40% investment by TaMo CV arm in FY25 to be in advanced tech

Bulk of capex will go into electrification and alternative fuel technology, says executive director

SOHINI DAS
Mumbai, 26 June

Leading commercial vehicle (CV) maker Tata Motors on Wednesday said 40 per cent of its investments in 2024-25 would be in advanced technologies, including electrification and alternative fuels.

Girish Wagh, the company's executive director who also heads the CV arm, said: "We will have more than 40 per cent of our investments this year in advanced technologies, and within that, the bulk of the capital expenditure will go into electrification and alternative fuel. We will have natural gas and bi-fuel across the range."

He further said in terms of electrification the company would follow a platform and modular methodology. "Apart from battery electric, we are also working on fuel-cell electric technology, and we also have 15 buses running on this in Delhi. Some part of this expenditure will also go into Hydrogen internal combustion engines (ICE). We have a facility in Pune and we also have an Hydrogen ICE engine-making facility in Jamshedpur ready," Wagh said.

"WHATEVER WE INVEST IN SOFTWARE SHOULD BENEFIT THE CUSTOMER EITHER THROUGH IMPROVED TOTAL COST OF OWNERSHIP OR IMPROVED UPTIME"

GIRISH WAGH
Executive director, Tata Motors

Besides, he said, Tata Motors had been investing in connected technologies for the past four-five years. "Whatever we invest in software

should benefit the customer – either through improved total cost of ownership or improved uptime." For example, the company uses a machine-learning model to give insights to drivers online to run their vehicles more efficiently, leading to an improvement in the total cost of ownership on ground.

"We will continue to invest in software," Wagh said, adding capex in the CV business would be around 2-4 per cent of revenues. In 2023-24, the CV business posted a turnover of ₹78,800 crore, with earnings before interest, tax, depreciation and amortisation (Ebitda) margin of 10.8 per cent.

The non-vehicles business, which includes spares, digital solutions, etc, is growing fast and now has around mid-teens contribution to the CV revenues. At the Tata Motors annual general meeting (AGM) earlier this week, Chairman N Chandrasekaran had said the CV arm, apart from vehicular business, would focus on vehicle park-linked businesses like spares, digital and smart mobility solutions which would help reduce the volatility of the vehicle sales business.

'Not worried about debt after demerger'

Tata Motors Chief Financial Officer P B Balaji said the Indian business was currently debt-free. The standalone CV company is getting demerged and it has around ₹6000 crore of net debt. After the final FY25 numbers (of cash and borrowings) come in, when the businesses demerge, the CV assets will go into the CV company and the remaining assets will go into the 'top co' (holding company), Balaji said. The passenger vehicle (PV) business would merge into this 'top co' and, Balaji said, it would have two subsidiaries housing the electric vehicle (EV) business and Jaguar Land Rover.

"After demerger, we identify the assets ratio – what are the assets pertaining to CV and PV. Then we split the borrowings according to the same ratio. Both companies will together remain debt-free. We are going net cash and, therefore, the net debt of standalone companies will continue to reduce," said Balaji.

At present, the assets are split in a 60-40 ratio in favour of the CV company. Wagh said the demerger should happen 12 months from now.

'CAFE-III standards to disrupt PV market'

SOHINI DAS
Mumbai, 26 June

Tata Motors, the leader in the passenger electric vehicle space with a 70 per cent market share, expects the upcoming Corporate Average Fuel Efficiency (CAFE-III) standards that are slated to be unveiled by April 2027, will be disruptive for the passenger vehicle (PV) market in India and challenging for automakers.

Shailesh Chandra, the managing director of Tata Motors Passenger Vehicles and Tata Passenger Electric Mobility, said CAFE-III standards will be significantly more stringent than CAFE-II where certain original equipment makers (OEMs) were able to meet the norms with zero or even low penetration of battery electric vehicles (BEVs). "However, in the new norms, it will become extremely difficult, if not impossible to comply without BEVs in the mix. Or else, the companies will face significant penalties and also will face

the risk of adverse impact on the brand image," Chandra said.

