Centre drafts franchisee model to open up power supply sector

Urges states to take it up; Uttar Pradesh dissents over private player entry

New Delhi, 15 October

he Ministry of Power has drafted a model plan for states to have multiple private franchisees as power suppliers, opening up the distribution sector in India. This paves the way for the second round of reforms by the Bharatiya Janata Party (BJP)led central government to revive the ailing state-owned power distribution companies (discoms).

Power, New and Renewable Energy Minister R K Singh has urged discoms to become wholesalers of electricity and have private power suppliers. But, this is the first time the Centre has officially proposed the idea of having private suppliers through the franchisee model. Officials said this was not yet mandatory for states; they now have the option to take it up to reduce losses. "The idea is to promote competition, bring in efficiency and, above all, give choice to consumers to select their suppliers. This also opens the possibility of having suppliers based on the type of consumers (domestic, industry, and micro, small and medium enterprises)," said an official.

The plan proposes a "light-handed

WHAT IT BRINGS TO THE TABLE

- Induces competition in the power distribution sector
- More power suppliers, more choices with the consumers
- First time the Centre urges states for private franchisees
- A franchisee to buy in the bulk and pay discoms in advance
- Subsidy/direct benefit transfer to remain with discoms

approach" towards franchisees to incentivise, discount and set tariff (within stipulated range) for power supply in an area.

The criteria for applying as a franchisee is open for contractors who supply billing and metering infrastructure, central public sector utilities (CPSUs), and also any company with "experience of managing consumers through any direct interface". The minimum net worth of such a company is expected to be equivalent to 35 per cent of the revenue billed by the discom in a base year in the region.

The Electricity Act, 2003, provides for setting up franchisee by the discoms. These also do not need any separate distribution licence. Some states have tried the franchisee model, but with limited success. Essel Utilities and Crompton Greaves were unsuccessful franchisees in Maharashtra.

The franchisee model is different from privatisation of discoms, as the latter includes overhaul in infrastructure creation. Franchisees earn revenue through efficient billing and bill collection. Their profit depends on

evenue collection. Delhi and Mumbai have private discoms that are hailed as success. In a contrast, privatisation of discoms failed in Odisha, after Reliance Power backed out.

Despite four different restructuring

owned discoms continue to make losses. The latest reform scheme, Ujwal DIS-COM Assurance Yojana (UDAY), launched in 2015 aimed at both financial and operational reforms. This had only a

schemes in the past 15 years, the state-

minimal impact. After five years, losses of discoms have started going up again. As of March 31, 2019, the cumulative loss

Singh has been vocal about the second round of UDAY, which will focus only on loss reduction and improving the quality of power supply.

"Discoms can run and own the systems but have suppliers who will buy in bulk after paying upfront to the discom. We can't increase jobs in the power industry unless we open up the distribution sector and allow more companies to compete with each other," he said at the recent State Power Ministers' Conference in Gujarat.

But even before an official launch, it has encountered dissent.

BJP-ruled Uttar Pradesh, which has highest number of loss-making discoms, is not in favour of the idea, said sources that attended deliberations in Gujarat. The state is of the view that they have aggressively created infrastructure and improved power demand and their priority is customers. Hence, they would not want any private company.

The private franchisees as suggested in the model would have to buy bulk power from the discoms and pay in advance. The franchisees are free to procure power from open market and directly from generating stations but they would be mandated to procure 50-70 per cent of their demand from the discoms, the plan suggested.

The idea is to keep the revenues of discoms intact and is paid in advance. This would entail discoms also paying in advance to the generating stations," said **PMC BANK LOAN CASE**

Prafulused Wadhawans' aircraft eight times: ED

New Delhi, 15 October

Trouble is mounting for former Union minister Praful Patel, with the Enforcement Directorate (ED) finding his name on the passenger manifest of an aircraft that belongs to the Wadhawans, HDIL promoters.

The documents examined by the ED, which is probing the ₹4,355-crore Punjab and Maharashtra Co-operative (PMC) Bank loan case, show that Patel used the aircraft multiple times in 2012 when he was civil aviation minister.

The probe agency, in this case, has seized two aircraft - Bombardier Challenger-300 VT and Falcon 2000 VT, owned by Privilege Airways. Rakesh Wadhawan and son Sarang Wadhawan of Housing Development & Infrastructure (HDIL) are directors of Privilege Airways.

According to ED sources, Patel had used the aircraft at least eight times in 2012 between February and May. The documents showed that the Nationalist Congress Party (NCP) leader was accompanied by some other party leaders during these trips. The destinations were mostly Mumbai to Nagpur, Delhi, and Gondia.

