1. The explanatory statement pursuant to Section 102(1) of the Companies Act, 2013, in respect of the special business as set out above is annexed hereto.
2. Pursuant to the General Circular numbers 14/2020, 17/2020, 20/2020 and 02/2022 issued by the Ministry of Corporate Affairs (MCA) dated April 8, 2020, April 13, 2020, May 5, 2020, May 5, 2022 and Clarification Circular dated January 13, 2021 and Circular number SEBI/HO/CFD/CMD1/CIR/P/2020/79 dated May 12, 2020 and SEBI/HO/CFD/CMD2/CIR/P/2021/11 dated January 15, 2021 and Circular number SEBI/HO/CFD/CMD2/CIR/P/2022/62 dated May 13<sup>th</sup>, 2022 issued by the Securities and Exchange Board of India (SEBI) (hereinafter collectively referred to as "the Circulars"), companies are allowed to hold AGM through VC/OAVM, without the physical presence of members at a common venue. Hence, in compliance with the Circulars, the AGM of the Company is being held through VC/OAVM for the calendar year 2022 and the registered office of the Company i.e. 98, Bahadarpur Road, Burhanpur, MP will be the deemed venue of the AGM. In accordance with the said Circulars, hard copies of the AGM Notice and Annual Report are not circulated to the members.
3. Since the AGM is being held in accordance with the Circulars through VC, the facility for appointment of proxies to attend and cast vote on behalf of the members is not available.
4. Participation of members through VC/OAVM will be reckoned for the purpose of quorum for the AGM as per Section 103 of the Companies Act, 2013 ("the Act").
5. Members of the Company under the category of Institutional Investors are encouraged to attend and vote at the AGM through VC/OAVM. Corporate members intending to authorize their representatives to participate and vote at the AGM are requested to send a certified copy of the Board resolution / authorization letter to the Company or upload on the VC portal / e-voting portal.
6. In compliance with applicable provisions of the Companies Act, 2013 read with aforesaid MCA circulars the 14<sup>th</sup> Annual General Meeting of the Company being conducted through Video Conferencing (VC) herein after called as "e-AGM".
7. e-AGM: The Company has appointed M/s KFin Technologies Limited, Registrars and Transfer Agents, to provide Video Conferencing facility for the Annual General Meeting and the attendant enablers for conducting of the e-AGM.
8. The Members can join the e-AGM 15 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice.
9. The Register of Directors and Key Managerial Personnel and their shareholding maintained under Section 170 of the Act, and the Register of Contracts or Arrangements in which the directors are interested, maintained under Section 189 of the Act, will be available electronically for inspection by the members during the AGM. All documents referred to in the Notice will also be available for electronic inspection without any fee by the members from the date of circulation of this Notice up to the date of AGM, i.e. September 29, 2022 and Members seeking to inspect such documents and ask any information pertaining to the above can send an email to [complaints@texmopipe.com](mailto:complaints@texmopipe.com). The same will be replied by the Company suitably.
10. Members whose shareholding is in electronic mode are requested to direct notifications about change of address, mobile number and email IDs to their respective depository participants(s) (DP) and also to quote Folio Number/Client ID/DP ID, in all their correspondence with the Company/DP.
11. Members seeking any information with regard to the accounts are requested to write to the Company at an early date, so as to enable the management to keep the information ready at the

- meeting.
12. The Share Transfer Book and Register of Members of the Company will remain closed from 23<sup>rd</sup> September, 2022 to 29<sup>th</sup> September, 2022 (both days inclusive) for the purpose of Annual General Meeting of the Company.
  13. In compliance with Section 108 of the Act, the corresponding Rules made thereunder and Regulation 44 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("the Listing Regulations") and in terms of SEBI Circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020, the Company has provided a facility to its members to exercise their votes electronically through the electronic voting ("remote e-voting") facility provided by the KFin Technologies Limited (KFin), the Registrar & Share Transfer Agents ("RTA") of the Company.
  14. Members who have cast their votes by remote e-voting prior to the AGM may participate in the AGM but shall not be entitled to cast their votes again. The instructions for remote e-voting by members holding shares in dematerialized mode and for members who have not registered their email address is provided in the e-voting section which forms part of this Notice.
  15. The Board of Directors have appointed CS Dinesh Kumar Gupta, Company Secretary in Practice (FCS - 5396 and CP No. - 4715), as the Scrutinizer to scrutinize the remote e-voting as well as the e-voting at the AGM, in a fair and transparent manner.
  16. Members holding shares as on cut-off date, i.e., Thursday, September 22, 2022, may cast their votes electronically. A member will not be allowed to vote again on any resolution on which his vote has already been cast. The voting rights of members shall be proportionate to their share of the paid-up equity share capital of the Company as on the cut-off date i.e. as on September 22, 2022. A person who is not a member as on the cut-off date is requested to treat this Notice for information purposes only.
  17. The remote e-voting period commences on Monday, September 26, 2022 at 9:00 am (IST) and ends on Wednesday, September 28, 2022 at 5:00 pm (IST). During this period, members holding shares either in physical or dematerialized form, as on cut-off date, i.e. as on Thursday, September 22, 2022, may cast their votes electronically. The remote e-voting module will be disabled by the RTA for voting thereafter. A member will not be allowed to vote again on any resolution on which vote has already been cast through remote e-voting.
  18. Once the vote on a Resolution is cast by the shareholder either through remote e-voting or at the AGM, he/she shall not be allowed to change it subsequently.
  19. In pursuant to Section 108 of the Companies Act, 2013 read with Rule 20 of Companies (Management and Administration) Rules, 2014, Shri Ajay Shrivastava, Company Secretary is authorized and responsible to address the grievances connected with the electronic voting and contact details of him is as under: E-mail: cs@texmopipe.com. Tel: 07325-255122, Address: Texmo Pipes and Products Limited, 98, Bahadarpur Road, Burhanpur - 450 331, MP.
  20. The facility for e-voting at the e-AGM will also be made available. Members present in the e-AGM through VC/OAVM and who have not cast their vote on the resolutions through remote e-voting and are otherwise not barred from doing so, shall be eligible to vote through the e-voting system during the e-AGM.
  21. The results of the remote e-voting and poll in the e-AGM shall be declared within 2 (Two) working days of conclusion of the e-AGM and will be published on the website of the Company and also intimated to the Stock Exchanges.
  22. In compliance with the Circulars, the Annual Report for 2021-22, the Notice of the 14<sup>th</sup> AGM and the instructions for remote e-voting along with other relevant information are being sent only

through electronic mode to those members whose email address is registered with the Company / depository participant(s).

23. We urge members to support our commitment to environmental protection by choosing to receive the Company's communication through email. Members holding shares in demat mode, who have not registered their email addresses are requested to register their email addresses as per the instructions provided by your respective depository participants or RTA.
24. Members may also note that the Notice of the 14<sup>th</sup> AGM and the Annual Report for 2021-22 will also be made available on the Company's website, <https://texmopipe.com>, websites of the Stock Exchanges, i.e. BSE Limited and National Stock Exchange of India Limited, at [www.bseindia.com](http://www.bseindia.com) and [www.nseindia.com](http://www.nseindia.com) respectively, and on the website of RTA, <https://evoting.kfintech.com>.
25. Members who have acquired shares after the dispatch of notice and before the cut-off date may approach the Company/RTA for issuance of User ID and Password for exercising their votes by electronic means.
26. SEBI has mandated the submission of the Permanent Account Number (PAN) by every participant in the securities market. Members holding shares in electronic form are therefore requested to submit their PAN to their depository participant(s). Members holding shares in physical form are required to submit their PAN details to the RTA.

The Board recommends the ordinary resolution as set out in Item No. 3 of this Notice for your approval.

None of the Directors/ Key Managerial Personnel of the Company/ their relatives is, in any way,

concerned or interested, financially or otherwise, in the resolution set out at Item No. 3 of the Notice.

**ITEM NO 4**

In light of Section 188(1) of the companies Act, 2013 and rules made there under and on the recommendation of the Audit committee, the Board of Directors in their meeting held on 26.05.2022 has approved the proposed revision in threshold of the related party transaction with respect to sale, purchase and supply of goods, material and services etc. with "Shree Vasudeo Industries" from Rs. 110 Crores only/- (Rupees One Hundred and Ten Crores only) to Rs. 150 Crores only/- (Rupees One Hundred and Fifty Crores only).

All disclosure prescribed under the provision of the Companies Act, 2013 and the Companies (Meeting of Board and its Powers) Rules 2014, and pursuant to the SEBI Circular no. SEBI/HO/CFD/CMD1/CIR/P/2021/662 dated November 22, 2021 and Regulation 23 of the SEBI (LODR) Regulations 2015 and other applicable provisions, if any, are appended below.

A summary of the information provided by the management of the Company to the audit committee is appended below.

<b>1</b>	<b>Name of the Party</b>	Shree Vasudeo Industries
<b>2</b>	<b>Its relationship with the listed entity or its subsidiary, including nature of its concern or interest (financial or otherwise).</b>	Director's relative is partner.
<b>3</b>	<b>Nature and particulars of the transaction.</b>	Sale, Purchase and supply of goods, material and services etc.
<b>4</b>	<b>Tentative amount of the Proposed transaction.</b>	Rs. 1,50,00,00,000/- (Rupees one hundred and Fifty Crores only).
<b>5</b>	<b>Tenure of the proposed transaction and material terms.</b>	From financial year 2022-23 on annual basis. The said transaction is an ongoing business transaction in ordinary course of business and on arm's length basis at prevailing market price, subject to review and approval by the Audit Committee and the Board of Directors in every financial year.
<b>6</b>	<b>If the transaction relates to any loans, inter -corporate deposits, advances or investments made or given by the listed entity or its subsidiary</b>	Not applicable.

**22. Internal Financial Controls**

The Company believes that internal control is necessary principle of prudent business governance that freedom of management should be exercised within a framework of appropriate checks and balances. The Company remains committed to ensuring an effective internal control environment that inter alia provides assurance on orderly and efficient conduct of operations, security of assets, prevention and detection of frauds/errors, accuracy and completeness of accounting records and the timely preparation of reliable financial information.

The Company's independent and Internal Audit processes, both at the Business and Corporate levels, provide assurance on the adequacy and effectiveness of internal controls, compliance with operating systems, internal policies and regulatory requirements.

The Financial Statements of the Company are prepared on the basis of the Significant

Accounting Policies that are carefully selected by management and approved by the Board. These, in turn are supported by a set of divisional Delegation Manual & Standard Operating Procedures (SOPs) that have been established for individual units/ areas of operations.

The Company uses SAP Systems as a business enabler and also to maintain its Books of Account. The SOPs in tandem with transactional controls built into the SAP Systems ensure appropriate segregation of duties, tiered approval mechanisms and maintenance of supporting records. The systems, SOPs and controls are reviewed by Senior management and audited by Internal Auditor whose findings and recommendations are reviewed by the Audit Committee of Board of Directors and tracked through to implementation.

The Company has in place adequate internal financial controls with reference to the Financial Statements. Such controls have been tested during the year and no reportable material weakness in the design or operation was observed. Nonetheless the Company recognizes that any internal financial control framework, no matter how well designed, has inherent limitations and accordingly, regular audit and review processes ensure that such systems are reinforced on an ongoing basis.

  - h. The Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998 **(Not applicable to the Company during the audit period)**.
  - i. Securities and Exchange Board of India (Depositories and Participants) Regulations, 2018;
- vi. As per information provided by the management, there is no law applicable specifically to the Company vis-à-vis the industry to which the Company belongs.
- I have also examined compliance with the applicable clauses/Regulations of the following:
- a) Secretarial Standards with regard to Meeting of Board of Director (SS-1) and General Meetings (SS-2) issued by The Institute of Company Secretaries of India.
  - b) The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015.
- vii. During the period under review, the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above subject to the following observation:
- a) The company has filed Form MGT-14 for Board Resolutions dated 14.02.2022 after the closure of financial year on 13.06.2022 with additional fees.
  - b) The Company received a Show Cause Notice ref. SEBI/HO/EAD-8/KS/VC/17934/2019 dated 16.07.2021 from the Office of Adjudicating Officer, SEBI pertaining to GDR issue of the Company. The company has filed a reply against the said notice on 08.03.2021.

Accordingly, a hearing before the Ld. Adjudicating Officer has been held on 18.05.2022. The Adjudicating Officer of SEBI passed an ORDER NO. Order/VV/NK/2022-23/17383-17389 on 28.06.2022 imposed penalty under Section 15HA of SEBI Act of Rs. 10.00 Crore on the company and Rs. 87.00 Lacs on Directors/others and under Section 23E of SCRA of Rs. 25.00 Lacs on the company.

However, as per explanation given by the company, it has filed appeal with Hon'ble Securities Appellate Tribunal (SAT) against the said order.

Due to COVID-19 pandemic, Securities and Exchange Board of India has given relaxation by extending time-limit for filing of compliance under various regulations for the financial year 2021-2022.

**I further report that:**

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

Adequate notice is given to all directors to schedule the Board Meetings and the committee meetings, agenda and detailed notes on agenda were sent at least seven days in advance and the consent was taken where required for meetings held on shorter notice, if required and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

Majority decision is carried through while the dissenting members' views are captured and recorded as part of the minutes.

**I further report that** there are adequate systems and processes in the company commensurate with the size and operations of the company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

**ANNEXURE - F****REPORT ON CORPORATE GOVERNANCE****1. COMPANY'S PHILOSOPHY ON CODE OF GOVERNANCE**

Corporate Governance in simple words means the way a corporation is governed. Corporate governance refers to mechanisms, processes and relations by which corporations are controlled and directed. Corporate Governance is a systematic process driven by the ethical conduct of the business and affairs of an organization aimed at promoting sustainable business and enhancing shareholders value in long term. The essence of Corporate Governance lies in promoting and maintaining integrity, transparency and accountability across all business practices. Corporate governance essentially involves balancing the interests of a Company's stakeholders, such as shareholders, management, customers, suppliers, financiers, government and the community. We believe that Corporate Governance is a continuous journey for sustainable value creation for all the stakeholders driven by our values of Integrity, Commitment, Passion, Seamlessness and Speed.

Your Company has complied with the requirements of Corporate Governance as laid down under Regulation 27 and other applicable Regulations of SEBI (Listing Obligations and Disclosure Requirements), Regulations 2015.

**2. COMPOSITION OF BOARD**

At Texmo Pipes and Products Limited (TPPL), it is our belief that an enlightened Board deliberately creates a culture of leadership to provide a long-term vision and policy approach to improve the quality of governance.. As on March 31, 2022, the Board consists of 3 Executive Directors and 3 Non-Executive Independent Directors. The Company has an Executive Chairperson. In compliance of provisions of Section 149 of Companies Act, 2013 read with Companies (Appointment and Qualification of Directors) Rules, 2014 and Regulation 17 of SEBI (LODR) Regulation, 2015, the Company is also having One Woman Director in form of Executive Chairperson as on March 31, 2022 and also One Woman Director as Independent Director.

