Dear Sir/Madam,

Sub: Submission of Annual Report for the FY 2021-22

We refer to the above captioned subject and pursuant to the provisions of Regulation 34(1) of SEBI (LODR) Regulations, 2015, we herewith submit to you the Annual Report for the financial year 2021-22.

This is for your information and records of the Exchange, please.

Thanking you,

Yours truly

Disclaimer: This document contains statements about expected future events and financials of KNR Constructions Limited (KNRCL) which are forward looking. By their nature, forward-looking statements require the Company to make assumptions and are subject to inherent risks and uncertainties. There is a significant risk that the assumptions, predictions and other forward looking statements may not prove to be accurate. Readers are cautioned not to place undue reliance on forward looking statements as several factors could cause assumptions, actual future results and events to differ materially from those expressed in the forward-looking statements. Accordingly, this document is subject to the disclaimer and qualified in its entirety by the assumptions, qualifications and risk factors referred to in the Management Discussion and Analysis section of this Annual Report.

The development of infrastructure is directly linked with economic growth and civilisation at large. It is the backbone of international and domestic commerce, while ensuring that the nation stays competitive.

The presence of high-quality infrastructure boosts the economy of the country and lowers business costs. Moreover, appropriate infrastructure aids in the expansion of trade not only within the country by upgrading transportation facilities, but also promotes international trade by strengthening ports and airports. Growth in infrastructure also ensures the mobility of labour and capital from the economy. A major factor for employment generation is that, infrastructure contributes immensely to poverty alleviation.

At KNRCL, we strive to be a centre of excellence in the field of infrastructure services by constantly providing eco-friendly solutions, adopting state-of-the-art practices and commitment to quality through our enthusiastic human resources. A major partner in India's growth story, we are a multidomain infrastructure project development company providing Engineering, Procurement and Construction (EPC) services across various fast-growing sectors namely roads & highways, irrigation and urban water infrastructure management.

Vision

To develop KNRCL as a Centre of excellence in the field of Infrastructure services by striving continuously to provide eco-friendly solution adopting state of the art practices and commitment to quality through motivated human resource

Mission

We would aim to add more business verticals to the organisation in the fields of construction of Elevated Metro Rail and Railway Projects.

KNRCL: Glimpse of Our Abilities

The Parentage

KNRCL is one of India's leading companies that excels in providing EPC services. In our career spanning 40 years, we have gained expertise in executing technically complex projects with immense ease, either on an individual basis or through joint ventures. Multiple orders received by us across different segments and regions of India are a testament to our proficiency in the field.

Experience
40
yearst+

Construction Expertise

Our skilled workforce, advanced equipment, coupled with our engineering capabilities allow us to execute a range of road construction projects that involve varying degrees of complexities. Our construction model and efficient execution ensures that we complete projects ahead of scheduled time, while also ensuring that we deliver the highest quality standards.

- Construction of roads, highways, bridges and flyovers on EPC, BOT and Hybrid Annuity Model (HAM) basis
- Irrigation projects, urban water infrastructure management and agriculture

MD's Message

Dear Shareholders,

It gives me great pleasure to present KNRC's annual report for FY 2021-22. I hope that all you have been keeping safe and are in the best of your health. The pandemic has clearly reinforced the message 'Health is Wealth' and I insist each one of you to be very careful about the health of yourself and your loved ones.

While the year 2020 was the darkest year because of the pandemic, things gradually shaped up for 2021-22. Undoubtedly, the pandemic did not disappear. However, the nationwide rollout of the vaccine programme enabled normalcy in the world.

There were certain headwinds during the year in the form of rising inflationary pressure and the Ukraine crisis but India is still expected to grow at 7.3% and become the fastest-growing economy in the world in 2022-23, owing to its strong workforce and undeterred faith in the ecosystem.

Overview of the Construction Industry

The year 2021-22 has been yet another tumultuous year for the construction industry. The global economy has also been witnessing difficult times due to the constant military conflict, which has consequently spiralled the input costs and the devastating impact of the pandemic. It left a significant impact

on the road construction sector, which is anyway sensitive to economic cycles. The road construction sector holds potential to stimulate recovery and plays an instrumental role in generating employment across the nation.

With string recovery measures in place, the sector can foresee a huge transformation towards sustainability and digitisation. During the year under review, much relief was observed due to the unprecedented relief packages by the Government like debt moratorium. Additionally, various infra investment programmes announced by the Government will act as an aid to economic growth. It has also been observed that organisations across the globe are adopting the remote mode of working and this can prove to be beneficial in the long run.

Company's Strategy

Despite the tough times, your Company's Balance Sheet has been resilient and has in fact grown further. Your Company adopted multiple strategies to reinforce the Company's financial position and build a strong foundation to ensure preparedness for the future. Keeping this in mind, your Company adopted asset-light policy of monetising BOT and HAM projects. This enabled the Company to pass on the debts of the SPVs and obtain equity with return.

Performance Snapshot

With a whirlwind of a year, Government intervention and a slew of measures became very necessary and this enabled your Company to make progress despite various limitations. Ultimately, your Company ended the year with a strong set of numbers. Your Company achieved a milestone turnover of ₹ 32,725.92 Mn, thereby recording an increase in turnover of 21.09%. Profit after Tax for the year stood at ₹ 3,818.00 Mn, an upward shift of 56%. Notably, your Company has maintained its 'zero debt' level, owing to timely execution of projects and asset-light policy. Your Company's net worth amounted to ₹ 22,419.69 Mn.

The Board of Directors proposed a final dividend of ₹ 0.25 per share, subject to approval of shareholders at the ensuing Annual General Meeting (AGM) of the Company.

Overview of India's Infrastructure Development

Infrastructure development in India has been a key driver for the Indian economy. India is expected to become the third-largest construction market by 2025. India will require investments worth ₹ 50 Tn (USD 777.73 Bn) across infrastructure by 2022 and 2023 for a sustainable development in the country. Undoubtedly, this is a huge opportunity in the highway network development in the

country as only 24% of the NH network is 4-lane in the country. A host of investments has been planned by the Government in the transportation infrastructure and other sectors such as water, power, urban and industrial infrastructure.

Notable Measures to be Undertaken by the Indian Government

- National Highways Authority of India (NHAI) plans to construct 25,000 kilometres of national highways in 2022-23 at a pace of 50 km per day.
- India's Gati Shakti programme has consolidated a list of 81 high impact projects, out of which road infrastructure projects were the top priority.
- The major highway projects include the Delhi-Mumbai expressway (1,350 kilometres), Amritsar-Jamnagar expressway (1,257 kilometres) and Saharanpur-Dehradun expressway (210 kilometres).
- The main aim of this programme is a faster approval process which can be enabled through the Gatishakti portal and digitised the approval process completely.
- In the Union Budget 2022-23, the Government has planned for an increase in allocation for the central road fund by 19%, the total fund was ₹ 2,95,150 Crores (USD 38.86 Mn).
- Notably, under Phase-I of Bharatmala Pariyojana, the Ministry has approved implementation of 34,800 km of national highways in 5 years with an outlay of ₹ 5,35,000 Crore (USD 76.55 Bn). Under this scheme, 22 greenfield projects (8,000 kms length) are being constructed; this is worth ₹ 3.26 Lakh Crore (USD 43.94 Bn).

Present Scenario of the Indian Road Sector

In the month of March 2022, the pace of awarding projects witnessed a robust pick, after being subdued for nearly 9-10 months. For the entire fiscal year 2022, the length of road awarding stood at 12,731 kilometers, a robust growth of 22% YoY. A similar momentum was witnessed for NHAI awarding activity. The NHAI awarded or opened bids for projects of length 4,970 km worth approximately ₹ 1.4 Lakh Crore in 2021-22 as against length of 4,818 km worth approximately ₹ 1.3 Lakh Crore year on year.

During the past seven years, the pace of annual construction of four, six and eight lane national highways has increased by more than 300% - from 1,289 km in 2015-16 to 3,963 km during 2021-22. The Government, through a series of initiatives, is working on policies to attract significant investor interest. A total of 2,00,000 km of national highways is expected to be completed by 2022. In the next five years, National Highway Authority of India (NHAI)

will be able to generate ₹ 1 Lakh Crore (USD 14.30 Bn) annually from toll and other sources.

Company's Positioning

As on March 31, 2022, your Company has an outstanding order book position of ₹ 90,008 Mn. EPC road projects and HAM projects constitute 75% of the total order book while irrigation projects constitute the remainder 25%.

Talking about client-wise allocation, 30% of your Company's order book is from third-party clients and the balance 45% is from captive HAM projects. The third-party order book on non-captive order book which accounts for 55% of the total order book position is skewed between the State Government contracts with 41% whereas 11% is from Central Government and balance 3% order book is from other private players.

Poised for Growth

At KNRCL, we focus on making concerted actions to progress despite challenges, so that we can create a virtuous cycle of growth and returns for our shareholders. Our ability to complete projects ahead of the scheduled delivery date is absolutely owed to our qualified and experienced project managers. We have gained expertise in preparing a concrete project plan with critical milestones and a procurement plan for men, material, machinery, and funds. Added to this, bidding of projects only at expected profit levels has strengthened the bottom-line and liquidity position of your Company. In combination, all our strengths make us well-prepared and poised for growth and thus, we can proudly be "Partners of India's Growth Story".

Closing Note

I would like to take this opportunity to thank all our employees for their immense contributions in building the organisation. I would also like to thank our shareholders for their continued support and acknowledge the services of our Board, senior management, employees, customers, bankers, investors, vendors, and government agencies for their continued assistance. At KNRCL, with our strong financial foundation, resilience, business strategy, we strive for a better future.

Best Wishes,

K. Narsimha Reddy

Founder Promoter and Managing Director

ED's Message

Dear Shareholders,

During the last financial year, India's economy recovered at a good pace, recording 8.7% GDP rate and also retained the status of being the fastest-growing economy of the world. However, the Russia-Ukraine military conflict accelerated the inflation and interest rates in India and also led to creation of supply constraints. Oil prices witnessed an upward trend, due to supply fears as Russia is one of the biggest producers and exporters of oil. This also led to some tension amongst the people all across the globe. Additionally, domestic steel prices saw a surge pricing amidst the military conflict. Cement prices shot up due to higher fuel prices, thereby leading to price hike and this largely impacted the infrastructure sector. Raw material prices are up 60-70% in the last one year and the Bitumen market is witnessing heavy price fluctuations since the onset of pandemic and the ongoing military conflict.

On a Positive Note

The Government has laid emphasis on the creation of world-class infrastructure in a planned and sustained manner. India is

already implementing the National Infrastructure Pipeline with an outlay of ₹ 111 Lakh Crore (USD1.4 Tn). Under the Pipeline, the central and state governments have committed to spend approximately 80%, while the remaining 20% is expected to come through private participation. Over the last two years, we have witnessed that despite the pandemic affecting multiple sectors, the infrastructure and construction industries have continued to grow. For example, despite the challenges put forth by the pandemic, India has been constructing 37 km of roads per day. (Source: <https://constructiontimes.co.in/2022-beckons-opportunities/>).

Our Response to Uncertainty

Your Company has always displayed strength and flexibility despite many limitations and turbulent times and this year is no exception. The 2021-22 proved to be a milestone year as your Company surpassed the revenue figures from the previous year and the total for the year stood at ₹ 32,726 Mn. The Net Worth of your Company amounted to ₹ 22,420 Mn. Despite all the uncertainties and adversities, your Company continues to be in the resilient mode, whether it comes to dealing with the past pandemic or the present inflationary trend to provide impetus for accelerated growth.

Notably, your Company's conservative bidding approach and timely execution track record has helped it generate industry leading margins and operate with a healthy balance sheet. Your Company's Asset-Light policy in BOT and HAM projects is being pursued to strengthen the financials of your Company and to recycle the capital for new HAM projects. Your Company has also attained the 'zero-debt level' status on a standalone basis.

Various factors like concerns about budgetary outlays for roads, intense competition in the roads space is likely to reverse due to tightening of pre-qualification norms. Additionally, volatility in commodity prices and a turn in the interest rate cycle are causing

anxiety among developers. However, the Government's thrust on roads and their subsequent plans to monetise ₹ 1.62 Lakh Crores in 2022-23 and improvement in credit availability from banks provide a ray of hope for the roads and construction sector.

Projects Review

As on January 21, 2022, your Company received appointed date for six-laning of Ramanattukara to start of the Valanchery bypass under the Bharatmala on HAM mode and six-laning for the start of Valanchery bypass to Kappirikkad under the Bharatmala Pariyojana on HAM mode.

Your Company has received financial closure from NHAI for HAM project, i.e., KNR Ramagiri Infra Private Limited on March 30, 2022. Your Company's order book position as on March 31, 2022 is ₹ 97,658 Mn including the new HAM project.

Going Forward

Your Company continues to demonstrate its strengths as a trusted, reliable and dependable construction partner. Infrastructure is crucially an important sector for the overall development of any country as it is the backbone of the country's economy and it potentially increase the productivity and seamless functioning of other business sectors in India.

The ready DPR under the Bharatmala project and Govt. thrust for the infra sector project awarding activity would accelerate going forward and this will be an impetus for the whole sector. Your Company is hopeful of bagging sizable orders.

I cannot miss the opportunity to thank the management team and employees for their perseverance, hard work and contribution. I would also like to place on record my gratitude to all our Board members for their continuous mentoring and support in our pursuit to achieve excellence in infrastructure building. While we solicit staff commitment and cooperation to achieve our

milestone, we also thank our investors, bankers and government agencies for their unstinted support and cooperation.

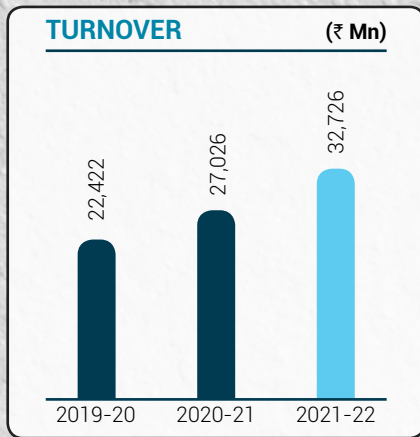

I am also thankful for the ongoing support received from our customers, business partners and shareholders for their continued trust and support in us and your Company at large.

Best Wishes,

K. Jalandhar Reddy

Promoter and Executive Director

Performance Trend

Management Discussion & Analysis

THE ECONOMIC SCENARIO

The Global Landscape

The world has experienced a time of unprecedented change and disruption in the past few years, owing to the COVID-19 pandemic and its after-effects. A shift in geopolitical realities was also observed and consequently, there was feeble growth, tighter financial conditions and elevated inflation. Global growth is expected to slump from 5.7 % in 2021 to 2.9 % in 2022— significantly lower than 4.1 % that was anticipated in January. (Source: <https://www.worldbank.org/en/news/press-release/2022/06/07/stagflation-risk-rises-amid-sharp-slowdown-in-growth-energy-markets#:~:text=This%20raises%20the%20risk%20of,that%20was%20anticipated%20in%20January.>). Moreover, the level of per capita income in developing economies this year will be nearly 5 % below its pre-pandemic trend, as predicted by World Bank.

Global inflation is expected to be moderate next year but may remain above the set targets in many economies. The global economy has started looking forward and it is the dire need of the hour to encourage production and avoid trade restrictions. Additionally, developing economies need to balance the need for fiscal sustainability with the need to mitigate the effects of today's overlapping crises. The war's effects on energy markets are clouding the global growth outlook and have led to a significant rise in prices across various commodities. Higher energy prices will lower real incomes, surge production costs and constrain macroeconomic policy.

Growth in advanced economies is projected to sharply decelerate from 5.1 % in 2021 to 2.6 % in 2022—1.2 % point below projections in January. Growth is expected to further moderate to 2.2 % in 2023. (Source: <https://www.worldbank.org/en/news/press-release/2022/06/07/stagflation-risk-rises-amid-sharp-slowdown-in-growth-energy-markets#:~:text=This%20raises%20the%20risk%20of,that%20was%20anticipated%20in%20January.>)

Decisive global and national policy action to avert the consequences of the war in Ukraine for the global economy can prove to be beneficial for the economy at large. Also, global efforts to limit the harm to those affected by the war and cushion the blow from surging oil and food prices, to speed up debt relief, and to expand vaccination in low-income countries can act as a boon in the present times.

While the economy has gradually started recovering, a lot is still to be achieved. Various efforts to respond to the crisis created by the war, prevent further economic fragmentation and end the pandemic have become highly essential.

The Indian Landscape

According to National Statistical Office, the Indian economy expanded by 8.7 % in 2021-22 against a 6.6 % contraction in 2020-21. The GDP growth for 2021-22 takes the economy above its pre-pandemic level and is an improvement after contracting 6.6 % in 2020-21. (Source: <https://www.ndtv.com/business/economy-grew-at-8-7-in-2021-22-above-pre-pandemic-level-3025968>). The post-pandemic economic recovery came along with immense support from the Government. This include initiatives towards infrastructure investment, simplifying labour regulations, privatising state-owned assets, modernising and integrating the logistics sector. The unemployment rate has gone down to levels seen before the pandemic; however the labour force participation rate remains below the pre-pandemic levels and workers have started shifting to lower-paying jobs.

A surge in prices across all items from fuel to vegetables and cooking oil led the wholesale price-based inflation (WPI) to a record high of 15.08 % in April and retail inflation to a near eight-year high of 7.79 %. (Source: <https://www.outlookindia.com/business/moody-s-slashes-india-s-economic-growth-forecast-to-8-8-for-2022-news-198694>). This surge in energy and food prices, coupled with supply and trade disruptions triggered by the war in Ukraine and the necessary interest-rate normalisation, account for most of the downgrade.

Going forward, various factors like spike in inflation, disruption caused by the third wave of COVID-19 pandemic and other factors will have to be kept in mind to assess the overall economic growth of the country. The Asian Development Bank forecasts that India's economy will grow due to support from increased public investment in infrastructure and a pickup in private investment. Additionally, India is on a path of sustained recovery, owing to the vigorous countrywide drive to deliver safe and wide-reaching COVID-19 vaccinations, which helped reduce the severity of the third pandemic wave with minimal disruptions to mobility and economic activity. Also, the Government of India's policy to improve logistics infrastructure, incentives to facilitate industrial production, and measures to improve farmers' income will support the country's accelerated recovery. (Source: <https://www.adb.org/news/indian-economy-grow-7-5-fy2022-8-fy2023>).

INDUSTRY STRUCTURE AND DEVELOPMENTS

The Infrastructure Sector

India's infrastructure sector has played a vital role for the economy over the years as it has met the needs of the population and the businesses. In the Union Budget for 2022-23, the outlay for capital expenditure has been increased sharply by 35.4%,

Management Discussion and Analysis (Contd.)

from ₹ 5.54 Lakh Crore to ₹ 7.50 Lakh Crore. All the states have been allocated ₹ 1 Lakh Crore to help them in fuelling overall investments in the economy. The budget focuses extensively on key growth engines – PM Gati Shakti plan for building crucial infrastructure like roads, ports, railways, logistics, etc. It can be predicted that reforms in these sectors will give a spur to the movement of goods and services and lay the blueprint for economic expansion over the next few years. A total of 2,000 km of rail network would be brought under KAWACH, which is an indigenously developed technology that helps prevent rail accidents. Four hundred new-generation high-speed Vande Bharat trains will be built over the next three years. In 2022-23, the national highway network will be increased by 25,000 kms. Housing is a crucial sector and the Government has allocated ₹ 48,000 Crore for the PM Awas Yojana. A total of 60,000 houses will be identified as beneficiaries under the scheme in rural and urban areas. (Source: <https://www.financialexpress.com/budget/budget-2022-recognises-need-to-spend-on-building-infrastructure/2425457/>)

The construction sector's contribution to the GDP has been substantial and the sector is known to create significant employment opportunities, attracts foreign investments and also establishes backward and forward linkages with other sectors of the Indian economy. The sector possesses vast potential for the future, as indicated by the Government plans for supporting infrastructure development in the country as a driver for economic growth. Moreover, increasing consolidation has given rise to some of the major players in the market in this industry. The lifting of COVID-19 restrictions and the gradual economic recovery has also brought some revival in the economy and has boosted consumer confidence.

The Road Construction Sector

After USA, India has the second largest road network in the world. The Indian road network comprises of National Highways, Expressways, State Highways, Major District Roads, Other District Roads and Village Roads. Along with development of National Highways, the largest proportions of roads continue to be state highways, district and rural roads.

In India, highways construction witnessed a CAGR of 13% between 2015-16 to 2020-21 despite some challenges in between. In the beginning of FY22, there was some slowdown in the pace of project award and construction after record highway construction in 2020-21. The slowdown was mainly due to various factors like multiple cyclones, heavy rains in southern states, construction on expressways along with additional time and pandemic related disruptions.

The Government plans to incur higher expenditure towards road construction. In the Union Budget 2022-23 – the Central Government has made the highest ever outlay of ₹ 1.99 Lakh Crores (compared to the estimated expenditure of ₹ 1.31 Lakh Crores for 2021-22) (Source: Roads & Highways Industry| Outlook, Care Edge Research). The Care Edge Research report further states the National Monetisation Plan (NMP) announced by the Government identifies the road sector having the maximum potential at ₹ 1.6 Lakh Crores which constitutes 27% share in the overall NMP. Also, over 26,700 km of road assets are to be monetised under NMP which makes around 20% of the total asset length.

Overall, the road construction sector is driven by significant initiatives and is on the path to create more employment opportunities. The Union Budget 2022 promotes a self-reliant India (Atma Nirbhar Bharat) where infrastructure and employment have been clearly boosted. It is a clearly beneficial Budget in the challenging economic environment - maintaining continuity to lead the path for accelerating developments in real estate, housing, and infrastructure which are the key drivers of the Indian economy.

Outlook

The outlook for the roads sector looks stable, as evidenced by the significant investment over the past decade. The sector has attracted various innovative public-private partnership (PPP) models attracting investments from the private sector. Given the increasing private participation, connectivity with ports and other key locations like consumption centres, metros, Tier-2 cities and places of strategic importance has further strengthened and thus people and goods can now move at a faster pace.

Under the National Infrastructure Pipeline (NIP), 18% of ₹ 111 Lakh Crores investment targeted over FY20-FY25 is to be made in the roads sector. Majority of it is targeted towards improving road length and safety features. A total of 1,815 national highway projects spanning 87,612 kms and 5 expressway projects spanning 2,142 kms have been identified under the pipeline with a capital expenditure of ₹ 13.8 Lakh Crores over the fiscal year 2020 to 2025. Delhi-Mumbai expressway and Chennai-Bengaluru Expressway have been identified as the marquee projects. (Source: Roads & Highways Industry| Outlook, Care Edge Research).

Several financial avenues that are innovative are being looked at such as asset monetisation, increased implementation of de-risked models like Hybrid Annuity Model (HAM) and introduction of investment platforms such as Infrastructure Investment

Management Discussion and Analysis (Contd.)

Trusts (InvITs) apart from monetisation planned through the NMP are being looked at to finance the NIP.

Also, the Government's initiatives including increased budget allocation towards road sector, high capex planned under NIP and innovative financing under NMP augur well for the sector.

COMPANY OVERVIEW

KNRCL is one of the leading companies in the field of Engineering, Procurement and Construction (EPC) services. The Company enjoys an enviable reputation in the infrastructure development segment with under-construction, operational, HAM, BOT and Annuity projects along with various EPC irrigation and flyover projects. The Company has successfully completed major projects in Roads and Highways, which is one of the fastest growing sectors of the country. The Company has also established its presence in Irrigation and Urban Water Infrastructure Management. With over two decades of experience and expertise in the construction sector, the Company has executed more than ~7,500 lane km Road Projects across 12 states in India.

The Company has completed Widening to 4/6 lanes and Strengthening of Existing two lane carriageway of NH -5 in the State of Orissa for a length of 56.0 Kms with total contract value of work is ₹ 2,310 Mn whereby existing road was widened & strengthened with flexible pavement but, new 2-lane road was constructed with concrete (PQC). Additionally, the Company has paved a concrete road for a width of 8.75m with G&Z slip form paver having automatic device for placement of tie bars and dowel bars at fixed interval and Concreted Batching Plant was installed with a capacity compatible with the paving capacity of G&Z paver for better quality control of PQC Road.

The Company strives to provide excellence in the field of Infrastructure services by striving continuously to provide eco-friendly solution adopting state-of-the-art practices and commitment to quality through motivated human resource.

Furthermore, the Company aims to add more business verticals to the organisation in the fields of construction of Elevated Metro Rail and Railway Projects.

