Scrip Code 539400.

Dear Sir/ Madam,

Sub: Update on Resumption of Operations of the Company pursuant to Regulation 30 of SEBI (Listing Obligation and Disclosure Requirements) Regulations, 2015

In reference to the above mentioned subject matter we wish to inform that owing to the Nationwide Lockdown imposed by the Central Government to combat the COVID19 pandemic, like all other businesses around the country, the Company had also suspended its manufacturing operations barring small scale production of Face Masks, which fell under the essential commodities category and was therefore permitted by the Government.

In view of the directives issued by the Central/ State Government on the exemptions from the lockdown and by strictly adhering to the Standard Operating Procedures/ Guidelines for Industrial units, prescribed by respective State Governments, the Company has since partially resumed manufacturing operations at all its manufacturing units in the State of West Bengal as well as at its unit in Haridwar, Uttarakhand.

During the month of April 2020, the company could achieve 30% of the projected turnover with government relaxing transportation, port operations and similar other export facilitations. The Company can see further improvement with local governments permitting limited manufacturing operations in all of company's units.

The Company had already adopted Work from Home for all employees at its head office and will continue to prioritise strict social distancing and hygienic practices. The Company is taking all recommended precautions and preventive measures to ensure health and safety of its employees, including restricted movement of manpower, complete sanitisation and social distancing norms. It is closely monitoring the situation and will take necessary steps as may be required from time to time on the basis of directives from the regulatory authorities.

The comprehensive impact of COVID19 on the financials of the company is in the process of being assessed and will be duly disclosed once such process is complete.