No Director of the Company is related to any other Director of the Company, except that Mr. Sanjay Kumar Agrawal and Mrs. Rashmi Agrawal are spouse.

The Company is having an appropriate size of the Board for real strategic discussion and avails the benefits of diverse experience and viewpoints.

**3. BOARD INDEPENDENCE**

We at Texmo Pipes and Products Limited adhere to the definition of independence of Directors is derived from section 149 (6) of Companies Act, 2013. All Directors are individuals of integrity and courage, with relevant skills and experience to bring independent judgement on the business of the Company.

**4. MECHANISM FOR EVALUATING BOARD MEMBERS**

One of the key functions of the Board is to monitor and review the Board evaluation framework. The Board works with Nomination and Remuneration Committee to lay down the evaluation criteria for the performance of executive/non-executive/ independent Directors through a peer-evaluation excluding the Director being evaluated through a Board effectiveness survey. The Questionnaire of the survey is a key part of the process of reviewing the functioning and effectiveness of the Board and for identifying possible paths or improvement. Each Board Member is requested to evaluate the effectiveness of the Board dynamics and relationship, information flow, decision-making of the Directors, relationship to stakeholders, Company performance, Company strategy, and the effectiveness of the whole Board and its various committees on a scale of one to five. Feedback on each director is encouraged to be provided as a part of the survey.

Independent directors have three key roles- governance, control and guidance. Some of the

performance indicators based on which the independent directors are evaluated include:-

- Ability to contribute to and monitor our corporate governance practices
- Ability to contribute by introducing international best practices to address top-management issues
- Active participation in long-term strategic planning
- Commitment to the fulfillment of a Director's obligations and fiduciary responsibilities; these include participation in board and committee meetings.

#### **5. DIRECTOR INDUCTION, FAMILIARIZATION AND TRAINING**

## 8. BOARD MEETINGS

### i) Scheduling and Selection of agenda items for Board Meetings.

The Board meets at regular intervals to discuss and decides on Company / business policy and strategy apart from other Board business. The Board / Committee Meetings are pre-scheduled and a tentative annual calendar of the Board and Committee Meetings is circulated to the Directors well in advance to facilitate them to plan their schedule and to ensure meaningful participation in the meetings. However, in case of a special and urgent business need, the Board's approval is taken by passing resolutions by circulation, as permitted by law, which is noted and confirmed in the subsequent Board meeting.

The notice of Board meeting is given well in advance to all the Directors. Usually, meetings of the Board are held at registered office in Burhanpur. The Agenda of the Board / Committee meetings is set by the Company Secretary in consultation with the Chairperson of the Company. The Agenda is circulated a week prior to the date of the meeting. The Agenda for the Board and Committee meetings includes detailed notes on the items to be discussed at the meeting to enable the Directors to take an informed decision.

During the year 2021-22, Six meetings of the Board of Directors were held on 01<sup>st</sup> April 2021, 25<sup>th</sup> June 2021, 13<sup>th</sup> August 2021, 11<sup>th</sup> November, 2021, 08<sup>th</sup> December, 2021 and 14<sup>th</sup> February 2022. The maximum time gap between any two consecutive meetings did not exceed one hundred and twenty days. The necessary quorum was present for all meetings. The draft minutes of each Board / Committee meetings are circulated to all Directors for their comments within 15 days of the meeting. The Company Secretary, after incorporating comments, received if any, from the Directors, records the minutes of each Board / Committee meeting within 30 days from conclusion of the meeting. The important decisions taken at the Board / Committee meetings are communicated to the concerned departments promptly.

None of the Directors on the Board are Members in more than ten Committees or Chairman in more than five Committees across all the companies in which they are Directors. Necessary disclosures regarding Committee positions in other public companies as on 31<sup>st</sup> March, 2022 have been made by the Directors.

**MANAGEMENT DISCUSSION AND ANALYSIS**

**INDIAN ECONOMY**

The Indian economy displayed speedy and steady growth over the last year on the back of various Government initiatives and reforms and challenges faced due to Corona virus (COVID-19) and lockdown. The growth outlook was optimistic prior to the unexpected COVID-19 outbreak. The outbreak of second wave and extension of relief package in various forms has increased the budget deficit. Owing to the massive impact of COVID-19, all the major economies of the world have gone through some form of lockdown or social distancing. But mankind buckled up and pooled the resources together and our frontline warriors fought hard, and various Government vaccination programmes proved to be major success in fight against this unprecedented outbreak. The Central government declared the Gross Domestic Product (GDP) for the financial year 2021-22 stands at 8.7 per cent. India's economic growth in the current year is estimated to be 9.2 per cent, highest among all large economies. For 2022-23, the Reserve Bank of India (RBI) has projected India's GDP growth rate to be 7.2 per cent.

The Government has implemented various measures including free vaccination drive other economic and essential reforms to overcome from the impact of this outbreak and accelerate the growth, These measures were not limited to preventive health care and vaccination doses but also to extend economic impact such as reduction in repo rates etc. During the FY 2021-22, Government Announced stimulus package of Rs. 6.29 lakh crore to boost all sectors and all classes of society and to increase liquidity, support and infrastructure which will also help weaker section to reduce the impact of economic slowdown due to the second wave.

**OUTLOOK**

The Govt. of India has taken various significant monetary and liquidity measures to mitigate the adverse impact of COVID-19 and in order to mitigate and boost the economic activities. The announcement of stimulus package expects to foster long-term employment and opportunities that will strengthen the economy further in coming years. After the successful implementation of vaccination drives, the Indian economy was ready to get back in the race in short period of time. The Company expecting an accelerated growth in business in coming years.

**INDIAN PIPING INDUSTRY OVERVIEW**

The domestic plastic pipes industry size is estimated at Rs. 315 billion; of which the organized players account for 60% of the market share. Although the pandemic caused most sectors to evaluate how they operate, the construction industry landed itself a unique opportunity to innovate and grow. Organized players have topped industry growth as they continue to gain market share from unorganized manufacturers. The integration in the PVC pipe market is expected to accelerate. With limited supply and rising PVC resin costs, the regional and unorganized players are expected to face significant sourcing and working capital challenges in the coming years. The major driver leading to growth is Government infrastructural spending, irrigation sector, replacement of aging pipelines, increasing constructions and industrial production among others. There has been growing adoption in PVC/CPVC pipes owing to its easy installation, corrosion and flame resistant, environmentally sound and durability.

**OPPORTUNITIES AND THE GOVERNMENT IMPETUS**

The unorganized players in the plastic pipes industry were already finding it difficult to gain advantage on the price and market outreach. After the COVID-19 scenario, the companies with high debt and weak cash flow are bound to head towards consolidation resulting in leading of market by organized players with opportunities to acquire regional players at lower valuation.

**THE GOVERNMENT IMPETUS**

**Har Ghar Nal Se Jal:** The Government of India covered 8.7 Cr households under this scheme, out of which 5.5 Cr households were provided tap water in the last two years. Further, the government plans to allocate H 60,000 Cr to provide potable water to another 3.8 Cr households in FY 2022-23 under the Har Ghar Nal Se Jal programme.

It is very appreciating and praiseful to know that your Company's registered and place of operations i.e. Burhanpur in Madhya Pradesh becomes the first "Har Ghar Jal" certified district in the country, reaching from just 37% households of tap water connections in August, 2019 to 100% in less than three years

under the collective effort and spirit of work of Govt. of India, MP Govt. and Jal Jeevan Mission.

**Pradhan Mantri Krishi Sinchai Yojana (PMKSY):** The government aims to enhance rural prosperity by enhancing water availability to all agricultural farms, leading to higher production and productivity.

## INDEPENDENT AUDITORS' REPORT

To  
The Members,  
TEXMO PIPES AND PRODUCTS LIMITED  
Report on the Audit of the Standalone Financial Statements

### Opinion

We have audited the accompanying standalone Financial Statements of **Texmo Pipes And Products Limited** ("the Company"), which comprises the Standalone Balance Sheet as at March 31st, 2022, the Standalone Statement of Profit and Loss (including Other Comprehensive Income), the Standalone Statement of Changes in Equity and the Standalone Statement of Cash Flows for the year then ended, and notes to the standalone financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as the 'standalone financial statements').

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31st, 2022, and its Profit and Other Comprehensive Income, Changes in Equity and its Cash Flows for the year ended on that date.

### Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those SAs are further described in the *Auditors' Responsibilities for the Audit of the Standalone Financial Statements* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the standalone financial statements.

**Key Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Description of Key Audit Matters		
S.No.	Key Audit Matters	How was the matter addressed in our audit
1	Uncertain tax positions - Direct and Indirect Taxes	
	<p>The Company has uncertain tax matters pending litigations under direct tax and various indirect tax laws. The litigation involves significant judgement to determine the possible outcome based on which accounting treatment is given to the disputed amount. Given the magnitude of potential outflow of economic resources and uncertainty of potential outcome, uncertain tax positions are considered to be key audit matters. [Refer Note 38 to the standalone financial statements.]</p>	<p>Our audit procedures included, among others, the following:</p> <ul style="list-style-type: none"> <li>• Obtained details of uncertain tax position and gained understanding thereof;</li> <li>• Obtained details of tax assessments and also demands raised;</li> <li>• Along with our internal tax experts, read and analysed relevant communication with the authorities;</li> <li>• Evaluated advice obtained by the management from legal consultants on possible outcome of the litigation;</li> <li>• Discussed with senior management and evaluated management's assumptions regarding provisions made or reflected as contingent liabilities;</li> <li>• Assessed whether the disclosures for uncertain tax positions are in accordance with the requirements of Ind AS 36 on "Provisions, Contingent Liabilities and Contingent Assets".</li> </ul>

**Information Other than the Standalone Financial Statements and Auditors' Report Thereon**

The Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in the Company's annual report, but does not include the Standalone Financial Statements and our Auditors' Report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

### **Management's and Board of Directors' Responsibility for the Standalone Financial Statements**

The Company's Management and Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these Standalone Financial Statements that give a true and fair view of the state of affairs, profit/ loss and other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Standalone financial statements, the Management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

### **Auditor's Responsibility for the Audit of the Standalone Financial Statements**

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to Standalone financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures in the Standalone financial statements made by the Management and Board of Directors.
- Conclude on the appropriateness of the Management and Board of Directors use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Standalone financial statements, including the disclosures, and whether the Standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

**Report on Other Legal and Regulatory Requirements**

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, we give in the "Annexure-A", a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:
  - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
  - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
  - (c) The Standalone Balance Sheet, the Standalone Statement of Profit and Loss (including Other Comprehensive Income), the Standalone Statement of Changes in Equity and the Standalone Statement of Cash Flows dealt with by this Report are in agreement with the books of account;
  - (d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act;

## ANNEXURE–A TO THE INDEPENDENT AUDITORS' REPORT

Referred to in Paragraph 1, under "*Report on Other Legal and Regulatory Requirements*" section of the Independent Auditors' Report of even date to the members of **Texmo Pipes And Products Limited** on the standalone financial statements as of and for the year ended March 31<sup>st</sup>, 2022, we report that:

- (i)(a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment.
- (B) The Company has maintained proper records showing full particulars of intangible assets.
- (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has a regular programme of physical verification of its Property, Plant and Equipment by which all property, plant and equipment are verified in a phased manner over a period of three years. In accordance with this programme, certain property, plant and equipment were verified during the year. In our opinion, this periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its assets. No material discrepancies were noticed on such verification.
- © According to the information and explanations given to us by the management and on the basis of our examination of the records of the Company, the title deeds of immovable properties (other than properties where the company is the lessee and the lease agreements are duly executed in favor of the lessee) recorded in the books of accounts of the Company are held in the name of the Company. In respect of Immovable Property taken on lease, the lease agreements are in the name of the company.
- (d) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not revalued its Property, Plant and Equipment (including Right of Use assets) or intangible assets or both during the year.
- (e) According to information and explanations given to us and on the basis of our examination of the records of the Company, there are no proceedings initiated or pending against the Company for holding any benami property under the Prohibition of Benami Property Transactions Act, 1988 and rules made thereunder.
- (ii)(a) The inventory has been physically verified by the management during the year. In our opinion, the frequency of such verification is reasonable and the coverage and procedure of such verification by the management is appropriate in relation to the size of the Company and the nature of its business. It has been explained to us that the

discrepancies noticed on physical verification of inventory as compared to books and records were not more than 10% in the aggregate for each class of inventory and the variation has been appropriately dealt with in the books of accounts.

- (b) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has been sanctioned working capital limits in excess of five crore rupees in aggregate from banks and financial institutions on the basis of security of current assets during the year. On the examination of records, it has been observed that the quarterly returns or statements filed by the company with such banks or financial institutions are in Agreement with the books of account of the Company except for the following discrepancies:

[Rs. in Lakhs]

Nature of Statement furnished before the Banks/Financial Institutions	Quarter ending to which the amount relates	Amount as per books of accounts	Amount as per Statements furnished to Bank/F.I.	Difference	Reasons for Differences, as informed by the management

- (iii) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not provided any guarantee or security or granted any advances in the nature of loans, secured or

unsecured, to companies, firms, limited liability partnership or any other parties during the year. The Company has made investments in companies and granted secured and unsecured loans to companies and other parties in earlier years, in respect of which the requisite information is as below. The Company has not made any investments in or granted any loans, secured or unsecured, to firms and limited liability partnership.

- (a) Based on the audit procedures carried on by us and as per the information and explanations given to us, the Company has provided loans to its subsidiary company, as below:

[Rs. in Lakhs]

Particulars	Subsidiary	Joint Venture	Associate	Others
Aggregate amount of loan advanced during the year ended 31 <sup>st</sup> March, 2022	Nil	Nil	Nil	Nil
Balance outstanding as at Balance sheet date i.e. 31 <sup>st</sup> March, 2022	584.97	Nil	Nil	Nil

- (b) According to the information and explanations given to us and based on the audit procedures conducted by us, in our opinion the investments made and the terms and conditions of the grant of secured and unsecured loans are, prima facie, not prejudicial to the interest of the Company.
- (c) According to the information and explanations given to us and based on the audit procedures conducted by us, in our opinion, the loan has been granted without any security and without stipulating any schedule of repayment of principal and interest. As the loan is repayable on Demand along with interest, the question as to regularity of the repayment or interest receipts does not arise. Further, the Company has not given any advance in the nature of loan to any party during the year.
- (d) According to the information and explanations given to us and based on the audit procedures conducted by us, in our opinion, there being no stipulated schedule of repayment and the Company having not demanded the repayment of loan, the loan so granted has not become overdue.
- (e) According to the information and explanations given to us and on the basis of our examination of the records of the Company, there is no loan granted falling due during the year, which has been renewed or extended or fresh loans granted to

settle the overdues of existing loans given to same parties. Further, the Company has not given any advances in the nature of loans to any party.

