19. **THE INTRUCTIONS OF SHAREHOLDERS FOR REMOTE E-VOTING AND E-VOTING DURING AGM AND JOINING MEETING THROUGH VC/OAVM ARE AS UNDER:**
 - a. Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014, as amended and Regulation 44 of SEBI (Listing Obligations & Disclosure Requirements) Regulations 2015, as amended, and MCA Circulars and SEBI Circulars, the Company is providing facility of remote e-voting to its Members in respect of the Business to be transacted at the AGM. For this purpose, the Company has entered into an agreement with CDSL for facilitating voting through electronic means, as the authorized e-Voting's agency. The facility of casting votes by a Member using remote e-voting as well as the e-voting system on the date of the AGM will be provided by CDSL.
 - b. Members whose names are recorded in the Register of Members or in the Register of Beneficial Owners maintained by the Depositories as on the Cut-off date i.e. Tuesday, September 20, 2022, shall be entitled to avail the facility of remote e-Voting as well as e-Voting system on the date of the AGM. Any recipient of the Notice, who has no voting rights as on the Cut-off date, shall treat this Notice as intimation only.
 - c. A person who has acquired the shares and has become a member of the Company after the dispatch of the Notice of the AGM and prior to the Cut-off date i.e. Tuesday, September 20, 2022, shall be entitled to exercise his/her vote either electronically i.e. remote e-Voting or e-Voting system on the date of the AGM by following the procedure mentioned in this part.
 - d. The remote e-Voting will commence on Friday, September 23, 2022 at 9:00 a.m. and will end on Monday, September 26, 2022 at 5:00 p.m. During this period, the Members of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date i.e. Tuesday, September 20, 2022, may cast their vote electronically. The e-Voting module shall be disabled by CDSL for voting thereafter. Once the vote on the resolution is cast by the Member, he/she shall not be allowed to change it subsequently or cast vote again.
 - e. Shareholders who have already voted prior to the meeting date would not be entitled to vote at the Meeting venue.
 - f. The voting rights of the members shall be in proportion to their share in the paid up equity share capital of the Company as on the Cut-off date.
 - g. The Company has appointed Mr. Ravi Kapoor, Proprietor of M/s. Ravi Kapoor & Associates, Practising Company Secretaries, (Membership No. 2587 & Certificate of Practice No. 2407) Ahmedabad, to act as the Scrutinizer for conducting the remote e-Voting process as well as the e-Voting on the date of the AGM, in a fair and transparent manner.
 - h. Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

Step 1 : Access through Depositories CDSL/NSDL e-Voting system in case of individual shareholders holding shares in demat mode.

23. GENERAL INSTRUCTION AND INFORMATION FOR MEMBERS:

1. The Company has appointed Mr. Ravi Kapoor, Proprietor of M/s. Ravi Kapoor & Associates, Practising Company Secretaries, Ahmedabad as the Scrutinizer to scrutinize the remote e-voting & e-voting process in a fair and transparent manner.
2. The Scrutinizer shall, immediately after the conclusion of voting at the 16th AGM, count the votes cast at the Meeting, thereafter unblock the votes cast through remote e-voting in the presence of at least two witnesses who are not in the employment of the Company and make, not later than 48 hours of conclusion of the Meeting, a Consolidated Scrutinizer's Report of the total votes cast in favour or against, if any, to the Chairman or to a person authorized by the Chairman in writing who shall countersign the same.
3. The Results declared, along with the Scrutinizer's Report, shall be placed on the Company's website i.e. www.deepindustries.com and on the website of CDSL at www.evotingindia.com immediately after the Results is declared and communicated to the Stock Exchanges i.e. BSE Limited and National Stock Exchange of India Limited where the equity shares of the Company are listed.
4. SEBI vide its circular dated June 8, 2018 amended Regulation 40 of the Listing Regulations pursuant to which requests for effecting transfer of securities shall not be processed unless the securities are held in the dematerialized

form. Members holding the shares in physical form are requested to dematerialize their holdings at the earliest as it will not be possible to transfer shares held in physical mode.

Further SEBI vide its circular no. SEBI/HO/MIRSD/MIRSD_RTAMB/P/CIR/2022/8 dated January 25, 2022, has mandated that listed companies shall issue the securities in dematerialized form only, in order to enhance ease of dealing in securities markets by investors, for transactions including Issue of duplicate securities certificate, claim from unclaimed suspense account, renewal / exchange of securities certificate, endorsement, sub-division / splitting of securities certificate, consolidation of securities certificates/ folios, transmission and transposition of shares. Accordingly, shareholders are requested to make service requests by submitting a duly filled and signed Form ISR-4.

Dematerialization would facilitate paperless trading through state-of-the-art technology, quick transfer of corporate benefits to members and avoid inherent problems of bad deliveries, loss in postal transit, theft and mutilation of share certificate and will not attract any stamp duty. It also substantially reduce the risk of fraud. Hence, we request all those members who have still not dematerialized their shares to get their shares dematerialized at the earliest.

5. Since the 16th AGM will be held through VC/OAVM, the Route Map is not annexed in this Notice.

ANNEXURE – E
MANAGEMENT DISCUSSION AND ANALYSIS

Oil and Gas Industry Outlook

The oil and gas industry has rebounded strongly throughout 2022, with oil prices reaching their highest levels in six years. While the industry's recovery is better than expected, uncertainty remains over market dynamics in the coming year. The oil and gas sector is among the eight core industries in India and plays a major role in influencing decision making for all the other important sections of the economy. India's economic growth is closely related to its energy demand, therefore, the need for oil and gas is projected to grow more, thereby making the sector quite conducive for investment. India retained its spot as the third-largest consumer of oil in the world as of 2022.

Oil field services and equipment solutions market is also finding its feet as a fastest growing market, given the ever increasing energy demand, increasing exploration activities and shortage of supply. The market is expected to grow, as the number of wells being drilled is increasing as a result of increased search activities for coal bed methane gas and lucrative oil and gas prices.

Particularly driven by the demand for oil and gas in the country which is expected to overtake that in industrialized countries in the coming future, majorly because by strong demand within the country which continue to see strong economic growth.

According to IEA (India Energy Outlook 2021), primary energy demand is expected to nearly double to 1,123 million tonnes of oil equivalent, as the country's gross domestic product (GDP) is expected to increase to US\$ 8.6 trillion by 2040.

Lately Natural Gas has emerged as a stronger alternative to crude it being greener and cheaper. India has got abundant reserves of Natural Gas which is cheaper and greener. More importantly it keeps remarkable economic and strategic significance as India targets to stay on multi year growth trajectory and harnessing the gas reserves will save us huge foreign exchange year on year and reduced our dependence on imported energy sources in a significant way.

A lot of emphasis is being put to make Natural Gas as the ideal transition fuel in the energy mix for the foreseeable future. In this direction the government has set a target of raising the share of natural gas in primary energy basket to 15% by 2030 with strong demand from various industrial sectors.

Industry structure and developments

The Oil and Gas industry is frequently broken down into three segments mainly - Upstream, Midstream and Downstream.

Upstream Companies focus on exploration and production. Most crude oil production is controlled by National Oil Companies, which includes OPEC, or integrated international oil companies. Upstream companies benefit from high oil and gas prices and high volumes. Other metrics include rig count and capital spending.

Midstream Companies handle the transportation and storage of oil and gas. This segment is made up of many independent transportation operators. Oil and gas volumes are important to midstream companies, and prices as they relate to volume: If the price drops so low that upstream companies stop producing, midstream companies are not needed for transportation.

Downstream Companies manage the refining and marketing of oil and gas and the sale of the finished products. There is lower market concentration than the upstream segment. Downstream companies benefit from profit margins where they are able to sell their refined products for more than the cost of acquiring the crude resources. Other metrics include the number and size of refineries.

Our company with pool of service offerings, is catering all three segments with presence in Drilling, Gas gathering, Gas Processing, Gas transmission and distribution.

Deep Industries Limited is India's 'One Stop Solution' provider to the Energy sector. With their vision to cater to the growing Global Energy needs and by focusing on people, environment, innovation and technology, the Company is specializes in providing Natural Gas Compression Services, Drilling and Workover Rigs Services, Natural Gas Dehydration Services, and also having forayed into Integrated Project Management Services. Over the years, Deep Industries Limited has invested a lot in technology to build a strong infrastructure and information system capabilities and has been an 'Energy Infrastructure Equipment Solution Provider' for every need of the Energy Sector including Oil and Gas field operations. Its comprehensive services portfolio is well supported by skilled manpower and a wide range of equipments to be used in the industry right from Exploration & Production Services to the Mid Stream Services while maintaining safety and quality as an integral part of the company culture. Further Deep is contemplating to foray into the off-shore services business considering its potential. However, this will be a couple of years down the line.

Green Initiative

Your Company's all gas processing equipments are running on gas based engines which uses natural gas as fuel. Natural gas is a green form of gas which enables in less carbon emission.

Opportunities and Threats

The Energy Industry plays a crucial role in growth of civilization and lives of people.

Deep Industries Limited has faced many challenges in past and industry can face certain fundamental issues that can also hinder Deep's path to progress and ambitions. Having said that, the opportunities largely outweigh the challenges and the company keeps the philosophy of converting challenges into opportunities. Deep Industries Limited confidently carries out:

- Largest outsourced natural gas compression service provider in India

- Strong geographical diversity across India with presence in over 20 locations
- More than 30 years of Industry Experience with large clients in public and private space
- Diversified service spread smoothens segment specific risks

Company's Services/ Segment-wise or products-wise performance

- Gas Compression Services:

Deep Industries Limited is the largest Natural Gas Compression service provider in India on chartered hire basis. The Company has executed various natural gas compression projects with various Public and Private sector Companies in India during last Three Decades. The Company executes compression contracts on turnkey basis, which includes supply of Equipment, Installation, Commissioning and Operation & Maintenance of gas engine driven compressor packages. The Company is able to provide the right solution to accommodate client's time-frame and budget. The Company has built its equipment fleet to offer a wide range of compression requirements. Deep International DMCC, subsidiary of the Company has acquired number of Gas Compression packages in USA to cater business opportunities in Middle East countries. The Company has started executing for various projects in International Market.

- Gas Dehydration, Conditioning & Processing

Generally gas produced from the wells is saturated with water and also contains heavier hydrocarbons (C6+). Water and heavy hydrocarbons need to be removed from the gas for its transmission through pipeline. As per Statutory compliance requirement, it is compulsory to maintain the water and hydrocarbon dew point below specified limits.

Deep Industries Limited is the pioneer in providing Gas Dehydration Systems on Build, Own and Operate basis in India on charter hire basis. And the Company is one of the largest Gas Dehydration Service providers in the country. Presently, the Company owns 12 Gas Dehydration Plants and operates 3 Gas Dehydration Plants (39 MMSCFD). In a short span of time, the Company is able to provide services to various production facilities. The process of Gas Dehydration is accomplished in two basic steps through which we sequentially lower the Water Dew Point and Hydrocarbon Dew Point to less than 0 DegC by removing water and heavier hydrocarbons from the source gas to meet PNGRB norms. The Company has efficiently commissioned Gas Dehydration Units of capacities upto 10 LSCMD per unit in a record time and designs packages to meet a wide range of applications with minimal changes required. The Company also maintains an intensive stock of spares to prevent any shutdowns as we understand the criticality of the process and its impact on clients.

Recently, the company has been awarded a contract for providing a complete integrated solution for processing the gas directly from the well. The project is one of its kind where in the company is operating a complete gas installation i.e. from operating the gas well to processing it to meet PNGRB (Petroleum and Natural Gas Regulatory Board) norms and then compressing it to 250 BarG to facilitate transportation of gas through cascades.

- Drilling and Workover Services

DEEP commands a health market position in the area of providing the Drilling and Workover Rig services on charter hire basis in India. Since last 16 years, DEEP has served long term contracts for Drilling rig and Workover services to variety of clients including PSU's and Private E&P companies, and having the excellent track records in India. DEEP is having vision to expand the Rig business in overseas Market. DEEP is also approved Drilling Contractor in Kuwait Oil Company for providing the Rigs.

DEEP owns total 11 Nos. of Drilling and Workover Rig fleets ranging from 145 HP to 1000 HP, and having the tie-ups to provide the Rig up to 2000 HP. The Company has remarkably carried out and successfully completed various contracts for different operators and in diverse areas spreading from the Deserts of India, Ecosensitive Areas, and difficult Terrain of Mountain Range Areas.

