EXPLANATORY STATEMENT

Pursuant to Section 102(1) of the Companies Act, 2013

Item Nos. 3 to 6:

The shareholders of the Company at the Annual General Meeting held on 22nd September, 2014 have appointed Shri O.Swaminatha Reddy, Shri R.Surender Reddy and Shri Kamlesh Gandhi as Independent Directors of the Company for a period of 5 years i.e., from 22nd September, 2014 to 21st September, 2019 ('first term') whereas Smt.Madhumathi Suresh was appointed by shareholders as an Independent Director of the Company on 30.09.2015 for a period of 5 years w.e.f. 23.03.2015 to 22.03.2020 ('first term') in terms of Sections 149(10) and 149(11) of the Act.

A notice under Section 160 of the Companies Act, 2013 has been received from member(s) of the Company proposing to reappoint Shri O.Swaminatha Reddy, Shri R.Surender Reddy, Shri Kamlesh Gandhi and Smt.Madhumathi Suresh ('said directors') as Independent Directors of the Company. The Company has also received from said Directors i) consent in writing to act as a Director in Form DIR-2 pursuant to Rule 8 of the Companies (Appointment & Qualification of Directors) Rules, 2014; ii) Intimation in Form DIR-8 pursuant to terms of the Companies (Appointment & Qualification of Directors) Rules, 2014, to the effect that he is not disqualified as per Section 164(2) of the Companies Act, 2013; and iii) a declaration to the effect that he meets the criteria of independence as provided under Section 149 of the Companies Act, 2013 and Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015.

Shri O Swaminatha Reddy and Shri R.Surender Reddy have attained more than 75 years of age. As per Regulation 17(1A) of the SEBI (Listing Obligations and Disclosure Requirements) (Amendment) Regulations, 2018, the Company has to obtain approval of members by way of a special resolution for appointing or continuing the directorship as a Non-Executive Independent Director beyond seventy five years of age.

In the opinion of the Board, the said directors fulfil the conditions for appointment of Independent Director as specified in the Companies Act, 2013 and the Rules framed thereunder and the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('the Listing Regulations, 2015') and are independent of the management. Considering given background and experience and contributions made by them during their tenure beneficial to the Company, the Board of Directors at their meeting held on 7th August, 2019, on the recommendation of the Nomination and Remuneration Committee and based on the performance evaluation proposed for re-appointment Shri O Swaminatha Reddy, Shri R.Surender Reddy and Shri Kamlesh Gandhi for a second term of five consecutive years w.e.f. 21st September, 2019 and whereas Smt.Madhumathi Suresh for a second term of five consecutive years w.e.f 22.03.2020, who are not liable to retire by rotation.

The profiles and other details of Shri O.Swaminatha Reddy, Shri R.Surender Reddy, Shri Kamlesh Gandhi and Smt. Madhumathi Suresh are set out here into the notice.

Copy of the draft letter of appointment as Independent Directors setting out the terms and conditions of appointment are available for inspection without any fee by the members at the Registered Office of the Company.

The Board of Directors recommend the special resolutions set out at Item Nos. 3 to 6 of this Notice for your approval.

None of the Directors, Key Managerial Personnel and relatives thereof except Shri O.Swaminatha Reddy, Shri R.Surender Reddy, Shri Kamlesh Gandhi and Smt Madhumathi Suresh, have any concern or interest, financial or otherwise, in the resolution at Item Nos. 3 to 6 of this Notice.

Item No.07:

The resolution contained in the AGM Notice relates to a proposal by the Company to create, offer, issue and allot Securities through further public offerings, preferential allotments, qualified institutions placements, issuance of Global Depository Receipts, American Depository Receipts and such other Securities in such manner as stated in the resolution. The Company intends to issue Securities for a value of up to US\$ 50 million. Subject to applicable laws and regulations, the Company intends to use the net proceeds of the Issue primarily for making acquisition, expansion and modernization of existing facilities, working capital requirements and general corporate purpose.

The Special Resolution also seeks to empower the Board of Directors to undertake a qualified institutions placement with qualified institutional buyers as defined by SEBI (ICDR) Regulations. The Board of Directors may in their discretion adopt this mechanism as prescribed under Chapter VIII of the SEBI (ICDR) Regulations for raising the funds for the expansion plans of the company, without the need for fresh approval from the shareholders. In case of an issuance of Securities to qualified institutional buyers, whether or not such investors are existing members of the Company, through a qualified institutions placement under Chapter VIII of the SEBI (ICDR) Regulations, the final price at which the Securities will be offered will be subject to investor response and prevailing market conditions, and computed in accordance with the relevant provisions of Chapter VIII of the SEBI (ICDR) Regulations. Furthermore, a discount of 5% to the floor price of the Equity Shares, or such other discount as may be permitted under Chapter VIII of the SEBI (ICDR) Regulations may also be contemplated at the time of issuance, for which authorization is being taken from the shareholders of the Company through this Special Resolution. The detailed terms and conditions of the issue as and when made will be determined by the Board of Directors in consultation with the Merchant Bankers, Lead Managers, Advisors and other experts in accordance with the applicable provisions of law.

The Special Resolution seeks to give the Board powers to issue Securities in one or more tranche or tranches, at such time or times, at such price or prices and to such person(s) including institutions, incorporated bodies or otherwise as the Board in its absolute discretion deem fit. The consent of the Shareholders is being sought pursuant to the provisions of Section 62(1)(c) and Section 42 of the Companies Act, 2013 and other applicable provisions and rules of the Companies Act, 2013, to the extent notified and in force, and in terms of the provisions of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 executed by the Company with the Stock Exchanges where the Equity Shares of the Company are listed i.e. BSE Limited and National Stock Exchange of India Limited. Section 62(1)(c) of the Companies Act, 2013 provides, inter-alia, that when it is proposed to increase the issued capital of the Company by allotment of further shares, such further shares shall be offered to the existing shareholders of the Company in accordance with the Act unless the shareholders in a general meeting decide otherwise. The special resolution seeks the consent and authorization of the members to the Board to make the proposed issue of Securities and in the event it is decided to issue Securities convertible into Equity Shares, to issue to the holders of such convertible Securities in such manner and such number of Equity Shares on conversion as may be required to be issued in accordance with the terms of the issue.

The Board of Directors believe that the issue of Securities to investors who are/ are not Shareholders of the Company is in the interest of the Company and therefore recommends the resolution for your approval.

None of the Directors / Key Managerial Personnel of the Company / their relatives is, in any way, concerned or interested, financially or otherwise, in this resolution.

Item No.08:

The Board of Directors, on recommendation of the Audit committee, at their meeting held on 23.05.2019 has approved the appointment and remuneration of the M/s. Lavanya & Associates, Cost Accountants in practice, as Cost Auditors of the Company to conduct the audit of the cost records of the Company for the financial year ending 31.03.2020 on a remuneration of ₹ 25,000/- (Twenty Five Thousand).

In accordance with the provisions of Section 148 of the Act read with the Companies (Audit and Auditors) Rules, 2014, the remuneration payable to the Cost Auditors has to be ratified by the shareholders of the Company. Accordingly, consent of the members is sought for passing an Ordinary Resolution as set out at Item No.08 of the Notice for ratification of the remuneration payable to the Cost Auditors for the financial year ending 31.03.2020.

The Board of Directors recommends the Ordinary Resolution for your approval.

None of the Directors / Key Managerial Personnel of the Company / their relatives is, in any way, concerned or interested, financially or otherwise, in this resolution

PERFORMANCE AND OPERATIONS:

During the year 2018-19, the Company's total revenue is increased by 24.39% as that of previous year.

BUSINESS OUT LOOK:

The Company will remain focused on copper business and continue to add further value added products in line with the requirement of our OEM customers. We are looking at a minimum of 10% volume growth in this year. The Company received a major boost since the implementation of GST and Demonitisation. With the advent of uniform tax structure (GST) across the country and abolition of CST, our competitiveness in terms of pricing has gone up. The company's disadvantage against tax free territories like Silvassa will no longer apply. Post demonitisation, the customer base has increased and diversified.

EXPANSION PLANS AND PROGRESS:

The company's competitiveness in terms of pricing has gone up post GST and volumes have increased substantially. With the kind of growth mode and in order to meet the demand, the expansion is being done through a 100% subsidiary company viz., Bhagyanagar Copper Private Limited (BCPL) with a capacity to 24000 MT from the existing 15000 MT. BCPL has 65.28 Acres of land at Shabhashpally Village, Shivampet Mandal, Medak District, Telangana where copper plant has been set up with capacity utilisation of 4000 MT in the first year of operation and commenced its commercial operations effective from 1st March, 2019. It is proposed to be increased by 9000 MT per annum in a phased manner. Currently. The total capital investment is made around ₹ 38.47 Crores as of 31.03.2019 including term loan of ₹ 10 Crores from Kotak Mahindra Bank. The Company is targeting consolidated turnover of ₹ 1000 Crores in next 2 to 3 years.

SUBSIDIARIES/ ASSOCIATES:

Your Company has only one wholly owned (100%) subsidiary company viz., Bhagyanagar Copper Private Limited (formerly Aanvik Mercantile Private Limited), engaged in the same line of business of manufacture of copper products. There has been no material change in the nature of its business.

In terms of proviso to sub section (3) of Section 129 of the Act, 2013 read with Companies (Accounts) Rules, 2014, the salient features of the financial statement of the subsidiaries and Associates is set out in the prescribed Form AOC-1, which forms part of the annual report.

CONSOLIDATED FINANCIAL STATEMENTS:

The consolidated financial statements are prepared and annexed in accordance with the Accounting Standards 21 and 23 as prescribed under Section 133 of the Companies Act, 2013, read with Rule 7 of Companies (Accounts) Rules, 2014 and Guidelines issued by Securities and Exchange Board of India ("SEBI") also forms part of this Annual Report.

As per the provisions of Section 136 of the Companies Act, 2013, the Company has placed separate audited accounts of its subsidiaries on its website www.bhagyanagarindia.com and copy of separate audited financial statements of its subsidiaries will be provided to the shareholders at their request.

SECRETARIAL STANDARDS:

The Directors state that applicable Secretarial Standards, i.e., SS-1 and SS-2, relating to 'Meetings of the Board of Directors' and 'General Meetings', respectively, have been duly followed by the Company.