- (f) The company has granted loan to its wholly owned subsidiary, without any security, which is repayable on demand and which does not specify any terms or period of repayment, details of which are mentioned below:

[Rs. in Lakhs]

Particulars	All Parties	Promoters	Related Parties
(a)Aggregate of total loans/advances in nature of loan	584.97	-	584.97
(b)Out of total loans and advances, repayable on demand / agreement does not specify any terms or period of repayment	584.97	-	584.97
Percentage of loans/advances in nature of loan to the totalloans [b/a*100]	100%	-	100%

- (iv) According to the information and explanations given to us and on the basis of our examination of records of the Company, the Company has not provided any guarantee or security as specified under Sections 185 and 186 of the Act. In respect of the investments made and loans given by the Company, in our opinion the provisions of Sections 185 and 186 of the Act have been complied with.
- (v) According to the information and explanations given to us, the Company has not accepted any deposits or amounts which are deemed to be deposits from the public. Accordingly, clause 3(v) of the Order is not applicable to the Company.
- (vi) We have broadly reviewed the books of accounts maintained by the Company pursuant to the rules prescribed by the Central Government for maintenance of cost records under Section 148(1) of the Act in respect of its manufactured goods and are of the opinion that prima facie, the prescribed accounts and records have been made and maintained. However, we have not carried out a detailed examination of the records with a view to determine whether these are accurate or complete.
- (viii)(a) According to the information and explanations given to us and on the basis of examination of the records of the Company, in our opinion, the Company is generally regular in depositing the undisputed statutory dues including Goods and Services Tax , provident fund, employees' state insurance, income tax, duty of customs, duty of excise, value added tax, cess and any other material statutory dues applicable to it, with the appropriate authorities though there has been a marginal delay in a few cases.

According to the information and explanations given to us, no undisputed amount payable in respect of aforesaid dues were in arrears as on March 31<sup>st</sup>, 2022 for a period more than six months from the date they became payable, *except Excise Duty amounting to Rs. 158.56 Lakhs, which is payable due to reversal of CENVAT Credit on the Lost Goods. It has been informed to us that the outstanding amount of Rs. 158.56 Lakhs will be paid by the company as and when the insurance claim against the goods lost will be received by it.*

- (b) According to the information and explanations given to us, there are no material dues of Goods and Services Tax, provident fund, employees' state insurance, income tax, duty of customs, duty of excise, value added tax, cess and any other material statutory dues applicable to it, which have not been deposited with the appropriate authorities on account of any dispute, *except for the following:*

**ANNEXURE-B TO THE INDEPENDENT AUDITORS' REPORT****Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ('the Act')**

Referred to in Paragraph 2(f), under *Report on Other Legal and Regulatory Requirements* section of the Independent Auditors' Report of even date to the members of **Texmo Pipes and Products Limited** on the standalone financial statements as of and for the year ended March 31<sup>st</sup>, 2022, we report that:

We have audited the internal financial controls over financial reporting of **TEXMO PIPES AND PRODUCTS LIMITED** (the Company") as of 31<sup>st</sup> March, 2022 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

**Management's Responsibility for Internal Financial Controls**

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

**Auditors' Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting with reference to these standalone financial statements.

**Meaning of Internal Financial Controls over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide

reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

#### **Inherent Limitations of Internal Financial Controls Over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

#### **Opinion**

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

**TEXMO PIPES AND PRODUCTS LIMITED**

**NOTES TO THE STANDALONE FINANCIAL STATEMENTS AS AT AND FOR THE YEAR ENDED 31ST MARCH, 2022**

[₹ in lakhs unless specified otherwise]

**NOTE - 1A - CORPORATE INFORMATION**

Texmo Pipes and Products Limited ("the Company") was formed as a Partnership Firm by the name M/s Shree Mohit Industries on 13th May 1999 and was subsequently converted into Public Limited Company under Part IX of the Companies Act, 1956 under the name of Texmo Pipes and Products Limited having Certificate of Incorporation dated 3rd July 2008. Its shares are listed with the National Stock Exchange [NSE] and Bombay Stock Exchange [BSE]. The Registered Office of the Company is situated at 98, Bahadarpur Road, Burhanpur (M.P.) 450331. The Company is principally engaged in manufacturing and trading of PVC, HDPE, SWR, Sprinkler, Drip, CPVC Pipes and Fittings and Water Tanks.

**NOTE - 1B - SIGNIFICANT ACCOUNTING POLICIES**

**1B.1 Basis of Preparation**

The standalone financial statements have been prepared in accordance with Indian Accounting Standards ("Ind AS") as notified by Ministry of Corporate Affairs pursuant to Section 133 of the Companies Act, 2013 ('Act') read with the Companies (Indian Accounting Standards) Rules, 2015 as amended and other relevant provisions of the Act.

Accordingly, the Company has prepared these Financial Statements which comprise the Balance Sheet as at 31st March, 2022, the Statement of Profit and Loss (including Other Comprehensive Income) for the year ended 31st March 2022, the Statement of Changes in Equity and the Statement of Cash Flows for the year ended 31st March 2022, and accounting policies and other explanatory information (together hereinafter referred to as 'the Financial Statements').

The standalone financial statements of the Company for the year ended March 31, 2022 were authorized for issue in accordance with a resolution of the Board of Directors held on 26th May, 2022.

**1B.2 Basis of Measurement**

The standalone financial statements have been prepared on a going concern basis using historical cost convention and on accrual method of accounting, except for the following assets and liabilities which have been measured at fair value:

- Certain financial assets and liabilities (including derivative instruments);
- Defined benefit plans - plan assets; and

**1B.3 Functional and Presentation Currency**

These standalone financial statements are presented in Indian Rupees (INR), which is the Company's functional currency. All amounts have been rounded off to the nearest lakh, unless otherwise indicated.

**1B.4 Summary of Significant Accounting Policies**

**1B.4.1 Property, Plant and Equipment (PPE)**

- (a) Property, Plant and Equipment are stated at cost, net of recoverable taxes, trade discounts and rebates less accumulated depreciation and impairment losses, if any. Such cost includes purchase price, borrowing cost and any other cost directly attributable to bringing the assets to its working condition for its intended use, net charges on foreign exchange contracts and adjustments arising from exchange rate variations attributable to the assets.

Subsequent costs are included in the asset's carrying amount or recognized as a separate

asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the entity and the cost can be measured reliably. In the carrying amount of an item of PPE, the cost of replacing the part of such an item is recognized when that cost is incurred if the recognition criteria are met. The carrying amount of those parts that are replaced is derecognized in accordance with the derecognition principles.

- (c) Expenses incurred in relation to a project, net of income earned during the project development stage prior to its intended use, are considered as Pre - Operative Expenses and are disclosed under 'Capital Work - in - Progress'.
- (d) Depreciation on Property, Plant and Equipment is provided using straight line method, except on Freehold Land, on which no depreciation is provided. Depreciation provided is based on useful life of the assets as prescribed in Schedule II to the Companies Act, 2013. If, significant parts of an item of Property, Plant and Equipment have different useful lives, then they are accounted and depreciated for as separate items (major components) of Property, Plant and Equipment. In respect of the Dies and Moulds, the useful life is estimated at 12 years, which is different from the prescribed life of 8 years under Schedule II to the Companies Act, 2013.
- (e) The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.
- (f) Gains or losses arising from derecognition of a property, plant and equipment are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the Statement of Profit and Loss when the asset is derecognized.
- (g) Spare parts procured along with the Plant & Machinery or subsequently which meet the recognition criteria are capitalized and added in the carrying amount of such item. The carrying amount of those spare parts that are replaced is derecognized when no future economic benefits are expected from their use or upon disposal. Other machinery spares are treated as "stores & spares" forming part of the inventory.

**1B.4.2 The Company as a lessee**

- (a) The Company's lease asset classes consist of leases for land. The Company assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether :
  - (i) the contract involves the use of an identified asset;
  - (ii) the Company substantially has all of the economic benefits from use of the asset through the period of the lease; and
  - (iii) the Company has the right to direct the use of the asset.
- (b) Ind AS 116 requires lessees to determine the lease term as the non-cancellable period of a lease adjusted with any option to extend or terminate the lease, if the use of such option is reasonably certain. The Company makes an assessment on the expected lease term on a lease-by-lease basis and thereby assesses whether it is reasonably certain that any options to extend or terminate the contract will be exercised. In evaluating the lease term, the Company considers factors such as any significant leasehold improvements undertaken over the lease term, costs relating to the termination of the lease and the importance of the underlying asset to Company's operations taking into account the location of the underlying asset and the availability of suitable alternatives. The lease term in future periods is reassessed to ensure that the lease term reflects the current economic circumstances. After

considering current and future economic conditions, the Company has concluded that no changes are required to lease period relating to the existing lease contracts.

- (c) At the date of commencement of the lease, the Company recognizes a Right-of-Use (ROU) asset and a corresponding lease liability for all lease arrangements in which it is a lessee, except for short term leases and low value leases. For these short term and low-value leases, the Company recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease.
- (d) The lease arrangements includes the options to extend or terminate the lease before the end of the lease term. ROU assets and lease liabilities includes these options when it is reasonably certain that they will be exercised.
- (e) The ROU assets are initially recognized at cost, which comprises the initial amount of the lease liability adjusted for any lease payments plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses.
- (f) ROU assets are depreciated from the commencement date on a straight-line basis over the shorter of the lease term and useful life of the underlying asset. ROU assets are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the Cash Generating Unit (CGU) to which the asset belongs.
- (g) The lease liability is initially measured at amortized cost at the present value of the future lease payments made over the lease term. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the incremental borrowing rates in the country of domicile of these leases. Lease liabilities are remeasured with a corresponding adjustment to the related ROU asset if the Company changes its assessment of whether it will exercise an extension or a termination option.
- (h) Lease liability and ROU assets have been separately presented in the Balance Sheet and lease payments have been classified as financing cash flows.

The Company as a lessor

- (a) The Company has not entered into any lease contract during the year in the capacity of "Lessor".

Adoption of Ind AS 116

Ministry of Corporate Affairs (IMCA") through Companies (Indian Accounting Standards) Amendment Rules, 2019 and Companies (Indian Accounting Standards) Second Amendment Rules, has notified Ind AS 116 Leases, which replaces the existing lease standard, Ind AS 17 Leases, and other interpretations. Ind AS 116 sets out the principles for the recognition, measurement, presentation and disclosure of leases for both lessees and lessors. It introduces a single, on-balance sheet lease accounting model for lessees.

Previously, the Company had entered into short term leases and therefore, it was not recognizing ROU assets and corresponding Lease Liabilities. But, during the F.Y. 2021-22, the Company has entered into long term lease arrangements and accordingly, the Company has now recognized ROU Assets and corresponding Lease Liabilities during the F.Y. 2021-22 in accordance with Ind AS 116.

1B.4.3 Capital Work-in-Progress

- (a) Expenditure incurred on assets under construction (including a project) is carried at cost

under 'Capital Work-in-Progress'. Such costs comprises purchase price of asset including import duties and non-refundable taxes and costs that are directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by management and after deducting trade discounts and rebates.

- (b) Cost directly attributable to projects under construction include costs of employee benefits, expenditure in relation to survey and investigation activities of the projects, cost of site preparation, initial delivery and handling charges, installation and assembly costs, professional fees, expenditure on maintenance and up-gradation etc. of common public facilities, depreciation on assets used in construction of project, interest during construction and other costs if attributable to construction of projects. Such costs are accumulated under 'Capital Work-in-Progress' and subsequently allocated on systematic basis over major assets, other than land and infrastructure facilities, on commissioning of projects.
- (c) Capital Expenditure incurred for creation of facilities, over which the Company does not have control but the creation of which is essential principally for construction of the project is capitalized and carried under 'Capital Work-in-Progress' and subsequently allocated on systematic basis over major assets, other than land and infrastructure facilities, on commissioning of projects, keeping in view the "attributability" and the "Unit of Measure" concepts in Ind AS 16- "Property, Plant & Equipment". Expenditure of such nature incurred after completion of the project, is charged to Statement of Profit and Loss.

**1B.4.4 Investment Property**

(a) Recognition and Measurement

The Freehold Land classified as Investment Property is stated at Revalued Cost as on the date of transition to Ind-AS.

(b) Depreciation

No depreciation is provided on Freehold Land, considering its infinite useful life.

(c) Disposal

Gains or losses arising from derecognition of investment property is measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the Statement of Profit and Loss when the asset is derecognised.

**1B.4.5 Intangible assets**

(a) Intangible Assets purchased are stated at cost of acquisition net of recoverable taxes, trade discount and rebates less accumulated amortization /depletion and impairment loss, if any. Such cost includes purchase price, borrowing costs, and any cost directly attributable to bringing the asset to its working condition for the intended use, net charges on foreign exchange contracts and adjustments arising from exchange rate variations attributable to the intangible assets. Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the entity and the cost can be measured reliably.

(b) Amortisation is provided on straight-line basis over estimated useful lives of the intangible assets, which is taken at 5 years for Computer Software. The amortisation period for intangible assets with finite useful lives are reviewed at least at each year end. Changes in useful lives are treated as changes in accounting estimates.

(c) Gains or losses arising from derecognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the Statement of Profit and Loss when the asset is derecognised.

- (d) Revenue expenditure pertaining to research is charged to the Statement of Profit and Loss. Development costs of products are charged to the Statement of Profit and Loss unless a product's technological and commercial feasibility has been established, in which case such expenditure is capitalised.
- (e) The Company has no internally generated Intangible Assets.

**1B.4.6 Impairment of Non-Financial Assets - Property, Plant and Equipment and Intangible Assets**

- (a) The Company assesses at each reporting date as to whether there is any indication that any property, plant and equipment and intangible assets or group of assets, called Cash Generating Units (CGU) may be impaired. If any such indication exists the recoverable amount of an asset or CGU is estimated to determine the extent of impairment, if any. When it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the CGU to which the asset belongs.
- (b) An impairment loss is recognised in the Statement of Profit and Loss to the extent, assets carrying amount exceeds its recoverable amount. The recoverable amount is higher of an asset's fair value less cost of disposal and value in use. Value in use is based on the estimated future cash flows, discounted to their present value using pre-tax discount rate that reflects current market assessments of the time value of money and risk specific to the assets.
- (c) The impairment loss recognised in prior accounting period is reversed if there has been a change in the estimate of recoverable amount.

**1B.4.7 Borrowing Costs**

- (a) Borrowing costs include exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost. Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the asset. A qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use.
- (b) Interest income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation.
- (c) All other borrowing costs are expensed in the period in which they occur.

**1B.4.8 Inventories**

- (a) Items of inventories are measured at lower of cost and net realisable value after providing for obsolescence, if any, except in case of by-products which are valued at net realisable value. Cost of inventories comprises of cost of purchase, cost of conversion and other costs including manufacturing overheads net of recoverable taxes incurred in bringing them to their respective present location and condition.
- (b) Cost of raw materials, work-in-progress, finished goods, stock-in-trade, stores and spares and packing materials are determined at Cost, with moving average price on First in First Out [FIFO] basis.

