stitution of Science and Engineering; Viswakarma Open University for Self-Employment; and Adhyatmik Vishwavidyalaya Spiritual University), according to the UGC.

Uttar Pradesh has four such universities — Gandhi Hindi Vidyapith; National University of Electro Complex Homeopathy; Netaji Subhash Chandra Bose University (Open university); and Bhartiya Shiksha Parishad.

Andhra Pradesh and West Bengal have two such universities each. These are Christ New Testament Deemed University and Bible Open University of India in Andhra Pradesh, and Indian Institute of Alternative Medicine and Institute of Alternative Medicine and research in West Bengal.

Badagañvi Sarkar World Open University Education Society (Karnataka), St John's University (Kerala), Raja Arabic University (Maharashtra) and Sree Bodhi Academy of Higher Education (Puducherry) are also in the list.

lankurad g GI tag

roducts, including Korut rice grown on Khazan and, Taleigao brinjal and coconut Feni.

Goa is keen on expanding the basket of GI-tagged products so as to enhance the visibility, guarantee and authenticity of the local products in international markets and opening export avenues for them.

The GI certification is expected to boost the food processing industry

Drone survey to assess...

any volumetric estimation of major or minor mineral leases and additional ore dumps, if needed," says the RFP.

August 14 is the last date to submit queries to the DMG, while September 6 is the deadline for submitting the hard copy of the technical bid. As per the inventory of the DMG, the state has around 733 million tonnes of dumps at 313 locations at various places. Besides, there are possibilities of dumps at some locations which are not inventoried. Further, there are stacks of ore both, inventoried and non-inventoried, which are to be auctioned in the future.

The DMG needs to ascertain the quantity of the dump before auctioning so that the bidder is aware

about the actual quantity before placing the bid. For the purpose of auctioning, it is necessary that the geo-locations, photographs are taken to assess and confirm the quantity of the ore available.

The RFP document says that the pilot flying the drone should have a valid remote pilot certificate from an approved Directorate General of Civil Aviation (DGCA) remote pilot training organisation. Further, the bidder should have executed at least two Drone LiDAR surveys during the last five years. The drone used for the survey must have DGCA licensing certificate.

The state government is presently working on a dump policy ahead of auctioning of the iron ore dumps.
