To re-iterate, the Company had recently acquired 158 Kms (1,264 Lane Kms) long Nehru Outer Ring Road project in Hyderabad, Telangana State through participating in the global competitive bidding process and subsequently by making an upfront payment of Rs.7,380 Crs to the Hyderabad Metropolitan Development Authority (HMDA). The Company received the tolling rights for revenue linked concession period of 30 years. The project forms the ring road for urban traffic movement in and around the city of Hyderabad, which gets further boost for being part of north and south corridor - thus bringing significant passenger and commercial traffic to the corridor. This is also visible in the robust CAGR of ~15% witnessed for the project since it became fully operational i.e., FY2019 to FY2023.