DEEP is Capable to provide all Oilfield equipment pertaining to Drilling, Workover, Completion & Production on Charter, Rental & Dry Lease Hire basis.

Our professional staff and fully operable fleet of drilling rigs and Workover rigs and technologies delivers for any operational need and helpful to quickly and safely deploy them at well site. DEEP has diversified team, supported with Over 700 nos. of Workforce, which has required skill set to carryout planning and execution of large size project.

- **Integrated Project management Services**

Deep Industries Limited has adopted the Integrated Project Management (IPM) as a turnkey solution to drill and complete a well or a number of wells under single contract. We have capabilities to provide pool of niche services involving highly technical jobs and services under one roof improves coordination, Time & Cost Management. We are the first Indian company to offer integrated solutions. The Company has adopted various services of Oil & Gas exploration since 2016 considering the opportunity in the space and unconventional energy being the future.

We are the one of the Indian incorporated company who has the unique combination of providing services to Upstream and midstream. Deep's experience, expertise and quality equipment helps to deliver results to the challenging projects and meet stringent client demands.

The Company's IPM services include:

- Drilling Services

Risks and Concerns

Risks and uncertainties are an inherent part of every business, and yet it is important to identify the risks and take proactive steps to measure, minimize and mitigate them. The Company sees concerns in relation to the Scarcity of skilled personnel in market, Procurement Risk as not being able to procure rightly configured equipments in a timely manner and dependency on few clients.

The Company understands these risks can adversely impact fruition of both short-term operational and long-term strategic goals. Hence Risk management process is closely aligned with Company’s business planning process and control function whereby the Company identifies and evaluates risks as early as possible, applies strategies and tools to mitigate those risks and attempts to limit its overall impact on the business by adopting suitable measures and continuously reevaluating those measures with a prime focus to mitigate those risks that pose a threat to its sustainable growth.

Internal control systems and their adequacy

The Company has put in a place an adequate and effective Internal Control Mechanism to ensure efficient conduct of its operations, security of assets, prevention and detection of frauds/errors, preserving accuracy and completeness of the accounting and business records and timely preparation of financial statements and related information. These internal control systems are then further supplemented by Internal Audit carried out by the Internal Auditor of the Company and periodical review by the management. The Company has put in place Proper and adequate controls, which are reviewed at regular intervals to ensure that the business decisions and transactions are properly authorized, correctly and timely reported and the assets are safeguarded from loss , damage and misuse.

In addition to above, the Company has formulated a Vigil Mechanism and Whistle Blower Policy for its Directors and employees of the Company for reporting genuine concern about unethical practices and suspected mal-practices.

INDEPENDENT AUDITOR'S REPORT

To,
The Members,
Deep Industries Limited
Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying standalone financial statements of **DEEP INDUSTRIES LIMITED** ("the Company"), which comprise the Balance Sheet as at 31st March, 2022, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the standalone financial statements")

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under the section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs (financial position) of the Company as at 31st March, 2022, the profit (financial performance including other comprehensive income), changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing ("SAs") specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Standalone Financial Statements* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our opinion on standalone financial statements.

Information Other than Financial Statements and Auditor's Report Thereon

The Company's management and the Board of Directors are responsible for the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance Report, and Shareholders' Information, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's and Board of Directors' Responsibilities for the Standalone Financial Statements

The Company's Management and the Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation and presentation of these standalone financial statements that give a true and fair view of the financial position, financial performance (including other comprehensive income), changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards specified under section 133 of the Act read with relevant Rules issued thereunder. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, the Management and the Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management and the Board of Directors.
- Conclude on the appropriateness of management's and Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we are required to determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in "**Annexure A**" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

As required by Section 143(3) of the Act, based on our audit we report that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.

- (c) The Balance Sheet, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows (the standalone financial statements) dealt with by this Report are in agreement with the books of account.
- (d) In our opinion, the aforesaid standalone financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules, 2015 as amended.
- (e) On the basis of the written representations received from the directors as on 31st March, 2022 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2022 from being appointed as a director in terms of Section 164 (2) of the Act.
- (f) With respect to the adequacy of the internal financial controls with reference to standalone financial statements of the Company and the operating effectiveness of such controls, refer to our separate Report in “**Annexure B**”. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company’s internal financial controls with reference to standalone financial statements.
- (g) With respect to the matter to be included in the Auditor’s Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and according to the information and explanations given to us, the remuneration paid by the Company to its directors during the current year is in accordance with the provisions of Section 197 of the Act. The remuneration paid to any director is not in excess of the limit laid down under Section 197 of the Act. The Ministry of Corporate Affairs has not prescribed other details under Section 197(16) of the Act which are required to be commented upon by us.

- (h) With respect to the other matters to be included in the Auditor’s Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
- i. The Company has disclosed the impact of pending litigations as at 31st March, 2022 on its financial position in its standalone financial statements – Refer Note No. 32 to the standalone financial statements.
 - ii. According to the information and explanations provided to us, the Company did not have any long term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.
 - iv. (a) The Company’s Management and the Board of Directors have represented that, to the best of their knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity (“Intermediaries”), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
(b) The Company’s Management and the Board of Directors have represented, that, to the best of their knowledge and belief, no funds have been received by the Company from any person or entity, including foreign entity (“Funding Parties”), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and

ANNEXURE-A TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of **Deep Industries Limited** of even date for the year ended 31st March, 2022)

Based on the audit procedures performed by us for the purpose of reporting a true and fair view on the financial statements of the Company and taking into consideration the information and explanations provided to us by the Company and the books of account and other records examined by us in the normal course of audit and to the best of our knowledge and belief, we state that:

- (1) In respect of the Company's Property, Plant and Equipment and Intangible Assets:
 - (a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment and Capital Work-In-Progress.
 - (B) The Company has maintained proper records showing full particulars of intangible assets.
 - (b) The Company has a regular program of physical verification of its property, plant and equipment by which the property, plant and equipment are verified in a phased manner. In our opinion, the periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its assets. No material discrepancies were noticed on such verification during the year.
 - (c) The title deeds of all immovable properties (other than properties where the company is the lessee and the lease agreements are duly executed in favour of the lessee) disclosed in the financial statements under the head "Property Plant and Equipment", are held in the name of the Company.
 - (d) The Company has not revalued any of its Property, Plant and Equipment and Intangible assets during the year.
 - (e) No proceedings have been initiated during the year or are pending against the Company as at 31st March, 2022 for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (as amended in 2016) and rules made thereunder.
- (2) (a) The inventory has been physically verified by the management during the year. In our opinion, the frequency of such verification is reasonable. The Company has maintained proper records of inventory. In our opinion, the coverage and procedure of such verification by the management is appropriate. The discrepancies noticed on verification between the physical stock and the book records were less than 10% in the aggregate for each class of inventory as stated in the financial statements. Such discrepancies have been properly dealt with in the books of account.
- (b) The Company has not been sanctioned working capital limits in excess of ₹ 5 crore, in aggregate, at any points of time during the year, from banks or financial institutions on the basis of security of current assets and hence reporting under clause 3(ii)(b) of the Order is not applicable.
- (3) The company has made investments in, provided guarantee or security and granted loans or advances in the nature of loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or any other parties during the year, in respect of which:
 - (a) The Company has provided guarantee and also granted loans/advances to its subsidiaries during the year and details of which are given below:

Aggregate amount guarantee provided or loans/ advances granted/ recovered during the year:	Amount (In Lakhs)
Corporate Guarantee & Performance Guarantee in respect of Raas Equipment Private Limited	1,825.00

Balance outstanding as at balance sheet date	0.01
Deep Onshore Drilling Services Private Limited	
- Total amount Granted	0.23
- Total amount Recovered	0
Balance outstanding as at balance sheet date	0.23

- (b) The investments made, guarantees provided, security given and the terms and conditions of the grant of all the above-mentioned loans and advances in the nature of loans and guarantees provided, during the year are, in our opinion, prima facie, not prejudicial to the Company's interest.
- (c) In respect of loans granted and advances in the nature of loans provided by the Company, the schedule of repayment of principal and payment of interest has been stipulated and the repayments or receipts of principal amounts and interest have been regular as per stipulations
- (d) According to information and explanations given to us and based on the audit procedures performed, in respect of loans granted and advances in the nature of loans provided by the Company, there is no overdue amount remaining outstanding as at the balance sheet date.
- (e) During the year, the company has not renewed or extended or fresh loans granted to settle the overdues of existing loans given to the same parties. Hence, reporting under clause 3(iii)(e) is not applicable
- (f) According to information and explanations given to us and based on the audit procedures performed, the Company has not granted any loans or advances in the nature of loans either repayable on demand or without specifying any terms or period of repayment during the year. Hence, reporting under clause 3(iii)(f) is not applicable.

Aggregate Loans or advances in the nature of loans.	
- Repayable on demand (₹ in Lakhs)	913.92
Percentage of Total advances in the nature of loans	100%

- (4) In our opinion, The Company has complied with the provisions of Sections 185 and 186 of the Companies Act, 2013 in respect of loans granted, investments made and guarantees and securities provided, as applicable.
- (5) The Company has not accepted any deposits from the public within the meaning of the directives issued by the Reserve Bank of India, provisions of Sections 73 to 76 of the Act, or any other relevant provisions of the Act and the rules framed thereunder. Hence reporting under clause 3(v) of the Order is not applicable.
- (6) The maintenance of cost records has not been specified for the activates of the Company by the Central Government under Section 148(1) of the Companies Act, 2013. Hence reporting under clause 3(vi) of the Order is not applicable.
- (7) (a) The Company has generally been regular in depositing undisputed statutory dues including Goods and Service Tax, provident fund, employees' state insurance, income-tax, duty of customs, cess and any other statutory dues, as applicable, to the appropriate authorities. Further, no undisputed amounts payable in respect thereof were outstanding at the year end for a period of more than six months from the date they became payable.
- (b) The Statutory dues of income-tax, sales-tax, service-tax, duty of customs, duty of excise, value added tax and GST (as applicable) which have not been deposited as at 31st March, 2022 on account of any dispute, are given below:

Sr. No	Name of Statute	Nature of Dues	Amount (Rs. in Lakhs)	Period to which the amount relates (F.Y.)	Forum where dispute is pending
1	Income Tax Act, 1961	Income Tax	726.23	2019-20	CIT-Appeals
2	Income Tax Act, 1961	Income Tax	355.14	2020-21	CIT-Appeals

- (8) There were no transactions relating to previously unrecorded income that have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961).
- (9) (a) The Company has not defaulted in repayment of loans or other borrowings or in the payment of interest thereon to any lender.
- (b) The Company has not been declared wilful defaulter by any bank or financial institution or other lender.
- (c) According to the information and explanations given to us, term loans raised during the year were applied for the purpose for which the loans were obtained.
- (d) On an overall examination of the financial statements of the Company, funds raised on short-term basis have, prima facie, not been used during the year for long-term purposes by the Company.
- (e) The Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries, associate or joint ventures and hence, reporting under clause 3(ix)(e) of the Order is not applicable for the year under report.
- (f) The Company has not raised any loans during the year on the pledge of securities held in its subsidiaries, associate or joint ventures and hence, reporting on clause 3(ix)(f) of the Order is not applicable for the year under report.

- (10) (a) The Company has not raised any money by way of initial public offer or further public offer (including debt instruments) during the year. Hence, reporting under clause 3(x)(a) of the Order is not applicable to the Company for the year under report.
- (b) During the year, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully, partially or optionally convertible) and hence, reporting under clause 3(x)(b) of the Order is not applicable for the year under report.
- (11) (a) No fraud by the Company or any fraud on the Company has been noticed or reported during the year.
- (b) No report under sub-section (12) of section 143 of the Companies Act has been filed by the auditors in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and upto the date of this report.
- (c) As informed to us, no whistle blower complaints were received by the Company during the year.
- (12) The Company is not a Nidhi Company. Accordingly, provisions of paragraph 3(xii) (a), (b) and (c) of the Order are not applicable.
- (13) In our opinion and according to the information and explanations given to us, the Company is in compliance with Sections 177 and 188 of Companies Act, 2013 where applicable, in respect of all transactions with the related parties and the details of related party transactions have been disclosed in the financial statements as required by the applicable Indian Accounting Standards.
- (14) (a) In our opinion the Company has an adequate internal audit system commensurate with the size and the nature of its business.
- (b) We have considered, the internal audit reports for the year under audit, issued to the Company, in determining the nature, timing and extent of our audit procedures.
- (15) In our opinion, the Company has not entered into any non-cash transactions with directors or persons connected with them, covered under section 192 of the Companies Act, 2013. Accordingly, paragraph 3(xv) of the Order is not applicable to the Company for the year under report.
- (16) (a) The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, paragraph 3(xvi)(a), (b) and (c) of the Order is not applicable to the Company.
- (b) There is no core investment company within the Group (as defined in the Core Investment Companies (Reserve Bank) Directions, 2016) and accordingly reporting under clause 3(xvi)(d) of the Order is not applicable.
- (17) The Company has not incurred cash losses during the financial year covered by our audit and in the immediately preceding financial year.
- (18) There has been no resignation of the statutory auditors of the Company during the year.
- (19) On the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- (20) The Company has fully spent the required amount towards Corporate Social Responsibility (CSR) and there is no unspent CSR amount for the year requiring a transfer to a Fund specified in Schedule VII to the Companies Act or special account in compliance with the provision of sub-section (6) of section 135 of the said Act. Accordingly, reporting under clause (xx) of the Order is not applicable for the year.

