GROW INDIA GLOW INDIA

ANNUAL REPORT 2018-2019

CHAIRMAN'S MESSAGE

“

Despite the volatility in the markets, your Company's total income for the year stood at ₹ 103.71 crores while profit after tax was ₹ 19.02 crores. We're confident our approach can help people take ownership of their financial future.

”

Dear Shareholders,

On behalf of Arihant Capital Markets Limited and its Board of Directors, I am delighted to present before you the 27th Annual Report of the Company.

The new financial year has started with the Modi government returning to power with a thunderous majority voicing an ambitious target to make India a \$5 trillion economy by 2024. A strong mandate at the Centre makes a strong case for stability and clarity in policy outlook and long-term reforms substantiating our theme of Growing India, Glowing India.

India's economy witnessed a cyclical downturn for the financial year 2019, as GDP contracted to 6.5% in second half of 2018-19 below its long-term trend of 7%. Consumption demand, which was the bulwark of the economy, had also weakened and private investment did not show signs of pickup. Default by IL&FS led to significant correction in NBFCs on fears of liquidity concerns and ALM mismatch for some of the NBFCs. Trade war woes, and election uncertainty led to sell off by foreign portfolio investors keeping Dalal Street nervous & volatile in the beginning of new financial year (2019-20). However, as the Fed turned dovish & US 10 year bonds started cooling off, foreign investors took a u-turn reversing sentiments. Despite the roller coaster year, overall the benchmark index Nifty 50

delivered positive returns during the financial year 2019 closing at 11623 levels, up 14.50% YoY ending up with good return to the investors.

Growth is expected to remain weak in the first half of 2020 on weak consumption demand and export income. The rising figures of GST collection and constant growth in direct tax to GDP ratio are welcome for the Indian economy. We expect the inflation framework (low food prices and positive real rates), fiscal consolidation, infrastructure spending, FDI focus and strong external affair policies should help revive growth in second half of 2019-20. However, a below normal monsoon, spike in oil prices and global trade disputes, are the key risks that could dampen the growth outlook.

I am pleased to inform you that **despite the volatility in the markets, your Company's total income for the year stood at ₹ 103.71 crores as compared to ₹ 102.44 crores, while profit after tax was ₹ 19.02 crores as compared to ₹ 20.66 crores** previous year respectively.

Board of Directors have recommended a dividend of ₹ 0.75 per share (15%) for the year, in line with the growth prospects of the Company.

We remain committed to our vision of servicing clients by offering the apt financial solutions and right advice that will help to create value for our investors and customers. In this context, we are continuously focusing on expanding our bouquet of financial solutions and improving our digital offerings to provide a holistic experience. Our business model is relatively simple. It revolves around the thumb rule that if we treat prospective and existing clients the way we would want to be treated, they will choose to build a relationship with us and do more business with us.

