Power Min announces special scheme to clear discoms' dues

₹crore

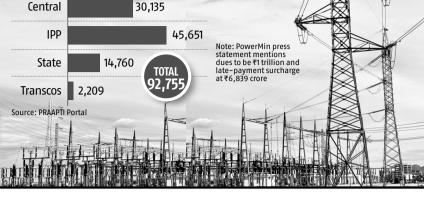

New Delhi, 25 May

▼or the second time in **♦** two years, the Union Ministry of Power has notified a scheme for power distribution companies (discoms) to defer their dues to power generating companies (gencos). With dues of discoms touching a record high of ₹1 trillion, the ministry has proposed a scheme to liquidate discoms' dues.

The proposed scheme will enable discoms to pay their dues over 48 instalments, stated a notification by the ministry. It has also proposed to provide a one-time relaxation to all discoms, wherein the amount outstanding, including the principal and late payment surcharge (LPSC) on the date of notification of the scheme, will be frozen.

LPSC is levied on discoms when they do not pay their monthly dues within a stipulated period of 90 days. The cumulative LPSC of all discoms stands at ₹6.839 crore.

'The liquidation of outstanding dues in a deferred manner without the imposi-

tion of LPSC will give discoms time to shore up their finances. At the same time, gencos will benefit from assured monthly payments, which otherwise were not forthcoming to them," the ministry said in a public statement.

DUES TO UTILITIES

IPP= Independent power producers/privately owned units; transcos= transmission compan

It, however, said if discoms delay the instalment payment, LPSC would be charged on the entire outstanding dues.

Under the new scheme, the power ministry claims that discoms will save ₹19,833 crore on LPSC in the next 12-48 months.

"The savings by discoms will ultimately benefit the electricity consumer by reducing the burden of LPSC in the retail tariff. The measure is expected to provide timely liquidation of arrears to gencos. At the same time, it is being ensured that discoms pay their dues to gencos on a regular basis. Otherwise supply by gencos will be reduced," said the ministry in

its notification.

Dues of state-owned discoms to gencos are on the rise at a time when the country battles a coal and power shortage crises. Business Standard recently reported. The lion's share of dues is to privately owned or independent power producers (IPPs), while renewable power units continue to see an increase in

The dues to central government gencos, which are primarily NTPC, NHPC, nessed an increase of 25 per

According to the government data, Tamil Nadu is the biggest defaulter, with ₹20,842 crore dues to gencos. It is followed by Maharashtra, with ₹18,000-crore dues, and Uttar Pradesh, with ₹9,000

This is despite an incentive scheme announced in 2020 to assist discoms to clear their dues. In June 2020, the dues of discoms touched a record high of ₹1.3 trillion. The same month, Union Finance Minister Nirmala Sitharaman announced a special liquidity infusion scheme for the same.

The ₹90,000-crore loan scheme helped discoms clear their dues to gencos and transmission companies However, the scheme had limited impact. After reducing minimally in March 2021, the dues started rising again June onwards as demand for power increased during the last summer months. While the scheme ensured timely payment to central government gencos, IPPs continue to face delayed payments.

Irdai sets up committees to suggest industry overhaul

NIKUNJ OHRI New Delhi, 25 May

To overhaul the insurance sector, the Insurance Regulatory and Development Authority of India (Irdai) has formed various committees through the General Insurance Council (GIC) to suggest reforms in several areas of general, reinsurance and life insurance such as regulation, product, distribution, among others.

These panels include heads of private and public sector insurance companies, members of Irdai and representatives from the GIC, said an official. GIC was formed by Irdai to act as a link between the insurance regulator and the non-life insurance industry, and has representation from the industry. About five committees each have been formed to suggest changes in the general insurance business, non-life insurance space, and two panels will look into the reinsurance segment.

These panels have been formed to look into areas of regulation, products, distribution, finance, health, finance, taxation, ease of doing business, among others. The industry representatives have also been asked to highlight the issues they have been facing and suggest steps that can be taken, said another official. Some recommendations have already been submitted to the

Bank of Maharashtra dips into net worth to pay govt dividend

ABHIJIT LELE & SUBRATA PANDA Mumbai, 25 May

Following a government missive, the board of Bank of Maharashtra (BoM) has recommended a five per cent dividend or ₹337 crore, for the financial year ending March 31, 2022. Bank officials said the dividend is being paid out of net worth. The revised net worth will be ₹10,175 crore, down from ₹10.512 crore. The dividend payout will make a small dent in the capital adequacy ratio (CAR) to 16.48 per cent from 16.85 per cent, according to a filing with the

BoM stock closed 3.73 per cent lower at ₹15.5 per share on the BSE. It touched 52-low of ₹15 per share in intra-day trad-

Bank of Maharashtra, which finalised its balance sheet for FY22 in April, decided to call a board meeting to consider dividend and approve revised financial statement for

the year ended March 31, 2022. The revision in audited results of the Pune-based lender will not change the net profit for FY22.

The bank's net profit doubled to ₹1,151.54 crore, as against ₹550.25 crore in 2020-21. The board had not recommended dividend when it met in April 2022 to approve results for FY22.

The bank paid a dividend of eight per cent in FY15 when it posted a net profit of ₹450.69

Another public sector lender Bank of Baroda will revise the recommended divion May 31, to decide the quantum. Earlier, its board had recommended a dividend at ₹1.2 per equity share (face value ₹2 each) for FY22. Kolkata-based UCO Bank

had planned a board meeting on May 19 to consider a dividend proposal. But it could not go ahead since the bank had not yet received the requisite regulatory approval for declaration of dividend.

According to BS Research Bureau's assessment, eight out of 12 public sector banks (PSBs) have recommended a dividend amounting to ₹11,981 crore for

FY22. All the 12 reported net profit this year.

In FY21, only two PSBs — State Bank of India (SBI) and Indian Bank — had declared dividends with outgo amounting ₹3,796 crore.

Krishnan Sitaraman, senior director and deputy chief ratings officer, CRISIL Ratings, said the profitability of PSBs has substantially improved in FY22 vis-à-vis FY21 levels, leading most of them to announce dividends.

This is what is normally followed by the corporate world in a business-as-usual situa-

Also the fact that all PSBs have a cushion over regulatory Tier 1 capital adequacy requirements of at least 100 bps makes them well placed to pay out dividends from their profits, he added. The board of Life Insurance Corporation (LIC) will meet on May 30 to approve the results for the quarter and vear ended March 2021, and to pay a dividend.

Can explore markets to meet supply chain hurdles: Birla

As the pandemic and the

Ukraine conflict put pressure on supply chains globally, top industrialist Kumar Mangalam Birla on Wednesday said some of these concerns can be addressed by exploring other source countries but globalisation is here to stay. "India is almost back to leading normal life and my clear view is that we should not think about any way away from globalisation. There can be some optionalities though." Birla said during a session at the World Economic Forum Annual Meeting 2022.

Hope sanity returns soonest to supply chains: Mittal

Supply Chain disruptions have made the world a difficult place when it comes to ensuring complete internet connectivity, Bharti Enterprises Chairman Sunil Bharti Mittal said on Wednesday. "We didn't imagine there would be so much supply chain disruptions... Some businesses have moved on, but at a much higher cost. I hope we bring sanity back to the supply chains at the soonest," Mittal said.
