PRESS RELEASE  
27.07.2022

## JKLC Retains Operating Profit Despite Substantial Cost Increase

JKLC records a very satisfactory growth in its net sales by about 26% to Rs.1551 crore in April-June 2022 from Rs.1231.51 crore in the corresponding quarter April-June 2021. Despite considerable pressure from the cost, mainly because of unabated increase in global fuel cost, Company could achieve marginal increase in the operating profit at Rs.217 crore in April-June 2022 from about 216 crore in April-June 2021. This could be achieved by improved operational efficiencies, increased volume, optimizing product mix and higher sales of premium products.

The Operating Profit Margin however, declined to 14% in Apr-Jun.22 from 18% logged in a year ago corresponding quarter Apr-Jun.21 due to cost push. After providing for interest and depreciation, PBT stood at Rs.152.37 crore in Apr-Jun.22 as against Rs.161.28 crore in Apr-Jun.21. After Providing for Taxes and Other Comprehensive Income, JKLC's Profit was lower at Rs.101.59 crore in Apr-Jun.22 against Rs.119.32 crore achieved in the corresponding quarter.