ANNEXURE-B TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph (f) under "Report on Other Legal and Regulatory Requirements" section of our report to the Members of **DEEP INDUSTRIES LIMITED** of even date for the year ended 31st March, 2022)

Independent Auditor's Report on the Internal Financial Controls with reference to the Standalone Financial Statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

Opinion

In conjunction with our audit of the Standalone Financial Statements of **DEEP INDUSTRIES LIMITED** ('the Company'), as of and for the year ended 31st March 2022, we have audited the internal financial controls with reference to the standalone financial statements of the Company as of that date.

In our opinion, the Company has, in all material respects, adequate internal financial controls with reference to the standalone financial statements and such internal financial controls were operating effectively as at 31st March, 2022, based on the internal financial controls with reference to the standalone financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

Management's Responsibility for Internal Financial Controls

The Company's management and the Board of Directors are responsible for establishing and maintaining internal financial controls based on the internal financial controls with reference to the standalone financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to the standalone financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls with reference to the standalone financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to the standalone financial statements were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to the standalone financial statements and their operating effectiveness. Our audit of internal financial controls with reference to the standalone financial statements included obtaining an understanding of such internal financial controls, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to the standalone financial statements.

Meaning of Internal Financial Controls with Reference to the Standalone Financial Statements

A Company's internal financial controls with reference to the standalone financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of the standalone financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial controls with reference to the standalone financial statements includes those policies and procedures that:

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of the standalone financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and

(3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the standalone financial statements.

Inherent Limitations of Internal Financial Controls with Reference to the Standalone Financial Statements

Because of the inherent limitations of internal financial controls with reference to the standalone financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to the standalone financial statements to future periods are subject to the risk that the internal financial controls with reference to the standalone financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

2. BASIS OF PREPARATION

The Standalone Financial Statements of the Company are prepared in accordance with Indian Accounting Standards (Ind AS) as per the Companies (Indian Accounting Standards) Rules, 2015 and the subsequent amendments from time to time, notified under Section 133 of the Companies Act, 2013 (the “Act”) and other relevant provisions of the Act. The accounting policies have been consistently applied by the Company and are consistent with those used in the previous year.

2.1 Basis of Measurement

Company’s Standalone Financial Statements have been prepared on a historical cost convention except certain financial assets and liabilities which are measured at fair value as under

Items	Measurement Basis
Employee Defined Benefit Plans	Plan Assets measured at fair value less present value of defined benefit obligation
Certain Financial Assets and Liabilities (including Derivative Instruments)	Fair Value
Investments in Quoted Shares	Fair Value
Investments in Mutual Funds	Fair Value

2.2 USE OF ESTIMATES

The preparation of Standalone financial statements requires the use of accounting estimates which, by definition, will seldom equal the actual results. Management also needs to exercise judgment in applying the accounting policies. This note provides an overview of the areas that involved a higher degree of judgment or complexity, and of items which are more likely to be adjusted due to estimates and assumptions turning out to be different from those originally assessed. Detailed information about each of these estimates and judgments is included in relevant notes together with information about the basis of calculation for each affected line item in the Standalone financial statements.

Critical estimates and judgments

The areas involving critical estimates or judgments are:

- a) Estimation of current tax expense and payable – Refer accounting policies - 3.9
- b) Estimated useful life of property, plant & equipment and intangible assets – Refer accounting policies - 3.1
- c) Estimation of defined benefit obligation – Refer accounting policies - 3.8
- d) Estimation of fair values of contingent liabilities - Refer accounting policies - 3.12
- e) Recognition of revenue - Refer accounting policies - 3.4
- f) Recognition of deferred tax assets for carried forward tax losses – Refer accounting policies - 3.9
- g) Impairment of financial assets – Refer accounting policies - 3.2 & 3.5

Estimates and judgments are continually evaluated. They are based on historical experience and other factors, including expectations of future events that may have a financial impact on the company and that are believed to be reasonable under the circumstances.

3. SIGNIFICANT ACCOUNTING POLICIES

3.1 Property, plant and equipment:

Tangible Assets:

Items of property, plant and equipment are measured at cost, which include capitalised borrowing costs, less accumulated depreciation, and accumulated impairment losses, if any, except freehold land which is carried at historical cost.

Cost of an item of property, plant and equipment comprises its purchase price (after deducting trade discounts and rebates), including import duties and non-refundable purchase taxes, any directly attributable cost of bringing the item to its working condition for its intended use and estimated costs of dismantling and removing the item and restoring the site on which it is located.

The cost of a self-constructed item of property, plant and equipment comprises the cost of materials and direct labour, any other costs directly attributable to bringing the item to working condition for its intended use, and estimated costs of dismantling and removing the item and restoring the site on which it is located.

If significant parts of an item of property plant and equipment have different useful lives, then they are accounted for as separate items (major components) of property, plant and equipment.

All other repair and maintenance costs are recognized in the statement of profit and loss as incurred unless they meet the recognition criteria for capitalization under Property, Plant and Equipment.

Any gain or loss on disposal of an item of property, plant and equipment is recognised in profit or loss

Depreciation/ Amortization:

Depreciation is charged using straight line method on the basis of the expected useful life as specified in Schedule II to the Act. A residual value of 5% (as prescribed in Schedule II to the Act) of the cost of the assets is used for the purpose of calculating the depreciation charge. The management believes that these estimated useful lives are realistic and reflect fair approximation of the period over which the assets are likely to be used. However, management reviews the residual values, useful lives and methods of depreciation of property, plant and equipment at each reporting period end and any revision to these is recognized prospectively in current and future periods.

Intangible assets:

Intangible assets including those acquired by the Company are initially measured at cost. Such intangible assets are subsequently measured at cost less accumulated amortisation and any accumulated impairment losses.

Subsequent expenditure is capitalised only when it increases the future economic benefits embodied in the specific asset to which it relates. All other expenditures are recognised in profit or loss as incurred.

Amortization is calculated to write off the cost of intangible assets less their estimated residual values over the estimated useful lives using the straight line method and is included in Depreciation and Amortisation expense in the Statement of Profit and Loss. The estimated useful lives of computer software are considered not exceeding three years. Amortization method, useful lives and residual values are reviewed at the end of each financial year and adjusted, if appropriate. An item of intangible asset is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of asset.

Capital Work- in- progress:

Projects under commissioning and other Capital work-in-progress are carried at cost comprising of direct and indirect costs, related incidental expenses and attributable interest. Depreciation on Capital work-in-progress commences when assets are ready for their intended use and transferred from Capital work-in-progress Group to Tangible/Intangible Assets Group.

3.2 Impairment of Non-Financial Assets

The Company's non-financial assets are reviewed at each reporting date to determine whether there is any indication of impairment. If any such indication exists, then the asset's recoverable amount is estimated.

An impairment loss is recognised if the carrying amount of an asset exceeds its estimated recoverable amount. Impairment losses are recognised in the Statement of Profit and Loss.

In respect of assets for which impairment loss has been recognised in prior periods, the Company reviews at each reporting date whether there is any indication that the loss has decreased or no longer exists. An impairment loss is reversed if there has been a change in the estimates used to determine the recoverable amount. Such a reversal is made only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined, net of depreciation or amortisation, if no impairment loss had been recognised.

3.3 Foreign Currency Transactions and Translations

Company's Standalone Financial Statements are presented in Indian Rupees (INR), which is also a functional currency. All the values have been rounded off to the nearest thousand, unless otherwise indicated.

Initial Recognition:

Transactions in foreign currencies are recorded on initial recognition in the functional currency at the exchange rates prevailing on the date of the transaction.

In case of advance receipts/payments in a foreign currency, the spot exchange rate to use on initial recognition of the related asset, expense or income on the derecognition of a non-monetary asset or non-monetary liability relating to advance consideration, shall be the date when an entity has received or paid advance consideration in a foreign currency.

Measurement at the Balance Sheet Date:

Foreign Currency monetary items of the Company, outstanding at the Balance Sheet date are restated at the year-end rates. Non-monetary items which are carried at historical cost denominated in a foreign currency are reported using the exchange rate at the date of the transaction. Non-monetary items measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value is determined.

Treatment of Exchange Differences:

Exchange differences that arise on settlement of monetary items or on reporting at each Balance Sheet date of the Company's monetary items at the closing rate are recognised as income or expenses in the period in which they arise.

3.4 Revenue from Contracts with Customers

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured, regardless of when the payment is being made. Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes or duties collected on behalf of the government. Goods & Service Tax (GST), Value Added Tax/Service Tax is not received by the Company on its own account. Rather, it is tax collected on value added to the services by the Company on behalf of the government. Accordingly, it is excluded from revenue. The specific recognition criteria described below must also be met before revenue is recognized.

(i) Service income:

Service income is recognised as per the terms of contracts with the customers when the related services are performed or the agreed milestones are achieved and are net of service tax or GST, wherever applicable.

(ii) Interest Income:

For all debt instruments measured either at amortized cost or at fair value through other comprehensive income [OCI], interest income is recorded using the effective interest rate [EIR]. EIR is the rate that exactly discounts the estimated future cash payments or receipts over the expected life of the financial instrument or a shorter period, where appropriate, to the gross carrying amount of the financial asset or to the amortized cost of a financial liability. When calculating the effective interest rate, the Company estimates the expected cash flows by considering all the contractual terms of the financial instrument [for example, prepayment, extension, call and similar options] but does not consider the expected credit losses.

(iii) Dividend income:

Dividend income from investments is recognized when the Company's right to receive payment is established which is generally when shareholders approve the dividend.

(iv) Other income is recognised when no significant uncertainty as to its determination or realisation exists.

3.5 Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

A. Financial Assets

a. Initial recognition and measurement:

All financial assets are recognised initially at fair value plus, in case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset, which are not at fair value through profit and loss, are added to fair value on initial recognition. Transaction costs of financial assets carried at fair value through profit or loss are expensed in Statement of Profit and Loss.

b. Subsequent measurement:

For purposes of subsequent measurement, financial assets are classified in Three categories:

i. Financial assets carried at amortised cost:

A financial asset is subsequently measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

ii. Financial assets at fair value through Other Comprehensive Income (FVOCI)

A financial asset is subsequently measured at fair value through other comprehensive income if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

iii. Financial assets at fair value through Profit or Loss (FVTPL)

A financial asset which is not classified in any of the above categories are subsequently fair valued through Statement of Profit and Loss.

c. Derecognition:

A financial asset is derecognised when:

- The Company has transferred the right to receive cash flows from the financial assets or
- Retains the contractual rights to receive the cash flows of the financial assets, but assumes a contractual obligation to pay the cash flows to one or more recipients.

Where the Company transfers the financial asset, it evaluates the extent to which it retains the risk and rewards of the ownership of the financial assets. If the Company transfers substantially all the risks and rewards of ownership of the financial asset, the Company shall derecognise the financial asset and recognise separately as assets or liabilities any rights and obligations created or retained in the transfer. If the Company retains substantially all the risks and rewards of ownership of the financial asset, the Company shall continue to recognise the financial asset.

Where the Company has neither transferred a financial asset nor retains substantially all risks and rewards of the ownership of the financial asset, the financial asset is derecognised if the Company has not retained control of the financial assets. Where the Company retains control of the financial assets, the asset is continued to be recognised to the extent of continuing involvement in the financial asset.

d. Impairment of financial assets:

The Company assesses on a forward looking basis the Expected Credit Losses (ECL) associated with its assets measured at amortised cost and assets measured at fair value through other comprehensive income. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

B. Financial liabilities:

a. Initial recognition and subsequent measurement:

All financial liabilities are recognised initially at fair value and in case of borrowings and payables, net of directly attributable cost.