**1B.4.9 Assets Held For Sale**

The assets are classified as held for sale if their carrying amount is intended to be recovered principally through sale rather than through continuing use. The condition for classification of held for sale is met when the asset is available for immediate sale and the same is highly probable of being completed within one year from the date of classification under held for sale. The Company, is holding a Land at Shukhpuri Village, as 'Assets held for Sale', under the head of Other Current Assets, as the

management now anticipates completion of the sale by March,2023 (Previously, the company was estimating the completion of sale by March, 2022).

**1B.4.10 Provisions, Contingent Liabilities and Contingent Assets**

- (a) Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Such provisions are determined based on management's estimate of the amount required to settle the obligation at the balance sheet date. When the Company expects some or all of a provision to be reimbursed, the reimbursement is recognised as a standalone asset only when the reimbursement is virtually certain.
- (b) If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.
- (c) Contingent liabilities are disclosed on the basis of judgment of the management. These are reviewed at each balance sheet date and are adjusted to reflect the current management's estimate.
- (d) Contingent assets are not recognized but are disclosed in the financial statements when inflow of economic benefits is probable.

**1B.4.11 Income Taxes**

- (a) Income-Tax expense comprises of current and deferred income tax (net of Health and Education Cess only for F.Y. 2020-21) which has been shown under the head 'Other Expenses'. Income tax expense is recognised in net profit in the Statement of Profit and Loss except to the extent that it relates to items recognized directly in equity, in which case it is recognized in other comprehensive income.
- (b) Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities, based on tax rates and laws that are enacted or substantively enacted at the Balance sheet date.
- (c) Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit.
- (d) Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period. The carrying amount of deferred tax liabilities and assets are reviewed at the end of each reporting period.

**1B.4.12 Foreign Currency Transactions and Translations**

- (a) Transactions in foreign currencies are initially recorded at the exchange rate prevailing on the date of transaction. Monetary assets and liabilities denominated in foreign currencies are translated at the functional currency closing rates of exchange at the reporting date.
- (b) Exchange differences arising on settlement or translation of monetary items are recognised in Statement of Profit and Loss except to the extent of exchange differences which are regarded as an adjustment to interest costs on foreign currency borrowings that are directly attributable to the acquisition or construction of qualifying assets, are capitalized as cost of assets.

- (c) Non-monetary items that are measured in terms of historical cost in a foreign currency are recorded using the exchange rates at the date of the transaction. Non-monetary items measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value was measured. The gain or loss arising on translation of non-monetary items measured at fair value is treated in line with the recognition of the gain or loss on the change in fair value of the item (i.e., translation differences on items whose fair value gain or loss is recognised in OCI or Statement of Profit and Loss are also recognised in OCI or Statement of Profit and Loss, respectively).

**1B.4.13 Employee Benefits Expense**

**(a) Short Term Employee Benefits**

The undiscounted amount of short term employee benefits expected to be paid in exchange for the services rendered by employees are recognised as an expense during the period when the employees render the services.

**(b) Post-Employment Benefits**

A defined contribution plan is a post-employment benefit plan under which the Company pays specified contributions to a separate entity. The Company makes specified monthly contributions towards Provident Fund, Superannuation Fund and Pension Scheme. The Company's contribution is recognised as an expense in the Statement of Profit and Loss during the period in which the employee renders the related service. If the contribution payable to the scheme for service received before the balance sheet date exceeds the contribution already paid, the deficit payable to the scheme is recognised as a liability after deducting the contribution already paid. If the contribution already paid exceeds the contribution due for services received before the balance sheet date, then excess is recognised as an asset to that extent.

**(c) Defined Benefits Plans**

- (i) The cost of the defined benefit plan and other post-employment benefits and the present value of such obligation are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases, mortality rates and future pension increases. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.
- (ii) The Company pays gratuity to the employees whoever has completed five years of service with the Company at the time of resignation/superannuation. The gratuity is paid @15 days salary for every completed year of service as per the provisions of the Payment of Gratuity Act, 1972.
- (iii) The gratuity liability amount is contributed to the approved gratuity fund formed exclusively for gratuity payment to the employees. The gratuity fund has been approved by the governing Income-Tax authorities.
- (iv) The liability in respect of gratuity and other post-employment benefits is calculated using the Projected Unit Credit Method and spread over the period during which the benefit is expected to be derived from employees' services.
- (v) Re-measurements of defined benefit plans in respect of post-employment are charged to the Other Comprehensive Income.

**(d) Employee Separation Costs**

Compensation to employees who have opted for retirement under the voluntary retirement scheme of the Company is payable in the year of exercise of option by the employee. The Company recognises the employee separation cost when the scheme is announced and the Company is demonstrably committed to it.

**1B.4.14 Revenue from Operations**

- (a) Revenue from sale of goods is recognised when the significant risks and rewards of ownership have been transferred to the buyer, recovery of the consideration is probable, the associated cost can be estimated reliably, there is no continuing effective control or managerial involvement with the goods, and the amount of revenue can be measured reliably.
- (b) Revenue from rendering of services is recognised when the performance obligation to render the services are completed as per contractually agreed terms. The revenue derived by the company from rendering of Logistics services was being netted off against its 'Freight, Cartage Outward & Other Selling Expenses' till F.Y. 2020-21.
- (c) Revenue from sale of goods & rendering of services is measured at the fair value of the consideration received or receivable after taking into account contractually defined terms of payment and excluding trade discounts, volume rebates and taxes or duties collected on behalf of the Government such as Goods and Services Tax [GST].

**1B.4.15 Other Income**

- (a) **Interest Income**  
For all Debt Instruments measured either at Amortized Cost or at Fair Value through Other Comprehensive Income, interest income is recorded using the Effective Interest Rate [EIR]. EIR is the rate that exactly discounts the estimated future cash payments or receipts over the expected life of the financial instrument or a shorter period, where appropriate, to the gross carrying amount of the financial asset or to the amortized cost of a financial liability.
- (b) **Dividend Income**  
Dividend income is recognised only when the right to receive the same is established, it is probable that the economic benefits associated with the dividend will flow to the Company, and the amount of dividend can be measured reliably.

**1B.4.16 Goods & Services Tax [GST]**

The Goods & Services Tax balances, as appearing in the Balance Sheet of the Company, are subject to the reconciliation at the time of furnishing the annual GST returns of the company, under the Goods and Services Tax Enactments, for the financial year 2021-22.

**1B.4.17 Insurance Claims**

- (a) Insurance claims are accounted for on the basis of claims admitted/ expected to be admitted to the extent that there is no uncertainty in receiving the claims.
- (b) The Company is expecting the settlement of insurance claims lodged by it, within next twelve months and therefore, the Company has classified such Insurance Claims Receivables under the head 'Other Current Assets' in the Balance Sheet.

**1B.4.18 Financial Instruments**

- (a) **Financial Assets**
  - (i) **Initial recognition and measurement**  
All financial assets and liabilities are initially recognized at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities, which are not at fair value through profit or loss, are adjusted to

the fair value on initial recognition. Purchase and sale of financial assets are recognised using trade date accounting.

(ii) Subsequent measurement

Financial assets carried at amortised cost

A financial asset is measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets at fair value through other comprehensive income (FVTOCI)

A financial asset is measured at FVTOCI if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets at fair value through profit or loss (FVTPL)

A financial asset not classified as either amortised cost or FVOCI, is classified as FVTPL.

(iii) Investment in subsidiaries, Associates and Joint Ventures

The Company has elected to measure investment in its wholly owned subsidiary M/s. Tapti Pipes and Products Ltd. FZE, UAE at its Fair Value.

(iv) Other Equity Investments

All other equity investments are measured at fair value, with value changes recognised in Statement of Profit and Loss, except for those equity investments for which the Company has elected to present the value changes in 'Other Comprehensive Income'.

(v) Impairment of financial assets

In accordance with Ind AS 109, the Company uses 'Expected Credit Loss' (ECL) model, for evaluating impairment of financial assets other than those measured at fair value through profit and loss (FVTPL).

Expected credit losses are measured through a loss allowance at an amount equal to:

- The 12-months expected credit losses (expected credit losses that result from those default events on the financial instrument that are possible within 12 months after the reporting date); or
- Full lifetime expected credit losses (expected credit losses that result from all possible default events over the life of the financial instrument)

For trade receivables Company applies 'simplified approach' which requires expected lifetime losses to be recognised from initial recognition of the receivables. The Company uses historical default rates to determine impairment loss on the portfolio of trade receivables. At every reporting date these historical default rates are reviewed and changes in the forward looking estimates are analysed.

For other assets, the Company uses 12 month ECL to provide for impairment loss where there is no significant increase in credit risk. If there is significant increase in credit risk full lifetime ECL is used.

(b) Financial Liabilities

(i) Initial recognition and measurement

All financial liabilities are recognized at fair value and in case of loans, net of directly attributable cost. Fees of recurring nature are directly recognised in the Statement of Profit and Loss as finance cost.

(ii) Subsequent measurement

Financial liabilities are carried at amortized cost using the effective interest method. For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

(iii) Derivative financial instruments and Hedge Accounting

Derivative financial instruments are initially recognised at fair value on the date on which a derivative contract is entered into and are also subsequently measured at fair value. Derivatives are carried as financial assets when the fair value is positive and as financial liabilities when the fair value is negative. Any gains or losses arising from changes in the fair value of derivatives are taken directly to Statement of Profit and Loss, except for the effective portion of cash flow hedges which is recognised in Other Comprehensive Income and later to Statement of Profit and Loss when the hedged item affects profit or loss or treated as basis adjustment if a hedged forecast transaction subsequently results in the recognition of a non-financial assets or non-financial liability.

Hedges that meet the criteria for hedge accounting are accounted for as follows:

Cash flow hedge

The Company designates derivative contracts or non derivative financial assets / liabilities as hedging instruments to mitigate the risk of movement in interest rates and foreign exchange rates for foreign exchange exposure on highly probable future cash flows attributable to a recognised asset or liability or forecast cash transactions. When a derivative is designated as a cash flow hedging instrument, the effective portion of changes in the fair value of the derivative is recognized in the cash flow hedging reserve being part of other comprehensive income. Any ineffective portion of changes in the fair value of the derivative is recognized immediately in the Statement of Profit and Loss. If the hedging relationship no longer meets the criteria for hedge accounting, then hedge accounting is discontinued prospectively. If the hedging instrument expires or is sold, terminated or exercised, the cumulative gain or loss on the hedging instrument recognized in cash flow hedging reserve till the period the hedge was effective remains in cash flow hedging reserve until the underlying transaction occurs. The cumulative gain or loss previously recognized in the cash flow hedging reserve is transferred to the Statement of Profit and Loss upon the occurrence of the underlying transaction. If the forecasted transaction is no longer expected to occur, then the amount accumulated in cash flow hedging reserve is reclassified in the Statement of Profit and Loss.

Fair Value Hedge

The Company designates derivative contracts or non derivative financial assets / liabilities as hedging instruments to mitigate the risk of change in fair value of hedged item due to movement in interest rates, foreign exchange rates and commodity prices.

Changes in the fair value of hedging instruments and hedged items that are designated and qualify as fair value hedges are recorded in the Statement of Profit and Loss. If the hedging relationship no longer meets the criteria for hedge accounting, the adjustment to the carrying amount of a hedged item for which the effective interest method is used is amortised to Statement of Profit and Loss over the period of maturity.

(iv) Derecognition of financial instruments

The Company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for derecognition under Ind AS 109. A financial liability (or a part of a financial liability) is derecognized from the Company's Balance Sheet when the obligation specified in the contract is discharged or cancelled or expires.

**1B.4.19 Operating Cycle**

- (a) The Company presents its assets and liabilities in the balance sheet based on current/non-current classification which is based upon the Company's operating cycle. The Company has identified twelve months as its operating cycle.
- (b) An asset is treated as current when it is:
  - (i) Expected to be realized or intended to be sold or consumed in normal operating cycle;
  - (ii) Held primarily for the purpose of trading;
  - (iii) Expected to be realized within twelve months after the reporting period; or
  - (iv) Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period
- (c) A liability is treated as current when :
  - (i) It is expected to be settled in normal operating cycle;
  - (ii) It is held primarily for the purpose of trading;
  - (iii) It is due to be settled within twelve months after the reporting period, or
  - (iv) There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.
- (d) Deferred tax assets and liabilities are classified as non-current assets and liabilities.

**1B.4.20 Earnings Per Share**

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period are adjusted for events of shares issued during the year including bonus issue.

For the purpose of calculating diluted earnings per share, the net profit or loss for the year attributable to equity shareholders and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

**1B.4.21 Dividend Distribution**

Dividends paid (including Income-Tax thereon) is recognised in the period in which the interim dividends are approved by the Board of Directors, or in respect of the final dividend when approved by the shareholders.

**1B.4.22 Statement of Cash Flows**

(a) Cash and Cash equivalents

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash on hand, other short- term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

(b) The Statement of Cash Flows has been prepared under the 'Indirect Method' as set out in Indian Accounting Standard (Ind AS) 7 on 'Statement of Cash Flows'.

**NOTE - 1C - CRITICAL ACCOUNTING JUDGMENTS AND KEY SOURCES OF ESTIMATION UNCERTAINTY**

The preparation of the standalone financial statements in conformity with the Ind AS requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities and disclosures as at date of the financial statements and the reported amounts of the revenues and expenses for the years presented. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates under different assumptions and conditions. The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimate is revised if the revision affects only that period or in the period of the revision and future periods if the revision affects both current and future periods.

**1C.1 Depreciation / amortisation and useful lives of property plant and equipment / intangible assets**

Property, Plant and Equipment / Intangible assets are depreciated / amortised over their estimated useful lives, after taking into account estimated residual value. Management reviews the estimated useful lives and residual values of the assets annually in order to determine the amount of depreciation / amortisation to be recorded during any reporting period. The useful lives and residual values are based on the Company's historical experience with similar assets and take into account anticipated technological changes. The depreciation / amortisation for future periods is revised if there are significant changes from previous estimates.

**1C.2 Recoverability of Trade Receivable**

Judgments are required in assessing the recoverability of overdue trade receivables and determining whether a provision against those receivables is required. Factors considered include the credit rating of the counterparty, the amount and timing of anticipated future payments and any possible actions that can be taken to mitigate the risk of non-payment.

**1C.3 Provisions**

Provisions and liabilities are recognized in the period when it becomes probable that there will be a future outflow of funds resulting from past operations or events and the amount of cash outflow can be reliably estimated. The timing of recognition and quantification of the liability requires the application of judgment to existing facts and circumstances, which can be subject to change. The carrying amounts of provisions and liabilities are reviewed regularly and revised to take account of changing facts and circumstances.

**1C.4 Impairment of non-financial assets**

The Company assesses at each reporting date whether there is an indication that an asset may be impaired. If any indication exists, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or Cash Generating Units (CGUs) fair value less costs of disposal and its value in use. It is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or a groups of assets. Where the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

In assessing value in use, the estimated future cash flows are discounted to their present value using pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transactions are taken into account, if no such transactions can be identified, an appropriate valuation model is used.