Portfolio of BOT/HAM Projects

- 668 lane Kms Projects in the state of Telangana, Karnataka & Bihar
- 2 Annuity based Projects & 1 Toll based project
- 8 HAM projects with total Bid Project cost of ₹ 1,15,981.7 Mn

Order Book

The Company has a strong Order Book of ₹ 90,008 Mn as on March 31, 2022, of which ₹ 67,909 Mn comprises orders from the Roads Sector while ₹ 22,099 Mn form a part of the Irrigation Sector. Management Discussion and Analysis (Contd.)

OPPORTUNITIES & THREATS

The infrastructure sector plays a key role and is a major contributor to the Indian economy. In the FY2023 Union Budget announced, the Government has focused on enhancing investment in infrastructure as the latter speeds up economic growth. The budget was focused around the PM Gati Shakti National Master Plan, which is a digital platform to bring 16 Ministries including Railway and Roadways together for integrated planning and a coordinated implementation of infrastructure connectivity projects.

The budget has recognised PM Gati Shakti as one of the top four priorities of the Government. The scope of PM Gati Shakti National Master Plan will encompass the seven engines (Roads, Railways, Airports, Ports, Mass Transport, Waterways, and Logistics Infrastructure) to achieve economic transformation, seamless multimodal connectivity and logistics efficiency. (Source: EMIS Report on India Construction sector). The plan intends to give a new direction to the development of modern infrastructure through planning, implementation and monitoring along with cutting down on time and cost overruns of projects. Furthermore, the plan will ensure true public-private partnership in infrastructure creation from infrastructure planning to development and utilisation stage.

RISK MANAGEMENT

KNRCL acknowledges that every business has some inherent risks and thus, the Company adopts timely measures to understand the internal and external environment so that these risks can be identified and adequate measures can be taken to mitigate them. The Company has in place Enterprise Risk Management System (ERMS), which decides the possible mitigation plans for all risks and embeds them in the strategic plans of the Company.

Labour Shortage

The construction industry led to a loss of Mns of jobs during the pandemic period and the industry is still bearing the brunt of it. Construction companies have been struggling to fill positions and keep up with the growing demand for their services. Thus, not having enough workers available to complete a project or hit productivity goals poses a huge risk when taking on new projects.

Risk Mitigation: To combat labour shortage, the Company is offering competitive wages and benefits and also developing a strong company culture that values its employees and rewards dedication and hard work. To retain the labour force, the

Company also provides opportunities for training, mentoring and continuous education courses so that they are prepared for all the challenges, while also ensuring that their safety is not compromised.

Environmental Risk

The construction industry is heavily dependent on the environmental conditions. It is hard to predict a natural disaster and one must always be prepared for any such disaster. There is a constant fear of disasters like earthquakes, floods, hurricanes, tornadoes and fires among others as these can adversely affect the performance on existing sites and lead to a negative scenario.

Risk Mitigation: The Company takes adequate measures to assess environmental risks and manage them by studying various reports and adopt various safety measures to minimise accidents. Also, the Company has emergency response plans in place to deal with a situation that affects the environment.

Surge in Material Costs

The cost of raw materials and cement is on a constant rise. Consequently, buyers are less interested to invest in the construction sector. Moreover, there is also a shortage in supply of materials to the sector due to a disruptive supply chain. Additional cess on taxes is being introduced thereby spurring up the cost of raw materials.

Risk Mitigation: The Company tries to stock the raw materials well in advance for all its upcoming projects so that the surge in prices does not majorly affect the Company. Moreover, optimum utilisation of materials is done to avoid wastage and ensure ultimate sustainability.

Need for Multiple Clearances

The completion of any construction is largely dependent on multiple clearances from various authorities. The construction sector has to work in liaison with the electricity department, pollution control board and also focus on environment conservation, land, services, utilisation etc. It may also happen that the construction may be completed within the designated timeframe. However, approvals and clearances various bodies and authorities may delay the project as a whole.

Risk Mitigation: The Company maintains harmonious relations with all the regulatory and approval bodies to obtain approvals in a short span of time. The Company also ensures that the process of obtaining approvals is systematically planned so that unnecessary delay is not caused in the final delivery of any project.

Management Discussion and Analysis (Contd.)

Pandemic Risk

The varying degrees of impact due to the COVID-19 pandemic have been experienced by contractors, developers, workers and owners. There have been slow movement of supplies and some projects have also seen the plight of termination. The global construction output has been projected to fall by 3.1%. This will be a sharp contrast compared to the 3.1% increase that was recorded in 2019. (Source: <https://linchpinseo.com/construction-industry-challenges-and-opportunities/>).

Risk Mitigation: The Company is in a constant process of completing the underlying projects well in time. The Company is also implementing new strategies and preparing its employees to tackle challenges. Additionally, we also encourage all our employees to follow social distancing norms, wear masks compulsorily and regularly sanitise their hands.

Competition Risk

There is an increased risk of competition from domestic and international players due to increased project awarding by the Government. This subsequently leads to price cut and low operating margins and lower market share of project awards.

Risk Mitigation: The Company has more than two decades of industry experience and utilises it to its best advantage. The Company believes that it will be able to attain the desired level of success and financials and enjoy continued growth. To mitigate the risk of competition, the Company also forms strategic partnerships and joint ventures with many quality players of the industry. In this way, synergies of both companies can be utilised and it gets easier to compete with large players in the market.

Slow Technology Adoption

While technology is a boon for all the industries, numerous surveys and studies have proven that the construction industry has been slow in adopting technological changes. There are various technologies like fleet management telematics, GPS tracking, geofencing, monitoring worker hours which can provide immense benefits and also safeguard the interest of all employees. The construction industry has reached a point where adopting technological advancements is the only way forward. However, industry players are still taking their time and are not speedy enough to adopt changes.

Risk Mitigation: The Company is active in adopting any new trend that comes in the market and automate as many processes as possible and also trains employees to implement automatic processes. In the coming years, the Company will prudently accept all changes in the technological field to conquer the challenges faced by the industry.

FINANCIAL HIGHLIGHTS

Revenues

The total income from the operations posted by the Company on standalone basis for the year ended March 31, 2022, is ₹ 32,725.92 Mn. as against ₹ 27,026.29 Mn. during the same period in the previous financial year thereby recording an increase in turnover of ₹ 5,699.63Mn. (about 21.09%).

Details of significant changes (i.e. change of 25% or more as compared to the immediately previous financial year) in key financial ratios, networth along with detailed explanation: During the year on standalone basis there was some significant change in the financial ratios, networth compared to previous year, the details of which is reproduced in note no. 62 of standalone financial statement.

HUMAN RESOURCES

The Company has a strong belief that maximising the potential, skills and enthusiasm of each employee will help the Company in attaining sustainable growth. The Company is committed to providing a healthy and co-operative work environment. To ensure this, the Company properly listens to individual concerns and addresses the issues raised by the employees. The Company further empowers employees in a manner that encourages behavior resulting in better performances and value addition for customers.

The Company promotes diversity and is in a constant endeavor to establish a corporate culture that embodies mutual respect. It allows employees to play active roles in a workplace that promotes personal and professional growth, diverse values and conducive work environment that is completely free of discrimination and harassment. The Company's HR department

Management Discussion and Analysis (Contd.)

is fully trained to cater to the needs of the employees that may arise from time to time. Also, the HR department creates all HR strategies in consultation with the senior management and Board of Directors of the Company.

As on March 31, 2022, the Company's total number of talent pool stood at 2,205.

INTERNAL FINANCIAL CONTROLS AND THEIR ADEQUACY

KNRCL's intricate internal control systems ensure efficient use of resources and compliance with established policies, procedures and statutory requirements. The Company has in place well-documented guidelines, procedures for authorisation and approvals, including regular audits. The Company has a well-established internal audit framework that covers all aspects of financial and operational controls, across units, functions and departments. It also has an efficient financial reporting system in place. The Audit Committee of the Company evaluates the internal financial control system of the Company periodically.

Cautionary statement

The Management Discussion and Analysis contains 'forward-looking statements', identified by words like 'plans', 'expects', 'will', 'anticipates', 'believes', 'intends', 'projects', 'estimates'

and so on within the meaning of applicable securities laws and regulations concerning the Company's future business prospects and business profitability. All statements that address expectations or projections about the future, the Company's strategy for growth, product development, market position, expenditures and financial results, are forward-looking statements. All these prospects are subject to a number of risks and uncertainties and the actual results could materially differ from those in such forward-looking statements. The risks and uncertainties relating to these statements include, but are not limited to, risks and uncertainties regarding fluctuations in earnings, ability to manage growth, competition (both domestic and international), economic growth in India and the target countries worldwide, ability to attract and retain highly skilled professionals, time and cost overruns on contracts, ability to manage international operations, Government policies and actions with respect to investments, fiscal deficits, regulations, interest and other fiscal costs generally prevailing in the economy etc. Past performance may not be indicative of future performance. The Company does not undertake to make any announcement in case any of these forward-looking statements become materially incorrect in future nor shall the Company update any forward-looking statements made from time to time by or on its behalf.

Notice (Contd.)

NOTES FOR MEMBERS:

1. In view of the ongoing Covid-19 pandemic, the Ministry of Corporate Affairs (MCA), has vide its General Circulars No. 14/2020 dated April 8, 2020, 17/2020 dated April 13, 2020, 20/2020 dated May 5, 2020, 02/2021 dated January 13, 2021, 21/2021 dated December 14, 2021 and 02/2022 dated May 5, 2022 and SEBI vide its circular Nos s. SEBI/HO/CFD/CMD1CIR/P/2020/79 dated May 12, 2020, SEBI/HO/CFD/CMD2/CIR/P/2021/11 dated January 15, 2021 and SEBI/HO/CFD/CMD2/CIR/P/2022/62 dated May 13, 2022 (collectively referred to as "SEBI Circulars") permitted convening the Annual General meeting (AGM) through video conferencing (VC) or other Audio Visual Means (OAVM) without physical presence of the members at a common venue. In accordance with the MCA Circulars and SEBI Circulars and provisions of the Companies Act, 2013 ("the Act") and the SEBI (LODR) Regulations, 2015 ("SEBI Listing Regulations"), the AGM of the Company is being held through VC/OAVM. The deemed venue for the AGM shall be the registered office of the Company.
2. Pursuant to the provisions of the Act, a Member entitled to attend and vote at the AGM is entitled to appoint a proxy to attend and vote on his/her behalf and the proxy need not be a Member of the Company.

Since this AGM is being proposed to be held pursuant to the said MCA Circulars through VC / OAVM, physical attendance of Members has been dispensed with. Accordingly, the facility for appointment of proxies by the Members will not be available for the AGM and hence the Attendance Slip and Proxy Form are not attached to this Notice.
3. Statement as required under section 102 of the Companies Act, 2013, in respect of items of special business is annexed hereto.
4. In case you are holding the Company's shares in dematerialised form, please contact your depository participant and give suitable instructions to update your bank details in your demat account and to notify any changes with respect to their addresses, email id, ECS mandate etc. In case you are holding Company's shares in physical form, please inform Company's RTA viz. M/s. Link Intime India Private Limited (RTA), C-101, 247 Park, LBS Marg, Vikhroli (West), Mumbai – 400083 by enclosing a photocopy of blank cancelled cheque of your bank account.
5. As per Regulation 40 of the Listing Regulations, as amended, securities of listed companies can be transferred only in dematerialised form with effect from April 01, 2019, except in case of request received for transmission or transposition of securities. In view of this and to eliminate any risk associated with physical shares and for ease of portfolio management, members holding shares in physical form are requested to consider converting their holdings to dematerialised form. M/s. Link Intime India Private Limited (RTA). C-101, 247 Park, LBS Marg, Vikhroli (West), Mumbai – 400083 are the Registrar & Share Transfer Agents (RTA) of the Company. All communications in respect of share transfers, dematerialisation and change in the address of the members may be communicated to the RTA.
6. Members holding shares in the same name under different Ledger Folios are requested to apply for consolidation of such Folios and send the relevant share certificates to the RTA/Company.
7. Corporate members intending to send their authorised representatives to attend the meeting are requested to send to the Company's email id investors@knrc.com , a certified copy of the Board resolution authorising their representative to attend and vote on their behalf at the meeting.
8. Members who hold shares in physical form can nominate a person in respect of all the shares held by them singly or jointly. Members who hold shares in single name are advised, in their own interest to avail the nomination facility. Members holding shares in dematerialised form may contact their respective depository participant(s) for recording nomination in respect of their shares.
9. The register of members and share transfers of the Company shall be closed from September 23, 2022 till September 29, 2022 (both days inclusive) and Record date has been fixed as September 22, 2022 for the purpose of payment of dividend for the financial year ended March 31, 2022.

Pursuant to Finance Act, 2020, dividend income will be taxable in the hands of shareholders w.e.f. April 1, 2020 and the Company is required to deduct tax at source from dividend paid to shareholders at the prescribed rates. For the prescribed rates for various categories, the shareholders are requested to refer to the Finance Act, 2020 and amendments thereof. The shareholders are requested

Notice (Contd.)

to update their PAN with the Company / Registrar and Transfer Agent (in case of shares held in physical mode) and with the Depository Participants (in case of shares held in Demat mode).

A Resident individual shareholder with PAN and who is not liable to pay income tax, can submit a yearly declaration in Form No. 15G/15H, to avail the benefit of non-deduction of tax at source by sending an email to investors@knrcl.com on or before September 21, 2022.

Shareholders are requested to note that in case their PAN is not registered, tax will be deducted at a higher rate of 20%. Non-resident shareholders can avail beneficial rates under tax treaty between India and their country of residence, subject to providing necessary documents i.e. No Permanent Establishment and Beneficial Ownership Declaration, Tax Residency Certificate, Form 10F, any other document which may be required to avail the tax treaty benefits by sending an email to investors@knrcl.com. The aforesaid declarations and documents need to be submitted by the shareholders on or before September 21, 2022.

10. Transfer of Unclaimed/Unpaid amounts to the Investor Education and Protection Fund (IEPF):

Members are requested to note that dividends not encashed or remaining unclaimed for a period of 7 (seven) years from the date of transfer to the Company's Unpaid Dividend Account, shall be transferred to the Investor Education and Protection Fund ("IEPF") established by the Central Government. Further, pursuant to the provisions of Section 124 of the Act read with the Investor Education and Protection Fund Authority (Accounting, Audit, Transfer and Refund) Rules, 2016 ('IEPF Rules') as amended from time to time, all shares on which dividend has not been paid or claimed for seven consecutive years or more shall be transferred to IEPF Authority as notified by the Ministry of Corporate Affairs.

The Members/Claimants whose shares, unclaimed dividend have been transferred to IEPF may claim the shares or apply for refund by making an application to IEPF Authority in Form IEPF 5 which is available on www.iepf.gov.in and on the website of the Company www.knrcl.com along with requisite fee as decided by it from time to time.

Members who have not yet encashed the dividend warrants from the financial year ended March 31, 2015 onwards

are requested to forward their claims to the Company's Registrar and Share Transfer Agents without any further delay. It is in Members' interest to claim any un-encashed dividends and for future, opt for Electronic Clearing Service, so that dividends paid by the Company are credited to the Members' account on time.

It may be noted that once the unclaimed dividend is transferred to IEPF as above, no claim shall rest with the Company in respect of such amount. It may also be noted that the unclaimed dividend amount which were lying with the Company upto and in respect of the year ended on March 31, 2014, have already been transferred to IEPF. The details of the unclaimed dividends are available on the Company's website at www.knrcl.com and on the website of Ministry of Corporate Affairs at www.iepf.gov.in. Members are requested to contact the Company's Registrar and Share Transfer Agent or the Company to claim the unclaimed/unpaid dividends.

11. Members seeking any information or clarification on the accounts are requested to send their queries to the Company, in writing, at least ten days before the date of the meeting. Replies will be provided in respect of such written queries at the meeting.
12. Pursuant to the directions/notifications of Securities and Exchange Board of India (SEBI) and Depositories, the demat account holders can operate their accounts if they had already provided Income Tax Permanent Account Number either at the time of opening of the account or at any time subsequently. In case they have not furnished the Income Tax Permanent Account Number to the Depository Participants, such demat account holders are requested to contact their DPs with a photocopy of the PAN Card (with original PAN Card for verification), so that the frozen demat accounts would be available for operation and further consequences of non-compliance with the aforesaid directives would be obviated. SEBI, vide Circular ref.no.MRD/Dop/Cir-05/2009 dated May 20, 2009 made it mandatory to have PAN particulars for registration of physical share transfer requests. Based on the directive contained in the said circulars, all share transfer requests are therefore to be accompanied with PAN details. Members holding shares in physical form can submit their PAN details to the Company / RTA.
13. The register of Directors and Key Managerial Personnel maintained under Section 170 of the Companies Act, 2013

Notice (Contd.)

and Register of Contracts and arrangements in which Directors are interested, maintained under Section 189 of the Act, will be electronically available for inspection by the members during the AGM.

Members may also note that the Notice of the 27th Annual General Meeting is available on the Company's website, www.knrcl.com. All documents referred to in the accompanying Notice and the Statement pursuant to Section 102(1) of the Companies Act, 2013 shall be open for inspection in electronic mode by the Members by writing an e-mail to the Company Secretary at investors@knrcl.com.

In compliance with the MCA Circulars dated May 05, 2020, January 13, 2021, December 14, 2021 and May 05, 2022 and SEBI Circular dated January 15, 2021, May 13, 2022, Notice of the AGM along with Annual Report 2021-22 is being sent only through electronic mode to those Members whose e-mail addresses are registered with the Company / Depository Participants. Members may note that the Notice and the Annual Report 2021-22 will also be available on the Company's website at www.knrcl.com on the website of the Stock Exchanges i.e. BSE Limited and National Stock Exchange of India Limited at www.bseindia.com and www.nseindia.com respectively, and on the website of CDSL www.evotingindia.com.

To support 'Green Initiative', members who have not registered their email addresses are requested to register the same with the Company's Registrar and Share Transfer Agent/ their Depository Participants in respect of shares held in physical/electronic mode, respectively.

14. Members attending the AGM through VC / OAVM shall be counted for the purpose of reckoning the quorum under Section 103 of the Act.
15. Since the AGM will be held through VC/OAVM, the Route Map is not annexed to the Notice.
16. Additional information in respect of Director seeking appointment/ re-appointment as required under Regulation 36 of SEBI (Listing Obligations and Disclosure Requirements) Regulation, 2015 read with Secretarial Standards on General Meetings issued by the ICSI forms part of this Notice. Requisite consent / declaration has been received in this regard.

E-VOTING

CDSL e-Voting System – For Remote e-voting and e-voting during AGM

1. As you are aware, in view of the situation arising due to COVID-19 global pandemic, the general meetings of the companies shall be conducted as per the guidelines issued by the Ministry of Corporate Affairs (MCA) vide Circular No. 14/2020 dated April 8, 2020, Circular No.17/2020 dated April 13, 2020, Circular No. 20/2020 dated May 05, 2020, 02/2021 dated January 13, 2021, 21/2021 dated December 14, 2021 and 02/2022 dated May 5, 2022 and SEBI Circulars, the forthcoming AGM will thus be held through video conferencing (VC) or other audio visual means (OAVM). Hence, Members can attend and participate in the ensuing AGM through VC/OAVM.
2. Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of SEBI (Listing Obligations & Disclosure Requirements) Regulations 2015 (as amended), and MCA Circulars dated April 08, 2020, April 13, 2020 and May 05, 2020 the Company is providing facility of e-voting to its Members in respect of the business to be transacted at the AGM. For this purpose, the Company has entered into an agreement with Central Depository Services (India) Limited (CDSL) for facilitating voting through electronic means, as the authorised e-Voting's agency. The facility of casting votes by a member using remote e-voting as well as the e-voting system on the date of the AGM will be provided by CDSL.
3. The Members can join the AGM in the VC/OAVM mode 15 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. The facility of participation at the AGM through VC/OAVM will be made available to atleast 1000 members on first come first served basis. This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the AGM without restriction on account of first come first served basis.
4. The attendance of the Members attending the AGM through VC/OAVM will be counted for the purpose of ascertaining

Notice (Contd.)

- the quorum under Section 103 of the Companies Act, 2013.
5. The Company has appointed Mr. Vikas Sirohiya, Practicing Company Secretary (Membership No. A15116, C.P. No. 5246), a Partner of M/s P S Rao and Associates, Company Secretaries, Hyderabad as Scrutiniser to scrutinise the e-voting process in a fair and transparent manner.
 6. Pursuant to MCA Circular No. 14/2020 dated April 08, 2020 and June 23, 2021, the facility to appoint proxy to attend and cast vote for the members is not available for this AGM. However, in pursuance of Section 112 and Section 113 of the Companies Act, 2013, representatives of the members such as the President of India or the Governor of a State or body corporate can attend the AGM through VC/OAVM and cast their votes through e-voting.
 7. In line with the Ministry of Corporate Affairs (MCA) Circular No. 17/2020 dated April 13, 2020 and 10/2021 dated June 23, 2021, the Notice calling the AGM has been uploaded on the website of the Company at www.knrc.com. The Notice can also be accessed from the websites of the Stock Exchanges i.e. BSE Limited and National Stock Exchange of India Limited at www.bseindia.com and www.nseindia.com respectively. The AGM Notice is also disseminated on the website of CDSL at www.evotingindia.com.

INSTRUCTIONS FOR SHAREHOLDERS FOR REMOTE E-VOTING AND E-VOTING DURING AGM AND JOINING MEETING THROUGH VC/OAVM ARE AS UNDER:

- (i) The voting period begins on Monday, September 26, 2022 at 09.00 AM and ends on Wednesday, September 28, 2022 at 05.00 PM. During this period shareholders of the Company, holding shares either in physical form or in dematerialised form, as on the cut-off date, September 22, 2022 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.

- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- (iii) Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 09, 2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders /retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

- (iv) In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 09, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their demat accounts in order to access e-Voting facility.

Pursuant to above said SEBI Circular, Login method for e-Voting and joining virtual meetings for Individual shareholders holding securities in Demat mode is given below:

Notice (Contd.)

Type of shareholders	Login Method
Individual Shareholders holding securities in Demat mode with CDSL	<ol style="list-style-type: none"> 1) Users who have opted for CDSL Easi / Easiest facility, can login through their existing user id and password. Click on company name or e-Voting service provider name and you will be redirected to e-Voting service provider website for casting your vote during the remote e-Voting period or joining virtual meeting & voting during the meeting.</p>

Notice (Contd.)

Important note: Members who are unable to retrieve User ID/ Password are advised to use Forget User ID and Forget Password option available at abovementioned website.

Helpdesk for Individual Shareholders holding securities in demat mode for any technical issues related to login through Depository i.e. CDSL and NSDL

Login type	Helpdesk details
Individual Shareholders holding securities in Demat mode with CDSL	Members facing any technical issue in login can contact CDSL helpdesk by sending a request at helpdesk.evoting@cdslindia.com or contact at 022-23058738 and 22-23058542-43.
Individual Shareholders holding securities in Demat mode with NSDL	Members facing any technical issue in login can contact NSDL helpdesk by sending a request at evoting@nsdl.co.in or call at toll free no.: 1800 1020 990 and 1800 22 44 30

(v) Login method for e-Voting and joining virtual meeting for shareholders other than individual shareholders holding in Demat form & physical shareholders.

- 1) The shareholders should log on to the e-voting website www.evotingindia.com.
- 2) Click on "Shareholders" module.
- 3) Now enter your User ID
 - a. For CDSL: 16 digits beneficiary ID
 - b. For NSDL: 8 Character DP ID followed by 8 Digits Client ID
 - c. Shareholders holding shares in Physical Form should enter Folio Number registered with the Company.
- 4) Next enter the Image Verification as displayed and Click on Login.
- 5) If you are holding shares in demat form and had logged on to www.evotingindia.com and voted on an earlier e-voting of any company, then your existing password is to be used.
- 6) If you are a first-time user follow the steps given below:

	For Shareholders holding shares in Demat Form other than individual and Physical Form
PAN	Enter your 10-digit alpha-numeric *PAN issued by Income Tax Department (Applicable for both demat shareholders as well as physical shareholders) <ul style="list-style-type: none"> • Shareholders who have not updated their PAN with the Company/Depository Participant are requested to use the sequence number sent by Company/RTA or contact Company/RTA.
Dividend Bank Details OR Date of Birth (DOB)	Enter the Dividend Bank Details or Date of Birth (in dd/mm/yyyy format) as recorded in your demat account or in the Company records in order to login. <ul style="list-style-type: none"> • If both the details are not recorded with the depository or company, please enter the member id / folio number in the Dividend Bank details field as mentioned in instruction.

