YES Bank Q3 PAT jumps over 4X

Still lower than Bloomberg estimate of ₹367 crore

PIYUSH SHUKLA Mumbai, January 27

PRIVATE SECTOR LENDER YES Bank on Saturday reported over 4X year-on-year rise in its net profit for the quarter ended December at ₹231 crore.

The profit after tax for Q3FY24, however, was lower than a Bloomberg consensus estimate of ₹367 crore.

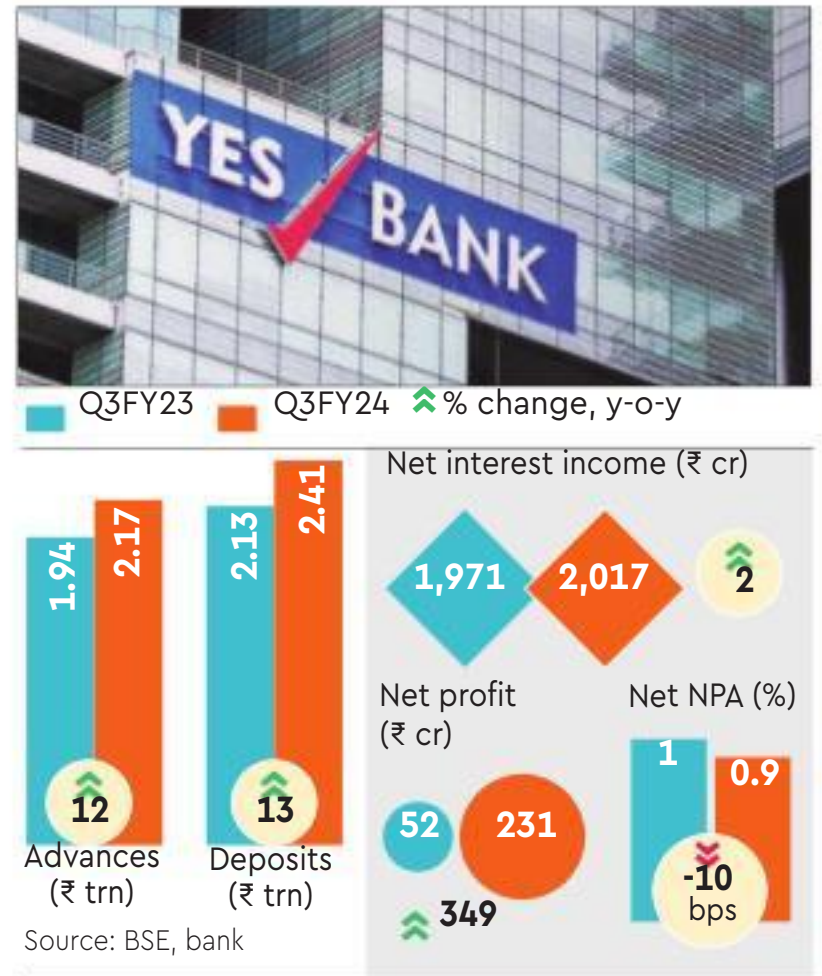

In contrast to the industry trends, the bank registered higher deposit growth than credit during Q3.

The lender's overall deposits rose 13% year-on-year to ₹2.41 trillion as of December 31.

Low-cost current account and savings accounts (CASA) constituted 29.7% of the overall deposit book. Overall credit, meanwhile, grew 12% year-on-year to ₹2.17 trillion during Q3.

Retail advances accounted for ₹1.03 trillion of the overall loans, whereas corporate loans constituted ₹50,032 crore.

REPORT CARD

Prashant Kumar, the bank's MD & CEO, said in a post earnings conference that the banking industry continues to face challenges on deposit mobilisation and going ahead the bank's strategy would be to grow granular deposits instead of certificate of deposits (CDs). "We will see how we can

grow our deposit base further to support a loan growth of 15% going forward," he said. The lender's credit-deposit (CD) ratio was at 90% during Q3 and the lender is comfortable with the current level of CD ratio to grow its advances. Further, though the lender will be cautious on growing

unsecured retail loans post hike in risk weights, the lender does not see it impacting overall loan growth. As deposits outpaced credit growth, net interest income (NII) grew at tepid pace of 2.3% year-on-year to ₹2,017 crore during Q3.

PRASHANT KUMAR, MD & CEO, YES Bank

WE WILL SEE HOW WE CAN GROW OUR DEPOSIT BASE FURTHER TO SUPPORT A LOAN GROWTH OF 15% GOING FORWARD

India negotiating trade facilitation pacts with 10 countries, says CBIC chairman

FE BUREAU New Delhi, January 27

IN A BID to facilitate faster customs clearance for traders, India is currently negotiating Mutual Recognition Agreements (MRAs) with 10 countries, Central Board of Indirect Taxes and Customs (CBIC) chairman Sanjay Agarwal said while speaking at the 'International Customs Day 2024' in New Delhi on Saturday.

MRA is an arrangement aimed at providing reciprocal benefits to accredited and trusted exporters of both the signatories in the clearance of goods

by the Customs authorities of the importing country. At present, India has operational MRAs with four countries including the US, UAE, and Australia.

The acknowledgment of Authorized Economic Operators (AEOs) by multiple parties is a fundamental aspect of the World Customs Organization's SAFE Framework of Standards. This framework aims to enhance and streamline global trade by fortifying supply chain security from end to end, all the while fostering increased trade facilitation on a global scale.

At the same event, finance

minister Nirmala Sitharaman, in a written message, said that the initiatives of Customs department like Faceless Assessment and Single Window Clearance need to evolve with the overall objective of growth of trade as every partner needs to collaborate to help India's GDP surpass \$5 trillion by 2027-28.

Many initiatives taken by the Customs department such as Direct Port Delivery, Single Window Clearance, AEO Scheme need to evolve with the overall objective of growth of trade and business, she said.

U GRO CAPITAL LIMITED DEMAND NOTICE
