"I expect this flow (outflow) trend to continue until there is more clarity on the Adani issue, markets stabilize further and FPIs see more concrete signs of recovery in the

Indian economy," Himanshu Srivastava, Associate Director — Manager Research, Morningstar India, said.

According to the data, FPIs withdrew a net sum of ₹9,672 crore from equities in February 1-10.

One of the prominent reasons for this net outflow is highervaluation of Indian equities as against some of the other comparable markets. This has resulted in investments flowing out of Indian markets to other comparable markets such as Taiwan, South Korea, Japan among others, Srivastava said.

In addition, aggressive opening of China after series of lock-

downs drew foreign investors towards its shores. Following the rigorous lockdowns, Chinese markets declined sharply, making them more appealing from a value standpoint, he added.

In terms of sector, FPIs have been buyers in autos and auto accessories, construction and metals and mining, while they have been consistent sellers in financial services, VK Vijayakumar, Chief Investment Strategist at Geojit Financial Services, said.

In IT, selling in early January has changed to buying in late last month and early February. It appears that the sustained FPI selling is slowly coming to an end, he added.

PM hails legacy of **Dayanand Saraswati**

New Delhi, February 12

PRIME MINISTER NARENDRA Modi Sunday paid tribute to Dayanand Saraswati on the 200th birth anniversary of the social reformer, hailing his contributions towards the fight against social discrimination and untouchability. "Evils that were falsely attributed to religion, swamiji removed them with the light of

religion itself," Modi said. Speaking in New Delhi after inaugurating the birth anniversary celebrations that will take place over two years, Modi said that at the time of Dayanand Saraswati's birth, India was losing its prestige "owing to centuries of slavery".

"At that time, he came forward to prove that the problem is not in India's dharma and tradition, but in the fact that we have forgotten its true meaning," he said. "There was an effort to humiliate us on

the basis of false interpretations of our vedas by foreigners."

"In the 21st century, when the world is facing several challenges, and is surrounded by violence and instability, the path shown by Dayanand Saraswati gives hope to crores of people," he said.

Modi said when he talks of walking on the path of "kartavya", he is questioned for not bringing up rights. "If this is the case with me in the 21st century, imagine 150 years ago what kind of difficulties Swami Dayanand would have faced in showing a path to society," he said.

He made special mention of Dayanand Saraswati's role in women empowerment, and towards education of girls, saying his government is following this in letter and spirit.

Born on February 12, 1824, Dayanand Saraswati founded Arya Samaj in 1875 to counter social inequities.