**1C.5 Impairment of financial assets**

The impairment provisions for financial assets are based on assumptions about risk of default and expected cash loss rates. The Company uses judgment in making these assumptions and selecting the inputs to the impairment calculation, based on Company's past history, existing market conditions as well as forward looking estimates at the end of each reporting period.

**1C.6 Estimation of uncertainties relating to the global health pandemic from COVID-19**

The Company has considered the possible effects that may result from the pandemic relating to COVID-19 on the carrying amounts of receivables, unbilled revenues. In developing the assumptions relating to the possible future uncertainties in the global economic conditions because of this pandemic, the Company, as at the date of approval of these standalone financial statements has used internal and external sources of information including credit reports and related information, economic forecasts. The Company has performed sensitivity analysis on the assumptions used and based on current estimates expects the carrying amount of these assets will be recovered.

**NOTE - 1D - New and amended Standards adopted by the Company**

**1D.1** During the financial year ended 31st March, 2022, the Company has adopted IND AS 116 [Refer 1B.4.2 above]

**1D.2 Standards Issued But Not Yet Effective**

The Ministry of Corporate Affairs ('MCA') notifies new standards / amendments under Companies (Indian Accounting Standards) Rules as issued from time to time. On 23rd March, 2022, MCA amended the Companies (Indian Accounting Standards) Amendment Rules, 2022, as below :

- (a) IndAS 16 – Property, plant and equipment – The amendment clarifies that excess of net sale proceeds of items produced over the cost of testing, if any, shall not be recognised in the profit or loss but deducted from the directly attributable costs considered as part of cost of an item of property, plant, and equipment. The effective date for adoption of this amendment is annual periods beginning on or after 1st April, 2022.
- (b) Ind AS 37 - Provisions, contingent liabilities and contingent assets – The amendment specifies that the 'cost of fulfilling' a contract comprises the costs that relate directly to the contract. Costs that relate directly to a contract can either be incremental costs of fulfilling that contract (examples would be direct labour, materials) or an allocation of other costs that relate directly to fulfilling contracts (an example would be the allocation of the depreciation charge for an item of property, plant and equipment used in fulfilling the contract). The effective date for adoption of this amendment is annual periods beginning on or after 1st April, 2022, although early adoption is permitted.
- (c) Ind AS 103 – Business combinations – The amendment adds a new exception in Ind AS 103 for liabilities and contingent liabilities.
- (d) Ind AS 109 – Financial instruments – The amendment clarifies which fees an entity includes when it applies the '10%' test in assessing whether to derecognise a financial liability. An entity includes only fees paid or received between the entity (the borrower) and the lender, including fees paid or received by either the entity or the lender on the other's behalf.

The Company is in the process of evaluating the impact of these amendments.

The Management of the Company does not envisage any financial implication of such litigations against the Company.

**NOTE - 39 - DISCLOSURES AS PER IND AS 116 "LEASES"**
**APPLICATION OF IND AS 116**

Ministry of Corporate Affairs (IMCA) through Companies (Indian Accounting Standards) Amendment Rules, 2019 and Companies (Indian Accounting Standards) Second Amendment Rules, has notified Ind AS 116 Leases, which replaces the existing lease standard, Ind AS 17 Leases, and other interpretations. Ind AS 116 sets out the principles for the recognition, measurement, presentation and disclosure of leases for both lessees and lessors. It introduces a single, on-balance sheet lease accounting model for lessees.

The Company has adopted Ind AS 116, effective annual reporting period beginning 1st April, 2021 and applied the standard to its leases. Accordingly, the Company has measured its lease liability as at 1st April, 2021 at the present value of the remaining lease payments, discounted using the interest rate of 8.95% p.a. implicit in the lease at the date of transition to Ind AS.

The Right-of-Use Asset has been recognised at an amount equal to the lease liability. Accordingly, a Right-of-Use asset of ₹ 1252.17 Lakhs has been recognized. The cumulative effect on transition in retained earnings net off taxes is ₹ Nil.

On application of Ind AS 116, the nature of expenses has changed from lease rent in previous periods to depreciation cost for the Right-of-Use asset, and finance cost for interest accrued on lease liabilities.

The Company does not have an option to purchase such leasehold land at the end of the lease period. There are no restrictions such as those concerning dividends, additional debts and further leasing imposed by the lease agreements.

Ind AS 116 has resulted in an increase in net cash inflows from operating activities and an increase in cash outflows from financing activities on account of lease payments. The principal and interest portion of the lease payments have been disclosed under cash flow from financing activities which for the year ended March 31st, 2022, aggregating to ₹ 123.30 Lakhs (Previous Year ₹ Nil).

For movement in Right-of-Use Asset Refer Note 3 and movement in Lease Liability during the year is as follows :

- The estimates of rate of escalation in salary considered in actuarial valuation, take into account inflations, seniority, promotion and other relevant factors including supply and demand in the employment market. The above information is certified by the actuary.
- The expected contribution for Defined Benefit Plan for the next financial year will be in line with F.Y. 2021-22.
- The company makes provident fund (PF) contributions to defined contribution benefit plans for eligible employees. Under the scheme the company is required to contribute a specified percentage of the payroll costs to fund the benefits. The contributions specified under the law are paid to the government authorities.
- Amount towards Defined Contribution Plan have been recognized under Contribution to Provident and Other funds in Note 32.

**5. Defined Benefit Plan:**

The Company has defined benefit plans for gratuity to eligible employees, contributions for which are made to Life Insurance Corporation of India, who invests the funds as per IRDA guidelines. The details of these defined benefit plans recognized in the financial statements are as under:

**General Description of the Plan**

The Company operates a defined benefit plan (the Gratuity Plan) covering eligible employees, which provides a lump sum payment to vested employees at retirement, death, incapacitation or termination of employment, of an amount based on the respective employees salary and the tenure of employment.

The defined benefit plans typically expose the company to various risk such as :

**(a) Investment risk:**

The present value of the defined benefit plan liability is calculated using a discount rate which is determined by reference to market yields at the end of the reporting period on government bonds. If the return on plan asset is below this rate, it will create plan deficit.

**(b) Interest risk:**

A decrease in the bond interest rate will increase the plan liability; however, this will be partially offset by an increase in the plan assets.

**(c) Longevity risk:**

The present value of the defined benefit plan liability is calculated by reference to the best estimate of the mortality of plan participants both during and after their employment. An increase in the life expectancy of the plan participants will increase the plan's liability.

**(d) Salary risk:**

The present value of the defined benefit plan liability is calculated by reference to the future salaries of plan participants. As such, an increase in the salary of the plan participants will increase the plan's liability.

**(b) Foreign Currency Risk:**

The Company undertakes transactions denominated in foreign currency (mainly US Dollar) which is subject to the risk of exchange rate fluctuations. Financial assets and liabilities denominated in foreign currency, including the Company's net investments in foreign operations (with a functional currency other than Indian Rupee), are also subject to reinstatement risks.

The carrying amount of foreign currency denominated financial assets and liabilities including derivative contracts, are as follows:

Particulars	[₹ in Lakhs]	
	As at 31st March, 2022 USD	As at 31st March, 2021 USD
Financial Assets	12,52,051	12,52,051
Financial Liabilities	-	-
<b>Net Exposure</b>	<b>12,52,051</b>	<b>12,52,051</b>

The company has exercised the option of carrying the Investments in its subsidiaries at its fair value on the date of transition. Consequently, there is decrease in Non Current Investments by ₹ 3,194 lakhs on that date.

Sensitivity analysis of 1% change in exchange rate at the end of reporting period net of hedges

**(c) Foreign Currency Sensitivity**

For every percentage point change in the underlying exchange rate of the outstanding foreign currency denominated assets and liabilities, including derivative contracts, holding all other variables constant, the profit before tax for the year ended 31st March, 2022 would change by 12520.51 USD [Previous Year 12520.51 USD]. However, the management of the Company does not expect its foreign currency denominated financial assets to mature within a period of five years from the end of the year under review.

**(d) Interest Rate Risk**

Interest rate risk is the risk that the future cash flow with respect to interest payments on borrowing will fluctuate because of change in market interest rates. The company's exposure to the risk of changes in market interest rates relates primarily to the Company's long-term debt obligation with floating interest rates.

**(e) Interest Rate Sensitivity**

Interest rate risk is measured by using the cash flow sensitivity for changes in variable interest rates. Any movement in the reference rates could have an impact on the Company's cash flows as well as costs.

The Company is subject to variable interest rates on some of its interest bearing liabilities. The Company's interest rate exposure is mainly related to debt obligations. The Company also uses a mix of interest rate sensitive financial instruments to manage the liquidity and fund requirements for its day to day operations like short term loans.

As at March 31, 2022, financial liability of ₹ 722.60 lakhs was subject to variable interest rates. Increase/decrease of 100 basis points in interest rates at the balance sheet date would result in decrease/increase in profit/(loss) before tax of ₹ 5.30 Lakhs for the year ended March 31, 2022.

The model assumes that interest rate changes are instantaneous parallel shifts in the yield curve. Although some assets and liabilities may have similar maturities or periods to re-pricing, these may not react correspondingly to changes in market interest rates. Also, the interest rates on some types of assets and liabilities may fluctuate with changes in market interest rates, while interest rates on other types of assets may change with a lag.

The risk estimates provided assume a parallel shift of 100 basis points interest rate across all yield curves. This calculation also assumes that the change occurs at the balance sheet date and has been calculated based on risk exposures outstanding as at that date. The period end balances are not necessarily representative of the average debt outstanding during the period.

(Note: The impact is indicated on the profit/(loss) before tax basis).

**(f) Commodity Price Risk**

Commodity price risk arises due to fluctuation in prices of raw material. The company has a risk management framework aimed at prudently managing the risk arising from the volatility in raw material prices and freight costs. The company's commodity risk is managed centrally through well-established trading operations and control processes. In accordance with the risk management policy, the Company carefully calibrates the timing and the quantity of purchase

**(g) Credit Risk**

Credit risk is the risk that a customer or counterparty to a financial instrument fails to perform or pay the amounts due causing financial loss to the company. Credit risk arises mainly from the outstanding receivables from customers. The company has a prudent and conservative process for managing its credit risk arising in the course of its business activities. The credit ratings/market standing of the customers are evaluated on a regular basis.

**(h) Liquidity Risk**

Liquidity risk arises from the Company's inability to meet its cash flow commitments on time. Prudent liquidity risk management implies maintaining sufficient stock of cash and marketable securities. The Company maintains adequate cash and cash equivalents along with the need based credit limits to meet the liquidity needs.

**(i) Hedge Accounting**

The Company has established risk management policies to hedge the volatility arising from exchange rate fluctuations in respect of firm commitments and highly probable forecast transactions, through foreign exchange forward and options contracts. The proportion of forecast transactions that are to be hedged is decided based on the size of the forecast transaction and market conditions. As the counterparty for such transactions are highly rated banks, the risk of their non-performance is considered to be insignificant.

The Company uses derivatives to hedge its exposure to changes in movement in foreign currency. Where such derivatives are not designated under hedge accounting, changes in the fair value of such hedges are recognised in the Statement of Profit and Loss.

The Company may also designate certain hedges, usually for large transactions, as a cash flow hedge under hedge accounting, with the objective of shielding the exposure from variability in cash flows. The currency, amount and tenure of such hedges are generally matched to the underlying transaction(s). Changes in the fair value of the effective portion of cash flow hedges are recognised as cash flow hedging reserve in Other Comprehensive Income. While the probability of such hedges becoming ineffective is very low, the ineffective portion, if any, is immediately recognised in the Statement of Profit and Loss.

The management of the Company does not expect its foreign currency denominated financial assets to mature within a period of five years from the end of the year under review and therefore, it has not entered into any hedging contracts for the same.

## INDEPENDENT AUDITORS. REPORT

To  
The Members,  
TEXMO PIPES AND PRODUCTS LIMITED  
Report on the Audit of the Consolidated Financial Statements

### Opinion

We have audited the accompanying Consolidated Financial Statements of **Texmo Pipes And Products Limited** (.the Parent Company.) and its subsidiary (Parent Company and its subsidiary together referred to as .the Group.), which comprises the Consolidated Balance Sheet as at March 31st, 2022, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Statement of Changes in Equity and the Consolidated Statement of Cash Flows for the year then ended, and notes to the Consolidated financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as the .Consolidated financial statements.).

In our opinion and to the best of our information and according to the explanations given to us, and based on the consideration of report of other auditors on separate financial statements of the subsidiary as was audited by other auditors, the aforesaid Consolidated financial statements give the information required by the Companies Act, 2013 (.the Act.) in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at March 31st, 2022, of its consolidated profit and other comprehensive income, consolidated changes in equity and consolidated cash flows for the year then ended.

### Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those SAs are further described in the *Auditors. Responsibilities for the Audit of the Consolidated Financial Statements* section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Consolidated financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained along with the consideration of report of the other auditors referred to in the *Other Matter* section below, is sufficient and appropriate to provide a basis for our opinion on the consolidated financial statements.

### Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Consolidated financial statements of the current period. These matters were addressed in the context of our audit of the Consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Description of Key Audit Matters		
S.No.	Key Audit Matters	How was the matter addressed in our audit
1	<p><b>Uncertain tax positions - Direct and Indirect Taxes</b></p> <p>The Company has uncertain tax matters pending litigations under direct tax and various indirect tax laws. The litigation involves significant judgement to determine the possible outcome based on which accounting treatment is given to the disputed amount.</p> <p>Given the magnitude of potential outflow of economic resources and uncertainty of potential outcome, uncertain tax positions are considered to be key audit matters.</p> <p>[Refer Note 38 to the Consolidated financial statements.]</p>	<p>Our audit procedures included, among others, the following:</p> <ul style="list-style-type: none"> <li>• Obtained details of uncertain tax position and gained understanding thereof;</li> <li>• Obtained details of tax assessments and also demands raised;</li> <li>• Along with our internal tax experts, read and analysed relevant communication with the authorities;</li> <li>• Evaluated advice obtained by the management from legal consultants on possible outcome of the litigation;</li> <li>• Discussed with senior management and evaluated management's assumptions regarding provisions made or reflected as contingent liabilities;</li> <li>• Assessed whether the disclosures for uncertain tax positions are in accordance with the requirements of Ind AS 37 on "Provisions, Contingent Liabilities and Contingent Assets".</li> </ul>

**Information Other than the Consolidated Financial Statements and Auditors' Report Thereon**

The Parent Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in the Company's annual report, but does not include the Consolidated Financial Statements, Standalone Financial Statements and our Auditors' Report thereon.

Our opinion on the Consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

**Management's and Board of Directors' Responsibility for the Consolidated Financial Statements**

The Parent Company's Management and Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these Consolidated Financial Statements that give a true and fair view of the consolidated state of affairs, consolidated profit/ loss and other comprehensive income, consolidated changes in equity and consolidated cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Consolidated financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Consolidated financial statements, the respective Management and Board of

Directors of the companies included in the Group are responsible for assessing the ability of each company to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the respective Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group are also responsible for overseeing the financial reporting process of each company.

