Dear Sir/ Ma'am,

The founders of NDTV, Radhika and Prannoy Roy, have today won their request to travel abroad from August 1 to August 30, 2022.

The Hon'ble Delhi High Court, in response to a Writ Petition filed by Dr. and Mrs. Roy, said:

“As the record presently stands, the Court finds that the respondents do not place reliance on any material which may even remotely indicate that the petitioners constitute a flight risk. It is also not shown or established that they have failed to render cooperation in the ongoing investigation. From the material placed on behalf of the applicants, it is manifest that the petitioners have deep rooted ties in the country and consequently the prayer for interim permission as made would merit acceptance.”

On August 9, 2019, the Company had informed stock exchanges that its founders had been stopped at the Bombay airport from travelling abroad on the basis of a wholly unsubstantiated case filed by the CBI about an ICICI loan that was taken by their company, RRPR Holdings Private Limited, which was fully repaid with interest and ahead of schedule.

You are requested to take the same on record.

Thanking you,

Yours faithfully,

For New Delhi Television Limited
