- III. The objects for which the Company is established are as under :

(A) MAIN OBJECTS OF THE COMPANY TO BE PURSUED ON ITS INCORPORATION :

1. To carry on the business of manufacturers, dealers, importers, exporters of pharmaceutical chemicals, fine chemicals, agrochemicals, chemical products of every nature and description and compounds, intermediates derivatives and bye-products thereof and products to be made therefrom (hereinafter for convenience referred to generally as "chemicals and chemical products") including specifically, but without limiting the generality of the foregoing, calcium carbide, calcium cyanamide, lime, nitrogen, oxygen, nitrogeneous compounds, fertilizers, acids, alkalies, sizes, oils, metallurgical reagents, flotation reagents, wetting agents, insecticides, pesticides and fungicides, dyestuff, explosives, catalytic agents, serums, vitamin products, hormones, sutures, ligatures for use in the prevention, treatment or cure of disabilities in men or animals and products derived from phosphate mines, lime stone, quarries, bauxite mines, petroleum, natural gas and other natural deposits, useful or suitable in the manufacture of chemical and chemical products as hereinabove defined.
2. To carry on the business of importing, exporting, prospecting and boring for extracting, pumping, drawing transporting, refining and dealing in natural gases, petroleum and other minerals, oils and fuels and/or manufacturing of all kinds of petroleum products and bye-products.
3. To manufacture, produce, use, buy, sell, import and export and otherwise deal or traffic in any or all inorganic and organic chemicals, including aliphatic or aromatic types, solvents, intermediates, dyestuffs, drugs, medicines and pharmaceuticals, antibiotics, fermentation products, reagents, textile auxiliaries, catalysts including raw materials required for the manufacture thereof.

* Changed vide Special Resolution passed by the members/shareholders in their 33rd Annual General Meeting held on 30th September, 2021

(B) THE OBJECTS INCIDENTAL OR ANCILLIARY TO THE ATTAINMENT OF THE MAIN OBJECTS ARE :

1. To promote, undertake and sponsor the research and development and/or take over recipes, formula and full information as to the process of development, testing, manufacturing and manipulating special types of dyes, intermediates, waxes, drugs, pharmaceuticals, chemicals and instruments and to enter into collaboration with any firm or company in India or abroad and to develop technical know-how
2. To design, develop, engineer, import, export, buy, sell and otherwise deal in licence, grant any rights in fabricate, hire out, lease, technical know-how, plant, machinery and equipment relating to manufacture, processing, storing or transport of all kinds of chemicals, plastics and resins, whether processed or not and their bye-products.
3. To enter into arrangement for technical collaboration and/or other form of agreement including capital participation with foreign or Indian manufacturers of products which the Company is empowered to manufacture or any products manufactured or proposed to be manufactured or processed by the Company and to pay for such technical assistance or collaborations, royalties or other fees in cash or by allotment of equity or other capital of the Company credited as paid up or issue of debentures or debenture stock.
4. To do all or any of the above things in any of the world as principals, agents, trustees, contractors and by or through agents, sub-contractors, trustees or otherwise and either alone or in conjunction with others.
5. To insure the whole or any part of the property of the Company, either fully or partially, to protect and indemnify the Company from liability or loss in respect either fully or partially and also to insure and protect and indemnify any part or portion thereof either on mutual principle or otherwise
6. To undertake, carry out, promote and sponsor rural development including any programme for promoting the social and economic welfare or the uplift of the public in any rural area and to incur any expenditure on any programme of rural development and to assist execution and promotion thereof either directly or through an independent agency or in any other manner. Without prejudice to the generality of the foregoing "Programme of Rural Development" shall also include any programme for promoting the social and economic welfare or the uplift of the public in any rural area which the Directors may consider it likely to promote and assist rural development and that the words "rural area" shall include such areas as may be regarded as rural areas and any other law relating to the rural development for the time being in force or as may be regarded by the Directors as rural areas and the Directors may at their discretion in order to implement the above mentioned objects or purposes transfer without consideration or at such fair or concessional value as the Directors may think fit and divert the ownership of any property of the Company to or in favour of any Public or Local Body or Authority or Central or State Government or any Public Institutions or Trusts or funds or Organisation(s) of Person(s) as the Directors may approve.
7. To undertake, carry out, promote and sponsor or assist any activity for the promotion and growth of the national economy and for discharging what the Directors may consider to be social or moral responsibilities of the Company to the public or any section of the public as also any activity which the Directors consider likely to promote national welfare or social, economic or moral uplift of the public or any section of the public and in such a manner and by such means as the Director may think fit and the Directors may without prejudice to the generality of the foregoing, undertake, carry out, promote and sponsor any activity for publication of any books, literature, newspapers or for organising lectures or seminars likely to advance these objects or for giving merit awards for giving scholarship, loans or any assistance to deserving students or other scholars or persons to enable them to pursue their studies and academic pursuits or researches or for establishing, conducting or assisting any institution, fund, trust having any one of the aforesaid objects by giving donations or otherwise in any other manner and the Directors may, at their discretion, in order to implement any of the above mentioned objects or purposes transfer without consideration or at such a fair or concessional value as the Directors may think fit and divert the ownership of any property of the Company to or in favour of any public or local body or authority or Central or State Government or any Public Institutions or Trusts or Funds or Organisation(s) or person(s) as the Directors may approve.

