Navi Mumbai airport launch by Dec 2024, to fly 12 mn in 1st yr

AJINKYA KAWALE & AMRITHA PILLAY
Mumbai, 25 December

The outer structure of Navi Mumbai International Airport's first terminal building is almost ready. Right behind the under-construction building stands a partially demolished hill, which executives from the airport company hope the hill will be flattened by mid-January, paving the way for the first commercial take-off by December next year.

"We are ahead of schedule on the airfield, what is left is a small hill," a spokesperson for Navi Mumbai International Airport Ltd (NMIAL) said, adding that the airfield - which consists of a runway, taxiway, apron and others - is 60 per cent complete and the runway is at 70 per cent.

The hill was to be demolished in a joint effort by MIAL, who is the concessionaire and CIDCO—City and Industrial Development Corporation—for Navi Mumbai, which is the nodal authority for the project.

"What is left is CIDCO's part of the demolition. We have worked around the earlier delays of the demolition and should be able to meet timelines," said the spokesperson, who is hopeful the demolition would be completed by mid-January.

NMIAL is a jointly owned subsidiary with MIAL holding 74 per cent and the rest by CIDCO. MIAL is Mumbai International Airport Ltd (MIAL), which in turn is a jointly owned subsidiary of Adani Airport

STATUS CHECK

- ▶ **September 2024:** Airfield completion expected
- ▶ **December 2024:** Commercial operations to begin
- ▶ **2.9 km out of 3.7 km** of the runway complete

Holding Limited and Airport Authority of India (AAI). Aviation consultancy firm CAPA India in November said the airport is facing delays and is likely to commence commercial operations in 2025 instead of 2024.

Spokespeople from NMIAL remain confident of meeting the December 2024 timeline to start commercial operations from this new airport, which is to cater to 20 million passengers in the initial phase. "I see no challenge to the timelines, provided there is no other pandemic-like situation," a spokesperson added.

Even as the airport executives await the full demolition of the hill, work on other aspects has been set into motion.

"We are already in talks with Air-

lines to start operations from this airport," the spokesperson said. "These are positive discussions with some asking us to start work on the second phase as well," the spokesperson said.

NMIAL is spending close to ₹17,000 crore in getting the initial phase ready.

The company is expected to start work on financial closure for the next phase only post-completion of the first. "Once a phase is complete, the project risk is out and funding costs lower," the spokesperson added.

There is another missing piece in the commencement of the airport's operations - connectivity. The Mumbai Trans-harbour link, which connects the island city of Mumbai to the satellite city of Navi

Mumbai, is expected to start operations next month. However, work on the Ulwe Coastal Road connecting MTHL further to the Navi Mumbai Airport is yet to commence. Spokespeople for the airport company clarified that delays in such infra projects will not hamper connectivity, but said it will not be "ideal."

The Navi Mumbai Airport was first conceptualised to decongest Mumbai's sole international airport, where capacity is expected to peak at 60 million passengers in the next few years with a mix of international and domestic operations. Of the 20 million capacity in the initial phase, Navi Mumbai airport is expected to fly 12 million passengers in the first year of operations. "The airport will be ready for DGCA inspections from September onwards and aims to start in the winter schedule of 2024," the spokesperson said.

The second terminal of the Mumbai International Airport was opened to passengers in 2014 and stands out for its peacock-themed interiors, a vast collection of art on display and a crunch for aircraft parking space. Often spoken of as a second airport for Mumbai, the under-construction Navi Mumbai airport may offer certain dissimilarities - a lotus-themed interior, more space for private jets, a higher fee for parking for fossil-fuel-based vehicles and the lack of expensive artefacts. "We are a hardcore infrastructure company. We are exploring digital art for the airport," the spokesperson concluded.

Over 450 flights delayed as fog disrupts operations

DEEPAK PATEL
New Delhi, 25 December

Dense fog on Monday morning caused disruptions to flight operations at Delhi and Hyderabad airports. According to Flightradar24.com, a total of 333 flights and 129 flights were delayed at the Delhi airport and the Hyderabad airport, respectively, until 12:30 pm on Monday.

