Ramco Systems and NTT DATA Team to Improve the Enterprise User Experience

Chennai, INDIA – October 24, 2019 – [Ramco Systems](#), global enterprise software company focusing on Next Generation Cloud Enterprise Applications, has partnered with [NTT DATA Services](#), a recognized leader in global technology services, to enable clients to modernize enterprise applications to drive digital transformation. The collaboration will combine Ramco's innovative enterprise software solution offerings with NTT DATA's world-class, strategy-led business and technology services.

Infused with Artificial Intelligence, Machine Learning and other digital technologies, Ramco's enterprise software solution offerings across HR & Global Payroll, Logistics ERP, Enterprise Asset Management (EAM), and Aviation MRO (Maintenance, Repair & Overhaul) are redefining the enterprise user experience. Through the partnership, NTT DATA will provide its consulting, application and business process services to help clients future-proof their business models and thrive digitally.

"At Ramco, our focus has always been on leveraging innovation as the key driver to deliver customer benefit," said **Virender Aggarwal, CEO, Ramco Systems**. "With the growth of Artificial Intelligence and Machine Learning, we have been successfully infusing the latest technologies into enterprise applications. Our partnership with NTT DATA will help us deliver these cutting-edge technologies to enterprise businesses, thereby providing rich, comprehensive offerings to our clients."

Commenting on the partnership, **Srinivas Katakam, Head of India Business, NTT DATA**, said, "Through our partnership with Ramco, clients looking to improve the employee experience can benefit from a robust combination of Ramco's software and NTT DATA's implementation, management and support services. We look forward to taking this strong collaborative value proposition to market."

About NTT DATA:

NTT DATA Services partners with clients to navigate and simplify the modern complexities of business and technology, delivering the insights, solutions and outcomes that matter most. We deliver tangible business results by combining deep industry expertise with applied innovations in digital, cloud and automation across a comprehensive portfolio of consulting, application, infrastructure and business process services.

NTT DATA Services, headquartered in Plano, Texas, is a division of NTT DATA Corporation, a top 10 global business and IT services provider with 120,000+ professionals in more than 50 countries, and NTT Group, a partner to 88 percent of the Fortune Global 100.

About Ramco Systems:

Ramco is a next-gen enterprise software player disrupting the market with its multi-tenant cloud and mobile-based enterprise software in HR and Global Payroll, ERP and M&E MRO for Aviation. Part of the USD 1 billion Ramco Group, Ramco Systems focuses on Innovation and Culture to differentiate itself in the marketplace. On Innovation front, Ramco has been focusing on moving towards **Active ERP** leveraging Artificial Intelligence and Machine Learning and Event Driven Architecture by building features such as **Talk It** - which allows transactions to be carried out by simple voice commands, **Bot it** - which allows users to complete transaction using natural conversations; **Mail It** - transact with the application by just sending an email; **HUB It** - a one screen does it all concept built to address all activities of a user; **Thumb It** - mobility where the system presents users with option to choose rather than type values and **Prompt It** - a cognitive ability which will let the system complete the transaction and prompts the user for approval.

With 1900+ employees spread across 24 offices, globally, Ramco follows a flat and open culture where employees are encouraged to share knowledge and grow. No Hierarchies, Cabin-less Offices, Respect work and not titles, among others are what makes the team say, Thank God it's Monday!

**Only APAC vendor to be positioned in Gartner Magic Quadrant for ERP, Cloud Financials, Cloud HCM and EAM;
Leader in NelsonHall's NEAT Matrix for Next Gen Payroll Services
Awarded for Payroll Innovation in 2018 by Global Payroll Association;
