant of loans, making investments and providing guarantees and securities, as applicable.
- v. In our opinion and according to the information and explanations given to us, the Company has not accepted any deposit from the public in accordance with the provisions of Section 73 to 76 or any other relevant provisions of the act and the rules framed thereunder. Accordingly, paragraph 3(v) of the order is not applicable to the Company.
- vi. The maintenance of cost records has not been specified by the Central Government under section 148(1) of the Companies Act, 2013 for the business activities carried out by the Company. Thus, reporting under clause 3(vi) of the order is not applicable to the Company.
- vii. According to the information and explanations given to us, in respect of statutory dues:
 - a. The Company has generally been regular in depositing undisputed statutory dues, including Provident Fund, Employees’ State Insurance, Income Tax, Sales Tax, Service Tax, Goods and Service Tax, Value Added Tax, Customs Duty, Excise Duty, Cess and other material statutory dues applicable to it with the appropriate authorities.
 - b. There were no undisputed amounts payable in respect of Provident Fund, Employees’ State Insurance, Income Tax, Sales Tax, Service Tax, Value Added Tax, Goods and Service Tax, Customs Duty, Excise Duty, Cess and other material statutory dues in arrears as at March 31, 2019 for a period of more than six months from the date they became payable.

ANNEXURE “B” TO THE INDEPENDENT AUDITORS’ REPORT (Contd.)

- viii. In our opinion and according to explanations given to us, the company has not defaulted in the repayment of dues to banks, financial institutions or government. The company has not issued any debentures.
- ix. (a) Based on audit procedures performed and information and explanations given to us by the management, the company has not raised moneys by way of Initial public offer or Further Public offer including debt instruments but has raised moneys by allotting 23,70,000 Equity shares pursuant to conversion of first tranche of convertible Share warrants to promoter/Promoter Group company M/s Murudeshwar Power Corporation Limited on preferential allotment basis. The funds raised during the year are applied for the purposes for which they are raised.
- (b) According to the information and explanation provided to us, the company has not raised any new term loans during the year. The term loans outstanding at the beginning of the year and those raised during the year have been applied for the purposed for which they were raised.
- x. According to the information provided to us and to the best of our knowledge no fraud by the Company or no material fraud on the Company by its officers or employees has been noticed or reported during the year.
- xi. In our opinion and according to the information and explanations given to us, the Company has paid/provided managerial remuneration in accordance with the requisite approvals mandated by the provisions of section 197 read with Schedule V to the Act.
- xii. The Company is not a Nidhi Company and hence reporting under clause 3 (xii) of the Order is not applicable to the Company.
- xiii. In our opinion and according to the information and explanations given to us, the Company is in compliance with Section 177 and 188 of the Companies Act, 2013 where applicable, for all transactions with the related parties and the details of related party transactions have been disclosed in the standalone financial statements as required by the applicable accounting standards.
- xiv. (a) Based on audit procedures performed and information and explanations given to us by the management, the company has made preferential allotment of shares/convertible share warrants during the year by allotting 23,70,000 Equity shares pursuant to conversion of convertible Share warrants to promoter/Promoter Group company M/s Murudeshwar Power Corporation Limited on preferential allotment basis during the year under review. Accordingly the relevant provision of the order has been complied with.
- (b) Based upon audit procedures performed and the explanation and information given to us by the management, the company has not made any fully/partly convertible debentures during the year under review. Accordingly, the provisions of Clause 3(xiv) of the order are not applicable to the company and hence cannot be commented upon.
- xv. In our opinion and according to the information and explanations given to us, during the year the Company has not entered into any non-cash transactions with its Directors or persons connected to its directors and hence provisions of section 192 of the Companies Act, 2013 are not applicable to the Company.
- xvi. The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934.

Note : 2 Significant Accounting Policies**1. Basis of Preparation**

These financial statements are separate financial statements prepared in accordance with Indian Accounting Standards ("Ind AS"), the provisions of the Companies Act, 2013 ("the Act") (to the extent notified) and guidelines issued by the Securities and Exchange Board of India (SEBI). The Ind AS are prescribed under section 133 of the Act read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 as amended from time to time.

Functional and presentation currency

These financial statements are presented in Indian Rupees (INR), which is also the Company's functional currency. All amounts have been rounded-off to the nearest lakhs, unless otherwise indicated.

Basis of measurement

The financial statements have been prepared on the historical cost basis except certain financial assets and liabilities which are measured at fair value.