8. In event of winding up to distribute any of the property of the Company in specie among the members subject to Section 205(3) of the Companies Act, 1956.
9. To draw, make, accept, endorse, discount, execute and issue bills of exchange, promissory notes, bill of lading, warrants, debentures and other negotiable or transferable instruments of securities.
10. To undertake and execute any, the undertakings of which may seem to the Company desirable, gratuitously or otherwise.
11. To receive money on deposit or loan and to borrow or raise or secure the payment of money in such a manner as the Company shall think fit and in particular by mortgage or by the issue of debentures or debenture-stock, perpetual or otherwise charged upon all or any of the Company's property (both present and future) including its uncalled capital and to purchase, redeem and payoff such securities and guarantee the performance by the Company or any other persons or company of any obligations undertaken by the Company or any other person of the Company as the case may be, provided that the Company shall not carry on the business of Banking as defined by the Banking Regulation Act, 1949.
12. To carry on the business of manufacturers, importers, exporters, sellers, buyers, distributors, selling agents and dealers whether as whole-salers or retailers or all kinds of primary and rechargable batteries and in particular leae acid storage batteries, dry batteries and cells of all types and descriptions and components including metal jackets, tops, bottom caps, zinc pellets, carbon rods, tin cans and such other accessories and materials directly or indirectly required for the dry batteries and calls, storage delek, plate batteries, chromium plate batteries, heavy duty batteries, solar batteries, rechargable dry cells, photo cells, storage cells, inert cells and to act as consultants and advisers in technology of all types of electric storage batteries and cells.
28. To carry on business of spinners, weavers, manufacturers, ginners, pressure packers and bailers of cotton, jute, hemp, silk, artificial silk, rayon, nylon, strechlon, man-made synthetic fibres, staple fibres, wool and any other fibrous materials and the cultivation thereof and the business of manufacturing, weaving, bleaching, printing and selling yarn, cloth of all types and fabrics of all types, whether knitted or looped and of importing, exporting, buying, selling and/or otherwise dealing in cotton, silk, art silk, rayon, nylon, strechlon, man-made synthetic fibres, staple fibres, wool, hemp and other fibrous materials, yarn, cloth, linen and rayon made therefrom and generally to carry on the business of spinners, weavers, processors, dyers, sizers, manufacturers and/or dealers in cotton, linen, flax, hemp, jute, silk, artificial silk, rayon, man-made synthetic fibres, staple fibres, wool, yarn and cloth merchants, cleaners, combers, spinners, weavers, bleachers, dyers, printers, sizers, importers, exporters, manufacturers, purchasers, sellers and/or otherwise dealers in bleaching, dyeing and sizing materials and to transact all preparing processes that may be necessary or expedient for the Company and to purchase, sell, import in and export and/or otherwise deal in raw materials and manufactured articles.
29. To carry on business of manufacturing, buying, selling, exchanging, converting, altering, importing, exporting, processing, twisting or otherwise handling or dealing in rayon yarn (also known as continuous filament rayon or artificial silk yarn and which expression shall include all synthetic fibre or fibres whatsoever for textile use), staple fibre, staple fibre yarn (also known as spun raycn) and such other fibre, fibres or fibrous materials or allied products, bye-products or substances or substitutes for all or any of them or yarns for textile or other use, as may be practicable or deemed expedient.
30. To carry on the manufacturing, business of electrical engineers, contractors, manufacturers, constructors of electrical and other appliances, cables, wire lines dry cells, accumulators, lamps and works and to generate, accumulate distribute and supply electricity for the purpose of light, heat, motive power and all other purposes for which electrical energy can be employed and manufacture all apparatus and things required or capable of being used in connection with the generation, distribution, supply, accumulation and employment of electricity including in the term electricity, all power that may be directly or indirectly derived therefrom or may be incidentally hereafter discovered on dealing with electricity.
31. To carry on business as manufacturers and processors and dealers in ferrous and non-ferrous metals, woods, enamel, alluminium, all kinds of machine tools, like lathes, milling machines, hobbing and pinion cutting machines, electroplating and all plating and polishing equipments, alloys and other products, substances, articles and things of every description and kind and to carry on all or any of the businesses of engineers, iron brass and other metal fourfders, machinists, tool makers, wire drawers, tube, pipe and tank manufacturers, moulders, metallurgist and metal workers, fitters, millwrights, galvanisers, grinders and tool sharpners and japyonhers and to buy, sell, export, import, manipulate and deal both wholesale and retail in products, commodities, goods, articles and things of all kinds whatsoever.
32. To buy, sell, manufacture, refine, prepare, crush and deal in all kinds of oil and olegenous and sponaceous substances and all kinds of by products or ingredients thereof.
33. To carry on the business of importers, exporters, sellers, buyers, distributors, agents or otherwise dealers in all types of commodities, crops, raw materials, semi and manufactured products and goods and ware, plant and machinery, tools and equipments, all kinds of oils, oilcakes, rice, bran and other oil containing medias, deoiled cakes, deoiled meals for human consumption, balanced food, baby and sea foods of all varieties, fresh, preserved, dry fruits and vegetables, beverages, canned