SHARECAPITAL:

The paid-up Share Capital of the Company as on 31st March, 2019 is ₹ 6,39,90,000 divided into 3,19,95,000 equity shares of ₹ 2/- each.

TRANSFER TO RESERVES:

An amount of ₹ 5 Crores from the net profits for the financial year under review is proposed to be carried to General Reserves.

DIVIDEND:

The Board of Directors have not recommended dividend for the financial year 2018-19 to retain the maximum possible cash in the system. The Company is constrained to skip the dividend in view of the impeding cash out flow on account of ECB repayment obligations and the proposed expansion plans.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT:

The Management Discussion and Analysis Report as required under schedule V of the SEBI (Listing Obligations and Disclosure Requirement) Regulations, 2015 forms an integral part of this Report and gives details of the overall industry structure, developments, performance and state of affairs of the Company's business, internal controls and their adequacy, risk management systems and other material developments during the financial year.

Management Discussion and Analysis Report is presented in a separate section forms part of the Annual Report as Annexure-II.

MANAGEMENT DISCUSSION AND ANALYSIS

COMPANY'S OVERVIEW

Bhagyanagar India Ltd (BIL) was incorporated in the year 1985, a flagship Company of Surana Group. BIL is among the oldest and largest companies producing various copper products in India. The Company forayed into the non-conventional energy sector with a wind power project with an installed capacity of 9 MW at Kapatigudda, Karnataka State. BIL believes its industry knowledge, proactive research and specialized technology helps provide customers with improved products. The Company has steadily grown over the years with a continued focus on customer satisfaction, evolving itself into country's one of the most promising mid cap Companies.

1. Copper Products: Auto and Electrical Components, Copper-Sheet, Pipes, Foils and Bus Bars

1.1 Introduction:

The Company started as manufacturer of pure copper commodity products a few years back has today morphed into a full-fledged value added play in Auto and Electrical Components, Solar and Electrical Engineering.

The Company which initially into the manufacture of copper rods with capacity of 12000 MTs has today being converted into manufacture of Copper Rods, Foils, Pipes, Sheets, Strips, Bus Bars and Insulated Conductors etc.

However, most importantly, we are now manufacturing of value added products such as Copper Field Coils (for Auto Electrical), Copper Fins (for Solar Water Heaters) and Busbars for Electrical Engineering with regular supplies to various OEMs such as Lucas, TVS Limited, MICO, Commutator, Emvee Solar, Amar Raja Batteries, HBL Nife and many other leading OEMs.

1.2 Industry Analysis:

Indian domestic refined copper production has fallen significantly mainly because of the shutdown of Sterlite's Tuticorin plant which used to account for 40 per cent of the country's copper smelting capacity. The export of copper and copper products has fallen 69.4 per cent in FY'19 over the last fiscal. Domestic industry relies heavily on imports of copper concentrate from far off countries, particularly from South Africa in a big way. This increases cost of production. The duty on copper concentrate is presently 2.5 per cent while the finished goods are coming at zero duty. There is a situation of inverted duty structure. Government has to consider removal of this duty in order to help the industry become globally competitive.

The Copper and Copper Alloy products have shown impressive growth in the last decade. Copper because of its high electrical conductivity and heat transfer characteristics finds wide application in the form of rods, tubes, strips, flats and wires. The megatrends such as urbanization, building and construction sector,

Electric Vehicles (EVs) and energy infrastructure are driving copper demand going forward. Government of India has indicated that it would be in national interests to move towards EVs in the country by 2030, which in turn expected to open huge opportunities for Indian EV market. The evolving market will have a substantial impact on copper demand.

1.3 Opportunities and Risks:

The fundamental growth drivers of the country's economy as well as copper industry continue to remain strong despite the pressures of slowdown and inflationary conditions prevalent till recently in the nation and also globally. The copper industry in the country is continuously attracting investments from domestic and foreign investors. The risk to the segments in which the company operates are volatility in exchange rate & metal prices.

The major risks identified by the company are systematically addressed through extenuating actions on a continuous basis. The Company has developed and implemented the Risk Management framework. Audit Committee oversight of financials risks and controls. The Board of Directors is also apprised of the risks faced by the Company, and of the adequate and timely risk management measures taken to mitigate them.

1.4 Business outlook:

With the good macro-economic situation of our country we are expecting this year to be a very good year. The situation post GST introduction looks very favourable for our company and the company will have much higher competitiveness against our competition in territories like Silvasa, Baddi etc. New value added products introduced by the company is getting good traction from OEM customers across various sectors such as Automobile, Electrical Switch Gears, Heaters etc. The company always has exposure to foreign exchange against our imports. The macroeconomic factors and the stability in the rupee parity also augurs very well for the company.

In order to meet the demand, the expansion is being done through a 100% subsidiary company viz., Bhagyanagar Copper Private Limited (BCPL) with a capacity to 24,000 MT from the existing 15000 MT. BCPL has 65.28 Acres of land at Shabhashpally Village, Shivampet Mandal, Medak District, Telangana where copper plant has been set up with capacity utilisation of 4000 MT in the first year of operation and commenced its commercial operations effective from 1st March, 2019. It is proposed to be increased by 9000 MT per annum in a phased manner. The Company is targeting consolidated turnover of Rs.1000 Crores in next 2 to 3 years.

2. Non-conventional energy - Wind Power:

Wind power generation capacity in India has significantly increased in recent years. As of 31st March, 2018 the total installed wind power capacity was 36.625 GW, the fourth largest installed wind power capacity in the world. Wind power accounts for nearly 10% of India's total installed power generation capacity and generated 62.03 TWh in the fiscal year 2018-19, which is nearly 4% of total electricity generation. The capacity utilisation factor is nearly 19% in the fiscal year 2018-19. 70% of wind generation is during the five months duration from May to September coinciding with Southwest monsoon duration.

Wind power costs in India are decreasing rapidly. Concerns over the viability of low tender bids and land acquisition and grid connection issues plaguing developers of wind power projects. The expectation for developers to launch low bids, despite substantial project implementation challenges, is set to remain a hurdle to India deploying enough renewables projects to meet ambitious expansion plans.

OUTLOOK:

The Government of India has released its roadmap to achieve 175 GW capacity in renewable energy by 2022, which includes 100 GW of solar power and 60 GW of wind power. India has the potential to generate about 3-5 GW per annum, given the presence of the right policy framework and ecosystem. The coming years will be more predictable and hence, more suitable for upgrading the sector further.

INTERNAL CONTROL SYSTEM AND ITS ADEQUACY

The Company has adequate Internal Control Systems and Procedures with regard to purchase of Stores, Raw Materials including Components, Plant and Machinery, equipment, sale of goods and other assets. The company has clearly defined roles and responsibilities for all managerial positions and all operating parameters are monitored and controlled. The Company designs and maintains accounting and internal control systems to provide reasonable assurance at reasonable cost that assets are safeguarded against loss from unauthorized use or disposition, and that the financial records are reliable for preparing financial statements and maintaining accountability for assets.

The Company has an Internal Audit System commensurate with its size and nature of business. M/s Sekhar & Co., a firm of Chartered Accountants, are acting as Internal Auditors of the Company. Planned periodic reviews are carried out by Internal Audit. The findings of Internal Audit are reviewed by the top management and by the Audit Committee of the Board of Directors. Compliance with laws and regulations is also ensured and confirmed by the Internal Auditors of the Company. Standard operating procedures and guidelines are issued from time to time to support best practices for internal control.

Note:

- Inventory Turnover: Due to higher imports which has high lead time, Inventory holding period has gone up
- Interest Coverage Ratio: As the inventory levels have gone up, Utilization of working capital limits have also gone up resulting into increase in finance cost.
- Current Ratio: Increase in utilization of working capital facilities as well as all the ECB instalments falling due within a year has impacted the current ratio which is still at comfortable level.
- Debt Equity Ratio: As the company does not have any major long term liabilities the debt- Equity Ratio is nil.
- Operating Profit Margin: Operating profits have gone up marginally due to raw material procurement policy of the company.
- Net Profit Margin & Return on Net Worth: The Company had high other income during FY 2017-2018 due to profit on sale of Goa factory land. Therefore the net profits margin has come down.

REPORT ON CORPORATE GOVERNANCE

1. COMPANY'S PHILOSOPHY ON CORPORATE GOVERNANCE:

Transparency and accountability are the two basic tenets of Corporate Governance. At Bhagyanagar India Limited, we feel proud to belong to a Company whose visionary founders laid the foundation stone for good governance long back and made it an integral principle of the business, as demonstrated in the words above. Responsible corporate conduct is integral to the way we do our business. At Bhagyanagar India Limited, we are committed to doing things the right way which means taking business decisions and acting in a way that is ethical and is in compliance with applicable legislation. Our Code of Business Principles is an extension of our values and reflects our continued commitment to ethical business practices across our operations. To succeed, we believe, requires highest standards of corporate behaviour towards everyone we work with, the communities we touch and the environment on which we have an impact. This is our road to consistent, competitive, profitable and responsible growth and creating long term value for our shareholders, our people and our business partners.

The above principles have been the guiding force for whatever we do and shall continue to be so in the years to come. The Board of Directors ('the Board') is responsible for and committed to sound principles of Corporate Governance in the Company. The Board plays a crucial role in overseeing how the management serves the short and long term interests of shareholders and other stakeholders. We keep our governance practices under continuous review and benchmark ourselves to best practices across the globe.

Independent Auditor's Report on compliance with the conditions of Corporate Governance as per provisions of chapter IV of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015

To
The Members of
Bhagyanagar India Limited

1. The Corporate Governance Report prepared by Bhagyanagar India Limited (hereinafter the "Company"), contains details as required by the provisions of Chapter IV of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ("the Listing Regulations") ('Applicable Criteria') with respect to Corporate Governance for the year ended March 31, 2019. This report is required by the Company for annual submission to the Stock Exchange and to be sent to the Shareholders of the Company.

MANAGEMENT'S RESPONSIBILITY

2. The preparation of the Corporate Governance Report is the responsibility of the management of the Company including the preparation and maintenance of all relevant supporting records and documents. This responsibility also includes the design, implementation and maintenance of internal control relevant to the preparation and presentation of the Corporate Governance Report.
3. The management along with the Board of Directors of the company are also responsible for ensuring that the company complies with the conditions of Corporate Governance as stipulated in the Listing Regulations, issued by the Securities and Exchange Board of India.

