## **Blue Cloud forays into 'Affordable Healthcare' Segment**

[Hyderabad, Telangana, June 28] — City-based BSE-listed Blue Cloud Softech Solutions Ltd (BCS), an innovative AIoT solutions provider, forays into 'Affordable Healthcare' Segment.

As part of on-going strategic pilot project, Blue Cloud is in the process of deploying its flagship Healthcare AIoT Product 'Truhealthz' in ESI Primary Healthcare Centres in Assam State. Truhealthz is a revolutionary non-intrusive Medical Diagnostics solution which can streamline vital health screening and predicts the risk of chronic diseases with the help of cutting-edge AI computer vision technology powered by rPPG algorithms. Blue Cloud enables Government Health authorities to reduce cost and time for diagnostics, thus, makes Healthcare affordable for common man.

Assam State Government conveyed that BCS Healthcare Transformation Solution is chosen after careful evaluation for POC and indicated that Blue Cloud solution offerings in AIoT would enable next level growth for their State in times to come.

On the occasion - Janaki Yarlagadda, Executive Director, Blue Cloud Softech Solutions Ltd said that the Artificial Intelligence in Healthcare global Market size was valued at USD 14.4 billion in 2023 growing at a CAGR of 39.2% between 2024 and 2032.