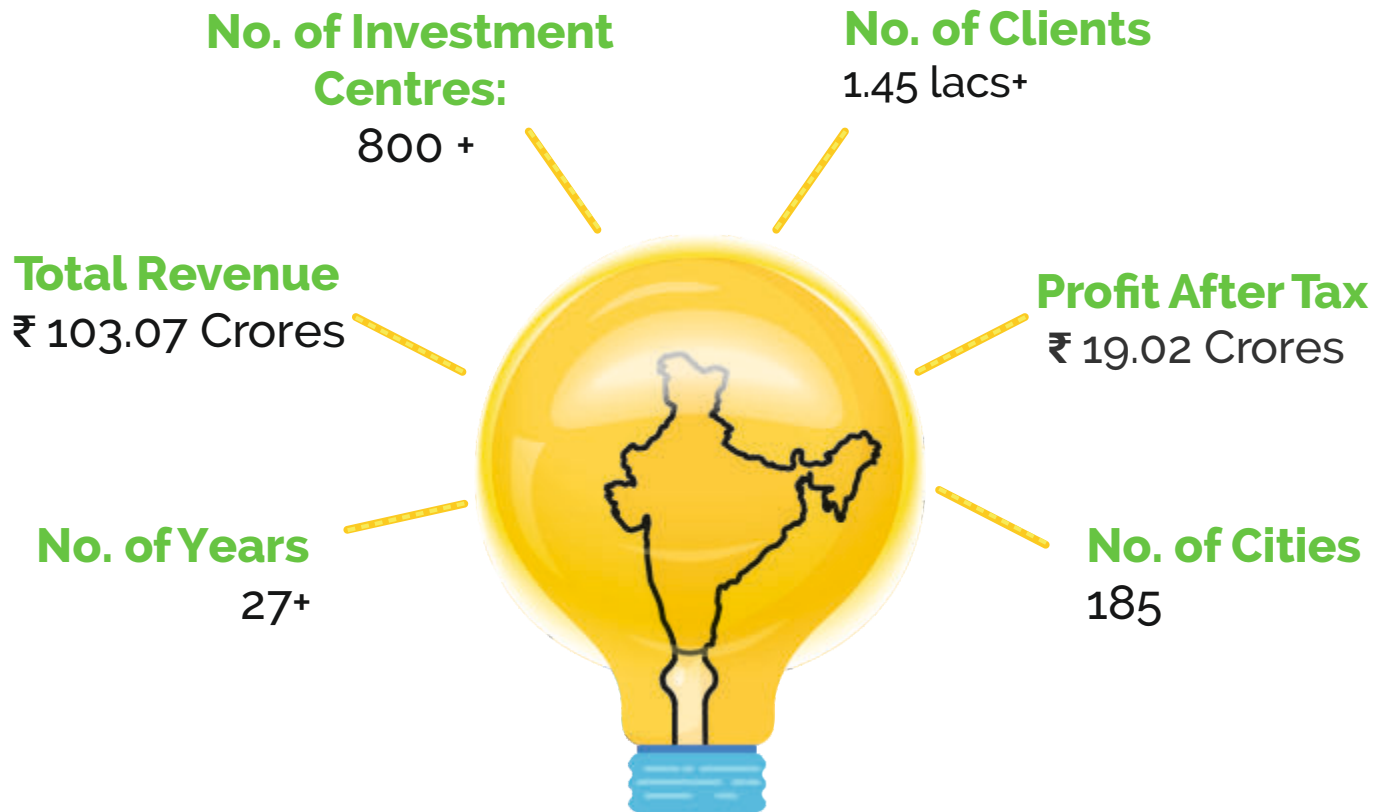

We have adhered to a deeply held set of principles since our inception, and as owners, you can be confident that these principles define what we do every day at your Company. We're confident our approach can help people take ownership of their financial future.

Thank you for your ongoing trust and confidence.

Management Discussion and Analysis Report

FY2018-19: At a glance

Global outlook

The global economic activity which was on an upward growth trajectory since 2016-17, remained healthy at 3.8% in first half of 2018-19 however softened to 3.2 percent in the second half of 2018-19. The economic activity moderated amid renewed trade tensions and tariff hikes between the United States and China, resulting in decline in the overall business sentiments, tightening financial conditions, and higher policy uncertainty across many economies. Due to this global backdrop, S&P Moody's has projected the global growth outlook at 2.8% in 2019.

The key risk elements like escalation in trade tensions can adversely affect the consumer confidence and capex plans, which in turn could impact growth negatively. However, over the medium term, growth drivers will be, easing financial conditions, fiscal and monetary stimulus by China, lower unemployment levels and stable consumer spending in the United States.

For India, FY19 was a volatile year where in strong growth in first half was offset by weak growth and negative sentiments in the second half of the year. The key highlights were the volatile crude oil prices owing to weak global sentiments, the fallout of the NBFC crisis, and resolution of some large NPAs under Indian Bankruptcy code (IBC). Further, increase in capital allocation for recapitalization of public sector banks, merger of some prominent public sector banks, launch of PM Kisan scheme, rationalization of GST rates on various goods were the key positive developments during the year.

As per IMF estimates, India's economy grew 7.1% in FY19 and is expected to accelerate to 7.3% growth in FY 19-20 and to 7.5% in FY21. The positive stance by the IMF has been on the back of recovery in consumption and a more expansionary stance on the monetary policy adopted by the central bank. During the year, Foreign Portfolio Investors (FPIs) invested approximately US\$0.2bn in FY19 vs US\$ 3.4bn in FY18. However, the first three quarters of FY19 witnessed outflows of US\$8.2bn followed by sharp recovery in fourth quarter with inflows of US\$ 8.4bn. This resurgence of inflows were largely led by expectations of a strong and stable government; falling yields in USA and Europe; favorable crude oil prices and a stable Indian Rupee; positive impact of the implementation of GST reforms.