AUDITOR'S RESPONSIBILITY

4. Pursuant to the requirements of the Listing Regulations, our responsibility is to express a reasonable assurance in the form of an opinion whether the company has complied with the specific requirements of the Listing Regulations referred to in paragraph 3 above.
5. We conducted our examination of the Corporate Governance Report in accordance with the Guidance Note on Reports or Certificates for Special Purposes (Revised) and the Guidance Note on Certification of Corporate Governance, both issued by the Institute of Chartered Accountants of India ("ICAI"). The Guidance Note on Reports or Certificates for Special Purposes (Revised) requires that we comply with the ethical requirements of the Code of Ethics issued by the Institute of Chartered Accountants of India.
6. We have complied with the relevant applicable requirements of the Standard on quality Control (SQC) 1, Quality Control for firms that perform Audits and Reviews of Historical Financial Information, and Other Assurance and Related Services Engagements.
7. The procedures selected depend on the auditor's judgement, including the assessment of the risks associated in compliance of the Governance Report with the applicable criteria. The procedures include, but not limited to, verification of secretarial records and financial information of the Company and obtained necessary representations and declarations from directors including independent directors of the company.
8. The procedures also include examining evidence supporting the particulars in the Corporate Governance Report on attest basis. Further, our scope of work under this report did not involve us performing audit tests for the purposes of expressing an opinion on the fairness or accuracy of any of the financial information or the financial statements of the Company taken as a whole.

OPINION

9. Based on the procedures performed by us as referred in paragraph 7 and 8 above and according to the information and explanations given to us, we are of the opinion that the company has complied with the conditions of Corporate Governance as stipulated in the Listing Regulations, as applicable for the year ended March 31, 2019, referred to in paragraph 1 above.

OTHER MATTERS AND RESTRICTION ON USE

10. This Certificate is neither an assurance as to the future viability of the company nor the efficiency or effectiveness with which the management has conducted the affairs of the Company.

This Certificate is addressed to and provided to the members of the Company solely for the Purpose of enabling it to comply with its obligations under the Listing Regulations and should not be used by any other person or for any other purpose. Accordingly, we do not accept or assume any liability or any duty of care or for any other purpose or to any other party to whom it is shown or into whose hands it may come without our prior consent in writing. INDEPENDENT AUDITOR'S REPORT

**To the Members of
M/s BHAGYANAGAR INDIA LIMITED
Report on the Audit of Standalone Ind AS Financial Statements**

Opinion

1. We have audited the accompanying Ind AS Standalone financial statements of **BHAGYANAGAR INDIA LIMITED** ("the Company"), which comprise the Balance Sheet as at 31st March, 2019, the Statement of Profit and Loss including the statement of Other Comprehensive Income, the Cash Flow Statement and the statement of change in Equity for the year then ended and notes to the standalone financial statements, including the summary of the significant accounting policies and other explanatory information.
2. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2019, and total comprehensive income (comprising of profit and other comprehensive income) its cash flows and changes in equity for the year ended on that date.

Basis for Opinion

3. We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibility under those standards are further described in the 'Auditor's Responsibility for the Audit of the Financial Statements' section of our report. We are independent of the company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our Audit of The Financial Statements under the provision of the Act and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

4. Key audit matters are those matters that, in our professional judgment, were of most significance in our Audit of Financial Statements of the current period, these matters were addressed in the context of our Audit of the Standalone Financial Statements as a whole and in forming our opinion thereon, and we do not provide a separate opinion on these matters. For each matter below, our description of how our audit addressed the matter is provided in that context.

Key audit matters	How our audit addressed the key audit matter
<p>Revenue Recognition (Refer Note no.4(a) to standalone financial Statements)</p> <p>Revenue from contracts with customers is recognized when control of the goods or services are transferred to the customer at an amount that reflects the consideration to which the Company expects to be entitled in exchange for those goods or services. The Company has generally concluded that as principal, it typically controls the goods or services before transferring them to the customer.</p> <p>The variety of terms that define when control are transferred to the customer, as well as the high value of the transactions, give rise to the risk that revenue is not recognized in the correct period.</p> <p>Revenue is measured net of net of returns and allowances, cash discounts, trade discounts and volume rebates (collectively 'discount and rebates'). There is a risk that these discount and rebates are incorrectly recorded as it also requires a certain degree of estimation, resulting in understatement of the associated expenses and accrual.</p> <p>Revenue is also an important element of how the Company measures its performance. The Company focuses on revenue as a key performance measure, which could create an incentive for revenue to be recognized before the risk and rewards have been transferred.</p> <p>Accordingly, due to the significant risk associated with revenue recognition in accordance with terms of Ind AS 115 'Revenue from contracts with customers', it was determined to be a key audit matter in our audit of the standalone Ind AS financial statements.</p>	<p>Our audit procedures included the following:</p> <ul style="list-style-type: none"> • Assessed the Company's revenue recognition policy prepared as per Ind AS 115 'Revenue from contracts with customers'. • Assessed the design and tested the operating effectiveness of internal controls related to revenue recognition, discounts and rebates. • Performed sample tests of individual sales transaction and traced to sales invoices, sales orders and other related documents. Further, in respect of the samples checked that the revenue has been recognized as per the shipping terms. • To test cut off selected sample of sales transactions made pre- and post - year end, agreeing the period of revenue recognition to third party support, such as transporter invoice and customer confirmation of receipt of goods. • Tested the provision calculations related to management incentives, discounts and rebates by agreeing a sample of amounts recognized to underlying arrangements with customers and other supporting documents. • Performed monthly analytical procedures of revenue by streams to identify any unusual trends. • Obtained confirmations from customers on sample basis to support existence assertion of trade receivables and assessed the relevant disclosures made in the financial statements; to ensure revenue from contracts with customers are in accordance with the requirements of relevant accounting standards.

We have determined that there are no other key audit matters to communicate in our report.

Other Information

5. The company's Board of Directors is responsible for the other information. The other information comprises the information included in the annual report, but does include the Standalone financial statements and our auditor's report thereon.
6. Our opinion on the Standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.
7. In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtain in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of the other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of management and those charged with the governance for the financial statements.

8. The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Ind AS financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 and the companies (Indian Accounting Standards) Rule, 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.
9. In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless management either intends to liquidate the company or to cease operations, or has no realistic alternative but to do so. The Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditors Responsibilities for the audit of Financial Statements.

10. Our objectives are to obtain reasonable assurance about whether the Standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.
11. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
 - Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion.
 - Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements system in place and the operating effectiveness of such controls.
 - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
 - Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- 12. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
- 13. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
- 14. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

- 15. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "Annexure B" statement on the matters Specified in paragraphs 3 and 4 of the Order.
- 16. As required by section 143(3) of the Act, we further report that:
 - a. we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit.
 - b. in our opinion proper books of account as required by law have been kept by the Company so far as appears from our examination of those books;
 - c. The Balance Sheet, Statement of Profit and Loss including the Statement of Other Comprehensive Income, the Cash Flow Statement and Statement of Changes in Equity dealt with by this Report are in agreement with the books of account;
 - d. In our opinion, the aforesaid Ind AS financial statements comply with the Accounting Standards specified under section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 Companies (Indian Accounting Standards) Rules, 2015, as amended;
 - e. on the basis of written representations received from the directors as on March 31, 2019, and taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2019, from being appointed as a director in terms of Section 164(2) of the Act;
 - f. with respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in "Annexure A"; and
 - g. With respect to other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - I. The Company has disclosed the impact of pending litigations which would impact its financial position. Refer note No. 34(i) to the financial statement.

Management's Responsibility for Internal Financial Controls

2. The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

3. Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.
4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.
5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to financial statements.

Meaning of Internal Financial Controls over Financial Reporting

6. A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

7. Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls with reference to Standalone financial statements were operating effectively as at 31 March 2019, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

SIGNIFICANT ACCOUNTING POLICIES AND KEY ACCOUNTING ESTIMATES AND JUDGEMENTS

1. Corporate Information

Bhagyanagar India Ltd ("the company") is a Company registered under the Companies Act, 1956. It is a public limited company domiciled in India and is listed on the Bombay Stock Exchange (BSE) and the National Stock Exchange (NSE). It was incorporated on 2nd September, 1985 having its registered office at 5th Floor, Surya Towers, Sardar Patel Road, and Secunderabad-500003. The company's CIN No. is L27201TG1985PLC012449. The company is engaged in the manufacture of copper products.

2. Basis of preparation

The financial statements are separate financial statements prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 (as amended from time to time). For all periods up to and including the year ended March 31, 2019, the Company prepared its financial statements in accordance with accounting standards notified under the section 133 of the Companies Act 2013, read together with paragraph 7 of the Companies (Accounts) Rules, 2014 (Indian GAAP). These financial statements have been prepared and presented under the historical cost convention, on the accrual basis of accounting except for certain financial assets and financial liabilities that are measured at fair values at the end of each reporting period, as stated in the accounting policies set out below. The accounting policies have been applied consistently over all the periods presented in these financial statements.

3. Recent accounting pronouncements and Use of estimates and judgments:

a. Use of estimates and judgments: The preparation of the financial statements in conformity with Ind AS requires the management to make estimates, judgments and assumptions. These estimates, judgments and assumptions affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the period. Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as management becomes aware of changes in circumstances surrounding the estimates. Changes in estimates are reflected in the financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the financial statements

b. Recent accounting pronouncements

Ind AS 116 Leases : On March 30, 2019, Ministry of Corporate Affairs has notified Ind AS 116, Leases.

Ind AS 116 will replace the existing leases Standard, Ind AS 17 Leases, and related Interpretations. The Standard sets out the principles for the recognition, measurement, presentation and disclosure of leases for both parties to a contract i.e., the lessee and the lessor. Ind AS 116 introduces a single lessee accounting model and requires a lessee to recognize assets and liabilities for all leases with a term of more than twelve months, unless the underlying asset is of low value. Currently, operating lease expenses are charged to the statement of Profit & Loss. The Standard also contains enhanced disclosure requirements for lessees. Ind AS 116 substantially carries forward the lessor accounting requirements in Ind AS

The effective date for adoption of Ind AS 116 is annual periods beginning on or after April 1, 2019. The standard permits two possible methods of transition:

- Full retrospective – Retrospectively to each prior period presented applying Ind AS 8 Accounting Policies, Changes in Accounting Estimates and Errors
- Modified retrospective – Retrospectively, with the cumulative effect of initially applying the Standard recognized at the date of initial application.