**Auditors' Responsibility for the Audit of the Consolidated Financial Statements**

Our objectives are to obtain reasonable assurance about whether the Consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(l) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to Consolidated financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures in the Consolidated financial statements made by the Management and Board of Directors.
- Conclude on the appropriateness of the Management and Board of Directors use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Consolidated financial statements, including the disclosures, and whether the Consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities and business activities within the Group to express an opinion on the Consolidated Financial Statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities or business activities included in the Consolidated Financial Statements of which we are the independent auditors. For the other entities or business activities included in the Consolidated Financial Statements, which have been

audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

Materiality is the magnitude of misstatements in the Consolidated Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Consolidated Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Consolidated Financial Statements.

We communicate with those charged with governance of the Parent Company of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

#### **Other Matter**

We did not carry out the audit of the financial statements of one subsidiary company, whose financial statements reflect total assets of Rs. 7557.27 Lakhs as at March 31, 2022, total revenues of Rs. Nil, total net loss after tax of Rs. 4.04 Lakhs, total comprehensive income of Rs. Nil and net cash outflows of Rs. 1.09 Lakhs for the year ended March 31, 2022. These financial statements have been audited by the other auditors whose report has been furnished to us by the management, and in our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of the subsidiary, and our report in terms of sub-section (3) of section 143 of the Act, in so far as it relates to the aforesaid subsidiary is based solely on the report of the other auditors.

Our opinion on the consolidated financial statements, and our report on Other Legal and Regulatory requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the report of the other auditors.

#### **Report on Other Legal and Regulatory Requirements**

1. With respect to the matters specified in clause (xxi) of paragraph 3 and paragraph 4 of the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, as per the information and explanation provided to us by the management of the Parent Company, we report that the auditors of the subsidiary company located outside India, included in the consolidated financial statements, has not issued any report under the aforesaid Order, therefore, the clause (xxi) of the aforesaid order is not applicable.
2. As required by Section 143(3) of the Act, based on our audit and on the consideration of the report of other auditors on separate financial statements of subsidiary, referred in the Other Matters paragraph above, we report, to the extent applicable, that:
  - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid

consolidated financial statements;

- (b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid Consolidated Financial Statements have been kept so far as it appears from our examination of those books and the reports of the other auditors.
- (c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Statement of Changes in Equity and the Consolidated Statement of Cash Flows dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements;
- (d) In our opinion, the aforesaid Consolidated financial statements comply with the Accounting Standards specified under Section 133 of the Act.
- (e) On the basis of the written representations received from the directors of the Parent Company as on March 31st, 2022, taken on record by the Board of Directors of the Parent Company and the report of the statutory auditors of its subsidiary company incorporated outside India, none of the directors of the Group Company is disqualified as on March 31st, 2022 from being appointed as a director in terms of Section 164 (2) of the Act;
- (f) With respect to the adequacy of the internal financial controls over financial reporting and the operating effectiveness of such controls, refer to our separate report in "Annexure-A";
- (g) In our opinion, the managerial remuneration for the year ended March 31, 2022 has been paid/provided by the Parent Company to its directors in accordance with the provisions of section 197 read with Schedule V to the Act;
- (h) With respect to the other matters to be included in the Auditors' Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us and based on the consideration of the report of the other auditors on separate financial statements of the subsidiary as noted in the "Other Matter" paragraph:
  - (i) The consolidated financial statements disclose the impact of pending litigations as at 31 March 2022 on the consolidated financial position of the Group - Refer Note - 38 to the Consolidated financial statements.
  - (ii) The Group did not have any material foreseeable losses on long-term contracts during the year ended 31<sup>st</sup> March, 2022.
  - (iii) There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Group.
  - (iv)
    - (a) The Parent Company's management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Parent company to or in any other persons or entities, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Parent company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
    - (b) The Parent Company's management has represented, that, to the best of its knowledge and belief, no funds have been received by the Parent company from any persons or entities, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing

or otherwise, that the company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

(c) Based on such audit procedures that we considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.

(v) The Group has not declared or paid any dividend during the year.

3. With respect to the matter to be included in the Auditor's Report under Section 197(16) of the Act:

In our opinion and according to the information and explanations given to us, the remuneration paid by the Parent Company to its directors during the current year is in accordance with the provisions of Section 197 of the Act. The remuneration paid to any director is not in excess of the limit laid down under Section 197 of the Act. The Ministry of Corporate Affairs has not prescribed other details under Section 197(16) of the Act which are required to be commented upon by us.

**ANNEXURE–A TO THE INDEPENDENT AUDITORS' REPORT**  
**Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

Referred to in Paragraph 1(f), under '*Report on Other Legal and Regulatory Requirements*' section of the Independent Auditors' Report of even date to the members of **Texmo Pipes and Products Limited** on the Consolidated financial statements as of and for the year ended March 31<sup>st</sup>, 2022, we report that:

We have audited the internal financial controls over financial reporting of **TEXMO PIPES AND PRODUCTS LIMITED** ("the Company or the Parent Company") as of 31st March, 2022 in conjunction with our audit of the Consolidated financial statements of the Parent Company for the year ended on that date.

**Management's Responsibility for Internal Financial Controls**

The Parent Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

**Auditors' Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting with reference to these Consolidated financial statements.

**Meaning of Internal Financial Controls over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide

reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

**Inherent Limitations of Internal Financial Controls Over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

**Opinion**

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2022, based on the internal control over financial reporting criteria established by the Parent Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

**TEXMO PIPES AND PRODUCTS LIMITED**

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS AS AT AND FOR THE YEAR ENDED 31ST MARCH, 2022

[₹ in lakhs unless specified otherwise]

**NOTE - 1A - GROUP OVERVIEW**

- 1A.1 Texmo Pipes and Products Limited ("the Parent Company") was formed as a Partnership Firm by the name M/s Shree Mohit Industries on 13th May 1999 and was subsequently converted into Public Limited Company under Part IX of the Companies Act, 1956 under the name of Texmo Pipes and Products Limited having Certificate of Incorporation dated 3rd July 2008. The Parent Company's shares are listed with the National Stock Exchange [NSE] and Bombay Stock Exchange [BSE]. The Registered Office of the Company is situated at 98, Bahadarpur Road, Burhanpur (M.P.) 450331. The Parent Company is principally engaged in manufacturing and trading of PVC, HDPE, SWR, Sprinkler, Drip, CPVC Pipes and Fittings.
- 1A.2 Tapti Pipes & Products Limited FZE is a limited liability establishment, registered in Hamriyah Free Zone as a free zone establishment with status (FZE) under Commercial License No. 7599 incorporated on March 13, 2011, issued by Hamriyah Free Zone Authority, Sharjah, U.A.E. The registered office of the establishment is ELOB Office No. E2-113F-43, P.O. Box 49509, Hamriyah Free Zone, Sharjah, United Arab Emirates. The establishment is engaged in the business of General Trading.
- 1A.3 Tapti Pipes & Products Limited FZE is the Parent Company's wholly owned foreign subsidiary.
- 1A.4 The Parent Company and it's wholly owned foreign subsidiary are collectively referred to as "Group".

**NOTE - 1B - SIGNIFICANT ACCOUNTING POLICIES**

**1B.1 Basis of Preparation**

The Consolidated financial statements have been prepared in accordance with Indian Accounting Standards ("Ind AS") as notified by Ministry of Corporate Affairs pursuant to Section 133 of the Companies Act, 2013 ('Act') read with the Companies (Indian Accounting Standards) Rules, 2015 as amended and other relevant provisions of the Act.

Accordingly, the Parent Company has prepared these Consolidated Financial Statements which comprise the Consolidated Balance Sheet as at 31 March, 2022, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income) for the year ended 31 March 2022, the Consolidated Statement of Changes in Equity and the Consolidated Statement of Cash Flows for the year ended 31 March 2022, and accounting policies and other explanatory information (together hereinafter referred to as 'the Financial Statements').

The Consolidated financial statements of the Group for the year ended March 31, 2022 were authorized for issue in accordance with a resolution of the Board of Directors on May 26th, 2022.

**1B.2 Basis Of Consolidation**

The financial statements of the Parent Company and its subsidiary are combined on a line by line basis by adding together like items of assets, liabilities, equity, incomes, expenses and cash flows, after fully eliminating intra-group balances and intra-group transactions.

Profits or losses resulting from intra-group transactions that are recognised in assets, such as inventory and property, plant & equipment, are eliminated in full.

In case of foreign subsidiaries, revenue items are consolidated at the average rate prevailing during the year. All assets and liabilities are converted at rates prevailing at the end of the year. Any exchange difference arising on consolidation is recognised in the Exchange difference on translation of Financial Statements of Foreign Operations Reserve. [Refer Note 16]

Offset (eliminate) the carrying amount of the parent's investment in each subsidiary and the parent's portion of equity of subsidiary.

The difference between the proceeds from disposal of investment in subsidiary and the carrying

amount of its assets less liabilities as on the date of disposal is recognised in the Consolidated Statement of Profit and Loss being the profit or loss on disposal of investment in subsidiary.

Non Controlling Interest's share of net assets of consolidated subsidiary is identified and presented in the Consolidated Balance Sheet separate from liabilities and the equity of the Parent Company's shareholders.

The Parent Company accounts for its share of post acquisition changes in net assets of associates and joint ventures, after eliminating unrealised profits and losses resulting from transactions between the Parent Company and its associates to the extent of its share, through its Consolidated Statement of Profit and Loss, to the extent such change is attributable to the associate's Statement of Profit and Loss and through its reserves for the balance based on available information.

**1B.3 Basis of Measurement**

The Consolidated financial statements have been prepared on a going concern basis using historical cost convention and on accrual method of accounting, except for the following assets and liabilities which have been measured at fair value:

- Certain financial assets and liabilities (including derivative instruments);
- Defined benefit plans - plan assets; and
- Assets Held for Sale

**1B.4 Functional and Presentation Currency**

These Consolidated financial statements are presented in Indian Rupees (INR), which is the Parent Company's functional currency. All amounts have been rounded off to the nearest lakh, unless otherwise indicated.

**1B.5 Summary of Significant Accounting Policies**

**1B.5.1 Property, Plant and Equipment (PPE)**

- (a) Property, Plant and Equipment are stated at cost, net of recoverable taxes, trade discounts and rebates less accumulated depreciation and impairment losses, if any. Such cost includes purchase price, borrowing cost and any other cost directly attributable to bringing the assets to its working condition for its intended use, net charges on foreign exchange contracts and adjustments arising from exchange rate variations attributable to the assets.
- (b) Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the entity and the cost can be measured reliably. In the carrying amount of an item of PPE, the cost of replacing the part of such an item is recognized when that cost is incurred if the recognition criteria are met. The carrying amount of those parts that are replaced is derecognized in accordance with the derecognition principles.
- (c) Expenses incurred in relation to a project, net of income earned during the project development stage prior to its intended use, are considered as Pre - Operative Expenses and are disclosed under 'Capital Work - in - Progress'.
- (d) Depreciation on Property, Plant and Equipment is provided using straight line method, except on Freehold Land, on which no depreciation is provided. Depreciation provided is based on useful life of the assets as prescribed in Schedule II to the Companies Act, 2013 . If, significant parts of an item of Property, Plant and Equipment have different useful lives, then they are accounted and depreciated for as separate items (major components) of Property, Plant and Equipment. In respect of the Dies and Moulds, the useful life is estimated at 12 years, which is different from the prescribed life of 8 years under Schedule II to the Companies Act, 2013

- (e) The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.
- (f) Gains or losses arising from derecognition of a property, plant and equipment are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the Statement of Profit and Loss when the asset is derecognized.
- (g) Spare parts procured along with the Plant & Machinery or subsequently which meet the recognition criteria are capitalized and added in the carrying amount of such item. The carrying amount of those spare parts that are replaced is derecognized when no future economic benefits are expected from their use or upon disposal. Other machinery spares are treated as "stores & spares" forming part of the inventory.

**1B.5.2 Leases**

The Group as a lessee

- (a) The Group's lease asset classes primarily consist of leases for land. The Group assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Group assesses whether :
  - (i) the contract involves the use of an identified asset;
  - (ii) the Group has substantially all of the economic benefits from use of the asset through the period of the lease; and
  - (iii) the Group has the right to direct the use of the asset.
- (b) IndAS 116 requires lessees to determine the lease term as the non-cancellable period of a lease adjusted with any option to extend or terminate the lease, if the use of such option is reasonably certain. The Group makes an assessment on the expected lease term on a lease-by-lease basis and thereby assesses whether it is reasonably certain that any options to extend or terminate the contract will be exercised. In evaluating the lease term, the Group considers factors such as any significant leasehold improvements undertaken over the lease term, costs relating to the termination of the lease and the importance of the underlying asset to Group operations taking into account the location of the underlying asset and the availability of suitable alternatives. The lease term in future periods is reassessed to ensure that the lease term reflects the current economic circumstances. After considering current and future economic conditions, the Group has concluded that no changes are required to lease period relating to the existing lease contracts.
- (c) At the date of commencement of the lease, the Group recognizes a Right-of-Use (ROU) asset and a corresponding lease liability for all lease arrangements in which it is a lessee, except for short term leases and low value leases. For these short term and low-value leases, the Group recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease.
- (d) The lease arrangements includes the options to extend or terminate the lease before the end of the lease term. ROU assets and lease liabilities includes these options when it is reasonably certain that they will be exercised.
- (e) The ROU assets are initially recognized at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses.
- (f) ROU assets are depreciated from the commencement date on a straight-line basis over

the shorter of the lease term and useful life of the underlying asset. ROU assets are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the Cash Generating Unit (CGU) to which the asset belongs.

- (g) The lease liability is initially measured at amortized cost at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the incremental borrowing rates in the country of domicile of these leases. Lease liabilities are remeasured with a corresponding adjustment to the related ROU asset if the Group changes its assessment of whether it will exercise an extension or a termination option.
- (h) Lease liability and ROU assets have been separately presented in the Consolidated Balance Sheet and lease payments have been classified as financing cash flows.

**The Group as a lessor**

- (a) The Group has not entered into any lease contract during the year in the capacity of "Lessor".

**Adoption of IndAS 116**

Ministry of Corporate Affairs (IMCA") through Companies (Indian Accounting Standards) Amendment Rules, 2019 and Companies (Indian Accounting Standards) Second Amendment Rules, has notified Ind AS 116 Leases, which replaces the existing lease standard, Ind AS 17 Leases, and other interpretations. Ind AS 116 sets out the principles for the recognition, measurement, presentation and disclosure of leases for both lessees and lessors. It introduces a single, on-balance sheet lease accounting model for lessees.

The Group has entered into six lease agreements, in earlier years, all expiring in the financial year 2021-22. Looking to the short-term unexpired period of the lease agreements as on the date of applicability of Ind AS 116 Leases, the group has classified such leases as 'Short Term Leases' and correspondingly, has claimed the exemption benefit under paragraph 5(a) of Ind AS 116 Leases. Accordingly, the group has recognised the lease payments associated with those leases as an operating expense.