- (vi) After entering these details appropriately, click on "SUBMIT" tab.
- (vii) Shareholders holding shares in physical form will then directly reach the Company selection screen. However, shareholders holding shares in demat form will now reach 'Password Creation' menu wherein they are required to mandatorily enter their login password in the new password field. Kindly note that this password is to be also used by the demat holders for voting for resolutions of any other company on which they are eligible to vote, provided that company opts for e-voting through CDSL platform. It is strongly recommended not to share your password with any other person and take utmost care to keep your password confidential.
- (viii) For shareholders holding shares in physical form, the details can be used only for e-voting on the resolutions contained in this Notice.

Notice (Contd.)

- (ix) Click on the EVSN for the relevant <Company Name> on which you choose to vote
- (x) On the voting page, you will see "RESOLUTION DESCRIPTION" and against the same the option "YES/NO" for voting. Select the option YES or NO as desired. The option YES implies that you assent to the Resolution and option NO implies that you dissent to the Resolution.
- (xi) Click on the "RESOLUTIONS FILE LINK" if you wish to view the entire Resolution details.
- (xii) After selecting the resolution, you have decided to vote on, click on "SUBMIT". A confirmation box will be displayed. If you wish to confirm your vote, click on "OK", else to change your vote, click on "CANCEL" and accordingly modify your vote.
- (xiii) Once you "CONFIRM" your vote on the resolution, you will not be allowed to modify your vote.
- (xiv) You can also take a print of the votes cast by clicking on "Click here to print" option on the Voting page.
- (xv) If a demat account holder has forgotten the login password, then Enter the User ID and the image verification code and click on Forgot Password & enter the details as prompted by the system.

(xvi) **Facility for Non – Individual Shareholders and Custodians – Remote Voting**

- Non-Individual shareholders (i.e. other than Individuals, HUF, NRI etc.) and Custodians are required to log on to www.evotingindia.com and register themselves in the "Corporates" module.
- A scanned copy of the Registration Form bearing the stamp and sign of the entity should be emailed to helpdesk.evoting@cdslindia.com.
- After receiving the login details a Compliance User should be created using the admin login and password. The Compliance User would be able to link the account(s) for which they wish to vote on.
- The list of accounts linked in the login should be mailed to helpdesk.evoting@cdslindia.com and on approval of the accounts they would be able to cast their vote.
- A scanned copy of the Board Resolution and Power of Attorney (POA) which they have issued in favour of the Custodian, if any, should be uploaded in PDF format in the system for the scrutiniser to verify the same.

- Alternatively, Non Individual shareholders are required to send the relevant Board Resolution/ Authority letter etc. together with attested specimen signature of the duly authorised signatory who are authorised to vote, to the Scrutiniser and to the Company at the email address investors@knrc.com (designated email address by company), if they have voted from individual tab & not uploaded same in the CDSL e-voting system for the scrutiniser to verify the same.

Directors' Report (Contd.)

Reserves

The Company is not proposing to transfer any amount to the General Reserves of the Company out of the profits made during the year. The total Other Equity (including securities premium Reserves, General Reserves, Surplus in statement of profit and loss and other comprehensive income) as on March 31, 2022 is ₹ 2,18,572.24 Lakhs as against the Paid-up capital of ₹ 5,624.70 Lakhs

Performance of Subsidiaries

As per Rule 8 of Companies (Accounts) Rules, 2014, a Report on the Financial performance of the Subsidiaries Companies during the Financial Year ended March 31, 2022 is annexed herewith as **Annexure I**.

Dividend

The Board of Directors have recommended a final dividend of ₹ 0.25/- per Equity Share for the financial year ended March 31, 2022 amounting to ₹ 703.09 Lakhs. The dividend shall be paid to the members whose names appear in the Register of Members as on September 22, 2022. In respect of shares held in the dematerialised form, it shall be paid to members whose names are furnished by National Securities Depository Limited and Central Depository Services (India) Limited as beneficial owners as on that date.

Pursuant to the Finance Act, 2020, dividend income is taxable in the hands of the shareholders w.e.f. April 01, 2020 and the Company is required to deduct tax at source (TDS) from dividend paid to the Members at prescribed rates as per the Income-tax Act, 1961.

The dividend payout for the year under review has been formulated in accordance with the Company's policy linked with long term performance, keeping in view the Company's need for capital for its growth plans and the intent to finance such plans through internal accruals to the maximum. The Dividend Distribution Policy of the Company is annexed herewith marked as **Annexure II** to this Report. The Dividend Distribution Policy is posted on the website of the Company and the web link is <http://knrcl.com/images/policies/KNRCL-DIVIDEND-DISTRIBUTION-POLICY.pdf> There has been no change in the policy during the year.

CHANGE IN NATURE OF BUSINESS

During the year under review, there is no change in the nature of business in which the Company operates.

MATERIAL CHANGES AND COMMITMENTS, IF ANY, AFFECTING THE FINANCIAL POSITION OF THE COMPANY.

During the year under review, till the date of this report, there were no material changes and commitments that may affect the financial position of the Company.

CAPITAL STRUCTURE

Authorised Capital:

The authorised share capital of the Company is ₹ 60,00,00,000/- (Sixty Crores Only) divided into 30,00,00,000 (Thirty Crores only) Equity shares of ₹ 2/- (Rupees Two only) each as on March 31, 2022.

INVESTOR EDUCATION AND PROTECTION FUND

In terms of Section 125 of the Companies Act, 2013, an amount of ₹ 46,090 /- being unclaimed dividend for the Financial Year 2013-14 was transferred to the Investor Education and Protection fund (IEPF) established by the Central Government during the year under review.

Directors' Report (Contd.)

The Company had transferred 1834 equity shares as required under the provisions of Section 124(6) of the Companies Act, 2013 to IEPF Authority, pertaining to financial year 2013-14.

Members are requested to note that dividends not encashed or remaining unclaimed for a period of 7 (seven) years from the date of transfer to the Company's Unpaid Dividend Account, shall be transferred to the Investor Education and Protection Fund ("IEPF") established by the Central Government. Further, pursuant to the provisions of Section 124 of the Act read with the Investor Education and Protection Fund Authority (Accounting, Audit, Transfer and Refund) Rules, 2016 ('IEPF Rules') as amended from time to time, all shares on which dividend has not been paid or claimed for seven consecutive years or more shall be transferred to IEPF Authority as notified by the Ministry of Corporate Affairs.

The Members/Claimants whose shares, unclaimed dividend have been transferred to IEPF may claim the shares or apply for refund by making an application to IEPF Authority in Form IEPF 5 which is available on www.iepf.gov.in and on the website of the Company www.knrcl.com along with requisite fee as decided by it from time to time.

Members who have not yet encashed the dividend warrants from the financial year ended March 31, 2015 onwards are requested to forward their claims to the Company's Registrar and Share Transfer Agents without any further delay. It is in Members' interest to claim any un-encashed dividends and for future, opt for Electronic Clearing Service, so that dividends paid by the Company are credited to the Members' account on time.

It may be noted that once the unclaimed dividend is transferred to IEPF as above, no claim shall rest with the Company in respect of such amount. It may also be noted that the unclaimed dividend amount which were lying with the Company upto the year ended on March 31, 2014, have already been transferred to IEPF. The details of the unclaimed dividends are available on the Company's website at www.knrcl.com and on the website of Ministry of Corporate Affairs at www.mca.gov.in. Members are requested to contact the Company's Registrar and Share Transfer Agent or the Company to claim the unclaimed/unpaid dividends.

Nodal Officer:

Pursuant to the provisions of Rule 7(2B) of Investor Education and Protection Fund (Accounting, Audit, Transfer and Refund) Second Amendment Rules, 2019, the Company has appointed Smt. Haritha Varanasi, Company Secretary of the Company as Nodal Officer of the Company.

DIRECTORS:

Non Independent Directors

During the year under review, there are three non-independent Directors in the Board namely Shri K Narsimha Reddy, Managing Director, Shri K Jalandhar Reddy, Executive Director and Smt. K Yashoda, Non-Executive Director.

In accordance with the requirements of the Companies Act, 2013 Smt. K Yashoda, Director of the Company is liable to retire by rotation at the Annual General Meeting and, being eligible, offer herself for reappointment at the ensuing Annual General Meeting.

Save and except the aforesaid, there was no appointment / reappointment of any Director on the Board of the Company during the FY 2021-22.

Brief resume of the Director proposed to be reappointed, nature of their expertise in specific functional areas, names of the companies in which they hold directorships and relationships between directors inter-se, as stipulated under Regulation 36 of SEBI (LODR) Regulations, 2015 and Secretarial Standard on General Meetings issued by the Institute of Company Secretaries of India, is annexed to the notice of the Annual General Meeting.

The Board of Directors has complete access to the information within the Company. Independent Directors have the freedom to interact with the Company's management. Interactions happen during Board / Committee meetings, when MD / ED are asked to make presentations about performance of the Company to the Board. Apart from this, they also have independent interactions with the Statutory Auditors, the Internal Auditors and external advisors appointed from time to time. Further, Independent Directors meet without the presence of any management personnel and their meetings are conducted informally to enable them to discuss matters pertaining to the Company's affairs and put forth their combined views to the Board of Directors of the Company.

Independent Directors

The Company has received declarations from the independent directors of the Company to the effect that they meet the criteria of independence as laid under the provisions of Section 149 (6) of the Companies Act, 2013 and Regulation 16 (1) (b) read with Regulation 25 of SEBI (LODR) Regulations, 2015 in respect of the financial year ended March 31, 2022.

The Independent Directors have also confirmed that they are in compliance with the Code of Conduct as stipulated under Schedule IV of the Companies Act, 2013 and also of the Company.

Directors' Report (Contd.)

In terms of Regulation 25 (8) of SEBI (LODR) Regulations, 2015 the Independent Directors have also confirmed that they are not aware of any circumstance or situation, which exists or which may be reasonably anticipated, that could impair or impact their ability to discharge their duties with an objective independent judgement and without any external influence.

During the year under report, the Independent Directors of the Company had no pecuniary relationship or transactions with the Company, except to the extent of sitting fees and reimbursement of expenses incurred by them for the purpose of attending the meetings of the Board and its committees.

Proficiency of Directors:

In compliance with Rule 6 of Companies (Appointment and Qualification of Directors) Rules, 2014, all the Independent Directors of the Company have registered themselves with the Independent Directors Data Bank maintained by IICA. Except Smt. G Chandra Rekha, who has appeared and qualified the proficiency test conducted by IICA, none of the other independent Directors were required to appear for the aforesaid test.

Policy On Director's Appointment and Remuneration and Other Details:

The Nomination and Remuneration Committee has laid down the criteria for Directors' appointment and remuneration including criteria for determining qualification, positive attributes and independence of a Director. The following attributes/criteria for selection have been laid by the Board on the recommendation of the Committee:

- The candidate should possess the attributes such as leadership, professional stature, domain expertise or such other attributes which in the opinion of the Committee are in the interest of the Company;
- the candidate should be free from any disqualification as provided under Sections 164 and 167 of the Companies Act, 2013;
- the candidate should meet the conditions of being independent as stipulated under the Companies Act, 2013 and SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, in case of appointment as an independent director; and
- the candidate should possess appropriate educational qualification, skills, experience and knowledge in one or more fields of finance, law, management, technical operations, infrastructure, or such other areas or disciplines which are relevant for the Company's business.

Key Managerial Personnel:

Pursuant to the provisions of Section 203 of the Companies Act, 2013 the following are the Key Managerial Personnel of the Company:

- | | |
|--------------------------|---|
| - Shri K Narsimha Reddy | - Managing Director |
| - Shri K Jalandhar Reddy | - Whole-time Director & Chief Financial Officer |
| - Smt. Haritha Varanasi | - Company Secretary |

Remuneration policy

The Company has in place remuneration policy to ensure that the Key Managerial Personnel (KMP) and Senior Managerial Personnel (SMP) shall be competitive in order to ensure that the Company can attract and retain competent talent.

The remuneration policy of the Company shall ensure that:

- The level and composition of remuneration is reasonable and sufficient to attract, retain and motivate directors/KMPs and SMPs of the quality required to run the Company successfully.
- Relationship of remuneration to performance is clear and meets appropriate performance benchmarks.
- Remuneration to directors, KMP and SMP involves a balance between fixed and variable pay reflecting short and long term performance objectives and goals set by the Company.
- Remuneration package is linked to the achievement of corporate performance targets and a strong alignment of interest with stakeholders.

The detailed remuneration policy of the Company can be accessed at the website of the Company through the below link: <http://knrcl.com/images/policies/Remuneration-Policy.pdf>

COMMITTEES OF THE BOARD

The Company has duly constituted the following committees as per the provisions of the Companies Act, 2013 and SEBI (LODR) Regulations, 2015

- a) Audit Committee
- b) Stakeholders Relationship Committee

Directors' Report (Contd.)

MEETINGS OF THE BOARD AND COMMITTEES

Five (5) meetings of the Board of Directors were held during the year under report. The Board of Directors and Committees have duly met and the minutes of the meetings are duly recorded. The details of the meetings of the Board and its Committees are provided in the Corporate Governance Report which forms integral part of this report.

RECOMMENDATIONS OF AUDIT COMMITTEE

The Board has taken into consideration, accepted and acted upon all the recommendations of the Audit Committee.

BOARD DIVERSITY

The Company recognises that having a diverse Board enhances the quality of its performance. The Company continues to increase the diversity in the Board as and when required, as the Company believes that it is an essential element in supporting and attainment of its strategic objectives and its sustainable development. The Company has in place policy on Board Diversity and can be accessed at <http://knrc.com/images/policies/Board-Diversity-Policy.pdf>.

BOARD EVALUATION

The Nomination and Remuneration Committee lays down the criteria for performance evaluation of Independent Directors, Board of Directors and Committees of the Board.

The parameters like attendance and participation of Directors in the meetings of the Board and its Committees thereof, contribution to strategic decision making, financial statements and business performance have been the basis criteria for performance evaluation.

The evaluation of Board as a whole and each individual director is performed after seeking all the inputs from the Directors.

The performance evaluation of executive Directors, Chairperson of the Board is done by the Independent Directors at their separate meeting.

For the year 2021-22, evaluation of Board as a whole, Non-executive and Independent Directors and Executive Directors of the Company has been duly carried out as per the policy laid by the Nomination and Remuneration Committee.

FAMILIARISATION PROGRAM FOR INDEPENDENT DIRECTORS

All Independent Directors are familiarised with the operations and functioning of the Company. The details of familiarisation program are provided in Corporate Governance Report which forms part of the Annual Report.

MANAGEMENT DISCUSSION AND ANALYSIS STATEMENT

Management's Discussion and Analysis report for the year under review as stipulated under Regulation 34(2) (e) SEBI (LODR) Regulation, 2015 of the LODR Regulations 2015 is presented in a separate section forming part of the Annual report

DIRECTORS' RESPONSIBILITY STATEMENT

Pursuant to the requirements under Section 134 (3) (c) of the Companies Act, 2013, with respect to Directors' Responsibility Statement, Your Directors hereby confirm that:

- a) in the preparation of the annual accounts for the year ended March 31, 2022, the applicable accounting standards read with requirements set out under Schedule III to the Act, have been followed and there are no material departures from the same;
- b) the Directors have selected such accounting policies and applied them consistently and made judgments and estimates that are reasonable and prudent so as to give a true and fair view of the state of affairs of the Company as at March 31, 2022 and of the profit of the Company for the year ended on that date;
- c) the Directors have taken proper and sufficient care for the maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting fraud and other irregularities;
- d) the Directors have prepared the annual accounts on a 'going concern' basis;
- e) the Directors have laid down internal financial controls to be followed by the Company and that such internal financial controls are adequate and are operating effectively; and
- f) the Directors have devised proper systems to ensure compliance with the provisions of all applicable laws and that such systems are adequate and operating effectively.

IMPLEMENTATION OF CORPORATE ACTIONS, FAILURES IF ANY

During the year under review, no instances of failure to implement corporate actions were reported.

CORPORATE GOVERNANCE

The Company is committed to maintain the highest standards of corporate governance and adhere to the corporate governance requirements set out by SEBI. The report on Corporate Governance as stipulated under the SEBI(LODR) Regulations,

Directors' Report (Contd.)

2015, forms an integral part of this Report. The requisite certificate from the Auditors of the Company confirming compliance with the conditions of corporate governance is attached to the report on Corporate Governance.

CORPORATE SOCIAL RESPONSIBILITY (CSR)

Your Company is committed to enhance value creation in the society and community in which it operates. Through its conduct, services, and CSR initiatives it will strive to promote sustained growth in the surrounding environs.

The Corporate Social Responsibility Committee (CSR Committee) has formulated and recommended to the Board, a Corporate Social Responsibility Policy (CSR Policy) indicating the activities to be undertaken by the Company, which has been approved by the Board. The CSR Policy of the Company is available on the website of the Company (http://knrcl.com/images/policies/knrcl_CSR.pdf).

The Company has identified three focus areas of engagement which are as under:

1. Promoting education, including special education and employment enhancing vocation skills especially among children, women, elderly and the differently abled and livelihood enhancement projects
2. Rural development projects
3. Promoting gender equality, empowering women, setting up homes and hostels for women and orphans; setting up old age homes, day care centers and such other facilities for senior citizens and measures for reducing inequalities faced by socially and economically backward groups;

The Company as part of its Corporate Social Responsibility (CSR) initiative, undertook projects like promotion of education in rural areas, infrastructure and maintenance and renovation of old age homes.

The balance amount is being transferred to unspent CSR account.

STATUTORY AUDITORS

M/s K P Rao & Co., Chartered Accountants, were appointed as Statutory Auditors of the Company at the 22nd Annual General Meeting held on September 28, 2017 for a period of 5 years ie., upto conclusion of 27th AGM to be held in the year 2022. Consequently, M/s K P Rao & Co., Chartered Accountants, complete their first term of five consecutive years as the statutory auditors of the Company at the conclusion of 27th Annual General Meeting of the Company.

Pursuant to section 139(2) of the Act, the Company can appoint an auditors firm for a second term of five consecutive years.

M/s K P Rao & Co., Chartered Accountants have consented to the said re-appointment and confirmed that their re-appointment, if approved, would be within the limits specified under Section 141(3) of the Companies Act, 2013. They have further confirmed that they are not disqualified to be reappointed as statutory auditors in terms of the provisions of the Companies (Audit and Auditors) Rules, 2014, as amended from time to time.

The Audit Committee and Board of Directors recommend the re-appointment of M/s K P Rao & Co., Chartered Accountants as statutory auditors of the Company from the conclusion of 27th AGM till the conclusion of 32nd AGM, to the members.

Further, the Statutory Auditor's report does not contain any qualifications, reservations, adverse remarks or disclaimers, except the emphasis on the search conducted by Income Tax Department in the month of March 2022. The said IT Search doesn't have any impact on the operational performance and financial statements of the Company as on the date of this report. The Statutory Auditors attended the AGM held on 29th September 2021.

INTERNAL AUDITOR & CONTROLS

The Board of Directors at their meeting held on May 30, 2022, based on the recommendation of the Audit Committee, has re-appointed M/s. K. P. Rao Associates, Chartered Accountants, Hyderabad, as the Internal Auditors of your Company. The Internal Auditors are submitting their reports on quarterly basis. Internal Auditors findings are discussed and suitable corrective actions are taken as per the directions of Audit Committee on an on-going basis to improve efficiency in operations.

The Company's internal control systems are well established and commensurate with the nature of its business and the size and complexity of its operations. The Audit Committee reviews adequacy and effectiveness of the Company's internal control environment and monitors the implementation of audit recommendations. The recommendations/suggestions of the internal auditors are discussed in the Audit Committee meetings periodically.

Directors' Report (Contd.)

DIVIDEND DISTRIBUTION POLICY

This Policy will regulate the process of dividend declaration and its pay-out by KNR Constructions Limited ("the Company") in accordance with the provisions of Act, 2013 read with the applicable Rules framed there under, as may be in force for the time being (" Companies Act ") and Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 and the amendments made there to [" SEBI (LODR) "] and / or other applicable Legislations, Rules and Regulations as may be in force at the relevant time.

OBJECTIVE

The objective of this policy is to ensure a regular dividend income for the shareholders and long term capital appreciation for all stakeholders of the Company. The Company would ensure to strike the right balance between the quantum of dividend paid and amount of profits retained in the business for various purposes. The Board of Directors will refer to the policy while declaring/recommending dividends on behalf of the Company. Through this policy, the Company would endeavor to maintain a consistent approach to dividend pay -out plans.

The Company shall put in necessary efforts to ensure that apart from Dividend the other benefits such as Scrip Dividend (Bonus Issue) Buy Back of Shares, Stock Split etc., are extended to the shareholders subject to compliance of the applicable regulations both stipulated under the Companies Act, 2013, SEBI Regulations and other applicable enactments / regulations.

The Company believes that it operates in an Industry/ Environment where Working Capital requirements are high.

CATEGORY OF DIVIDENDS

The Companies Act provides for two forms of Dividend- Final & Interim. The Board of Directors shall have the power to recommend final dividend to the shareholders for their approval in the general meeting of the Company. The Board of Directors shall have the absolute power to declare interim dividend during the financial year, as and when they consider it fit.

The Board may, at its sole discretion, declare / recommend a Special Dividend under certain circumstances such as extraordinary profits from sale of any major asset(s) or any special occasion or significant event.

FACTORS TO BE CONSIDERED WHILE RECOMMENDING / DECLARING DIVIDEND

The decision regarding dividend pay-out is a crucial decision as it determines the amount of profit to be distributed among the shareholders and amount of profit to be retained in business.

The Board of Directors will endeavor to take a decision with an objective to enhance shareholders' wealth and market value of the shares.

The Dividend pay-out decision of any company depends upon certain internal and external factors -

Internal Factors: -

The Board will take into account various internal factors while recommending / declaring Dividend, which inter alia will include-

- i) Profits earned during the year;
- ii) Present & future Capital requirements of the existing businesses;
- iii) Expansion/ Modernisation of existing businesses;
- iv) Additional investments in subsidiaries/associates of the Company;
- v) Fresh investments into external businesses;
- vi) Business Acquisitions (if any);
- vii) Any other factor as deemed fit by the Board.

External Factors: -

Apart from the various internal factors aforementioned the Board will take into account the various external factors while recommending / declaring dividend which inter alia include the following-

- State of Economy - in case of uncertain or recessionary economic and business conditions, Board will endeavor to retain larger part of profits to build up reserves to absorb future shocks.
- Capital Markets- when the markets are favorable, dividend pay-out can be liberal.

However, in case of unfavorable market conditions, Board may resort to a conservative dividend pay-out in order to conserve cash outflows.

- Statutory Restrictions - The Board will keep in mind the restrictions imposed under the applicable legislations and the covenants stipulated by Lenders, if any with regard to recommendation and /or declaration of dividend.

DIVIDEND RANGE

The Company stands committed to deliver sustainable value to all its stakeholders. The Company will strive to distribute an optimal and appropriate level of the profits earned by it in its business and investing activity, with the shareholders, in the form of dividend. As explained in the earlier part of this Policy, determining the dividend pay-out is dependent upon several factors, both internal to a business and external to it.

Annexure III

**FORMAT FOR THE ANNUAL REPORT ON CSR ACTIVITIES TO BE INCLUDED IN THE BOARD'S REPORT

FORM.NO. MR-3

SECRETARIAL AUDIT REPORT

FOR THE FINANCIAL YEAR ENDED 31st MARCH, 2022

[Pursuant to Section 204 (1) of the Companies Act, 2013 and the Rule 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To
The Members,
M/s. KNR CONSTRUCTIONS LIMITED,
Hyderabad.

We have conducted the Secretarial Audit of the compliance of applicable statutory provisions of the Acts, Rules and Regulations as mentioned below and the adherence to good corporate practices by M/s. KNR CONSTRUCTIONS LIMITED (herein called 'the Company'). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts / statutory compliances and expressing our opinion thereon.

Based on our verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorised representatives during the conduct of secretarial audit, We hereby report that in our opinion, the Company has, during the audit period covering the financial year ended on March 31, 2022 complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

We have examined the books, papers, minute books, forms and returns filed and other records maintained by M/s. KNR CONSTRUCTIONS LIMITED ('the Company') for the financial year ended on March 31, 2022 according to the provisions of:

- I. The Companies Act, 2013 (the Act) and the rules made thereunder as applicable;
- II. The Securities Contract (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;
- III. The Depositories Act, 1956 and the Regulations and the Bye-laws framed thereunder;
- IV. Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder;
- V. The following Regulations and guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI ACT'):

- a. The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
- b. The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act, 2013 and dealing with client;
- c. The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
- d. The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009 and 2018;
- e. The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015.
- f. The Securities and Exchange Board of India (Employee Stock Option Scheme and Employee Stock Purchase Scheme) Guidelines, 1999 (Not applicable to the Company During the audit period);
- g. The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008; (Not applicable to the Company during the audit period);
- h. The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009 (Not applicable to the Company during the audit period);
- i. The Securities and Exchange Board of India (Buyback of Securities) Regulations, 2009 (Not applicable to the Company during the audit period);

We have also examined compliance with the applicable clauses of the following:

- (i) Secretarial Standards issued by the Institute of Company Secretaries of India (ICSI) applicable w.e.f. July 01, 2015
- (ii) The Listing Agreements entered by the Company with National Stock Exchange of India and BSE Limited upto 30th November, 2015

During the period under review, the Company has complied with the provisions of the Acts, Rules, Regulations, Guidelines, Standards, etc.