provisions, tea, coffee, tobacco and tobacco products, all types of fabrics made from natural or artificial fibres or a blend of natural artificial fibres, garments, hosiery apparel, raw cotton and cotton products, raw jute products, raw wool and wool products, raw silk and silk products, textiles, made out of natural and artificial fibres, handloom textiles, cottage industries ware, cotton waste, minerals and ores, mica, ferrous and non-ferrous metal products, spices, footwear and leather ware, tanned hides and skins, PVC leather, cloth, article or leather, hessain, tarpaulins, canvas, timber, plywood, veneers, improved and reconstituted wood, floor covering including carpets, paper, boards, handicrafts, curious, automobiles and trucks, diesel engines, pumps, agricultural machinery and implements, ghamellas, electric motors, transformers, switchgears, transmission and V belts, castiron/ polythene/galvanised, mildsteel/soil pipes and accessories, manhole covers, any type of castings, building/material and hardware, including sanitary plumbings, glassware, pottery, tableware, scientific instruments, cutlery, made of metal and silver, curry powder and paste, protein, pluse, yeast and phosphoids, hydolysate, protein grains, groundnuts, protein soaps, perfumery and cosmetics, musical instruments, industrial packing materials, containers, stores, machineries, equipments, tools and hardware, dyes and chemicals, colours, paints, varnishes, books and stationery items, cycle/bicycle/auto scooters/cars/trucks/motor cycles and their components including tube and tyres, cords, typewriters, refrigerators office furniture and equipment, containers and appliances.