At least eight flights were diverted from the Delhi airport to airports either in Jaipur or Ahmedabad between 6-9 am, sources said. Delhi and Hyderabad airports handle about a total of 1,200 daily flights and 480 daily flights, respectively. To prepare for fog-related disruption, GMR group-led Delhi International Airport Limited (DIAL) has set up temporary helpdesks at the T3 forecourt and deployed additional manpower from terminal operations teams. The terminal operations staff have been provided with high visibility jackets, public address systems and radio transmission sets for better coordination and communication. The staff deployed at critical positions will facilitate passenger movement and provide updated information.

Apart from these, arrangements of meals for passengers, in the form of meal boxes or food coupons at the food outlets, have been made. DIAL said it has facilitated the development and operations of a well-coordinated

FALLOUT

- ▶ 333 flights and 129 flights were delayed at the Delhi airport and the Hyderabad airport, respectively
- ▶ Temporary help desks set up at the Delhi airport's T3 forecourt, additional manpower deployed

- ▶ Staff given high visibility jackets, public address systems and radio transmission sets
- ▶ Meal boxes/food coupons arranged for passengers at Delhi airport

process between food outlets and airlines.

According to Flightradar24.com, a total of 95 arrivals and 238 departures were delayed at the Delhi airport until 12.30 pm amid fog. Similarly, a total of 40 arrivals and 89 departures were delayed at the Hyderabad airport until 12.30 pm amid fog.

Aviation Minister Jyotiraditya Scindia had earlier this month told Rajya Sabha that in order to prepare for the onset of the fog period, the number of inspections and special audits were increased over the last two years to enhance various facili-

ties at airports and in the area of air navigation services.

Scindia had told Rajya Sabha that the airlines had been instructed to bring changes in their flight schedules in such a way that CAT-II and CAT-III non-compliant aircraft would not be operating during this period. CAT-II and CAT-III refer to different categories of Instrument Landing System (ILS) approaches, which are used to guide aircraft during their descent and landing in low-visibility conditions.

A CAT-II compliant aircraft can land on the runway with visibility as low as 300 metres.

FROM PAGE 1

Byju's...

The funding is expected to help the cash-strapped firm meet financial commitments, run company operations, and settle legal disputes with lenders. Byju's is also facing the challenge of significantly reducing its losses to establish a sustainable business model for the long term. An alleged lack of internal control of how the firm manages its resources and accounting practices was a major topic of discussion during the company's annual general meeting (AGM), held virtually on December 20. The meeting was attended by close to 60 shareholders. They pressed Raveendran for more transparency on the company financials and its latest state of affairs, according to sources.

Think and Learn passed all the resolutions, including the accounts for financial year 2022, during its AGM. The AGM had two items on its agenda: Considering and approving the standalone and consolidated financials for FY22, and approving the appointment of MSKA and Associates (BDO in India) as its auditor.

Byju's has re-appointed accounting firm BDO its statutory auditor. However, BDO officials were initially missing in the meeting. This angered the shareholders. They attended the meeting later, though they were not obliged to do so. They faced a barrage of questions from investors.

"The meeting was badly managed by the company," said a person aware of the meeting. "The shareholders felt considering the challenges the company was facing, the auditors should have made an exception and participated in the meeting. "The auditor BDO later addressed all questions from shareholders before the company concluded the interactive three-hour-long meeting," Byju's reported.

India CEO Arjun Mohan presented Byju's 3.0 plan to the investors and shareholders. "This includes a significant focus on the hybrid model, offering both online and offline educational services," said a person who attended the meeting.

Mohan discussed the company's plan to enhance productivity, incorporating the latest developments in technology. The strategy centres on better monetising existing assets and expanding options across various price points and product ranges.

Navi Mumbai airport launch by Dec 2024, to fly 12 mn in 1st yr

AJINKYA KAWALE & AMRITHA PILLAY
Mumbai, 25 December

The outer structure of Navi Mumbai International Airport's first terminal building is almost ready. Right behind the under-construction building stands a partially demolished hill, which executives from the airport company hope the hill will be flattened by mid-January, paving the way for the first commercial take-off by December next year.

