CHAIRMAN'S LETTER

Past two years have been a rolleropaster ride for us, as well as for the industry, on the back of the two or three waves of COVID. I'm happy we successfully triumphed through these challenges, and offered our students and other stakeholders all possible help and support during this pandemic. As stated in our previous briefings, the pandemic has helped bring about a significant change in the education space, testing the pedigree of the unorganized players. This has further accelerated the shift to organized national players, who follow stringent quality standards and due processes in education service delivery to the students.

Before I talk about our strategic focus areas, let me just reflect briefly on the last two years of journey. We launched our Android app for online delivery in Q1 FY2021—the period of first lockdown. The launch was well received by the students' fraternity. Revenue from this launch partly offset the decline that we had in classroom operations due to various disruptions. Next, we experienced continued growth momentum in e-Learning services and a gradual recovery in other businesses throughout the FY2021. The recovery was more into higher education businesses and day-scholar school education than residential schooling. Hence, we witnessed a one-off write-down in our loans given to residential school at Rajsamand which adversely impacted company financials in FY2021.

We planned to take e-Learning portfolio at next level in FY2022 by launching our hybrid mode of delivery and also the new courses on multiple streams including govt, jobs. We were successful in our planning and efforts to some extent but then came a severe second COVID wave in Q1FY2022. The timing of second wave was at the critical juncture of admission cycle for new academic session. However, thanks to our adeptness and also due to low base of previous year, we managed to show a growth in our business profitability. We have been managing the growth in our profits in FY2022 despite high degree of business challenges. However, we are yet to reach at pre-

covid level of business financials.

I would like to summarize the last 2 years as journey of Career point to demonstrate resilience and agility to changed market dynamics and building a platform to robustness and scalability of the businesses. The Company is now in very advantageous position with newly modified strengthened business models across different verticals of both formal and informal education divisions.

With the hybrid model of education delivery, Career Point is now leveraging technology platforms to network of different centers and institutions. In fact, our recently launched two offline courses, Classroom 24/7 and Mazil, are not pure offline per se. Various technological features have been added in these offline courses to improve overall learning experience of the students. In parallel, multiple advancements have been taken place in our pure online offerings. Career Point advanced its support to students and business associates with newly added partnerships in the areas of technology, fee-financing and customer care. Our efforts resulted into success of students and also reflected in test-prep division's new partner study centers at various locations across India including Bardhman in West Bengal, Bargarh in Orisa, Warangalin Telangana, and Bhilwara in Rajasthan.

The formal education division, which has been less impacted by the pandemic, is on the cusp of taking advantages of the several new opportunities. UGC (University Grant Commission) has recently notified about dual degree programs. The higher education division is evolving the systems to tap this large value accretion prospect. Career Point University Kota awarded govt. sponsored project under Unnat Bharat Abhiyan (UBA 2.0) to work for the community development. Two patents by research scholars of the University in areas of Bloackchain Technology and IoT (Internet of Things) have been successfully applied with complete specifications.

Career Point University Hamirpur (HP) recently achieved 3 milestones - i) Successful accreditation by NAAC - National Assessment and Accreditation Council; ii) MoU with Indian Army - ARTRAC for Higher Education to Army officers; iii) Awarded as 'Promising' in ARIIA ranking - Atal Ranking of Institutions on Innovation Achievements.

Commenting on the financials for year 2021-22, the company reported revenue from operations of rupees 54.2 crores on consol basis with y-o-y growth of10.2%. Total income, including other income, came at rupees

59.3 crores (y-o-y: +3.6%). Revenue from operations at standalone level was rupees 29.3 crores with y-o-y growth of 61.9%. It includes rupees 8.2 crores of financial income reclassified this year. Excluding this, the yearly growth would be 16.9%. The growth in operating income is primarily a result of increased enrollments in residential campus and auxiliary education services income. This increase confirms the expected growth trend post pandemic.

For the period under review, reported EBITDA (including other income) of rupees 34.9 crores on consolidate numbers and rupees 20.3 crores on standalone resulted EBITDA Margin of 58.8% and 52.9%, respectively. Net income is reported at rupees 22.9 crores and EPS (Earning per share) of rupees 12.6 on consolidate basis. At standalone level, the company reported net income of rupees 10.8 crores and EPS of rupees 5.93. As on 31 March 2022, our company's net worth was rupees 471 crores and book value per share of rupees 259.

Moving to strategic focus areas, structurally the company businesses has now taken shape of two broad areas - first, Educational business including test-prep, K12, higher education, vocational programs; second, Noneducational business including financial services, infrastructure etc. We shall continue to drive both these pillars of growth in times to come. However, to ensure a simplified and streamlined group structure along with improvement in overall operational efficiency and effectiveness of the respective businesses, Career Point has started working on a scheme of arrangement. Application to RBI has already filed as one of steps of this scheme. Further details will be shared in due course at appropriate times. The things that would remain constant even after this restructuring exercise are our belief in core values, practice to pursue excellence and commitment to deliver value to all stakeholders.

With these updates, let me conclude by thanking you all for your valuable trust and continued support. Wishing you all a healthy, happy and prosperous future.

Best regards,

Pagement Hebederson

Management Discussion & Analysis

Resurgence of COVID-19, lockdowns in certain economies, and geopolitical tensions led to a lot of uncertainties during financial year 2021-22. These uncertainties fueled with pressure on currencies of emerging economies caused exacerbated inflationary pressures.

Moving the discussion specific to education sector, last few years have been transformational. There has been a visible shift in the focus of stakeholders' from degrees and marks to skills and learning. The influence of technology along with entry of education enablers including fintechs has been further reformative. A perfect mix of standardization and customization in education service delivery is in demand to address the requirement of massification along with personalization.

To keep a pace with changed dynamics of this vast industry, the strategies at granular level are required to be customized and specific to the geography, sub-domain of the education, and many other factors. Illustrating the geographic importance, India has almost 20% of the world's student population. The numbers of students in India are close to 300 million out of total worldwide students of approximately 1.5 billion. However, the education expenditure in India is merely 2% of the global education expenditure. Incian education spending is about USD 100 billion against global spending on education is roughly USD 5 trillion. Hence, the strategy for any education player to establish in Indian education market would likely to be different than other markets.

In a similar statistical instance, the comparison of Ed-tech domain's growth rate vis-à-vis the sector growth rate is very thought provoking. Ed-tech industry has witnessed a CAGR of 23% in last 5 years whereas the whole education sector grow by CAGR of 7% in the same period. Elearning players mushroomed across the geographies and also attracted maximum of funding in education sector by private investors. Covid was an inflexion point for Ed-tech which lead to exponential growth of the users, paid subscribers and also the time spent by users on e-learning platforms. However, post-Covid scenario is evident for sustainability and consolidation. The companies are changing their gears from growth at any cost to profit at any cost.

Diving down further into the Ed-tech, the post-covid impact varies among different verticals. As per IncA2 Media 2021 report the Ed-tech division's pre-covid market size was USD 2 billion consisting Ed-tech in K12 of USD 773 million, Ed-tech in test-prep of USD 515 million, Ed-tech in vocational education of USD 463 million, Ed-tech in higher education of USD 184 million, and Ed-tech in others of USD 29 million. The growths in K12 and test-prep verticals are impacted most in the post-covid scenario. Hence, the companies are adopting hybrid mode of delivery in their operations. They are endeavoring cost effective marketing to maximize lead conversion and minimize churn. Ensuring financial stability appeared to be the motto for not only the education players but also their investors.

