Niti Aayog proposes AI oversight body

GOVERNMENT THINK-TANK Niti Aayog has proposed setting up an oversight body which will play an enabling role regarding technical, legal, policy and soci-etal aspects of artificial intelli-

etal aspects of artificial intelli-gence (AI).

In its draft 'Working Docu-ment: Enforcement Mechanisms for Responsible #AlforAll', Niti Aayog said the oversight body must have industry presents. Aayog said the oversight body must have industry representatives as well as experts from legal, humanities and social science fields. "A flexible risk-based approach must be adopted. In this regard, the National Strategy for Artificial Intelligence proposes an oversight body." The oversight body must play an enabling role under the following broad areas:

The oversight body is enabling role regarding technical, legal, policy and societal aspects of Al

research, technical, legal, policy, societal issues of AI," the draft document said. The oversight mechanism may serve in an ad-visory capacity and it must in-

terface with existing regulators across sectors. "Technology eas-ily blends across other technologies and must not be viewed in silo, Ethics should be seen as not just limited to AI but also other

lust imited to A1 but also other emerging technologies such as AR (augmented reality),VR (virtual reality) etc,"it said.

The draft document also noted that the government may support research on the impact of A1 in the Indian context and fundamental research text and fundamental research to advance 'Responsible Al' by prioritising funding opportuni-ties and fellowship pro-

ties and fellowship pro-grammes.

"International alliances may be leveraged to facilitate exchange of multi-disciplinary talent, data, and consolidation of research efforts, especially in areas of social good," it said.

mittee may be constituted for the procurement, develop-ment, operations phase of AI systems and be made account able for adherence to the re-

sponsible AI principles. The Aayog has invited comments on the draft document by stakeholders by December 15. The Niti Aayog had in June 2020 released a draft paper titled 'Towards Responsible-#AlForAll' and had said there

#AIForAll' and had said there was a potential of large scale adoption of Al in a variety of social sectors.

"The government may fund specific research projects in responsible Al and introduce ethics of Al into the university curriculum as the new-age technology is expected to book India's annual growth rate by 1.3% by 2035, 'the draft document had said.

CBI source: BSF commandant held in cattle smuggling

PRESS TRUST OF INDIA

BSF COMMANDANT SATISH Kumar was arrested by the CBI on Tuesday for his alleged in-

on Tuesday for his alleged involvement in a cattle smuggling racket operating at the India-Bangladesh border in West Bengal, a source in the investigating agency said.

Kumar was summoned for questioning on Tuesday afternoon by the CBI.

After a marathon questioning, which went on for hours, the sleuths decided to arrest him. "Satish Kumar has been arrested. He will be produced before a court tomorrow," the CBI source said.

Chhattisgarh CM seeks central nod to convert surplus paddy into ethanol

PRESS TRUST OF INDIA New Delhi, November 17

CHHATTISGARH CM BHUPESH urging him to grant permission for the production of bioethanol from surplus paddy pur-chased from farmers in the state. He also demanded increase in the quota of kerosene oil for

dwellers in forest areas.

During the meeting, the CM said 80.38 lakh metric tonnes of paddy was purchased in the Kharif marketing year 2018-19 in Chhattisgarh and 83.94 lakh metric tonne of paddyir 2019metric tonne of paddy in 2019 20, resulting in surplus produc-tion of rice, which exceeded the required quantity of central pool of rice and the state pool under the public distribution system. The state was forced to

by milling surplus paddy, he said. Baghel informed the Union minister that the state govern-ment has made necessary provisions in the Chhattisgarh's in-dustrial policy 2019-24 for

setting up ethanol plants.
Chhattisgarh has requested permission to produce ethanol from about 6 lakh metric tonnes of paddy, an official statement said.

Icra: Policy to set up ICD, CFS will help in balanced ports sector development

PRESS TRUST OF INDIA Mumbai, November 17

THE ZONING AND distance rules in the revised guidelines for setting up of container freight stations, inland container depots and airfreight sta-tions will aid in more balanced development in the ports sector, ratings agency Icra on Tuesday said. Besides, it will

vised policy aims to boost investment in the CFS/ICD sector in underdeveloped regions in the country, while the approvals in regions where already high concentration is there will be discouraged except in exceptional cases [crasaid]

discouraged except in exceptional cases, Icra said.

The agency noted that the revised policy has factored in the developments in the sector in the last two decades, including growth in volumes during this period, geographical concentration of CFS/ICD, implementation of schemes entation ent It will prevent concentration of facilities, which will improve the viability of existing/ upcoming facilities

ity of cashemes like direct port degacilities like direct port deentry. Besides, it has also taken into consideration other automation and efficiency improvement measures; and also, the infrastructure developments like Direct Freight Corridor and inland waterways, the ratings agency said. As per the revised policy, the locations will be classified as green, blue or red with green indicating the areas where the ICD/CFS concentration are low, D/CFS concentration are low, will be open for new proposals.

Tablighi case: SC slams Centre's affidavit, seeks TV regulation details

EXPRESS NEWS SERVICE New Delhi, November 17

THE SUPREME COURT on THE SUPREME COURT on Tuesday expressed its displea-sure over the Centre's affidavit in a case related to the media's reporting of the Tablighi Ja-maat attendees testing positive for Covid-19, and asked it to evolve a mechanism to deal with complaints against the electronic media. In its latest affidavit filed

before the Supreme Court — i had filed an earlier one in Oc tober - the Centre submitted that the Ministry of Electron-ics and Information Technol-ogy had issued 734 advisories asking for false news concernnos and Information Fections asking for false news concerning Covid-19, which were likely to create panic among the public and disturb public order, to be taken off. The government said it issued directions for blocking of content in the month of April to Facebook (113), Twitter (615), YouTube (3) and Instagram (12).

The bench headed by Chief Justice of India S A Bobde said the Centre's affidavit had not addressed two important questions: the applicability of the Cable Television Networks

Act upon electronic media and legal regime on this issue. "We are not satisfied with your affidavit...We had asked your affidavit...We had asked you to specify how the Cable TVAct can be used to control the content. The affidavit is silent on this. What steps can you take to deal with such complaints?" the bench asked the Centre.

The CII's observations came during the hearing of PILs filed by the Jamiat Ulemae-Hind and Peace Party seeking directions to the Centre to

ing directions to the Centre to stop certain sections of media

stop certain sections of media from disseminating fake news. "We want to know as to what is the mechanism to deal with these content on televi-sion. If there is no regulatory mechanism, then you create one," said the bench, also com-
