Subject: Intimation under Regulation 30 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (“SEBI Listing Regulations”) – Annual Maintenance Shutdown

Dear Sir/Madam,

Pursuant to Regulation 30 of the SEBI Listing Regulations, we would like to inform that our Company's Ankleshwar plant will be temporarily closed for planned maintenance activities in order to carry out impending maintenance of equipment and utilities. This annual maintenance shutdown is scheduled to take place from 11 November 2023 to 21 November 2023.

The purpose of this shutdown is to carry out essential maintenance tasks to ensure efficient and safe operations of our Ankleshwar plant. We want to emphasize that this maintenance activity has been carefully planned to minimize disruption and downtime.

There will be no adverse impact on our supply commitments during the aforementioned shutdown period and also on annual sales as the Company has maintained sufficient reserve stock of its products to meet our customers' requirements. Further, in case of sudden requirement, the same shall be met from our Dahej plant.

The above information shall be made available on the website of the Company at www.tatvachintan.com.

We request you to kindly take the above on record.

Thanking You,

Yours Faithfully,
For Tatva Chintan Pharma Chem Limited
