GST on pre-packaged, pre-labelled food items on par with branded ones

New rates come into effect from July 18

SHISHIR SINHA
New Delhi, July 7

Pre-packaged and pre-labelled retail food items will attract GST rate at par with the branded ones, Chairman of Central Board of Indirect Taxes and Custom (CBIC) Vivek Johri said on Thursday. This means the rate could be 5, 12 or 18 per cent.

The GST Council had recommended changing the scope of the exemption to exclude pre-packaged and pre-labelled retail packs that comply with the Legal Metrology Act

GST was exempted on specified food items, grains, etc when not branded, or right on the brand has been foregone. In its meeting last month, the GST Council recommended changing the scope of the exemption to exclude pre-packaged and pre-labelled retail packs that comply with the Legal Metrology Act, such as curd, lassi, and butter milk.

The new rates are coming into effect from July 18. "There will be no difference between branded and unbranded retail food items," Johri told *BusinessLine*. Also, exemption for items sold in loose, etc will continue. This means pre-packed and pre-labelled curd, lassi and butter milk will attract 5 per cent GST, while ghee and butter will attract GST at the rate of 12 per cent.

According to the Legal Metrology Act, 2009 "pre-packaged commodity" means a commodity which without the purchaser being present is placed in a package of whatever nature, whether sealed or not, so that the product contained therein has a pre-determined quantity.

Trade Bodies fret

Meanwhile, trade and industry bodies are unhappy about this decision. Confederation of All India Traders (CAIT) says only 15 per cent of the population in the country uses branded goods, while the rest lives on products which are pre-packed or pre-labelled.

"Bringing these items in the tax slab of GST is an unjust move, which should be taken back by the GST Council and the decision should not be notified as an immediate relief," BC Bhartia, National President, and Praveen Khandelwal, Secretary General of CAIT, said in a statement. They further said marking and inscription of other related information on food products is mandatory under Food Safety & Standard Act and by virtue of this, the product can't be treated as branded.

Indore-based Sakal Anaj Dalhan Tilan Vyapari Mahasangh Samiti surged the GST Council to roll back this decision as this will hurt small businesses and consumers in a big way.

CBIC tightens screws against fake invoices

New circular outlines approach in three possible scenarios

SHISHIR SINHA
New Delhi, July 7

The Central Board of Indirect Taxes & Custom (CBIC) has come out with a mechanism for clearer framework to curb fake invoices. This will help officials in determining demand and penalty in respect of transactions involving fake invoice much more effectively.

These guidelines will help officials in determining demand and penalty in respect of transactions involving fake invoice much more effectively

The new circular, based on decision taken by the GST Council last week, prescribes three scenarios and action in each one of them. First, what happens when there is an issuance of tax invoice by one registered person to another without any underlying supply of goods or services? As there is no supply, no demand for tax and recovery can be made, but the person issuing the invoice would be liable for penal action.

In the second scenario, a registered entity gets a fake invoice without any underlying supply, but gets ITC on the basis of that invoice. In this situation, the said business could be liable for demand and recovery of the said ITC, along with penal action and interest.

The third scenario involves issuance of a fake invoice by one registered entity to another and further passes on the said input tax credit to another registered entity. In such a situation, the second entity could be held liable for penal action on two counts – getting ITC fraudulently and issuing fake invoice.

The circular clarified that actual action to be taken against a person will depend upon the specific acts and circumstances of the case which may involve complex mixture of above scenarios or even may not be covered by any of the above scenarios.

"Any person who has retained the benefit of transactions specified under sub-section (1A) of section 122 of CGST Act, and at whose instance such transactions are conducted, shall also be liable for penal action under the provisions of the said sub-section," the circular said.

Abhishek Jain, Partner (Indirect Tax), KPMG in India, says the government has clarified that in case of fake invoicing, no GST can be recovered from the supplier as no supply of goods/services was involved, however, penalty shall be leviable.

Further, the recipient should not be penalised under different provisions of the GST law for the same offence, if penalty has already been levied on the recipient under one provision of GST law. "With these clarifications, the Government has tried to ensure that the GST authorities do not go beyond the scope of law on discovery of such fraudulent instances," he said.