Outlook for 2019-20: The path leads to a cautious year ahead

Global Economy:

As per Moody's, global economic growth is expected to grow at slower pace of 2.8% in 2019-20, decelerating from an estimated 3.2% growth rate in 2018-19 primarily led by elevated U.S.-China trade tensions and the U.S. conflict with Iran. Other risks to the outlook include the looming U.S. tariffs on Mexican goods and the lack of clarity over Brexit.

Going forward, it will be important for policy-makers and multilateral institutions globally to isolate economic activity from inward-looking trade protectionist policies, which could have a significant impact on the global trade flows and overall economic productivity.

Indian Economic Highlights:

The outlook for FY20 remains uncertain owing to softening of domestic consumption and the slowdown in the PMI, automotive sales, tourist arrivals and rail freight. However, with a clear mandate, the focus shifts on the improvement of rural demand through various schemes coupled with a stable monsoon outlook. The Centre fiscal deficit target of 3.4% remains an uphill task. The recent positive developments are the decline in oil prices, RBI's favorable policy stance and softening bond yields.

With the new government having been re-elected with a strong mandate, a continuity in policy reforms will continue. Therefore, renewed focus on infrastructure, manufacturing and rural development will be at the forefront going forward. Centre's Fiscal deficit was contained at 3.4% (slightly above the budgeted target of 3.3%), despite significantly lower than estimated GST collection, due to curtailed expenditure by the Government in Q4FY19.

The liquidity in the banking system, which was impacted after the NBFC fallout is likely to see gradual improvement. The Centre's tax revenues for FY19 were ₹ 1.1tn lower than projections in the interim budget. States are likely to step-up spending, as there is fiscal room available to increase fiscal deficit from 2.6% as budgeted in FY20.

Risk factors relating to our business operations

Every Company is prone to internal and external risks, including risks around compliance, operational, strategic and many others. Many of these risks are inherent in the enterprise structure of any organization and may interfere with an organization's operations and objectives. The Company takes responsibility to proactively identify and address risks and opportunities to protect and create value for its stakeholders.

Some of the crucial risks impacting the Company's overall governance are detailed below:

- **Economic Risk:** The major sources of our revenues are derived from equity brokerage business. Hence, like other players in the market, our business is highly sensitive to economic and political conditions prevalent in the country and across the globe. Any sustained down turn in general economic conditions or Indian equity markets and severe market fluctuations would likely result in reduced client trading volumes and net revenues, and hence, will have a material adverse effect on our profitability.

- **Technological risk plays a significant role in our industry:** The substantial amount of costs involved in deployment of technology is a critical factor. Obsolescence is another major concern as upgradation of technology is an ongoing exercise. Any significant changes in technology would pose pressure on our profitability.
- **Market Risk:** The Company aims to mitigate market risks by using investment policies, Investment committees, and requirement of investment justifications and regular monitoring of performance.
- **Reputation Risk:** Over the years, the Company pays special attention to issues that may create a reputational risk. Events that can negatively impact the organisation position are handled cautiously ensuring utmost compliance with relevant laws.
- **Credit Risk:** The Company Provide exposure limits to clients, based on the collaterals of securities that we receive from them, in connection with our brokerage business. Sharp change in market values of securities and the failure by parties to honour the commitments on a timely basis could have a material adverse effect on the profitability of our operations.
- **Competition Risk:** The financial sector in India is in some ways well established but growing at a fast pace both in terms of companies entering the market as well as in terms of demand and customer base. As a result, Competition risk is always a consideration. Emergence of disruptive business models like discount broking, robo-advisory and payment bank companies in the financial markets space will cause competition going forward.
- **Compliance Risk:** Compliance risks result from violations or non-compliance with Laws and Regulations, Code of Business Conduct and Contractual Compliance having material impact on the Company's financial, organizational and reputational standings. The Company has strong compliance management framework, supported by adequate tools and IT systems, to identify, assign and monitor compliance with applicable Rules and Regulations. In addition, an independent internal auditor reviews compliance management framework and submits their findings to the Audit Committee.