Annexure – IV (Contd.)

The Company has identified the following Industry specific laws are applicable to them:

1. The Building and other Construction Workers (Regulation of Employment and Conditions of Service) Act, 1996
2. Inter-State Migrant Workmen (Regulation of Employment & Conditions of Service) Act, 1979

We report that during the period under review the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, etc. mentioned above;

We further report that:

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The Changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

Adequate notices are given to all directors to schedule the Board meetings, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

Majority decisions are carried through and as informed by the Company, there were no dissenting views of members of

the Board at any Board / Committee meeting held during the financial year.

We further report that we rely on the statutory auditors and other professionals for the compliance by the Company of the applicable financial laws such as direct and indirect tax laws and maintenance of financial records and books of accounts.

We further report that there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

We further report that during the period under audit, the following specific events/actions, having a major bearing on the Company's affairs, took place in pursuance of the above referred laws, rules, regulations and standards:

- i. During the period under audit, the Company has sold 49% out of its 100% stake held in material Wholly Owned Subsidiary Companies i.e M/s. KNR Shankarampet Projects Private Limited, and KNR Tirumala Infra Private Limited to M/s. Cube Highways and Infrastructure III Pte. Limited
- ii. During the period under audit, KNR Ramanattukara Infra Private Limited, KNR Guruvayur Infra Private Limited and KNR Ramagiri Infra Private Limited were incorporated as wholly-owned subsidiaries of the Company.

Familiarisation programmes for Board Members

The Board members are provided with necessary documents/brochures, reports and internal policies to enable them to familiarise with the Company's procedures and practices.

Periodic presentations are made at the Board and Board Committee Meetings, on business and performance updates of the Company, global business environment, business strategy and risks involved. During the Board Meetings, discussions on operational and functional matters provide insights on the business carried out by the Company and the environment in which the Company operates. Further, information on material changes in the regulatory framework and other statutory requirements and the level of impact on the Company's operations are provided to the Directors. The details of familiarisation program can be viewed from our Company's website www.knrcl.com

Meetings of Independent Directors

The Company's Independent Directors meet at least once in every financial year without the presence of Executive Directors or management personnel. Such meetings are conducted formally to enable Independent Directors to discuss matters pertaining to the Company's affairs and put forth their views. The Independent Directors take appropriate steps to present their views to the Managing Director.

One such meeting of Independent Directors was held during the year on February 12, 2022 without the presence of Executive Directors and management personnel, inter-alia, to discuss:

- Evaluation of the performance of Non-Independent Directors and the Board of Directors as a whole;
- Evaluation of the performance of the Chairman of the Company, taking into account the views of the Executive and Non-Executive Directors; and
- Evaluation of the quality, content and timelines of flow of information between the management and the

Board that is necessary for the Board to effectively and reasonably perform its duties.

The details of the attendance of the Independent Directors in the meeting are as below.

3. COMMITTEES OF THE BOARD

There are Five Board Committees – the Audit Committee, the Nomination & Remuneration Committee, the Stakeholders Relationship Committee, Corporate Social Responsibility Committee and the Risk Management Committee. The Committees are formed and duly constituted in line with the provisions of the Companies Act, 2013 and SEBI (LODR) Regulations, 2015. The terms of reference of the Board Committees are determined by the Board from time to time, other than the Independent Directors Committee, the terms of reference of which have been adopted as prescribed under law. Meetings of each Board Committee are convened by the respective Committee Chairman. Matters requiring the Board's attention / approval, as emanating from the Board Committee meetings, are placed before the Board with clearance of the Committee Chairman. The role and composition of these Committees, including the number of meetings held during the financial year and the related attendance, are provided below.

a. Audit Committee

Composition, Name of the Members and Chairman

The Audit Committee comprises of Two Non-Executive and Independent Directors and One Executive Director.

Name	Designation	Category
Shri L. B. Reddy	Chairman	Non-Executive and Independent Director
Shri B. V. Rama Rao	Member	Non-Executive and Independent Director
Shri K. Jalandhar Reddy	Member	Executive and Non-Independent Director

The Company Secretary acts as the Secretary to the Audit Committee.

The Minutes of the meetings of the Audit Committee are circulated to all the members of the Board along with the Agenda.

Terms of reference of the Committee are as follows:

- Review the un-audited quarterly results and Annual accounts of the Company
- Oversee the Company's financial reporting process and the disclosure of its financial information to ensure that the financial statements are correct and credible.
- Recommending the appointment and removal of external auditor, fixation of audit fee and also approval for payment of any other services
- Reviewing with the management, the annual financial statements before submission to the Board focusing primarily on:
 - (i) Any changes in accounting policies and practices
 - (ii) Major accounting entries based on exercise of judgment by the management
 - (iii) Qualifications in draft audit reports
 - (iv) Significant adjustments arising out of the audit
 - (v) The going concern assumption
 - (vi) Compliance with accounting standards
- Any related party transactions i.e. transactions of the Company of material nature, with promoters or the management, their subsidiaries or relatives etc. that may have potential conflict with the interests of the Company at large
- Reviewing, with the management, the quarterly financial statements before submission to the board for approval
- Reviewing the adequacy of internal audit function, including the structure of the internal audit department, staffing and seniority of the official heading the department, reporting structure coverage and frequency of internal audit
- Discussion with internal auditors any significant findings and follow-up thereon.
- Reviewing the findings of any internal investigations by the internal auditors into matters where there is suspicion of fraud or irregularity or failure of internal control systems of a material nature and reporting the matter to the board
- Discussion with external auditors before the audit commences, on the nature and scope of audit and also post- audit to ascertain any areas of concern

Report on Corporate Governance (Contd.)

- Reviewing the Company's financial and risk management policies
- To look into and review the reasons for substantial defaults, if any, in payments to the depositors, debenture holders, shareholders (in case of non-payment of declared dividends) and creditors;

Attendance of the members at the Audit Committee Meetings:

During the current financial year 2021-22, four Audit Committee Meetings were held and the details of the Audit Committee Meetings are as under: -

Sl. No.	Date of the meeting	Committee Strength	No. of Directors Present
1	May 20, 2021	3	3
2	August 12, 2021	3	3
3	November 12, 2021	3	3
4	February 14, 2022	3	3

b. Nomination and Remuneration Committee

The Nomination and Remuneration Committee has been constituted to formulate and recommend to the Board all elements of the remuneration package of the Managing Director and Executive Directors, including performance / achievement bonus and perquisites payable to the whole time directors.

This Committee comprises of three members and all are Non-Executive with majority being Independent Directors:

Name	Designation	Category
Shri L B Reddy	Chairman	Non-Executive and Independent Director
Shri B V Rama Rao	Member	Non-Executive and Independent Director
Smt. K Yashoda (till August 12, 2021)	Member	Non-Executive and Non-Independent Director
Smt. G Chandra Rekha (w.e.f. August 12, 2021)	Member	Non-Executive and Independent Director

The Nomination and Remuneration Committee has been re-constituted at the board meeting held on August 12, 2021 and Smt. G Chandra Rekha has been

inducted as member of the Committee in place of Smt. K Yashoda.

The Company Secretary acts as the Secretary to the Remuneration Committee.

One Nomination and Remuneration Committee Meeting was held during the year under review on August 30, 2021 and all the members were present at the meeting.

The Minutes of the meetings of the Remuneration Committee are circulated to all the members of the Board along with the Agenda.

The terms of reference of the Nomination and Remuneration Committee are as follows:

- The Remuneration Committee recommends to the board the compensation terms of the executive directors
- Framing and implementing on behalf of the Board and the shareholders, a credible and transparent policy on remuneration of executive directors including ESOP, Pension Rights and any compensation payment
- Considering approving and recommending to the Board the changes in designation and increase in salary of the executive directors
- Ensuring the remuneration policy is good enough to attract, retain and motivate directors
- Bringing about objectivity in fixing the remuneration package while striking a balance between the interest of the Company and the shareholders
- Formulation of the criteria for determining qualifications, positive attributes and independence of a director and recommend to the Board a policy, relating to the Remuneration of the directors, key managerial personnel and other employees;
- Formulation of criteria for evaluation of Independent Directors and the Board;
- Devising a policy on Board diversity;
- Identifying persons who are qualified to become directors and who may be appointed in senior management in accordance with the criteria laid down, and recommend to the Board their appointment and removal.

Report on Corporate Governance (Contd.)

Independent Auditor's Certificate On Corporate Governance

To

**The Members of
KNR Constructions Limited**

We K.P. Rao & Co (FRN: 003135S), Chartered Accountants, the statutory auditors of KNR Constructions Limited have examined the compliance of conditions of Corporate Governance by KNR Constructions Limited ("the Company") for the year ended on March 31, 2022, as stipulated in regulations 17 to 27 and clauses (b) to (i) of Regulation 46(2) and paragraphs C and D of Schedule V of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended from time to time (the "Listing Regulations").

MANAGEMENT'S RESPONSIBILITY:

The compliance of conditions of Corporate Governance is the responsibility of the Management. This responsibility includes the design, implementation and maintenance of internal control and procedures to ensure the compliance with the conditions of the Corporate Governance stipulated in Listing Regulations.

AUDITOR'S RESPONSIBILITY:

Our responsibility is limited to examining the procedures and implementation thereof, adopted by the Company for ensuring the compliance with the conditions of the Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.

We have examined the books of account and other relevant records and documents maintained by the Company for the purposes of providing reasonable assurance on the compliance with Corporate Governance requirements by the Company.

We have carried out an examination of the relevant records of the Company in accordance with Guidance Note on Reports or Certification of Corporate Governance issued by the Institute of the Chartered Accountants of India (the "ICAI"), the Standards on Auditing specified under Section 143(10) of the Companies Act 2013, in so far as applicable for the purpose of this certificate and as per the Guidance Note on Reports or Certificates for Special Purposes issued by the ICAI which requires that we comply with the ethical requirements of the Code of Ethics issued by the ICAI.

We have complied with the relevant applicable requirements of the Standard on Quality Control (SQC) 1, Quality Control for Firms that Perform Audits and Reviews of Historical Financial Information, and Other Assurance and Related Services Engagements.

OPINION:

Based on our examination of the relevant records and according to the information and explanations provided to us and the representations provided by the Management, we certify that the Company has complied with the conditions of Corporate Governance as stipulated in regulations 17 to 27 and clauses (b) to (i) of regulation 46(2) and para-C and D of Schedule V of the Listing Regulations during the year ended March 31, 2022.

We state that such compliance is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the Management has conducted the affairs of the Company.

CEO and CFO Compliance Certificate

In relation to the Audited Financial Accounts of the Company as at March 31, 2022, we hereby certify that

- a. We have reviewed financial statements and the cash flow statement for the year and that to the best of our knowledge and belief:
 - i. These statements do not contain any materially untrue statement or omit any material fact or contain statements that might be misleading;
 - ii. These statements together present a true and fair view of the Company's affairs and are in compliance with existing accounting standards, applicable laws and regulations.
- b. There are, to the best of our knowledge and belief, no transactions entered into by the Company during the year which are fraudulent, illegal or volatile of the Company's code of conduct.
- c. We accept responsibility for establishing and maintaining internal controls for financial reporting and that we have evaluated the effectiveness of internal control systems of the Company pertaining to financial reporting. We have not come across any reportable deficiencies in the design or operation of such internal controls.
- d. We have indicated to the auditors and the Audit committee that
 - i. There are no significant changes in internal control over financial reporting during the year;
 - ii. There are no significant changes in accounting policies during the year; and
 - iii. There are no instances of significant fraud of which we have become aware.

Independent Auditor's Report

To the Members of

KNR CONSTRUCTIONS LIMITED

REPORT ON THE STANDALONE FINANCIAL STATEMENTS

Opinion

We have audited the accompanying standalone Financial Statements of **KNR CONSTRUCTIONS LIMITED** ("the Company"), which comprise the Balance Sheet as at 31 March, 2022, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and Statement of Cash Flows for the year ended, and notes to the standalone Ind AS financial statements, including a summary of the significant accounting policies and other explanatory information. (Hereinafter referred to as the "Standalone Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, and based on the consideration of reports of other auditors on separate financial statements of joint operations and management certified accounts in respect of ten joint operations referred to in the Other Matters paragraph below, the aforesaid Financial Statements give the information required by the Companies Act 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2022, and its profit (including other comprehensive income), changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies

Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the standalone Financial Statements

Emphasis of Matter

Attention is invited to Note No. 5, of the financial results, relating to the search carried out by the Income Tax Department in March 2022 at the premises and locations of the Company. Since the investigation and related proceedings are pending, there is uncertainty as regards the impact, if any, of the outcome of the proceedings. Due to this, no provision for liability has been recognized in these financial results.

Our opinion is not modified in respect of this matter.

Key Audit Matters:

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined the matters described below to be the key audit matters to be communicated in our report.

Independent Auditor's Report (Contd.)

Key Audit Matter	How our audit addressed the Key Audit Matter
<p>A) Revenue Recognition of long-term contracts</p> <p>The Company has significant revenue from construction contracts and long-term operating and maintenance agreements. These long-term contracts are often complex customised solutions and meet the definition of a contract as per Ind AS 115.</p> <p>Revenue related to these construction contracts is recognised using the percentage of completion method, where progress is determined by comparing actual costs incurred to date, with the total estimated costs of the project. Revenue recognition for construction contracts includes management judgment in the form of estimates, which are subject to management experience and expectations of future events. The most important judgment relates to the estimated total costs of the project.</p> <p>Revenue recognition of long-term contracts is a key audit matter in the audit due to the high level of management judgement involved in the project estimates.</p>	<p>Our revenue testing included both testing of the company's controls, as well as substantive audit procedures targeted at selected major long-term projects. Our substantive testing focused on estimates applied by management in the accounting.</p> <p>Our procedures included, among others things, the following:</p> <ul style="list-style-type: none"> • Ensured that the revenue recognition method applied was appropriate based on the terms of the arrangement; • Agreed the total project revenue estimates to sales agreements, including amendments as appropriate; • We obtained an understanding of the processes and tested relevant controls, which impact the revenue recognition; • We assessed the reliability of management's estimates by comparing the actual results of delivered projects to previous estimates;
<p>B) Litigation and Claims</p> <p>Considering the nature of the Company's operations, it can be exposed to a number of litigations and claims. The recognition and measurement of provisions, contingent liabilities and contingent assets as well as making the necessary disclosures in respect of litigation and claims requires significant judgment by the management in assessing the outcome of each legal case which is based on management's discussion with legal advisors. Due to the significance of the litigations and claims and the difficulty in assessing and measuring the resulting outcome, this is considered as a key audit matter.</p>	<p>Our audit procedures included the following:</p> <ul style="list-style-type: none"> • evaluating the Company's policies, procedures and controls in relation to litigation, claims and provision assessments; • independent enquiries to understand the background of each case, legal position and the material risks that may impact the Company's standalone financial statements; and • assessing reasonableness of judgment made by management, determining the adequacy of the level of provisioning or disclosure in the standalone financial statements.

Information Other than the Standalone Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of

Independent Auditor's Report (Contd.)

this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Standalone Financial Statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the Indian Accounting Standards prescribed under section 133 of the Act read with Companies (Indian Accounting standards) Rules, 2015, as amended and other accounting principles generally accepted in India.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility

Our objectives are to obtain reasonable assurance about whether the standalone Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3) (i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements

Independent Auditor's Report (Contd.)

regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

1. The Standalone Financial Results include the Audited Financial Results of 13 Joint operations, whose financial statements reflect total assets (before consolidation adjustments) of ₹ 36,455.23 lakhs as at 31 March 2022, total revenue (before consolidation adjustments) of ₹ 1,03,618.90 lakhs and total net profit after tax (before consolidation adjustments) of ₹ 1,259.79 lakhs for the Year ended 31st March 2022 respectively, and net cash inflow of ₹ 4,975.15 lakhs for the year ended 31st March 2022, as considered in the Statement, which has been audited by their respective independent auditors. The independent auditors & the reports on financial statements of these entities have been furnished to us by the management and our opinion on the Statement, in so far as it relates to the amounts and disclosures included in respect of these entities, is based solely on the report of such auditors and the procedures performed by us are as stated in the paragraph above.

Our opinion on the Standalone Financial Results is not modified in respect of the above matter with respect to our reliance on the work done and the reports of the other auditors.

2. The Standalone Financial Results include the unaudited financial results of 3 Joint operations whose financial information reflect total assets of ₹ 1,114.62 lakhs (before consolidation adjustments) as at 31st March 2022 and total revenues of ₹ Nil Lakhs (before consolidation adjustments), total net profit after tax of ₹ (32.10) lakhs (before consolidation adjustments) and total comprehensive income/(loss) (before consolidated adjustments) of ₹ (32.10) lakhs for the Year ended 31st

March 2022, and net cash flow is ₹ Nil for the Year ended 31st March 2022, as considered in the Standalone Financial Results, which have not been audited by us. These financial information are unaudited and have been furnished to us by the Management and our opinion and conclusion on the statement, in so far as it relates to the amounts and disclosures included in respect of this entity, is based solely on such unaudited financial information. In our opinion and according to the information and explanations given to us by the Board of Directors, these financial information are not material to the Company.

Our opinion on the Standalone Financial Results is not modified in respect of the above matter with respect to our reliance on the financial information certified by the Board of Directors.

Report on Other Legal and Regulatory Requirements

- A. As required by the Companies (Auditor's Report) Order, 2016, ('the Order'), issued by the Central Government of India in terms of Sub-section 11 of Section 143 of the Act, we give in the "**Annexure 1**" a statement on the matters specified in paragraphs 3 and 4 of the said order.
- B. As required by Section 143 (3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The Balance Sheet, the Statement of Profit and Loss (including other comprehensive income) the Cash Flow Statement and Statement of Changes in Equity dealt with by this Report are in agreement with the books of account.
 - d) In our opinion, the aforesaid Standalone Financial Statements comply with the Indian Accounting Standards prescribed under Section 133 of the Act read with Companies (Indian Accounting Standards) Rules, 2015, as amended and other accounting principles generally accepted in India.
 - e) On the basis of the written representations received from the directors as on March 31, 2022 taken on record by the Board of Directors, none of the directors are disqualified as on March 31, 2022 from being appointed as a director in terms of Section 164 (2) of the Act.

Independent Auditor's Report (Contd.)

- f) With respect to the adequacy of the internal financial control over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure 2". Our Report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's financial controls over financial reporting.
- g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended, in our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act, read with Schedule V to the Act.
- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- i. The Company has disclosed the impact if any, of pending litigations as at March 31, 2022 on its financial position in its Standalone Financial Statements – Refer Note No. 37.
 - ii. The Company did not have any long-term contracts, including derivative contracts, for which there were any material foreseeable losses.
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.
 - iv. (a) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entity ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - (b) The Management has represented, that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entity ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
 - (c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.

Annexure 1

TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE STANDALONE FINANCIAL STATEMENTS OF KNR CONSTRUCTIONS LIMITED

WE REPORT THAT;

- (i) (a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment.
- (B) The Company has maintained proper records showing full particulars of Intangible assets
- (b) A major portion of fixed assets have been physically verified by the management in accordance with the programme of verification, which, in our opinion, provides for physical verification of all fixed assets at reasonable interval having regard to the size of the

Company and nature of its assets. According to the information and explanations given to us, no material discrepancies were noticed on such verification of fixed assets and have been properly dealt with in the books of account.

- (c) According to the information and explanations given to us, the title deeds of the immovable properties (other than properties where the Company is the lessee and the lease agreements are duly executed in favour of the lessee) disclosed in the Note no. 3 & 3.2 to Standalone Financial Statements held by the Company are in the name of the Company except for the following assets.

Reason for not being held in the name of the company: Due to regulatory restrictions in the respective state. The Company has taken undertaking from respective parties for having no interest in the lands.

Annexure 1 TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE STANDALONE FINANCIAL STATEMENTS OF KNR CONSTRUCTIONS LIMITED (Contd.)

- (d) The company has not revalued its Property, Plant and Equipment (including Right of Use assets) or intangible assets or both during the year.
- (e) According to the information and explanations given to us, no proceedings have been initiated or are pending against the company for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and rules made thereunder.
- (ii) (a) According to the information and explanations given to us, inventories have been physically verified at regular intervals by the Management during the year. In our opinion, the frequency of such verification is reasonable. No material discrepancies were noticed on such physical verification.
- (b) According to the information and explanations given to us, the company has been sanctioned working capital limits in excess of five crore rupees, in aggregate, from banks or financial institutions on the basis of security of current assets. The quarterly returns filed by the company with such banks or financial institutions are in agreement with the books of account of the Company.
- (iii) According to the information and explanations given to us, the company has during the year granted loans or advances in the nature of loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or any other parties,
 - (a) The company has provided loans and advances in the nature of loans, or stood guarantee, or provided security to any other entity,
 - (A) The aggregate amount during the year, and balance outstanding at the balance sheet date with respect to such loans or advances and guarantees or security to subsidiaries, joint ventures and associates were ₹ 10,145.94 Lakhs and ₹ 7836.80 Lakhs respectively.
 - (B) No such loans or advances and guarantees or security to parties other than subsidiaries, joint ventures and associates.
 - (b) In our opinion, the investments made, guarantees provided and the terms and conditions of the grant of all loans and advances in the nature of loans and guarantees provided are not prejudicial to the company's interest.
- (c) In respect of loans and advances granted by the company, the schedule of repayment of principal and payment of interest has been stipulated and the repayments of principal amounts and receipts of interest are generally been regular as per stipulation.
- (d) In respect of loans granted by the Company, there is no overdue amount remaining outstanding as at the balance sheet date.;
- (e) No loan granted by the company which has fallen due during the year, has been renewed or extended or fresh loans granted to settle the over dues of existing loans given to the same parties.
- (f) The company has granted loans without specifying any terms which are repayable on demand. The Balance outstanding and percentage thereof to total loan during the year is ₹ 6815.01 Lakhs and 86.96%. These loans have been given on "On Account" basis. In the absence of agreements for these loans, the terms and conditions and their impact on the interest of the Company cannot be ascertained. Hence the question of regularity of payment of principal and interest does not arise.
- (iv) In our opinion and according to the information and explanations given to us, the Company has not advanced any loan to any director, given any guarantee, provided any security in connection with any loan taken by any director or made investment through more than two layers of investment companies as per the provisions of section 185 and 186 of the Act. Accordingly, reporting under clause (iv) of paragraph 3 of the Order is not applicable.
- (v) In our opinion and according to the information and explanation given to us, the Company has not accepted deposits to which directives issued by the Reserve Bank of India and the provisions of section 73 to 76 or any other relevant provisions of the Companies Act, 2013 were applicable. Accordingly, reporting under clause (v) of paragraph 3 of the Order is not applicable.
- (vi) The maintenance of cost records has been specified by the Central Government under section 148(1) (d). We have broadly reviewed the books of account maintained by the company pursuant to the Rules made by the Central Government for the maintenance of cost records under section 148 of the Act, and are of the opinion that prima facie, the prescribed accounts and records have been made

Annexure 1 TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE STANDALONE FINANCIAL STATEMENTS OF KNR CONSTRUCTIONS LIMITED (Contd.)

and maintained. We have, however, not made a detailed examination of the cost records with a view to determine whether they are accurate and complete.

(vii) According to the information and explanations given to us, in respect of records of statutory dues:

a) The Company is regular in depositing undisputed statutory dues including Provident Fund, Employees' State Insurance, Income Tax, Goods and Services

Tax, Duty of Customs, Duty of Excise, Cess and other statutory dues applicable to it with the appropriate authorities.

b) There were no disputed amounts payable in respect of Provident Fund, Employees State Insurance, Income Tax, Duty of Customs, Duty of Excise, Cess and other statutory dues in arrears as at March 31, 2022 for a period of more than six months from the date they became payable, except the following.