Under modified retrospective approach, the lessee records the lease liability as the present value of the remaining lease payments, discounted at the incremental borrowing rate and the right of use asset either as:

- Its carrying amount as if the standard had been applied since the commencement date, but discounted at lessee's incremental borrowing rate at the date of initial application or
- An amount equal to the lease liability, adjusted by the amount of any prepaid or accrued lease payments related to that lease recognized under Ind AS 17 immediately before the date of initial application.

The effect on adoption of Ind AS 116 would be insignificant in the financial statements.

A. Ind AS 12 Appendix C, Uncertainty over Income Tax Treatments : On March 30, 2019, Ministry of Corporate Affairs has notified Ind AS 12 Appendix C, Uncertainty over Income Tax Treatments which is to be applied while performing the determination of taxable profit (or loss), tax bases, unused tax losses, unused tax credits and tax rates, when there is uncertainty over income tax treatments under Ind AS 12. According to the appendix, companies need to determine the probability of the relevant tax authority accepting each tax treatment, or

group of tax treatments, that the companies have used or plan to use in their income tax filing which has to be considered to compute the most likely amount or the expected value of the tax treatment when determining taxable profit (tax loss), tax bases, unused tax losses, unused tax credits and tax rates.

The standard permits two possible methods of transition –

- i) Full retrospective approach – Under this approach, Appendix C will be applied retrospectively to each prior reporting period presented in accordance with Ind AS 8 – Accounting Policies, Changes in Accounting Estimates and Errors, without using hindsight and
- ii) Retrospectively with cumulative effect of initially applying Appendix C recognized by adjusting equity on initial application, without adjusting comparatives. The effective date for adoption of Ind AS 12 Appendix C is annual periods beginning on or after April 1, 2019. The Company will adopt the standard on April 1, 2019 and has decided to adjust the cumulative effect in equity on the date of initial application i.e. April 1, 2019 without adjusting comparatives. The effect on adoption of Ind AS 12 Appendix C would be insignificant in the standalone financial statements.

- B. Amendment to Ind AS 12 – Income taxes : On March 30, 2019, Ministry of Corporate Affairs issued amendments to the guidance in Ind AS 12, 'Income Taxes', in connection with accounting for dividend distribution taxes.

The amendment clarifies that an entity shall recognise the income tax consequences of dividends in profit or loss, other comprehensive income or equity according to where the entity originally recognised those past transactions or events.

Effective date for application of this amendment is annual period beginning on or after April 1, 2019. The Company is currently evaluating the effect of this amendment on the standalone financial statements.

- C. Amendment to Ind AS 19 – plan amendment, curtailment or settlement- On March 30, 2019, Ministry of Corporate Affairs issued amendments to Ind AS 19, 'Employee Benefits', in connection with accounting for plan amendments, curtailments and settlements.

The amendments require an entity:

- to use updated assumptions to determine current service cost and net interest for the remainder of the period after a plan amendment, curtailment or settlement; and
- to recognise in profit or loss as part of past service cost, or a gain or loss on settlement, any reduction in a surplus, even if that surplus was not previously recognised because of the impact of the asset ceiling.

Effective date for application of this amendment is annual period beginning on or after April 1, 2019.

The Company does not have any impact on account of this amendment

4. Significant Accounting Policies:

(a) Revenue Recognition

Revenue is recognized and measured at the fair value of the consideration received or receivable, to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured.

Effective April 1, 2018, the Company adopted Ind AS 115 "Revenue from Contracts with Customers" using the cumulative catch-up transition method, applied to contracts that were not completed as of April 1, 2018. The Company has evaluated and there is no material impact of this amendment on the Financial Statement of the Company.

Other income:

Other income is comprised primarily of interest income, dividend income, gain / loss on investments and exchange gain/ loss on forward and options contracts and on translation of other assets and liabilities. Interest income is recognized using the effective interest method. Dividend income is recognized when the right to receive payment is established.

(b) Property, Plant and Equipment

Property, plant and equipment are stated at cost of acquisition or construction net of accumulated depreciation and impairment loss (if any). All significant costs relating to the acquisition and installation of property, plant and equipment are capitalized. Such cost includes the cost of replacing part of the property, plant and equipment and borrowing costs for long-term construction projects if the recognition criteria are met. When significant parts of plant and equipment are required to be replaced at intervals, the Company depreciates them separately based on their specific useful lives. Likewise, when a major inspection is performed, its cost is recognized in the carrying amount of the plant and equipment as a replacement if the recognition criteria are satisfied. All other repair and maintenance costs are recognized in statement of profit and loss as incurred. The present value of the expected cost for the decommissioning of an asset after its use is included in the cost of the respective asset if the recognition criteria for a provision are met.

Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of the replaced part is derecognized. The identified components are depreciated over their useful lives, the remaining asset is depreciated over the life of the principal asset.

Depreciation for identified components is computed on straight line method based on useful lives, determined based on internal technical evaluation. Freehold land is carried at cost.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

(c) Investment Properties

Property that is held for long-term rental yields or for capital appreciation or both is classified as investment property. Investment Property is measured at its cost, including related transaction costs and where applicable borrowing costs. Subsequent expenditure is capitalised to the asset's carrying amount only when it is probable that future economic benefits associated with the expenditure will flow to the company and the cost of the item can be measured reliably. All other repairs and maintenance costs are expensed when incurred. When part of an investment property is replaced, the carrying amount of the replaced part is derecognized. Investment Properties are depreciated using the straight-line method as per the provisions of Schedule II of the Companies Act, 2013 or based on useful life estimated on the technical assessment.

(d) Intangible Assets

Intangible assets are recognised when it is probable that the future economic benefits that are attributable to the asset will flow to the enterprise and the cost of the asset can be measured reliably.

(e) Depreciation and amortization:

Depreciation is provided on the straight-line method over the useful lives as prescribed under Part C of Schedule II of the Companies Act 2013. Depreciation for assets purchased/sold during a period is proportionately charged.

(f) Current versus non-current classification

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification. An asset is treated as current when it is: -

- Expected to be realised or intended to be sold or consumed in normal operating cycle;
- Held primarily for the purpose of trading;
- Expected to be realised within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period
- All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in normal operating cycle;
- It is held primarily for the purpose of trading;
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.
- The Company classifies all other liabilities as non-current.

(g) Financial assets

Financial assets comprise of cash and cash equivalents.

Initial recognition:

All financial assets are recognised initially at fair value. Purchases or sales of financial asset that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognised on the trade date, i.e., the date that the company commits to purchase or sell the assets.

Subsequent Measurement:

- (i) Financial assets measured at amortised cost: Financial assets held within a business model whose objective is to hold financial assets in order to collect contractual cash flows and the contractual terms of

the financial assets give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding are measured at amortised cost using effective interest rate (EIR) method. The EIR amortization is recognised as finance income in the Statement of Profit and Loss.

The Company while applying above criteria has classified the following at amortised cost:

- a) Trade receivable
- b) Cash and cash equivalents
- c) Other Financial Asset

Impairment of Financial Assets:

Financial assets are tested for impairment based on the expected credit losses.

De-recognition of Financial Assets:

A financial asset is primarily de-recognised when the rights to receive cash flows from the asset have expired or the Company has transferred its rights to receive cash flows from the asset.

(h) Impairment of Non-Financial Assets

At each reporting date, the Company assesses whether there is any indication that an asset may be impaired. Where an indicator of impairment exists, the company makes a formal estimate of recoverable amount. Where the carrying amount of an asset exceeds its recoverable amount the asset is considered impaired and is written down to its recoverable amount.

Recoverable amount is the greater of fair value less costs to sell and value in use. It is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets, in which case, the recoverable amount is determined for the cash generating unit to which the asset belongs.

In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset.

(i) Cash and Cash equivalents

Cash and cash equivalents comprise cash at bank and in hand and short-term investments with an original maturity of three months or less. Deposits with banks are subsequently measured at amortized cost and short term investments are measured at fair value through statement of profit & loss account.

(j) Financial liabilities

Initial recognition and measurement:

All financial liabilities are recognised initially at fair value and transaction cost that is attributable to the acquisition of the financial liabilities is also adjusted. These liabilities are classified as amortised cost. A preference share that provides for mandatory redemption by the issuer for a fixed or determinable amount at a fixed or determinable future date, or gives the holder the right to require the issuer to redeem the instrument at or after a particular date for a fixed or determinable amount, is a financial liability.

Subsequent measurement:

These liabilities include are borrowings and deposits. Subsequent to initial recognition, these liabilities are measured at amortised cost using the effective interest method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the statement of profit and loss. This category generally applies to borrowings.

De-recognition of financial liabilities:

A financial liability is de-recognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit or loss.

(k) Borrowing Costs

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of the respective asset. All other borrowing costs are expensed in the period they occur. Borrowing costs consist of interest, exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest

cost and other costs that an entity incurs in connection with the borrowing of funds. Investment income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalization.

(l) Employee Benefits

Employee benefits are charged to the Statement of Profit and Loss for the year.

Provident Fund

Retirement benefits in the form of Provident Fund are defined contribution scheme and such contributions are recognised, when the contributions to the respective funds are due. There are no other obligation other than the contribution payable to the respective funds.

Gratuity

The Company has not created any gratuity fund. However adequate provisions have been made in the accounts for gratuity liability. The benefit vests upon completion of five years of continuous service and once vested it is payable to employees on retirement or on termination of employment. In case of death while in service, the gratuity is payable irrespective of vesting.

Compensated absences

Liability in respect of compensated absences becoming due or expected to be availed within one year from the balance sheet date is recognised on the basis of undiscounted value of estimated amount required to be paid or estimated value of benefit expected to be availed by the employees.

Short-term employee benefits

Expense in respect of other short term benefits is recognised on the basis of the amount paid or payable for the period during which services are rendered by the employee.

(m) Income Taxes

Income tax expense is comprised of current and deferred taxes. Current and deferred tax is recognized in net income Current income taxes for the current period, including any adjustments to tax payable in respect of previous years, are recognized and measured at the amount expected to be recovered from or payable to the taxation authorities based on the tax rates that are enacted or substantively enacted by the end of the reporting period.