Financial liabilities are subsequently carried at amortized cost using the effective interest method. For trade and other payables maturing within one year from the Balance Sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments. Changes in the amortised value of liability are recorded as finance cost.

C. Fair Value of Financial Instruments

In determining the fair value of its financial instruments, the Company uses a variety of methods and assumptions that are based on market conditions and risks existing at each reporting date. The methods used to determine fair value include discounted cash flow analysis, available quoted market prices. All methods of assessing fair value result in general approximation of value, and such value may vary from actual realization on future date.

D. Offsetting of financial instruments:

Financial assets and financial liabilities are offset and the net amount is reported in the Balance Sheet, if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

3.6 Fair Value Measurement

The Company measures financial instruments such as investments in mutual funds, certain other investments etc. at fair value at each Balance Sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability at the measurement date. All assets and liabilities for which fair value is measured or disclosed in the Standalone financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole.

Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities.

Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.

Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

3.7 Inventories

Inventories of spare parts and oil are valued at the lower of cost or net realizable value. The cost is determined by Moving Average method. The cost of inventories comprises of all costs of purchase, costs of conversion and other costs incurred in bringing the inventories to their present location and condition. The net realizable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and estimated costs necessary to make the sale.

3.8 Employee benefits

Employee benefits include provident fund, pension fund, gratuity and compensated absences.

a. Defined Contribution Plans

The Company's contribution to provident fund and pension fund is considered as defined contribution plan and is charged as an expense as they fall due based on the amount of contribution required to be made and when services are rendered by the employees. The Company has no legal or constructive obligation to pay contribution in addition to its fixed contribution.

b. Defined Benefit Plans

The Company operates a defined benefit Gratuity Plan with approved Gratuity Fund and contributions are made to a separately administered approved Gratuity Fund. For defined benefit plans in the form of gratuity, the cost of providing

benefits is determined using 'the Projected Unit Credit method', with actuarial valuations being carried out at each Balance Sheet date. Remeasurements, comprising of actuarial gains and losses, the effect of the asset ceiling, excluding amounts included in net interest on the net defined benefit liability and the return on plan assets (excluding amounts included in net interest on the net defined benefit liability), are recognised immediately in the Balance Sheet with a corresponding debit or credit to retained earnings through other comprehensive income in the period in which they occur. Remeasurements are not reclassified to the Statement of Profit and Loss in subsequent periods. The retirement benefit obligation recognised in the Balance Sheet represents the present value of the defined benefit obligation as adjusted for unrecognised past service cost.

c. Short-term Employee Benefits

The undiscounted amount of short-term employee benefits expected to be paid in exchange for the services rendered by employees are recognised during the year when the employees render the service. These benefits include salaries, wages, performance incentive and compensated absences which are expected to occur within twelve months after the end of the period in which the employee renders the related service. The cost of such compensated absences is accounted as under:

- (a) in case of accumulated compensated absences, when employees render the services that increase their entitlement of future compensated absences; and
- (b) in case of non-accumulating compensated absences, when the absences occur.

d. Long-term Employee Benefits

Compensated absences and other benefits like gratuity which are allowed to be carried forward over a period in excess of 12 months after the end of the period in which the employee renders the related service are recognised as a non-current liability at the present value of the defined benefit obligation as at the Balance Sheet date out of which the obligations are expected to be settled.

3.9 Taxes on Income

Income tax comprises Current and Deferred Tax. It is recognised in the Statement of Profit or Loss except to the extent that it relates to business combination or to an item recognised directly in equity or in other comprehensive income.

(a) Current Tax

Current income tax assets and/or liabilities comprise those obligations to, or claims from, fiscal authorities relating to the current or prior reporting periods, that are unpaid at the reporting date. Current tax is payable on taxable profit, which differs from profit or loss in the financial statements. Calculation of current tax is based on tax rates and tax laws that have been enacted or substantively enacted by the end of the reporting period.

Current tax assets and current tax liabilities are offset only if there is a legally enforceable right to set off the recognised amounts, and it is intended to realise the asset and settle the liability on a net basis or simultaneously.

(b) Deferred Tax

Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax assets are recognised for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised. Deferred tax liabilities are generally recognised in full.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply to the period when the asset is realized or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the Balance Sheet date.

Tax relating to items recognised directly in equity/ other comprehensive income is recognised in respective head and not in the Statement of Profit & Loss.

The carrying amount of deferred tax assets is reviewed at each Balance Sheet date and is adjusted to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the asset to be recovered.

Deferred tax assets and deferred tax liabilities are offset only if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

3.10 Borrowing costs

Borrowing costs are interest and other costs incurred in connection with the borrowing of funds. Borrowing costs directly attributable to the acquisition or construction of qualifying asset that necessarily takes a substantial period of time to get ready for its intended use are capitalised as part of the cost of the respective asset until such time the assets are substantially ready for their intended use. All other borrowing costs are recognised as an expense in the period in which they are incurred and reported in finance costs.

3.11 Earnings per equity share

Basic earnings per equity share is calculated by dividing the net profit after tax for the year attributable to equity shareholders of the Company by the weighted average number of equity shares outstanding during the year.

Diluted earnings per equity share is computed by dividing adjusted net profit after tax by the aggregate of weighted average number of equity shares and dilutive potential equity shares during the year.

3.12 Provisions, Contingent Liabilities and Contingent Assets:

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past events and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost. Provisions are reviewed at each Balance Sheet date and adjusted to reflect the current best estimates.

Contingent liability is disclosed in the case of:

- * a present obligation arising from past events, when it is not probable that an outflow of resources will be required to settle the obligation.
- * a present obligation arising from past events, when no reliable estimate is possible.

Contingent assets are neither recognised nor disclosed in the Standalone Financial Statements.

3.13 Cash and Cash Equivalents

Cash and cash equivalents include cash and cheques in hand, bank balances, demand deposits with banks and other short term highly liquid investments that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value where original maturity is three months or less.

3.14 Leases

The Company's lease asset classes primarily consist of leases for buildings. The Company evaluates if an arrangement qualifies to be a lease as per the requirements of Ind AS 116. Identification of a lease requires significant judgment. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. The determination of whether an arrangement is (or contains) a lease is based on the substance of the arrangement at the inception of the lease. The arrangement is, or contains, a lease if fulfilment of the arrangement is dependent on the use of a specific asset or assets and the arrangement conveys a right to use the asset or assets, even if that right is not explicitly specified in an arrangement.

Company as a lessee

The Company assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether: (i) the contract involves the use of an identified asset (ii) the Company has substantially all of the economic benefits from use of the asset through the period of the lease and (iii) the Company has the right to direct the use of the asset. The Company uses significant judgement in assessing the lease term (including anticipated renewals) and the applicable discount rate. The determination of whether an arrangement is (or contains) a lease is based on the substance of the arrangement at the inception of the lease. The arrangement is, or contains, a lease if fulfilment of the arrangement is dependent on the use of a specific asset or assets and the arrangement conveys a right to use the asset or assets, even if that right is not explicitly specified in an arrangement.

At the date of commencement of the lease, the Company recognizes a right-of-use asset ("ROU") and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short-term leases) and low value leases.

For these short-term and low value leases, the Company recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease. The right-of-use assets are initially recognized at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses. Right-of-use assets are depreciated from the commencement date on a straight-line basis over the lease term and useful life of the underlying asset. The lease liability is initially measured at amortized cost at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the incremental borrowing rates in the country of domicile of these leases. Lease liabilities are remeasured with a corresponding adjustment to the related right of use asset if the Company changes its assessment if whether it will exercise an extension or a termination option.

Company as a lessor

Leases in which the Company does not transfer substantially all the risks and rewards of ownership of an asset are classified as operating leases. Rental income from operating lease is recognised on a straight-line basis over the term of the relevant lease. Initial direct costs incurred in negotiating and arranging an operating lease are added to the carrying amount of the leased asset and recognised over the lease term on the same basis as rental income. Leases are classified as finance leases when substantially all of the risks and rewards of ownership transfer from the Company to the lessee. Amounts due from lessees under finance leases are recorded as receivables at the Company's net investment in the leases. Finance lease income is allocated to accounting periods so as to reflect a constant periodic rate of return on the net investment outstanding in respect of the lease.

3.15 Exceptional items

An item of income or expense which by its size, nature, type or incidence requires disclosure in order to improve an understanding of the performance of the Company is treated as an exceptional item and disclosed as such in the Standalone financial statements.

3.16 Recent Pronouncements

Ministry of Corporate Affairs (“MCA”) notifies new standard or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. On 23rd March, 2022, MCA notified the Companies (Indian Accounting Standards) Amendment Rules, 2022, applicable from 1st April, 2022, as below:

I. Ind AS 103 – Reference to Conceptual Framework

The amendments specify that to qualify for recognition as part of applying the acquisition method, the identifiable assets acquired, and liabilities assumed must meet the definitions of assets and liabilities in the Conceptual Framework for Financial Reporting under Indian Accounting Standards (Conceptual Framework) issued by the Institute of Chartered Accountants of India at the acquisition date. These changes do not significantly change the requirements of Ind AS 103. The Company does not expect the amendment to have any significant impact in its financial statements.

II. Ind AS 16 – Proceeds before intended use

The amendments specify that the excess of net sale proceeds of items produced while the Company is preparing the asset for its intended use over its cost of testing, if any, shall not be recognized in the profit or loss but shall be deducted from the directly attributable costs considered as part of cost of an item of property, plant, and equipment. The Company does not expect the amendments to have any impact in its recognition of its property, plant and equipment in its financial statements.

III. Ind AS 37 – Onerous Contracts - Costs of Fulfilling a Contract

The amendments specify that that the ‘cost of fulfilling’ a contract comprises the ‘costs that relate directly to the contract’. Costs that relate directly to a contract can either be incremental costs of fulfilling that contract (examples would be direct labour, materials) or an allocation of other costs that relate directly to fulfilling contracts. The amendment is essentially a clarification, and the Company does not expect the amendment to have any significant impact in its financial statements.

IV. Ind AS 109 – Annual Improvements to Ind AS (2021)

The amendment clarifies which fees an entity includes when it applies the ‘10 percent’ test of Ind AS 109 in assessing whether to derecognise a financial liability. The Company does not expect the amendment to have any significant impact in its financial statements.

V. Code on Social Security

The Indian Parliament has approved the Code on Social Security, 2020 which would impact the contributions by the Company towards Provident Fund and Gratuity. The Ministry of Labour and Employment had released draft rules for the Code on Social Security, 2020 on 13th November, 2020, and invited suggestions from stakeholders which are under consideration by the Ministry. The Company will assess the impact and its evaluation once the subject rules are notified. The Company will give appropriate impact in its financial statements in the period in which, the Code becomes effective and the related rules to determine the financial impact are published.

<p>On account of Scheme of Arrangement approved by Hon'able NCLT, the Company recognized 'Goodwill' in the books of account. On the said goodwill, the Company was claiming amortisation in the books of account and depreciation in the Tax laws while filing return of income for assessment years up to 2020-21. Now, with the amendment brought in by Finance Bill, 2021 on prospective basis, no depreciation would be allowable on goodwill from 01 April 2020 (assessment year 2021-22 onwards). As per the change, goodwill of a business or profession will not be considered as a depreciable asset and there would not be any depreciation on goodwill of a business or profession in any situation. Accordingly, the Company is required to reverse majority of its deferred tax liability created in earlier years (i.e. demerger effective from 1st April, 2017) and bring its deferred tax provision at par with the requirement of the law.</p>

34 - DISCLOSURES AS REQUIRED BY INDIAN ACCOUNTING STANDARD (IND AS) 19 EMPLOYEE BENEFITS

The Company has classified the various benefits provided to employees as under:-

(a) Defined contribution plans

- Provident fund

The Company has recognized the following amounts in the statement of profit and loss:

Employers' contribution to provident fund

INR 37.82 Lakhs for year ended 31st March 2022 (year ended 31st March 2021 INR 33.05 Lakhs)

(b) Defined benefit plans

- Gratuity

In accordance with Indian Accounting Standard 19, actuarial valuation was done in respect of the aforesaid defined benefit plans based on the following assumptions

Key Assumptions considered :

	Gratuity (funded)	
	As at 31 st March, 2022	As at 31 st March, 2021
Discount rate(per annum)	6.90%	6.50%
Future salary increase	6.00%	6.00%
Retirement age	58 years	58 years
Withdrawal rates		
- Up to 25 years	15.00%	15.00%
- From 26 to 35 years	12.00%	12.00%
- From 35 to 45 years	9.00%	9.00%
- From 45 to 55 years	6.00%	6.00%
- From 55 to 58 years	3.00%	3.00%

Financial Assumptions

The discount rate and salary increases assumed are the key financial assumptions and should be considered together; it is the difference or 'gap' between these rates which is more important than the individual rates in isolation.

