Dear Sir/Madam,

Ref : ID RE1101317 - Regd.Folio U00162
Sub: Formalities for making duplicate share certificates

With reference to the above, and as per your reply dated 09.09.2021, I, UNNIKRISHNAN.C, the share holder of the below mentioned shares would request you to kindly let me know the formalities for duplicate share certificates as my 200 shares have been lost during the maintenance work at my residence:

Folio No.	Certificate Nos.	No.of shares	Distinctive Nos.
U00162	000065022	100	0009054101 - 0009054200
U00162	000065023	100	0009054201- 0009054300

I am already having 200 shares in the demat form, hence, I would request you to kindly help me to get duplicate shares so that I can send for demat form. As suggested by you, I am sending you my self attested ID and address proof for your reference and speedy action. I have already filed a police complaint with my local police station in this regard.

Please let me know in case you need more details to proceed the matter.

Yours prompt reply in this matter will be highly appreciated.

Thanking you,

Yours faithfully,

(UNNIKRISHNAN.C)
