1. We have reviewed the accompanying Statement of Unaudited Financial Results of SEL Manufacturing Company Limited ("the company") for the quarter ended on December 31, 2024 and year to date from April 01, 2024 to December 31, 2024 ("the Statement") attached herewith, being submitted by the Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended (the "Listing Regulations").
2. This Statement, which is the responsibility of the Company's Management and has been approved by the Company's Board of Directors, has been prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, (Ind AS 34) "Interim Financial Reporting" prescribed under Section 133 of the Companies Act, 2013 as amended, read with relevant rules issued there under and other accounting principles generally accepted in India. Our responsibility is to express a conclusion on the Statement based on our review.
3. We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410, "Review of Interim Financial Information Performed by the Independent Auditor of the Entity" issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the statements are free from material mis-statement. A review of interim financial information consists of making inquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Standards on Auditing and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

Basis of Qualified Opinion

As reported in Note no. 4 to the unaudited financial results, the Company Secretary had resigned from the company on 30th November 2023 and the company has not filled the vacancy within the stipulated timeframe as mentioned in Section 203(4) of Companies Act, 2013. Accordingly The company has not complied with the provision of section 203 (4) of the Companies Act 2013 read with Rule 8 Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014 and Regulation 6 of SEBI (Listing Obligation and Disclosure Requirements) 2015.

Qualified Opinion

Based on our review conducted as above, nothing *except the above observation* has come to our attention that causes us to believe that the accompanying Statement of unaudited financial results read with notes thereon, prepared in accordance with the recognition and measurement principles laid down in Indian Accounting Standards (Ind AS) , prescribed under Section 133 of the Companies Act, 2013, as amended , read with relevant rules issued thereunder and other accounting principles generally accepted in India, has not disclosed the information required to be disclosed in accordance with the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements)

Regulations,2015 (as amended), including the manner in which it is to be disclosed, or that it contains any material misstatement.

Material Uncertainty Related to Going Concern

We draw your attention:

- As per resolution plan approved and implemented in financial year 2020-21, the company was stipulated to bring Rs. 6,500 lakhs for working capital and operational needs within first year of operation against which the company brought only Rs. 2,500 lakhs which created shortfall in working capital funds and affected the performance of the company.
- The company is incurring continuous losses since the implementation of resolution plan and had incurred total cumulative losses of Rs. 60,084 lakhs till date leading to erosion of entire net worth and current liabilities have exceeded the current assets.
- The Company has a debt obligation of around Rs. 9,372 lakhs outstanding for the financial year 2024-25 and the same is supposed to be paid out of working funds which will further add to the liquidity crunch of the company.
- As reported in Note no. 2(c) to the unaudited financial results, the Company's performance is sub-optimal and falls short of expectations. The Company is currently operating at a deficit and experiencing severe liquidity stress. All the plants of the company were remain shut down for most of the period in the quarter under consideration. The company has started job work operations in plants instead of pursuing its own manufacturing activities and major source of operating income during the quarter under consideration is from job work. This dire financial predicament has rendered the Company incapable of fulfilling its various financial obligations.
- Refer to note no. 2(d) to the unaudited financial results, the company has defaulted in quarterly installment due from 30th September, 2023 to 31st December, 2024 amounting to Rs. 9,786 lakhs and also has not paid the interest due for the period July 2023 to December 2024 amounting to Rs. 9,528 lakhs.
- As reported in Note no. 6 to the unaudited financial results, the shareholders of the Company had passed the resolution regarding the Initiation of Corporate Insolvency Resolution Process under Section 10 (including any modification or re-enactment thereof), if any, of the Insolvency and Bankruptcy Code, 2016 in its Extra Ordinary General Meeting held on 13th October, 2023.

Given the present circumstances, it concerns the company's ability to meet its contractual/financial obligations w.r.t repayment of principal and interest on secured borrowings and arranging funds for ensuring normal operations as well as for pending capital projects.

The above factors indicate the existence of a material uncertainty that may cast significant doubt on the company's ability to continue as going concern and therefore company may be unable to discharge its liabilities in the normal course of business unless some concrete efforts are made by the company to come out of financial crisis by infusing interest free long term funds and increasing the volume of operations as well as profits of the company.
