### 1.

The above financial results have been reviewed and recommended by the Audit Committee and approved by the Board of Directors at their meeting held on 30th June, 2020. 2

Previous period figures have been regrouped/rearranged wherever considered necessary. 3.

"As regard to Deferred Tax as per Ind AS-12 on "Income Taxes", there is a net deferred tax asset for the past years amounting to Approx. Rs. 2177,87 Lacs. As evidenced by the current year (FY 2019-20) financials, there is a swift turnaround in the "pipes" segment. The management is seriously contemplating the certainity and sustainability for the abovesaid turnaround in the future, based on future profits projection being prepared, considering the business climate, orders on hand, tenders being filled, future capex, Current situation of Indian Economy due to COVID -19, past experience etc. Pending the above, as matter of prudence, the company has not recognized the said deferred tax æ