34. To carry on the manufacture and sale of readymade garments.
35. To carry on the business as manufacturers; buyers, sellers, stockists, agents and also exporters in all types of jute and leather items and all permissible exportable items, including finished and semifinished and raw materials.
36. To carry on the business of manufacturing and processing of packing materials, applicable and connected with exports of items undertaken by the Company from time to time such as corrugated paper boxes, plastic bags, labels, wooden boxes, laminated hessians.
37. To carry on the business of consultancy services relating to
 - (a) various aspects of managements and administration, such as production, marketing, personnel, finance, planning organisation methods, systems analysis, research and development.
 - (b) various technical matters of scientific and engineering disciplines, such as designs, planning, production, technical supervision of construction, fabrication and erection, research and development, system studies for business, commercial, industrial and service institutions, firms, organisations and other undertakings.
38. To carry on the business of manufacturing, producing, crushing, extracting, refining, purchasing, selling, exporting, importing and dealing whether as commission agents or otherwise of all kinds of oil including synthetic, edible, non-edible, hydrogenated, vegetable deoderized, refined oil, vegetable ghee, margarine and other cooking and shartening medium either by crushing or by chemical or any other process from proundnut, coconut, cotton seeds, mustard seeds, rape seeds, soyabeans, sunflower seeds, safflower seeds and rich bran, castor seeds, tillin seeds or any other nuts, seeds or cakes thereof or cereals or any other substances whatsoever or from fish, vegetables or fruits, flowers or any other substance or products or bye-products, waste of the aforesaid materials.
39. To carry on business of manufacturers, processors and dealers of emulsions, solutions, dispersions, solvents of all types of terpenes and the derivatives.
40. To act as organisers, contractors, promoters or agents of any co-operative societies or any other private or public body or any other institutions or any Government or semi Government bodies and to undertake either on its own or on behalf or such co-operative housing societies, private or public bodies, the business as agents for sale of flats, houses, town-ships and to deal in the properties and lands as traders and to make investment in any kind of properties and land either for the purpose of the holding it for resale or for giving the property in exchange of rent, lease, exchange any whether in India, subject to the provisions of law for the time being in force.

41. To carry on the business and profession of designers, repairers, fabricators and erectors, supervisors, engineers, architects, consultants in any type of construction work, machinery, equipment and any type of mechanical, electrical, civil or any other technical work, including turnkey job.
42. To manufacture, sell and deal in tractors, ploughs, harrows, cultivators, grainbrills, harvesters, stone crushers, paver finishers, hot mix plant, drilling rigs, threshers, movers, cream separators, locomotives, wagons and all other kinds of agricultural and construction implements and machinery.
43. To manufacture sell and deal in scrapers, bulldozers, trailers, threshers, excavators, ditchers, graders and all other earth moving and road making machinery.
44. To manufacture, crainshafts, can shafts, iron doors, windows, hinges, bolt stoppers and all other agricultural drilling and construction equipments and textile machineries.
45. To carry on in any business relating to the mining and working of the minerals, the production and working of metals and the production, manufacture or preparation of which may be usefully or conveniently combined with the engineering business of the Company or any other contracts undertaken by the Company and either for the purpose of such contracts or as an independent business.
46. To carry on in any business of their respective branches all or any of the businesses of quarry proprietors, stone and granite, merchants, dealers and exporters and contractors and to search for, get work, raise, make marketable use sell and dispose off granite, stone, coal, mineral and mineral substances and products within or under any property of the Company and to prepare and manufacture cement, plying, blocks, tarmacadam, bituminous, road materials and all or any other type of the materials or things which the Company may require or which may be useful for carrying on any of the above mentioned business.
47. To manufacture, buy, sell, assemble, repair, give on hire and otherwise in turbine, rotary, reciprocal centrifuge, geared, vaccum and all other types of pumps, drilling machines, oil engines, diesel engines, kerosene engines, petrol engines, hand and industrial blowers, of all descriptions and sizes, monoblocks, electric motors sprayers, hullers, ploughs, agricultural implements, tools and machineries store parts, components and accessories and ancillary products.
48. To render engineering and other technical services for and in connection with the selection, supply, lay out, installation, erection working, running and maintenance of all kinds of machinery, plant, equipments, apparatus and instruments and otherwise for the establishment and organisation of factories in which any such machinery, plant, equipment, apparatus or instrument may be or may have to be installed, erected, fitted or put up.
49. To carry on business of structural engineers, civil engineers, hydraulic engineers, marine engineers, textile engineers, chemical engineers, aeronautical engineers, automotive engineers and all and every work connected with the same and to carry on the business of electricians, electrical, mechanical and consulting engineers, suppliers of electricity for the purpose of light, heat, motive power or otherwise manufacturers and dealers in machinery apparatuses, instruments and things required for or capable of being used in connection with generation, distribution, supply and accumulation, employment and use of electricity galvanism, magnetism or otherwise.
50. To carry on business of mechanical engineers, importers and exporters of agricultural implements and other machinery, tool makers, machinists, smiths, wood workers, builders, painters, electrical engineers, water supply engineers, farmers, painters, carriers and merchants, to buy, sell, manufacture, repair convert alter, let on hire and deal in machinery, implements, rolling stock and hardware of all kinds.
51. To carry on business as manufacturers and as importers and exporters, commission agents and merchants and agents for ships and shipowners and as agents for foreign manufacturers and merchants.