Discount Rate

The rate used to discount other long term employee benefit obligation (both funded and unfunded) shall be determined by reference to market yield at the Balance Date on high quality corporate bonds. In countries where there is no deep market in such bonds the market yields (at the Balance Sheet Date) on government bonds shall be used. The currency and term of the corporate bond or government bond shall be consistent with currency and estimated term of the post employment benefit obligation.

Salary Escalation Rate

This is Management's estimate of the increases in the salaries of the employees over the long term. Estimated future salary increases should take account of inflation, seniority, promotion and other relevant factors such as supply and demand in the employment market.

Notes:

The sensitivity analysis presented above may not be representative of the actual change in the defined benefit obligations as it is unlikely that the change in assumptions would occur in isolation of one another as some of the assumptions may be correlated. Furthermore, in presenting the above sensitivity analysis, the present value of the defined benefit obligations has been calculated using the projected unit credit method at the end of the reporting period, which is the same as that applied in calculating the defined benefit obligation liability recognised in the balance sheet.

38. FINANCIAL INSTRUMENTS - ACCOUNTING, CLASSIFICATIONS AND FAIR VALUE MEASUREMENTS

38.1 All financial instruments for which fair value is recognised or disclosed are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is insignificant to the fair value measurements as a whole.

Level 1 : quoted (unadjusted) prices in active markets for identical assets or liabilities.

Level 2 : valuation techniques for which the lowest level inputs that has a significant effect on the fair value measurement are observable, either directly or indirectly.

Level 3 : valuation techniques for which the lowest level input which has a significant effect on fair value measurement is not based on observable market data.

There have been no transfers between Level 2 and Level 3 during the period.

38.2 The management assessed that fair value of short term financial assets and liabilities significantly approximate their carrying amounts largely due to the short term maturities of these instruments. The fair value of the financial assets and liabilities is included at the amounts at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

38.3 The Company determines fair values of financial assets or liabilities by discounting the contractual cash inflows / outflows using prevailing interest rates of financial instruments with similar terms. The initial measurement of financial assets and financial liabilities is at fair value.

38.4 The following methods and assumptions were used to estimate the fair values:

- The fair value of The Company's interest bearing borrowings are determined using discount rate that reflects The entity's discount rate at the end of the reporting period. The own non-performance risk as at the reporting period is assessed to be insignificant.
- The fair value of unquoted instruments and other financial assets and liabilities is estimated by discounting future cash flows using rates currently applicable for debt on similar terms, credit risk and remaining maturities.

38.5 Set out below, is a comparison by class of the carrying amounts and fair value of the Company's Financial Instruments.

39. FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES

The Company's Risk Management framework encompasses practices relating to the identification, analysis, evaluation, treatment, mitigation and monitoring of the strategic, external and operational controls risks to achieving the Company's business objectives. It seeks to minimize the adverse impact of these risks, thus enabling the Company to leverage market opportunities effectively and enhance its long-term competitive advantage. The focus of risk management is to assess risks and deploy mitigation measures.

The Company's activities expose it to variety of financial risks namely market risk, credit risk and liquidity risk. The Company has various financial assets such as deposits, other receivables and cash and bank balances directly related to the business operations. The Company's principal financial liabilities comprise of trade and other payables. The Company's senior management's focus is to foresee the unpredictability and minimize potential adverse effects on the Company's financial performance. The Company's overall risk management procedures to minimize the potential adverse effects of financial market on the Company's performance are outlined hereunder:

The Company's Board of Directors have overall responsibility for the establishment and oversight of the Company's risk management framework.

The Company's risk management is carried out by the management in consultation with the Board of Directors. They provide principles for overall risk management, as well as policies covering specific risk areas.

The note explains the sources of risk which the entity is exposed to and how the entity manages the risk.

(A) Credit risk

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivables from customers and from its financial activities including deposits with banks and other financial instruments.

(i) Cash and cash equivalents:

The Company considers factors such as track record, size of institution, market reputation and service standard to select the banks with which deposits are maintained. The Company does not maintain significant deposit balances other than those required for its day to day operations. Credit risk on cash and cash equivalents is limited as these are generally held or invested in deposits with banks and financial institutions with good credit ratings.

(B) Liquidity Risk

Liquidity risk is the risk that the Company will face in meeting its obligations associated with its financial liabilities. The Company's approach in managing liquidity is to ensure that it will have sufficient funds to meet its liabilities when due without incurring unacceptable losses. In doing this, management considers both normal and stressed conditions.

The Company's objective is to maintain optimum levels of liquidity to meet its cash and collateral requirements. The Company relies on a mix of borrowings, capital and excess operating cash flows to meet its needs for funds. The current committed lines of credit are sufficient to meet its short to medium term expansion needs. The Company monitors rolling forecasts of its liquidity requirements to ensure that it has sufficient cash to meet operational needs.

The table below provides undiscounted cash flows towards non-derivative financial assets/ (liabilities) into relevant maturity based on the remaining period at the Balance Sheet date to the contractual maturity date and where applicable, their effective interest rates.

(C) Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risks : foreign currency risk, interest risk and other price risk such as commodity risk.

(i) Interest rate risk

The Company's exposure to the risk of changes in market interest rates relates primarily to debts having floating rate of interest. Its objective in managing its interest rate risk is to ensure that it always maintains sufficient headroom to cover interest payment from anticipated cashflows which are regularly reviewed by the Board.

Particular	Change in Interest rate	Effect on Profit before tax 31 st March, 2022	Effect on Profit before tax 31 st March, 2021
Non-current & Current Borrowings	-0.50%	(12.98)	(20.46)
	0.50%	12.98	20.46

(ii) Foreign currency risk

Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in foreign exchange rates and arises where transactions are done in foreign currencies. It arises mainly where receivables and payables exist due to transactions entered in foreign currencies. The Company evaluates exchange rate exposure arising from foreign currency transactions and follows approved policy parameters utilizing forward foreign exchange contracts whenever felt necessary. The Company does not enter into financial instrument transactions for trading or speculative purpose.

I. Foreign Currency Exposure

Refer Note 36 for foreign currency exposure as at reporting periods respectively.

II. Foreign Currency Sensitivity

1% increase or decrease in foreign exchange rates will have the following impact on the profit before tax

(₹ In lakhs)

Currency	2021-22		2020-21	
	1% Increase	1% Decrease	1% Increase	1% Decrease
USD	8.66	(8.66)	49.85	(49.85)
Total	8.66	(8.66)	49.85	(49.85)

(iii) Commodity Risk:

The Company is exposed to the movement in the price of key raw materials and other traded goods in the domestic and international markets. The Company has in place policies to manage exposure to fluctuation in prices of key raw materials used in operations. The Company enters into contracts for procurement of raw materials and traded goods, most of the transactions are short term fixed price contracts and a few transactions are long term fixed price contracts.

(D) Capital management

The Company manages its capital to be able to continue as a going concern while maximising the returns to shareholders through optimisation of the debt and equity balances. For the purpose of calculating gearing ratio, debt is defined as non current and current borrowings (excluding derivatives). Equity includes all capital and reserves of the Company attributable to equity holders of the Company. The Company is not subject to externally imposed capital requirements. The Board reviews the capital structure and cost of capital on an annual basis but has not set specific targets for gearing ratios. The risks associated with each class of capital are also considered as part of the risk reviews presented to the Board of Directors.

INDEPENDENT AUDITOR'S REPORT

To,
The Members,
Deep Industries Limited (Formerly known as Deep CH4 Limited)

Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the accompanying consolidated financial statements of **DEEP INDUSTRIES LIMITED** (hereinafter referred to as the "Holding Company") and its Subsidiaries (Holding Company and its subsidiaries together referred to as "the Group"), which comprise the Consolidated Balance Sheet as at 31st March, 2022, and the Consolidated Statement of Profit and Loss (including Consolidated Other Comprehensive Income), the Consolidated Statement of Changes in Equity and the Consolidated Statement of Cash Flows for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under the section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of their consolidated state of affairs (consolidated financial position) of the Group as at 31st March, 2022, the consolidated profit (consolidated financial performance including consolidated other comprehensive income), consolidated changes in equity and their consolidated cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the consolidated financial statements in accordance with the Standards on Auditing ("SAs") specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Consolidated Financial Statements* section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountant of India ("ICAI") together with the ethical requirements that are relevant to our audit of consolidated financial statements under the provision of the Act and the Rules made thereunder, and we have fulfilled our ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our opinion on consolidated financial statements.

Information Other than Financial Statements and Auditor's Report Thereon

The Holding Company's management and the Board of Directors are responsible for the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance Report, and Shareholders' Information, but does not include the consolidated financial statements, and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's and Board of Directors' Responsibilities for the Consolidated Financial Statements

The Holding Company's Management and the Board of Directors are responsible for the preparation and presentation of these consolidated financial statements in terms of the requirements of the Companies Act, 2013 that give a true and fair view of the consolidated financial position, consolidated financial performance (including other comprehensive income), consolidated changes in equity and the consolidated cash flows of the Group in accordance with the recognition and measurement principles laid down in Indian Accounting Standards prescribed under Section 133 of the Act read with the relevant Rules issued thereunder and other accounting principles generally accepted in India. The respective Management and Board of Directors of the entities included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of each entity and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for

ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial results that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial results by the Management and the Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial results, the respective Management and the Board of Directors of the entities included in the Group are responsible for assessing the ability of each entity to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the respective Board of Directors either intends to liquidate the entity or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the entities included in the Group are also responsible for overseeing the financial reporting process of each entity.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial results as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial results.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Companies Act, 2013 we are also responsible for expressing our opinion through a separate report on the complete set of consolidated financial statements on whether the entity has adequate internal financial controls with reference to consolidated financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures in the consolidated financial results made by the management and Board of Directors of the Holding Company.
- Conclude on the appropriateness of the management's and Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial results, including the disclosures, and whether the consolidated financial results represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial results / financial information of the entities within the Group to express an opinion on the consolidated financial results. We are responsible for the direction, supervision and performance of the audit of financial information of such entities included in the consolidated financial results of which we are the independent auditors. For the other entities included in the consolidated financial results, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

Materiality is the magnitude of misstatements in the consolidated financial results that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the consolidated financial results may be

influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the consolidated financial results.

We communicate with those charged with governance of the Holding Company and such other entities included in the consolidated financial results of which we are the independent auditors, regarding among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we are required to determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

- 1) We did not audit the financial statements of 1 subsidiary, whose financial statements reflect total assets of Rs. 3,502.06 lakhs and net assets of Rs. 2535.79 lakhs as at 31st March, 2022 and total revenues of Rs. 3148.85 lakhs, as considered in the consolidated financial statements. These financial statements of 1 subsidiary have been audited by other auditors whose reports have been furnished to us by the management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of 1 subsidiary, and our report in terms of sub-sections (3) and (11) of Section 143 of the Act, in so far as it relates to the aforesaid subsidiary, is based solely on the reports of the other auditors.

Further, the above-mentioned subsidiary is located outside India whose financial statements and other financial information have been prepared in accordance with accounting principles generally accepted in United Arab Emirates and which have been audited by other auditor under generally accepted auditing standards applicable in United Arab Emirates. The Holding Company's management has converted the financial statements of such subsidiary, located outside India from accounting principles generally accepted in United Arab Emirates to accounting principles generally accepted in India. We have audited these conversion adjustments made by the Holding Company's management. Our opinion in so far as it relates to the balances and affairs of such subsidiary located outside India is based on the report of other auditor and the conversion adjustments prepared by the management of the Holding Company and audited by us.

Our opinion on the consolidated financial statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with regard to our reliance on the work done and the reports of the other auditors.

Report on Other Legal and Regulatory Requirements

- (1) As required by Section 143(3) of the Act, based on our audit and on the consideration of the reports of the other auditors on separate financial statements of one subsidiary, we report, to the extent applicable, that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.
 - (b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books and the reports of the other auditors.
 - (c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss (including Consolidated Other Comprehensive Income), the Consolidated Statement of Changes in Equity and the Consolidated Statement of Cash Flows dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements.