So far, the ED has attached and identified assets worth ₹3,830 crore in the PMC case. These assets belong to its directors, promoters, PMC Bank officials, and others. The assets, both immovable and movable, will be attached under provisions of the Prevention of Money Laundering Act (PMLA) after valuation, it said.

During the search in the case, ED has reportedly found incriminating documents revealing instances of siphoning of the funds and their misuse. Certain transactions are showing a clear diversion, such as a ₹98-crore loan from PMC

ED summons him on Oct 18

The ED has summoned NCP leader Praful Patel in connection with its money-laundering probe linked to alleged illegal assets of late Iqbal Mirchi, an aide of underworld don Dawood Ibrahim, officials said on Tuesday. They said Patel has been asked to depose in Mumbai on October 18. But the former Union minister denied the allegation as "mere speculation"

The ED has claimed Millennium Developers, a firm run by Patel, transferred two floors in Mumbai's Ceejay House to Mirchi's wife Hajra Memon in 2007 "towards beneficial interest of Mirchi in the land" on which it was built.

But the NCP leader said: "There is not even a single paisa worth property transaction between the Patel family and Hajra Memon."

Bill payments: Centre sets 2-day deadline for Andhra

DASARATH REDDY

Hyderabad, 15 October

The Union government has threatened Andhra Pradesh with denial of access to the central pool of electricity and power exchanges if the state does not open letters of credit (LCs) for wind and solar power producers having powerpurchase agreements (PPAs) in two days.

The move comes after the state's power utilities peti- cial obligations in renewable tioned the Andhra Pradesh

Regulatory Commission for a steep reduction in rates in all wind and solar PPAs, even as the Centre took a strong view against the revision.

Besides insisting on rate reduction, the state government says it has no money to pay dues to wind and solar energy producers. Last week, state Power Minister Balineni Srinivas Reddy urged the Centre to take over the finan-

toughest stand taken in this matter, Union Finance Minister Nirmala Sitharaman has set a two-day deadline for the creation of LCs, to ensure prompt payment of bills for energy supplied to the power utilities.

Denial of access to the central pool and power exchanges will mean inevitable power er utilities have been strugoutages. The state is expected to draw as much as 20 million units from central generating stations and exchanges to

ply obligation. Power demand on Monday in the state was 165 million units.

LCs is not that easy for the distribution companies. This facility will be given by banks only if they are assured of margin back-up. Already in a financial crisis, the state powgling to raise loans to meet payment obligations.

सध्या राज्यभरात प्रचाराची रणधुमाळी सुरु असून उमेदवार जास्तीत जास्त लोकांपर्यंत पोहोचण्याचा प्रयत्न करत आहेत. मात्र याचा

आहे. लातूर ग्रामीण मतदारसंघाचे काँग्रेसचे उमेदवार असणारे धीरज देशमुख आजारी

पडले असून त्यांना लातूरम नेण्यात आलं आहे. धीरज देशमुख यांनी आपल्या फेसबुक अकाऊंटवर पोस्ट शेअर करत यासंबंधी माहिती दिली आहे.

धीरज देशमुख यांनी फेसबुक पोस्टमध्ये लिहिलं आहे की, कोणत्याही लहान मोठ्या आजाराकडे दुर्लक्ष करणे परवडणारे नसते. मागील दोन-तीन दिवसांपासून अंगात थोडासा ताप होता. पण प्रचारसभांच्या व्यस्ततेमुळे

तब्येतीकडे जरा दुर्लक्षच झाले. शेवटी नाईलाजाने काल लातूरमध्येच दवाखान्यात ॲडमिट व्हावे लागले आहे. हवामानातील सततच्या बदलामुळे सध्या तापीच्या आजाराचे प्रमाण सगळीकडे वाढले आहे. सध्या आपण मांगितलं आहे

यावेळी धीरज देशमुख यांनी

कार्यकत्यांनाही तब्येतीची काळजी घेण्यास सांगितलं आहे. माझे जिवाभावाचे कार्यकर्ते. हितचिंतक व आपण सर्वजण माझ्या प्रचार करत आहात. या दरम्यान आपण प्रचार करत आहात. चा ५८-चन उ.... देखील तब्येतीची काळजी घ्या. तुमच्या शभेच्छा आणि स्नेहाच्या बळावर मी लवकरच शुभेच्छा आणि स्नेहाच्या बळावर मी लवक बरा होवून आपणासोवत प्रचारात सहभागी होईन हा विश्वास मला आहे. असे धीरज