Name of the Statute	Nature of the Dues	Rs. In Lakhs	Period to which the amount relates	Forum where dispute is pending	Remarks

- (viii) According to the information and explanations given to us, there are no transactions not recorded in the books of accounts that were surrendered or disclosed as income during the year. Hence, reporting under Para 3(viii) is not applicable to the Company.
- (ix) (a) According to the information and explanations given to us, the company has not defaulted in repayment of dues to banks, financial institutions and debenture holders.
- (b) According to the information and explanations given to us, the company is not a declared willful defaulter by any bank or financial institution or other lender.
- (c) According to the information and explanations given to us, Term loans were applied for the purpose for which the loans were obtained.
- (d) According to the information and explanations given to us, and the procedures performed by us, and on an overall examination of the financial statements of the company, we report that no funds raised on short-term basis have been used for long-term purposes by the company.
- (e) According to the information and explanations given to us and procedures performed by us, the company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries, associates or joint ventures.
- (f) According to the information and explanations given to us and procedures performed by us, the company has not raised any loans during the year on the pledge of securities held in its subsidiaries, joint ventures, or associate companies.
- (x) (a) The Company did not raise any money by way of initial public or further public offer (including debt instruments) and term loans during the year. Accordingly, paragraph 3 (ix)(a) of the Order is not applicable.
- (b) The Company has not made any preferential allotment or private placement of shares or convertible debentures (fully, partially, or optionally convertible) during the year. Accordingly, paragraph 3 (ix)(b) of the Order is not applicable.
- (xi) (a) According to the information and explanations given to us, no material fraud by the company or on the Company by its officers or employees has been noticed or reported during the course of our audit.
- (b) We have not filed any report under sub-section (12) of section 143 of the Companies Act in Form ADT-4

Annexure 1 TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE STANDALONE FINANCIAL STATEMENTS OF KNR CONSTRUCTIONS LIMITED (Contd.)

- as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government.
- (c) As represented to us by the Management, there are no whistle-blower complaints received by the company during the year.
- (xii) The company is not a Nidhi Company and therefore the provisions of Para 3(xii) of the Companies (Auditors Report), 2020 are not applicable.
- (xiii) According to the information and explanations given to us and based on our examination of the records of the Company, transactions with the related parties are in compliance with sections 177 and 188 of Companies Act, 2013 where applicable and the details have been disclosed in the Financial Statements etc., as required by the applicable accounting standards.
- (xiv) (a) In our opinion, the company has an adequate internal audit system commensurate with the size and nature of its business;
- (b) We have considered the reports of the Internal Auditors for the period under audit.
- (xv) In our opinion and according to the information and explanations given to us, during the year the Company has not entered into any non-cash transactions with any of its directors or directors of its subsidiary companies, associate companies or persons connected with such directors and hence provisions of section 192 of the Companies Act, 2013 are not applicable to the Company.
- (xvi) (a) The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934.
- (b) According to the information and explanations given to us, the company has not conducted any Non-Banking Financing or Housing Finance activities during the year.
- (c) The company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India. Accordingly, the provisions of Para 3(xvi)(c) are not applicable to the company.
- (d) As per the information and explanations given to us, there are no Core Investment Companies as part of the Group. Accordingly, the provisions of Para 3(xvi)(d) is not applicable to the company.
- (xvii) The Company has not incurred cash losses during the financial year covered by our audit and the immediately preceding financial year.
- (xviii) There has been no resignation of the statutory auditors during the year and accordingly clause (xviii) is not applicable.
- (xix) On the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date.
- (xx) (a) In respect of other than ongoing projects, the company has no unspent CSR amount during the year.
- (b) In compliance with the provision of sub-section (6) of section 135 of the said Act, the company has transferred the remaining unspent CSR amount to a special account under sub-section (5) of section 135 of the Companies Act, pursuant to ongoing project.

TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE STANDALONE FINANCIAL STATEMENTS OF KNR CONSTRUCTIONS LIMITED

REPORT ON THE INTERNAL FINANCIAL CONTROLS UNDER CLAUSE (I) OF SUB-SECTION 3 OF SECTION 143 OF THE COMPANIES ACT, 2013 ("THE ACT")

We have audited the internal financial controls over financial reporting of **KNR CONSTRUCTIONS LIMITED** ("the Company") as of March 31, 2022 in conjunction with our audit of the Standalone Financial Statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the "Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India". These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness.

Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the Standalone Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Standalone Financial Statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

1. Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
2. Provide reasonable assurance that transactions are recorded as necessary to permit preparation of Standalone Financial Statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
3. Provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the Standalone Financial Statements.

Annexure 2 TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE STANDALONE FINANCIAL STATEMENTS OF KNR CONSTRUCTIONS LIMITED (Contd.)

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected.

Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2022, based on the Internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the "Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India".

Notes

forming part of the Financial Statements

1. REPORTING ENTITY INFORMATION :

KNR Constructions Limited ('the Company') is a company domiciled in India with its registered office at 'KNR House' 3rd & 4th Floor, Plot No: 114, Phase-I, Kavuri Hills, Hyderabad – 500 033. The Company has been incorporated in 1995 under the provisions of Indian Companies Act. The shares of the Company are listed on the both the stock exchanges (BSE & NSE) India in 2008 pursuant to the Public offer of Equity Shares. The Company is engaged in the business of infrastructure sector, primarily in the construction of roads, bridges, flyovers and irrigation projects.

2. SIGNIFICANT ACCOUNTING POLICIES

2.1 Statement of Compliance

These financial statements have been prepared in accordance with Indian Accounting Standards ("Ind AS") as per the Companies (Indian Accounting Standards) Rules, 2015 notified under section 133 of Companies Act, 2013, (the 'Act') and other relevant provisions of the Act.

2.2 Functional and presentation currency

These financial statements are presented in Indian Rupees (₹), which is also the Company's functional currency. All amounts have been presented ₹ in Lakhs rounded-off to two decimal, unless otherwise indicated.

2.3 Basis of Preparation & Presentation

These financial statements are prepared in accordance with Indian Accounting Standards (Ind AS) under the historical cost convention on the accrual basis except for certain financial instruments which are measured at fair values, the provisions of the Companies Act, 2013 ('Act') (to the extent notified) and guidelines issued by the Securities and Exchange Board of India (SEBI). The Ind AS are prescribed under Section 133 of the Act read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016.

2.4 Interest in Joint Operations

A Joint operation is a joint arrangement whereby the parties that have joint control of the arrangement have rights to the assets and obligations for the liabilities, relating to the arrangement. Joint control

is the contractually agreed sharing of control of an arrangement, which exists only when decisions about the relevant activities require unanimous consent of the parties sharing control.

When a Company undertakes its activities under joint operations, of the Company as a joint operator recognises in relation to its interest in a joint operation:

1. Its assets, including its share of any assets held jointly,
2. Its liabilities, including its share of any liabilities incurred jointly,
3. Its revenue from the sale of its share arising from the joint operation,
4. Its share of the revenue from the joint operations, and
5. Its expenses, including its share of any expenses incurred jointly

2.5 Operating cycle for Current and non-current classification

All the assets and liabilities have been classified as current or non-current, wherever applicable, as per the operating cycle of the Company as per Schedule III to the Act. Operating cycle for the business activities of the Company covers the duration of the project/ contract/ service including the defect liability period, wherever applicable, and extends up to the realisation of receivables (including retention monies) within the credit period normally applicable to the respective project.

2.6 Fair Value Measurement

The Company measures certain financial instruments, such as derivatives and other items in its financial statements at fair value at each balance sheet date.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within fair value hierarchy based on the low level of input that is significant to the fair value measurement as a whole:

Level 1 – Quoted prices (unadjusted) in active markets for identical assets and liabilities.

Level 2 – Inputs other than quoted prices included within level 1 that are observable for the asset or

Notes forming part of the Financial Statements (Contd.)

liability, either directly (i.e. as prices) or indirectly (observable inputs).

Level 3 – Inputs for the assets and liabilities that are not based on observable market data (unobservable inputs).

When measuring the fair value of an asset or a liability, the Company uses observable market data as far as possible. If the inputs used to measure the fair value of an asset or a liability fall into different levels of the fair value hierarchy, then the fair value measurement is categorised in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement.

The Company recognises transfers between levels of the fair value hierarchy at the end of the reporting period during which the change has occurred.

2.7 Property, plant and equipment (PPE)

Items of property, plant and equipment are measured at cost, less accumulated depreciation and accumulated impairment losses, if any

Cost of an item of property, plant and equipment comprises its purchase price, including import duties and non-refundable purchase taxes, after deducting trade discounts and rebates, any directly attributable cost of bringing the item to its working condition for its intended use and estimated costs of dismantling and removing the item and restoring the site on which it is located.

The cost of a self-constructed item of property, plant and equipment comprises the cost of materials and

direct labor, any other costs directly attributable to bringing the item to working condition for its intended use, and estimated costs of dismantling and removing the item and restoring the site on which it is located.

If significant parts of an item of property, plant and equipment have different useful lives, then they are accounted for as separate items (major components) of property, plant and equipment.

Any gain or loss on disposal of an item of property, plant and equipment is recognised in profit or loss.

Subsequent expenditure is capitalised only if it is probable that the future economic benefits associated with the expenditure will flow to the Company.

Depreciation is calculated on cost of items of property, plant and equipment in the manner and as per the useful life prescribed under Schedule-II to the Act except the below mentioned assets, and is generally recognised in the statement of profit and loss. Depreciation on additions (disposals) is provided on a pro-rata basis i.e. from (up to) the date on which asset is ready for use (disposed of).

Depreciation method, useful lives and residual values are reviewed at each financial year-end and adjusted if appropriate.

For the Assets costing up to ₹ 5,000 are depreciated fully in the year of purchase.

The following asset category has useful life different from the life specified in Schedule II of the Companies Act, 2013 based on the management's assessment

S.No.	Description	Useful life given as per Companies Act 2013	Company's estimated useful life
1.	Buildings		
	RCC structure	60 years	60 years
	Temporary structure	3 Years	3 Years
2.	Plant and Machinery		
	Concreting, crushing, piling equipment's and road making equipment's	12 Years	7 Years *
	Heavy Lift equipment's		
	- Cranes < 100 tons	15 Years	7 Years *
	- Earth-moving equipment's	9 Years	7 Years *
	Construction Accessories	12 Years	3 Years **
	Others including Material Handling / Pipeline / Welding Equipment's	12 Years	7 Years *
3.	Furniture and fittings	10 Years	10 Years

Notes forming part of the Financial Statements (Contd.)

S.No.	Description	Useful life given as per Companies Act 2013	Company's estimated useful life
4.	Motor Vehicles		
	Motor cycles, Scooters and other mopeds	10 Years	10 Years
	Motor buses, motor lorries, motor cars and motor taxis	8 Years	8 Years
5.	Office equipment's	5 Years	5 Years
6.	Computers and data processing units		
	Servers and networks	6 Years	6 Years
	End user devices, such as, desktops, laptop etc.,	3 Years	3 Years
7.	Laboratory equipment's	10 years	7 years *

* The Company estimated life of the asset as 7 years.

** The Company estimated life of the asset as 3 years as the assets have been used for more number of times / shifts as compared to the other ones.

Where cost of a part of the asset ("asset component") is significant to total cost of the asset and useful life of that part is different from the useful life of the remaining asset, useful life of that significant part is determined separately and such asset component is depreciated over its separate useful life.

Gains or losses arising from the retirement or disposal of property, plant and equipment are determined as the difference between the estimated net disposal proceeds and the carrying amount of the asset and are recognised in the income statement on the date of retirement or disposal.

2.8 Capital Work-in-progress

Capital work-in-progress are carried at cost, comprising direct cost, related incidental expenses and attributable borrowing cost less refundable taxes.

2.9 Investment property

Investment properties are properties held to earn rentals and/or for capital appreciation (including property under construction for such purposes). Investment properties are measured initially at cost, including transaction costs. Subsequent to initial recognition, investment properties are measured in accordance with the Ind AS 16's requirement for cost model.

An investment property is derecognised upon disposal or when the investment property is permanently withdrawn from use and no further economic benefits expected from disposal. Any gain or loss arising on de

recognition of the property is included in profit or loss in the period in which the property is derecognised.

2.10 Intangible assets

Intangible assets are stated at original cost net of tax/duty credits availed, if any, less accumulated amortisation and cumulative impairment. Intangible assets are recognised when it is probable that the future economic benefits that are attributable to the asset will flow to the enterprise and the cost of the asset can be measured reliably. Pre-operative expenses including administrative and other general overhead expenses that are specifically attributable to acquisition of intangible assets are allocated and capitalised as a part of the cost of the intangible assets. Intangible assets are amortised over their useful life.

Asset	Useful life
Computer Software	3 Years

2.11 Investment in Subsidiaries, Associates, Joint Ventures and Mutual Funds

On initial recognition, these investments are recognised at fair value plus any directly attributable transaction cost. Subsequently, they are measured at cost.

Investments in mutual funds are carried at fair value through profit and loss.

Investments are classified as 'held for sale' when all of the following criteria's are met:

Notes forming part of the Financial Statements (Contd.)

- (i) decision has been made to sell,
- (ii) the assets are available for immediate sale in its present condition,
- (iii) the assets are being actively marketed and
- (iv) sale has been agreed or is expected to be concluded within 12 months of the Balance Sheet date.

Subsequently, such investments classified as held for sale are measured at the lower of its carrying value and fair value less impairment.

Investments in joint operations are recognised at cost with adjustment to respective share of profit/loss.

2.12 Inventories

Raw Materials, construction materials and stores & spares are valued at weighted average cost or net realisable value whichever is less. Cost includes all charges in bringing the materials to the place of usage, excluding refundable duties and taxes.

2.13 Financial instruments

i. Classification and subsequent measurement

Financial assets

Financial asset is

- Cash / Equity Instrument of another Entity,
- Contractual right to –
 - a) receive Cash / another Financial Asset from another Entity, or
 - b) exchange Financial Assets or Financial Liabilities with another Entity under conditions that are potentially favourable to the Entity.

On initial recognition, a financial asset is classified as measured at

- Amortised cost;
- FVTPL

Financial assets are not reclassified subsequent to their initial recognition, except if and in the period the Company changes its business model for managing financial assets.

A financial asset is measured at amortised cost if it meets both of the following conditions and is not designated as at FVTPL:

- the asset is held within a business model whose objective is to hold assets to collect contractual cash flows; and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial liabilities

Financial liability is Contractual Obligation to

- deliver Cash or another Financial Asset to another Entity, or
- exchange Financial Assets or Financial Liabilities with another Entity under conditions that are potentially unfavorable to the Entity

Financial liabilities are classified as measured at amortised cost or FVTPL. A financial liability is classified as at FVTPL if it is classified as held for trading, or it is a derivative or it is designated as such on initial recognition. Financial liabilities at FVTPL are measured at fair value and net gains and losses, including any interest expense, are recognised in profit or loss. Other financial liabilities are subsequently measured at amortised cost using the effective interest method. Interest expense and foreign exchange gains and losses are recognised in profit or loss. Any gain or loss on de-recognition is also recognised in profit or loss.

ii. De-recognition

Financial assets

The Company derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the rights to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial asset are transferred or in which the Company neither transfers nor retains substantially all of the risks and rewards of ownership and does not retain control of the financial asset.

Financial liabilities

The Company derecognises a financial liability when its contractual obligations are discharged or cancelled, or expire.

The Company also derecognises a financial liability when its terms are modified and the cash flows under the modified terms are substantially different. In this

Notes forming part of the Financial Statements (Contd.)

case, a new financial liability based on the modified terms is recognised at fair value. The difference between the carrying amount of the financial liability extinguished and the new financial liability with modified terms is recognised in profit or loss.

iii. Impairment

Impairment of financial instruments

In accordance with Ind AS 109, the Company applies Expected Credit Loss (ECL) model for measurement and recognition of impairment loss on the following financial assets and credit risk exposure:

- Financial assets that are measured at amortised cost
- Trade receivables

The Company follows 'simplified approach' for recognition of impairment loss allowance on trade receivables which do not contain a significant financing component. The application of simplified approach does not require the Company to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition.

The amount of ECL losses for the year ended March 31, 2020 was Nil.

Impairment of non-financial assets

The Company's non-financial assets, other than deferred tax assets are reviewed at each reporting date to determine whether there is any indication of impairment. If any such indication exists, then the asset's recoverable amount is estimated.

For impairment testing, assets that do not generate independent cash inflows are grouped together into cash-generating units (CGUs). Each CGU represents the smallest group of assets that generates cash inflows that are largely independent of the cash inflows of other assets or CGUs.

The recoverable amount of a CGU (or an individual asset) is the higher of its value in use and its fair value less costs to sell. Value in use is based on the estimated future cash flows, discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the CGU (or the asset).

An impairment loss is recognised, if the carrying amount of an asset or CGU exceeds its estimated

recoverable amount. Impairment losses are recognised in the statement of profit and loss. Impairment loss recognised in respect of a CGU is allocated first to reduce the carrying amount of any goodwill allocated to the CGU, and then to reduce the carrying amounts of the other assets of the CGU (or group of CGUs) on a pro rata basis.

2.14 Cash and cash equivalents

Cash and cash equivalents includes Cash in hand, bank balances and cheques on hand, Short term and liquid investments being not free from more than insignificant risk of change in value, are not included as part of cash and cash equivalents.

2.15 Other Bank balances

Other bank balances include fixed deposits, margin money deposits, earmarked balances with banks and other bank balances which have restrictions on repatriation.

2.16 Leases

A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

Company as a lessee

The Company accounts for each lease component within the contract as a lease separately from non-lease components of the contract and allocates the consideration in the contract to each lease component on the basis of the relative stand-alone price of the lease component and the aggregate stand-alone price of the non-lease components.

The Company recognises right-of-use asset representing its right to use the underlying asset for the lease term at the lease commencement date. The cost of the right-of-use asset measured at inception shall comprise of the amount of the initial measurement of the lease liability adjusted for any lease payments made at or before the commencement date less any lease incentives received, plus any initial direct costs incurred and an estimate of costs to be incurred by the lessee in dismantling and removing the underlying asset or restoring the underlying asset or site on which it is located. The right-of-use assets is subsequently measured at cost less any accumulated depreciation, accumulated impairment losses, if any and adjusted for any remeasurement of the lease liability. The right-

Notes forming part of the Financial Statements (Contd.)

of-use assets are depreciated using the straight-line method from the commencement date over the shorter of lease term or useful life of right-of-use asset. The estimated useful lives of right-of-use assets are determined on the same basis as those of property, plant and equipment.

The Company measures the lease liability at the present value of the lease payments that are not paid at the commencement date of the lease. The lease payments are discounted using the interest rate implicit in the lease, if that rate can be readily determined. If that rate cannot be readily determined, the Company uses borrowing rate. The lease payments shall include fixed payments, variable lease payments, residual value guarantees, exercise price of a purchase option where the Company is reasonably certain to exercise that option and payments of penalties for terminating the lease, if the lease term reflects the lessee exercising an option to terminate the lease, the Company has elected not to apply the requirements of Ind AS 116 Leases to short-term leases of all assets that have a lease term of 12 months or less and leases for which the underlying asset is of low value. The lease payments associated with these leases are recognised as an expense on a straight-line basis over the lease term.

2.17 Provisions

Provisions are recognised only when:

- a) An entity has a present obligation (legal or constructive) as a result of a past event
- b) It is probable that an outflow of resources embodying economic benefits will be required to settle the obligation; and
- c) A reliable estimate can be made of the amount of the obligation.

Reimbursement expected in respect of expenditure required to settle a provision is recognised only when it is virtually certain that the reimbursement will be received.

Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. The discount rate used to determine the present value is a pre-tax rate that reflects current market assessments of the time value

of money and the risks specific to the liability. The increase in the provision due to the passage of time is recognised as interest expense.

2.18 Contingent liability, Contingent Assets and Commitments

- i) Contingent liability is disclosed in case of
 - a) A present obligation arising from past events, when it is not probable that an outflow of resources will be required to settle the obligation
 - b) A present obligation arising from past events, when no reliable estimate is possible.
- ii) Contingent assets are disclosed where an inflow of economic benefits is probable.
- iii) Commitments are future liabilities for contractual expenditure. Commitments are classified and disclosed as follows:
 - a) Estimated amount of contracts remaining to be executed on capital account and not provided for
 - b) Other non-cancellable commitments, if any, to the extent they are considered material and relevant in the opinion of management.
 - c) Other commitments related to sales/ procurements made in the normal course of business are not disclosed to avoid excessive details.

Contingent liabilities, Contingent assets and Commitments are reviewed at each Balance Sheet date.

2.19 Revenue recognition

Accounting for Construction contracts

The Company constructs infrastructure projects on behalf of clients. Delivering the project as per the contractual terms is the only performance obligation that has been identified. Under the terms of the contracts, the Company will perform its obligations on time to time as per the timing schedule indicated in the contract with the asset having no alternative use to the entity and the Company having an enforceable right to receive payment for the work done. Hence, Revenue is therefore recognised over time on a cost to cost method, i.e. based on the proportion

Notes forming part of the Financial Statements (Contd.)

of contract costs incurred for the work performed to date relative to the estimated total contract costs. The management considers that this input method is an appropriate measure of the progress towards complete satisfaction of these performance obligations under Ind AS 115.

Provisions for estimated losses, if any, on uncompleted contracts are recorded in the period in which such losses become probable based on the expected contract estimates at the reporting date.

As per the contract, when there is a right to consideration in exchange for goods or services that have been transferred to a customer when that right is conditioned on something other than the passage of time, a contract asset is recognised to the extent of the consideration due.

Similarly, when there is an obligation to transfer goods or services to a customer for which the entity has received consideration from the customer, a contract liability is recognised to the extent of the obligation.

Accounting for Claims

Claims are accounted as income in the period of receipt of arbitration award and acceptance by client or evidence of acceptance received. Interest awarded, being in the nature of additional compensation under the terms of the contract, is accounted as other Income on receipt of favourable arbitration award.

Other Income

Interest income: Finance income is accrued on a time proportion basis, by reference to the principal outstanding and the applicable Effective interest rate (EIR). Other income is accounted for on accrual basis. Where the receipt of income is uncertain, it is accounted for on receipt basis.

Dividend income: Dividends are recognised in profit or loss only when the right to receive payment is established, it is probable that the economic benefits associated with the dividend will flow to the Company, and the amount of the dividend can be measured reliably.

Other Items of Income: Other items of income are accounted as and when the right to receive arises and it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably.

2.20 Employee benefits

a) Short term employee benefits:

All employee benefits falling due wholly within twelve months of rendering the service are classified as short-term employee benefits. The benefits like salaries, wages, and short term compensated absences etc. Expenses on non-accumulating compensated absences is recognised in the period in which the absences occur.

b) Post-employment benefits:

i. Defined contribution plans: The state governed provident fund scheme, employee state insurance scheme and employee pension scheme are defined contribution plans. The contribution paid/payable under the schemes is recognised during the period in which the employee renders the related service.

ii. Defined benefit plans: The employees' group gratuity fund schemes are managed by Life Insurance Corporation of India (L.I.C), and post-retirement provident fund scheme are the Company's defined benefit plans. The present value of the obligation under such defined benefit plans is determined based on actuarial valuation using the Projected Unit Credit Method.

The obligation is measured at the present value of the estimated future cash flows. The discount rate used for determining the present value of the obligation under defined benefit plans, is based on the market yield on government securities of a maturity period equivalent to the weighted average maturity profile of the related obligations at the Balance Sheet date.

Re measurement, comprising actuarial gains and losses, the return on plan assets (excluding net interest) and any change in the effect of asset ceiling (wherever applicable) are recognised in other comprehensive income and is reflected immediately in retained earnings and is not reclassified to profit and loss.

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the statement of profit and loss.

Notes forming part of the Financial Statements (Contd.)

In case of funded plans, the fair value of the plan assets is reduced from the gross obligation under the defined benefit plans to recognise the obligation on a net basis.

Gains or losses on the curtailment or settlement of any defined benefit plan are recognised when the curtailment or settlement occurs. Past service cost is recognised as expense at the earlier of the plan amendment or curtailment and when the Company recognises related restructuring costs or termination benefits.

2.21 Taxes on Income

Income tax comprises of current and deferred tax. It is recognised in profit or loss except to the extent that it relates to an item recognised directly in equity or in other comprehensive income.

i. Current tax

Current tax comprises the expected tax payable or receivable on the taxable income or loss for the year and any adjustment to the tax payable or receivable in respect of previous years. The amount of current tax reflects the best estimate of the tax amount expected to be paid or received after considering the uncertainty, if any, related to income taxes. It is measured using tax rates (and tax laws) enacted or substantively enacted by the reporting date.

Current tax assets and current tax liabilities are offset only if there is a legally enforceable right to set off the recognised amounts, and it is intended to realise the asset and settle the liability on a net basis or simultaneously.

ii. Deferred tax

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised. Such deferred tax assets and liabilities are not recognised if the temporary differences arise from the initial recognition (other than in a

business combination) of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit. In addition, deferred tax liabilities are not recognised if the temporary difference arises from the initial recognition of goodwill.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered. Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

iii. Minimum Alternate Tax (MAT)

Minimum Alternative Tax ("MAT") under the provisions of the Income-tax Act, 1961 is recognised as current tax in the statement of profit and loss. The credit available under the Act in respect of MAT paid is recognised as an asset only when and to the extent there is convincing evidence that the Company will pay normal income tax during the period for which the MAT credit can be carried forward for set-off against the normal tax liability. MAT credit recognised as an asset is reviewed at each balance sheet date and written down to the extent the aforesaid convincing evidence no longer exists.