- (d) In our opinion, the aforesaid consolidated financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules, 2015, as amended.
- (e) On the basis of the written representations received from the directors of the Holding Company as on 31st March, 2022 taken on record by the Board of Directors of the Holding Company and the reports of the other statutory auditors of its subsidiary company covered under the Act, none of the directors of the Group covered under the Act, are disqualified as on 31st March, 2022 from being appointed as a director in terms of Section 164 (2) of the Act.
- (f) With respect to the adequacy of internal financial controls with reference to consolidated financial statements of the Group and the operating effectiveness of such controls, refer to our separate Report in “Annexure A”. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Group’s internal financial controls with reference to consolidated financial statements.
- (g) With respect to the matter to be included in the Auditor’s Report in accordance with the requirement of section 197(16) of the Act, as amended:

In our opinion and according to information and explanations given to us, the remuneration paid during the current year by the Holding Company and its subsidiary, to its directors is in accordance with the provisions of section 197 of the Act. The remuneration paid to any director by the Holding Company and its subsidiary is not in excess of the limit laid down under Section 197 of the Act. The Ministry of Corporate Affairs has not prescribed other details under Section 197(16) of the Act which are required to be commented upon by us.

- (h) With respect to the other matters to be included in the Auditor’s Report in accordance with Rule 11 of the Companies (Audit and Auditor’s) Rules, 2014 as amended, in our opinion and to the best of our information and according to the explanations given to us and based on the consideration of the reports of the other auditors on separate financial statements of the subsidiaries:
 - i. The consolidated financial statements disclose the impact of pending litigations as at 31st March, 2022 on the consolidated financial position of the Group as detailed in Note No.32 to the consolidated financial statements.
 - ii. The Group did not have any material foreseeable losses on long-term contracts including derivative contracts.
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Holding Company.
 - iv. (a) The respective Managements of the Holding Company and its subsidiary, whose financial statements have been audited under the Act, have represented to us that, to the best of their knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Holding Company or any of such subsidiary to or in any other person or entity, including foreign entity (“Intermediaries”), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Holding Company or any of such subsidiary (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
 - (b) The respective Managements of the Holding Company and its subsidiary, whose financial statements have been audited under the Act, have represented to us that, to the best of their knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Holding Company or any of such subsidiary from any person or entity, including foreign entity (“Funding Parties”), with the understanding, whether recorded in writing or otherwise, that the Holding Company or any of such subsidiary shall, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
 - (c) Based on the audit procedures that we have considered reasonable and appropriate in the circumstances performed by us on the Holding Company and its subsidiary whose financial statements have been audited under the Act, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
- v. (a) The dividend declared or paid during the year by the Holding Company is in compliance with section 123 of the Companies Act, 2013.

- (b) The Board of Directors of the Holding Company have proposed final dividend for the year which is subject to the approval of the members at the ensuing Annual General Meeting. The amount of dividend proposed is in accordance with section 123 of the Act as applicable.
- (2) With respect to the matters specified in paragraphs 3(xxi) and 4 of the Companies (Auditor's Report) Order, 2020 ("CARO") issued by the Central Government of India in terms of Section 143(11) of the Act, we report that there are no qualifications or adverse remarks by the respective auditors in the CARO reports of the companies included in the consolidated financial statements.

ANNEXURE-A TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph (f) under "Report on Other Legal and Regulatory Requirements" section of our report to the Members of **DEEP INDUSTRIES LIMITED** of even date for the year ended 31st March, 2022)

Independent Auditor's Report on the Internal Financial Controls with reference to the consolidated financial statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

Opinion

In conjunction with our audit of the consolidated financial statements of **DEEP INDUSTRIES LIMITED** ("the Holding Company") and its subsidiaries, (the Holding Company and its subsidiaries together referred to as "Group") as of and for the year ended 31st March 2022, we have audited the internal financial controls with reference to the consolidated financial statements of the Holding Company and its subsidiary company which is a company incorporated in India, as of that date.

In our opinion, the Holding Company and its subsidiary company have in all material respects, adequate internal financial controls with reference to the consolidated financial statements and such internal financial controls were operating effectively as at 31st March, 2022, based on the internal financial controls with reference to the consolidated financial statements criteria established by the Company considering the essential components of internal controls stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

Management's Responsibility for Internal Financial Controls

The respective Company's management and the Board of Directors of the Holding Company and its subsidiary company are responsible for establishing and maintaining internal financial controls based on the internal financial controls with reference to the consolidated financial statements criteria established by the respective companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of the Company's business, including adherence to the respective Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the internal financial controls with reference to the consolidated financial statements of the Holding Company and its subsidiary company as aforesaid, based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls with reference to the consolidated financial statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to the consolidated financial statements were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to the consolidated financial statements and their operating effectiveness. Our audit of internal financial controls with reference to the consolidated financial statements included obtaining an understanding of such internal financial controls, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors in terms of their reports referred to in Other Matter paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system with reference to the consolidated financial statements of the Holding Company and its Subsidiary Company, as aforesaid.

Meaning of Internal Financial Controls with Reference to the Consolidated Financial Statements

A Company's internal financial controls with reference to the consolidated financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of consolidated financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial controls with reference to the consolidated financial statements includes those policies and procedures that:

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company;

- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of consolidated financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the consolidated financial statements.

Inherent Limitations of Internal Financial Controls with Reference to the Consolidated Financial Statements

Because of the inherent limitations of internal financial controls with reference to the consolidated financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to the consolidated financial statements to future periods are subject to the risk that the internal financial controls with reference to the consolidated financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Other Matter

Our aforesaid report under Section 143(3)(i) of the Companies Act, 2013 on the adequacy and operating effectiveness of the internal financial controls with reference to the consolidated financial statements insofar as it relates to 1 subsidiary is based on the corresponding reports of the auditors on the audit of such company. Our opinion is not modified in respect of this matter.

2. BASIS OF PREPARATION

The Consolidation Financial Statements of the Group are prepared in accordance with Indian Accounting Standards (Ind AS) as per the Companies (Indian Accounting Standards) Rules, 2015 and the subsequent amendments from time to time, notified under Section 133 of the Companies Act, 2013 (the “Act”) and other relevant provisions of the Act. The accounting policies have been consistently applied by the Group and are consistent with those used in the previous year.

These Consolidated Financial Statements of the Group as at and for the year ended 31st March, 2022 (including comparatives) were approved and authorised for issue by the Board of Directors of the Company on 07th May, 2022.

2.1 BASIS OF MEASUREMENT

Group’s Consolidation Financial Statements have been prepared on a historical cost convention except certain financial assets and liabilities which are measured at fair value as under

Items	Measurement Basis
Employee Defined Benefit Plans	Plan Assets measured at fair value less present value of defined benefit obligation
Certain Financial Assets and Liabilities (including Derivative Instruments)	Fair Value
Investments in Quoted Shares	Fair Value
Investments in Mutual Funds	Fair Value

2.2 BASIS OF CONSOLIDATION

- (i) The Consolidated Financial Statements incorporate the financial statements of the Parent Company and its subsidiaries. For this purpose, an entity which is, directly or indirectly, controlled by the Parent Company is treated as subsidiary. The Parent Company together with its subsidiaries constitute the Group. Control exists when the Parent Company, directly or indirectly, has power over the investee, is exposed to variable returns from its involvement with the investee and has the ability to use its power to affect its returns.
- (ii) The Consolidated Financial Statements of the Group combines financial statements of the Parent Company and its subsidiaries line-by-line by adding together the like items of assets, liabilities, income and expenses. All intra-group assets, liabilities, income, expenses and unrealised profit/losses on intra-group transactions are eliminated on consolidation. The accounting policies of subsidiaries have been harmonised to ensure the consistency with the policies adopted by the Parent Company. The Consolidated Financial Statements have been presented to extent possible, in a same manner as Parent Company’s Standalone Financial Statements.

Profit or loss and each component of other comprehensive income are attributed to the owners of the Parent Company and to the non-controlling interests and have been shown separately in the financial statements.

- (iii) Non-controlling interest represents that part of the total comprehensive income and net assets of subsidiaries attributable to interests which are not owned, directly or indirectly, by the Parent Company.

2.3 USE OF ESTIMATES

The preparation of consolidation financial statements requires the use of accounting estimates which, by definition, will seldom equal the actual results. Management also needs to exercise judgment in applying the accounting policies. This note provides an overview of the areas that involved a higher degree of judgment or complexity, and of items which are more likely to be adjusted due to estimates and assumptions turning out to be different from those originally assessed. Detailed information about each of these estimates and judgments is included in relevant notes together with information about the basis of calculation for each affected line item in the Consolidation financial statements.

Critical estimates and judgments

The areas involving critical estimates or judgments are:

- a) Estimation of current tax expense and payable – Refer accounting policies - 3.9
- b) Estimated useful life of property, plant & equipment and intangible assets – Refer accounting policies - 3.1
- c) Estimation of defined benefit obligation – Refer accounting policies - 3.8
- d) Estimation of fair values of contingent liabilities - Refer accounting policies - 3.12
- e) Recognition of revenue - Refer accounting policies - 3.4
- f) Recognition of deferred tax assets for carried forward tax losses – Refer accounting policies - 3.9
- g) Impairment of financial assets – Refer accounting policies - 3.2 & 3.5

Estimates and judgments are continually evaluated. They are based on historical experience and other factors, including expectations of future events that may have a financial impact on the group and that are believed to be reasonable under the circumstances.

3. SIGNIFICANT ACCOUNTING POLICIES

3.1 Property, plant and equipment:

Tangible Assets:

Items of property, plant and equipment are measured at cost, which include capitalised borrowing costs, less accumulated depreciation, and accumulated impairment losses, if any, except freehold land which is carried at historical cost.

Cost of an item of property, plant and equipment comprises its purchase price (after deducting trade discounts and rebates), including import duties and non-refundable purchase taxes, any directly attributable cost of bringing the item to its working condition for its intended use and estimated costs of dismantling and removing the item and restoring the site on which it is located.

The cost of a self-constructed item of property, plant and equipment comprises the cost of materials and direct labour, any other costs directly attributable to bringing the item to working condition for its intended use, and estimated costs of dismantling and removing the item and restoring the site on which it is located.

If significant parts of an item of property plant and equipment have different useful lives, then they are accounted for as separate items (major components) of property, plant and equipment.

All other repair and maintenance costs are recognized in the statement of profit and loss as incurred unless they meet the recognition criteria for capitalization under Property, Plant and Equipment.

Any gain or loss on disposal of an item of property, plant and equipment is recognised in profit or loss.

Depreciation/ Amortization:

Depreciation is charged using straight line method on the basis of the expected useful life as specified in Schedule II to the Act. A residual value of 5% (as prescribed in Schedule II to the Act) of the cost of the assets is used for the purpose of calculating the depreciation charge. The management believes that these estimated useful lives are realistic and reflect fair approximation of the period over which the assets are likely to be used. However, management reviews the residual values, useful lives and methods of depreciation of property, plant and equipment at each reporting period end and any revision to these is recognized prospectively in current and future periods.

Intangible assets:

Intangible assets including those acquired by the group are initially measured at cost. Such intangible assets are subsequently measured at cost less accumulated amortisation and any accumulated impairment losses.

Subsequent expenditure is capitalised only when it increases the future economic benefits embodied in the specific asset to which it relates. All other expenditures are recognised in profit or loss as incurred.

Amortization is calculated to write off the cost of intangible assets less their estimated residual values over the estimated useful lives using the straight-line method and is included in Depreciation and Amortisation expense in the Statement of Profit and Loss. The estimated useful lives of computer software are considered not exceeding three years. Amortization method, useful lives and residual values are reviewed at the end of each financial year and adjusted, if appropriate. An item of intangible asset is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of asset.

Capital Work- in- progress:

Projects under commissioning and other Capital work-in-progress are carried at cost comprising of direct and indirect costs, related incidental expenses and attributable interest. Depreciation on Capital work-in-progress commences when assets are ready for their intended use and transferred from Capital work-in-progress Group to Tangible/Intangible Assets Group.

3.2 Impairment of Non-Financial Assets

The Group's non-financial assets are reviewed at each reporting date to determine whether there is any indication of impairment. If any such indication exists, then the asset's recoverable amount is estimated.

An impairment loss is recognised if the carrying amount of an asset exceeds its estimated recoverable amount. Impairment losses are recognised in the Statement of Profit and Loss.