"We are ahead of schedule on the airfield, what is left is a small hill," a spokesperson for Navi Mumbai International Airport Ltd (NMIAL) said, adding that the airfield - which consists of a runway, taxiway, apron and others - is 60 per cent complete and the runway is at 70 per cent.

The hill was to be demolished in a joint effort by MIAL, who is the concessionaire and CIDCO—City and Industrial Development Corporation—for Navi Mumbai, which is the nodal authority for the project.

"What is left is CIDCO's part of the demolition. We have worked around the earlier delays of the demolition and should be able to meet timelines," said the spokesperson, who is hopeful the demolition would be completed by mid-January.

NMIAL is a jointly owned subsidiary with MIAL holding 74 per cent and the rest by CIDCO. MIAL is Mumbai International Airport Ltd (MIAL), which in turn is a jointly owned subsidiary of Adani Airport

STATUS CHECK

- ▶ **September 2024:** Airfield completion expected
- ▶ **December 2024:** Commercial operations to begin
- ▶ **2.9 km out of 3.7 km** of the runway complete

Holding Limited and Airport Authority of India (AAI). Aviation consultancy firm CAPA India in November said the airport is facing delays and is likely to commence commercial operations in 2025 instead of 2024.

Spokespeople from NMIAL remain confident of meeting the December 2024 timeline to start commercial operations from this new airport, which is to cater to 20 million passengers in the initial phase. "I see no challenge to the timelines, provided there is no other pandemic-like situation," a spokesperson added.

Even as the airport executives await the full demolition of the hill, work on other aspects has been set into motion.

"We are already in talks with air-

lines to start operations from this airport," the spokesperson said. "These are positive discussions with some asking us to start work on the second phase as well," the spokesperson said.

NMIAL is spending close to ₹17,000 crore in getting the initial phase ready.

The company is expected to start work on financial closure for the next phase only post-completion of the first. "Once a phase is complete, the project risk is out and funding costs lower," the spokesperson added.

There is another missing piece in the commencement of the airport's operations - connectivity. The Mumbai Trans-harbour link, which connects the island city of Mumbai to the satellite city of Navi

Mumbai, is expected to start operations next month. However, work on the Ulwe Coastal Road connecting MTHL further to the Navi Mumbai Airport is yet to commence. Spokespeople for the airport company clarified that delays in such infra projects will not hamper connectivity, but said it will not be "ideal."

The Navi Mumbai Airport was first conceptualised to decongest Mumbai's sole international airport, where capacity is expected to peak at 60 million passengers in the next few years with a mix of international and domestic operations. Of the 20 million capacity in the initial phase, Navi Mumbai airport is expected to fly 12 million passengers in the first year of operations. "The airport will be ready for DGCA inspections from September onwards and aims to start in the winter schedule of 2024," the spokesperson said.

The second terminal of the Mumbai International Airport was opened to passengers in 2014 and stands out for its peacock-themed interiors, a vast collection of art on display and a crunch for aircraft parking space. Often spoken of as a second airport for Mumbai, the under-construction Navi Mumbai airport may offer certain dissimilarities - a lotus-themed interior, more space for private jets, a higher fee for parking for fossil-fuel-based vehicles and the lack of expensive artefacts. "We are a hardcore infrastructure company. We are exploring digital art for the airport," the spokesperson concluded.

Over 450 flights delayed as fog disrupts operations

DEEPAK PATEL
New Delhi, 25 December

Dense fog on Monday morning caused disruptions to flight operations at Delhi and Hyderabad airports. According to Flightradar24.com, a total of 333 flights and 129 flights were delayed at the Delhi airport and the Hyderabad airport, respectively, until 12:30 pm on Monday.

At least eight flights were diverted from the Delhi airport to airports either in Jaipur or Ahmedabad between 6-9 am, sources said. Delhi and Hyderabad airports handle about a total of 1,200 daily flights and 480 daily flights, respectively. To prepare for fog-related disruption, GMR group-led Delhi International Airport Limited (DIAL) has set up temporary helpdesks at the T3 forecourt and deployed additional manpower from terminal operations teams. The terminal operations staff have been provided with high visibility jackets, public address systems and radio transmission sets for better coordination and communication. The staff deployed at critical positions will facilitate passenger movement and provide updated information.