2.22 Foreign currencies

- a) The Functional Currency of the Company is Indian Rupees (₹), and these financial statements are presented in Indian rupees (Lakhs).
- b) Foreign Currency transactions are recorded on initial recognition in the reporting currency, using the exchange rate on the date of the transaction.
- c) At each Balance Sheet date, foreign currency monetary items are reported using the closing rate or at amount likely to be realised from or required to disburse. Exchange differences that arise on settlement of Long Term monetary items or on reporting of Long Term Monetary items at each Balance sheet date, at the closing rate are charged to Statement of Profit and loss.

Notes forming part of the Financial Statements (Contd.)

2.23 Cash Flow Statement

The Cash flow statement is prepared in accordance with Ind AS 7 by using indirect method by segregating as cash flows from operating, investing and financing activities. Under the Cash flow from operating activities, the net profit is adjusted for the effects of Non-cash items, Changes in working capital and other items for which the cash effects are investing or financing cash flows.

Cash and cash equivalents (including bank balances) are reflected as such in the Cash Flow Statement.

Cash comprises cash on hand. Cash equivalents are balances with banks including cheques on hand and short-term balances (with an original maturity of three months or less from the date of acquisition).

2.24 Dividend to equity shareholders

Dividend to equity shareholders is recognised as a liability and deducted from shareholders equity, in period in which the dividends are approved by the equity shareholders in general meeting.

2.25 Earnings per share

a) Basic Earnings per share

Basic earnings per share are calculated by dividing:

- the profit attributable to owners of the Company
- by the weighted average number of equity shares outstanding during the financial year, adjusted for bonus elements in equity shares issued during the year and excluding treasury share.

b) Diluted earnings per share

Diluted earnings per share adjust the figures used in the determination of basic earnings per share to take into account:

- the after income tax effect of interest and other financing costs associated with dilutive potential equity shares, and
- The weighted average number of additional equity shares that would have been outstanding assuming the conversion of all dilutive potential equity shares.

2.26 Borrowing Costs

Borrowing costs include interest expense calculated using the effective interest method. Borrowing costs that are attributable to the acquisition, construction or production of a qualifying asset are capitalised as part of cost of such asset till such time the asset is ready for its intended use or sale. A qualifying asset is an asset that necessarily requires a substantial period of time to get ready for its intended use or sale. All other borrowing costs are recognised in profit or loss in the period in which they are incurred.

2.27 Exceptional Items

Exceptional Items represents the nature of transactions which are not in recurring nature during the ordinary course of business but lead to increase / decrease in profit / loss for the year.

2.28 Key accounting estimates and judgements

The preparation of these financial statements in conformity with Ind AS requires the management to make estimates and assumptions considered in the reported amounts of assets, liabilities (including contingent liabilities), income and expenses. The Management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Actual results could differ due to these estimates and the differences between the actual results and the estimates are recognised in the periods in which the results are known / materialise. Estimates include the property plant and equipment, inventory, future obligations in respect of retirement benefit plans, provisions, fair value measurement and taxes etc.

a) Revenue Recognition

The Company follows the percentage completion method, based on the proportion that contract cost incurred as on reporting date to the total estimated contract cost including escalations/variations, this method is followed when reasonably dependable estimates of costs applicable to various elements of the contract can be made. Key factors that are reviewed in estimating the future costs to complete include estimates of future labor costs and productivity efficiencies. Because the financial reporting of these contracts depends on estimates that are assessed continually during the term of these

Notes forming part of the Financial Statements (Contd.)

contracts, recognised revenue and profit are subject to revisions as the contract progresses to completion. When estimates indicate that a loss will be incurred, the loss is provided for in the period in which the loss becomes probable.

b) Property, plant and equipment

The Company reviews the estimated useful lives of property plant and equipment at the end of each reporting period. During the current year, there has been no change in life considered for the assets.

c) Fair value measurement of financial instruments

When the fair values of financial assets and financial liabilities recorded in the Balance Sheet cannot be measured based on quoted prices in active markets, their fair value is measured using valuation techniques, including the discounted cash flow model, which involve various judgements and assumptions.

d) Leases

The Company evaluates if an arrangement qualifies to be a lease as per the requirements of Ind AS 116. Identification of a lease requires significant judgment. The Company uses significant judgement in assessing the lease term including anticipated renewals and the applicable discount rate

The Company determines the lease term as the non-cancellable period of a lease, together with both periods covered by an option to extend the lease if the Company is reasonably certain to exercise that option; and periods covered by an option to terminate the lease if the Company is reasonably certain not to exercise that option.

In assessing whether the Company is reasonably certain to exercise an option to extend a lease, or not to exercise an option to terminate a lease, it considers all relevant facts and circumstances that create an economic incentive for the Company to exercise the option to extend the lease, or not to exercise the option to terminate the lease. The Company revises the lease term if there is a change in the non-cancellable period of a lease. The discount rate is generally based on the incremental borrowing rate.

e) Provision for employee benefits

The Company uses actuarial assumptions to determine the obligations for employee benefits at each reporting period. These assumptions include the discount rate, expected long-term rate of return on plan assets, rate of increase in compensation levels and mortality rates.

f) Income Taxes

Significant judgments are required in determining the provision for income taxes, including the amount expected to be paid/ recovered for uncertain tax positions.

g) Estimation of net realisable value of inventories

In estimating the net realisable value of Inventories the Company makes an estimate of future selling prices and costs necessary to make the sale.

h) Impairment of trade receivables and advances

Significant estimates are required in ascertaining the provision to be made for impairment of trade receivables and advances.

2.29 Recent accounting pronouncements:

Standards issued but not yet effective and not early adopted by the Company

Ministry of Corporate Affairs ("MCA") notifies new standard or amendments to the existing standards. On March 23, 2022, the MCA, issued certain amendments to Ind AS. The amendments relate to the following standards:

- Ind AS 101, First-time Adoption of Indian Accounting Standards
- Ind AS 103, Business Combinations
- Ind AS 107, Financial Instruments: Disclosures
- Ind AS 109, Financial Instruments
- Ind AS 16, Property, Plant and Equipment
- Ind AS 37, Provisions, Contingent Liabilities and Contingent Assets

These amendments are effective from April 01, 2022. The Company believes that the aforementioned amendments will not materially impact the financial statements of the Company.

Lease Liability		35.59	35.59	-	-	35.59	35.59	
Other financial liabilities	-	14,268.03	14,268.03	-	-	14,268.03	14,268.03	
	-	38,345.43	38,345.43	-	-	38,345.43	38,345.43	

The management assessed the financial assets and liabilities measured at amortised cost are approximate to the fair values since the Company does not anticipate that the carrying amounts would be significantly different from the values that would eventually be received or settled.

B. Financial risk management

The Company has exposure to the following risks arising from financial instruments:

- credit risk
- liquidity risk
- market risk

Notes forming part of the Financial Statements (Contd.)

36. FINANCIAL INSTRUMENTS - FAIR VALUES AND RISK MANAGEMENT (CONTD.)

The Company's focus is to estimate a vulnerability of financial risk and to address the issue to minimise the potential adverse effects of its financial performance.

a) Credit risk

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivables from customers; loans and investments in debt securities.

The carrying amounts of financial assets represent the maximum credit risk exposure.

Credit risk on trade receivables, is limited as the customers of the Company mainly consists of the Government promoted entities having a strong credit worthiness.

b) Liquidity risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation. The Company uses activity-based costing to cost its products and services, which assists it in monitoring cash flow requirements and optimising its cash return on investments.

Exposure to liquidity risk

The following are the remaining contractual maturities of financial liabilities at the reporting date. The amounts are gross and undiscounted, and include contractual interest payments and exclude the impact of netting agreements.

As at March 31, 2022					(₹ in Lakhs)
Particulars	Contractual Cash flows				Total
	Carrying Amount	Upto 1 year	1 to 3 Years	More than 3 years	
Non-derivative financial liabilities					
Trade payables	29,454.58	25,652.65	3,334.52	467.40	29,454.57
Lease Liability	641.48	208.65	341.28	91.55	641.48
Other financial liabilities	12,759.00	1,913.85	4,917.15	5,928.00	12,759.00
	42,855.06	27,775.15	8,592.94	6,486.96	42,855.05

As at March 31, 2021					(₹ in Lakhs)
Particulars	Contractual Cash flows				Total
	Carrying Amount	Upto 1 year	1 to 3 Years	More than 3 years	
Non-derivative financial liabilities					
Secured Bank loans	71.24	71.24	-	-	71.24
Trade payables	23,970.57	23,109.90	468.05	392.61	23,970.56
Lease Liability	35.59	34.59	1.00	-	35.59
Other financial liabilities	14,268.03	2,140.20	5,416.74	6,711.09	14,268.03
	38,345.43	25,355.94	5,885.79	7,103.70	38,345.42

c) Market risk

Market risk is the risk that changes in market prices – such as foreign exchange rates, interest rates and equity prices – will affect the Company's income or the value of its holdings of financial instruments. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimising the return.

Notes forming part of the Financial Statements (Contd.)

36. FINANCIAL INSTRUMENTS - FAIR VALUES AND RISK MANAGEMENT (CONTD.)

i) Foreign currency risk

Foreign Currency risk is the risk that fair value or future cash flow of a financial instrument will fluctuate because of changes in foreign exchange rate.

The Company is not exposed to foreign currency risk as it has no borrowing or no material payables in foreign currency.

ii) Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. Since the Company has insignificant variable interest bearing borrowings, the exposure to risk of changes in market interest rates is minimal.

iii) Price risk

Price risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices (other than those arising from interest rate risk or currency risk).

The Company is exposed to price risk due to investments in mutual funds and classified as fair value through profit and loss.

The Company measures risk through sensitivity analysis.

The Company's risk management policy is to mitigate the risk by investments in diversified mutual funds.

The Company's exposure to price risk due to investments in mutual fund is as follows:

Particulars	Note	March 31, 2022	March 31, 2021

Assumptions

(₹ in Lakhs)		
Particulars	March 31, 2022	March 31, 2021
Discount Rate	6.75%	6.25%
Salary Escalation	7.00%	7.00%
Average future working life time	22.62 years	23.66 years
Attrition rate	13%	13%

The estimates of future salary increases, considered in actuarial valuation, take account of inflation, seniority, promotion and other relevant factors, such as supply and demand in the employment market.

Quantities sensitivity analysis for significant assumptions is as below:

(₹ in Lakhs)		
Particulars	March 31, 2022	March 31, 2021
1%/1% increase		
i. Discount rate	1,278.42	995.52
ii. Salary escalation rate- over a long-term	1,417.29	1,107.94
iii. Attrition rate	1,346.68	1,050.51
1%/1% decrease		
i. Discount rate	1,424.32	1,113.88
ii. Salary escalation rate- over a long-term	1,282.32	998.78
iii. Attrition rate	1,347.97	1,052.13

Sensitivity for significant actuarial assumptions is computed by varying one actuarial assumption used for the valuation of the defined benefit obligation, keeping all other actuarial assumptions constant.

Notes forming part of the Financial Statements (Contd.)

42. DISCLOSURE PURSUANT TO IND AS 115 "REVENUE FROM CONTRACTS WITH CUSTOMERS":

The Company constructs infrastructure projects on behalf of clients. Delivering the project as per the contractual terms is the only performance obligation that has been identified. Under the terms of the contracts, the Company will perform its obligations on time to time as per the timing schedule indicated in the contract with the asset having no alternative use to the entity and the Company having an enforceable right to receive payment for the work done. Hence, Revenue is therefore recognised over time on a cost to cost method, i.e. based on the proportion of contract costs incurred for the work performed to date relative to the estimated total contract costs. The management consider that this input method is an appropriate measure of the progress towards complete satisfaction of these performance obligations under Ind AS 115.

47 SEGMENT INFORMATION

The Company's operations predominantly consist of construction / project activities. Hence there are no reportable segments under Ind AS 108. During the year under report, substantial part of the Company's business has been carried out in India. The conditions prevailing in India being uniform, no separate geographical disclosures are considered necessary.

48 During the year ended March 31, 2022 the Company has transferred its 49% stake in two of its 100% wholly owned subsidiaries i.e. KNR Tirumala Infra Private Limited and KNR Shankarampet Projects Private Limited, to CUBE Highways and Infrastructure III pte. Limited on December 30, 2021 for a value of ₹ 13,680.97 Lakhs and ₹ 10,851.23 Lakhs respectively, which includes repayment of 100% sub debt infused by the Company of ₹ 8,859.50 Lakhs and ₹ 7,469.50 Lakhs respectively, accordingly profit of ₹ 2,139.95 Lakhs was shown as exceptional item in the Statement of Standalone Profit and Loss.

49 During the previous year ended March 31, 2021 the Company has transferred its 100% shareholding in one of its subsidiary i.e. KNR Walayar Tollways Private Limited, (KWTPPL) to CUBE Highways and Infrastructure III pte. Limited on September 28, 2020 for an equity valuation of ₹ 38,468.20 Lakhs and accordingly the Company has written off/impaired its investment for an amount of ₹ 601.30 Lakhs and ₹ 671.53 Lakhs for the year ended March 31, 2020. For the year ended March 31, 2021, the Company has also written off advances for an amount of ₹ 523.40 Lakhs against withhold amounts, which are shown as exceptional items in the Statement of Profit and Loss.

50 During the year ended March 31, 2022, the Company has received an arbitration settlement in one of the Joint Venture project, the Company's share of Revenue of ₹ 323.63 Lakhs and Company's share of Interest Income of ₹ 759.90 Lakhs included in statement of Standalone Profit and Loss.

51 During the previous year ended March 31, 2021, the Company has received an Arbitration settlement in one of the Joint Venture project, the Company's share of revenue of ₹ 1,202.00 Lakhs and Company's share of profit of ₹ 785.62 Lakhs included in statement of Profit and Loss.

52 During previous year ended March 31, 2021, the Company has issued Bonus Shares in the ratio of 1:1 on February 05, 2021, with that the Standalone EPS for the year also adjusted accordingly.

53 The Company does not have any Benami property, where any proceeding has been initiated or pending against the Company for holding any Benami property.

Notes forming part of the Financial Statements (Contd.)

- 54** The Company does not have any charges or satisfaction which is yet to be registered with ROC beyond the statutory period
- 55** The Company has not traded or invested in Crypto currency or Virtual Currency during the financial year.
- 56** The Company has not received any fund from any person(s) or entity(ies), including foreign entities (Funding Party) with the understanding (whether recorded in writing or otherwise) that the Company shall:
- Directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (Ultimate Beneficiaries) or
 - Provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
- 57** The Company has not been declared wilful defaulter by any bank or financial institution or government or any government authority.
- 58** The Company has no Loans or Advances in the nature of Loans to specified persons that are Repayable on Demand or without specifying any terms or period of repayment.
- 59** The Company had no transactions with Companies struck off under section 248 of the Companies Act, 2013 or section 560 of the Companies Act, 1956 during the year.

60 DISCLOSURE IN ACCORDANCE WITH IND AS - 116

The Company recognised in the Statement of Profit and Loss

Particulars	(₹ in Lakhs)	
	2021-22	2020-21
Depreciation Charge on Right of Use Asset	263.18	151.18
Interest Expense on Lease Liabilities	33.24	7.8

The Company recognised following lease assets and liabilities in the Balance sheet.

Particulars	(₹ in Lakhs)	
	2021-22	2020-21
Carrying Amount of Right of Use Assets	930.72	147.12
Lease liability	641.48	35.59

- 61** The Income-Tax Department had carried out a search operation at the Company's various business premises, under Section 132 of the Income-tax Act, 1961 in March 2022. The Company has extended full cooperation to the Income-tax officials during the search and provided all the information sought by them. As on the date of issuance of these financial results, the Company has not received any formal communication from the Income-tax department. Management is of the view that this will not have any impact on the Company's financial position as at March 31, 2022 and the performance for the year ended on that date and hence no provision for any liability has been recognised in these Standalone financial results.

Independent Auditor's Report

To the Members of

KNR CONSTRUCTIONS LIMITED

REPORT ON THE CONSOLIDATED FINANCIAL STATEMENTS

Opinion

We have audited the accompanying consolidated financial statements of **KNR CONSTRUCTIONS LIMITED** ("the Holding Company") and its subsidiaries (collectively referred to as 'the Group') which includes 16 Joint operations of the Group accounted on proportionate basis and Group's share of profit in its associates and joint venture, which comprise the consolidated Balance Sheet as at 31 March, 2022, the consolidated Statement of Profit and Loss (including other comprehensive income), the consolidated Statement of Changes in Equity and consolidated Statement of Cash Flow for the year then ended, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as 'the consolidated financial statement').

In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of reports of other auditors on separate financial statements and on the other financial information of joint operations, subsidiaries, associates and joint venture referred to in the Other Matters below, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended ("IND AS") and other accounting principles generally accepted in India, of consolidated state of affairs of the Group as at March 31, 2022, of their consolidated financial profit including, other comprehensive income, consolidated statement of changes in equity and its consolidated cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act, and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained and audit evidence obtained by other auditors in terms of their reports referred to in Other Matters section below, is sufficient and appropriate to provide a basis for our opinion on the consolidated Financial Statements.

Emphasis of Matter

Attention is invited to Note No. 5, of the financial results, relating to the search carried out by the Income Tax Department in March 2022 at the premises and locations of the Company. Since the investigation and related proceedings are pending, there is uncertainty as regards the impact, if any, of the outcome of the proceedings. Due to this, no provision for liability has been recognized in these financial results.

Our opinion is not modified in respect of this matter

Key Audit Matters:

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

We have determined the matters described below to be the key audit matters to be communicated in our report.

Independent Auditor's Report (Contd.)

Key Audit Matter	How our audit addressed the Key Audit Matter
<p>A) Revenue Recognition of long-term contracts of Holding Company</p> <p>The Company has significant revenue from construction contracts and long-term operating and maintenance agreements. These long-term contracts are often complex customised solutions and meet the definition of a contract as per Ind AS 115.</p> <p>Revenue related to these construction contracts is recognised using the percentage of completion method, where progress is determined by comparing actual costs incurred to date, with the total estimated costs of the project. Revenue recognition for construction contracts includes management judgment in the form of estimates, which are subject to management experience and expectations of future events. The most important judgment relates to the estimated total costs of the project.</p> <p>Revenue recognition of long-term contracts is a key audit matter in the audit due to the high level of management judgement involved in the project estimates.</p>	<p>Our revenue testing included both testing of the company's controls, as well as substantive audit procedures targeted at selected major long-term projects. Our substantive testing focused on estimates applied by management in the accounting.</p> <p>Our procedures included, among others things, the following:</p> <ul style="list-style-type: none"> • Ensured that the revenue recognition method applied was appropriate based on the terms of the arrangement; • Agreed the total project revenue estimates to sales agreements, including amendments as appropriate; • We obtained an understanding of the processes and tested relevant controls, which impact the revenue recognition; • We assessed the reliability of management's estimates by comparing the actual results of delivered projects to previous estimates;
<p>B) Litigations and Claims of Holding Company</p> <p>Considering the nature of the Company's operations, it can be exposed to a number of litigations and claims. The recognition and measurement of provisions, contingent liabilities and contingent assets as well as making the necessary disclosures in respect of litigation and claims requires significant judgment by the management in assessing the outcome of each legal case which is based on management's discussion with legal advisors. Due to the significance of the litigations and claims and the difficulty in assessing and measuring the resulting outcome, this is considered as a key audit matter.</p>	<p>Our audit procedures included the following:</p> <ul style="list-style-type: none"> • evaluating the Company's policies, procedures and controls in relation to litigation, claims and provision assessments; • independent enquiries to understand the background of each case, legal position and the material risks that may impact the Company's consolidated financial statements; and • assessing reasonableness of judgment made by management, determining the adequacy of the level of provisioning or disclosure in the consolidated financial statements.

Independent Auditor's Report (Contd.)

Information Other than the Consolidated Financial Statements and Auditor's Report Thereon

The Holding Company's Board of Directors are responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the consolidated financial statements and our auditor's report thereon. Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Consolidated Financial Statements

The Holding Company's Board of Directors are responsible for the matters stated in Section 134(5) of the Act, with respect to the preparation of these consolidated Financial Statements that give a true and fair view of the consolidated financial position, consolidated financial performance including other comprehensive income, consolidated cash flows and consolidated changes in equity of the Group including its associates and joint venture in accordance with the Indian Accounting Standards prescribed under section 133 of the Act read with Companies (Indian Accounting Standards) Rules, 2015, as amended and other accounting principles generally accepted in India.

The respective Board of Directors of the companies included in the group and of its associates and joint venture are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and its associates and joint venture and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate

internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding company, as aforesaid.

In preparing the consolidated financial statements, the respective board of directors of the companies included in the group and of its associates and joint venture are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those respective Board of Directors of the companies included in the group and of its associates and joint venture are also responsible for overseeing the financial reporting process of the group and its associates.

Auditor's Responsibility

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

Independent Auditor's Report (Contd.)

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group, and its associates and joint venture to express an opinion on the consolidated Financial Statements. For the other entities included in the consolidated Financial Statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all

relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

- a) The Consolidated Financial Statements include the audited financial information of 14 subsidiaries, whose financial statements reflect total assets (before consolidation adjustments) of Rs. 2,70,812.08 lakhs as at 31 March 2022, total revenue (before consolidation adjustments) of Rs. 1,42,500.10 lakhs and total net profit after tax (before consolidation adjustments) Rs. (2,689.12) lakhs, total comprehensive income (net) of Rs. (2,686.48) lakhs, for year ended 31 March 2022 and net cash inflows of Rs. 3,164.92 lakhs for the year ended 31 March 2022, which have been audited by their respective independent auditors. The Consolidated Financial Results also include the Group's share of net profit after tax (before consolidation adjustments) of Rs. 1,209.32 lakhs and the Group's share of total comprehensive income (before consolidation adjustments) of Rs. 1,221.95 lakhs for year ended 31 March 2022, as considered in the Consolidated Financial Statements, in respect of 2 associates, whose financial statements have been audited by their respective independent auditors. The independent auditors' reports on financial statements of these entities have been furnished to us by the management and our opinion on the Consolidated Financial Statements, in so far as it relates to the amounts and disclosures included in respect of these entities, is based solely on the report of such auditors and the procedures performed by us are as stated in the paragraph above.

Our opinion on the Consolidated Financial Results is not modified in respect of the above matter with respect to our reliance on the work done and the reports of the other auditors.

Independent Auditor's Report (Contd.)

b) The Consolidated Financial Statements include the audited financial Statements of 13 Joint operations, whose financial statements reflect total assets (before consolidation adjustments) of Rs. 36,455.23 lakhs as at 31 March 2022, total revenue (before consolidation adjustments) of Rs. 1,03,618.90 lakhs and total net profit after tax (before consolidation adjustments) of Rs. 1,259.79 lakhs and total comprehensive income/(loss) (before consolidated adjustments) Rs. 1,259.79 lakhs for the Year ended 31st March 2022, and net cash Inflow Rs. 4,975.15 lakhs for the year ended 31st March 2022, as considered in the Consolidated Financial Statements, which have been audited by their respective independent auditors. The independent auditors' reports on financial statements of these entities have been furnished to us by the management and our opinion on the Consolidated Financial Statements, in so far as it relates to the amounts and disclosures included in respect of these entities, is based solely on the report of such auditors and the procedures performed by us are as stated in the paragraph above.

Our opinion on the Consolidated Financial Statements is not modified in respect of the above matter with respect to our reliance on the work done and the reports of the other auditors.

c) The Consolidated Financial Statement include unaudited financial statements of 3 Joint operations, whose financial information reflect total assets of Rs. 1,114.62 lakhs (before consolidation adjustments) as at 31st March 2022 and total revenues of Rs. Nil Lakhs (before consolidation adjustments), total net profit after tax of Rs. (32.10) lakhs (before consolidation adjustments) and total comprehensive income/(loss) (before consolidated adjustments) of Rs. (32.10) lakhs for the Year ended 31st March 2022, and net cash flow is Rs. Nil for the Year ended 31st March 2022, as considered in the respective standalone audited financial statements of the entities included in the group, whose financial Statements has not been audited by us. These financial information are unaudited and have been furnished to us by the Management and our opinion and conclusion on the statement, in so far as it relates to the amounts and disclosures included in respect of this entity, is based solely on such unaudited financial information. In our opinion and according to the information and explanations given to us by the Board of Directors, these

financial information are not material to the Group.

