Limited Review Report on unaudited consolidated financial results of Rain Industries Limited for the Quarter ended 30 June 2022 and year-to-date results for the period from 1 January 2022 to 30 June 2022 pursuant to Regulation 33 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended

To the Board of Directors of Rain Industries Limited

1. We have reviewed the accompanying Statement of unaudited consolidated financial results of Rain Industries Limited ("the Parent"), and its subsidiaries (the Parent and its subsidiaries together referred to as "the Group") and its share of the net profit after tax and total comprehensive income of its associates for the quarter ended 30 June 2022 and year-to-date results for the period from 1 January 2022 to 30 June 2022 ("the Statement"), being submitted by the Parent pursuant to the requirements of Regulation 33 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ("Listing Regulations").
2. This Statement, which is the responsibility of the Parent's management and approved by the Parent's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 "*Interim Financial Reporting*" ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013, and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "*Review of Interim Financial Information Performed by the Independent Auditor of the Entity*", issued by the Institute of Chartered Accountants of India. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

We also performed procedures in accordance with the circular issued by the Securities and Exchange Board of India under Regulation 33(8) of the Listing Regulations, to the extent applicable.

4. The Statement includes the results of the entities which have been mentioned in Annexure I to this report.
5. Based on our review conducted and procedures performed as stated in paragraph 3 above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with the recognition and measurement principles laid down in the aforesaid Indian Accounting Standard and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in terms of Regulation 33 of the Listing Regulations, including the manner in which it is to be disclosed, or that it contains any material misstatement.

Registered Office:

6. The Statement includes the financial results of 16 subsidiaries which have not been reviewed, whose financial results reflect total assets of Rs. 172,351.23 million as at 30 June 2022 and total revenues of Rs. 750.69 million and Rs. 1,621.32 million, total net profit after tax of Rs. 5,293.88 million and Rs. 5,987.93 million and total comprehensive income of Rs. 5,344.48 million and Rs. 5,950.17 million, for the quarter ended 30 June 2022 and for the period from 1 January 2022 to 30 June 2022 respectively, and cash outflows (net) of Rs. 2,171.46 million for the period from 1 January 2022 to 30 June 2022, as considered in the Statement. Notes:

- The Consolidated Unaudited Financial Results were reviewed by the Audit Committee on July 28, 2022 and approved by the Board of Directors at their meeting held on July 29, 2022.
- The Consolidated Unaudited Financial Results have been prepared in accordance with Indian Accounting Standards (Ind AS) prescribed under Section 133 of the Companies Act, 2013 ('The Act') read with relevant rules issued thereunder and in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.
- The Consolidated Unaudited Financial Results for the Quarter and Half Year ended June 30, 2022 have been subjected to a "Limited Review" by the statutory auditors of the Company. An unmodified review report has been issued by them thereon.

7/19

- 4 The Board of Directors of the Company at their meeting held on July 29, 2022, have declared an Interim Dividend of INR 1/- per Equity Share i.e. 50% on face value of INR 2/- per Equity Share fully paid up for the financial year ending December 31, 2022.
- 5 Due to the global implications of the rapidly evolving conflict between Russia and Ukraine that started in February 2022, there is an increase in volatility in the commodity prices, stock and foreign exchange markets. Given this geopolitical uncertainty resulting from this war and the likelihood that changes may occur rapidly or unexpectedly, we have carefully evaluated information that became available in this regard to assess its potential impact on the Group's activities such as supply chain disruption, closure / abandonment of operations / manufacturing facilities, travel restrictions, market volatility, recoverability of inter-company loan within group entities, repatriation of dividends between group entities, etc. Currently, the management does not foresee any significant impact of the above events on its financial results as the operations of its Russian entities and the rest of the entities are largely independent of each other. However, since the impact assessment of such situation is a continuing process given the uncertainties associated with its nature and duration, the Group will continue to monitor any material changes to future economic conditions.
- 6 Subsequent to the quarter ended June 30, 2022, one of the Group's subsidiary received a demand of INR 900.65 towards non-restriction of credit of Goods and Services Tax paid on common inputs used for exempt supply (Electricity, co-generated through waste-heat recovery). Based on the management's preliminary assessment, it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation. Accordingly, this is considered as a contingent liability.
- 7 During the year ended December 31, 2020, due to the COVID-19 pandemic, there was nationwide lockdown in India and supply disruptions in various other countries, which affected the operations across the Group. However, the situation started improving from the third quarter of 2020. Again with resurgence of COVID-19, the Group continues to evaluate the impact of this pandemic on its business operations, liquidity and financial position. Based on management's review of current indicators and economic conditions there is no material impact on its financial results as at June 30, 2022, and carrying value of its assets. However, the impact assessment of COVID-19 is a continuing process given the uncertainties associated with its nature and duration and accordingly the impact may be different from that estimated as at the date of approval of these financial results. The Group will continue to monitor any material changes to future economic conditions.
- 8 Due to significant increase in operating costs driven by higher natural gas prices and tax losses, the Group's German subsidiary re-assessed the deferred tax assets to be recognised based on the scheduled reversal of deferred tax liabilities and projected future taxable income. Based on such assessment, the Group's German subsidiary reversed the deferred tax assets amounting to INR 3,777.11 (of which INR 2,926.06 was recorded in consolidated statement of profit and loss and balance of INR 851.05 was recorded through Other Comprehensive Income) during the quarter and year ended December 31, 2021.

Further, the Group's US subsidiary generated Foreign Tax Credits ("FTC") in 2017. However, deferred tax assets amounting to INR 930.03 was not recognised as at December 31, 2020 on the basis of available evidence that it was more likely than not that deferred tax assets will not be realised. During the year ended December 31, 2021, Management reassessed the recoverability of this unrecognised deferred tax asset based on the scheduled reversal of deferred tax liabilities and projected future taxable income. Accordingly, the Group's US subsidiary recognised the deferred tax assets during the year ended December 31, 2021, amounting to INR 930.03 in consolidated statement of profit and loss.

- 9 During the year ended December 31, 2021, the Group sold its Moundville plant located in the United States of America which was classified as "Assets held for sale" in the Consolidated Balance Sheet as at December 31, 2020 for an amount of INR 284.63. The resultant gain of INR 243.70 was recorded under the heading Other income.

Limited Review Report on unaudited standalone financial results of Rain Industries Limited for the quarter ended 30 June 2022 and year-to-date results for the period from 1 January 2022 to 30 June 2022 pursuant to Regulation 33 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015

To the Board of Directors of Rain Industries Limited

1. We have reviewed the accompanying Statement of unaudited standalone financial results of Rain Industries Limited ("the Company") for the quarter ended 30 June 2022 and year-to-date results for the period from 1 January 2022 to 30 June 2022 ("the Statement").
2. This Statement, which is the responsibility of the Company's management and approved by the Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34 "*Interim Financial Reporting*" ("Ind AS 34"), prescribed under Section 133 of the Companies Act, 2013, and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015. Our responsibility is to issue a report on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "*Review of Interim Financial Information Performed by the Independent Auditor of the Entity*" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.
4. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement, prepared in accordance with applicable accounting standards and other recognised accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 including the manner in which it is to be disclosed,