In Indian education system, the New Education Policy (NEP) has been the epicenter of majority of education matter discussions. There are many constructive developments announced in NEP 2020 which are being implemented gradually. While, as happen in any change, initial challenges are expected in its implementation. Nonetheless, the willful approach of following corrective measures is bound to make it a success, sooner or later. One of the examples is CUET (Common University Entrance Test). Despite various administrative, logistic and technical challenges in CUET-2022, NTA (National Testing Agency) is considering to combine JEE (Joint Entrance Examination) and NEET (National Eligibility cum Entrance Test) with CUET in future. Some of the highlights of NEP are:

- Multidisciplinary education system
- Teacher assessments with accountability
- · School clusters for efficient resourcing

- Multiple entry and exits with credit transferability
- Common admission test for all higher education courses
- Single regulator as HECI Higher Education Commission of India
- · Entry of top 100 foreign universities
- NRF—National Research Foundation
- Four year integrated B.Ed with CPD Comprehensive Professional Development

Apart from NEP, the events like Russia Ukraine war and appreciation of US dollar have also offered opportunities for Indian education player to tap the Indian students studying abroad. By the year 2021, approximately 1.1 million Indian students are studying abroad including 100,000 of medical education.

While both the Universities are celebrating their 10th foundation year in year 2022, the institutions are determined to continue the fantastic achievements in the areas of academics; research, employability, entrepreneurship, extracurricular, sports, and social responsibilities. The courses at Career Point Universities are designed to provide the students rewarding qualification, practical exposure, hands-on learning, requisite expertise and desired skills for a successful career. During the academic session 2021-22, couples of patents were successfully applied by students of Career Point Universities in the varieties of fields including hot topics of Blockchain Technology and loT (internet of Things). The institution was also awarded govt, sponsored project under Unnat Bharat Abhilyan (UBA 2.0) to work for the rural population.

With the recent update from UGC (University Grant Commission) on dual degree programs, the University education division is offered a large potential of value addition across the course programs. Career Point Universities are geared up to offer dual degree to its students as soon as from the coming academic session of 2022-23. These steps are well-aligned with the new education policy.

5. Skill Development - Career Paint Skill Division:

Website: www.cpisd.in

Career Point Institute of Skill Development (CPISD) has been set up to fulfill the growing need in India for skilled manpower across sectors and narrow the existing gap between demand and supply of employment oriented education and training. CPISD has setup learning centers in rural and urban locations to provide employability skills aligned to industry needs which enhance youth employability and proves business productivity.

CPISD empowers the trainees through the power of skill development. The division offers skill development courses in multiple sectors. However, considering the sustained shift in the composite of indian economy from agriculture to manufacturing and now towards services; CPISD aligns its course offerings accordingly. The division ensures that the students pick up essential career skills to enhance their employability and entrepreneurship skills.

6. Early Childhood Education - Global Kids

With child-centered approach, Global Kids focuses not only on developing academic skills, but also intellectual, emotional, linguistic, physical, social and moral skills that will ensure life-long success for the new generation.

Financials

In financial year 2021-22, income from operations was recorded rupees 54.2 crores on consol basis (y-o-y: +10.2%) and rupees 29.3 crores at standalone level (y-o-y: +61.9%). The growth in operating income is a result of increased enrollments in residential campus and auxiliary education services income. This increase also signals the expected growth trend post pandemic. Total revenue, including other income, was reported of rupees 59.3 crores on consol basis and rupees

38.4 crores at standalone level.

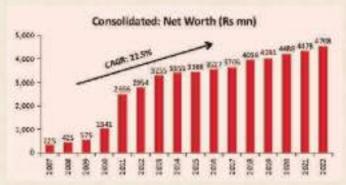

Reported EBITDA (including other income) of rupees 34.9 crores on consolidate numbers; and rupees 20.3 crores on standalone resulted EBITDA Margin of 58.8% and 52.9%, respectively. Net income is reported at rupees 22.9 crores and EPS (Earning per share) of rupees 12.6 on consolidate basis. At standalone level, the company reported net income of rupees 10.8 crores and EPS of rupees 5.93. As on 31 March 2022, Net worth of the company was rupees 471 crores and Book value per share was rupees 259.

Key Ratios (Consolidated Financials)							
	FY2020-21	FY2021-22					
Revenue Growth (%)	-53.0%	10.2%					
EBIT Margin	18.8%	51.9%					
Net Profit Margin	0.3%	38.5%					
Debtors Turnover (times)	1.1	1.6					
inventory Turnover (times)	11.5	23.0					
Current Ratio (times)	20.4	18.0					
Debt Equity Ratio (times)	0.16	0.05					
Return on Net Worth (%)	0.0%	4.9%					

Revenue from operations increased with higher contributions from both informal and formal education division. An improvement in enrollments at residential campuses during second half of the year was one of the key reasons for the growth at informal education division. Whilst, advanced enrollments at formal education institutions lead to enlargement of auxiliary education income for the company. There has been a marginal increase in operating expenses. However, EBIT (Earnings Before Interest and Taxes) looks better than previous year because of the extraordinary write-off and provisions occurred in FY2020-21. The net profit margin of 38.5% is similar to adjusted net profit margin of previous year (FY2020-21).

Debtors turnover ratio and Inventory turnover ratio were increased due to increase in revenue. Current ratio is declined slightly from 20x to 16x on the account of reduced sundry debtors. Debt Equity ratio at 0.05 is improved further and continued to be very superior. Return on Net Worth has been improved on the account of higher revenue and absence of any extraordinary write-off and provisions against previous financial year.

Human Resources

Career Point has demonstrated its excellence to thousands of satisfied students and their parents. All this would not be possible without the committed and passionate people of Career Point—both academic and non-academic staff, who strive to build this a great organization each and every day. They remain committed to company's ideals of building on a strong foundation, creating a bright future and delivering great value.

Considering the Delta wave in beginning of the financial year, we advocated additional priorities to our employees and their family's health, well being & happiness in the period under review. The company continues to strengthen the management team and add additional talent and expertise as applicable. By 31 March 2022, the Company had total number of employees of 206. The number has been same as previous year as the number of new joiners was same as employees who left the company. Despite this, some of the new positions were filled by internal hires and by contractual staff. We remain committed to provide an agile and collaborative environment that encourages harmony, development, pride and confidence amongst CPians.

Corporate Social Responsibility

Career Point businesses are created and continue to evolve to meet the needs of the local community in which we operate as well as those outside our community. The company realizes the need to create an act for posterity, a plan that delivers. To help people discover the joy and meaning of learning in an empowered, dignified world driven by competence, knowledge and wisdom. Institutions of Career Point nurture potential entrepreneurs, technocrats and managers for new level of leadership in their career.

Similar to previous year, the focus in the year 2021-22 was also on implementing various wellbeing and safety initiatives to control Covid19. The deadly wave of Covid19 Delta variant stole more than 200,000 lives in India between April and June in 2021. From providing oxygen concentrators and medicines to ambulance services and vaccine supplies; our initiatives have been holistic and wide-ranging. Our efforts were not limited to Career Point employees and their families but also to the communities around us.

Care er Point also understands the importance of giving back.

· Giving back to deserving underserved candidates through

financial support programs

 Giving back to environment by several green initiatives
 Giving back to communities through a series of projects in the area of healthcare, employment and of course, education.

Risks and Concerns

With having the business operations in different industry segments, Career Point is exposed to variety of external and internal risks. Though the company has a robust mechanism for risk management in place, however, complete risk avoidance on all the financial, operational and strategic objectives cannot be promised. Boards of directors and management of the company regularly review and aim to mitigate various risks related to regulatory, competition, geography, human resource, technology, legal, political etc. The company recognizes following key risks to its business operations which may adversely affect the financial performance of the Company:

- Regulatory Risk: Any changes in regulatory norms on the Formal as well as informal Education front may significantly impact the investment made in education by the Company.
 The Company is continuously making an effort to upgrade its services, diversify delivery channels, leveraging technological advancements, expanding the product portfolio to minimize the regulatory risk, if any.
- Decrease in Student Enrolment: With the increased competition from offline as well as online education service providers, decentralization of the students or any other reasons; the Company might face a risk of decline in student enrolments. Post Covid, many of the Ed-tech companies are also entering in to classroom coaching space. However, the Company's focused academic pedagogy and marketing strategy (which includes direct and indirect marketing) continues to attract students across its divisions of formal as well as informal education.
- Cyber Security Risks: Digital content of the company is very valuable assets. This intangible repository is accessible through different modes which are exposed to the cyber security risks. To mitigate the risks, Career Point constantly upgrades the appropriate security measures and creates an environment of increased risk awareness at all levels.