Application of new Accounting pronouncements

The company has applied the following IND AS Pronouncements pursuant to the Companies (Indian Accounting Standards) amendment rules, 2018. The effect is described below:

- a) The company has adopted IND AS 115, Revenue from Contract with Customers w.e.f. 01.04.2018 and it is detailed in Note:3. The Company has elected to recognize cumulative effect of initially applying IND AS 115 retrospectively. The standard is applied retrospectively only to contracts that are not completed as at the date of initial application. The adoption of this standard did not have any material impact to financial statements of the company.

2. Use of estimates and judgement

In the application of the Company's accounting policies, the directors of the Company are required to make judgements, estimates and assumptions about the carrying amounts of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimate is revised if the revision affects only that period or in the period of the revision and future periods if the revision affects both current and future periods.

The key assumptions concerning the future, and other key sources of estimation uncertainty at the end of the reporting period that may have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year.

Current / Non-Current Classification

The Company recognizes any asset or liability as current if it satisfies any of the following conditions:

- a) Asset/Liability is expected to be realized/settled during the company's normal operating cycle.
- b) The asset is intended for sale or consumption.
- c) The Asset/Liability is held primarily for the purpose of trading.
- d) The Asset/Liability is expected to be realized/settled within 12 months after the reporting period.
- e) The Asset is cash/cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least 12 months after the reporting date.
- f) In the case of the liability, the company does not have an unconditional right to defer the settlement of liability for at least 12 months after the reporting date.

All other assets/liabilities are classified as non-current.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS (Contd.)

3. Revenue

- i) Revenue from contract from customers is recognized on transfer of control of promised goods or services to a customer at an amount that reflects the consideration to which the company is expected to be entitled to in exchange for those goods or services. The Transaction price of goods sold, and services rendered is net of variable consideration on account of various discounts and schemes offered by company as part of the contract. Revenue is recognized only to the extent that it is highly probable that the amount will not be subject to significant reversal when uncertainty relating to its recognition is resolved.

Sale of Products

Revenue from sale of products is recognized when the control on the goods have been transferred to the customer. The performance obligation in case of sale of product is satisfied at a point in time that is, when the material is shipped to the customer or on delivery to the customer as may be specified in the contract.

Rendering of Services

The Revenue from services is recognized over time by measuring progress towards satisfaction of performance obligations for the services rendered. The company uses output method for measurement of revenue from services.

4. Expenses

All expenditures are accounted on accrual basis after reducing any specific income attributable to such expenditure.

5. Property, plant and Equipment

The cost of property, plant and equipment comprises its purchase price net of any trade discounts and rebates, any import duties and other taxes (other than those subsequently recoverable from the tax authorities), any directly attributable expenditure on making the asset ready for its intended use, including relevant borrowing costs for qualifying assets and any expected costs of decommissioning. Expenditure incurred after the property, plant and equipment have been put into operation, such as repairs and maintenance, are charged to the Statement of Profit and Loss in the period in which the costs are incurred. Major shut-down and overhaul expenditure is capitalized as the activities undertaken improve the economic benefits expected to arise from the asset.

An item of property, plant and equipment is derecognized upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognized in Statement of Profit and Loss.

Capital Work in Progress

The cost of assets not ready for intended use, as on the balance sheet date, is shown as Capital Work in Progress.

Depreciation commences when the assets are ready for their intended use

Depreciable amount for assets is the cost of an asset, or other amount substituted for cost, less its estimated residual value. Depreciation is recognized so as to write off the cost of assets (other than freehold land and properties under construction) less their residual values over their useful lives, using straight-line method as per the useful life prescribed in Schedule II to the Companies Act, 2013 except in respect of Plant and Machinery, in whose case the life of the assets has been assessed as under based on technical advice, taking into account the nature of the asset, the estimated usage of the asset, the operating conditions of the asset, past history of replacement, anticipated technological changes, manufacturers warranties and maintenance support, etc.

Depreciation is provided on estimated useful lives of the assets as per Schedule – II of the Companies Act, 2013 except for the following assets where the useful life has been estimated based on the technical estimate.

Assets	Estimated Life	Life as per Schedule-II
Plant & Machinery	25-30 Years	20 Years

Amounts spent on Site preparation at Quarry for mining of Clay have been capitalized under the head Building – Others and Depreciation provided accordingly.

The Company reviews the residual value, useful lives and depreciation method annually and, if expectations differ from previous estimates, the change is accounted for as a change in accounting estimate on a prospective basis.

