24. Overview of the entity's material responsible business conduct issues:

Please indicate material responsible business conduct and sustainability issues pertaining to environmental and social matters that present a risk or an opportunity to your business, rationale for identifying the same, approach to adapt or mitigate the risk along-with its financial implications, as per the following format:

S. No	Material issue identified	Indicate whether risk or opportunity (R/O)	Rationale for identifying the risk / opportunity	In case of risk, approach to adapt or mitigate	Financial implications of the risk or opportunity (Indicate positive or negative implications)
1.	Energy Management	Opportunity	By adoption of effective energy management practices, Ramky has identified energy management as an opportunity and looks forward to subsequently achieve a reduction in energy consumption.		Positive: By enhancing overall energy efficiency, the Company looks forward to reducing energy consumption and associated costs, leading to potential cost savings and improved profitability. Diversifying energy sources and accessing alternative and renewable energy can also contribute to long-term financial sustainability by mitigating the risks of energy price fluctuations and reducing reliance on conventional energy sources.
2.	Water Management	Risk	Water management is a critical aspect for infrastructure companies as they heavily rely on a stable and adequate supply of water for construction and ongoing operations. As environmental concerns grow, investors and stakeholders increasing focus on the sustainability practices of companies. Failing to address water management risks can harm Ramky's reputation and attractiveness to investors.	Ramky is committed to mitigate the risk which is associated with water management by identifying and assessing water risks, developing a water risk management plan, implementing the water risk management plan and engaging with stakeholders such as regulators, communities, and other businesses, to develop and implement its water risk management plan. This will help to ensure that the plan is effective and that it is supported by all stakeholders.	Negative: It leads to significant customer and investor attrition, resulting in adverse effects on the company's reputation, profitability, and project timelines.

S. No	Material issue identified	Indicate whether risk or opportunity (R/O)	Rationale for identifying the risk / opportunity	In case of risk, approach to adapt or mitigate	Financial implications of the risk or opportunity (Indicate positive or negative implications)
3.	Community development	Risk	<ul style="list-style-type: none"> Infrastructure projects often require significant land acquisition, which can lead to displacement and resettlement of communities. If not managed properly, this can result in social unrest, protests, and legal challenges Community resistance can lead to disruptions in the supply chain. Protests or road blocks by community members can prevent the smooth flow of materials and equipment, causing construction delays and added expenses. 	<ul style="list-style-type: none"> Ramky proactively engages with local communities, attending to their concerns, and invests in sustainable and responsible practices, thus enhancing the likelihood of mitigating these risks Ramky is firmly committed to actively respecting human rights and cultivating robust community relations, with the primary goal of building trust and ultimately fostering comprehensive community satisfaction. 	<p>Negative:</p> <p>It results in project delays, protests, or potential legal challenges, impeding the company's progress and creating obstacles in securing future project approvals or obtaining funding from investors and lenders.</p>
4.	Workforce Health and Safety	Risk	<ul style="list-style-type: none"> The nature of infrastructure projects often involves high-risk activities, such as construction, excavation, and heavy machinery operations. Without proper safety measures, there is an increased likelihood of accidents, injuries, and, in the worst cases, fatalities among the workforces. A poor safety record can lead to higher insurance premiums for the company, increasing operating costs. 	<ul style="list-style-type: none"> Ramky is known for its professional management, led by highly qualified and experienced personnel in various areas, such as engineering, procurement, legal, secretarial, finance, and administration and a fully integrated Management Information System (MIS) operates in the SAP environment to support its operations By conducting risk assessments, ensuring compliance with occupational health and safety regulations, and continuously monitoring and improving safety practices, the Company aims to protect the well-being of its employees. 	<p>Negative:</p> <p>It leads to project delays. Investigations, remedial actions, and increased safety protocols can interrupt construction schedules, causing additional costs and potentially affecting project timelines.</p>
5.	Business Integrity and Ethics	Risk	<ul style="list-style-type: none"> Any unethical behaviour or lack of integrity within the company can lead to negative publicity and damage the company's reputation. Engaging in unethical practices can lead to breaches of contracts with clients, subcontractors, or suppliers. This may result in legal disputes and financial liabilities for the company 	<ul style="list-style-type: none"> Ramky Infrastructure Limited has always maintained a strong commitment to upholding sound corporate governance standards and ethical business practices. By implementing these practices, the Company believes it can achieve sustainable growth and meet the expectations of all stakeholders. Ramky is firmly committed to combating fraud, corruption, and dishonesty. The anti-bribery policy extends to all the group companies and stakeholders. 	<p>Negative:</p> <p>It leads to legal battles, project delays, cost overruns, and strained business relationships which results in huge loss on financial impacts.</p>

S. No	Material issue identified	Indicate whether risk or opportunity (R/O)	Rationale for identifying the risk / opportunity	In case of risk, approach to adapt or mitigate	Financial implications of the risk or opportunity (Indicate positive or negative implications)
6.	Business Model Resilience	Opportunity	<ul style="list-style-type: none"> Ramky maintains sufficient Internal Financial Controls that align with the nature of its business and the scale of its operations. These controls are designed to safeguard its assets, ensure the accuracy and reliability of financial transactions, comply with relevant regulations and accounting policies, and uphold proper approval procedures. Ramky consistently reviews and enhances these systems, and it also employs a comprehensive budgetary control system to continually monitor revenue and expenses in comparison to the approved budget. 		<p>Positive:</p> <p>It will help in reducing loss by being more adaptable to changes, improving efficiency by being able to quickly adapt to new circumstances, increasing transparency by having a clear understanding of its financial risks and controls, strengthening compliance by being able to adapt to new regulations.</p>

The above figures includes the consumption at various sites and plants at which Ramky operate which are carried on by its contractors.

**During the financial years under review, Ramky encountered difficulty in quantifying its electricity and fuel consumption in terms of units. Nonetheless, we have diligently maintained precise records of the expenses incurred on energy consumption during this duration.

We further wish to inform you that the expenditure data cannot be converted from Rupees to respective units due to the varying tariffs of electricity per KVH and fuel per litre in different states. Furthermore, some of our offices and plants function on a lease and rental basis, and thus receive shared billed amounts instead of units.

We acknowledge this constraint and are presently in the process of establishing a system to accurately document energy consumption from the forthcoming financial years.

Note: Indicate if any independent assessment/ evaluation/assurance has been carried out by an external agency? (Y/N) If yes, name of the external agency.

Ramky has not conducted any independent assessment/ evaluation by an external agency.