- Pressure on Margins: There could be a margin pressure due to staff costs, cost of study material, high advertising and business promotions, etc., going forward. We believe the Company has sufficient tools to counter these factors, if the same arises.
- Attrition: Attrition of the key resources or team members may impact the business. The Company's strategy for retaining talent involves offering competitive compensation packages, faculty training system in place for new entrants and existing faculty, along with a healthy working environment.
- Non-performing Assets: Surge in infections, new mutants, partial lockdowns, high commodity prices and global financial market volatility imparted downside risks to the growth of NBFC business of the company. To cover itself for future credit risks, the company has provided higher provisions and writeoff wherever appropriate.
- Geographical Concentration: The Company derives the larger share of its revenue from Kota in Bajasthan and Northem part of India. Hence, any disruption in operations, or competition at these locations could impact overall operations significantly. The Company is making a concerted effort to expand its operations pan-India and overseas through franchisees, business associations etc and is also boosting its Technology Offerings, Distance Learning segment etc.

Internal Controls & Systems

The Company has proper and adequate internal control systems, which

ensure that all assets are safeguarded against loss from unauthorized use and all transactions are authorized, recorded and reported correctly. The Management continuously reviews the internal control systems and procedures to ensure orderly and efficient conduct of business. Internal audits are regularly conducted, using external and internal resources to monitor the effectiveness of internal controls. The Company deploys a robust system of internal control that facilitates the accurate and timely compilation of financial statements and Management reports; ensures regulatory and statutory compilance; and safeguards investors' interests by ensuring the highest level of governance and periodical communication with investors.

M/s. 8DG & Associates., Chartered Accountants is the internal auditor of the Company, who conducts audit and submit quarterly reports to the Audit Committee. The internal Audit process is designed to review the adequacy of internal control checks in the system and covers all significant areas of the Company's operations. The Audit Committee reviews the effectiveness of the Company's internal control system. The CEO and CFO certification provided in the CEO and CFO Certification section of the annual report further discusses the adequacy of our internal control systems and procedures.

Independent Auditor's Report

To the Members of Career Point Limited (Report on Audit of the Standalone Financial Statements)

Opinion

We have audited the standalone financial statements of Career Point Limited ("the Company"), which comprise the Balance Sheet as at 31st March, 2022, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Cash Flows and Statement of Changes in Equity for the year then ended and notes to the financial statements, including a summary of the significant accounting policies and other explanatory information (herein after referred to as "standalone financial statements").

in our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2022, and its profit (including Other Comprehensive income), changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standardne Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the standardne financial statements under the provisions of the Act and the Rules thereunder,

and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter

Attention is drawn to Note no. 50 (b) of the standalone financial statements regarding non provision against company's total exposure in subsidiary company M/s Srajan Capital Limited (SCL) of Rs. 16,731.50 lakhs (investment Rs. 2,663 lakhs and unsecured loan Rs. 14,068.50 lakhs) since SCL has degraded loans (to NPA/Substandard assets) advanced to various parties amounting to Rs. 4,431.72 lakhs (as at 31.03.2021 Rs. 4,529.59 lakhs)(including loans to related party of Rs.4,397.32 lakhs (as at 31.03.2021 Rs.4,397.32 lakhs)). Further during the current year, SCL has written off Rs. 45.64 lakhs out of Rs. 105 lakhs (degraded loan) pertaining to one of the borrower for the reason stated in the said note. Considering the long-term nature, the intrinsic value and future cash flow of the assets of subsidiary company, in the opinion of management the Company, no provision for diminution in value of exposure is necessary at this stage.

Our opinion is not modified in respect of above matters.

Key Audit Matters

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined that no key audit matters to be communicated in our report.

Information Other than the Standalone Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including annexures to Board's Report, Report on Corporate Governance and Shareholder's Information, but does not include the standalone financials statements and our auditor's report thereon. The Other Information is expected to be made available to us after the date of this Auditor's Report.

Our opinion on the standalone financial statement does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. When we read Other Information, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, changes in equity and cash flows of the Company in accordance with the Indian Accounting Standards (Ind. AS) and other accounting principles generally accepted in India.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Company to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be

expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

- As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
- As required by Section 143(3) of the Act, we report that:
 - We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The Balance Sheet, the Statement of Profit and Loss including other comprehensive income, the Statement of Changes in Equity and the Statement of Cash Flows dealt with by this Report are in agreement with the relevant books of account.
 - d) In our opinion, the aforesaid standalone financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules, 2015, as amended.
 - e) On the basis of the written representations received from the directors as on 31st March, 2022 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2022 from being appointed as a director in terms of Section 164(2) of the Act.
 - f) With respect to the adequacy of the internal financial controls over financial Reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure 8". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial Reporting.
 - g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:
 - In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.
 - h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
 - The Company has disclosed the impact of pending litigations on its financial position in its standalone financial statements - Refer Note No. 38 to the standalone financial statements;
 - ii. The Company has made provision, as required under

- the applicable law or Indian accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts.
- There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company during the year ended 31st March, 2022.
- W. (a) The management has represented that (as stated in note 59 of the standalone financial statement). to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries (read with Note No. 56(c) of the standalone financial statements for the funds advanced or loaned invested in one of the subsidiary company which is registered as NBFC with RBI and whose business is to provide and service loans and provide ancilliary services).
 - (b) The management has represented that (as stated in note 59 of the standalone financial statement), no funds have been received by the company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
 - (c) Based on such audit procedures that we have considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (a) and (b) contain any material mis-statement.
- v. The company has not paid any dividend during the year to the equity shareholders. Further, as stated in note no. 43 of the standalone financial statements, the Board of Directors of the Company has proposed final dividend for the year which is subject to the approval of the members at the ensuing Annual General Meeting. The dividend proposed is in accordance with section 123 of the Act, as applicable.

ANNEXURE 'A' TO THE INDEPENDENT AUDITORS' REPORT

Report on the matters specified in paragraph 3 of the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of section 143(11) of the Companies Act, 2013 ("the Act") as referred to in paragraph 1 of 'Report on Other Legal and Regulatory Requirements' section

- (i) (a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment.
 - (B) The Company has maintained proper records showing full particulars of intangible assets.
 - (b) As explained to us, the Property, Plant & Equipment have been physically verified by the management in accordance with a phased programme of verification, which in our opinion is reasonable considering the size of the company and the nature of its property, plant and equipment. The frequency of physical verification is reasonable and no material discrepancies were noticed on such verification.
 - (c) As per the records and information and explanations given to us and on the basis of our examination of the records of the Company, the title deeds of all the immovable properties (other than immovable properties where the Company is the lessee and the lease agreements are duly executed in favour of the Company) disclosed in the financial statements included in property, plant and equipment, investment property and assets held for sale are held in the name of the company as at the balance sheet date.
 - (d) The Company has not revalued any of its property, plant and equipment and intangible assets during the year. Hence, reporting under clause 3(i)(d) of the order is not applicable on the company.

ANNEXURE 'B' TO THE INDEPENDENT AUDITOR'S REPORT

Report on the Internal Financial Controls under Clause (I) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act") as referred to in paragraph 2(f) of 'Report on Other Legal and Regulatory Requirements' section

We have audited the internal financial controls over financial reporting of CAREER POINT UMITED ("the Company") as of March 31, 2022 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on "the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India". These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit.

We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the financial controls system over financial reporting and their operating effectiveness.

Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

Membership, No. 507462

Place: New Delhi Date: May 28, 2022 We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial centrols system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, we report that the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2022, based on "the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

1 The Company overview

Career Point Limited is engaged in providing Education Service which inter alia includes Education Consultancy, Management Services, Tutorial Services and Residential Hostel Services. The object clause of the memorandum of association of the company has been altered during the year to include the business of holding and investment/finance.

Career Point Limited (The Company), is a public limited Company domiciled in India and is incorporated under the provisions of the Companies Act applicable in India. Career Point Limited has its listing with BSE Limited and National Stock Exchange of India. The registered office of the Company is situated at Career Point Limited., Village Tangori, Banur, Punjab - 140601-India. The Financial Statements of the Company for the year ended 31st March, 2022 are approved for issue by the Company's Board of Directors on May 28, 2022.

2 Basis of preparation of financial statements

(i) Statement of compliance

The financial statements are prepared in accordance with Indian Accounting Standards (Ind AS), as prescribed under section 133 of the Companies Act, 2013 ('Act') (to the extent notified) read with the Rules, as amended from time to time and guidelines issued by the Securities and Exchange Board of India (SEBI).

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

These financial statements which comprises the balance sheet as at 31.03.2022, the statement of profit & loss(including other comprehensive income), the statement of cash flows & the statement of changes in equity for the year ended 31.03.2022 and a summary of the significant accounting policies and other explanatory information (together herein after referred to as "financial statements").

(iii) Basis of Measurement

"The Company maintains its accounts on accrual basis following the historical cost convention, except for certain items that have been measured at fair value as required by the relevant IND AS. The standalone financial statements are presented in Indian Rupees (₹), which is the Company's functional and presentation currency and all amounts are rounded to the nearest lakhs (₹ 00,000) and two decimals thereof, except as stated otherwise."

(iii) Use of Estimates & Judgements

The Preparation of financial statements in conformity with Ind As requires that the management of the company makes estimates and assumptions that affect the reported amounts of income and expenses of the period, the reported balances of assets and liabilities and the disclosures relating to contingent liabilities as at the date of the financial statements. Actual results could differ from these estimates. (Refer note No. 4 on critical accounting estimates, assumptions & judgments.)

These estimates could change from period to period and also

the actual results could vary from the estimates. Appropriate changes are made to the estimates as the management becomes aware of changes in circumstances surrounding these estimates. The changes in estimates are reflected in the financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the financial statements.

3 Significant Accounting policies

(i) Foreign Currency Transactions

Foreign currency transactions are recorded on initial recognition in reporting currency, using the exchange rate at the date of transaction. At each Balance sheet date, foreign currency monetary items are reported using the closing rate.

The exchange differences arising on settlement of monetary items are recognised as income or expenses in the year in which they arise.

(ii) Financial Instruments

"A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity. A financial assets or a liability is recognised when the Company becomes a Party to the contractual provision of the instrument."

(a) "Financial Assets are measured at amortised cost or fair value through Other Comprehensive Income or fair value through Profit or Loss, depending on its business model for managing those financial assets and the assets contractual cash flow characteristics, Subsequent measurements of financial assets are dependent on initial categorisation. For impairment purposes significant financial assets are tested on an individual basis, other financial assets are assessed collectively in groups that share similar credit risk characteristics. The company derecognizes financial assets when the contractual rights to the cash flows from the financial assets expire or it transfers the financial assets and the transfer qualifies for the derecognition under ind AS 109."

Investment in subsidiaries, associate and Joint venture

Investments in shares of Subsidiaries, Joint Venture & Associates are measured at cost subject to impairment losses, if any.

Investment in Mutual Funds

Investments in Mutual Funds (Other Than Investment in Subsidiaries & Joint Venture) are initially measured at fair value. Any subsequent fair value gain or loss is recognized through Profit or Loss.

Investment in Equity Instruments (other than Investment in Subsidiaries, Associates & Joint Venture)

Investments in Equity Instruments (Other Than Investment in Subsidiaries & Joint Venture) are initially measured at fair value. Any subsequent fair value gain or loss is recognized through Other Comprehensive Income.

The company assesses impairment based on expected

NOTES TO THE STANDALONE FINANCIAL STATEMENTS

for the year ended 31" March, 2022

credit loss (ECL) model to all its financial assets measured at amortised cost.

Cash and Cash Equivalents

"Cash and cash equivalent in the balance sheet comprise cash at banks and on hand and short-term deposits with an original maturity of three months or less, which are subject to an insignificant risk of changes in value. For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short-term deposits, as defined above"

(b) All financial liabilities are recognized initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs. The Company's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts

Loans & Borrowings

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortized cost using the EIR method. Gains and losses are recognized in the statement of profit and loss when the liabilities are derecognized as well as through the EIR amortization process.

Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included as finance costs in the statement of profit and loss.

Trade & Other payables

A payable is classified as 'trade payable' if it is in respect of the amount due on account of goods purchased or services received in the normal course of business. These amounts represent liabilities for goods and services provided to the Company prior to the end of financial year which are unpaid. Trade and other payables are presented as current liabilities unless payment is not due within 12 months after the reporting period. They are recognised initially at their fair value and subsequently measured at amortised cost using the effective interest method.

(iii) Property, Plant and Equipment

(A) Recognition and measurement

- (a) The cost of property, plant and equipment comprises its purchase price net of any trade discounts and rebates, any import duties and other taxes (other than those subsequently recoverable from the tax authorities), any directly attributable expenditure on making the asset ready for its intended use, including relevant borrowing costs for qualifying assets and any expected costs of decommissioning. Expenditure incurred after the property, plant and equipment have been put into operation, such as repairs and maintenance, are charged to Statement of Profit and Loss in the period in which the costs are incurred.
- (b) An item of property, plant and equipment is

- derecognised upon disposal. Any gain or loss arising on the disposals determined as the difference between the sale proceeds and the carrying amount of the asset and is recognised in Statement of Profit & Loss.
- (c) Assets in the course of construction are capitalised in the assets under capital work in progress account (CWIP). At the point when an asset is operating at management's intended use, the cost of construction is transferred to the appropriate category of property, plant and equipment and depreciation commences.
- (d) Property, plant and equipment except freehold land held for use in the supply or administrative purposes, are stated in the balance sheet at cost less accumulated depreciation and accumulated impairment losses, if any, Freehold land is stated at historical cost.

(B) Depreciation/Amortisation

The Assets' residual values, useful lives and method of depreciation are reviewed at each financial year end and adjusted prospectively, if appropriate. Depreciation on Plant, Property and equipment (other than freehold land) has been provided using straight line method over the useful life of assets. Useful life is the period over

Class of Property, Plant & Equipment	Useful Life
Building	60 Years
Plant & Machinery	8-22 Years
Furniture & Fixtures	8 Years
Computer	3 Years
Vehicle	8-10 Years
Office Equipments	5 Years

which an asset is expected to be used by an enterprise. The estimated total useful life of the assets are as follows-

(iv) Investment properties

"Property that is held for long-term rental yields or for capital appreciation or both, and that is not occupied by the group. is classified as investment property. Investment property is measured initially at its cost, including related transaction costs and where applicable borrowing costs. Subsequent expenditure is capitalised to the asset's carrying amount only when it is probable that future economic benefits associated with the expenditure will flow to the group and the cost of the item can be measured reliably. All other repairs and maintenance costs are expensed when incurred. Freehold land is stated at historical cost and Leasehold land is stated at historical cost less amortisation. Leasehold land is amortised over the period of lease as per lease agreement. Though the Company measures investment property using cost based measurement, the fair value of investment property is disclosed in the notes. Fair values are determined based on annual evaluation performed by an external independent valuer/Internal assessment."

(v) Intangible Assets

Identifiable intangible assets are recognised a) when the Company controls the asset, b) it is probable that future economic benefits attributed to the asset will flow to the

Company and c) the cost of the asset can be reliably measured.

