Subject: Intimation regarding a fire accident at our Rampur plant on 6th March, 2021

Pursuant to Regulation 30 of SEBI (Listing Obligations & Disclosure Requirements) Regulations, 2015, we hereby intimate you about a fire that broke out at our Rampur plant in Uttar Pradesh.

On 6th March 2021, around 8.15 AM, a sudden fire was noticed in two of the alcohol storage tanks with a combined capacity of Extra Neutral Alcohol of 350,000 bulk litres.

The Company's emergency response team along with the local fire brigades were able to bring the fire under control without any spread to other alcohol production, storage and bottling areas. Furthermore, there was no loss of life.

We would like to further inform that there is no material impact on revenues/production of the Company due to this fire incident. Production was stopped only for a few hours as a precautionary measure. As of now all alcohol production and bottling operations have resumed.

We would like to state that we have adequate insurance in place to cover the damages at the plant. We have intimated to the insurance companies and they are in the process of ascertaining the extent of loss.

We would like to thank the local administration including the District Fire Control Department for their prompt action.

We request you to kindly take the above in your records. Any further material development in this regard will be updated.

Yours faithfully,
