- 3 As required by Ind AS 109, the company has developed a preliminary model to calculate expected credit losses (ECL) and charged as Impairment to financial assets. Where impairment allowance under Ind AS 109 is lower than the provisioning required under IRACP (including standard asset provisioning), company have been appropriated the difference (if any) from their net profit or loss after tax to a separate 'Impairment Reserve'.
- 4 The Other Comprehensive Income comprises actuarial gain on re measurement of defined benefit plans as per the actuary report as per the actuary report as per IND AS 19 "Employee Benefits".
- 5 In accordance with the RBI guidelines relating to COVID - 19 Regulatory Package dated March 27, 2020 and April 17, 2020, the Company granted moratorium of three months on payments of all instalments and/or interest falling due on or after March 31, 2020 till May 31, 2020 (further extended as per RBI guidelines for another 3 months falling due on or after June 1, 2020 till August 31, 2020) to eligible borrowers who have requested for moratorium. For all such accounts where the moratorium is granted, the prudential assets classification and stage movement was kept on stand still during the moratorium period. The Company has used the principles of prudence in applying judgments, estimates and possible forward looking scenarios to assess and provide for the impact of the COVID-19 pandemic on the Financial Statements specifically while assessing the expected credit loss on financial assets by applying the customer-profiling within salaried and self- employed portfolio and management overlays. The Company has performed an estimation of portfolio stress through analyzing its portfolio in respect of various risk classification, using the available historic and current data and based on current indicators of future economic conditions. On May 22, 2020 the RBI has announced extension of the moratorium period by further three months. The extent to which COVID-19 pandemic effect will impact the company's provision on financial assets will depend on future developments, which are highly uncertain. The impact of COVID - 19 pandemic may be different from the estimated as at the date of approval of these financial statements and the Company will continue to closely monitor any material changes to future economic conditions and execution of mortgage rights to favour the company's recovery effect which is mainly based on security values.
- 6 Post outbreak of COVID-19, virus continued to spread across the country, resulting in significant volatility in financial markets and a significant decrease in economic activities. On March 11, 2020, this outbreak was declared a global pandemic by the World Health Organization and consequent lockdowns were imposed across. The situation was improving up to Jan - Feb 2021 but due to the onset of the 'second wave', things deteriorated since March 2021. Increase in COVID 19 cases necessitated imposition of restrictions which could have once again impacted economic activity and markets. In preparing the accompanying financial statements, the Company's management has assessed the impact of the pandemic on its operations and its assets as at March 31, 2024. The management does not, at this juncture, believe that the impact on the value of the Company's assets is likely to be material. The extent to which the second wave of COVID 19 pandemic will impact the Company's results will depend on ongoing as well as future developments, which are at this juncture are highly uncertain.
- 7 Tax expense for the quarter is after adjusting the Deferred Tax provision.
- 8 Figures for the previous periods /year have been regrouped, restated and /or reclassified wherever considered necessary to make them comparable to the current periods /presentation
- 9 In accordance with RBI circular dated April 07, 2021, the company shall refund / adjust 'interest on interest' to all borrowers including those who had availed of working capital facilities during the moratorium period, irrespective of whether moratorium had been fully or partially availed, or not availed. The methodology for calculation of the amount of such 'interest on interest' has been circulated by the Indian Banks Association (IBA). Pursuant to these instructions, the company has estimated the said amount and recognized a charge in its Profit and Loss Account for the quarter ended 30th Sep 2024.
- 10 The Corporation is not a 'Large Corporate' as per criteria under SEBI circular SEBI/HO/DDHS/CIR/P/2018/144. Necessary disclosure has been made to the stock exchanges in this regard.
- 11 During the quarter ended 30th Sep 2024, INR 0.43 Cr has been received against Assets Held For Sale in earlier period.