"Computer softwares are capitalised at the amounts paid to acquire the respective license for use and are amortised over the period of license, generally not exceeding six years on straight line basis. The assets useful lives are reviewed at each financial year end. Software is amortised over an estimated useful life of 3 years."

(vi) Inventories

Inventories are valued at lower of cost or net estimated realizable value, mainly comprises of publication and printed material. The cost of publication and printed materials have been computed on the basis of cost of materials, labour, cost of conversion and other costs incurred for bringing the inventories to their present location and condition. Cost is determined using the FIFO method.

(vii) Impairment of Assets

At each Balance Sheet date, the carrying amount of assets is tested for impairment so as to determine the provision for impairment loss required, if any, or the reversal required of impairment loss recognized in previous periods, if any.

An impairment loss is recognized whenever the carrying amount of an asset or its cash generating units exceed its recoverable amount.

Recoverable amount is determined:

- In the case of an individual asset, at higher of the net selling price or value in use.
- In the case of cash generating unit, at higher of the cash generating unit's net selling price or value in use.

(viii) Employee Benefits

The Company participates in various employee benefit plans. These benefit plans are classified as either defined contribution plans or defined benefit plans. Under a defined contribution plan, the company's only obligation is to pay a fixed amount with no obligation to pay further contributions if the fund does not hold sufficient assets to pay all employee benefits. The related actuarial and investment risks fall on the employee.

Under a defined benefit plan, it is the Company's obligation to provide agreed benefits to the employees. The related actuarial and investment risks fall on the Company.

In case of defined benefit plan, all actuarial gains or losses are immediately recognized in other comprehensive income, net of taxes and permanently excluded from profit and loss. Further, the profit or loss will no longer include an expected return on plan assets. The actual return on plan assets above or below the discount rate is recognized as part of re-measurement of net defined liability or asset through other comprehensive income, net of taxes.

The company does not provide carry forward & encashment of leaves.

(a) Defined Contribution plan

Company's contributions paid/ payable during the year to Provident Fund, Employee state insurance are recognized in the statement of Profit and Loss Account.

The company is depositing P.F. & ESI contribution only for eligible employees within statutory limits. The employees whose income is above the statutory limits have opted not to subscribe and accordingly, the company is not required to make the contribution.

(b) Defined Benefit Plan

Retirement benefits in the form of Gratuity are considered as defined benefit obligations and are provided for on the basis of an actuarial valuation, using the projected unit credit method, as at the date of the Balance Sheet. Actuarial Gains and losses arising from experience adjustments and changes in actuarial assumptions are recognized immediately in the balance sheet with a corresponding debit or credit to retained earnings through other comprehensive income (OCI) in the period in which they occur. Re-measurements are not reclassified to profit or loss in subsequent periods. All other expenses related to defined benefit plans are recognized in Statement of Profit and Loss as employee benefit expenses.

(ix) Share Based Payment Transactions

Equity settled share based payments to employees and others providing similar services are measured at fair value of equity instruments at the grant date.

The fair value determined at grant date of the equity settled share based payments is expensed on a straight line basis over the period, based on the company's estimate of equity instruments that will eventually vest with a corresponding increase in equity.

(x) Provisions, Contingent Liabilities and Contingent Assets

(i) Provisions

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Provisions are reviewed at each reporting period and are adjusted to reflect the current best estimate.

(ii) Contingencies

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made. Information on contingent liability is disclosed in the Notes to the Financial Statements. Contingent assets are not recognized in financial statements but are disclosed, if any."

(xi) Non-Current Assets Held for Sale

The Company classifies non-current assets and disposal

NOTES TO THE STANDALONE FINANCIAL STATEMENTS

for the year ended 31" March, 2022.

groups as held for sale if their carrying amounts will be recovered principally through a sale/distribution rather than through continuing use and the sale is considered highly probable. Management is committed to the sale within one year from the date of classification. The Company treats sale/distribution of the asset or disposal group to be highly probable when:

- The appropriate level of management is committed to a plan to self the asset (or disposal group)
- An active programme to locate a buyer and complete the plan has been initiated (if applicable)
- The asset (or disposal group) is being actively marketed for sale at a price that is reasonable in relation to its current fair value
- The sale is expected to qualify for recognition as a completed sale within one year from the date of classification, and'
- Actions required to complete the plan indicated that it is unlikely that significant changes to the plan will be made or that the plan will be withdrawn. Non-current asset held for sale/for distribution to owners and disposal groups are measured at the lower of their carrying amount and the fair value less costs to sell/distribute. Assets and liabilities classified as held for sale/distribution are presented separately in the balance sheet. Property, plant and equipment and intangible assets once classified as held for sale/distribution to owners are neither depreciated nor amortized.

(xii) Lease

(a) Right of use assets

At the date of commencement of the lease, the Company recognizes a right-of-use (ROU) asset and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of 12 months or less (short-term leases) and low value leases. For these short-term and low-value leases, the Company recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease. Certain lease arrangements include the options to extend or terminate the lease before the end of the lease term. ROU assets and lease liabilities includes these options when it is reasonably certain that they will be exercised.

The ROU assets are initially recognized at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses. ROU assets are depreciated from the commencement date on a straight-line basis over the shorter of the lease term and useful life of the underlying asset.

ROU assets are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the Cash Generating Unit (CGU) to which the asset belongs.

(b) Lease Liabilities

The lease liability is initially measured at amortized cost at the present value of the future lease payments. The Company recognise a lease liability at the present value of the remaining lease payments, discounted using the lessee's incremental borrowing rate.

The lease payments include fixed payments (including in-substance fixed payments) less any lease incentives receivable, variable lease payments that depend on a lease by lease basis.

In calculating the present value of lease payments, the Company uses the incremental borrowing rate at the lease commencement date if the interest rate implicit in the lease is not readily determinable. Lease liabilities are remeasured with a corresponding adjustment to the related right of use asset if the Company changes its assessment if whether it will exercise an extension or a termination option.

Lease liability and ROU asset have been separately presented in the Balance Sheet.

(c) Company as a lessor

Leases for which the Company is a lessor is classified as a finance or operating lease. Whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee, the contract is classified as a finance lease. All other leases are classified as operating leases.

For operating leases, rental income is recognized on a straight line basis over the term of the relevant lease.

(xiii) Revenue Recognition

The company has applied Ind AS 115 which establishes a comprehensive framework for determining whether, how much and when revenue is to be recognized. The standard requires apportioning revenue earned from the contracts to individual promises, or performance obligations, on a relative stand-alone selling price basis, using a five-step model.

Revenue from Services

Revenue is recognised only when it can be reasonably measured and there exists reasonable certainty of its recovery. Fees/income collected in advance for the period subsequent to the accounting period is shown as current liability.

Revenue in respect of education services is recognised in Profit & Loss in proportion to the stage of completion of the services at the reporting date. Fee is recorded at invoice

value, net of discounts & taxes, if any,

Company is recognising as revenue only the amount which the company is entitled to receive as royalty as per the agreement entered into with the franchisee.

Revenue in respect of franchise (start-up fees) is recognised over a period of time as agreed terms of franchise agreement.

Hostel revenue is recognized on accrual basis i.e. income is booked on month to month basis.

Interest Income

Interest income from a financial asset is recognized when it is probable that the economic benefits will flow to the company and the amount of income can be measured reliably. Interest income is accrued on a time proportion basis taking into account the amount outstanding and the rate applicable.

Revenue from sale of products

Revenue is recognised when the significant risk and rewards of ownerships are passed on to customers, which is generally on dispatch/delivery of goods to the customers.

(xiv) Finance Cost

Finance cost comprises interest cost on borrowings. Borrowing cost that are not directly attributable to a qualifying asset are recognized in the statement of profit & loss account using effective interest rate.