In respect of assets for which impairment loss has been recognised in prior periods, the Group reviews at each reporting date whether there is any indication that the loss has decreased or no longer exists. An impairment loss is reversed if there has been a change in the estimates used to determine the recoverable amount. Such a reversal is made only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined, net of depreciation or amortisation, if no impairment loss had been recognised.

3.3 Foreign Currency Transactions and Translations

Group's Consolidation Financial Statements are presented in Indian Rupees (INR), which is also a functional currency. All the values have been rounded off to the nearest thousand, unless otherwise indicated.

Initial Recognition:

Transactions in foreign currencies are recorded on initial recognition in the functional currency at the exchange rates prevailing on the date of the transaction.

In case of advance receipts/payments in a foreign currency, the spot exchange rate to use on initial recognition of the related asset, expense or income on the derecognition of a non-monetary asset or non-monetary liability relating to advance consideration, shall be the date when an entity has received or paid advance consideration in a foreign currency.

Measurement at the Balance Sheet Date:

Foreign Currency monetary items of the Group, outstanding at the Balance Sheet date are restated at the year-end rates. Non-monetary items which are carried at historical cost denominated in a foreign currency are reported using the exchange rate at the date of the transaction. Non-monetary items measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value is determined.

Treatment of Exchange Differences:

Exchange differences that arise on settlement of monetary items or on reporting at each Balance Sheet date of the Group's monetary items at the closing rate are recognised as income or expenses in the period in which they arise.

3.4 Revenue from Contracts with Customers

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Group and the revenue can be reliably measured, regardless of when the payment is being made. Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes or duties collected on behalf of the government. Goods & Service Tax (GST), Value Added Tax/Service Tax is not received by the Group on its own account. Rather, it is tax collected on value added to the services by the Group on behalf of the government. Accordingly, it is excluded from revenue. The specific recognition criteria described below must also be met before revenue is recognized.

(i) Service income:

Service income is recognised as per the terms of contracts with the customers when the related services are performed or the agreed milestones are achieved and are net of service tax or GST, wherever applicable.

(ii) Interest Income:

For all debt instruments measured either at amortized cost or at fair value through other comprehensive income [OCI], interest income is recorded using the effective interest rate [EIR]. EIR is the rate that exactly discounts the estimated future cash payments or receipts over the expected life of the financial instrument or a shorter period, where appropriate, to the gross carrying amount of the financial asset or to the amortized cost of a financial liability. When calculating the effective interest rate, the Group estimates the expected cash flows by considering all the contractual terms of the financial instrument [for example, prepayment, extension, call and similar options] but does not consider the expected credit losses.

(iii) **Dividend income:**

Dividend income from investments is recognized when the Group's right to receive payment is established which is generally when shareholders approve the dividend.

(iv) Other income is recognised when no significant uncertainty as to its determination or realisation exists.

3.5 Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

A. Financial Assets

a. Initial recognition and measurement:

All financial assets are recognised initially at fair value plus, in case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset, which are not at fair value through profit and loss, are added to fair value on initial recognition. Transaction costs of financial assets carried at fair value through profit or loss are expensed in Statement of Profit and Loss.

b. Subsequent measurement:

For purposes of subsequent measurement, financial assets are classified in Three categories:

i. Financial assets carried at amortised cost:

A financial asset is subsequently measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

ii. Financial assets at fair value through Other Comprehensive Income (FVOCI)

A financial asset is subsequently measured at fair value through other comprehensive income if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

iii. Financial assets at fair value through Profit or Loss (FVTPL)

A financial asset which is not classified in any of the above categories are subsequently fair valued through Statement of Profit and Loss.

c. Derecognition:

A financial asset is derecognised when:

The Group has transferred the right to receive cash flows from the financial assets or

Retains the contractual rights to receive the cash flows of the financial assets, but assumes a contractual obligation to pay the cash flows to one or more recipients.

Where the Group transfers the financial asset, it evaluates the extent to which it retains the risk and rewards of the ownership of the financial assets. If the Group transfers substantially all the risks and rewards of ownership of the financial asset, the Group shall derecognise the financial asset and recognise separately as assets or liabilities any rights and obligations created or retained in the transfer. If the Group retains substantially all the risks and rewards of ownership of the financial asset, the Group shall continue to recognise the financial asset.

Where the Group has neither transferred a financial asset nor retains substantially all risks and rewards of the ownership of the financial asset, the financial asset is derecognised if the Group has not retained control of the financial assets. Where the Group retains control of the financial assets, the asset is continued to be recognised to the extent of continuing involvement in the financial asset.

d. Impairment of financial assets:

The Group assesses on a forward looking basis the Expected Credit Losses (ECL) associated with its assets measured at amortised cost and assets measured at fair value through other comprehensive income. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

B. Financial liabilities:

a. Initial recognition and subsequent measurement:

All financial liabilities are recognised initially at fair value and in case of borrowings and payables, net of directly attributable cost.

Financial liabilities are subsequently carried at amortized cost using the effective interest method. For trade and other payables maturing within one year from the Balance Sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments. Changes in the amortised value of liability are recorded as finance cost.

C. Fair Value of Financial Instruments

In determining the fair value of its financial instruments, the Group uses a variety of methods and assumptions that are based on market conditions and risks existing at each reporting date. The methods used to determine fair value include discounted cash flow analysis, available quoted market prices. All methods of assessing fair value result in general approximation of value, and such value may vary from actual realization on future date.

D. Offsetting of financial instruments:

Financial assets and financial liabilities are offset and the net amount is reported in the Balance Sheet, if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

3.6 Fair Value Measurement

The Group measures financial instruments such as investments in mutual funds, certain other investments etc. at fair value at each Balance Sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability at the measurement date. All assets and liabilities for which fair value is measured or disclosed in the Consolidation financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole.

Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities.

Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable.

Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

For the purpose of fair value disclosures, the Group has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

3.7 Inventories

Inventories of spare parts and oil are valued at the lower of cost or net realizable value. The cost is determined by Moving Average method. The cost of inventories comprises of all costs of purchase, costs of conversion and other costs incurred in bringing the inventories to their present location and condition. The net realizable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and estimated costs necessary to make the sale.

3.8 Employee benefits

Employee benefits include provident fund, pension fund, gratuity and compensated absences.

a. Defined Contribution Plans

The Group's contribution to provident fund and pension fund is considered as defined contribution plan and is charged as an expense as they fall due based on the amount of contribution required to be made and when services are rendered by the employees. The Group has no legal or constructive obligation to pay contribution in addition to its fixed contribution.

b. Defined Benefit Plans

The Group operates a defined benefit Gratuity Plan with approved Gratuity Fund and contributions are made to a separately administered approved Gratuity Fund. For defined benefit plans in the form of gratuity, the cost of providing benefits is determined using 'the Projected Unit Credit method', with actuarial valuations being carried out at each Balance Sheet date. Remeasurements, comprising of actuarial gains and losses, the effect of the asset ceiling, excluding amounts included in net interest on the net defined benefit liability and the return on plan assets (excluding amounts included in net interest on the net defined benefit liability), are recognised immediately in the Balance Sheet with a corresponding debit or credit to retained earnings through other comprehensive income in the period in which they occur. Remeasurements are not reclassified to the Statement of Profit and Loss in subsequent periods. The retirement benefit obligation recognised in the Balance Sheet represents the present value of the defined benefit obligation as adjusted for unrecognised past service cost.

c. Short-term Employee Benefits

The undiscounted amount of short-term employee benefits expected to be paid in exchange for the services rendered by employees are recognised during the year when the employees render the service. These benefits include salaries, wages, performance incentive and compensated absences which are expected to occur within twelve months after the end of the period in which the employee renders the related service. The cost of such compensated absences is accounted as under:

- (a) in case of accumulated compensated absences, when employees render the services that increase their entitlement of future compensated absences; and
- (b) in case of non-accumulating compensated absences, when the absences occur.

d. Long-term Employee Benefits

Compensated absences and other benefits like gratuity which are allowed to be carried forward over a period in excess of 12 months after the end of the period in which the employee renders the related service are recognised as a non-current liability at the present value of the defined benefit obligation as at the Balance Sheet date out of which the obligations are expected to be settled.

3.9 Taxes on Income

Income tax comprises Current and Deferred Tax. It is recognised in the Statement of Profit or Loss except to the extent that it relates to business combination or to an item recognised directly in equity or in other comprehensive income.

(a) Current Tax

Current income tax assets and/or liabilities comprise those obligations to, or claims from, fiscal authorities relating to the current or prior reporting periods, that are unpaid at the reporting date. Current tax is payable on taxable profit, which differs from profit or loss in the financial statements. Calculation of current tax is based on tax rates and tax laws that have been enacted or substantively enacted by the end of the reporting period.

Current tax assets and current tax liabilities are offset only if there is a legally enforceable right to set off the recognised amounts, and it is intended to realise the asset and settle the liability on a net basis or simultaneously.

(b) Deferred Tax

Deferred tax is provided using the liability method on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax assets are recognised for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised. Deferred tax liabilities are generally recognised in full.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply to the period when the asset is realized or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the Balance Sheet date.

Tax relating to items recognised directly in equity/ other comprehensive income is recognised in respective head and not in the Statement of Profit & Loss.

The carrying amount of deferred tax assets is reviewed at each Balance Sheet date and is adjusted to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the asset to be recovered.

Deferred tax assets and deferred tax liabilities are offset only if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

3.10 Borrowing costs

Borrowing costs are interest and other costs incurred in connection with the borrowing of funds. Borrowing costs directly attributable to the acquisition or construction of qualifying asset that necessarily takes a substantial period of time to get ready for its intended use are capitalised as part of the cost of the respective asset until such time the assets are substantially ready for their intended use. All other borrowing costs are recognised as an expense in the period in which they are incurred and reported in finance costs.

3.11 Earnings per equity share

Basic earnings per equity share is calculated by dividing the net profit after tax for the year attributable to equity shareholders of the Group by the weighted average number of equity shares outstanding during the year.

Diluted earnings per equity share is computed by dividing adjusted net profit after tax by the aggregate of weighted average number of equity shares and dilutive potential equity shares during the year.

3.12 Provisions, Contingent Liabilities and Contingent Assets:

Provisions are recognised when the Group has a present obligation (legal or constructive) as a result of a past events and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost. Provisions are reviewed at each Balance Sheet date and adjusted to reflect the current best estimates.

Contingent liability is disclosed in the case of:

- * a present obligation arising from past events, when it is not probable that an outflow of resources will be required to settle the obligation.
- * a present obligation arising from past events, when no reliable estimate is possible.

Contingent assets are neither recognised nor disclosed in the Consolidation Financial Statements.

3.13 Cash and Cash Equivalents

Cash and cash equivalents include cash and cheques in hand, bank balances, demand deposits with banks and other short term highly liquid investments that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value where original maturity is three months or less.

3.14 Leases

The Group's lease asset classes primarily consist of leases for buildings. The Group evaluates if an arrangement qualifies to be a lease as per the requirements of Ind AS 116. Identification of a lease requires significant judgment. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. The determination of whether an arrangement is (or contains) a lease is based on the substance of the arrangement at the inception of the lease. The arrangement is, or contains, a lease if fulfilment of the arrangement is dependent on the use of a specific asset or assets and the arrangement conveys a right to use the asset or assets, even if that right is not explicitly specified in an arrangement.

Group as a lessee

The Group assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Group assesses whether: (i) the contract involves the use of an identified asset (ii) the Group has substantially all of the economic benefits from use of the asset through the period of the lease and (iii) the Group has the right to direct the use of the asset. The Group uses significant judgement in assessing the lease term (including anticipated renewals) and the applicable discount rate. The determination of whether an arrangement is (or contains) a lease is based on the substance of the arrangement at the inception of the lease. The arrangement is, or contains, a lease if fulfilment of the arrangement is dependent on the use of a specific asset or assets and the arrangement conveys a right to use the asset or assets, even if that right is not explicitly specified in an arrangement.

At the date of commencement of the lease, the Group recognizes a right-of-use asset ("ROU") and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short-term leases) and low value leases.

For these short-term and low value leases, the Group recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease. The right-of-use assets are initially recognized at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses. Right-of-use assets are depreciated from the commencement date on a straight-line basis over the lease term and useful life of the underlying asset. The lease liability is initially measured at amortized cost at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the incremental borrowing rates in the country of domicile of these leases. Lease liabilities are remeasured with a corresponding adjustment to the related right of use asset if the Group changes its assessment if whether it will exercise an extension or a termination option.