Human Resources

Human Resources are a key ingredient for your Company and the success of the Company involves critically depends on quality of manpower in the organization. INDEPENDENT AUDITOR'S REPORT

TO,
THE MEMBERS
ARIHANT CAPITAL MARKETS LIMITED
Indore

Report on the Standalone Financial Statements**Opinion**

We have audited the accompanying standalone financial statements of ARIHANT CAPITAL MARKETS LIMITED ("the Company"), which comprise the Balance Sheet as at 31st March, 2019, the Statement of Profit and Loss, the Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2019, and its profit and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined that there is no key audit matter to communicate in our report.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

That Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error; and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is included in Annexure "A" of this auditor's report.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the order") issued by the Central Government of India in terms of sub-section (1) 143 of the act, we give in the Annexure "B", a statement on the matters specified in the paragraph 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143 (3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - (c) The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
 - (d) In our opinion the aforesaid financial statements comply with the accounting standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - (e) On the basis of the written representations received from the directors as on 31st March, 2019 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2019 from being appointed as a director in terms of Section 164 (2) of the Act.
 - (f) With respect to the adequacy of the internal financial control over financial reporting of the company and the operating effectiveness of such control, refer to our separate report in Annexure "C"; and
 - (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements as referred to in Note 28 to the Financial Statements.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses; and
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.

ANNEXURE “A” REFERRED TO IN PARAGRAPH UNDER THE HEADING OF “AUDITOR’S RESPONSIBILITY” OF OUR REPORT OF EVEN DATE TO THE MEMBERS OF ARIHANT CAPITAL MARKETS LIMITED ON THE ACCOUNTS FOR THE YEAR ENDED 31ST MARCH, 2019

As part of audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

1. Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
2. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
3. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
4. Conclude on the appropriateness of management’s use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company’s ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor’s report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor’s report. However, future events or conditions may cause the Company to cease to continue as a going concern.
5. Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Materiality is the magnitude of misstatements in the Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Financial Statements.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor’s report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

ANNEXURE “C” AS REFERRED TO IN PARAGRAPH 2(f) UNDER THE HEADING OF “REPORT ON LEGAL AND REGULATORY REQUIREMENTS” OF OUR REPORT OF EVEN DATE TO THE MEMBERS OF ARIHANT CAPITAL MARKETS LIMITED ON THE ACCOUNTS FOR THE YEAR ENDED 31ST MARCH, 2019

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of Arihant Capital Market Limited (“the Company”) as of March 31, 2019 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor’s Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that

1. pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
2. provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company;
3. provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial

control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2019, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes Forming Part of Standalone Financial Statements for the year ended 31st March, 2019

NOTE I: STATEMENT ON SIGNIFICANT ACCOUNTING POLICIES

(i) (a) BASIS OF PREPARATION

The financial statements have been prepared to comply with applicable accounting principles in India, the Accounting Standards issued by the Institute of Chartered Accountants of India and the relevant provisions of the Companies Act, 2013. The accounts are prepared on historical cost basis and on the principle of going concern. Accounting policies not specifically referred to are in consonance with prudent and generally accepted accounting practices. The accounting policies have been consistently applied unless otherwise stated.

(b) USE OF ESTIMATES

The preparation of financial statements is in conformity with generally accepted accounting principles which require the management of the company to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and results of operations during the reporting periods. Although these estimates are based upon the management's best knowledge of current events & actions, actual results could differ from those estimates. Difference between the actual results and estimates are recognized in the period in which the results are known / materialized.

(ii) REVENUE RECOGNITION

- a) Company recognizes Brokerage Income on the basis of the date of trade of settlement, of respective stock exchanges.
- b) Other Income is accounted for on accrual basis.
- c) The Maintenance Charges in respect of Account Holders of the Depository Division of the Company are accounted on pro-rata basis. In case of receipt of lifetime fees, the total amount received is recognized in the period of receipt.
- d) Incentive on primary market subscription – mobilization is accounted on the basis of intimation received by the Company.

(iii) VALUATION OF INVENTORIES

Securities Shown as Inventories are valued scrip wise at Weighted Average Cost of the day or Market Value whichever is lower. Cost includes direct expenses.

(iv) PROPERTY, PLANT & EQUIPMENT

Property, Plant & Equipments are stated at historical cost less accumulated depreciation. Historical cost comprises the purchase price and all direct cost attributable to bring the asset to its working condition for intended use.