Deferred income tax

Deferred income tax assets and liabilities are recognized for temporary differences between the financial statement carrying amounts of existing assets and liabilities and their respective tax base using the tax rates that are expected to apply in the period in which the deferred tax asset or liability is expected to settle, based on the laws that have been enacted or substantively enacted by the end of reporting period. Deferred tax assets and liabilities are not recognized if the temporary difference arises from goodwill or from the initial recognition (other than in a business combination) of other assets and liabilities in a transaction that affects neither the taxable income nor the accounting income.

Minimum Alternative Tax (MAT)

MAT credit is recognised as an asset only when and to the extent there is convincing evidence that the company will pay normal income tax during the specified period. In the year in which the MAT credit becomes eligible to be recognized as an asset in accordance with the recommendations contained in Guidance Note issued by the Institute of Chartered Accountants of India, the said asset is created by way of a credit to the statement of profit and loss and shown as MAT Credit Entitlement. The company reviews the same at each balance sheet date and writes down the carrying amount of MAT Credit Entitlement to the extent there is no longer convincing evidence to the effect that company will pay normal Income Tax during the specified period.

(n) Leases

As a lessee

Leases of property, plant and equipment where the company, as lessee, has substantially all the risks and rewards of ownership are classified as finance leases. Finance leases are capitalised at the lease's inception at the fair value of the leased property or, if lower, the present value of the minimum lease payments. The corresponding rental obligations, net of finance charges, are included in borrowings or other financial liabilities as appropriate. Each lease payment is allocated between the liability and finance cost. The finance cost is charged to the profit or loss over the lease period so as to produce a constant periodic rate of interest on the remaining balance of the liability for each period.

Leases in which a significant portion of the risks and rewards of ownership are not transferred to the company as lessee are classified as operating leases. Payments made under operating leases (net of any incentives received

from the lessor) are charged to profit or loss on a straight-line basis over the period of the lease unless the payments are structured to increase in line with expected general inflation to compensate for the lessor's expected inflationary cost increases.

As a lessor

Lease income from operating leases where the company is a lessor is recognised in income on a straight-line basis over the lease term unless the receipts are structured to increase in line with expected general inflation to compensate for the expected inflationary cost increases. The respective leased assets are included in the balance sheet based on their nature.

Lease-hold land:

Leasehold land that normally has a finite economic life and title which is not expected to pass to the lessee by the end of the lease term is treated as an operating lease. The payment made on entering into or acquiring a leasehold land is accounted for as leasehold land use rights (referred to as prepaid lease payments in Ind AS 17 "Leases") and is amortized over the lease term in accordance with the pattern of benefits provided.

(o) Provisions, contingent assets and contingent liabilities

Provisions are recognized only when there is a present obligation, as a result of past events, and when a reliable estimate of the amount of obligation can be made at the reporting date. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates. Provisions are discounted to their present values, where the time value of money is material.

Contingent liability is disclosed for:

- Possible obligations which will be confirmed only by future events not wholly within the control of the Company or
- Present obligations arising from past events where it is not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount of the obligation cannot be made.

Contingent assets are neither recognized nor disclosed. However, when realization of income is virtually certain, related asset is recognized.

(p) Fair value measurement

In determining the fair value of its financial instruments, the Company uses following hierarchy and assumptions that are based on market conditions and risks existing at each reporting date. Fair value hierarchy:

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1—Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- Level 2—Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- Level 3— Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

(q) Earnings per share

Basic earnings per share are calculated by dividing the net profit or loss for the year attributable to equity shareholders (after deducting preference dividends and attributable taxes) by the weighted average number of equity shares outstanding during the year. The weighted average number of equity shares outstanding during the year is adjusted for events of bonus issue. For the purpose of calculating diluted earnings per share, the net profit or loss for the year attributable to equity shareholders and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

(r) Cash dividend to equity holders of the Company

The Company recognises a liability to make cash distributions to equity holders of the Company when the distribution is authorised and the distribution is no longer at the discretion of the Company. Final dividends on shares are recorded as a liability on the date of approval by the shareholders and interim dividends are recorded as a liability on the date of declaration by the Company's Board of Directors.

35. Retirement and Other Employees Benefits

The Company's employee benefits primarily cover provident fund, gratuity and leave encashment.

Provident fund is a defined contribution scheme and the company has no further obligation beyond the contribution made to the fund. Contributions are charged to the Profit & Loss account in the year in which they accrue.

Gratuity liability is a defined benefit obligation and is based on the actuarial valuation done. The gratuity liability and the net periodic gratuity cost is actually determined after considering discounting rates, expected long term return on plan assets and increase in compensation level. All actuarial gain/ losses are immediately charged to the Profit & Loss account and are not deferred.

The following table summarizes the components of Net Benefit expenses recognized in the Profit & Loss account and amount recognized in the Balance Sheet for the respective plans.

42. Financial risk management objectives and policies

The Company's principal financial liabilities comprise loans and borrowings, trade and other payables. The main purpose of these financial liabilities is to finance and support Company's operations. The Company's principal financial assets include inventory, trade and other receivables, cash and cash equivalents and land advances and refundable deposits that derive directly from its operations. The Company is exposed to market risk, credit risk and liquidity risk.

A. Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises two types of risk: interest rate risk and other price risk, such as equity price risk and commodity/ real estate risk. Financial instruments affected by market risk include loans and borrowings and refundable deposits

Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's long-term debt obligations with floating interest rates. The Company manages its interest rate risk by having a balanced portfolio of fixed and variable rate loans and borrowings. The Company does not enter into any interest rate swaps.

B. Credit risk

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk from its operating activities (primarily trade receivables) and from its financing activities, including refundable joint development deposits, security deposits, loans to employees and other financial instruments.

Trade receivables

- i. Receivables resulting from sale of properties: Customer credit risk is managed by requiring customers to pay advances before transfer of ownership, therefore, substantially eliminating the Company's credit risk in this respect.
- ii. Receivables resulting from other than sale of properties: The firm has established credit limits for customers and monitors their balances on ongoing basis. Credit Appraisal is performed before leasing agreements are entered into with customers. The risk is also marginal due to customers placing significant amount of security deposits for lease and fit out rentals.

Financial Instrument and cash deposits

Credit risk from balances with banks and financial institutions is managed by the Company's Finance department in accordance with the Company's policy. Investments of surplus funds are reviewed and approved by the Company's Board of Directors on an annual basis. The Company's maximum exposure to credit risk for the components of the statement of financial position at 31 March 2018 and 2017 is the carrying amounts.

C. Liquidity risk

The Company's objective is to maintain a balance between continuity of funding and flexibility through the use of bank deposits and loans.

43. Capital Management

For the purpose of the Company's capital management, capital includes issued equity capital, and all other equity reserves attributable to the equity holders of the Company. The primary objective of the Company's capital management is to maximise the shareholder value.

The Company manages its capital structure and makes adjustments in light of changes in economic conditions and the requirements of the financial covenants. To maintain or adjust the capital structure, the Company may adjust the dividend payment to shareholders. The Company monitors capital using a gearing ratio, which is net debt divided by total capital plus net debt. The Company includes within net debt, interest bearing loans and borrowings, trade and other payables, less cash and cash equivalents.

Independent Auditors' Report on Consolidated Financial Statements

To the Members of

M/s. **BHAGYANAGAR INDIA LIMITED**

Report on Audit of the Consolidated Ind AS Financial Statements

Opinion

1. We have audited the accompanying consolidated Ind AS financial statements of **BHAGYANAGAR INDIA LIMITED** (herein after referred to as "The Holding Company") and one of its subsidiary **BHAGYANAGAR COPPER PRIVATE LIMITED** (Earlier '**Aanvik Mercantile Private Limited**') (collectively referred to as "the Group"), comprising of the consolidated balance sheet as at 31 March 2019, the consolidated statement of profit and loss including other comprehensive income, the consolidated cash flow statement , the consolidated statement of change in Equity for the year then ended, and notes to the consolidated financial statements, including a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated Ind AS financial statements").
2. In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of other financial information of the subsidiary, the aforesaid consolidated Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group, as at 31 March 2019, and their consolidated profit including other comprehensive Income, their consolidated cash flows and consolidated statement of changes in equity for the year ended on that date.

Basis For Opinion

3. We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibility under those standards are further described in the 'Auditor's Responsibility for the Audit of the Consolidated Financial Statements' section of our report. We are independent of the Group, in accordance with ethical requirement that are relevant to our audit of consolidated financial statements in India in terms of the Code of Ethics issued by the Institute of Chartered Accountants and are relevant provision of the Act and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

4. Key audit matters are those matters that, in our professional judgment, were of most significance in our Audit of Consolidated Financial Statements of the current period. These matters were addressed in the context of our Audit of the Consolidated Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Key audit matters	How our audit addressed the key audit matter
<p align="center">Revenue Recognition</p> <p>(Refer Note No.4(a) to the Consolidated financial statements)</p> <p>Revenue from contracts with customers is recognized when control of the goods or services are transferred to the customer at an amount that reflects the consideration to which the Company expects to be entitled in exchange for those goods or services. The Company has generally concluded that as principal, it typically controls the goods or services before transferring them to the customer.</p> <p>The variety of terms that define when control are transferred to the customer, as well as the high value of the transactions, give rise to the risk that revenue is not recognized in the correct period.</p> <p>Revenue is measured net of net of returns and allowances, cash discounts, trade discounts and volume rebates (collectively 'discount and rebates'). There is a risk that these discount and rebates are incorrectly recorded as it also requires a certain degree of estimation, resulting in understatement of the associated expenses and accrual.</p>	<ul style="list-style-type: none"> • Assessed the Company's revenue recognition policy prepared as per Ind AS 115 'Revenue from contracts with customers'. • Assessed the design and tested the operating effectiveness of internal controls related to revenue recognition, discounts and rebates. • Performed sample tests of individual sales transaction and traced to sales invoices, sales orders and other related documents. Further, in respect of the samples checked that the revenue has been recognized as per the shipping terms. • To test cut off selected sample of sales transactions made pre- and post - year end, agreeing the period of revenue recognition to third party support, such as transporter invoice and customer confirmation of receipt of goods. • Tested the provision calculations related to management incentives, discounts and rebates by agreeing a sample of amounts recognized to underlying arrangements with customers and other supporting documents.