Our report on the Statement is not modified in respect of the above matter with respect to our reliance on the financial information certified by the Board of Directors.

d) The Consolidated Financial Statements also include the Group's share of net profit of Rs. Nil lakhs for the year ended 31st March 2022, in respect of one joint venture located outside India, whose financials have not been audited, and have been reviewed and certified by the management of the year as the end of the year. In our opinion and according to the information and explanations given to us by the management, the financial information is not material to the Group.

Our report on the Consolidated Financial Statement is not modified in respect of the above matter with respect to our reliance on the financial information certified by the Board of Directors.

Report on Other Legal and Regulatory Requirements

- A. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, based on our audit and on the consideration of report of the other auditors on separate financial statements and the other financial information of the subsidiary companies and associate companies, incorporated in India, as noted in the 'Other Matter' paragraph we give in the "Annexure 1" a statement on the matters specified in paragraph 3(xx) of the Order
- B. As required by Section 143(3) of the Act, based on our audit and on the consideration of report of the other auditors on separate financial statements and the other financial information of subsidiaries, associates and joint operations, as noted in the 'other matter' paragraph we report, to the extent applicable, that:
- We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books and the reports of the other auditors.
 - The consolidated Balance Sheet, the consolidated Statement of Profit and Loss (including other

Independent Auditor's Report (Contd.)

- comprehensive income) the consolidated Cash Flow Statement and consolidated Statement of Changes in Equity dealt with by this Report are in agreement with the books of account maintained for the purpose of preparation of the consolidated financial statements.
- d) In our opinion, the aforesaid consolidated financial statements comply with the Indian Accounting Standards prescribed under Section 133 of the Act read with Companies (Indian Accounting Standards) Rules, 2015, as amended and other accounting principles generally accepted in India.
- e) On the basis of the written representations received from the directors of the Holding company as on March 31, 2022, taken on record by the Board of Directors of the Holding Company, and the reports of the statutory auditors of its subsidiary companies, associate companies, none of the directors are disqualified as on March 31, 2022 from being appointed as a director in terms of Section 164 (2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting and the operating effectiveness of such controls, refer to our separate Report in "Annexure 2", which is based on auditor's report of the parent and its subsidiary companies, associate companies. Our Report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's financial controls over financial reporting.
- g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended, in our opinion and based on the consideration of reports of the other statutory auditors of the subsidiaries and associates the managerial remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 read with Schedule V to the Act.
- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- i. The consolidated Financial Statements disclose the impact if any, of pending litigations as at March 31, 2022 on its financial position in its consolidated Financial Statements – Refer Note No. 37.
 - ii. The Group and its associates did not have any long-term contracts, including derivative contracts, for which there were any material foreseeable losses.
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Holding Company, and its subsidiaries, associate companies.
- iv. (a) The respective managements of the Holding Company and its subsidiaries which are companies incorporated in India whose financial statements have been audited under the Act have represented to us and the other auditors of such subsidiaries respectively that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Holding Company or any of such subsidiaries to or in any other persons or entities, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the respective Holding Company or any of such subsidiaries ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;
- (b) The respective managements of the Holding Company and its subsidiaries which are companies incorporated in India whose financial statements have been audited under the Act have represented to us and the other auditors of such subsidiaries respectively that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the respective Holding Company or any of such subsidiaries from

Independent Auditor's Report (Contd.)

any persons or entities, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Holding Company or any of such subsidiaries shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and

- (c) Based on the audit procedures that has been considered reasonable and appropriate in the circumstances performed by us and those performed by the auditors of the subsidiaries which are companies incorporated in India whose financial statements have been audited under the Act, nothing has come to our or other auditor's notice that has

caused us or the other auditors to believe that the representations under sub-clause (a) and (b) contain any material mis-statement

- v. The dividend declared or paid during the year by the Holding company and subsidiary companies incorporated in India, is in compliance with section 123 of the Act.

Annexure II

TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE CONSOLIDATED FINANCIAL STATEMENTS OF KNR CONSTRUCTIONS LIMITED

REPORT ON THE INTERNAL FINANCIAL CONTROLS UNDER CLAUSE (I) OF SUB-SECTION 3 OF SECTION 143 OF THE COMPANIES ACT, 2013 ("THE ACT")

We have audited the internal financial controls over financial reporting of **KNR CONSTRUCTIONS LIMITED** ("the Holding Company") its subsidiary companies and its associate companies, which are incorporated in India, as of March 31, 2022 in conjunction with our audit of the consolidated financial statements of the Group for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the Holding Company, its subsidiary companies and its associate companies, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the respective Company considering the essential components of internal control stated in the "Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India". These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Holding Company's internal financial controls over financial reporting with reference to these consolidated Financial Statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting with reference to these consolidated financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting with reference to these consolidated Financial Statements and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting with reference to these consolidated financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors in terms of their reports referred to in the Other Matter paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting with reference to these consolidated financial statements.

Meaning of Internal Financial Controls over Financial Reporting With Reference to these Consolidated Financial Statements

A company's internal financial control over financial reporting with reference to these consolidated financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting with reference to these consolidated financial statements includes those policies and procedures that

1. Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
2. Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
3. Provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or

Annexure II TO THE INDEPENDENT AUDITOR'S REPORT OF EVEN DATE ON THE CONSOLIDATED FINANCIAL STATEMENTS OF KNR CONSTRUCTIONS LIMITED (Contd.)

disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting With Reference to these Consolidated Financial Statements

Because of the inherent limitations of internal financial controls over financial reporting with reference to these consolidated financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected.

Also, projections of any evaluation of the internal financial controls over financial reporting with reference to these consolidated financial statements to future periods are subject to the risk that the internal financial control over financial reporting with reference to these Consolidated Financial Statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Holding Company, its subsidiary companies and its associate companies, which are companies incorporated in India, have maintained in all material respects, an adequate internal financial controls system over financial reporting with reference to these consolidated financial statements and such internal financial controls over financial reporting with reference

to these consolidated financial statements were operating effectively as at March 31, 2022, based on the Internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the "Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India".

Other Matter

Our report under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financials controls over financial reporting with reference to these consolidated financial statements of the Holding Company, in so far as it relates to these 14 subsidiary companies, and 2 associate companies, which are companies incorporated in India, is based on the corresponding reports of the auditors of such subsidiary and associate companies.

Our opinion is not modified in respect of the above matters with respect to our reliance on the work done by and the reports of such other auditors.

Consolidated Cash Flow Statement

for the Year Ended March 31, 2022

(₹ In Lakhs)

Particulars	Year ended March 31, 2022	Year ended March 31, 2021
A) Cash Flow from operating Activities		
Profit before tax	56,338.18	51,978.96
Adjustments for :		
Depreciation and Amortisation expense	16,492.06	18,990.47
Liabilities no longer required written back	(106.33)	(1,089.06)
Provision for Doubtful Advances written back	(483.93)	-
Bad debts/advances written off	361.20	1,046.09
(Gain)/Loss on sale of property, plant and equipment	(134.69)	(43.01)
(Gain)/Loss on sale of Mutual funds	(111.49)	(18.48)
(Gain) / Loss on Fair value of Financial instruments	(230.36)	(113.41)
(Due from)/Due to Customer Written off	(1,213.32)	-
Exceptional Item	(2,139.95)	(8,525.20)
Provision for Doubtful Advances and Other Receivables	59.11	990.03
Finance Income on Financial Assets	(24,575.61)	(13,580.89)
Provision for Periodic maintenance	2,876.60	828.37
Un winding Interest on Lease liabilities	33.24	7.80
Un Winding Interest on Deferment of NHAI Premium	529.23	488.96
Un Winding Interest on Provision for MMR	255.10	273.87
Un Amortised Processing fee	26.78	12.26
Interest Expense on Fair Value of Financial Instruments	-	597.39
Modification gain/loss	14,035.18	318.60
Provision for Foreseeable Losses	138.37	-
Finance costs	13,967.04	11,706.05
Interest Income	(1,308.50)	(1,665.02)
	18,469.73	10,224.82
Operating profit/(loss) before working capital changes	74,807.91	62,203.78
Working capital adjustments:		
(Increase)/Decrease in Trade and Other Receivables and prepayments	(77,677.73)	(77,490.96)
(Increase)/Decrease in Inventories	(7,941.60)	(2,482.63)
Increase/(Decrease) in Trade and other Payables	(2,492.03)	19,441.52
Cash generated / (Used in) From Operations	(13,303.45)	1,671.71
Share of profit/(loss) of an associate and a joint venture	(1,148.70)	(742.82)
Income Taxes (paid) / Refunds	(19,192.17)	(8,487.65)
Net Cash Flows from/(used in) Operating Activities - (A)	(33,644.32)	(7,558.76)
B) Cash Flow from Investing Activities		
Proceeds from sale of property, plant and equipment	370.91	201.23
Purchase of property, plant and equipment and Capital Work-in-Progress	(35,730.41)	(9,609.59)
Proceeds from Sale/(Purchase) of investments	2,241.91	32,007.94
Interest Received	1,680.97	1,720.97
Bank Balances not considered as cash and cash equivalents	(9,141.01)	2,180.19
Loans to Joint Venture Partners	(253.04)	(469.86)
TDS on Interest Received	(17.08)	(11.77)
Net Cash Flow from/ (used in) Investing Activities - (B)	(40,847.75)	26,019.11

Consolidated Cash Flow Statement for the Year Ended March 31, 2022 (Contd.)

(₹ In Lakhs)

Particulars	Year ended March 31, 2022	Year ended March 31, 2021
C) Cash Flow from Financing Activities		
Proceeds from long term borrowings	81,017.70	51,066.30
Increase/(Decrease) from Short term borrowings	(71.24)	(3,293.18)
Repayment of borrowings	(12,190.91)	(45,150.73)
Deferred Payment of Liability	-	(579.00)
Finance cost paid	(13,958.19)	(11,826.35)
Payment (to)/from non-controlling interest (net)	22,392.26	-
Dividends paid and Dividend Tax Paid	(703.09)	-
Net Cash Flow from/ (used in) Financing Activities - (C)	76,486.53	(9,782.96)
Net increase/ (decrease) in Cash and Cash Equivalents - (A+B+C)	1,994.46	8,677.39
Cash & Cash Equivalents at the beginning of the year	12,742.94	4,065.55
Cash & Cash Equivalents as at the end of the year (Refer Note 1)	14,737.40	12,742.94

Notes:

- 1 Cash & Cash equivalents includes:

(₹ in Lakhs)

Particulars	Year ended March 31, 2022	Year ended March 31, 2021
Cash in Hand	51.39	46.35
Bank Balance and Cheques on hand - current account	14,686.01	12,696.59
Total Cash & Cash equivalents	14,737.40	12,742.94

- 2 The Cash flow statement is prepared in accordance with the Indirect Method stated in Ind AS - 7 on Cash Flow Statements and presents the cash flows by operating, investing and financing activities.
- 3 Previous year's figures have been regrouped, wherever necessary.
- 4 Figures in brackets represent cash outflows.

Notes

forming part of the Consolidated financial statements

1) REPORTING ENTITY INFORMATION:

KNR Constructions Limited ('the Company') is a company domiciled in India with its registered office at 'KNR House' 3rd & 4th Floor, Plot No: 114, Phase-I, Kavuri Hills, Hyderabad – 500 033. The Company has been incorporated in 1995 under the provisions of Indian Companies Act. The shares of the Company are listed on the both the stock exchanges (BSE & NSE) in India in 2008 pursuant to the Public offer of equity shares. The Company, its subsidiaries and Associates collectively referred to as the "Group" is engaged in the infrastructure sector and is undertaking Turn key EPC contracts and BOT & HAM projects on public-private partnership basis, group activities are primarily in the construction of roads, bridges, flyovers and irrigation projects.

2) SIGNIFICANT ACCOUNTING POLICIES

2.1 Statement of Compliance

These financial statements are the Consolidated financial statements of the Group prepared in accordance with Indian Accounting Standards ("Ind AS") as per the Rule 3 of Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Rules, 2016 notified under the Companies Act, 2013, (the 'Act') and other relevant provisions of the Act.

2.2 Functional and presentation currency

These consolidated financial statements are presented in Indian Rupees (₹), which is also the Company's functional currency. All amounts have been presented ₹ in Lakhs rounded-off to two decimal, unless otherwise indicated.

2.3 Basis of Preparation & Presentation

These consolidated financial statements are prepared in accordance with Indian Accounting Standards (Ind AS) under the historical cost convention on the accrual basis except for certain financial instruments which are measured at fair values, the provisions of the Companies Act, 2013 ('Act') (to the extent notified) and guidelines issued by the Securities and Exchange Board of India (SEBI). The Ind AS are prescribed under Section 133 of the Act read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016.

2.4 Basis of Consolidation

The consolidated financial statements have been prepared on the following basis:

i) Subsidiaries

The consolidated financial statements comprise the financial statements of the Holding Company and its subsidiaries as disclosed in Note 43. Subsidiaries are consolidated from the date control commences until the date control ceases. Subsidiaries are consolidated on a line-by-line basis by adding together the book values of like items of assets, liabilities, income and expenses, after fully eliminating intra-group balances, intra-group transactions and resulting unrealised profits or losses on intra-group transactions as per Indian Accounting Standard 110.

ii) Associates

Associates are entities over which the Group has significant influence but not control. Investments in associates are accounted for using the equity method of accounting. The investment is initially recognised at cost, and the carrying amount is increased or decreased to recognise the investor's share of the profit or loss of the investee after the acquisition date.

iii) Joint arrangements

Under Ind AS 111 Joint Arrangements, investments in joint arrangements are classified as either joint operations or joint ventures; the classification depends on the contractual rights and obligations of each investor, rather than the legal structure of the joint arrangement.

For joint operations, the group recognises its direct right to the assets, liabilities, contingent liabilities, revenues and expenses of joint operations and its share of any jointly held or incurred assets, liabilities, revenues and expenses. These have been incorporated in the financial statements under the appropriate headings.

For joint venture, A Joint Venture is a joint arrangement whereby the parties that have joint control of the arrangement, have rights to the net assets of the joint arrangement. Investments in

Notes forming part of the Consolidated financial statements (Contd.)

Joint Venture are accounted for using the equity method after initially recognised at cost.

- iv) The financial statements of the Subsidiaries, Associates and the Joint ventures used in the consolidation are drawn up to the same reporting date as that of the Holding Company, i.e. March 31, 2022.
- v) Non-controlling interests in the net assets of the consolidated subsidiaries is identified and presented in consolidated balance sheet under the Total Equity.
- vi) Non-controlling interests in the net assets of consolidated subsidiaries consists of:
 - a) The amount of equity attributable to Non-controlling holders at the date on which investment in a subsidiary is made; and
 - b) The Non-controlling holders share of movements in the equity since the date the parent subsidiary relationship came into existence.
- vii) The consolidated financial statements are prepared to the extent possible using uniform accounting policies for like transactions and other events in similar circumstances and are presented to extent possible, in the same manner as the Company's separate financial statements. The Subsidiaries and Associate Companies are considered for consolidated financial statements are given in Note 43.

2.5 Changes in the Group's ownership interest in existing subsidiaries

Changes in the Group's ownership interests in subsidiaries that do not result in the Group losing control over the subsidiaries are accounted for as equity transactions. The carrying amounts of the Group's interest and the non-controlling interests are adjusted to reflect the changes in their relative interests in the subsidiaries. Any difference between the amount by which the non-controlling interests are adjusted and the fair value of the consideration paid or received is recognised directly in equity and attributed to shareholders of the Group.

When the Group loses control of a subsidiary, a gain or loss is recognised in profit or loss and is calculated as the difference between (i) the aggregate of the

fair value of the consideration received and (ii) the previous carrying amount of the assets (including goodwill), and liabilities of the subsidiary and any non-controlling interest. All amounts previously recognised in other comprehensive income in relation to that subsidiary are accounted for as if the Group had directly disposed of the related assets or liabilities of the subsidiary (i.e. reclassified to profit or loss or transferred to another category of equity as specified/ permitted by applicable Ind AS). The fair value of any investment retained in the former subsidiary at the date when control is lost is regarded as the fair value on initial recognition for subsequent accounting under Ind AS 109, or when applicable, the cost on initial recognition of an investment in an associate or a joint venture.

2.6 Operating cycle for Current and Non-Current classification

The group has classified all its assets and liabilities as current or non-current, wherever applicable, as per the operating cycle of the group as per Schedule III to the Act. Operating cycle for the business activities of the group covers the duration of the project/ contract/ service including the defect liability period, wherever applicable, and extends up to the realisation of receivables (including retention monies) within the credit period normally applicable to the respective project.

2.7 Fair Value Measurement

The group measures certain financial instruments, in its financial statements at fair value at each balance sheet date.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within fair value hierarchy based on the low-level of input that is significant to the fair value measurement as a whole:

Level 1 – Quoted prices (unadjusted) in active markets for identical assets and liabilities.

Level 2 – Inputs other than quoted prices included within level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (observable input).

Level 3 – Inputs for the assets and liabilities that are not based on observable market data (unobservable inputs).

Notes forming part of the Consolidated financial statements (Contd.)

When measuring the fair value of an asset or a liability, the group uses observable market data as far as possible. If the inputs used to measure the fair value of an asset or a liability fall into different levels of the fair value hierarchy, then the fair value measurement is categorised in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement.

The Group recognises transfers between levels of the fair value hierarchy at the end of the reporting period during which the change has occurred.

2.8 Property, plant and equipment (PPE)

Items of property, plant and equipment are measured at cost, less accumulated depreciation and accumulated impairment losses, if any

Cost of an item of property, plant and equipment comprises its purchase price, including import duties and non-refundable purchase taxes, after deducting trade discounts and rebates, any directly attributable cost of bringing the item to its working condition for its intended use and estimated costs of dismantling and removing the item and restoring the site on which it is located.

The cost of a self-constructed item of property, plant and equipment comprises the cost of materials and direct labor, any other costs directly attributable to bringing the item to working condition for its intended

use, and estimated costs of dismantling and removing the item and restoring the site on which it is located.

If significant parts of an item of property, plant and equipment have different useful lives, then they are accounted for as separate items (major components) of property, plant and equipment.

Any gain or loss on disposal of an item of property, plant and equipment is recognised in profit or loss.

Subsequent expenditure is capitalised only if it is probable that the future economic benefits associated with the expenditure will flow to the Group.

Depreciation is calculated on cost of items of property, plant and equipment in the manner and as per the useful life prescribed under Schedule-II to the Act except the below mentioned assets, and is generally recognised in the statement of profit and loss. Depreciation on additions (disposals) is provided on a pro-rata basis i.e. from (up to) the date on which asset is ready for use (disposed off).

Depreciation method, useful lives and residual values are reviewed at each financial year-end and adjusted if appropriate.

For the Assets costing up to ₹ 5,000 are depreciated fully in the year of purchase.

The following asset category has useful life different from the life specified in Schedule II of the Companies Act, 2013 based on the management's assessment

S. No.	Description	Useful life given as per Companies Act 2013	Company's estimated useful life
1.	Buildings		
	RCC structure	60 years	60 years
	Temporary structure	3 Years	3 Years
2.	Plant and Machinery		
	Concreting, crushing, piling equipment's and road making equipment's	12 Years	7 Years *
	Heavy Lift equipment's		
	- Cranes < 100 tons	15 Years	7 Years *
	- Earth-moving equipment's	9 Years	7 Years *
	Construction Accessories	12 Years	3 Years **
	Others including Material Handling / Pipeline / Welding Equipment's	12 Years	7 Years *
3.	Furniture and fittings	10 Years	10 Years

Notes forming part of the Consolidated financial statements (Contd.)

S. No.	Description	Useful life given as per Companies Act 2013	Company's estimated useful life
4.	Motor Vehicles		
	Motor cycles, Scooters and other mopeds	10 Years	10 Years
	Motor buses, motor lorries, motor cars and motor taxis	8 Years	8 Years
5.	Office equipment's	5 Years	5 Years
6.	Computers and data processing units		
	Servers and networks	6 Years	6 Years
	End user devices such as, desktops, laptop etc.,	3 Years	3 Years
7.	Laboratory equipment's	10 years	7 years *

* The Group estimated life of the asset as 7 years.

** The Group estimated life of the asset as 3 years as the assets have been used for more number of times / shifts as compared to the other ones.

Where cost of a part of the asset ("asset component") is significant to total cost of the asset and useful life of that part is different from the useful life of the remaining asset, useful life of that significant part is determined separately and such asset component is depreciated over its separate useful life.

Gains or losses arising from the retirement or disposal of property, plant and equipment are determined as the difference between the estimated net disposal proceeds and the carrying amount of the asset and are recognised in the income statement on the date of retirement or disposal.

2.9 Capital Work-in-progress

Capital work-in-progress are carried at cost, comprising direct cost, related incidental expenses and attributable borrowing cost less refundable taxes.

2.10 Intangible Asset under Service Concession Arrangements (SCA)

The Group recognises an intangible asset arising from a service concession arrangement to the extent it has a right to charge for use of the concession infrastructure. The fair value, at the time of initial recognition of such an intangible asset received as consideration for providing construction or upgrade services in a service concession arrangement, is regarded to be its cost. Subsequent to initial recognition the intangible asset is measured at cost, less any accumulated amortisation and accumulated impairment losses.

Subsequent expenditure is capitalised only when it increases the future economic benefits embodied in the specific asset to which it relates.

The Group has followed life based amortisation for intangible assets which are recognised under service concession arrangements, over the balance concession period.

Government grants – Viability Gap Funding (VGF)

Any VGF in the form of equity support in connection with project construction is accounted as a receivable and is adjusted to the extent of actual receipt.

Accounting for negative grants

The Group is required to make payments to the authority during the period of SCA which is called negative grant as per Ind-AS 115, and the payment is in the form of fixed payment (annual throughout the SCA) and the Group has recognised as a liability with a present value of annual payments payable during the SCA. And the same was capitalised to the intangible assets.

2.11 Rights under Service Concession Arrangements (Hybrid Annuity Projects)

Financial Asset under SCA

Where Group has acquired contractual rights to receive specified determinable amounts, such rights are recognised and classified as "Financial Assets", The Group will recognise a financial asset to the extent that it has an unconditional contractual right to receive cash or another financial asset from the

Notes forming part of the Consolidated financial statements (Contd.)

Authority/Client for the construction services and such financial assets are classified as "Receivables against Service Concession Arrangements" (Financial Asset Receivable).

Pre-operative expenses including administrative and other general overhead expenses that are directly attributable to the development under service Concession Arrangements are allocated and recognised and classified as "Financial Assets Receivable".

The amount due from the authority including Operation & Maintenance Income is accounted for in accordance with Ind AS 109 as measured at amortised cost and the interest calculated using the effective interest method is recognised in statement of profit and loss.

As per the Concession Arrangement, the support during construction period received on milestone basis is accounted for as part of the transaction price (Financial Asset) as defined in Ind AS 115.

2.12 Investment Property

Investment properties are properties held to earn rentals and/or for capital appreciation (including property under construction for such purposes). Investment properties are measured initially at cost, including transaction costs. Subsequent to initial recognition, investment properties are measured in accordance with the Ind AS 16's requirement for cost model.

An investment property is derecognised upon disposal or when the investment property is permanently withdrawn from use and no further economic benefits expected from disposal. Any gain or loss arising on derecognition of the property is included in profit or loss in the period in which the property is derecognised.

2.13 Other Intangible Assets

Other Intangible assets are stated at original cost net of tax/duty credits availed, if any, less accumulated amortisation and cumulative impairment. Intangible assets are recognised when it is probable that the future economic benefits that are attributable to the asset will flow to the enterprise and the cost of the asset can be measured reliably. Pre-operative expenses including administrative and other general

overhead expenses that are specifically attributable to acquisition of intangible assets are allocated and capitalised as a part of the cost of the intangible assets. Intangible assets are amortised over their useful life.

Asset	Useful life
Computer Software	3 Years

2.14 Investment in Associates and Joint Ventures and Mutual Funds

Investments in mutual funds are carried at fair value through profit and loss.

Investments are classified as 'held for sale' when all of the following criterias are met:

- (i) decision has been made to sell,
- (ii) the assets are available for immediate sale in its present condition,
- (iii) the assets are being actively marketed and
- (iv) Sale has been agreed or is expected to be concluded within 12 months of the Balance Sheet date.

Subsequently, such investments classified as held for sale are measured at the lower of its carrying value and fair value less impairment.

Investments in joint venture are recognised at cost with adjustment to respective share of profit/loss.

2.15 Inventories

Raw Materials, construction materials and stores & spares are valued at weighted average cost or net realisable value whichever is less. Cost includes all charges in bringing the materials to the place of usage, excluding refundable duties and taxes.