Derecognition

The carrying amount of an item of property, plant and equipment, is de-recognized on disposal or when no future economic effects are expected from its use or disposal. The Gain or Loss arising from the Derecognition of an item of property, plant and equipment is measured as the difference between the net disposal proceeds and the carrying amount of the item and is recognized in the statement of profit and loss when the item is derecognized.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS (Contd.)**6. Inventories**

Raw Materials, Work in progress, Finished Goods, packing materials, stores, spares, components, consumables and stock in trade are carried at the lower of cost and net realizable value. However, the materials and other items held for use in production of inventories are not written down below cost. If the finished goods in which they will be incorporated are expected to be sold at or above cost. The comparison of cost and net realizable value is made on an item by item basis. Net realizable value is the estimated selling price in the ordinary course of the business less estimated cost of completion and estimated costs necessary to make the sale.

In determining the cost of raw materials, packing materials, stock in trade, stores, spares, components and consumables weighted average cost method is used. Cost of inventory comprises all costs of purchase, duties, taxes (other than those subsequently recoverable from the tax authorities) and all the other costs incurred in bringing the inventory to their present location and condition.

Cost of finished goods and work in progress, includes the cost of raw materials, packing materials, an appropriate share of fixed and variable production overheads and other costs incurred in bringing the inventories to present location and condition. Fixed production overheads are allocated on the basis of normal capacity of production facilities.

7. Investments in associate company

The company has elected to recognize its investments in associate company at cost in accordance with the option available in IND AS 27 "Separate financials statements".

8. Gratuity

Gratuity has been paid through an approved gratuity fund managed by the LIC of India. Premium paid thereon is accounted as expenditure. The Company has also provided for gratuity as per actuarial valuation.

9. Bonus

Minimum Bonus payable as per the Payment of Bonus Act has been provided in the accounts.

10. Leave Encashment

Leave encashment has been determined based on the actuarial valuation, available leave entitlement at the end of each calendar year. The incremental amount so calculated each year is debited to Salaries and Wages - leave encashment.

11. Taxes on Income**Current Tax**

The current tax is determined on the basis of taxable income and tax credits computed in accordance with the provisions of Indian Income Tax Act, 1961.

Deferred Tax

Deferred income tax is provided using the liability method on all timing differences at the balance sheet date between tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the tax rates and tax laws substantively enacted at the balance sheet date.

12. Financial Instruments

The Company recognizes financial assets and financial liabilities when it becomes a party to the contractual provisions of the instrument. All financial assets and liabilities are recognized at fair value on initial recognition, except for trade receivables which are initially measured at transaction price. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities are considered as cost on initial recognition.

13. Borrowings and Borrowing Cost

Borrowings are recognized initially at fair value, net of transaction costs incurred. Borrowings are subsequently stated at amortized cost. Any difference between the proceeds (net of transaction costs) and the redemption value is recognized in the income statement over the period of the borrowings using the effective interest rate method.

Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use or sale, are added to the cost of those assets, until such time as the assets are substantially ready for their intended use or sale.

All other borrowing costs are recognized in statement of profit and loss in the period in which they are incurred.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS (Contd.)**14. Provision and contingencies**

The company recognizes provisions when a present obligation (legal or constructive) as a result of a past event exists and it is probable that an outflow of resource embodying economic benefits will be required to settle such obligation and the amount of such obligation can be reliably estimated.

15. Cash and cash equivalents

Cash and cash equivalent for the purpose of balance sheet comprises of cash and banks balances.

16. Earnings per share

Basic earnings per share is computed by dividing profit or loss attributable to equity shareholders of the Company by the weighted average number of equity shares outstanding during the year. The weighted average number of shares outstanding during the year is adjusted for events of bonus issue and share split.

Diluted earnings per share is computed by dividing the net profit after tax by the weighted average number of equity shares considered for deriving basic EPS and also weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares. Dilutive potential equity shares are deemed converted as of the beginning of the period, unless issued at a later date. Dilutive potential equity shares are determined independently for each period presented.

17. Employee benefits**(i) Short term Employee benefits**

Employee benefits such as salaries, wages, short term compensated absences, expected cost of bonus, ex-gratia and performance – linked rewards falling due wholly within the twelve months or rendering the service are classified as short term employee benefits and are expensed in the period in which employee renders the related service.

(ii) Post-employment benefits

A. **Defined contribution plans** : The company's superannuation scheme, the state governed provident fund scheme, employee insurance scheme and employee pension scheme are defined contribution plans. The contribution paid/payable under such schemes is recognized during the period in which the employee renders the related service.

B. **Defined benefit plans** : The present value of obligation under defined benefit plan is determined based on actuarial valuation using the Projected Unit Credit Method.

The obligation is measured at the present value of estimated future cash flows using a discount rate based on the market yield on government securities of a maturity period equivalent to weighted average maturity profile of defined benefit obligations at the balance sheet date.

Re-measurement, comprising actuarial gains and losses, the return on plan assets (excluding amount included in net interest on the net defined benefit liability or asset) and any change in the effect of asset ceiling (if applicable) is recognized in other comprehensive Income and is reflected in Retained earnings and the same is not eligible to be reclassified to profit and loss.

