Govt has limited scope to provide stimulus

Mumbai, Amid buzz of talks between the Finance Ministry and the Prime Minister's Office over a stimulus to revive growth, a report has said that the government has limited scope to provide a fiscal stimulus given the fiscal constraints.

Markets have shown slight recovery over the news that the government is working on a stimulus package for India Inc and that tax on the Foreign Portfolio Investors (FPIs) may also be tweaked. "The government has limited scope to do fiscal stimulus given fiscal constraints. It raised taxes across the board in the FY2020 budget."