52. To carry on the business of manufacturers, exporters, importers and dealers in ferrous and non-ferrous castings of all kinds, grades and quality and in particular precession and investment castings, continuous castings, chilled and malleable castings, special alloy castings, steel castings, gunmetal, copper, brass and alluminium castings and foundry work of all kinds and refining of all kinds of metals and alloys and to obtain technical know-how for the above purposes.
53. To carry on in India and elsewhere the business of manufacturers, processors, fabricators, drawers, rollers and re-rollers of ferrous and non-ferrous metals, steels, alloy steels, special and stainless shaftings, bars, rods, flats, squares from scrapson, iron, pre-reduced billets, ingots, including manufacturing, processing and fabricating, of pipes, utensils, wire nails, wire, wire ropes, products screws, expanded metal, hinges, plates, sheets, strips, hoops, rounds, circle, angles and to manufacture and other engineering products, hardware, rolling stock, automobile spares and agricultural equipments of all kinds.
54. To carry on the business of manufacturers, fabricators, assemblers, processors, finishers, repairers, buyers, sellers, importers, let on hire or hire purchase and dealers of and in machine tools, such as drilling, boring and trapping machines, milling machines, shaping, planning, slotting and breaching machines, turret lathes, grinding machines, hammers and forging machines, presses, sheet metal working machines, wire working and converting machinery and all other machine tools, special machinery for non-cutting metal working, all types of machines, tools for special purposes and accessories and supplimentary attachments for machine tools.
55. To manufacture, deal in, purchase, sell, import and carry on the business of paints, varnishes, chemicals, distampers, colour, synthetic resins, synthetic thinners, paints, pigments, printing inks, wallpapers, oil barrels, industrial and decorative paints, white lead, linseed oil, glazing materials.
56. To catch purchase, process, prepare for the market, freeze, dry, can, transport, sell, import, export, manufacture, trade and generally deal in :
 - (a) Fish, fish products, aquatic animals, marine products, seaweeds and sea-foods of all kinds and descriptions.
 - (b) Various chemicals, compounds, mixtures, substances, articles and things which can be manufactured from any of the above.
 - (c) Various substance, articles and compounds capable of being used as the raw materials, fillers, derivatives, intermediates and of bye products in any of the process regarding of the above.
 - (d) All apparatus and things capable of being used in any of the foregoing processes.
 - (e) All kinds of implements, tools, containers, articles and things used in fisheries and allied operations.
57. To establish integrated or separate units catering for different aspects of fish catching, fish processing and marketing including trawler units, freezing-cum-cold storage units, processing units, transportation and shippers units.
58. To carry on, either in connection with the business aforesaid or as distinct and separate business, the business of cold-storage proprietors, freezing unit proprietors, ice-vendors, manufacturers, hirers of and dealers in refrigeration chambers and apparatus relating thereto warehouse keepers and stores of all commodities, goods and articles and refrigerators, ice chambers and otherwise.
59. To carry on business of processing and purification of industrial and non-industrial waste and residues and recover chemicals, metals and metallurgical elements or ingredients and to utilise the same for manufacture of articles or things and goods of any description for the purpose of business of the Company.

