---	--

Dear Sir/ Madam,

**Sub. : Disclosure of information under Regulation 30(3) of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 – Updates on Purified Phosphoric Acid (Food Grade Phosphoric Acid ("FG")).**

**Ref.: Our letters dated 27.05.2016, 08.06.2016, 11.11.2020, 28.04.2023, 22.06.2023 & 08.07.2023.**

The Company has, from time to time, informed the Stock Exchanges about updates on 33,870 TPA (85% H<sub>3</sub>PO<sub>4</sub>)(equivalent to 21000 TPA - 100% P<sub>2</sub>O<sub>5</sub>) Purified Phosphoric Acid (FG) at Dahej Complex. The Company had vide last letter dated 8<sup>th</sup> July, 2023 informed about first dispatch of Purified Phosphoric Acid from the said plant.

Further to our aforesaid letters, we would like to inform you that, the Company has now achieved Food Grade Quality of Phosphoric Acid in the aforesaid plant. The Company has also received necessary certification from Food Safety and Standards Authority of India ("FSSAI") for Food Grade Phosphoric Acid. The Company has dispatched first consignment of the Food Grade Phosphoric Acid on 25<sup>th</sup> December, 2023. The said Purified Phosphoric Acid Plant will continue to produce both, Purified Phosphoric Acid and Food Grade Phosphoric Acid to cater the needs of customers. At present, there is sizable import of Food Grade Phosphoric Acid in India. Thus, this is one more step towards "Make in India" & "Aatmanirbhar Bharat" since the production of Food Grade Phosphoric Acid would reduce dependence on import.

We request you to kindly take note of the above.

Thanking you,

Yours faithfully,

For GUJARAT ALKALIES AND CHEMICALS LIMITED

( S S BHATT )  
COMPANY SECRETARY &  
CHIEF GENERAL MANAGER (LEGAL, CC & CSR)