Apart from these, arrangements of meals for passengers, in the form of meal boxes or food coupons at the food outlets, have been made. DIAL said it has facilitated the development and operations of a well-coordinated

FALLOUT

- ▶ 333 flights and 129 flights were delayed at the Delhi airport and the Hyderabad airport, respectively
- ▶ Temporary help desks set up at the Delhi airport's T3 forecourt, additional manpower deployed

- ▶ Staff given high visibility jackets, public address systems and radio transmission sets
- ▶ Meal boxes/food coupons arranged for passengers at Delhi airport

process between food outlets and airlines.

According to Flightradar24.com, a total of 95 arrivals and 238 departures were delayed at the Delhi airport until 12.30 pm amid fog. Similarly, a total of 40 arrivals and 89 departures were delayed at the Hyderabad airport until 12.30 pm amid fog.

Aviation Minister Jyotiraditya Scindia had earlier this month told Rajya Sabha that in order to prepare for the onset of the fog period, the number of inspections and special audits were increased over the last two years to enhance various facili-

ties at airports and in the area of air navigation services.

Scindia had told Rajya Sabha that the airlines had been instructed to bring changes in their flight schedules in such a way that CAT-II and CAT-III non-compliant aircraft would not be operating during this period. CAT-II and CAT-III refer to different categories of Instrument Landing System (ILS) approaches, which are used to guide aircraft during their descent and landing in low-visibility conditions.

A CAT-II compliant aircraft can land on the runway with visibility as low as 300 metres.

FROM PAGE 1

Byju's...

The funding is expected to help the cash-strapped firm meet financial commitments, run company operations, and settle legal disputes with lenders. Byju's is also facing the challenge of significantly reducing its losses to establish a sustainable business model for the long term. An alleged lack of internal control of how the firm manages its resources and accounting practices was a major topic of discussion during the company's annual general meeting (AGM), held virtually on December 20. The meeting was attended by close to 60 shareholders. They pressed Raveendran for more transparency on the company financials and its latest state of affairs, according to sources.

Think and Learn passed all the resolutions, including the accounts for financial year 2022, during its AGM.

The AGM had two items on its agenda: Considering and approving the standalone and consolidated financials for FY22, and approving the appointment of MSKA and Associates (BDO in India) as its auditor.

Byju's has re-appointed accounting firm BDO its statutory auditor. However, BDO officials were initially missing in the meeting. This angered the shareholders. They attended the meeting later, though they were not obliged to do so. They faced a barrage of questions from investors.

"The meeting was badly managed by the company," said a person aware of the meeting. "The shareholders felt considering the challenges the company was facing, the auditors should have made an exception and participated in the meeting. "The auditor BDO later addressed all questions from shareholders before the company concluded the interactive three-hour-long meeting," Byju's reported.

India CEO Arjun Mohan presented Byju's 3.0 plan to the investors and shareholders. "This includes a significant focus on the hybrid model, offering both online and offline educational services," said a person who attended the meeting. Mohan discussed the company's plan to enhance productivity, incorporating the latest developments in technology. The strategy centres on better monetising existing assets and expanding options across various price points and product ranges.

PUBLIC NOTICE
Sub : Property Dispute at 603 Rashmi Tanmay A CHSL
Notice is here by given that I, Arun Kumar Padhi, have mortgage my residence through Allahabad Bank for my business use as a guarantor, now under Indian Bank. Specifically this concerns Flat 603 within Rashmi Tanmay A CHSL, situated opposite Cine Max Beverley Park, Mira Road East, 401107. The property is currently encumbered with the bank, and I have fulfilled over 75% of its financial obligations via interest payments and settlements. Moreover, I made an amendment the loan through an OTS agreement as per the discussion with the banker.
Despite my preparedness to clear outstanding dues as per the both side discussion, however the banker motivated by self-interest, has adamantly declined my payments and forcefully seized the property on December 22nd, 2023. Presently, they are endeavoring to execute a sale before December 29th, 2023. I sincerely implore all prospective buyers to exercise restraint from pursuing this property acquisition. This premise is presently embroiled in a legal dispute before the courts.