Other circulars

CBIC has also come out with some other circulars too to implement decisions taken by GST Council. For example one circular says GST payable as a consequence of any proceeding Instituted under the provisions of GST laws, can be paid by utilisation of the amount available in the electronic credit ledger of a registered person. Then another circular talks about transaction(s) between related parties are subject to GST levy even if made without a consideration.

Further, employers and employees are deemed related under GST, while any consideration payable to an employee by the employer in the course of employment was kept outside GST purview.

India in talks to increase aviation bilaterals: Scindia

FORUM GANDHI
Mumbai, July 7

As demand for international travel picks up, the Civil Aviation Ministry is in talks with multiple countries to increase the number of flights under bilateral agreements.

Speaking to *BusinessLine*, Civil Aviation Minister Jyotiraditya Scindia, said, "We are open to increasing our bilateral agreements. We were looking at signing an Air Services Agreement (ASA) with Canada. Even with Africa, we are looking at increasing our direct bilaterals from the north and south India. We are also speaking with the UK and other European countries. We have also reopened our ASA with Finland as well so we are very eager in terms of opening up the conversations."

Union Minister for Civil Aviation Jyotiraditya M. Scindia PTI

This could be good news for Indian carriers as they are looking at adding more aircraft to their fleets. Nripendra Singh, Global Director, Frost & Sullivan, explained that in the current light of international skies opening up, conversations on bilaterals are important. "These conversations are good because all countries want to get a good rate of return, and hence, revisiting the bilaterals at this point of time." Singh said.

The Civil Aviation ministry has also identified at least 10-12 international routes to connect from North-East under the Udan international scheme. "The bidding is complete and we are awarding them. Close to about 10-12 routes are connecting the North-East of our country to the Eastern part of the world," Scindia added.

Air traffic up

Subsequent to the resumption of international commercial operations from March 27, after a ban of two years, international passenger traffic has registered a steady improvement in the last three months and reached 79 per cent of pre-Covid levels (similar period in FY20) in June 2022 (April 2022 – 63 per cent; May 2022 – 72 per cent).

Overall, the passenger traffic stood at 88 per cent of pre-Covid levels in June. Supported by the passenger traffic, the aircraft traffic stood at 96-99 per cent of pre-Covid levels during April-June.

After mass-leave turbulence, IndiGo hikes pilot salaries

ABHISHEK LAW
New Delhi, July 7

Days after its flight operations took a hit following a mass leave by its cabin crew, and concerned over growing discontent over continued salary cuts, IndiGo – the country's largest airlines – has raised pilot salaries by "another 8 per cent" and also reinstated their overtime allowance to pre-Covid levels.

Effective salaries are still lower than pre-Covid levels though.

In order to further increase aircraft utilisation, the company is reinstating a work pattern for pilots under which pilots will earn more, but there will be fewer leaves, a letter from the IndiGo management to its employees say.

IndiGo at present has 1,600 daily departures – higher than what it was operating during pre-Covid times.

"A further reinstatement of 8 per cent of salaries for all our pilots will be implemented effective August 1. This would effectively mean that, next month onwards, a total of 16 per cent of the salaries compared with pre-Covid would be reinstated. We would also be reinstating 30 per cent of sector pay.... would revert to pre-Covid level," the letter accessed by *BusinessLine* said.

Discontent over pay cuts

IndiGo employees have been unhappy with deep pay cuts that were taken during the pandemic.

On July 2, nearly 900 of the company's flights (55 per cent) were delayed with large number of cabin crew members reporting sick. Observers say the leaves were more as a silent protest by the cabin crew.

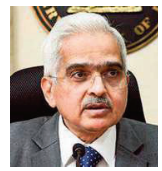
The company's CEO, Ronojoy Dutta, during a recent analyst call acknowledged that the sector is going through inflationary environment,and IndiGo was witnessing "a very difficult period" that first included pay cuts and then "not full restoration of pay".