<p>Revenue is also an important element of how the Company measures its performance. The Company focuses on revenue as a key performance measure, which could create an incentive for revenue to be recognized before the risk and rewards have been transferred.</p> <p>Accordingly, due to the significant risk associated with revenue recognition in accordance with terms of Ind AS 115 'Revenue from contracts with customers', it was determined to be a key audit matter in our audit of the standalone Ind AS financial statements.</p>	<p>Our audit procedures included the following:</p> <ul style="list-style-type: none"> • Performed monthly analytical procedures of revenue by streams to identify any unusual trends. • Obtained confirmations from customers on sample basis to support existence assertion of trade receivables and assessed the relevant disclosures made in the financial statements; to ensure revenue from contracts with customers are in accordance with the requirements of relevant accounting standards.
<p>Refer to Note- 4(b) (Significant Accounting Policies) and Note-5 (Property, plant and equipment) of the enclosed financial statements.</p>	<p>Understood, evaluated and tested the design and in relation to Property Plant and Equipment.</p>
<p>The Company capitalized Rs.16,08,13,217/- as Property, plant and equipment in respect of its plants at Shabashpally for manufacture of copper product.</p>	<p>Performed test of details with focus on those items that we considered significant due to their amount or nature and tested a number of items capitalised against underlying supporting documents to ascertain nature of costs and whether they meet the recognition criteria provided in the Ind AS 16, Property, Plant and Equipment in this regard.</p>
<p>Given the significance of the capital expenditure during the year, there is a risk that elements of costs that are ineligible for capitalisation in accordance with the recognition criteria provided in Indian Accounting Standard 16, Property, Plant and Equipment are capitalised.</p>	<p>Reviewed the other costs tested during the course of our audit and debited to Statement of Profit and Loss Account, to ascertain whether these meet the criteria for capitalization.</p> <p>Our procedures as mentioned above did not identify any costs that had been inappropriately capitalised.</p>

Other Information

- The Holding Company's Board of Directors is responsible for the other information. The other information comprises the information included in the annual report, but does include the Consolidated financial statements and our auditor's report thereon.
- Our opinion on the Consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.
- In connection with our audit of the Consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Consolidated financial statements or our knowledge obtain in the audit or other wise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of the other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility and those charged with Governance for the Consolidated Financial Statements

- The Holding Company's Board of Directors is responsible for the preparation and presentation of these consolidated Ind AS financial statements in terms of the requirements of the Companies Act, 2013 ("the Act") that give a true and fair view of the consolidated financial position, consolidated financial performance including other comprehensive income, consolidated cash flows and consolidated statement of changes in equity of the Group in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Companies Act, 2013 (hereinafter referred to as "the Act") read with Rule 7 of the Companies (Accounts) Rules, 2014 the Companies (Indian Accounting Standards) Rules, 2015, as amended. The respective Board of Directors of the Companies included in Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the Ind AS consolidated financial statements by the Directors of the Holding Company, as aforesaid.
- In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group are responsible for assessing the ability of the Group to continue as a going concern, disclosing, as applicable, matters relating to going concern and using the going concern basis of accounting unless management either intends to liquidate the company or to cease operations, or has no realistic alternative but to do so.

10. The respective Board of Directors of the companies included in the group are responsible for overseeing the company's financial reporting process of the Group.

Auditors Responsibilities for the audit of Consolidated Financial Statements.

11. Our objectives are to obtain reasonable assurance about whether the Consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.
12. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control.
 - Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Holding Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
 - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
 - Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
 - Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the Consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
 - Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements of which we are the independent auditors.
13. We communicate with those charged with governance of the Holding Company and such other entities included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
14. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
15. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

16. As required by section 143(3) of the Act, we report, to the extent applicable that:
- a. we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit of aforesaid consolidated financial statements.

- b. In our opinion proper books of account as required by law relating to preparation of aforesaid consolidated financial statements have been kept by the Company so far as appears from our examination of those books and the reports of the group company.
- c. The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss including the Statement of Other Comprehensive Income, the Cash Flow Statement and Statement of Changes in Equity dealt with by this Report are in agreement with relevant books of account and records maintained for the purpose of preparation of consolidated financial statements.
- d. In our opinion, the aforesaid consolidated financial statements comply with the Accounting Standards specified under section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 Companies (Indian Accounting Standards) Rules, 2015, as amended;
- e. On the basis of written representations received from the directors of Holding Company as on March 31, 2019, and taken on record by the Board of Directors of Holding Company and the report of the statutory auditors of subsidiary company, incorporated in India, none of the directors of the Group Companies, incorporated in India, is disqualified as on March 31, 2019, from being appointed as a directors in terms of Section 164(2) of the Act.
- f. With respect to the adequacy of the internal financial controls with reference to consolidated financial statements of the Group and the operating effectiveness of such controls, refer to our separate report in "Annexure A"; and
- g. With respect to other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - (i) The Company has disclosed the impact of pending litigations which would impact its financial position. Refer note No. 34(i) to the financial statement.
 - (ii) The Group did not have any long-term contracts including derivative contracts as at March 31, 2019; as such the question of commenting on any material foreseeable losses thereon does not arise
 - (iii) There has been no delaying in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Holding company and its Subsidiary Company, incorporated in India.

Annexure - A to the Auditors' Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

1. In conjunction with our audit of the consolidated Ind AS financial statements of the Company as of and for the year ended 31 March 2019, we have audited the internal financial controls over financial reporting of **BHAGYANAGAR INDIA LIMITED** ("the Holding Company") and one of its subsidiary company, **BHAGYANAGAR COPPER PRIVATE LIMITED** (Earlier '**Aanvik Mercantile Private Limited**') (together referred to as "the Group"), which are company incorporated in India, as of that date.

Management's Responsibility for Internal Financial Controls

2. The Respective Board of Directors of the Holding Company and its subsidiary companies, to whom reporting under clause (i) of sub section 3 of section 143 of the Act in respect of the adequacy of the internal financial controls over financial reporting is applicable, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

3. Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") issued by ICAI and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.
4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.
5. We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

6. A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

7. Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In our opinion, the Holding Company and its subsidiary company, which are companies incorporated in India, have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2019, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

SIGNIFICANT ACCOUNTING POLICIES AND KEY ACCOUNTING ESTIMATES AND JUDGEMENTS

1. Corporate Information

Bhagyanagar India Ltd (“the company”) is a Company registered under the companies act, 1956. It is a public limited company domiciled in India and is listed on the Bombay Stock Exchange (BSE) and the National Stock Exchange (NSE). It was incorporated on 2nd September, 1985 having its registered office at 5th Floor, Surya Towers, Sardar Patel Road, and Secunderabad-500003. The company's CIN No. is L27201TG1985PLC012449. The company is engaged in the manufacture of copper products.

2. Basis of preparation and Basis of Consolidation

A. Basis of preparation

The financial statements are separate financial statements prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 (as amended from time to time). For all periods up to and including the year ended March 31, 2019, the Company prepared its financial statements in accordance with accounting standards notified under the section 133 of the Companies Act 2013, read together with paragraph 7 of the Companies (Accounts) Rules, 2014 (Indian GAAP).

These financial statements have been prepared and presented under the historical cost convention, on the accrual basis of accounting except for certain financial assets and financial liabilities that are measured at fair values at the end of each reporting period, as stated in the accounting policies set out below. The accounting policies have been applied consistently over all the periods presented in these financial statements.

B. Basis of Consolidation

The consolidated Ind AS financial statements comprise of the Ind AS financial statements of **Bhagyanagar India Limited** and its only subsidiary company namely, **Bhagyanagar copper Private Limited** (Formerly, known as 'Aanvik Mercantile Private Limited') (collectively referred to as “the company” or “the Group”) as at March 31, 2019. Control is achieved when the Group is exposed, or has rights, to variable returns from its involvement with the investee and has the ability to affect those returns through its power over the investee. Specifically, the Group controls an investee if and only if the Group has:

Power over the investee (i.e. existing rights that give it the current ability to direct the relevant activities of the investee); Exposure, or rights, to variable returns from its involvement with the investee, and the ability to use its power over the investee to affect its returns.

Generally, there is a presumption that a majority of voting rights result in control. To support this presumption and when the Group has less than a majority of the voting or similar rights of an investee, the Group considers all relevant facts and circumstances in assessing whether it has power over an investee, including: The contractual arrangement with the other vote holders of the investee; Rights arising from other contractual arrangements; The Group's voting rights and potential voting rights, and the size of the group's holding of voting rights relative to the size and dispersion of the holdings of the other voting rights holders.

The Group re-assesses whether or not it controls an investee if facts and circumstances indicate that there are changes to one or more of the three elements of control. Consolidation of a subsidiary begins when the Group obtains control over the subsidiary and ceases when the Group loses control of the subsidiary. Assets, liabilities, income and expenses of a subsidiary acquired or disposed of during the year are included in the consolidated financial statements from the date the Group gains control until the date the Group ceases to control the subsidiary. Consolidated financial statements are prepared using uniform accounting policies for like transactions and other events in similar circumstances. If a member of the group uses accounting policies other than those adopted in the consolidated financial statements for like transactions and events in similar circumstances, appropriate adjustments are made to that group member's financial statements in preparing the consolidated financial statements to ensure conformity with the group's accounting policies. The financial statements of all entities used for the purpose of consolidation are drawn up to same reporting date as that of the parent company, i.e., year ended on 31 March.

Consolidation procedure:

- (a) Combine like items of assets, liabilities, equity, income, expenses and cash flows of the parent with those of its subsidiaries. For this purpose, income and expenses of the subsidiary are based on the amounts of the assets and liabilities recognised in the consolidated financial statements at the acquisition date.
- (b) Offset (eliminate) the carrying amount of the parent's investment in each subsidiary and the parent's portion of equity of each subsidiary. Business combinations policy explains how to account for any related goodwill.

- (c) Eliminate in full intragroup assets and liabilities, equity, income, expenses and cash flows relating to transactions between entities of the group (profits or losses resulting from intragroup transactions that are recognized in assets, such as inventory and fixed assets, are eliminated in full). Intragroup losses may indicate an impairment that requires recognition in the consolidated financial statements. Ind AS 12 Income Taxes applies to temporary differences that arise from the elimination of profits and losses resulting from intragroup transactions. A change in the ownership interest of a subsidiary, without a loss of control, is accounted for as an equity transaction. If the Group loses control over a subsidiary, it: Derecognises the assets (including goodwill) and liabilities of the subsidiary; Derecognises the carrying amount of any non-controlling interests; Derecognises the cumulative translation differences recorded in equity; Recognises the fair value of the consideration received; Recognises the fair value of any investment retained; Recognises any surplus or deficit in profit or loss, and Reclassifies the parent's share of components previously recognised in OCI to profit or loss or retained earnings, as appropriate, as would be required if the Group had directly disposed of the related assets or liabilities.

