Dear Sir/Madam,

**Sub: Clerical error which was unintentional and not deliberate i.e mentioned the purpose of Board Meeting at the time of uploading intimation for Board Meeting on BSE Site as Dividend instead of Audited Results**

**Ref: In the matter of Jindal Leasefin Limited having CIN: L74899DL1994PLC059252 for the Board Meeting for the Quarter and Year ended 31<sup>st</sup> March, 2022**

We would like to inform you that the Company had filed intimation for Board Meeting for approval of Audited Financial Results of the company for the quarter and financial year ended on 31<sup>st</sup> March, 2022 on 19<sup>th</sup> May 2022 on BSE Site. However, while filing the intimation on BSE site, inadvertently was mentioned the purpose of Board Meeting at the time of uploading intimation for Board Meeting on BSE Site as Dividend instead of Audited Results.

We would like to further inform that it was a clerical error which was unintentional and not deliberate.

Further, it is hereby informed that the Company will select Audited Results as a purpose at the time of uploading of outcome of Board Meeting because Intimation can not be changed now and that's why the Company will select right purpose in order to remove the clerical error.

You are kindly requested to accept this application and take into the records.

Thanking You  
Yours Faithfully

For Jindal Leasefin Limited

Shivani Gupta  
Company Secretary & Compliance Officer

**Note:**

1. We had only selected Audited Results at the time of uploading of intimation of Board Meeting. After uploading, we had again checked the same and it was showing Audited Results only under the purpose of Board Meeting. Today, when we have checked the same, it is showing Dividend instead of Audited Results. So, it was totally a clerical error which was unintentional and not deliberate. We assure you that in future, such type of error will not be repeated again. Further, we will share our issue with BSE helpline officer so that we will get solution for that.