(v) DEPRECIATION

Depreciation on Property, Plant & Equipment is provided on the straight-line method over the useful lives of assets as mentioned and envisaged under Schedule II of the Companies Act, 2013. Depreciation for assets purchased / sold during a period is proportionately charged. Intangible assets are amortized over their respective individual estimated lives on a straight-line basis, commencing from the date the asset is available to the Company for its use.

(vi) IMPAIRMENT OF ASSETS

Impairment loss, if any, is provided to the extent the carrying amount of assets exceeds their recoverable amount. Recoverable amount is higher of an asset's net selling price and its value in use. Value in use is the present value of estimated future cash flows expected to arise from the continuing use of an asset and from its disposal at the end of its useful life.

(vii) INVESTMENTS

Investments are classified into current investments and non-current investments. Investments which are intended to be held for more than one year are classified as non-current investments and investments which are intended to be held for less than one year are classified as current investments. Investments are accounted at cost and any decline in the carrying value other than temporary in nature is provided for.

(viii) CASH & CASH EQUIVALENTS

Cash comprises of cash in hand and balances with banks. Cash equivalents are short term, highly liquid investments that are readily convertible into cash and which are subject to insignificant risks of changes in value.

(ix) FOREIGN EXCHANGE TRANSACTIONS

- (a) Transactions denominated in foreign currencies are recorded at the exchange rate prevailing on the date of the transaction or that approximates the actual rate at the date of the transaction.
- (b) Monetary items denominated in foreign currencies at the year end are restated at year end rates. In case of items which are

covered by forward exchange contracts, the difference between the year end rate and rate on the date of the contract is recognized as exchange difference and the premium paid on forward contracts is recognized over the life of the contract.

- (c) Any income or expense on account of exchange difference either on settlement or on translation is recognized in the Profit and Loss account except in case of long term liabilities, where they relate to acquisition of fixed assets, in which case they are adjusted to the carrying cost of such assets.

(x) EARNING PER SHARE

The Company reports Basic and Diluted Earning Per Share in accordance with Accounting Standard –20, “Earning Per Share” issued by The Institute of Chartered Accountants of India. Basic Earning Per Share is computed by dividing net profit after tax by the weighted average number of equity shares outstanding for the period. Diluted Earning Per Share is computed using the weighted average number of equity shares and dilutive potential equity shares outstanding during the period.

(xi) TAXATION

- a) Current corporate tax is provided on the results for the year after considering applicable tax rates and laws.
- b) Deferred Tax is provided on timing differences between tax and accounting treatments that originate in one period and are expected to be reversed or settled in subsequent periods. Deferred tax assets and liabilities are measured using the enacted / substantially enacted tax rates and laws for continuing operations. Deferred tax assets, in the event of unabsorbed depreciation and carry forward losses under tax laws, that exceed the deferred tax liability, are recognized only where there virtual certainty of realization. Deferred tax assets on other accounts are recognized only to the extent there is reasonable certainty of realization. The carrying amount of deferred tax assets is reviewed at each balance sheet date to reassess realization.
- c) Minimum Alternative Tax (MAT) credit is recognized as an asset only when and to the extent there is convincing evidence that the Company will pay normal income tax during the specified period. In the year in which the MAT credit becomes eligible to be recognized as an asset in accordance with the recommendations contained in Guidance Note issued by the Institute of Chartered Accountants of India, the said asset is created by way of a credit to the profit and loss account and shown as MAT Credit Entitlement. The Company reviews the same at each balance sheet date and writes down the carrying amount of MAT Credit Entitlement to the extent there is no longer convincing evidence to the effect that the Company will pay normal Income Tax during the specified period.

(xii) RETIREMENT BENEFITS

- i. Gratuity liability is a defined benefit obligation and is wholly unfunded. The Company accounts for liability for future gratuity benefits based on actuarial assumptions.
- ii. Provident fund is a defined contribution scheme and the contributions as required by the statute are charged to the Profit and Loss Account as incurred.

(xiii) DERIVATIVE INSTRUMENTS

The Company enters into exchange traded derivative products i.e. equity/index futures and options, for proprietary trading purposes. The derivative contracts are recognised on a trade date basis and stated at the fair value, being the last quoted closing price on the National Stock Exchange of India Limited (‘NSE’) or last quoted closing price on BSE Limited is considered (‘BSE’) on the balance sheet date. Changes in the fair value of the derivative contracts are recognised in the statement of profit and loss.