3. Recent accounting pronouncements and Use of estimates and judgments:

- a. Use of estimates and judgments: The preparation of the financial statements in conformity with Ind AS requires the management to make estimates, judgments and assumptions. These estimates, judgments and assumptions affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the period. Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as management becomes aware of changes in circumstances surrounding the estimates. Changes in estimates are reflected in the financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the financial statements
- b. Recent accounting pronouncements

Ind AS 116 Leases : On March 30, 2019, Ministry of Corporate Affairs has notified Ind AS 116, Leases.

Ind AS 116 will replace the existing leases Standard, Ind AS 17 Leases, and related Interpretations. The Standard sets out the principles for the recognition, measurement, presentation and disclosure of leases for both parties to a contract i.e., the lessee and the lessor. Ind AS 116 introduces a single lessee accounting model and requires a lessee to recognize assets and liabilities for all leases with a term of more than twelve months, unless the underlying asset is of low value. Currently, operating lease expenses are charged to the statement of Profit & Loss. The Standard also contains enhanced disclosure requirements for lessees. Ind AS 116 substantially carries forward the lessor accounting requirements in Ind AS

The effective date for adoption of Ind AS 116 is annual periods beginning on or after April 1, 2019. The standard permits two possible methods of transition:

- Full retrospective – Retrospectively to each prior period presented applying Ind AS 8 Accounting Policies, Changes in Accounting Estimates and Errors
- Modified retrospective – Retrospectively, with the cumulative effect of initially applying the Standard recognized at the date of initial application.

Under modified retrospective approach, the lessee records the lease liability as the present value of the remaining lease payments, discounted at the incremental borrowing rate and the right of use asset either as:

- Its carrying amount as if the standard had been applied since the commencement date, but discounted at lessee's incremental borrowing rate at the date of initial application or
- An amount equal to the lease liability, adjusted by the amount of any prepaid or accrued lease payments related to that lease recognized under Ind AS 17 immediately before the date of initial application.

The effect on adoption of Ind AS 116 would be insignificant in the financial statements.

- A. Ind AS 12 Appendix C, Uncertainty over Income Tax Treatments : On March 30, 2019, Ministry of Corporate Affairs has notified Ind AS 12 Appendix C, Uncertainty over Income Tax Treatments which is to be applied while performing the determination of taxable profit (or loss), tax bases, unused tax losses, unused tax credits and tax rates, when there is uncertainty over income tax treatments under Ind AS 12. According to the appendix, companies need to determine the probability of the relevant tax authority accepting each tax treatment, or group of tax treatments, that the companies have used or plan to use in their income tax filing which has to be considered to compute the most likely amount or the expected value of the tax treatment when determining taxable profit (tax loss), tax bases, unused tax losses, unused tax credits and tax rates.

The standard permits two possible methods of transition –

- i) Full retrospective approach – Under this approach, Appendix C will be applied retrospectively to each prior reporting period presented in accordance with Ind AS 8 – Accounting Policies, Changes in Accounting Estimates and Errors, without using hindsight and
- ii) Retrospectively with cumulative effect of initially applying Appendix C recognized by adjusting equity on initial application, without adjusting comparatives. The effective date for adoption of Ind AS 12 Appendix C is annual periods beginning on or after April 1, 2019. The Company will adopt the standard on April 1, 2019 and has decided to adjust the cumulative effect in equity on the date of initial application i.e. April 1, 2019 without adjusting comparatives. The effect on adoption of Ind AS 12 Appendix C would be insignificant in the standalone financial statements.

- B. Amendment to Ind AS 12 – Income taxes :** On March 30, 2019, Ministry of Corporate Affairs issued amendments to the guidance in Ind AS 12, 'Income Taxes', in connection with accounting for dividend distribution taxes.

The amendment clarifies that an entity shall recognise the income tax consequences of dividends in profit or loss, other comprehensive income or equity according to where the entity originally recognised those past transactions or events.

Effective date for application of this amendment is annual period beginning on or after April 1, 2019. The Company is currently evaluating the effect of this amendment on the standalone financial statements.

- C. Amendment to Ind AS 19 – plan amendment, curtailment or settlement-** On March 30, 2019, Ministry of Corporate Affairs issued amendments to Ind AS 19, 'Employee Benefits', in connection with accounting for plan amendments, curtailments and settlements.

The amendments require an entity:

- to use updated assumptions to determine current service cost and net interest for the remainder of the period after a plan amendment, curtailment or settlement; and
- to recognise in profit or loss as part of past service cost, or a gain or loss on settlement, any reduction in a surplus, even if that surplus was not previously recognised because of the impact of the asset ceiling.

Effective date for application of this amendment is annual period beginning on or after April 1, 2019.

The Company does not have any impact on account of this amendment

4. Significant Accounting Policies:

(a) Business combinations and goodwill

In accordance with Ind AS 101 provisions related to first time adoption, the Group has elected to apply Ind AS accounting for business combinations prospectively from April 1, 2016. As such, Indian GAAP balances relating to business combinations entered into before that date, including goodwill, have been carried forward with minimal adjustment. The same first time adoption exemption is also used for associates and joint ventures. Business combinations are accounted for using the acquisition method. The cost of an acquisition is measured as the aggregate of the consideration transferred measured at acquisition date fair value and the amount of any non-controlling interests in the acquiree. For each business combination, the Group elects whether to measure the non-controlling interests in the acquiree at fair value or at the proportionate share of the acquiree's identifiable net assets. Acquisition-related costs are expensed as incurred. At the acquisition date, the identifiable assets acquired and the liabilities assumed are recognized at their acquisition date fair values. For this purpose, the liabilities assumed include contingent liabilities representing present obligation and they are measured at their acquisition fair values irrespective of the fact that outflow of resources embodying economic benefits is not probable. Goodwill is initially measured at cost, being the excess of the aggregate of the consideration transferred and the amount recognized for non-controlling interests, and any previous interest held, over the net identifiable assets acquired and liabilities assumed. After initial recognition, goodwill is measured at cost less any accumulated impairment losses. For the purpose of impairment testing, goodwill acquired in a business combination is, from the acquisition date, allocated to each of the Group's cash-generating units that are expected to benefit from the combination, irrespective of whether other assets or liabilities of the acquiree are assigned to those units.

(b) Revenue Recognition

Revenue is recognized and measured at the fair value of the consideration received or receivable, to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured.

Effective April 1, 2018, the Company adopted Ind AS 115 "Revenue from Contracts with Customers" using the cumulative catch-up transition method, applied to contracts that were not completed as of April 1, 2018. The Company has evaluated and there is no material impact of this amendment on the Financial Statement of the Company.

Other income:

Other income is comprised primarily of interest income, dividend income, gain / loss on investments and exchange gain/loss on forward and options contracts and on translation of other assets and liabilities. Interest income is recognized using the effective interest method. Dividend income is recognized when the right to receive payment is established.

(c) Property, Plant and Equipment

Property, plant and equipment are stated at cost of acquisition or construction net of accumulated depreciation and impairment loss (if any). All significant costs relating to the acquisition and installation of property, plant and equipment are capitalized. Such cost includes the cost of replacing part of the property, plant and equipment and borrowing costs for long-term construction projects if the recognition criteria are met. When significant parts of plant and equipment are required to be replaced at intervals, the Company depreciates them separately based on their specific useful lives. Likewise, when a major inspection is performed, its cost is recognized in the carrying amount of the plant and equipment as a replacement if the recognition criteria are satisfied. All other repair and maintenance costs are recognized in statement of profit and loss as incurred. The present value of the expected cost for the decommissioning of an asset after its use is included in the cost of the respective asset if the recognition criteria for a provision are met.

Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of the replaced part is derecognized. The identified components are depreciated over their useful lives, the remaining asset is depreciated over the life of the principal asset.

Depreciation for identified components is computed on straight line method based on useful lives, determined based on internal technical evaluation. Freehold land is carried at cost.

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

(d) Investment Properties

Property that is held for long-term rental yields or for capital appreciation or both is classified as investment property. Investment Property is measured at its cost, including related transaction costs and where applicable borrowing costs. Subsequent expenditure is capitalised to the asset's carrying amount only when it is probable that future economic benefits associated with the expenditure will flow to the company and the cost of the item can be measured reliably. All other repairs and maintenance costs are expensed when incurred. When part of an investment property is replaced, the carrying amount of the replaced part is derecognized. Investment Properties are depreciated using the straight-line method as per the provisions of Schedule II of the Companies Act, 2013 or based on useful life estimated on the technical assessment.

(e) Intangible Assets

Intangible assets are recognised when it is probable that the future economic benefits that are attributable to the asset will flow to the enterprise and the cost of the asset can be measured reliably.

(f) Depreciation and amortization:

Depreciation is provided on the straight-line method over the useful lives as prescribed under Part C of Schedule II of the Companies Act 2013. Depreciation for assets purchased/sold during a period is proportionately charged.

(g) Current versus non-current classification

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification. An asset is treated as current when it is: -

- Expected to be realised or intended to be sold or consumed in normal operating cycle;
- Held primarily for the purpose of trading;
- Expected to be realised within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period
- All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in normal operating cycle;
- It is held primarily for the purpose of trading;
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.
- The Company classifies all other liabilities as non-current.

(h) Financial assets

Financial assets comprise of cash and cash equivalents.

Initial recognition:

All financial assets are recognised initially at fair value. Purchases or sales of financial asset that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognised on the trade date, i.e., the date that the company commits to purchase or sell the assets.

Subsequent Measurement:

- (i) Financial assets measured at amortised cost: Financial assets held within a business model whose objective is to hold financial assets in order to collect contractual cash flows and the contractual terms of the financial assets give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding are measured at amortised cost using effective interest rate (EIR) method. The EIR amortization is recognised as finance income in the Statement of Profit and Loss.

The Company while applying above criteria has classified the following at amortised cost:

- a) Trade receivable
- b) Cash and cash equivalents
- c) Other Financial Asset

Impairment of Financial Assets:

Financial assets are tested for impairment based on the expected credit losses.

De-recognition of Financial Assets:

A financial asset is primarily de-recognised when the rights to receive cash flows from the asset have expired or the Company has transferred its rights to receive cash flows from the asset.