Processing fees charged on term loan is recognized in the statement of profit & loss over the tenure of the loan and balance of the processing fee is reduced from loan amount of current period.

(xv) Other Income

Interest income

Interest income from a financial asset is recognized when it is probable that the economic benefits will flow to the company and the amount of income can be measured reliably. Interest income is accrued on a time proportion basis taking into account the amount outstanding and the rate applicable.

Dividend

Dividend income is recognized when the right to receive dividend is established.

(xvi) Taxation

Income tax expense represents the sum of current and deferred tax. Tax is recognised in the Statement of Profit and Loss, except to the extent that it relates to items recognised directly in equity or other comprehensive income. Current tax provision is computed for income calculated after considering allowances and exemptions under the provisions of the applicable income Tax Laws. Current tax assets and current tax liabilities are off set, and presented as net.

"Deferred tax is recognised on differences between the carrying amounts of assets and liabilities in the Balance sheet and the corresponding tax bases used in the computation of taxable profit and are accounted for using the liability method. Deferred tax liabilities are generally recognised for all taxable temporary differences, and deferred tax assets are generally recognised for all deductible temporary differences, carry forward tax losses and allowances to the extent that it is probable that in future taxable profits will be available to set off such deductible temporary differences. Deferred tax assets and liabilities are measured at the applicable tax rates. Deferred tax assets and deferred tax liabilities are off set, and presented as net. The carrying amount of deferred tax assets is reviewed at each balance sheet date and reduced to the extent that it is no longer probable that sufficient taxable profits will be available against which the temporary differences can be utilised. Minimum Alternative Tax (MAT) is applicable to the Company, Credit of MAT is recognised as an asset only when and to the extent there is convincing evidence that the Company will pay normal income tax during the specified period, i.e., the period for which MAT credit is allowed to be carried forward. In the year in which the MAT credit becomes eligible to be recognised as an asset, the said asset is created by way of a credit to the profit and loss account and shown as MAT credit entitlement."

(xvii) Earning per Share

Earnings considered in ascertaining the company's earning per share comprises the net profit after tax attributable to equity shareholders.

Basic earnings per share is computed using the weighted average number of equity shares outstanding during the period. Diluted earnings per share is computed using the weighted average number of equity and dilutive equivalent shares outstanding during the period.

4 Critical accounting estimates, assumptions and judgements:

In the process of applying the Company's accounting policies, management has made the following estimates, assumptions and judgements, which have significant effect on the amounts recognised in the financial statement. Uncertainty about these assumptions and estimates could result in outcome that requires a material adjustment to assets or liabilities affected in future periods.

(i) Property, plant and equipment

Property, Plant and equipment represent a significant proportion of the asset base of the company. The useful lives and residual value of the company's asset are determined by the management at the time the asset is acquired and reviewed at each reporting date.

(iii) Income taxes

The Company's tax jurisdiction is India. Significant judgements are involved in estimating budgeted profits for the purpose of paying advance tax, determining the provision for income taxes, including amount expected to be paid/recovered for uncertain tax positions.

(III) Contingencies

Management judgement is required for estimating the possible outflow of resources, if any, in respect of contingencies/claim/litigations against the Company as it is

NOTES TO THE STANDALONE FINANCIAL STATEMENTS

for the year ended 31" March, 2022

not possible to predict the outcome of pending matters with accuracy.

(Iv) Allowance for uncollected accounts receivable and advances

Trade receivables do not carry any interest and are stated at their normal value as reduced by appropriate allowances for estimated irrecoverable amounts. Individual trade receivables and advances are written off when management deems them not to be collectible. Impairment is made on the expected credit losses, which are the present value of the cash shortfall over the expected life of the financial assets.

(v) Impairment of non-financial assets

The Company assesses at each reporting date whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the assets's recoverable amount. An assets's recoverable amount is the higher of an assets's or CGU's fair value less costs of disposal and its value in use. Where the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

(vi) Impairment of financial assets

The impairment provisions for financial assets are based on assumptions about risk of default and expected loss rates. The Company uses judgement in making these assumptions and selecting the inputs to the impairment calculation, based on Company's past history, existing market conditions as well as forward looking estimates at the end of each reporting period.

(vii) Fair value measurement of financial instruments

When the fair values of financials assets and financial liabilities recorded in the Balance Sheet cannot be measured based on quoted prices in active markets, their fair value is measured using valuation techniques, including the discounted cash flow model, which involve various judgements and assumptions.

5 Recent accounting pronouncements

The Ministry of Corporate Affairs ("MCA") notifies new standards / amendments under Companies (Indian Accounting Standards) Rules as issued from time to time. On 23rd March, 2022, MCA amended the Companies (Indian Accounting Standards) Amendment Rules, 2022, as below:

- (a) Ind AS 16 | Property, plant and equipment The amendment clarifies that excess of net sale proceeds of items produced over the cost of testing, if any, shall not be recognised in the profit or loss but deducted from directly attributable costs considered as part of cost of an item of property, plant and equipment. The effective date for adoption of this amendment is annual periods beginning on or after 1st April, 2022. The Company is in the process of evaluating the impact of these amendments.
- (b) Ind AS 37 | Provisions, contingent liabilities and contingent assets – The amendment specifies that the 'cost of fulfilling' a contract comprises the 'costs that relate directly to the contract'. Costs that relate directly to a contract can either be incremental costs of fulfilling that contract (examples would be direct labour, materials) or an allocation of other costs that relate directly to fulfilling contracts (an example would be the allocation of the depreciation charge for an item of property, plant and equipment used in fulfilling the contract). The effective date for adoption of this amendment is annual periods beginning on or after 1st April 2022, although early adoption is permitted. The Company is in the process of evaluating the impact of these amendments.
- (c) Ind AS 103 | Business combinations The amendment adds a new exception in Ind AS 103 for liabilities and contingent liabilities. The Company is in the process of evaluating the impact of these amendments.
- (d) Ind AS 109 | Financial instruments The amendment clarifies which fees an entity includes when it applies the '10%' test in assessing whether to derecognise a financial liability. An entity includes only fees paid or received between the entity (the borrower) and the lender, including fees paid or received by either the entity or the lender on the other's behalf. The company does not expect the amendments to have any impact in its financial statements.

d) The principal actuarial assumptions used for estimating the Company's defined benefit obligations for gratuity and leave encashment are set out below:

Actuarial Assumptions	As at March 31, 2022	As at March 31, 2021
Discount Rate	7.25%	7.00%
Expected Rate of increase in salary	5.00%	5.00%
Withdrawal rate	5.00%	5.00%
Mortality	IALM 2012-14 Ultimate	IALM 2012-14 Ultimate

The principal assumptions are the discount rate & salary growth rate. The discount rate is generally based upon the market yields available on Government bonds. The estimate of rate of escalation in salary considered in actuarial valuation, taken into account inflation, seniority, promotion and other relevant factors including supply and demand in the employment market.

51 Financial risk management objectives and policies

The Company's activities are exposed to a variety of financial risks from its operations. The key financial risks include market risk (including interest rate risk etc.), credit risk and liquidity risk. The company's overall risk management policy seeks to minimize potential adverse effects on company's financial performance.