**1B.5.3 Capital Work-in-Progress**

- (a) Expenditure incurred on assets under construction (including a project) is carried at cost under 'Capital Work-in-Progress'. Such costs comprises purchase price of asset including import duties and non-refundable taxes and costs that are directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by management and after deducting trade discounts and rebates.
- (b) Cost directly attributable to projects under construction include costs of employee benefits, expenditure in relation to survey and investigation activities of the projects, cost of site preparation, initial delivery and handling charges, installation and assembly costs, professional fees, expenditure on maintenance and up-gradation etc. of common public facilities, depreciation on assets used in construction of project, interest during construction and other costs if attributable to construction of projects. Such costs are accumulated under 'Capital Work-in-Progress' and subsequently allocated on systematic basis over major assets, other than land and infrastructure facilities, on commissioning of projects.
- (c) Capital Expenditure incurred for creation of facilities, over which the Group does not have control but the creation of which is essential principally for construction of the

project is capitalized and carried under 'Capital Work-in-Progress' and subsequently allocated on systematic basis over major assets, other than land and infrastructure facilities, on commissioning of projects, keeping in view the 'attributability' and the 'Unit of Measure' concepts in Ind AS 16- 'Property, Plant & Equipment'. Expenditure of such nature incurred after completion of the project, is charged to Consolidated Statement of Profit and Loss.

**1B.5.4 Intangible assets**

- (a) Intangible Assets purchased are stated at cost of acquisition net of recoverable taxes, trade discount and rebates less accumulated amortization /depletion and impairment loss, if any. Such cost includes purchase price, borrowing costs, and any cost directly attributable to bringing the asset to its working condition for the intended use, net charges on foreign exchange contracts and adjustments arising from exchange rate variations attributable to the intangible assets. Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the entity and the cost can be measured reliably.
- (b) Amortisation is provided on straight-line basis over estimated useful lives of the intangible assets, which is taken at 5 years for Computer Software. The amortisation period for intangible assets with finite useful lives are reviewed at least at each year end. Changes in useful lives are treated as changes in accounting estimates.
- (c) Gains or losses arising from derecognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in the Consolidated Statement of Profit and Loss when the asset is derecognised.
- (d) Revenue expenditure pertaining to research is charged to the Consolidated Statement of Profit and Loss. Development costs of products are charged to the Consolidated Statement of Profit and Loss unless a product's technological and commercial feasibility has been established, in which case such expenditure is capitalised.
- (e) The Group has no internally generated Intangible Assets.

**1B.5.5 Impairment of Non-Financial Assets - Property, Plant and Equipment and Intangible Assets**

- (a) The Group assesses at each reporting date as to whether there is any indication that any property, plant and equipment and intangible assets or group of assets, called Cash Generating Units (CGU) may be impaired. If any such indication exists the recoverable amount of an asset or CGU is estimated to determine the extent of impairment, if any. When it is not possible to estimate the recoverable amount of an individual asset, the Group estimates the recoverable amount of the CGU to which the asset belongs.
- (b) An impairment loss is recognised in the Consolidated Statement of Profit and Loss to the extent, asset's carrying amount exceeds its recoverable amount. The recoverable amount is higher of an asset's fair value less cost of disposal and value in use. Value in use is based on the estimated future cash flows, discounted to their present value using pre-tax discount rate that reflects current market assessments of the time value of money and risk specific to the assets.
- (c) The impairment loss recognised in prior accounting period is reversed if there has been a change in the estimate of recoverable amount.

**1B.5.6 Borrowing Costs**

- (a) Borrowing costs include exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost. Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the asset. A qualifying asset is one that necessarily takes

substantial period of time to get ready for its intended use.

- (b) Interest income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation.
- (c) All other borrowing costs are expensed in the period in which they occur.

**1B.5.7 Inventories**

- (a) Items of inventories are measured at lower of cost and net realisable value after providing for obsolescence, if any, except in case of by-products which are valued at net realisable value. Cost of inventories comprises of cost of purchase, cost of conversion and other costs including manufacturing overheads net of recoverable taxes incurred in bringing them to their respective present location and condition.
- (b) Cost of raw materials, work-in- progress, finished goods, stock-in-trade, stores and spares and packing materials are determined at Cost, with moving average price on First in First Out [FIFO] basis.

**1B.5.8 Assets Held For Sale**

The assets are classified as held for sale if their carrying amount is intended to be recovered principally through sale rather than through continuing use. The condition for classification of held for sale is met when the asset is available for immediate sale and the same is highly probable of being completed within one year from the date of classification under held for sale. The Parent Company, is holding a Land at Shukhpuri Village, as 'Assets held for Sale', under the head of Other Current Assets, as the management now anticipates completion of the sale by March,2023 (Previously, the company was estimating the completion of sale by March, 2022).

**1B.5.9 Provisions, Contingent Liabilities and Contingent Assets**

- (a) Provisions are recognised when the Group has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Such provisions are determined based on management's estimate of the amount required to settle the obligation at the balance sheet date. When the Group expects some or all of a provision to be reimbursed, the reimbursement is recognised as a standalone asset only when the reimbursement is virtually certain.
- (b) If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.
- (c) Contingent liabilities are disclosed on the basis of judgment of the management. These are reviewed at each balance sheet date and are adjusted to reflect the current management's estimate.
- (d) Contingent assets are not recognized but are disclosed in the consolidated financial statements when inflow of economic benefits is probable.

**1B.5.10 Income Taxes**

- (a) Income-Tax expense comprises of current and deferred income tax (net of Health and Education Cess only for F.Y. 2020-21) which has been shown under the head 'Other Expenses'. Income tax expense is recognised in net profit in the Statement of Profit and Loss except to the extent that it relates to items recognized directly in equity, in which case it is recognized in other comprehensive income.
- (b) Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities, based on tax rates and laws that are enacted or

substantively enacted at the Balance sheet date.

- (c) Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the consolidated financial statements and the corresponding tax bases used in the computation of taxable profit.
- (d) Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period. The carrying amount of deferred tax liabilities and assets are reviewed at the end of each reporting period.

**1B.5.11 Foreign Currency Transactions and Translations**

- (a) Transactions in foreign currencies are initially recorded at the exchange rate prevailing on the date of transaction. Monetary assets and liabilities denominated in foreign currencies are translated at the functional currency closing rates of exchange at the reporting date.
- (b) Exchange differences arising on settlement or translation of monetary items are recognised in Consolidated Statement of Profit and Loss except to the extent of exchange differences which are regarded as an adjustment to interest costs on foreign currency borrowings that are directly attributable to the acquisition or construction of qualifying assets, are capitalized as cost of assets.
- (c) Non-monetary items that are measured in terms of historical cost in a foreign currency are recorded using the exchange rates at the date of the transaction. Non-monetary items measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value was measured. The gain or loss arising on translation of non-monetary items measured at fair value is treated in line with the recognition of the gain or loss on the change in fair value of the item (i.e., translation differences on items whose fair value gain or loss is recognised in OCI or Consolidated Statement of Profit and Loss are also recognised in OCI or Consolidated Statement of Profit and Loss, respectively).

**1B.5.12 Employee Benefits Expense**

(a) Short Term Employee Benefits

The undiscounted amount of short term employee benefits expected to be paid in exchange for the services rendered by employees are recognised as an expense during the period when the employees render the services.

(b) Post-Employment Benefits

A defined contribution plan is a post-employment benefit plan under which the Group pays specified contributions to a separate entity. The Group makes specified monthly contributions towards Provident Fund, Superannuation Fund and Pension Scheme. The Group's contribution is recognised as an expense in the Consolidated Statement of Profit and Loss during the period in which the employee renders the related service. If the contribution payable to the scheme for service received before the balance sheet date exceeds the contribution already paid, the deficit payable to the scheme is recognised as a liability after deducting the contribution already paid. If the contribution already paid exceeds the contribution due for services received before the balance sheet date, then excess is recognised as an asset to that extent.

(c) Defined Benefits Plans

- (i) The cost of the defined benefit plan and other post-employment benefits and the present value of such obligation are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases, mortality rates and future pension

increases. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

- (ii) The Parent Company pays gratuity to the employees whoever has completed five years of service with the Company at the time of resignation/superannuation. The gratuity is paid @15 days salary for every completed year of service as per the provisions of the Payment of Gratuity Act, 1972.
  - (iii) The gratuity liability amount is contributed to the approved gratuity fund formed exclusively for gratuity payment to the employees. The gratuity fund has been approved by the governing Income-Tax authorities.
  - (iv) The liability in respect of gratuity and other post-employment benefits is calculated using the Projected Unit Credit Method and spread over the period during which the benefit is expected to be derived from employees' services.
  - (v) Re-measurements of defined benefit plans in respect of post-employment are charged to the Other Comprehensive Income.
- (d) Employee Separation Costs  
 Compensation to employees who have opted for retirement under the voluntary retirement scheme of the Group is payable in the year of exercise of option by the employee. The Company recognises the employee separation cost when the scheme is announced and the Company is demonstrably committed to it.

**1B.5.13 Revenue from Operations**

- (a) Revenue from sale of goods is recognised when the significant risks and rewards of ownership have been transferred to the buyer, recovery of the consideration is probable, the associated cost can be estimated reliably, there is no continuing effective control or managerial involvement with the goods, and the amount of revenue can be measured reliably.
- (b) Revenue from rendering of services is recognised when the performance obligation to render the services are completed as per contractually agreed terms. The revenue derived by the Group from rendering of Logistics services was being netted off against its 'Freight, Cartage Outward & Other Selling Expenses' till F.Y. 2020-21.
- (c) Revenue from sale of goods & rendering of services is measured at the fair value of the consideration received or receivable after taking into account contractually defined terms of payment and excluding trade discounts, volume rebates and taxes or duties collected on behalf of the Government such as Goods and Services Tax [GST].

**1B.5.14 Other Income**

- (a) Interest Income  
 For all Debt Instruments measured either at Amortized Cost or at Fair Value through Other Comprehensive Income, interest income is recorded using the Effective Interest Rate [EIR]. EIR is the rate that exactly discounts the estimated future cash payments or receipts over the expected life of the financial instrument or a shorter period, where appropriate, to the gross carrying amount of the financial asset or to the amortized cost of a financial liability.
- (b) Dividend Income  
 Dividend income is recognised only when the right to receive the same is established, it is probable that the economic benefits associated with the dividend will flow to the Group, and the amount of dividend can be measured reliably.

**1B.5.15 Goods and Services Tax [GST]**

The Goods & Services Tax balances, as appearing in the Balance Sheet of the Group, are subject to the reconciliation at the time of furnishing the annual GST returns of the company, under the Goods and Services Tax Enactments, for the financial year 2021-22.

**1B.5.16 Insurance Claims**

- (a) Insurance claims are accounted for on the basis of claims admitted/ expected to be admitted to the extent that there is no uncertainty in receiving the claims.
- (b) The Parent Company is expecting the settlement of insurance claims lodged by it, within next twelve months and therefore, the Parent Company has classified such Insurance Claims Receivables under the head 'Other Current Assets' in the Consolidated Balance Sheet.

**1B.5.17 Financial Instruments**

(a) Financial Assets

(i) Initial recognition and measurement

All financial assets and liabilities are initially recognized at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities, which are not at fair value through profit or loss, are adjusted to the fair value on initial recognition. Purchase and sale of financial assets are recognised using trade date accounting.

(ii) Subsequent measurement

Financial assets carried at amortised cost

A financial asset is measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets at fair value through other comprehensive income (FVTOCI)

A financial asset is measured at FVTOCI if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets at fair value through profit or loss (FVTPL)

A financial asset not classified as either amortised cost or FVOCI, is classified as FVTPL.

(iii) Other Equity Investments

All other equity investments are measured at fair value, with value changes recognised in Consolidated Statement of Profit and Loss, except for those equity investments for which the Group has elected to present the value changes in 'Other Comprehensive Income'.

(iv) Impairment of financial assets

- In accordance with Ind AS 109, the Group uses 'Expected Credit Loss' (ECL) model, for evaluating impairment of financial assets other than those measured at fair value through profit and loss (FVTPL).
- Expected credit losses are measured through a loss allowance at an amount equal to:
- The 12-months expected credit losses (expected credit losses that result from those default events on the financial instrument that are possible within 12

months after the reporting date); or

- Full lifetime expected credit losses (expected credit losses that result from all possible default events over the life of the financial instrument)
- For trade receivables Group applies 'simplified approach' which requires expected lifetime losses to be recognised from initial recognition of the receivables. The Group uses historical default rates to determine impairment loss on the portfolio of trade receivables. At every reporting date these historical default rates are reviewed and changes in the forward looking estimates are analysed.
- For other assets, the Group uses 12 month ECL to provide for impairment loss where there is no significant increase in credit risk. If there is significant increase in credit risk full lifetime ECL is used.

(b) Financial Liabilities

(i) Initial recognition and measurement

All financial liabilities are recognized at fair value and in case of loans, net of directly attributable cost. Fees of recurring nature are directly recognised in the Consolidated Statement of Profit and Loss as finance cost.

(ii) Subsequent measurement

Financial liabilities are carried at amortized cost using the effective interest method. For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

(iii) Derivative financial instruments and Hedge Accounting

Derivative financial instruments are initially recognised at fair value on the date on which a derivative contract is entered into and are also subsequently measured at fair value. Derivatives are carried as financial assets when the fair value is positive and as financial liabilities when the fair value is negative. Any gains or losses arising from changes in the fair value of derivatives are taken directly to Consolidated Statement of Profit and Loss, except for the effective portion of cash flow hedges which is recognised in Other Comprehensive Income and later to Consolidated Statement of Profit and Loss when the hedged item affects profit or loss or treated as basis adjustment if a hedged forecast transaction subsequently results in the recognition of a non-financial assets or non-financial liability.

Hedges that meet the criteria for hedge accounting are accounted for as follows:

Cash flow hedge

The Group designates derivative contracts or non derivative financial assets / liabilities as hedging instruments to mitigate the risk of movement in interest rates and foreign exchange rates for foreign exchange exposure on highly probable future cash flows attributable to a recognised asset or liability or forecast cash transactions. When a derivative is designated as a cash flow hedging instrument, the effective portion of changes in the fair value of the derivative is recognized in the cash flow hedging reserve being part of other comprehensive income. Any ineffective portion of changes in the fair value of the derivative is recognized immediately in the Consolidated Statement of Profit and Loss. If the hedging relationship no longer meets the criteria for hedge accounting, then hedge accounting is discontinued prospectively. If the hedging instrument expires or is sold, terminated or exercised, the cumulative gain or loss on the hedging instrument recognized in cash flow hedging reserve till the period the hedge was effective remains in cash flow hedging reserve until the

underlying transaction occurs. The cumulative gain or loss previously recognized in the cash flow hedging reserve is transferred to the Consolidated Statement of Profit and Loss upon the occurrence of the underlying transaction. If the forecasted transaction is no longer expected to occur, then the amount accumulated in cash flow hedging reserve is reclassified in the Consolidated Statement of Profit and Loss.