(i) Impairment of Non-Financial Assets

At each reporting date, the Company assesses whether there is any indication that an asset may be impaired. Where an indicator of impairment exists, the company makes a formal estimate of recoverable amount. Where the carrying amount of an asset exceeds its recoverable amount the asset is considered impaired and is written down to its recoverable amount.

Recoverable amount is the greater of fair value less costs to sell and value in use. It is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets, in which case, the recoverable amount is determined for the cash generating unit to which the asset belongs.

In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset.

(j) Cash and Cash equivalents

Cash and cash equivalents comprise cash at bank and in hand and short-term investments with an original maturity of three months or less. Deposits with banks are subsequently measured at amortized cost and short term investments are measured at fair value through statement of profit & loss account.

(k) Financial liabilities***Initial recognition and measurement:***

All financial liabilities are recognised initially at fair value and transaction cost that is attributable to the acquisition of the financial liabilities is also adjusted. These liabilities are classified as amortised cost. A preference share that provides for mandatory redemption by the issuer for a fixed or determinable amount at a fixed or determinable future date, or gives the holder the right to require the issuer to redeem the instrument at or after a particular date for a fixed or determinable amount, is a financial liability.

Subsequent measurement:

These liabilities include are borrowings and deposits. Subsequent to initial recognition, these liabilities are measured at amortised cost using the effective interest method. Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the statement of profit and loss. This category generally applies to borrowings.

De-recognition of financial liabilities:

A financial liability is de-recognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit or loss.

(l) Borrowing Costs

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of the respective asset. All other borrowing costs are expensed in the period they occur. Borrowing costs consist of interest, exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost and other costs that an entity incurs in connection with the borrowing of funds. Investment income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalization.

(m) Employee Benefits

Employee benefits are charged to the Statement of Profit and Loss for the year.

Provident Fund

Retirement benefits in the form of Provident Fund are defined contribution scheme and such contributions are recognised, when the contributions to the respective funds are due. There are no other obligation other than the contribution payable to the respective funds.

Gratuity

The Company has not created any gratuity fund. However adequate provisions have been made in the accounts for gratuity liability. The benefit vests upon completion of five years of continuous service and once vested it is payable to employees on retirement or on termination of employment. In case of death while in service, the gratuity is payable irrespective of vesting.

Compensated absences

Liability in respect of compensated absences becoming due or expected to be availed within one year from the balance sheet date is recognised on the basis of undiscounted value of estimated amount required to be paid or estimated value of benefit expected to be availed by the employees.

Short-term employee benefits

Expense in respect of other short term benefits is recognised on the basis of the amount paid or payable for the period during which services are rendered by the employee.

(n) Income Taxes

Income tax expense is comprised of current and deferred taxes. Current and deferred tax is recognized in net income Current income taxes for the current period, including any adjustments to tax payable in respect of previous years, are recognized and measured at the amount expected to be recovered from or payable to the taxation authorities based on the tax rates that are enacted or substantively enacted by the end of the reporting period.

Deferred income tax

Deferred income tax assets and liabilities are recognized for temporary differences between the financial statement carrying amounts of existing assets and liabilities and their respective tax base using the tax rates that are expected to apply in the period in which the deferred tax asset or liability is expected to settle, based on the laws that have been enacted or substantively enacted by the end of reporting period. Deferred tax assets and liabilities are not recognized if the temporary difference arises from goodwill or from the initial recognition (other than in a business combination) of other assets and liabilities in a transaction that affects neither the taxable income nor the accounting income.

Minimum Alternative Tax (MAT)

MAT credit is recognised as an asset only when and to the extent there is convincing evidence that the company will pay normal income tax during the specified period. In the year in which the MAT credit becomes eligible to be recognized as an asset in accordance with the recommendations contained in Guidance Note issued by the Institute of Chartered Accountants of India, the said asset is created by way of a credit to the statement of profit and loss and shown as MAT Credit Entitlement. The company reviews the same at each balance sheet date and writes down the carrying amount of MAT Credit Entitlement to the extent there is no longer convincing evidence to the effect that company will pay normal Income Tax during the specified period.

(o) Leases**As a lessee**

Leases of property, plant and equipment where the company, as lessee, has substantially all the risks and rewards of ownership are classified as finance leases. Finance leases are capitalised at the lease's inception at the fair value of the leased property or, if lower, the present value of the minimum lease payments. The corresponding rental obligations, net of finance charges, are included in borrowings or other financial liabilities as appropriate. Each lease payment is allocated between the liability and finance cost. The finance cost is charged to the profit or loss over the lease period so as to produce a constant periodic rate of interest on the remaining balance of the liability for each period.

Leases in which a significant portion of the risks and rewards of ownership are not transferred to the company as lessee are classified as operating leases. Payments made under operating leases (net of any incentives received from the lessor) are charged to profit or loss on a straight-line basis over the period of the lease unless the payments are structured to increase in line with expected general inflation to compensate for the lessor's expected inflationary cost increases.

As a lessor

Lease income from operating leases where the company is a lessor is recognised in income on a straight-line basis over the lease term unless the receipts are structured to increase in line with expected general inflation to compensate for the expected inflationary cost increases. The respective leased assets are included in the balance sheet based on their nature.

Lease-hold land:

Leasehold land that normally has a finite economic life and title which is not expected to pass to the lessee by the end of the lease term is treated as an operating lease. The payment made on entering into or acquiring a leasehold land is accounted for as leasehold land use rights (referred to as prepaid lease payments in Ind AS 17 "Leases") and is amortized over the lease term in accordance with the pattern of benefits provided.

(p) Provisions, contingent assets and contingent liabilities

Provisions are recognized only when there is a present obligation, as a result of past events, and when a reliable estimate of the amount of obligation can be made at the reporting date. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates. Provisions are discounted to their present values, where the time value of money is material.

Contingent liability is disclosed for:

- Possible obligations which will be confirmed only by future events not wholly within the control of the Company or
- Present obligations arising from past events where it is not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount of the obligation cannot be made.

Contingent assets are neither recognized nor disclosed. However, when realization of income is virtually certain, related asset is recognized.

(a) Fair value measurement

In determining the fair value of its financial instruments, the Company uses following hierarchy and assumptions that are based on market conditions and risks existing at each reporting date. Fair value hierarchy:

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1—Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- Level 2—Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- Level 3— Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable.

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

(q) **Earnings per share**

Basic earnings per share are calculated by dividing the net profit or loss for the year attributable to equity shareholders (after deducting preference dividends and attributable taxes) by the weighted average number of equity shares outstanding during the year. The weighted average number of equity shares outstanding during the year is adjusted for events of bonus issue. For the purpose of calculating diluted earnings per share, the net profit or loss for the year attributable to equity shareholders and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares.

(r) **Cash dividend to equity holders of the Company**

The Company recognises a liability to make cash distributions to equity holders of the Company when the distribution is authorised and the distribution is no longer at the discretion of the Company. Final dividends on shares are recorded as a liability on the date of approval by the shareholders and interim dividends are recorded as a liability on the date of declaration by the Company's Board of Directors.

35. Retirement and Other Employees Benefits

The Company's employee benefits primarily cover provident fund, gratuity and leave encashment.

Provident fund is a defined contribution scheme and the company has no further obligation beyond the contribution made to the fund. Contributions are charged to the Profit & Loss account in the year in which they accrue.

Gratuity liability is a defined benefit obligation and is based on the actuarial valuation done. The gratuity liability and the net periodic gratuity cost is actually determined after considering discounting rates, expected long term return on plan assets and increase in compensation level. All actuarial gain/ losses are immediately charged to the Profit & Loss account and are not deferred.

The following table summarizes the components of Net Benefit expenses recognized in the Profit & Loss account and amount recognized in the Balance Sheet for the respective plans.

42. Financial risk management objectives and policies

The Company's principal financial liabilities comprise loans and borrowings, trade and other payables. The main purpose of these financial liabilities is to finance and support Company's operations. The Company's principal financial assets include inventory, trade and other receivables, cash and cash equivalents and land advances and refundable deposits that derive directly from its operations. The Company is exposed to market risk, credit risk and liquidity risk.

A. Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises two types of risk: interest rate risk and other price risk, such as equity price risk and commodity/ real estate risk. Financial instruments affected by market risk include loans and borrowings and refundable deposits

Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's long-term debt obligations with floating interest rates. The Company manages its interest rate risk by having a balanced portfolio of fixed and variable rate loans and borrowings. The Company does not enter into any interest rate swaps.

B. Credit risk

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk from its operating activities (primarily trade receivables) and from its financing activities, including refundable joint development deposits, security deposits, loans to employees and other financial instruments.

Trade receivables

- i. Receivables resulting from sale of properties: Customer credit risk is managed by requiring customers to pay advances before transfer of ownership, therefore, substantially eliminating the Company's credit risk in this respect.
- ii. Receivables resulting from other than sale of properties: The firm has established credit limits for customers and monitors their balances on ongoing basis. Credit Appraisal is performed before leasing agreements are entered into with customers. The risk is also marginal due to customers placing significant amount of security deposits for lease and fit out rentals.

Financial Instrument and cash deposits

Credit risk from balances with banks and financial institutions is managed by the Company's Finance department in accordance with the Company's policy. Investments of surplus funds are reviewed and approved by the Company's Board of Directors on an annual basis. The Company's maximum exposure to credit risk for the components of the statement of financial position at 31 March 2018 and 2017 is the carrying amounts.

C. Liquidity risk

The Company's objective is to maintain a balance between continuity of funding and flexibility through the use of bank deposits and loans.

The table below summarizes the maturity profile of the Company's financial liabilities based on contractual undiscounted payments:

(Amount in ₹)

Borrowings	On Demand	3 to 12 Months	1 to 5 Years	>5 Years	Total
31-Mar-19	-	1,03,93,88,871	9,63,84,629	-	1,13,57,73,500

Notes forming part of the Consolidated Financial Statements

43. Capital Management

For the purpose of the Company's capital management, capital includes issued equity capital, and all other equity reserves attributable to the equity holders of the Company. The primary objective of the Company's capital management is to maximize the shareholder value.

The Company manages its capital structure and makes adjustments in light of changes in economic conditions and the requirements of the financial covenants. To maintain or adjust the capital structure, the Company may adjust the dividend payment to shareholders. The Company monitors capital using a gearing ratio, which is net debt divided by total capital plus net debt. The Company includes within net debt, interest bearing loans and borrowings, trade and other payables, less cash and cash equivalents.