Defined benefit costs comprising current service cost, past service cost and gains or losses on settlements are recognized in the Statement of Profit and loss as employee benefits expense, Interest cost implicit in the defined benefit employee cost is recognized in the Statement of Profit and Loss under finance cost. Gains or losses on settlement on any defined benefit plan are recognized when the settlement occurs. Past service cost is recognized as expense at the earlier of the plan amendment or curtailment and when the company recognized related restructuring costs or termination benefits.

In case of funded plans, the fair value of the plan assets is reduced from the gross obligation under the defined benefit plans to recognize the obligation on a net basis.

(iii) **Long term employee benefits** : The obligation recognized in respect of long term benefits such as compensated absences, long service award is measured at present value of estimated future cash flows expected to be made by company and is recognized in similar manner as in the case of defined benefit plans as above.

18. Segment reporting policies

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker.

NOTES FORMING PART OF THE FINANCIAL STATEMENTS (Contd.)**19. Events after the reporting date**

Where events occurring after the balance sheet date provide evidence of the conditions that existed at the end of reporting period, the impact of such events is adjusted within the financial statements. Otherwise, events after the balance sheet date of the material size of the nature are only disclosed.

20. Recent Accounting pronouncements (New Accounting Standards Issued but not effective)

On March 30, 2019, Ministry of Company Affairs issued (Indian Accounting Standards) (Amendments) 2019, notifying IND AS 116 on leases. The IND AS 116 would replace the existing leases Ind AS 17. The standard sets out the principles for recognition, measurement, presentation and disclosures for both parties to a contract i.e. lessee and a lessor. IND AS 116 introduces single lease accounting model and requires the lessee to recognize the assets and liabilities for all leases with a term of more than 12 months, unless the underlying asset is of a low value. Currently for operating lease, the rentals are charged to the statement of profit and loss. The company is currently evaluating the implication of Ind AS 116 on the financial statements.

The Companies (Indian Accounting Standards) Amendment Rules, 2019 notified amendments to the following accounting standards and the same is effective from April 1, 2019.

- a) IND AS 12 - Income Taxes- Appendix C on uncertainty over income tax treatments
- b) IND AS 19 - Employee Benefits
- c) IND AS 23 - Borrowing Costs
- d) IND AS 28 - Investment in Associates and Joint ventures
- e) IND AS 109 - Financial Instruments

The Company is in the process of evaluating the impact of such amendments.

21. Government Grants/Subsidy

During the year, the company has received capital subsidy of ₹72.86 lakhs for investment in Effluent Treatment Plant which is an integral part of Building and Plant and Machinery being depreciated from the year 2016-17. The Company has accounted the amount of entire subsidy received under other income, as the total charge of depreciation on the integral asset is higher than the amount of subsidy received.

22. Financial Risk Management- Objectives and Policies

The company's financial liabilities comprise mainly of borrowings, trade payables and other payables. The company's financial assets comprise mainly of investments, cash and cash equivalents, other balances with banks, loans, trade receivables and other receivables.

1. Market Risk : Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. The market risk comprises three types of risk: Interest rate risk, Foreign currency risk and another price risk.

- a) Interest rate risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of market interest risk. The Company's exposure to risk of changes in market interest rates is minimal. The company has not used any interest rate derivatives.
- b) Foreign currency risk: Foreign currency risk is the risk that the fair value of future cash flows of an exposure will fluctuate due to changes in foreign exchange rates. The company has not entered into any forward exchange contracts/derivative contracts.
- c) Other price risk is the risk that the fair value of a financial instrument will fluctuate due to changes in market traded prices. The company has not invested in any traded equity instruments or bonds.

2. Credit risk

The credit risk refers to the risk that a counterparty will default on its contractual obligation resulting in financial loss to the company. Credit risk arises from financial assets such as trade receivables, other balances with banks, loans and other receivables. The Company has adopted a policy of only dealing with the counterparties that have sufficiently high credit ratings. The exposure and credit ratings of the counterparties are continuously monitored, and aggregate value of transactions is reasonably spread amongst the counterparties. There are no cases of historical defaults and hence no provision for expected credit loss is necessary.

3. Liquidity risk

The liquidity risk is the risk that the company will encounter difficulty in raising funds to meet the commitments associated with financial instruments that are settled by delivering cash or another financial asset. The company has established liquidity risk management framework for managing its short term, medium term and long term and liquidity management requirements. The company has adequate credit facilities agreed with banks to ensure that there is sufficient cash to meet all its normal operating commitments in a timely and cost-effective manner.