2.16 Financial Instruments

i. Classification and subsequent measurement

Financial assets

Financial asset is

- Cash / Equity Instrument of another Entity,
- Contractual right to –
 - a) receive Cash / another Financial Asset from another Entity, or
 - b) exchange Financial Assets or Financial Liabilities with another Entity under

Notes forming part of the Consolidated financial statements (Contd.)

conditions that are potentially favourable to the Entity.

On initial recognition, a financial asset is classified as measured at

- Amortised cost;
- FVTPL

Financial assets are not reclassified subsequent to their initial recognition, except if and in the period the Group changes its business model for managing financial assets.

A financial asset is measured at amortised cost if it meets both of the following conditions and is not designated as at FVTPL:

- o the asset is held within a business model whose objective is to hold assets to collect contractual cash flows; and
- o The contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial liabilities

Financial liability is Contractual Obligation to

- deliver Cash or another Financial Asset to another Entity, or
- exchange Financial Assets or Financial Liabilities with another Entity under conditions that are potentially unfavourable to the Entity

Financial liabilities are classified as measured at amortised cost or FVTPL. A financial liability is classified as at FVTPL if it is classified as held for trading, or it is a derivative or it is designated as such on initial recognition. Financial liabilities at FVTPL are measured at fair value and net gains and losses, including any interest expense, are recognised in profit or loss. Other financial liabilities are subsequently measured at amortised cost using the effective interest method. Interest expense and foreign exchange gains and losses are recognised in profit or loss. Any gain or loss on de-recognition is also recognised in profit or loss.

ii. De-recognition

Financial assets

The Group derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the rights to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial asset are transferred or in which the Group neither transfers nor retains substantially all of the risks and rewards of ownership and does not retain control of the financial asset.

Financial liabilities

The Group derecognises a financial liability when its contractual obligations are discharged or cancelled, or expire.

The Group also derecognises a financial liability when its terms are modified and the cash flows under the modified terms are substantially different. In this case, a new financial liability based on the modified terms is recognised at fair value. The difference between the carrying amount of the financial liability extinguished and the new financial liability with modified terms is recognised in profit or loss.

iii. Impairment

Impairment of financial assets

In accordance with Ind AS 109, the Group applies Expected Credit Loss (ECL) model for measurement and recognition of impairment loss on the following financial assets and credit risk exposure:

- Financial assets that are measured at amortised cost
- Trade receivables

The Group follows 'simplified approach' for recognition of impairment loss allowance on trade receivables which do not contain a significant financing component. The application of simplified approach does not require the Group to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition

Notes forming part of the Consolidated financial statements (Contd.)

Impairment of non-financial assets

The Group's non-financial assets, other than deferred tax assets are reviewed at each reporting date to determine whether there is any indication of impairment. If any such indication exists, then the asset's recoverable amount is estimated.

For impairment testing, assets that do not generate independent cash inflows are grouped together into cash-generating units (CGUs). Each CGU represents the smallest group of assets that generates cash inflows that are largely independent of the cash inflows of other assets or CGUs.

The recoverable amount of a CGU (or an individual asset) is the higher of its value in use and its fair value less costs to sell. Value in use is based on the estimated future cash flows, discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the CGU (or the asset).

An impairment loss is recognised, if the carrying amount of an asset or CGU exceeds its estimated recoverable amount. Impairment losses are recognised in the statement of profit and loss. Impairment loss recognised in respect of a CGU is allocated first to reduce the carrying amount of any goodwill allocated to the CGU, and then to reduce the carrying amounts of the other assets of the CGU (or group of CGUs) on a pro rata basis.

2.17 Cash and cash equivalents

Cash and cash equivalents includes Cash in hand, bank balances and cheques on hand, Short term and liquid investments being not free from more than insignificant risk of change in value, are not included as part of cash and cash equivalents.

2.18 Other Bank Balances

Other bank balances include fixed deposits, margin money deposits, earmarked balances with banks and other bank balances which have restrictions on repatriation.

2.19 Leases

A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

Group as a lessee

The Group accounts for each lease component within the contract as a lease separately from non-lease components of the contract and allocates the consideration in the contract to each lease component on the basis of the relative stand-alone price of the lease component and the aggregate stand-alone price of the non-lease components.

The Group recognises right-of-use asset representing its right to use the underlying asset for the lease term at the lease commencement date. The cost of the right-of-use asset measured at inception shall comprise of the amount of the initial measurement of the lease liability adjusted for any lease payments made at or before the commencement date less any lease incentives received, plus any initial direct costs incurred and an estimate of costs to be incurred by the lessee in dismantling and removing the underlying asset or restoring the underlying asset or site on which it is located. The right-of-use assets is subsequently measured at cost less any accumulated depreciation, accumulated impairment losses, if any and adjusted for any re measurement of the lease liability. The right-of-use assets is depreciated using the straight-line method from the commencement date over the shorter of lease term or useful life of right-of-use asset. The estimated useful lives of right-of-use assets are determined on the same basis as those of property, plant and equipment.

The Group measures the lease liability at the present value of the lease payments that are not paid at the commencement date of the lease. The lease payments are discounted using the interest rate implicit in the lease, if that rate can be readily determined. If that rate cannot be readily determined, the Group uses borrowing rate. The lease payments shall include fixed payments, variable lease payments, residual value guarantees, exercise price of a purchase option where the Group is reasonably certain to exercise that option

Notes forming part of the Consolidated financial statements (Contd.)

and payments of penalties for terminating the lease, if the lease term reflects the lessee exercising an option to terminate the lease, the Group has elected not to apply the requirements of Ind AS 116 Leases to short-term leases of all assets that have a lease term of 12 months or less and leases for which the underlying asset is of low value. The lease payments associated with these leases are recognised as an expense on a straight-line basis over the lease term.

2.20 Provisions

Provisions are recognised only when:

- a) An entity has a present obligation (legal or constructive) as a result of a past event
- b) It is probable that an outflow of resources embodying economic benefits will be required to settle the obligation; and
- c) A reliable estimate can be made of the amount of the obligation.

Reimbursement expected in respect of expenditure required to settle a provision is recognised only when it is virtually certain that the reimbursement will be received.

Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. The discount rate used to determine the present value is a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provision due to the passage of time is recognised as interest expense.

Provision for contractual obligations

Provisions are taken for contractual obligations to maintain the condition of infrastructure under concession agreement, principally to cover the expense of major road repairs (surface courses, restructuring of slow lanes, etc.), bridges, tunnels etc. Provision for contractual obligations is determined by discounting the expected maintenance expense spanning several years at a pre-tax rate that reflects the current market assessment of the time value and the risks specific to the liability and is updated annually. Provisions are also taken whenever recognised signs of defects are encountered on identified infrastructure.

2.21 Contingent liability, Contingent Assets and Commitments

- i) Contingent liability is disclosed in case of
 - a) A present obligation arising from past events, when it is not probable that an outflow of resources will be required to settle the obligation
 - b) A present obligation arising from past events, when no reliable estimate is possible.
- ii) Contingent assets are disclosed where an inflow of economic benefits is probable.
- iii) Commitments are future liabilities for contractual expenditure. Commitments are classified and disclosed as follows:
 - a) Estimated amount of contracts remaining to be executed on capital account and not provided for
 - b) Other non-cancellable commitments, if any, to the extent they are considered material and relevant in the opinion of management.
 - c) Other commitments related to sales/ procurements made in the normal course of business are not disclosed to avoid excessive details.

Contingent liabilities, Contingent assets and Commitments are reviewed at each Balance Sheet date.

2.22 Revenue Recognition

Accounting for Construction contracts

The Group constructs infrastructure projects on behalf of clients. Delivering the project as per the contractual terms is the only performance obligation that has been identified. Under the terms of the contracts, the group will perform its obligations on time to time as per the timing schedule indicated in the contract with the asset having no alternative use to the entity and the group having an enforceable right to receive payment for the work done. Hence, Revenue is therefore recognised over time on a cost to cost method, i.e. based on the proportion of contract costs incurred for the work performed to date relative to the estimated total contract costs. The management considers that this input method is an appropriate measure of

Notes forming part of the Consolidated financial statements (Contd.)

the progress towards complete satisfaction of these performance obligations under Ind AS 115.

Provisions for estimated losses, if any, on uncompleted contracts are recorded in the period in which such losses become probable based on the expected contract estimates at the reporting date.

As per the contract, when there is a right to consideration in exchange for goods or services that have been transferred to a customer when that right is conditioned on something other than the passage of time, a contract asset is recognised to the extent of the consideration due.

Similarly, when there is an obligation to transfer goods or services to a customer for which the entity has received consideration from the customer, a contract liability is recognised to the extent of the obligation.

Accounting for Claims

Claims are accounted as income in the period of receipt of arbitration award and acceptance by client or evidence of acceptance received. Interest awarded, being in the nature of additional compensation under the terms of the contract, is accounted as other Income on receipt of favourable arbitration award.

Service concession arrangements (SCA)

For BOT (Toll) Projects

The Group derives revenue primarily from toll collection and other miscellaneous construction contracts. Toll collections from the users of the infrastructure facility constructed by the Company under the Service Concession Arrangement is accounted for based on completion of the performance obligation which largely coincides with actual toll collection from the user. Revenue from sale of smart cards is accounted on recharge basis.

For Hybrid Annuity Projects

The Group constructs or upgrades infrastructure (construction or upgrade services) used to provide a public service and operates and maintains that infrastructure (operation services) for a specified period of time. The group shall recognise and measure revenue for the services it performs. The nature of the consideration determines its subsequent accounting treatment i.e. as Financial Assets. The group will recognise a financial asset to the extent that it has

an unconditional contractual right to receive cash or another financial asset from the authority/client for the construction services.

The Financial Asset due from the authority/client is accounted and measured at amortised cost. The interest calculated using the effective interest method is recognised in the statement of profit and loss. As per the Concession Arrangement, support received during construction period are accounted for as part of the transaction price (i.e. Financial Asset).

Other Income

Interest income: Finance income is accrued on a time proportion basis, by reference to the principal outstanding and the applicable Effective interest rate (EIR). Other income is accounted for on accrual basis. Where the receipt of income is uncertain, it is accounted for on receipt basis.

Dividend income: Dividends are recognised in profit or loss only when the right to receive payment is established, it is probable that the economic benefits associated with the dividend will flow to the Group, and the amount of the dividend can be measured reliably.

Other Items of Income: Other items of income are accounted as and when the right to receive arises and it is probable that the economic benefits will flow to the Group and the amount of income can be measured reliably.

2.23 Employee Benefits

a) Short term employee benefits:

All employee benefits falling due wholly within twelve months of rendering the service are classified as short-term employee benefits. The benefits like salaries, wages, and short term compensated absences etc. Expenses on non-accumulating compensated absences are recognised in the period in which the absences occur.

b) Post-employment benefits:

i. Defined contribution plans: The state governed provident fund scheme, employee state insurance scheme and employee pension scheme are defined contribution plans. The contribution paid/payable under

Notes forming part of the Consolidated financial statements (Contd.)

the schemes is recognised during the period in which the employee renders the related service.

- ii. **Defined benefit plans:** The employees' group gratuity fund schemes are managed by Life Insurance Corporation of India (L.I.C), and post-retirement provident fund scheme are the Group's defined benefit plans. The present value of the obligation under such defined benefit plans is determined based on actuarial valuation using the Projected Unit Credit Method.

The obligation is measured at the present value of the estimated future cash flows. The discount rate used for determining the present value of the obligation under defined benefit plans, is based on the market yield on government securities of a maturity period equivalent to the weighted average maturity profile of the related obligations at the Balance Sheet date.

Re measurement, comprising actuarial gains and losses, the return on plan assets (excluding net interest) and any change in the effect of asset ceiling (wherever applicable) are recognised in other comprehensive income and is reflected immediately in retained earnings and is not reclassified to profit and loss.

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the statement of profit and loss.

In case of funded plans, the fair value of the plan assets is reduced from the gross obligation under the defined benefit plans to recognise the obligation on a net basis.

Gains or losses on the curtailment or settlement of any defined benefit plan are recognised when the curtailment or settlement occurs. Past service cost is recognised as expense at the earlier of the

plan amendment or curtailment and when the Group recognises related restructuring costs or termination benefits.

2.24 Taxes on Income

Income tax comprises of current and deferred tax. It is recognised in profit or loss except to the extent that it relates to an item recognised directly in equity or in other comprehensive income.

i. Current tax

Current tax comprises the expected tax payable or receivable on the taxable income or loss for the year and any adjustment to the tax payable or receivable in respect of previous years. The amount of current tax reflects the best estimate of the tax amount expected to be paid or received after considering the uncertainty, if any, related to income taxes. It is measured using tax rates (and tax laws) enacted or substantively enacted by the reporting date.

Current tax assets and current tax liabilities are offset only if there is a legally enforceable right to set off the recognised amounts, and it is intended to realise the asset and settle the liability on a net basis or simultaneously.

ii. Deferred tax

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the consolidated financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised. Such deferred tax assets and liabilities are not recognised if the temporary differences arise from the initial recognition (other than in a business combination) of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit. In addition, deferred tax liabilities are not recognised if the temporary difference arises from the initial recognition of goodwill.

Notes forming part of the Consolidated financial statements (Contd.)

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered. Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

iii. Minimum Alternate Tax (MAT)

Minimum Alternative Tax ("MAT") under the provisions of the Income-tax Act, 1961 is recognised as current tax in the statement of profit and loss. The credit available under the Act in respect of MAT paid is recognised as an asset only when and to the extent there is convincing evidence that the Group will pay normal income tax during the period for which the MAT credit can be carried forward for set-off against the normal tax liability. MAT credit recognised as an asset is reviewed at each balance sheet date and written down to the extent the aforesaid convincing evidence no longer exists.

2.25 Foreign Currencies

Foreign Currency transaction and translation expenditure

- a) The Functional Currency of the Group is Indian Rupees(₹), and these financial statements are presented in Indian rupees(Lakhs)
- b) Foreign Currency transactions are recorded on initial recognition in the reporting currency, using the exchange rate on the date of the transaction.
- c) At each Balance Sheet date, foreign currency monetary items are reported using the closing rate or at amount likely to be realised from or required to disburse. Exchange differences that arise on settlement of Long Term monetary items or on reporting of Long Term Monetary items at each Balance sheet date, at the closing rate are charged to Statement of Profit and loss.

2.26 Cash flow statement

The Consolidated Cash flow statement is prepared in accordance with Ind AS 7 by using indirect method by

segregating as cash flows from operating, investing and financing activities. Under the Cash flow from operating activities, the net profit is adjusted for the effects of Non-cash items, Changes in working capital and other items for which the cash effects are investing or financing cash flows.

Cash and cash equivalents (including bank balances) are reflected as such in the Cash Flow Statement. Those amounts which are not considered in cash and cash equivalents as on the date of Balance Sheet are included in investing activities.

Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short-term balances (with an original maturity of three months or less from the date of acquisition).

2.27 Dividend to equity shareholders

Dividend to equity shareholders is recognised as a liability and deducted from shareholders equity, in period in which the dividends are approved by the equity shareholders in general meeting.

2.28 Earnings per share

a) Earnings per share

Basic earnings per share is calculated by dividing:

- the profit attributable to owners of the Group
- by the weighted average number of equity shares outstanding during the financial year, adjusted for bonus elements in equity shares issued during the year and excluding treasury share.

b) Diluted earnings per share

Diluted earnings per share adjust the figures used in the determination of basic earnings per share to take into account:

- the after income tax effect of interest and other financing costs associated with dilutive potential equity shares, and
- The weighted average number of additional equity shares that would have been outstanding assuming the conversion of all dilutive potential equity shares.

Notes forming part of the Consolidated financial statements (Contd.)

2.29 Borrowing Costs

Borrowing costs include interest expense calculated using the effective interest method. Borrowing costs that are attributable to the acquisition, construction or production of a qualifying asset are capitalised as part of cost of such asset till such time the asset is ready for its intended use or sale. A qualifying asset is an asset that necessarily requires a substantial period of time to get ready for its intended use or sale. All other borrowing costs are recognised in profit or loss in the period in which they are incurred.

2.30 Exceptional Items

Exceptional Items represents the nature of transactions which are not in recurring nature during the ordinary course of business but lead to increase / decrease in profit / loss for the year.

2.31 Key accounting estimates and judgements

The preparation of these consolidated financial statements in conformity with Ind AS requires the management to make estimates and assumptions considered in the reported amounts of assets, liabilities (including contingent liabilities), income and expenses. The Management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Actual results could differ due to these estimates and the differences between the actual results and the estimates are recognised in the periods in which the results are known / materialise. Estimates include the property plant and equipment, inventory, future obligations in respect of retirement benefit plans, provisions, fair value measurement and taxes etc.

a) Revenue Recognition

The Group follows the percentage completion method, based on the proportion that contract cost incurred as on reporting date to the total estimated contract cost including escalations/ variations, this method is followed when reasonably dependable estimates of costs applicable to various elements of the contract can be made. Key factors that are reviewed in estimating the future costs to complete include estimates of future labour costs and productivity efficiencies. Because the financial reporting of

these contracts depends on estimates that are assessed continually during the term of these contracts, recognised revenue and profit are subject to revisions as the contract progresses to completion. When estimates indicate that a loss will be incurred, the loss is provided for in the period in which the loss becomes probable.

b) Property, plant and equipment

The Group reviews the estimated useful lives of property plant and equipment at the end of each reporting period. During the current year, there has been no change in life considered for the assets.

c) Fair value measurement of financial instruments

When the fair values of financial assets and financial liabilities recorded in the Balance Sheet cannot be measured based on quoted prices in active markets, their fair value is measured using valuation techniques, including the discounted cash flow model, which involve various judgements and assumptions.

d) Leases

The Group evaluates if an arrangement qualifies to be a lease as per the requirements of Ind AS 116. Identification of a lease requires significant judgment. The Group uses significant judgement in assessing the lease term including anticipated renewals and the applicable discount rate.

The Group determines the lease term as the non-cancellable period of a lease, together with both periods covered by an option to extend the lease if the Group is reasonably certain to exercise that option; and periods covered by an option to terminate the lease if the Group is reasonably certain not to exercise that option.

In assessing whether the Group is reasonably certain to exercise an option to extend a lease, or not to exercise an option to terminate a lease, it considers all relevant facts and circumstances that create an economic incentive for the Group to exercise the option to extend the lease, or not to exercise the option to terminate the lease. The Group revises the lease term if there is a change in the non-cancellable period of a lease.

Notes forming part of the Consolidated financial statements (Contd.)

The discount rate is generally based on the incremental borrowing rate.

e) Provision for employee benefits

The Group uses actuarial assumptions to determine the obligations for employee benefits at each reporting period. These assumptions include the discount rate, expected long-term rate of return on plan assets, rate of increase in compensation levels and mortality rates.

f) Income Taxes

Significant judgments are required in determining the provision for income taxes, including the

amount expected to be paid/ recovered for uncertain tax positions.

g) Estimation of net realisable value of inventories

In estimating the net realisable value of Inventories the Group makes an estimate of future selling prices and costs necessary to make the sale.

h) Impairment of trade receivables and advances

Significant estimates are required in ascertaining the provision to be made for impairment of trade receivables and advances.

2.32 Recent accounting pronouncements:

Standards issued but not yet effective and not early adopted by the Company

Ministry of Corporate Affairs ("MCA") notifies new standard or amendments to the existing standards. On March 23, 2022, the MCA, issued certain amendments to Ind AS. The amendments relate to the following standards:

- Ind AS 101, First-time Adoption of Indian Accounting Standards
- Ind AS 103, Business Combinations
- Ind AS 107, Financial Instruments: Disclosures
- Ind AS 109, Financial Instruments
- Ind AS 16, Property, Plant and Equipment
- Ind AS 37, Provisions, Contingent Liabilities and Contingent Assets

These amendments are effective from April 01, 2022. The Company believes that the aforementioned amendments will not materially impact the financial statements of the Company.

	-	1,16,972.99	1,16,972.99	-	-	1,16,972.99	1,16,972.99

The management assessed the financial assets and liabilities measured at amortised cost are approximate to the fair values since the Group does not anticipate that the carrying amounts would be significantly different from the values that would eventually be received or settled.

B. Financial risk management

The Company has exposure to the following risks arising from financial instruments:

- Credit risk
- Liquidity risk
- Market risk

The Company's focus is to estimate a vulnerability of financial risk and to address the issue to minimise the potential adverse effects of its financial performance.

a) Credit risk

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivables from customers; loans and investments in debt securities.

The carrying amounts of financial assets represent the maximum credit risk exposure.

In determining the allowance for trade receivables the Group use practical expedients based on financial condition of the customer, ageing of the customer receivables and over dues, availability of collaterals and historical experience of collections from customers. The concentration of risk with respect to trade receivables is reasonably low as most of the customers are Government organisations though there may be normal delays in collections.

The group's BOT Projects generally does not have trade receivable as collection of toll income coincide as and when the traffic passes through toll plazas. Hence, the management believes that the Group is not exposed to any credit risk.

Notes forming part of the Consolidated financial statements (Contd.)

36. FINANCIAL INSTRUMENTS - FAIR VALUES AND RISK MANAGEMENT (CONTD.)**b) Liquidity risk**

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation. The Company uses activity-based costing to cost its products and services, which assists it in monitoring cash flow requirements and optimising its cash return on investments.

Exposure to liquidity risk

The following are the remaining contractual maturities of financial liabilities at the reporting date. The amounts are gross and undiscounted, and include contractual interest payments and exclude the impact of netting agreements.

As at March 31, 2022					(₹ in Lakhs)
Particulars	Contractual Cash flows				Total
	Carrying Amount	Upto 1 year	1 to 3 Years	More than 3 years	
Non-derivative financial liabilities

c) Market risk

Market risk is the risk that changes in market prices – such as foreign exchange rates, interest rates and equity prices – will affect the Groups income or the value of its holdings of financial instruments. The objective of market risk management is to manage and control market risk exposures within acceptable parameters, while optimising the return.

i) Foreign currency risk

Foreign Currency risk is the risk that fair value or future cash flow of a financial instrument will fluctuate because of changes in foreign exchange rate.

The Group is not exposed to foreign currency risk as it has no borrowing or no material payables in foreign currency

Notes forming part of the Consolidated financial statements (Contd.)

36. FINANCIAL INSTRUMENTS - FAIR VALUES AND RISK MANAGEMENT (CONTD.)

ii) Interest rate risk

Interest rate risk is the risk that fair value of future cash flow of a financial instrument will fluctuate because of changes in market interest rates.

The interest risk arises to the Group mainly from long term borrowings with variable rates. The Group measures risk through sensitivity analysis.

The Group is exposed to Interest rate risk as it has few variable interest rate borrowings.

The Groups exposure to interest rate risk due to borrowings is as follows:

Particulars	Note	March 31, 2022	March 31, 2021
Borrowings outstanding	17	1,32,546.04	68,648.77
Borrowings Current maturities	17	8,464.13	3,507.83

Sensitivity analysis

(₹ in Lakhs)

Interest Rate Risk Analysis	Impact on profit/ loss after tax	
	Year ended March 31, 2022	Year ended March 31, 2021
Increase or decrease in Interest by 25bp	352.53	180.39

Note : In case of Increase in Interest rate, Profit will reduce and vice versa

iii) Price risk

Price risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices (other than those arising from interest rate risk or currency risk).

The Group is exposed to price risk due to investments in mutual funds and classified as fair value through profit and loss.

The Group measures risk through sensitivity analysis.

The Groups risk management policy is to mitigate the risk by investments in diversified mutual funds.

The Group's exposure to price risk due to investments in mutual fund is as follows:

* Ceased to be Subsidiary with effect from September 28, 2020

The Company has transferred its 49% stake of subsidiaries on December 30, 2021.

@ The Company has acquired LLP's on January 31, 2022.

Notes forming part of the Consolidated financial statements (Contd.)

44. DISCLOSURE PURSUANT TO IND AS 115 "REVENUE FROM CONTRACTS WITH CUSTOMERS":

The Group constructs infrastructure projects on behalf of clients. Delivering the project as per the contractual terms is the only performance obligation that has been identified. Under the terms of the contracts, the Group will perform its obligations on time to time as per the timing schedule indicated in the contract with the asset having no alternative use to the entity and the Group having an enforceable right to receive payment for the work done. Hence, Revenue is therefore recognised over time on a cost to cost method, i.e. based on the proportion of contract costs incurred for the work performed to date relative to the estimated total contract costs. The management considers that this input method is an appropriate measure of the progress towards complete satisfaction of these performance obligations under Ind AS 115.

Contract balances as on:

Particulars	(₹ in Lakhs)	
	March 31, 2022	March 31, 2021
Receivables	59,841.46	33,286.58