He expects that in the next 5-6 years, the mix of CNG and EVs will see a significant rise in the volumes. "Beyond 2027, the trend will be steeper because of this regulation," he added. CAFE-III standards that are likely to be implemented from 2027-2032, propose carbon emission targets of 91.7 gm CO2 per km, and 70 gm CO2 per km for CAFE IV norms based on the World Harmonized Light Vehicles Testing Procedure.

The CAFE norms apply to an OEM's entire vehicle output, limiting carbon emissions from all vehicles sold in a financial year.

These new norms will increase

SHAILESH CHANDRA
MD, Tata Motors Passenger Vehicles and Tata Passenger Electric Mobility

the prices of internal combustion engine (ICE) vehicles. Prices of vehicles have been on the rise as such.

"Even currently, when the average prices of cars are much higher than in the past, the demand is at a peak – registering 4.3 million in FY24. This is also because disposable incomes have increased. Therefore, in a market with only 32-cars-per-thousand penetration, there is huge scope," Chandra said. He added that the Indian PV industry is expected to touch 6 million units by FY30, growing at a 6 per cent CAGR.

Tata Motors is targeting an 18-20 per cent market share by FY30, and is trying to increase its addressable market by introducing new nameplates.

It currently addresses 53

per cent of the total industry volumes (TTV) in which it enjoys a 26 per cent share. It is targeting to have a portfolio that addresses 80 per cent of TTV by FY30. In FY25 Tata Motors is launching the Harrier EV, the Curry EV and ICE variants, the CNG Nexon, and most of it in the second half of the year.

Chandra said they are trying to strengthen their multi-powertrain offerings as the industry will gravitate towards greener powertrains (EVs and CNG). It expects CNG penetration to reach 25 per cent by FY30 and EV penetration to touch 20 per cent by then.

"We are proactively driving the mainstreaming of EVs with an ecosystem approach to address the barriers to adoption," he said, adding that they will strive towards acquisition price parity of EVs versus ICE vehicles and at the same time address range anxiety (one of the key barriers) with higher range vehicles.

Prices of ICE vehicles will rise, while EVs will fall in the coming years.

SUBSIDY PUSH

E-2Ws may need higher domestic value addition

SURAJEET DAS GUPTA
New Delhi, 26 June

In a move that could support companies looking to raise their value addition and reduce imports, the government is learnt to be considering increasing the eligibility condition of domestic value addition (DVA) in electric two-wheelers for subsidy under the new Electric Mobility Promotion Scheme (EMPS), provided it is extended beyond July 31. The heavy industries ministry is expected to seek an extension of the scheme.

Under the existing rule, companies must have at least 50 per cent localisation to qualify for the subsidy. While the government is looking at half-yearly audits of companies to ensure they comply with the localisation norms, it is also considering various methods to calculate value addition — through definitions of manufacturing phase and production-linked incentive scheme, and so on.

The EMPS, which has a budget of ₹500 crore for only four months starting April 2024 — replaced the FAME-II scheme, where auto companies were provided ₹11,500 crore as subsidy.

The scheme has been restricted to only two and three-wheelers. Passenger cars have been kept out of its ambit. Even the amount of the subsidy was slashed by half — from ₹10,000 per scooter to ₹5000 per Kwh. There is also a cap of ₹10,000, irrespective of the battery power of the vehicle (earlier the cap was around

ON THE ANVIL

■ The move may support companies who want to increase their value addition and reduce imports

■ The government is also looking at half yearly audits to ensure that the companies are complying with the localisation norms

■ Under the existing rule, companies must have at least 50 per cent localisation to qualify for the subsidy

₹22,000).

The FAME-II scheme had run into a major controversy over localisation. It was alleged that many electric two-wheeler companies violated the requirement of 50 per cent localisation.

The government sent show-cause notices to firms like Hero Electric and Okinawa, among others, for violating the norms, and asked them to return the subsidy along with a fine. While many did pay, Hero Electric and Okinawa challenged the decision and stopped production.