60. To carry on the business of ship owners, ship-builders, boat builders, builders of shipping accessories, apprantes, tools, machinery and other shipping property and to do business as freight contractors, bargeowners, lightmen, hoymen, ferry-men, forwarding agents, owner of motor boat, steam launches, warehousemen, wharfingers and otherwise as carriers by land and water.
61. To act as surveyors for any industry, firm or concern for land, building, all types of machineries, vehicles, heavy and medium engineering goods and to undertake all types of surveys on contract or otherwise.
62. To carry on business as manufacturers, assemblers, fabricators, dealers of all machinery, plants, tools and other industrial, agricultural and household implements of every kind and in particular machineries and equipments of chemical industry.
63. To conduct and carry on business of rolling, re-rolling, welding, casting, extruding, stretching, reducing, forging, pressing, drawing, machining, grinding, processing, working or finishing in any manner of all kinds of metals and alloys.
64. To carry on the business of producing, cultivating, processing, treating, grinding, pulverising, separating, blending, extracting, calibrating, manipulating and manufacturing of and dealing in all agricultural and vegetable products and to carry on business of exporting, importing, buying, selling and otherwise dealing in agricultural and vegetable products.
65. To carry on the business as manufactures, dealers, exporters, importers of ball, roller, taper roller, thrust ball, water pump bearings, needle roller bearing.
66. To finance and transact and carry on all kinds of leasing agency/contract business and represent, leasing and investment companies or firms, individuals and to render services for leasing and investment operations.
67. To carry on the business of manufacturers, fabricatorss, assemblers, processors, finishers, repairers, buyers, sellers, importers, let on hire, on hire purchase and/or on lease and dealers of and in all types of electronic items such as televisions, radios, musical instruments and apparatus, tape recorders, cinema project, video recorder and player, video camera, watches including stop watch communication equipment and apparatus including telephones, wireless sets, fax machines, electronic phone, exchange and all office equipment of every description and nature.
68. To carry on the business of manufacturers, fabricators, assemblers, processors, finishers, repairers, buyers, sellers, importers, exporters, let on hire, on hire purchase, lease and dealers of and in computers of all description and nature including data and information processors, controllers, printers floppy disk, tapes, video displays, with or without data entry console, language translator, word processor, graph and chart plotter and to do all and every work connected with the same such as design, develop, engineer, import, export, buy, sell and otherwise deal in computer programmes, computer configuration, software and aids for information and data processing.
69. To carry on the business of manufacturers of and dealers in sheet glass, plate glass, wired glass, figured glass and all sorts of glass and glass wares and all other articles and things which can or may conveniently be used for the manufacture of or in connection with all such articles and things as aforesaid.
70. To manufacture, deal and process low dose die-electric parts for electronic industry made of titanium dioxide, zirconia alumina and other related minerals.
71. To manufacture alumina and zirconia grinding media, pellets and catalytic supporters required by electronic, oil refineries, chemicals, cement plant and coal industries.
72. To carry on the business of fertilisers and manures of all kinds as also to carry on the business of manufacture of fertilisers and granulated N.P X. liquid fertilisers, harmones pesticides, insecticides, harkicides and granulated manure mixtures and manufacture of synthetic or chemical combinations used for the purpose of fertilising the soil.

73. To carry on the business of raw materials used in the manufacture of fertilisers and granulated manure mixture, insecticides and pesticides viz. drug, ammonium, sulphate, chemical products are used in the manufacture of fertilisers and granulated manure mixture.
 74. To manufacture, produce, use, buy or sell and otherwise or traffic in any or all polymers, including homopolymer and copolymer type plastics, including and thermoplastics types, resins, moulding, powders, plasticiser and all other allied chemicals required for polymers and plastics manufacturing and processing industries.
 75. To establish and carry on the business of manufacture and dealers and importers, exporters in containers and drums made from any type of metal, paper, fibre, plywood, alkathyne, polyethylene steel and such other materials.
 76. To deal, manufacture, export and import containers, packing materials, baskets, card-board bags, appliances of all kinds necessary for manufacturing, improving, processing, trading preserving, canning, rejoining, bottling and dealing in all kinds of products.
 77. To carry on business as manufactures, designers, makers, buyers, sellers, importers, exporters, distributors and/or otherwise dealers in all types of chemicals machinery and equipments required for the above clause.
 78. To carry on the business of manufacturers, dealers, exporters, importers of medical instruments, apparatus, appliances and measuring and control instruments of every description.
- IV. The liability of the members is limited.

V. The Authorised Share Capital of the Company is Rs. 6,05,00,000/- (Rupees Six Crores Five Lacs only) divided into 60,00,000 (Sixty Lacs) Equity Shares of Rs. 10/- (Ten only) each and 50,000, 11% Cumulative Redeemable Preference Shares of Rs. 10/- each."

We, the several persons, whose names and addresses are subscribed are desirous of being formed into a Company in pursuance of this Memorandum of Association and we respectively agree to take the number of shares in the capital of the Company set opposite our respective names :-