(xiv) PROVISIONS, CONTINGENT LIABILITIES AND CONTINGENT ASSETS

Provisions are recognized for present obligations, of uncertain timing or amount, arising as a result of a past event where a reliable estimate can be made and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation. Where it is not probable that an outflow of resources embodying economic benefits will be required or the amount cannot be estimated reliably, the obligation is disclosed as a contingent liability unless the possibility of outflow of resources embodying economic benefits is remote.

Possible obligations, whose existence will only be confirmed by the occurrence or non-occurrence of one or more uncertain future events, are also disclosed as contingent liabilities unless the possibility of outflow of resources embodying economic benefits is remote.

INDEPENDENT AUDITOR'S REPORT

To
The Members,
Arihant Capital Markets Limited

Report On the Consolidated Financial Statements**Opinion**

We have audited the accompanying consolidated financial statements of **ARIHANT CAPITAL MARKETS LIMITED** ("the Holding Company"), and its subsidiaries (collectively referred to as "the Company" or "the Group") which comprise the Consolidated Balance Sheet as at March 31, 2019, the Consolidated Statement of Profit and Loss and the Consolidated Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting policies generally accepted in India, of the consolidated state of affairs of the Group as at 31st March, 2019, and its consolidated profit and its consolidated cash flows for the year ended on that date.

Basis of Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined that there is no key audit matter to communicate in our report.

Management's Responsibility for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these consolidated financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of the appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the group are responsible for overseeing the financial reporting process of the group.

Auditor's Responsibility

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is included in Annexure "A" of this auditor's report.

Report on Other Legal and Regulatory Requirements

- I. As required by Section 143 (3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of the aforesaid consolidated financial statements.
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - (c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss, and the Consolidated Cash Flow Statement dealt with by this Report are in agreement with the books of account maintained for the purpose of preparation of consolidated financial statements.
 - (d) In our opinion, the aforesaid consolidated financial statements comply with the accounting standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - (e) On the basis of the written representations received from the directors of the holding company as on 31st March, 2019 taken on record by the Board of Directors of the holding company and the report of the subsidiary companies, none of the directors is disqualified as on 31st March, 2019 from being appointed as a director in terms of Section 164 (2) of the Act.
 - (f) With respect to the adequacy of the internal financial control over financial reporting of the company and the operating effectiveness of such control, refer to our separate report in Annexure "B"; and
 - (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements as referred to in Note 30 to the Consolidated Financial Statements.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses; and
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Holding Company and subsidiary companies..

ANNEXURE “A” REFERRED TO IN PARAGRAPH UNDER THE HEADING OF “AUDITOR’S RESPONSIBILITY” OF OUR REPORT OF EVEN DATE TO THE MEMBERS OF ARIHANT CAPITAL MARKETS LIMITED ON THE CONSOLIDATED ACCOUNTS FOR THE YEAR ENDED 31ST MARCH, 2019

As part of audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

1. Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error; design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
2. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
3. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
4. Conclude on the appropriateness of management’s use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor’s report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor’s report. However, future events or conditions may cause the Group to cease to continue as a going concern.
5. Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Materiality is the magnitude of misstatements in the Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Financial Statements.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor’s report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

ANNEXURE “B” AS REFERRED TO IN PARAGRAPH 2(f) UNDER THE HEADING OF “REPORT ON LEGAL AND REGULATORY REQUIREMENTS” OF OUR REPORT OF EVEN DATE TO THE MEMBERS OF ARIHANT CAPITAL MARKETS LIMITED ON THE CONSOLIDATED ACCOUNTS FOR THE YEAR ENDED 31ST MARCH, 2019

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

In conjunction with our audit of the consolidated financial statements of the Group as of and for the year ended 31 March 2019, we have audited the internal financial controls over financial reporting of Arihant Capital Market Limited (“the Holding Company”) and its subsidiary companies, as of that date.

