Dear Sir/madam,

Pursuant to Regulation 30 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, We, Jindal Polyfilms, denies to have any Business’ arm in Europe.

The overseas investment in packaging Film Business through JPF Netherland B.V. had already been transferred to Jindal Photo Imaging Limited (presently known as Universus Photo Imagings Limited) through Scheme of Arrangement dtd. 9<sup>th</sup> December, 2019.

Hence, the news given by Bloomberg is factually not correct and doesn’t hold any water.

We as a responsible corporate citizen keep the Stock Exchanges updated with these types of price sensitive information on priority basis before making the same public through any other channels of communication.

Please take the above fact on record.

Thanking you!

Yours Sincerely,

For **JINDAL POLY FILMS LIMITED**