'States should adopt prudent borrowing strategy, efficient cash management'

RBI Governor emphasises need for undertaking power sector reforms by States

OUR BUREAU
Mumbai, July 7

Reserve Bank of India Governor Shaktikanta Das on Thursday emphasised the need for States to adopt prudent borrowing strategy and efficient cash management practices, keeping in view the evolving macroeconomic scenarios.



RBI Governor Shaktikanta Das

At the 32nd Conference of State Finance Secretaries, Das stressed the need for the States to focus on improving quality of expenditures, better handling and monitoring of contingent liabilities and improving the governance in the cooperative banks.

In its latest report on State Finances, RBI opined that in the medium-term, improvements in the fiscal position of State governments will be contingent upon reforms in the power sector as recommended by 15th Finance Commission (FC-XV) and specified by the Centre — creating transparent and hassle-free provision of power subsidy to farmers; preventing leakages; and improving the health of the power distribution companies (Discoms) by alleviating their liquidity stress in a sustainable manner.

Power sector reforms

Timely payments of State dues to discoms and, in turn, by them to Generation Companies (gencos) hold the key to the sector's financial health, the report said.

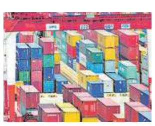
Undertaking power sector reforms will not only facilitate additional borrowings of 0.25 per cent of GSDP by the States but also reduce their contingent liabilities due to improvement in financial health of the discoms.

China's share in India's total imports falls to 15.4% in 2021-22

Key items imported from China are used in sectors such as telecom and power

PRESS TRUST OF INDIA
New Delhi, July 7

The share of Chinese imports in the country's total inbound shipments has declined to 15.4 per cent in 2021-22 from 16.5 per cent in 2020-21, sources said on Thursday.



They also said the major items imported from China into India are used for meeting the demand of sectors like telecom and power.

Citing some examples, they said imports like Active Pharmaceutical Ingredients (APIs) and drug formulations provide Indian pharma industry raw material for producing finished goods which are also exported.

Increase in imports of information and communication technology products and medical and scientific instruments can be attributed to the surge in demand of these products during Covid-19 times.

Exports up

"Moreover, the rising prices of commodities globally have also played a significant role in adding to import value," one of the sources said.

Exports to China increased marginally to $21.25 billion last fiscal from $21.18 billion in 2020-21, while imports rose to $94.16 billion from about $65.21 billion in 2020-21.

India's exports to China at $21.2 billion in 2021-22 were its third highest, after the US and UAE. Exports to the neighbouring country stood at $11.9 billion in 2014-15.

Further, sources stated that imports of mobile phones from China dropped by 55 per cent to $626 million in 2021-22, from $1.4 billion in 2020-21.

"Technical regulations have been framed for several products for maintenance of standards/quality of imported products. This will check import of sub-standard products from any country, including China," a source said.

Collectors should crack whip on service charge violators, says CCPA

PRESS TRUST OF INDIA
New Delhi, July 7

Amid rising complaints related to levying of service charge by hotels and restaurants, regulator CCPA has asked State chief secretaries to create awareness about the new guidelines and direct collectors to take appropriate action for protection of consumer rights, a senior government official said on Thursday.

The Central Consumer Protection Authority (CCPA) will also write a separate letter to all District Collectors (DCs) to sensitise them of their role under the Consumer Protection Act.

Even consumer commissions will start cracking the whip on violators as new guidelines are not a "request letter" but has enforceability, the official told PTI.

Consumers can complain in writing or through electronic mode to the District Collectors who are empowered to inquire or investigate such complaints and submit a report to the CCPA, the official said.

In the letter, the CCPA told chief secretaries that many complaints have been registered on National Consumer Helpline (NCH) with regard to levying of service charge.

These include complaints of restaurants making service charge compulsory and adding it in the bill by default even though collection of any such charge is optional and voluntary for the consumer and not mandatory as per the law.

According to CCPA, more than 300 complaints were received in the last one year. In last one week alone, 180 complaints have been received on NCH.