To ensure that such violations do not take place in the future, the government is now looking at a more frequent audit of companies to ensure that there is no divergence on domestic value addition.

Many electric two-wheeler companies like Ola already have a domestic value addition of 55-60 per cent (cells are not considered for DVA as they continue to be imported). Ather, the other electric two-wheeler company, has achieved a localisation of around 70 per cent.

However, sources in the know say that a balance has to be struck because an over-ambitious value-addition target will only force electric vehicle makers to go for imports, as they might find the subsidy of ₹10,000 unattractive for localisation.

NOTICE OF 29th ANNUAL GENERAL MEETING, INFORMATION REGARDING E-VOTING, BOOK CLOSURE AND DIVIDEND

Notice is hereby given that the **Twenty Ninth Annual General Meeting (29th AGM)** of the Members of Solar Industries India Limited ("the Company") is scheduled to be held on **Thursday, July 18, 2024 at 11:30 a.m.** through video conferencing ("VC") / other audio visual means ("OAVM"), to transact the Business(es) as set forth in the Notice convening 29th AGM of the Company, in compliance with all applicable provisions of the Companies Act, 2013 ("the Act") Rules framed thereunder and SEBI (Listing Obligations and Disclosures Requirements) Regulations, 2015 ("SEBI Listing Regulations") read with Circular No. 14/2020 dated April 08, 2020, Circular No.17/2020 dated April 13, 2020 followed by Circular No. 20/2020 dated May 05, 2020, Circular No. 02/2021 dated January 13, 2021, Circular No. 02/2022 dated May 05, 2022, Circular No. 10/2022 dated December 28, 2022 and Circular No. 9/2023 dated September 25, 2023 and all other relevant circulars issued from time to time and other applicable circulars issued by Ministry of Corporate Affairs ("MCA") and Circular No. SEBI/HO/POD-2/P/ CIR/2023/4 dated January 5, 2023 and Circular No. SEBI/HO/CFD/CFD-PoD-2/P/CIR/2023/167 dated October 7, 2023 issued by Securities and Exchange Board of India (collectively referred to as "relevant circulars"), physical attendance of the Members to the 29th AGM venue is not required and general meeting be held through VC or OAVM. Hence, Members can attend and participate in the ensuing 29th AGM through VC/OAVM. The venue of the meeting shall be deemed to be the Registered Office of the Company situated at "Solar" House, 14 Kachimet, Amravati road, Nagpur- 440023.

In compliance with the aforesaid relevant circulars, Notice of the 29th AGM along with the Integrated Annual Report for the financial year 2023-24 was sent only through electronic mode to the members on June 26, 2024 whose email addresses are registered with the Company/Depository/Depository participant(s). The Notice and Integrated Annual Report of the Company is uploaded on the Company's website www.solargroup.com. The Notice and Integrated Annual Report can also be accessed from the websites of the Stock Exchanges i.e. BSE Limited and NSE Limited at www.bseindia.com and www.nseindia.com, respectively and the AGM Notice is also available on the website of NSDL (agency for providing the VC/OAVM facility, Remote e-voting facility and e-voting system during the AGM) i.e. www.evoting.nsdl.com.

Instructions for remote e-voting and e-voting during AGM:
Pursuant to the provisions of Section 108 of Act read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of SEBI Listing Regulations, the Company is pleased to provide facility of e-Voting to its Members in respect of the business(es) as set out in the Notice convening 29th AGM. For this purpose, the Company has entered into an agreement with National Securities Depository Limited (NSDL) for facilitating voting through electronic means, as the authorized agency.

Any person, whose name is registered in the Register of Members or Beneficial Owners as maintained by the depositories as set out in Notice convening 29th AGM. The remote e-Voting period will commence on Monday, July 15, 2024 (10:00 a.m. IST) and ends on Wednesday, July 17, 2024 (5:00 p.m. IST). During this period, Members may cast their vote electronically. The remote e-voting module shall be disabled by NSDL thereafter. Those Members, who shall be present in the AGM through VC/OAVM facility and had not cast their votes on the resolutions through remote e-voting and are otherwise not barred from doing so, shall be eligible to vote through e-voting system during the AGM.