- (A) Market Risk: Market risk is the risk that the fair value of future cash flow of financial instruments will fluctuate because of change in market prices. Market risk comprises mainly of interest rate risk.
 - (a) Interest rate risk: Interest rate risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market interest rates. Any change in the interest rates environment may impact future rates of borrowing. The company mitigates this risk by regularly assessing the market scenario, finding appropriate financial instruments, interest rate negotiation with the lenders for ensuring the cost effective method of financing.
 - (b) Interest Rate Sensitivity: The following table demonstrates the sensitivity to a reasonable possible change in interest rate on financial assets affected. With all other variable held constant, the company's profit before tax is affected through the impact on finance cost with respect to our borrowing as follows:

A change in 25 basis points in interest rates would have following impact on profit after tax

7 in Lakhs

Particulars	As at 31.03.2022	As at 31.03.2021
Change in basis point	+25.00	+25.00
Effect on profit after tax	(6.46)	(13.17)
Change in basis point	-25.00	-25.00
Effect on profit after tax	6.46	13.17

- (c) Price Risk: The Company's exposure to securities price risk arises from investments held in mutual funds and classified in the balance sheet at fair value through profit or loss. To manage its price risk arising from such investments, the company diversifies its portfolio. Quotes (NAV) of these investments are available from the mutual fund houses.
 - Profit for the year would increase/decrease as a result of gains/losses on these securities classified as at fair value through profit or loss.
- (d) Commodity Price risk: The Company is affected by the price volatility of certain commodities. Its operating activities require the purchase of raw material therefore, requires a continuous supply of certain raw materials. To mitigate the commodity price risk, the Company has an approved supplier base to get competitive prices for the commodities and to assess the market to manage the cost without any comprise on quality.

NOTES TO THE STANDALONE FINANCIAL STATEMENTS

for the year ended 31" March, 2022.

(B) Credit Risk:

Credit risk arises from the possibility that counter party may not be able to settle their obligation as agreed. Credit risk primarily arises from financial assets such as trade receivables, other balance with banks, loans and other receivables.

Trade Receivables: - The maximum exposure to credit risk is primarily from trade receivables (Other than Group Company). The company periodically assesses the credit quality of counter parties, taking into the financial condition, current economic trends, past experiences and other factors.

The company has a well-defined sale policy to minimize its risk or credit defaults. Outstanding receivables are regularly monitored and assessed, impairment analysis is performed based on historical data at each reporting date on an individual basis.

Financial assets are written off when there is no reasonable expectation of recovery, such as customer failing to engage in a repayment plan with the company.

Deposits with Bank: The deposits with banks constitute mostly the liquid investment of the company and are generally not exposed to credit risk.

(C) Liquidity Risk: Liquidity risk is the risk, where the company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The company's approach to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when due.

The following methods and assumptions were used to estimate the fair values:

- Fair value of cash and deposits, other bank balances, trade receivables, loans, trade payables, and other financial assets and liabilities
 approximate their carrying amounts largely due to the short-term maturities of these instruments.
- 2) Long-term fixed-rate and variable-rate receivables / borrowings are evaluated by the Company based on parameters such as interest rates, specific country risk factors, credit risk and other risk characteristics. Fair value of variable interest rate borrowings approximates their carrying values. For fixed interest rate borrowing fair value is determined by using the discounted cash flow (DCF) method using discount rate that reflects the issuer's borrowings rate. Risk of non-performance for the company is considered to be insignificant in valuation.

CAREER POINT Ltd. Annual Report 2021-22

Independent Auditor's Report

To the Members of Career Point Limited Report on the Audit of the Consolidated Financial Statements To The Members of Career Point Limited

Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the accompanying consolidated financial statements of Career Point Limited (hereinafter referred to as "the Holding Company") and its subsidiaries (the Holding and its subsidiaries together referred to as "the Group"), and its associate, comprising the Consolidated Balance Sheet as at March 31, 2022, the Consolidated Statement of Profit and Loss (including other comprehensive income), the Consolidated Cash Flow Statement, the Consolidated Statement of Changes in Equity, for the year then ended, and notes to the consolidated financial statements including a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of the reports of the other auditors on separate financial statements and on the other financial information of the subsidiaries and associate, joint venture and associates, the aforesaid consolidated financial statements give the information required by the Companies Act 2013("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the consolidated state of affairs of the Group and Associate as at March 31, 2022, and their consolidated profit (including Other Comprehensive income), their consolidated cash flows and consolidated statement of changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the consolidated financial statements in accordance with the Standards on Auditing specified under section 143 (10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibility for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the ethical requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us and the audit evidence obtained by the other auditors in terms of their reports referred to in the Other Matters section below, is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Emphasis of Matter

Attention is drawn to Note no. 55 of the consolidated financial statements regarding loans degraded (to NPA/Sub-standard assets) by a subsidiary company - Srajan Capital Limited (SCL) advanced to various parties amounting to Rs.4,431.72 lakhs till 31st March 2022 in 15 accounts (upto 31st March 2021 Rs.4,529.59 lakhs), including of a related party amounting to Rs.4,397.32 lakhs (Rs.4,397.32 lakhs), out of total loans of Rs. 25,053.67 lakhs (long term Rs.14,013,39 lakhs and short term Rs.11,040.28 lakhs). Further during the current year, SCL has written off Rs.45.64 lakhs out of Rs.105 lakhs (degraded loan) pertaining to one of the borrower for the reason stated in the said note. The auditors of subsidiary Company have not modified its opinion in this regard.

Our opinion is not modified in respect of above matter.

Key Audit Matters

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the Consolidated Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have not determined the matters to be key audit matters to be communicated in our report.

Information Other than the Consolidated Financial Statements and Auditor's Report thereon

The Holding Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Report on Corporate Governance and Shareholder's Information, but does not include the consolidated financial statements and our auditor's report thereon.

The Other Information is expected to be made available to us after the date of this Auditor's Report.

Our opinion on the consolidated financial statement does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Consolidated Financial Statements, our responsibility is to read the other information in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. When we read Other Information, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance.

Management's Responsibility for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance including other comprehensive income, consolidated cash flows and consolidated changes in equity of the Group and Associate in accordance with the Ind AS and other accounting principles generally accepted in India. The respective Board of Directors of the companies of the Group included in the Group and Associate are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and Associate for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group and Associate are responsible for assessing the ability of the Group and Associate to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the management either intends to liquidate the Group and Associate or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group and Associate are also responsible for overseeing the financial reporting process of the Group and Associate.

Auditor's Responsibility for the Audit of the Consolidated Financial Statements Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the
 consolidated financial statements, whether due to fraud or
 error, design and perform audit procedures responsive to
 those risks, and obtain audit evidence that is sufficient and
 appropriate to provide a basis for our opinion. The risk of not
 detecting a material misstatement resulting from fraud is
 higher than for one resulting from error, as fraud may involve
 collusion, forgery, intentional omissions,
 misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Holding Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group, and Associate to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities within the Group, and Associate to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements of which we are the independent auditors. For the other entities included in the consolidated financial statements, which have been audited by other auditors, such other auditors remain responsible for the

direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion. Our responsibilities in this regard are further described in the section titled "Other Matters" in this audit report.

Materiality is the magnitude of misstatements in the consolidated financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the consolidated financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the consolidated financial statements.

We communicate with those charged with governance of the Holding Company and other entities included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outwelph the public interest benefits of such communication.

Other matters

We did not audit the financial statements and other financial information of nine (9) subsidiaries, whose financial statements/financial information reflect total assets as at 31st March 2022 of Rs 44,758.62 lakhs, total revenues of Rs 3,892.34 lakhs for the year ended 31st March, 2022, total net profit/(Joss) after tax of Rs. 1,206.00 lakhs and total comprehensive income Rs. 1,206.00 lakhs for the year ended 31st March 2022 as considered in the consolidated financial statement.