Business Standard Insight Out

‘आमदार महेंद्र दळवी यांच्यावर कारवाई करा’

लोकमत न्यूज नेटवर्क अलिबाग : अलिबागचे आमदार महेंद्र दळवी यांनी मुरुडचे सहायक अभियंता अमी राठोड यांना जिणे मारण्याची धमकी दिली आहे. या घटनेचा वीज कामगारांच्या संघटनांकडून निषेध करण्यात येत आहे. आमदार दळवी यांच्यावर शासनाने त्वरित कायदेशीर कारवाई करावी, अशी मागणी विधान परिषद अध्यक्ष, मुख्यमंत्री, उपमुख्यमंत्र्यांकडे सर्वांइनेट इजिनीअर असोसिएशन महावितरण संघटनेने निवेदनाद्वारे केली आहे.

अलिबाग मुरुड विधानसभेचे आमदार महेंद्र दळवी यांनी मुरुडचे सहायक अभियंता राठोड यांना फोनवरून मारहाण आणि जिणे मारण्याची धमकी दिल्याची ऑडिओ क्लिप व्हायरल झाली आहे. यामुळे राठोड व त्यांचे कुटुंब दहशतीखाली आहेत. धमकीमुळे इतर अधिकारी हे भयभीत झाले आहेत. दळवी यांच्यावर कायदेशीर कारवाई करावी. राठोड यांच्या जीवित्या धोका झाल्यास दळवी हे जबाबदार असतील, असे विधानसभेचे अध्यक्ष राहुल नावकर, मुख्यमंत्री एकनाथ शिंदे, उपमुख्यमंत्री देवेंद्र फडणवीस, उपमुख्यमंत्री अजित पवार यांना दिलेल्या निवेदानातून नमूद केले आहे. कारवाई न झाल्यास राज्यभर तीव्र आंदोलन करू, असा इशाराही संघटनांनी दिला आहे.

महावितरणच्या अधिकाऱ्याला ठार मारण्याची धमकी देणाऱ्या लोकप्रतिनिधीवर पोलिस कारवाई झाली नाही तर वीज कामगारांच्या २८ संघटना आंदोलनाच्या तयारीत आहेत. सर्व कामगार संघटनांत चर्चा सुरु आहे.

- प्रकाश गायकवाड, महासचिव, इंटक

चापूर्वीही अशा घटना घडल्या आहेत. मात्र प्रकरणे दाबली जात आहेत. या प्रकरणी कारवाई झाली पाहिजे, ही आमची प्रमुख मागणी आहे. जर कारवाई झाली नाहीतर आम्ही आंदोलन करू, तशी नोटीसही देणार आहोत.

- कृष्णा भोयर, सरचिटणीस, महाराष्ट्र स्टेट इलेक्ट्रिसिटी वर्कर्स फेडरेशन

वीज कर्मचाऱ्याला अशा प्रकारची वागणूक मिळणे हे चुकीचे आहे. संघटनांचा सामना करत वीज कर्मचारी काम करतात. अशावेळी त्यांना मदत करण्याऐवजी त्यांना त्रास देणारे कुटुंब होत असले तर हे नित्पणीय आहे.

- संतोष विश्वेकर, सरचिटणीस, महाराष्ट्र नवनिर्माण वीज कामगार सेना

आय वित्तनेस १,६०० वादकांचे विश्वविक्रमी ‘ताक-धिना-धिन’

गव्हाळे येथे तानसेन महोत्सवात तबला वादनाचा विश्व विक्रम झाला. मुंबई, कोलकाता यासह देशाच्या कानाकोपऱ्यातून १,६०० तबला वादकांनी एकाच वेळी तबला वादनाचा विक्रम केला. या विक्रमाची गिनीज बुक ऑफ वर्ल्ड रेकॉर्डमध्ये नोंद घेण्यात आली.