Group as a lessor

Leases in which the Group does not transfer substantially all the risks and rewards of ownership of an asset are classified as operating leases. Rental income from operating lease is recognised on a straight-line basis over the term of the relevant lease. Initial direct costs incurred in negotiating and arranging an operating lease are added to the carrying amount of the leased asset and recognised over the lease term on the same basis as rental income. Leases are classified as finance leases when substantially all of the risks and rewards of ownership transfer from the Group to the lessee. Amounts due from lessees under finance leases are recorded as receivables at the Group's net investment in the leases. Finance lease income is allocated to accounting periods so as to reflect a constant periodic rate of return on the net investment outstanding in respect of the lease.

3.15 Exceptional items

An item of income or expense which by its size, nature, type or incidence requires disclosure in order to improve an understanding of the performance of the Group is treated as an exceptional item and disclosed as such in the Consolidation financial statements.

3.16 Recent Pronouncements

Ministry of Corporate Affairs ("MCA") notifies new standard or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. On 23rd March, 2022, MCA notified the Companies (Indian Accounting Standards) Amendment Rules, 2022, applicable from 1st April, 2022, as below:

I. Ind AS 103 – Reference to Conceptual Framework

The amendments specify that to qualify for recognition as part of applying the acquisition method, the identifiable assets acquired, and liabilities assumed must meet the definitions of assets and liabilities in the Conceptual Framework for Financial Reporting under Indian Accounting Standards (Conceptual Framework) issued by the Institute of Chartered Accountants of India at the acquisition date. These changes do not significantly change the requirements of Ind AS 103. The Group does not expect the amendment to have any significant impact in its financial statements.

II. Ind AS 16 – Proceeds before intended use

The amendments specify that the excess of net sale proceeds of items produced while the Group is preparing the asset for its intended use over its cost of testing, if any, shall not be recognized in the profit or loss but shall be deducted from the directly attributable costs considered as part of cost of an item of property, plant, and equipment. The Group does not expect the amendments to have any impact in its recognition of its property, plant and equipment in its financial statements.

III. Ind AS 37 – Onerous Contracts - Costs of Fulfilling a Contract

The amendments specify that that the 'cost of fulfilling' a contract comprises the 'costs that relate directly to the contract'. Costs that relate directly to a contract can either be incremental costs of fulfilling that contract (examples would be direct labour, materials) or an allocation of other costs that relate directly to fulfilling contracts. The amendment is essentially a clarification, and the Group does not expect the amendment to have any significant impact in its financial statements.

IV. Ind AS 109 – Annual Improvements to Ind AS (2021)

The amendment clarifies which fees an entity includes when it applies the '10 percent' test of Ind AS 109 in assessing whether to derecognise a financial liability. The Group does not expect the amendment to have any significant impact in its financial statements.

V. Code on Social Security

The Indian Parliament has approved the Code on Social Security, 2020 which would impact the contributions by the Group towards Provident Fund and Gratuity. The Ministry of Labour and Employment had released draft rules for the Code on Social Security, 2020 on 13th November, 2020, and invited suggestions from stakeholders which are under consideration by the Ministry. The Group will assess the impact and its evaluation once the subject rules are notified. The Group will give appropriate impact in its financial statements in the period in which, the Code becomes effective and the related rules to determine the financial impact are published.

On account of Scheme of Arrangement approved by Hon'able NCLT, the Group recognized 'Goodwill' in the books of account. On the said goodwill, the Group was claiming amortisation in the books of account and depreciation in the Tax laws while filling return of income for assessment years up to 2020-21. Now, with the amendment brought in by Finance Bill, 2021 on prospective basis, no depreciation would be allowable on goodwill from 01 April 2020 (assessment year 2021-22 onwards). As per the change, goodwill of a business or profession will not be considered as a depreciable asset and there would not be any depreciation on goodwill of a business or profession in any situation. Accordingly, the Group is required to reverse majority of its deferred tax liability created in earlier years (i.e. demerger effective from 1st April, 2017) and bring its deferred tax provision at par with the requirement of the law.

34 - DISCLOSURES AS REQUIRED BY INDIAN ACCOUNTING STANDARD (IND AS) 19 EMPLOYEE BENEFITS

The Parent Company has classified the various benefits provided to employees as under:-

(a) Defined contribution plans

Provident fund

The Parent Company has recognized the following amounts in the statement of profit and loss:

Employers' contribution to provident fund :- INR 37.82 Lakhs for year ended 31st March 2022 (year ended 31st March 2021 INR 33.05 Lakhs)

(b) Defined benefit plans

Gratuity

In accordance with Indian Accounting Standard 19, actuarial valuation was done in respect of the aforesaid defined benefit plans based on the following assumptions -

Key Assumptions considered :

	Gratuity (Funded)	
	31 st March, 2022	31 st March, 2021
Discount rate(per annum)	6.90%	6.50%
Future salary increase	6.00%	6.00%
Retirement age	58 years	58 years
Withdrawal rates		
- Up to 25 years	15.00%	15.00%
- From 26 to 35 years	12.00%	12.00%
- From 35 to 45 years	9.00%	9.00%
- From 45 to 55 years	6.00%	6.00%
- From 55 to 58 years	3.00%	3.00%

Financial Assumptions

The discount rate and salary increases assumed are the key financial assumptions and should be considered together; it is the difference or 'gap' between these rates which is more important than the individual rates in isolation.

Discount Rate

The rate used to discount other long term employee benefit obligation (both funded and unfunded) shall be determined by reference to market yield at the Balance Date on high quality corporate bonds. In countries where there is no deep market in such bonds the market yields (at the Balance Sheet Date) on government bonds shall be used. The currency and term of the corporate bond or government bond shall be consistent with currency and estimated term of the post employment benefit obligation.

Salary Escalation Rate

This is Management's estimate of the increases in the salaries of the employees over the long term. Estimated future salary increases should take account of inflation, seniority, promotion and other relevant factors such as supply and demand in the employment market.

Notes:

The sensitivity analysis presented above may not be representative of the actual change in the defined benefit obligations as it is unlikely that the change in assumptions would occur in isolation of one another as some of the assumptions may be correlated. Furthermore, in presenting the above sensitivity analysis, the present value of the defined benefit obligations has been calculated using the projected unit credit method at the end of the reporting period, which is the same as that applied in calculating the defined benefit obligation liability recognised in the balance sheet.

37. FINANCIAL INSTRUMENTS - ACCOUNTING CLASSIFICATIONS AND FAIR VALUE MEASUREMENTS

37.1 All financial instruments for which fair value is recognised or disclosed are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is insignificant to the fair value measurements as a whole.

Level 1 : quoted (unadjusted) prices in active markets for identical assets or liabilities.

Level 2 : valuation techniques for which the lowest level inputs that has a significant effect on the fair value measurement are observable, either directly or indirectly.

Level 3 : valuation techniques for which the lowest level input which has a significant effect on fair value measurement is not based on observable market data.

There have been no transfers between Level 2 and Level 3 during the period.

37.2 The management assessed that fair value of short term financial assets and liabilities significantly approximate their carrying amounts largely due to the short term maturities of these instruments. The fair value of the financial assets and liabilities is included at the amounts at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

37.3 The group determines fair values of financial assets or liabilities by discounting the contractual cash inflows / outflows using prevailing interest rates of financial instruments with similar terms. The initial measurement of financial assets and financial liabilities is at fair value.

37.4 The following methods and assumptions were used to estimate the fair values:

- The fair value of The group's interest bearing borrowings are determined using discount rate that reflects The entity's discount rate at the end of the reporting period. The own non-performance risk as at the reporting period is assessed to be insignificant.
- The fair value of unquoted instruments and other financial assets and liabilities is estimated by discounting future cash flows using rates currently applicable for debt on similar terms, credit risk and remaining maturities.

38. FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES

The group's Risk Management framework encompasses practices relating to the identification, analysis, evaluation, treatment, mitigation and monitoring of the strategic, external and operational controls risks to achieving the group's business objectives. It seeks to minimize the adverse impact of these risks, thus enabling the group to leverage market opportunities effectively and enhance its long-term competitive advantage. The focus of risk management is to assess risks and deploy mitigation measures.

The group's activities expose it to variety of financial risks namely market risk, credit risk and liquidity risk. The group has various financial assets such as deposits, other receivables and cash and bank balances directly related to the business operations. The group's principal financial liabilities comprise of trade and other payables. The group's senior management's focus is to foresee the unpredictability and minimize potential adverse effects on the group's financial performance. The group's overall risk management procedures to minimize the potential adverse effects of financial market on the group's performance are outlined hereunder:

The group's Board of Directors have overall responsibility for the establishment and oversight of the group's risk management framework.

The group's risk management is carried out by the management in consultation with the Board of Directors. They provide principles for overall risk management, as well as policies covering specific risk areas.

The note explains the sources of risk which the entity is exposed to and how the entity manages the risk.

(A) Credit risk

Credit risk is the risk of financial loss to the group if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the group's receivables from customers and from its financial activities including deposits with banks and other financial instruments.

(i) Cash and cash equivalents:

The group considers factors such as track record, size of institution, market reputation and service standard to select the banks with which deposits are maintained. The group does not maintain significant deposit balances other than those required for its day to day operations. Credit risk on cash and cash equivalents is limited as these are generally held or invested in deposits with banks and financial institutions with good credit ratings.

(B) Liquidity Risk

Liquidity risk is the risk that the group will face in meeting its obligations associated with its financial liabilities. The group's approach in managing liquidity is to ensure that it will have sufficient funds to meet its liabilities when due without incurring unacceptable losses. In doing this, management considers both normal and stressed conditions.

The group's objective is to maintain optimum levels of liquidity to meet its cash and collateral requirements. The group relies on a mix of borrowings, capital and excess operating cash flows to meet its needs for funds. The current committed lines of credit are sufficient to meet its short to medium term expansion needs. The group monitors rolling forecasts of its liquidity requirements to ensure that it has sufficient cash to meet operational needs.

The table below provides undiscounted cash flows towards non-derivative financial assets/ (liabilities) into relevant maturity based on the remaining period at the Balance Sheet date to the contractual maturity date and where applicable, their effective interest rates.

(C) Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risks : foreign currency risk, interest risk and other price risk such as commodity risk.

(i) Interest rate risk

The group's exposure to the risk of changes in market interest rates relates primarily to debts having floating rate of interest. Its objective in managing its interest rate risk is to ensure that it always maintains sufficient headroom to cover interest payment from anticipated cashflows which are regularly reviewed by the Board.

Particular	Change in Interest rate	Effect on Profit before tax 31 st March, 2022	Effect on Profit before tax 31 st March, 2021
Non-current & Current Borrowings	-0.50%	(15.90)	(20.45)
	0.50%	15.90	20.45

(ii) Foreign currency risk

Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in foreign exchange rates and arises where transactions are done in foreign currencies. It arises mainly where receivables and payables exist due to transactions entered in foreign currencies. The group evaluates exchange rate exposure arising from foreign currency transactions and follows approved policy parameters utilizing forward foreign exchange contracts whenever felt necessary. The group does not enter into financial instrument transactions for trading or speculative purpose.

I. Foreign Currency Exposure

Refer Note 35 for foreign currency exposure as at reporting periods respectively.

II. Foreign Currency Sensitivity

1% increase or decrease in foreign exchange rates will have the following impact on the profit before tax

(₹ In lakhs)

Currency	2021-22		2020-21	
	1% Increase	1% Decrease	1% Increase	1% Decrease
USD	15.38	(15.38)	45.51	(45.51)
Total	15.38	(15.38)	45.51	(45.51)

(iii) Commodity Risk:

The group is exposed to the movement in the price of key raw materials and other traded goods in the domestic and international markets. The group has in place policies to manage exposure to fluctuation in prices of key raw materials used in operations. The group enters into contracts for procurement of raw materials and traded goods, most of the transactions are short term fixed price contracts and a few transactions are long term fixed price contracts. Note on Capital Management is missing

D) Capital Management

“The group manages its capital to be able to continue as a going concern while maximising the returns to shareholders through optimisation of the debt and equity balances. For the purpose of calculating gearing ratio, debt is defined as non current and current borrowings (excluding derivatives). Equity includes all capital and reserves of the group attributable to equity holders of the group. The group is not subject to externally imposed capital requirements. The Board reviews the capital structure and cost of capital on an annual basis but has not set specific targets for gearing ratios. The risks associated with each class of capital are also considered as part of the risk reviews presented to the Board of Directors.”
