FROM THE CHAIRMAN'S DESK

On behalf of Board of Directors, It gives me great pleasure to welcome you all for the 12th Annual General Meeting of the company. It has indeed been an eventful year since I last has the privilege of addressing you and I would like to thank all stakeholders for their steadiest support and unwavering confidence reposed in the company through thick and thin.

It is this consistent faith and support that has enabled your Company to suitably strategize and adapt effectively the changed ecosystem post Demonetization, GST and RERA implementation.

Your Company's Annual Report for the year ended for the year ended 31st March, 2019 along with the Directors report and audited Annual Accounts have already been circulated to you.

I shall confine myself to very briefly mentioning the salient operating results of the Company during the fiscal year 2018-19. We recorded revenues of 26.32 crore. Our company's annual revenue growth rate has been negative taking a toll of 42%. Considering the Company's financial performance & consistent Dividend History, your Directors are please to recommend for the approval of the Shareholders a Dividend of Rs.0.05/- (0.50%) per equity share Capital of the Company for the year ended 31st March, 2019.

As evident, these figures broadly indicate that your Company has not remain unaffected of the altered business paradigm in all the sectors of the economy including the construction and real estate industry. Having said that I would like to mention that we have been able to partially navigate through the difficult challenges relatively more effectively than many of our peers in the construction industry. This has largely been due to strong fundamentals of your company and the foresight of your management in putting place a business strategy based on its core competencies.

Needless to mention that the construction sector & the real estate industry has been passing through a variety of challenges compounded by continuing sluggish demand, lack of Liquidity, regulatory pressure and piling up of inventory in residential sector which have collectively created uncertainty about future growth.

The government of India has ushered a series of structural reforms aimed at propelling the nation forward towards a path of rapid economic growth. These reforms have triggered phenomenal exciting and viable new opportunities for construction industry as a whole. However, capitalizing on this opportunity requires a strong focus on team building, expansion of geographical boundaries, technology up gradation & new collaborations. At the same time, a greater imperative is placed to embrace technology upgradation to counter the impact of market down-cycles, sheer competition & commoditization of traditional infrastructure services, in order to maximize efficiencies and reconfigure our solutions.

We have moved on and have committed ourselves with aggressive and ambitious goals for FY 2019-20 & forward. The Board strongly believes that these are eminently achievable through game changing initiatives. Markets are volatile, business models are changing rapidly, new capabilities in terms of team building and geographical expansion need to be built and the organization needs to adapt with great agility.

The Board of Directors is completely aligned with the management ambitious growth plans. I am confident that our business philosophy and business model, which are as strong and solid as the services we deliver, combined with the vigor and agility of leadership, will lead our way into the future. These are aspects that our

company has always valued, and been known for. Respect for the laws of the land, fairness to the interests of all our stakeholders and a commitment to uphold our core values drive the deliberations and decisions of the Board.

Your Company has always been committed to the maximization of three fundamental goals: employee pride, customer satisfaction and shareholder value. While excelling at this trinity of interrelated goals, we have endeavored to encourage transparency, care and reliability in our conduct and commitments, thereby fostering high-trust based relationships with all our stakeholders.

I would like to thank all the stakeholders, including our customers, employees and suppliers, Central and State Governments, Regulatory Authorities, investors, bankers and financial institutions, for their continued faith and trust in all our endeavors.

I would also like to place on record my appreciation for the sincerity, hard work and dedication of the entire Shashijit Infraprojects team.

Thank You

For SHASHIJIT INFRAPROJECTS LIMITED

#### Management's Responsibility for the Financial Statements

3. The Company's Board of Directors is responsible for matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards prescribed under Section 133 of the Act, as applicable. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing financial statements, management is responsible for assessing the company's ability to continue as going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the company or to cease operations, or has no realistic alternative but to do so. Those Board of Directors are also responsible for overseeing the company's financial reporting process.

#### Auditor's Responsibilities for the Audit of the Financial Statements

- 4. Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SA's will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.
- 5. Identify and asses the risk of material misstatement of the financial statement, whether due to fraud or error, design and perform audit procedure responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omission, misrepresentations, or the override of internal control.

- **6.** Obtain an understanding of internal control relevant to the audit in order to design audit procedure that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- 7. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosure made by management.
- 8. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our audit report to the related disclosures in the financial statements or, if such disclosure is inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- 9. Evaluate the overall presentation, structure and content of the financial statement, including the disclosure, and whether the financial statements represent the underlying transactions and events in the manner that achieves fair presentation. We communicate with those charged with governance regarding, among other matters, planned scope and timing of the audit and significant audit findings, including any significant deficiency in the internal control that we identify during our audit.
