Dear Sir/Madam,

Sub: Clarification on commentary in relation to revenue growth guidance for FY'24

This disclosure is in response to a commentary being circulated on social media saying the Company has revised downwards its revenue growth guidance for FY 24. This commentary was based on an interaction that the Company had with a channel today.

This is a clarification regarding the above mistaken interpretation. This is to reiterate the Company has not changed its guidance for the financial year 2023-24. It has stated its position in its press release covering financial results for the Quarter ended June 30, 2023 ([link](#)). Management will share its views and updates to the same in October while declaring results for Q2FY24.

This is for your information and records.

Thanking you,
Yours faithfully,
For **Happiest Minds Technologies Limited**