Management’s Responsibility for Internal Financial Controls

The respective management of the holding company and its subsidiary companies are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Group considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to group’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Group's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Group’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

1. pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
2. provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company;
3. Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial

control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Group has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2019, based on the internal control over financial reporting criteria established by the Group considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes Forming Part of Consolidated Financial Statements for the year ended 31st March, 2019

NOTE I: STATEMENT ON SIGNIFICANT ACCOUNTING POLICIES

A. BASIS OF ACCOUNTING

The financial statements have been prepared to comply with applicable accounting principles in India, the Accounting Standards issued by the Institute of Chartered Accountants of India and the relevant provisions of the Companies Act, 2013. The accounts are prepared on historical cost basis and on the principle of going concern. Accounting policies not specifically referred to are in consonance with prudent and generally accepted accounting practices. The accounting policies have been consistently applied unless otherwise stated.

B. USE OF ESTIMATES

The preparation of financial statements is in conformity with generally accepted accounting principles which require the management of the company to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and results of operations during the reporting periods. Although these estimates are based upon the management's best knowledge of current events & actions, actual results could differ from those estimates. Difference between the actual results and estimates are recognized in the period in which the results are known / materialized.

C. REVENUE RECOGNITION

- i. Group recognises Brokerage Income and Profit/ (Loss) from Trading of Securities on the basis of the date of trade of settlement, of respective stock exchanges.
- ii. Income from interest on Loans is recognized on accrual basis.
- iii. Other Income is accounted for on accrual basis.
- iv. The Annual Maintenance Charges in respect of Account Holders of the Depository Division of the Group are accounted at the time of opening of account or completion of the year irrespective of the period they pertain to.

D. PROPERTY, PLANT AND EQUIPMENT

Property, Plant and Equipment are stated at historical cost less accumulated depreciation. Historical cost comprises the purchase price and all direct cost attributable to bring the asset to its working condition for intended use.

E. DEPRECIATION

Depreciation on Property, Plant and Equipment is provided on the straight-line method over the useful lives of assets as mentioned and envisaged under Schedule II of the Companies Act, 2013. Depreciation for assets purchased / sold during a period is proportionately charged. Intangible assets are amortized over their respective individual estimated lives on a straight-line basis, commencing from the date the asset is available to the Company for its use.

F. INVESTMENTS

Investments are classified into long term investments and current investments. Investments which are intended to be held for more than one year are classified as long term investments and investments which are intended to be held for less than one year are classified as current investments. Investments are accounted at cost and any decline in the carrying value other than temporary in nature is provided for.

G. STOCK INTRADE

Securities Shown as Inventories are valued scrip wise at Weighted Average Cost of the day or Market Value whichever is lower. Cost includes direct expenses.

Inventories (Land) are valued at Cost or Market Value whichever is lower. Cost includes direct expenses.

H. CASH & CASH EQUIVALENTS

Cash comprises cash in hand and balances with banks. Cash equivalents are short term, highly liquid investments that are readily convertible into cash and which are subject to insignificant risks of changes in value.

I. RETIREMENT BENEFITS

- i. Gratuity liability is a defined benefit obligation and is wholly unfunded. The Group accounts for liability for future gratuity benefits based on actuarial valuation.
- ii. Provident fund is a defined contribution scheme and the contributions as required by the statute are charged to the Profit and Loss Account as incurred.

Notes Forming Part of Consolidated Financial Statements for the year ended 31st March, 2019

J. DERIVATIVE INSTRUMENTS

The Company enters into exchange traded derivative products i.e. equity/index futures and options, for proprietary trading purposes. The derivative contracts are recognised on a trade date basis and stated at the fair value, being the last quoted closing price on the National Stock Exchange of India Limited ('NSE') (in case not traded on NSE, last quoted closing price on BSE Limited is considered) on the balance sheet date. Changes in the fair value of the derivative contracts are recognised in the statement of profit and loss.

K. TAXES ON INCOME

- a) Current corporate tax is provided on the results for the year after considering applicable tax rates and laws.
- b) Deferred Tax is provided on timing differences between tax and accounting treatments that originate in one period and are expected to be reversed or settled in subsequent periods. Deferred tax assets and liabilities are measured using the enacted / substantively enacted tax rates and laws for continuing operations. Deferred tax assets, in the event of unabsorbed depreciation and carry forward losses under tax laws, that exceed the deferred tax liability, are recognized only where there is virtual certainty of realization. Deferred tax assets on other accounts are recognized only to the extent there is reasonable certainty of realization. The carrying amount of deferred tax assets is reviewed at each balance sheet date to reassess realization.
- c) Minimum Alternative Tax (MAT) credit is recognized as an asset only when and to the extent there is convincing evidence that the Company will pay normal income tax during the specified period. In the year in which the MAT credit becomes eligible to be recognized as an asset in accordance with the recommendations contained in Guidance Note issued by the Institute of Chartered Accountants of India, the said asset is created by way of a credit to the profit and loss account and shown as MAT Credit Entitlement. The Company reviews the same at each balance sheet date and writes down the carrying amount of MAT Credit Entitlement to the extent there is no longer convincing evidence to the effect that the Company will pay normal Income Tax during the specified period.