ANNEXURE "B" TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 1(f) under 'Report on Other Legal and Regulatory Requirements' section of our report of even date to the members of Career Point Limited on the Consolidated Financial Statements for the year ended March 31, 2022)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

In conjunction with our audit of the consolidated financial statements of the Company as of and for the year ended March 31, 2022, we have audited the internal financial controls over financial reporting of Career Point Limited ("the Holding Company") and its subsidiaries (the Holding company and its subsidiaries together referred to as "the Group") and associate, which are companies incorporated in India, as of that date.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the Holding company, its subsidiary companies, and its associate are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting Issued by the Institute of Chartered Accountants of India (YCAF). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including achievence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Holding Company, its subsidiary companies, and its associate, which are companies incorporated in India, internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing, prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

Place: New Delhi Date: May 28, 2022 We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors in term if their reports referred to in the other matters paragraph below is sufficient and appropriate to provide a basis for our audit opinion on the group's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion to the best of our information and according to the explanations given to us and based on the consideration of other auditors referred to in the Other matters paragraph below, the Holding Company, its subsidiaries companies, and an associate company, which are companies incorporated in India, have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2022, based on the criteria for internal financial control over financial reporting established by the company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Other matters

Our aforesaid reports under Section 143(3)(i) of the Action the adequacy and operating effectiveness of the internal financial controls over financial reporting in so far as it relates to 9 subsidiary companies, and an associate company, is based on the corresponding reports of the auditors of such companies incorporated in India.

43 Financial risk management objectives and policies

The Company's activities are exposed to a variety of financial risks from its operations. The key financial risks include market risk (including interest rate risk etc.), credit risk and liquidity risk. The company's overall risk management policy seeks to minimize potential adverse effects on company's financial performance.

- (A) Market Risk: Market risk is the risk that the fair value of future cash flow of financial instruments will fluctuate because of change in market prices.
 Market risk comprises mainly of interest rate risk.
 - (a) Interest rate risk: Interest rate risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market interest rates. Any change in the interest rates environment may impact future rates of borrowing. The company mitigates this risk by regularly assessing the market scenario, finding appropriate financial instruments, interest rate negotiation with the lenders for ensuring the cost effective method of financing.
 - (b) Interest Rate Sensitivity: The following table demonstrates the sensitivity to a reasonable possible change in interest rate on financial assets affected. With all other variable held constant, the company's profit before tax is affected through the impact on finance cost with respect to our borrowing, as follows:

A change in 25 basis points in interest rates would have following impact on profit after tax

Particulars	As at March 31, 2022	As at March 31, 2021
Change in basis point	+25	+25
Effect on profit after tax	(10.24)	(16.59)
Change in basis point	-25	-25
Effect on profit after tax	10.24	16.59

- (c) Price Risk: The Company's exposure to securities price risk arises from investments held in mutual funds and classified in the balance sheet at fair value through profit or loss. To manage its price risk arising from such investments, the company diversifies its portfolio. Quotes (NAV) of these investments are available from the mutual fund houses.
 - Profit for the year would increase/decrease as a result of gains/losses on these securities classified as at fair value through profit or loss
- (d) Commodity Price risk: The Company is affected by the price volatility of certain commodities. Its operating activities require the purchase of raw material therefore, requires a continuous supply of certain raw materials. To mitigate the commodity price risk, the Company has an approved supplier base to get competitive prices for the commodities and to assess the market to manage the cost without any comprise on quality.

(B) Credit Risk:

Credit risk arises from the possibility that counter party may not be able to settle their obligation as agreed. Credit risk primarily arises from financial assets such as trade receivables, other balance with banks, loans and other receivables.

Trade Receivables: - The maximum exposure to credit risk is primarily from trade receivables (Other than Group Company). The company periodically assesses the credit quality of counter parties, taking into the financial condition, current economic trends, past experiences and other factors.

The company has a well-defined sale policy to minimize its risk or credit defaults. Outstanding receivables are regularly monitored and assessed. Impairment analysis is performed based on historical data at each reporting date on an individual basis.

Financial assets are written off when there is no reasonable expectation of recovery, such as customer failing to engage in a repayment plan with the company.

Where financial assets have been written off, the company continues to engage in enforcement activity to attempt to recover the receivable due. Where recoveries are made, these are recognized in Profit or loss.

Deposits with Bank: The deposits with banks constitute mostly the liquid investment of the company and are generally not exposed to credit risk.

(C) Liquidity Risk: Liquidity risk is the risk, where the company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The company's approach to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when due.

- 51. (a) The Board of Directors of the Company in their meeting held on May 15, 2021 considered to formulate a Scheme of Arrangement ("Scheme") between Career Point Limited and its wholly-owned subsidiaries, namely, Career Point Edutech Limited, Gyan Eduventure Private Limited, Career Point Infra Limited and Srajan Capital Limited. It is hereby informed that the said scheme aims for creation of pureplay education and financial services business to provide flexibility to investors as both businesses shall be listed seperately. The Company is taking necessary steps in this regard and will notify subsequently.
 - (b) Subsequent to the approval of shareholders in their Extra Ordinary General Meeting through postal ballot, the object clause of the Memorandum of Association of the Company has been altered to include the business of holding and investment/finance and accordingly income from investment/finance business of the Holding Company have been included in Revenue from operations w.e.f. 10th September, 2021, being the date of approval of Ministry of Corporate Affairs.
 - (c) Career Point Limited has applied for NBFI Registration with Reserve Bank Of India (RBI) vide application dated 10th February 2022 for carrying out NBFI activities and the management is under process to get the approval. Further, in this regard, for merger with Career Point Limited, Srajan Capital Limited has applied to RBI, approval awaited.
 - (d) Career Point Limited's registered office has been shifted from state of Rajasthan to the state of Punjab w.e.f. 17th September, 2021. The CIN No. of Career Point Limited has been changed from L72200RJ2000PLC016272 to L80100PB2000PLC054497.
- 52. The nationwide lockdown due to spread of COVID-19 and other significant restrictions had an impact on the education sector as well. However, the students were being serviced through online mode of teaching. The Holding company has presence in different education verticals including test-prep, school education, higher education and e-Learning. There has been a mixed impact on different divisions, The Subsidiary Company (Srajan Capital Limited), in accordance with the Board approved moratorium policy read with the Reserve Bank of India (RBI) guidelines dated 27 March 2020, 17 April 2020 and 23 May 2020 relating to 'COVID-19 Regulatory Package', had granted moratorium up to six months on the payment of installments which became due between 01 March 2020 and 31 August 2020 to all eligible borrowers. This relaxation did not automatically trigger a significant increase in credit risk The Subsidiary Company, in the previous year, continued to recognize interest income during the moratorium period and in the absence of other credit risk indicators, the granting of a moratorium periad did not result in accounts becoming past due. The Group has considered the possible effects that may result from COVID-19 in the preparation of financial results including assessment of its liquidity position from the previous recoverability and carrying value of its assets and liabilities as on March 31, 2022. The Group has considered internal and external sources of information for making said assessment. Given the uncertainties associated with nature, condition and duration of COVID-19, the Group is committed to closely monitor any material changes arising out of prevailing economic conditions and impact of the same on the business of the Group.

GREEN INITIATIVE IN CORPORATE GOVERNANCE

Dear Shareholders.

The Ministry of Corporate Affairs (MCA) has taken a "Green Initiative in Corporate Governance" by allowing paperless compliances by the Companies through electronic mode. In accordance with the circulars issued by the MCA during April and May 2011, companies can now send notices and documents, including Annual Reports and postal ballots to its shareholders through electronic mode to the registered e-mail addresses of the Shareholders.

It is a welcome move for the society at large, as this will reduce paper consumption to a great extent and allow shareholder as well as the companies to contribute towards a Greener Environment.

Your Company also proposes to participate in this Green initiative by opting for e-mailing all the future shareholder communications henceforth including notices of Annual General Meetings and Annual Reports of the Company to those shareholders opting to receive the same in electronic mode.

To support this green initiative of the Government in full measure, members who have not registered their e-mail addresses, so far, are requested to register their e-mail addresses, in respect of electronic holding with the Depository through their concerned Depository Participants.

Members who holds shares in physical form are requested to furnish their e-mail id to the following e-mail id viz.careerpointgogreen@linkintime.co.in quoting your folio number, name, PAN, mobile number. We would be mailing all the future shareholder.communication to the e-mail id furnished to us.

Please note that as a member of the Company, you will always be entitled to receive all such communication in physical form, upon request.
