NOTES:

- 1 The unaudited consolidated Financial Results for the quarter ended and Nine months ended 31st December 2020 have been reviewed by the Audit Committee and approved by the Board of Directors at its meeting held on 13th February 2021 and have been subjected to limited review by the Statutory Auditors of the Company.
- 2 The results are prepared in accordance with the Indian Accounting Standards(IND-AS) as prescribed under section 133 of the Companies Act 2013.
- 3 Since the nature of the Real Estate Business of the Company is such that Profit/ (Loss) does not necessarily accrue evenly over the period, the result of the quarter may not be Representative of the Profit / (Loss) for the period.
- 4 The figures for the previous period have been regrouped/rearranged wherever considered necessary.
- 5 Other income for the year ended 31.03.2020 includes profit of Rs. 4728.02 Lakhs due to recognition of Transferable Development Rights (TDR Certificates) received as compensation against surrender of the Company's freehold land at Kharadi, Pune to Pune Municipal Corporation (PMC). The said plot of land was reserved for public amenity in the Development Plan published by the Government of Maharashtra. The Company was entitled to Transferable Development Rights (TDR) on surrender of the said reserved land and on completion of necessary legal and technical formalities. The fair value of TDR amounts to Rs. 4914.10 lakhs as per valuation report of an independent valuer and in accordance with Ind AS 16 is considered as compensation received on surrender of the said reserved land. Accordingly, profit is computed after deducting carrying value of land Rs. 186.08 Lakhs. In the current year, the Company has sold part of TDR and accounted for profit/loss.
- 6 The Company is actively monitoring the impact of the global health pandemic on its financial condition, liquidity, operations, rental incomes and workforce. The operations gradually resumed with requisite precautions during the quarter with limited availability of workforce. The Company has used the principles of prudence in applying judgments, estimates and assumptions based on the current estimates. In assessing the recoverability of assets such as inventories, receivables, financial assets and other assets, based on current indicators of future economic conditions, the Company expects to recover the carrying amounts of its assets. The extent to which COVID-19 impacts the operations will depend on future developments which remain uncertain.
- 7 The unaudited consolidated financial results will be posted on the website of the company www.rajabahadur.com and will be also available on website of the Bombay stock exchange.