NOTICE OF POSTAL BALLOT

NOTICE is hereby given that pursuant to Section 110 and other applicable provisions, if any, of the Companies Act, 2013 ("Act"), Rule 20 and Rule 22 of the Companies (Management and Administration) Rules, 2014 (including any amendment(s), statutory modifications or reenactment thereof for the time being in force), read with the General Circular No.14/2020 dated April 8, 2020, General Circular No. 17/2020 dated April 13, 2020, General Circular No. 22/2020 dated June 15, 2020, General Circular No. 33/2020 dated September 28, 2020, General Circular No. 39/2020 dated December 31, 2020, General Circular No. 10/2021 dated June 23, 2021, General Circular No. 20/2021 dated December 08, 2021 and General Circular 3/2022 dated May 05, 2022 issued by the Ministry of Corporate Affairs ("MCA Circulars"), SEBI (LODR) Regulations, 2015 (including any statutory modification(s) or re-enactment(s) thereof for the time being in force, and as amended from time to time), Secretarial Standard – 2 on General Meetings (SS-2) and pursuant to other applicable laws and regulations, if any, that the Company is seeking approval of the members through Postal Ballot by remote e–voting process ("e-voting") to pass the Resolutions as set out in the Postal Ballot Notice dated May 28, 2022.

In pursuance of MCA Circulars, Notice of the Postal Ballot have been mailed electronically on July 07, 2022, to those members whose e-mail addresses are registered with the Company or the depositories / depository participants / Link Intime India Private Limited (STA) and whose names appear on the Register of Members / List of Beneficial Owners as received from the Depositories viz., National Securities Depository Limited (NSDL) and Central Depository Services (India) Limited (CDSL) as on the closure of business hours on June 24, 2022. In compliance with the requirements of the MCA Circulars, hard copies of Postal Ballot Notice along with Postal Ballot Forms and pre-paid business envelope will not be sent to the members. The shareholders are requested to carefully read the instructions indicated in the Postal Ballot Notice and communicate their assent (for) or dissent (against) through e-voting only.

The Notice of the Postal Ballot is also available on the Company's website at www.paradeepphosphates.com and on the websites of the Stock Exchanges i.e. National Stock Exchange of India Ltd and BSE Limited at www.nseindia.com and www.bseindia.com respectively. A copy of the same is also available on the website of Link Intime India Private Limited ("LIIPL") at https://instavote.linkintime.co.in.

The Company has engaged the services of LIIPL to provide the e-voting facility. The instructions for e-voting are given in the Postal Ballot Notice.

Mr. Shivaram Bhat, Practicing Company Secretary (Membership No. FCS 10454) has been appointed as Scrutinizer by the Board of Directors of the Company for conducting the Postal Ballot process in a fair and transparent manner.

The details pursuant to the provisions of the Companies Act, 2013 and the said Rules are given here under:

1. Date of completion of dispatch of notice by email: July 07, 2022.
2. Date and time of commencement of e-voting: July 09, 2022 (10.00A.M.)(IST)
3. Date and time of end of e-voting: August 07, 2022 (5.00 P.M.)(IST)
4. All members, whose names appear in the Register of Members / Beneficial owners as on the cut-off date i.e. June 24, 2022 are eligible for availing the e-voting facility. Any person who is not a member as on the cut-off date should treat this notice for information purpose only.
5. After the voting period, the e-voting module shall be disabled by LIIPL and accordingly voting shall not be allowed. Once the vote is casted by the Member, he/she shall not be allowed to change it subsequently.
6. The resolutions, if passed by requisite majority, shall be deemed to have been passed on August 07, 2022 i.e. last day of the e-voting period.
7. The results of the voting by Postal Ballot will be announced on or before August 09, 2022 by 5.00 P.M. (IST) at the Registered Office of the Company and the same shall be displayed on the Notice Board at the Registered Office and on the website of the Company at www.paradeepphosphates.com. The results shall also be communicated to the Stock Exchanges.
8. In case you have any queries or issues regarding e-voting, you may refer to Frequently Asked Questions ("FAQs") and e-voting manual available at https://instavote.linkintime.co.in/Home/Help.

Registration of email addresses & mobile no.: The members of the Company, who have not yet registered or updated their correct email address & mobile no., are requested to register / update the email address & mobile no. in the demat account maintained with the depository participant.
