MANAGEMENT DISCUSSION AND ANALYSIS REPORT

1. OPERATING RESULTS OF THE COMPANY

During the Financial Year under consideration the performance of the Company was satisfactory. Net Profit for the year 2019–20 stood at Rs. 88,14,000 /- as against Net Profit of Rs. 1,39,89,000 /- in the year 2018–19. Furthermore, the total Revenue for the year ended March 31st, 2020 is Rs. 34,55,95,000/- as compared to Rs. 55,40,74,000/- revenue for the year 2018–19.

2. INDUSTRY STRUCTURE AND DEVELOPMENT

The Indian Media and Entertainment (M&E) industry is a sunrise sector for the economy. It is making high growth strides and is witnessing increased corporatization. The country is today producing some of the finest films based on varied subjects and winning accolades on all counts.

The Foreign Direct Investment (FDI) inflows in the information and broadcasting (I & B) sector in the period April 2000 – December 2015 stood at US\$ 4.55 billion, as per data released by Department of Industrial Policy and Promotion (DIPP).

3. OPPORTUNITY

The Government of India has supported Media and Entertainment industry's growth by taking various initiatives such as digitizing the cable distribution sector to attract greater institutional funding, increasing FDI limit from 74 per cent to 100 per cent in cable and DTH satellite platforms, and granting industry status to the film industry for easy access to institutional finance.

The Indian Media and Entertainment industry is on an impressive growth path. The revenue from advertising is expected to grow at a CAGR of 13 per cent and will exceed Rs 81,600 crore (US\$ 12.29 billion) in 2020 from Rs 41,400 crore (US\$ 6.24 billion) in 2014.

The television industry is witnessing the mushrooming of more niche channels. Here again, emerging technologies such as broadband, OTH, IP and digitalization will bring about more growth.

4. THREATS

i) With the increase in business segment, the competition has increased from Domestic and other Developed countries.

ii) Viewers no longer solely want a passive experience with a TV programme.

iii) An 'access anywhere, any time and on any platform' consumer is having a profound impact on

broadcasters, content owners and post houses – and they need to radically re–think how they set up and integrate their workflows and business processes. With an explosion in content and platforms to view media on, content owners have to fight much harder for the consumer’s attention.

iv) The appetite of the viewers is increasing and nowadays people are not satisfied with the conventional broadcasting only. Broadcasters need to provide their content on all possible carriage ways. New media including IPTV, mobile TV, YouTube, and the like, would complement traditional broadcasting.

The foremost challenges on the technology front are digitization of infrastructure and migration to HDTV. Broadcasters need to define how they traverse on the digitization path and put in serious efforts to decide what services they have to deliver to viewers. Systematic phasing out of analog system in broadcasting is a prominent task to meet the analog switch–off deadlines. Digital TV is not restricted to traditional home devices alone but is also available on personal devices.

5. PROSPECT & OUTLOOK

The management is of view that the future prospects of your company are bright and the performance in the current year is expected to be good. ANNEXURE "A" TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 1(f) under "Report on Other Legal and Regulatory Requirements" section of our report to the Members of Sadhna Broadcast Limited' of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub - section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Sadhna Broadcast Limited ("the Company") as of March 31, 2020 in conjunction with our audit of the Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Board of Directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively or ensuring the orderly and efficient conduct of its business, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material aspects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness.

Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidences we have obtained, are sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting of future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2020, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.