Any person, who acquires shares of the Company and becomes a Member of the Company after the Notice has been sent electronically by the Company and holds shares as on the cut-off date for e-voting i.e. **Thursday, July 11, 2024** may obtain the login ID and password by sending a request to evoting@nsdl.co.in. However, if he/she is already registered with NSDL for remote e-voting then he/she can use his/her User ID and Password for casting the votes.

If you have not registered your email address with the Company/Depository you may please follow below instructions for obtaining login details for e-voting:

Physical Holding:- Please send scanned copy of a signed request letter mentioning your folio number, complete address, scanned copy of the share certificate (front and back) email address to be registered along with scanned self-attested copy of the PAN and any document (such as Driving Licence, Passport, Bank Statement, AADHAAR card) supporting the registered address of the Member, by email to the Company's email address investor.relations@solargroup.com or rnt.helpdesk@linkintime.co.in.

Demat Holding:- In case shares are held in demat mode, please provide DPID-CLID (16 digit DPID + CLID or 16 digit beneficiary ID), Name, client master or copy of consolidated account statement, PAN (self-attested scanned copy of PAN card), Aadhaar Card (self-attested scanned copy of Aadhaar Card) to investor.relations@solargroup.com or, Please contact your Depository Participant (DP) and register your email address in your demat account as per the process advised by your DP.

Alternatively shareholder/members may send a request to evoting@nsdl.co.in for procuring user ID and password for e-voting by providing above mentioned documents.

Shri Tushar Pahade, Proprietor at M/s T. S. Pahade & Associates Company Secretaries, has been appointed as the Scrutinizer to scrutinize the remote e-Voting process and casting vote through the e-Voting system during the meeting in a fair and transparent manner.

For details relating to remote e-Voting please refer to the notice of the AGM. If you have any queries relating to remote e-Voting please refer to the Frequently Asked Questions (FAQ's) and e-Voting user manual for shareholders available at download section of www.evoting.nsdl.com or call on toll free no.: 022-48867000 or send a request to Ms. Prajakta Pawale, Executive, at evoting@nsdl.co.in.

BOOK CLOSURE AND FINAL DIVIDEND

NOTICE is also hereby given that the Register of Members and Share Transfer books of the Company will remain closed from Friday, July 5, 2024 to Thursday, July 18, 2024 (both days inclusive) for the purpose of determining the members eligible to receive final dividend recommended by the Board of Directors for the financial year 2023-24. The final dividend, if approved will be paid on Monday, July 29, 2024 to those Equity Shareholders holding shares either in physical form or dematerialized form on the close of Thursday, July 4, 2024.

नागपूर : बसपने महाराष्ट्र प्रदेश अध्यक्षपदी अॅड. सुनील डोंगरे यांची नियुक्ती केली असून मालकीचे प्रदेशाध्यक्ष अॅड. परमेश्वर गोणारे यांना कर्नाटकचे प्रभारी करण्यात आले आहे.

लोकसभा निवडणुकीत बसपची अत्यंत चाईट कामगिरी राहिली. त्यानंतर प्रदेश कार्यकारिणीतील पदाधिकारी आणि पक्षाच्या

कार्यकर्त्यांमध्ये भांडणे झाली. पक्षांतर्गत वाद उफाळून आल्याने बसपच्या अध्यक्ष मायावती यांनी प्रदेश कार्यकारिणी बरखास्त केली. ही प्रदेश कार्यकारिणी लोकसभा निवडणुकीपूर्वी ४ डिसेंबर, २०२३ रोजी नेमण्यात आली होती. सहा महिन्यात प्रदेशाध्यक्ष पदावरून राऊत यांची उचलबांगडी करण्यात आली.