Fair Value Hedge

The Group designates derivative contracts or non derivative financial assets / liabilities as hedging instruments to mitigate the risk of change in fair value of hedged item due to movement in interest rates, foreign exchange rates and commodity prices.

Changes in the fair value of hedging instruments and hedged items that are designated and qualify as fair value hedges are recorded in the Consolidated Statement of Profit and Loss. If the hedging relationship no longer meets the criteria for hedge accounting, the adjustment to the carrying amount of a hedged item for which the effective interest method is used is amortised to Consolidated Statement of Profit and Loss over the period of maturity.

(iv) Derecognition of financial instruments

The Group derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for derecognition under Ind AS 109. A financial liability (or a part of a financial liability) is derecognized from the Group's Consolidated Balance Sheet when the obligation specified in the contract is discharged or cancelled or expires.

**1B.5.18 Operating Cycle**

- (a) The Group presents its assets and liabilities in the consolidated balance sheet based on current/non-current classification which is based upon the Company's operating cycle. The Group has identified twelve months as its operating cycle.
- (b) An asset is treated as current when it is:
  - (i) Expected to be realized or intended to be sold or consumed in normal operating cycle;
  - (ii) Held primarily for the purpose of trading;
  - (iii) Expected to be realized within twelve months after the reporting period; or
  - (iv) Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period
- (c) A liability is treated as current when :
  - (i) It is expected to be settled in normal operating cycle;
  - (ii) It is held primarily for the purpose of trading;
  - (iii) It is due to be settled within twelve months after the reporting period, or
  - (iv) There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period
- (d) Deferred tax assets and liabilities are classified as non-current assets and liabilities.

**1B.5.19 Earnings Per Share**

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period are adjusted for events of shares issued during the year including bonus issue.

For the purpose of calculating diluted earnings per share, the net profit or loss for the year attributable to equity shareholders and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

**1B.5.20 Dividend Distribution**

Dividends paid (including Income-Tax thereon) is recognised in the period in which the interim dividends are approved by the Board of Directors, or in respect of the final dividend when approved by the shareholders

**1B.5.21 Statement of Cash Flows**

**(a) Cash and Cash equivalents**

For the purpose of presentation in the consolidated statement of cash flows, cash and cash equivalents includes cash on hand, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

**(b) The Consolidated Statement of Cash Flows has been prepared under the 'Indirect Method' as set out in Indian Accounting Standard (Ind AS) 7 on 'Statement of Cash Flows'.**

**NOTE - 1C - CRITICAL ACCOUNTING JUDGMENTS AND KEY SOURCES OF ESTIMATION UNCERTAINTY**

The preparation of the Consolidated financial statements in conformity with the Ind AS requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities and disclosures as at date of the financial statements and the reported amounts of the revenues and expenses for the years presented. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates under different assumptions and conditions. The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimate is revised if the revision affects only that period or in the period of the revision and future periods if the revision affects both current and future periods.

**1C.1 Depreciation / amortisation and useful lives of property plant and equipment / intangible assets**

Property, Plant and Equipment / Intangible assets are depreciated / amortised over their estimated useful lives, after taking into account estimated residual value. Management reviews the estimated useful lives and residual values of the assets annually in order to determine the amount of depreciation / amortisation to be recorded during any reporting period. The useful lives and residual values are based on the Group's historical experience with similar assets and take into account anticipated technological changes. The depreciation / amortisation for future periods is revised if there are significant changes from previous estimates.

**1C.2 Recoverability of Trade Receivable**

Judgements are required in assessing the recoverability of overdue trade receivables and determining whether a provision against those receivables is required. Factors considered include the credit rating of the counterparty, the amount and timing of anticipated future payments and any possible actions that can be taken to mitigate the risk of non-payment.

**1C.3 Provisions**

Provisions and liabilities are recognized in the period when it becomes probable that there will be a future outflow of funds resulting from past operations or events and the amount of cash outflow can be reliably estimated. The timing of recognition and quantification of the liability requires the application of judgment to existing facts and circumstances, which can be subject to change. The carrying amounts of provisions and liabilities are reviewed regularly and revised to take account of changing facts and circumstances.

**1C.4 Impairment of non-financial assets**

The Group assesses at each reporting date whether there is an indication that an asset may be impaired. If any indication exists, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or Cash Generating Units (CGUs) fair value less costs of disposal and its value in use. It is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or a groups of assets. Where the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

In assessing value in use, the estimated future cash flows are discounted to their present value using pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transactions are taken into account, if no such transactions can be identified, an appropriate valuation model is used.

**1C.5 Impairment of financial assets**

The impairment provisions for financial assets are based on assumptions about risk of default and expected cash loss rates. The Company uses judgment in making these assumptions and selecting the inputs to the impairment calculation, based on Group's past history, existing market conditions as well as forward looking estimates at the end of each reporting period.

**1C.6 Estimation of uncertainties relating to the global health pandemic from COVID-19**

The Group has considered the possible effects that may result from the pandemic relating to COVID-19 on the carrying amounts of receivables, unbilled revenues. In developing the assumptions relating to the possible future uncertainties in the global economic conditions because of this pandemic, the Company, as at the date of approval of these Consolidated financial statements has used internal and external sources of information including credit reports and related information, economic forecasts. The Group has performed sensitivity analysis on the assumptions used and based on current estimates expects the carrying amount of these assets will be recovered. The impact of COVID-19 on the Group's consolidated financial statements may differ from that estimated as at the date of approval of these consolidated financial statements.

**NOTE - 1D - New and amended Standards adopted by the Group**

**1D.1 During the financial year ended 31st March, 2022, the Group has adopted IND AS 116 [Refer 1B.4.2 above] 1D.2 Standards Issued But Not Yet Effective**

The Ministry of Corporate Affairs ('MCA') notifies new standards / amendments under Companies (Indian Accounting Standards) Rules as issued from time to time. On 23rd March, 2022, MCA amended the Companies (Indian Accounting Standards) Amendment Rules, 2022, as below :

- (a) Ind AS 16 – Property, plant and equipment – The amendment clarifies that excess of net sale proceeds of items produced over the cost of testing, if any, shall not be recognised in the profit or loss but deducted from the directly attributable costs considered as part of cost of an item of property, plant, and equipment. The effective date for adoption of this amendment is annual periods beginning on or after 1st April, 2022.
- (b) Ind AS 37 - Provisions, contingent liabilities and contingent assets – The amendment specifies that the 'cost of fulfilling' a contract comprises the 'costs that relate directly to the contract'. Costs that relate directly to a contract can either be incremental costs of fulfilling that contract (examples would be direct labour, materials) or an allocation of other costs that relate directly to fulfilling contracts (an example would be the allocation of the depreciation charge for an item of property, plant and equipment used in fulfilling the contract). The effective date for adoption of this amendment is annual periods beginning on or after 1st April, 2022, although early adoption is permitted.
- (c) Ind AS 103 – Business combinations – The amendment adds a new exception in Ind AS

103 for liabilities and contingent liabilities.

- (d) Ind AS 109 – Financial instruments – The amendment clarifies which fees an entity includes when it applies the '10%' test in assessing whether to derecognise a financial liability. An entity includes only fees paid or received between the entity (the borrower) and the lender, including fees paid or received by either the entity or the lender on the other's behalf.

The Group is in the process of evaluating the impact of these amendments.

**NOTE - 39 - DISCLOSURES AS PER IND AS 116 "LEASES"**
**APPLICATION OF IND AS 116**

Ministry of Corporate Affairs (IMCA) through Companies (Indian Accounting Standards) Amendment Rules, 2019 and Companies (Indian Accounting Standards) Second Amendment Rules, has notified Ind AS 116 Leases, which replaces the existing lease standard, Ind AS 17 Leases, and other interpretations. Ind AS 116 sets out the principles for the recognition, measurement, presentation and disclosure of leases for both lessees and lessors. It introduces a single, on-balance sheet lease accounting model for lessees.

The Parent Company has adopted Ind AS 116, effective annual reporting period beginning 1st April, 2021 and applied the standard to its leases. Accordingly, the Company has measured its lease liability as at 1st April, 2021 at the present value of the remaining lease payments, discounted using the interest rate of 8.95% p.a. implicit in the lease at the date of transition to Ind AS.

The Right-of-Use Asset has been recognised at an amount equal to the lease liability. Accordingly, a Right-of-Use asset of ₹ 1252.17 Lakhs has been recognized. The cumulative effect on transition in retained earnings net off taxes is ₹ Nil.

On application of Ind AS 116, the nature of expenses has changed from lease rent in previous periods to depreciation cost for the Right-of-Use asset, and finance cost for interest accrued on lease liabilities.

The Parent Company does not have an option to purchase such leasehold land at the end of the lease period. There are no restrictions such as those concerning dividends, additional debts and further leasing imposed by the lease agreements.

Ind AS 116 has resulted in an increase in net cash inflows from operating activities and an increase in cash outflows from financing activities on account of lease payments. The principal and interest portion of the lease payments have been disclosed under cash flow from financing activities which for the year ended March 31st, 2022, aggregating to ₹ 123.30 Lakhs (Previous Year ₹ Nil).

For movement in Right-of-Use Asset Refer Note 3 and movement in Lease Liability during the year is as follows

**Notes:**

- The estimates of rate of escalation in salary considered in actuarial valuation, take into account inflations, seniority, promotion and other relevant factors including supply and demand in the employment market. The above information is certified by the actuary.
- The expected contribution for Defined Benefit Plan for the next financial year will be in line with F.Y. 2021-22.
- The parent company makes provident fund (PF) contributions to defined contribution benefit plans for eligible employees. Under the scheme the parent company is required to contribute a specified percentage of the payroll costs to fund the benefits. The contributions specified under the law are paid to the government authorities.
- Amount towards Defined Contribution Plan have been recognized under Contribution to Provident and Other funds in Note 32.
- Defined Benefit Plan:**  
The Parent Company has defined benefit plans for gratuity to eligible employees, contributions for which are made to Life Insurance Corporation of India, who invests the funds as per IRDA guidelines. The details of these defined benefit plans recognized in the financial statements are as under:

**General Description of the Plan**

The Parent Company operates a defined benefit plan (the Gratuity Plan) covering eligible employees, which provides a lump sum payment to vested employees at retirement, death, incapacitation or termination of employment, of an amount based on the respective employees salary and the tenure of employment.

The defined benefit plans typically expose the company to various risk such as :

- (a) **Investment risk:**  
The present value of the defined benefit plan liability is calculated using a discount rate which is determined by reference to market yields at the end of the reporting period on government bonds. If the return on plan asset is below this rate, it will create plan deficit.
- (b) **Interest risk:**  
A decrease in the bond interest rate will increase the plan liability; however, this will be partially offset by an increase in the plan assets.
- (c) **Longevity risk:**  
The present value of the defined benefit plan liability is calculated by reference to the best estimate of the mortality of plan participants both during and after their employment. An increase in the life expectancy of the plan participants will increase the plan's liability.
- (d) **Salary risk:**  
The present value of the defined benefit plan liability is calculated by reference to the future salaries of plan participants. As such, an increase in the salary of the plan participants will increase the plan's liability.

(iv) Other Financial Liabilities	0.38	0.38	0.67	0.67

(a) Interest Rate Risk

Interest rate risk is the risk that the future cash flow with respect to interest payments on borrowing will fluctuate because of change in market interest rates. The company's exposure to the risk of changes in market interest rates relates primarily to the Company's long-term debt obligation with floating interest rates.

(b) Interest Rate Sensitivity

Interest rate risk is measured by using the cash flow sensitivity for changes in variable interest rates. Any movement in the reference rates could have an impact on the Company's cash flows as well as costs.

The Group is subject to variable interest rates on some of its interest bearing liabilities. The Group interest rate exposure is mainly related to debt obligations. The Group also uses a mix of interest rate sensitive financial instruments to manage the liquidity and fund requirements for its day to day operations like short term loans.

As at March 31, 2022, financial liability of Rs. 722.60 lakhs was subject to variable interest rates. Increase/decrease of 100 basis points in interest rates at the balance sheet date would result in decrease/increase in profit/(loss) before tax of Rs. 5.30 Lakhs for the year ended March 31, 2022.

The model assumes that interest rate changes are instantaneous parallel shifts in the yield curve. Although some assets and liabilities may have similar maturities or periods to re-pricing, these may not react correspondingly to changes in market interest rates. Also, the interest rates on some types of assets and liabilities may fluctuate with changes in market interest rates, while interest rates on other types of assets may change with a lag.

The risk estimates provided assume a parallel shift of 100 basis points interest rate across all yield curves. This calculation also assumes that the change occurs at the balance sheet date and has been calculated based on risk exposures outstanding as at that date. The period end balances are not necessarily representative of the average debt outstanding during the period.

(Note: The impact is indicated on the profit/(loss) before tax basis).

(c) Commodity Price Risk

Commodity price risk arises due to fluctuation in prices of raw material. The Group has a risk management frame work aimed at prudently managing the risk arising from the volatility in raw material prices and freight costs. The Group commodity risk is managed centrally through well-established trading operations and control processes. In accordance with the risk management policy, the Company carefully calibrates the timing and the quantity of purchase

(d) Credit Risk

Credit risk is the risk that a customer or counterparty to a financial instrument fails to perform or pay the amounts due causing financial loss to the group. Credit risk arises mainly from the outstanding receivables from customers. The group has a prudent and conservative process for managing its credit risk arising in the course of its business activities. The credit ratings/market standing of the customers are evaluated on a regular basis.

(e) Liquidity Risk

Liquidity risk arises from the Group's inability to meet its cash flow commitments on time. Prudent liquidity risk management implies maintaining sufficient stock of cash and marketable securities . The Group maintains adequate cash and cash equivalents along with the need based credit limits to meet the liquidity needs.

(f) Hedge Accounting

The Group has established risk management policies to hedge the volatility arising from exchange rate fluctuations in respect of firm commitments and highly probable forecast transactions, through foreign exchange forward and options contracts. The proportion of forecast transactions that are to be hedged is decided based on the size of the forecast transaction and market conditions. As the counterparty for such transactions are highly rated banks, the risk of their non-performance is considered to be insignificant.

The Group uses derivatives to hedge its exposure to changes in movement in foreign currency. Where such derivatives are not designated under hedge accounting, changes in the fair value of such hedges are recognised in the Statement of Profit and Loss.

The Group may also designate certain hedges, usually for large transactions, as a cash flow hedge under hedge accounting, with the objective of shielding the exposure from variability in cash flows. The currency, amount and tenure of such hedges are generally matched to the underlying transaction(s). Changes in the fair value of the effective portion of cash flow hedges are recognised as cash flow hedging reserve in Other Comprehensive Income. While the probability of such hedges becoming ineffective is very low, the ineffective portion, if any, is immediately recognised in the Statement of Profit and Loss.

The management of the group does not expects its foreign currency denominated financial assets to mature within a period of five years from the end of the year under review and therefore, it has not entered into any hedging contracts for the same

**NOTE - 45 - ADDITIONAL REGULATORY INFORMATION**