राज्य बदलले, तरी ईडब्ल्यूएस कायम

केंद्रीय विद्यालयात आर्थिकदृष्ट्या दुर्बल घटकातील प्रवेशावर उच्च न्यायालयाचा निर्णय

लोकमत न्यूज नेटवर्क नवी दिल्ली : दुसऱ्या राज्यातील प्रमाणपत्र असल्याने एखाद्याला केंद्रीय विद्यालयात आर्थिकदृष्ट्या दुर्बल घटक (ईडब्ल्यूएस) कोट्यातून प्रवेश नाकारला जाऊ शकत नाही, असे दिल्ली उच्च न्यायालयाने स्पष्ट केले आहे.

लोकमत न्यूज नेटवर्क नवी दिल्ली : दुसऱ्या राज्यातील प्रमाणपत्र असल्याने एखाद्याला केंद्रीय विद्यालयात आर्थिकदृष्ट्या दुर्बल घटक (ईडब्ल्यूएस) कोट्यातून प्रवेश नाकारला जाऊ शकत नाही, असे दिल्ली उच्च न्यायालयाने स्पष्ट केले आहे.

न्या. अनूप जयराम भंभानी म्हणाले की, केंद्र सरकारने

विद्यालयात ईडब्ल्यूएस कोट्यातून प्रवेशासाठी अर्ज करणाऱ्या उमेदवाराला शाळा जेथे आहे तेथील राज्य सरकारने जारी केलेले प्रमाणपत्र सादर करण्याची आवश्यकता नाही. परंतु, असे प्रमाणपत्र त्या राज्यातील तहसीलदार दर्जाच्या अधिकाऱ्याने दिलेले हवे जेथे त्याची पडताळणी शक्य आहे, असे उच्च न्यायालयाने स्पष्ट केले. (वृत्तसंस्था)

ईडब्ल्यूएस प्रमाणपत्र दिल्ली सरकारकडून नाहीतर उत्तर प्रदेशातून मिळवल्याने केंद्रीय विद्यालयाने याचिकाकर्त्याच्या मुलाला ईडब्ल्यूएस कोट्यातून प्रवेश नाकारला होता. केंद्रीय विद्यालयाची ही भूमिका स्वीकाराई नाही, असे न्यायालयाने म्हटले.

दाट धुक्यात अपघातांच्या मालिकेनंतर कारचा ढीग

लोकमत न्यूज नेटवर्क नवी दिल्ली : उत्तर प्रदेशातील हाफूर-बुलंदशहर महामार्गावर सोमवारी दाट धुक्यामुळे डझनहून अधिक वाहने एकमेकांवर आदळली. त्यामुळे कारचा अक्षरशः ढिगाऱा तयार झाला होता. सुदैवाने प्रयागराज, मध्य प्रदेशातील ग्वाल्हेर व राजस्थानमधील जैसलमेर येथील विमानतळावर शून्य दृश्यामानता नोंदविल्यामुळे अनेक ठिकाणी हवाई वाहतूक विस्कळीत झाली.

एका दुसऱ्या अपघातात हरयाणा परिवहन मंडळाची बस जींद जिल्ह्यातील अश्रफगढ दौरी गावाजवळ एका ट्रॉलीला धडकल्याने अनेक जण जखमी झाले. दाट धुक्यामुळे हा अपघात झाल्याचे बसमधील प्रवाशांनी सांगितले. या अपघातात बस चालकासह इतर काही प्रवासी जखमी झाले.

उत्तर भारतातील इतर भागांमध्येही तापमानात घट झाली असून हरयाणा मध्ये किमान तापमान १५.५ अंश सेल्सिअस नोंदविले गेले, तर उत्तर प्रदेशातही १५.५ अंश सेल्सिअस आणि मध्य प्रदेशात २१ अंश सेल्सिअस तापमान नोंदविले आहे.

धुक्यामुळे विमानतळावरील उड्डाण संचालनावर परिणाम झाला असून काही भागांमध्ये दृश्यामानता शून्यावर आली. अनेक विमान कंपन्यांनी प्रवाशांना आगमन आणि प्रस्थानाच्या वेळेत व्यत्यय येण्याची चेतावणी देणारी सूचना जारी केली.