L. EARNING PER SHARE

The Group reports Basic and Diluted Earning Per Share in accordance with Accounting Standard –20, "Earning Per Share" issued by The Institute of Chartered Accountants of India. Basic Earning Per Share is computed by dividing net profit after tax by the weighted average number of equity shares outstanding for the period. Diluted Earning Per Share is computed using the weighted average number of equity shares and dilutive potential equity shares outstanding during the period.

M. FOREIGN CURRENCY TRANSACTIONS

- (a) Transactions denominated in foreign currencies are recorded at the exchange rate prevailing on the date of the transaction or that approximates the actual rate at the date of the transaction.
- (b) Monetary items denominated in foreign currencies at the year end are restated at year end rates. In case of items which are covered by forward exchange contracts, the difference between the year end rate and rate on the date of the contract is recognised as exchange difference and the premium paid on forward contracts is recognised over the life of the contract.
- (c) Any income or expense on account of exchange difference either on settlement or on translation is recognised in the Profit and Loss account except in case of long term liabilities, where they relate to acquisition of fixed assets, in which case they are adjusted to the carrying cost of such assets.

N. IMPAIRMENT OF ASSETS

Impairment loss, if any, is provided to the extent the carrying amount of assets exceeds their recoverable amount. Recoverable amount is higher of an asset's net selling price and its value in use. Value in use is the present value of estimated future cash flows expected to arise from the continuing use of an asset and from its disposal at the end of its useful life.

O. PROVISIONS, CONTINGENT LIABILITIES AND CONTINGENT ASSETS

Provisions are recognized for present obligations, of uncertain timing or amount, arising as a result of a past event where a reliable estimate can be made and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation. Where it is not probable that an outflow of resources embodying economic benefits will be required or the amount cannot be estimated reliably, the obligation is disclosed as a contingent liability unless the possibility of outflow of resources embodying economic benefits is remote.

Possible obligations, whose existence will only be confirmed by the occurrence or non-occurrence of one or more uncertain future events, are also disclosed as contingent liabilities unless the possibility of outflow of resources embodying economic benefits is remote.

Notes Forming Part of Consolidated Financial Statements for the year ended 31st March, 2019**P. BASIS OF CONSOLIDATION**

The financial statements of the subsidiary companies used in the consolidation are drawn up to the same reporting date as of the Company.

The consolidated financial statements have been prepared on the following basis:

- a) The financial statements of the Company and its subsidiary companies have been combined on a line-by line basis by adding together like items of assets, liabilities, income and expenses. Inter-company balances and transactions and unrealised profits or losses have been fully eliminated.
- b) The excess of cost to the Company of its investments in subsidiary companies over its share of the equity of the subsidiary companies at the dates on which the investments in the subsidiary companies are made, is recognised as 'Goodwill' being an asset in the consolidated financial statements. Alternatively, where the share of equity in the subsidiary companies as on the date of investment is in excess of cost of investment of the Company, it is recognised as 'Capital Reserve' and shown under the head 'Reserves and Surplus', in the consolidated financial statements.
- c) Minority interest in the net assets of consolidated subsidiaries consists of the amount of equity attributable to the minority shareholders at the dates on which investments are made by the Company in the subsidiary companies and further movements in their share in the equity, subsequent to the dates of investments.
- d) The difference between the proceeds from disposal of investment in subsidiaries and the carrying amount of its assets less liabilities as of the date of disposal is recognized in the consolidated Profit and Loss Statement being the profit or loss on disposal of investment in subsidiary.
- e) Minority Interest's share of net profit of consolidated subsidiaries for the year is identified and adjusted against the income of the group in order to arrive at the net income attributable to shareholders of the Company.
- f) Minority Interest's share of net assets of consolidated subsidiaries is identified and presented in the consolidated balance sheet separate from liabilities and the equity of the Company's shareholders.