भारतरत्न वाजपेयी यांना देशभरात आदरांजली

नवी दिल्ली : दिवंगत पंतप्रधान 'भारतरत्न' अटल बिहारी वाजपेयी यांना त्यांच्या ९९ व्या जयंतीनिमित्त देशभरात आदरांजली वाहण्यात आली. वाजपेयी आयुष्यभर राष्ट्र उभारणारी गती देण्यात व्यग्र राहिले, अशी भावना पंतप्रधान नरेंद्र मोदी यांनी व्यक्त केली.

वाजपेयींना पंतप्रधान मोदी यांच्यासह गृहमंत्री अमित शाह, उत्तर प्रदेशचे मुख्यमंत्री योगी आदित्यनाथ, आदींसह मान्यवरांनी श्रद्धांजली वाहिली. त्यात भाजप शास्त्रित विविध राज्यांचे मुख्यमंत्री, राज्यपाल, ज्येष्ठ भाजप नेते, आदींचा समावेश होता.

यावेळी राष्ट्रपती द्रौपदी मुर्मू उपराष्ट्रपती जगदीप धनखड, लोकसभा अध्यक्ष ओम बिरला, संरक्षण मंत्री राजनाथ सिंग, भाजप अध्यक्ष जे. पी. नड्डा यांच्यासह अनेक केंद्रीय मंत्री उपस्थित होते. उत्तर प्रदेशचे मुख्यमंत्री योगी आदित्यनाथ म्हणाले, "अटलजींचे विचार हे सुशासनाचा पाया आहेत, जे आपल्याला नेहमीच प्रेरणा देत राहतील."

मोदींनी सोशल मीडिया एक्सवरील एका पोस्टमध्ये म्हटले आहे की, वाजपेयींचे भारतमातेप्रति समर्पण आणि सेवा प्रेरणास्थान राहिले." पंतप्रधानांनी वाजपेयींच्या 'सदैव अटल' स्मारकाला भेट देऊन पुष्पांवर अर्पण केला.

भारताची ताकद जगाला दाखवून दिली : शाह

केंद्रीय गृहमंत्री अमित शाह यांनी सोशल मीडिया प्लॅटफॉर्म 'एक्स'वर लिहिले, "अटलजींनी देश आणि समाजाची निःस्वार्थीपणे सेवा केली आणि भाजपच्या स्थापनेद्वारे देशातील राष्ट्रवादी राजकारणाला नवी दिशा दिली. एकीकडे वाजपेयींनी अणुचाचण्या आणि कारगिल युद्धाच्या माध्यमातून उदयोन्मुख भारताची ताकद जगाला दाखवून दिली, तर दुसरीकडे देशात सुशासनाची संकल्पना साकारली."

दिल्लीसह सहा राज्यांना धुक्याचा विळखा

नवी दिल्ली : दाट धुके पसरल्याने देशाची राजधानी दिल्ली, हैदराबादसह अनेक ठिकाणची हवाई वाहतूक सोमवारी सकाळी विस्कळीत झाली. दिल्ली विमानतळावर आठ तर हैदराबाद विमानतळावर सहा उड्डाणे वळविण्यात आली, अशी माहिती एका अधिकाऱ्याने दिली. दरम्यान, हवामान विभागाने हरयाणा व पंजाबमध्ये थंडीच्या लाटेचा इशारा देतानाच नववर्षात थंडी वाहू शकते, असे सांगितले आहे.

दिल्लीसह सहा राज्यांतील विविध विमानतळांवर सोमवारी सकाळी शून्य दृश्यामानता होती. राजधानी दिल्ली व पालम विमानतळाशिवाय पंजाबमधील अमृतसर, उत्तर प्रदेशातील आग्रा व प्रयागराज, मध्य प्रदेशातील ग्वाल्हेर व राजस्थानमधील जैसलमेर येथील विमानतळांवर शून्य दृश्यामानता नोंदविल्यामुळे अनेक ठिकाणी हवाई वाहतूक विस्कळीत झाली.
