III: Other Information:**(1) Reasons for Loss or inadequate profit , Steps taken or proposed to be taken for improvement and Expected increase in productivity and profits in measurable terms:**

As you are aware that from 1st April 2011, the company has shifted to a new model wherein it has focused on its core strength of manufacturing. The products manufactured by the company were sold to Sharp Business System (India) Limited, a 100% subsidiary company of Sharp Corporation Japan. However due to intense competition, increase in input cost and reduction in selling prices, fluctuations in the currency exchange rates, and seasonal demand for the air conditioners has affected the profitability of the company. There was no production of LED TVs from April 2015 (except in August 2015) and of Air conditioners since June 2015, in the absence of any orders. This significant drop in the sales of the LEDs and Air conditioners has resulted in to loss of 1,574.80 Lacs for the financial year 2022 -23 & accumulated loss of Rs. 12,943.94 Lacs.

Sharp Corporation Japan being the promoter of the company is considering, exploring and evaluating strategic alternatives like restructuring, commencement of manufacture and trading, leasing, sub-contracting and entering in to appropriate transactions that would be in the best interest of the company and the public shareholders.

Except Mr. Masahiko Nakagawasai, being the appointee, none of the Directors / Key Managerial Personnel of the Company / their relatives is, in any way, concerned or interested, financially or otherwise, in the Resolution set out at Item No. 4 of this notice.

Your Directors recommend the resolutions set out at Item No. 4 of to be passed as Ordinary Resolutions by the members.

12. EXPLANATIONS OR COMMENTS BY THE BOARD ON EVERY QULIFICATION, RESERVATION OR ADVERSE REMARKS OR DISCLAIMER MADE (1) BY THE STATUTORY AUDITORS IN THEIR REPORT AND BY THE COMPANY SECRETARIES IN PRACTICE IN THEIR SECRETARIAL AUDIT REPORT:

(1) Statutory Auditors qualification/comments on Company's financial statement.

We draw your attention to Note No. 4 to the financial results which states that the Company has ceased business operations from the financial year ended March 31, 2016 and incurred Net Loss of Rs. 402.88 Lakhs and Rs. 1574.80 Lakhs for the quarter and year ended March 31, 2023 respectively and accumulated losses aggregate to Rs. 12,943.94 Lakhs as of March 31, 2023. There is no production of LED TVs from April, 2015 and of Air Conditioners since June, 2015 onwards in the absence of any orders. There is a significant doubt whether the company would be able to continue as a going concern due to material uncertainties in respect of commencement of production and other operations pertaining to it, mobilisation of human and other resources, revival of sales and services, establishing supply chain and also on account of current economic scenario. However, the management considers the going concern assumption as appropriate in view of certain service agreements with group companies and continued financial and operational support from holding company; though it may take longer duration than anticipated for the revival of operations of the Company.

Significant time has been elapsed after cessation of the production activity and in the absence of Board approved business plan and scheme of revival, the impact on the financial results which have been prepared by the management under going concern assumption, cannot be ascertained.

Management response to statutory Auditors qualification / comment on the Company's financial statement.

During the period ended March 31, 2023, Company incurred a

loss of Rs. 1,574.80 Lakhs and the accumulated loss as at March 31, 2023 is Rs. 12,943.94 Lakhs. There was no production of LED TVs from April, 2015 (except in August 2015) and of Air Conditioners since June, 2015 in the absence of any orders. The Company continues to receive financial and operational support from Sharp Corporation, Japan, the majority shareholder and holding company.

The support letter has been received as at 31st March 2023, from Sharp Corporation, Japan for financial and operational support until 31st March 2024. Sharp Corporation, Japan is a group company of Hon Hai/Foxconn Group, one of the world's largest contract electronics manufacturer.

Based on this continued support from the holding company, and the fact that the Company has entered into (i) Basic Services Agreement with Sharp Corporation dated 3rd June 2021; (ii) Service Agreement with Sharp Business Systems (India) Private Limited dated 1st June 2021; and (iii) the Individual Contract for Services No. 1 with Sharp Business Systems (India) Private Limited dated 1st June 2021 for the revival of business operations, the management is of the opinion that the Company will be able to continue as a going concern.

Further, the management based on prima facie assessment, is of the opinion that the values of the assets (except freehold land) and liabilities disclosed in the financial statements are close to their fair value and no material impact would possibly be there on financial statements if actual exercise of fair valuation is undertaken.

In accordance with the BASIC SERVICE AGREEMENT executed between Sharp Corporation (SC) and the Company on 3rd June 2021, SC intend to expand the business scope of Smart Appliances & Solutions Business Unit in India and expect the Company to provide and the Company is willing to provide activities and services relating to the following activities.

- (1) to support to conduct a factory audit for any applicable products
- (2) to conduct a survey of local dealers, service providers and users in India
- (3) to analyze the competitive products and the cost thereof and report such result
- (4) to manufacture and provide the preproduction prototype of the new products
- (5) to support the mass-production of the new products
- (6) other activities and services to cooperate business development of Smart Appliances & Solutions Business Unit of SC separately agreed upon by the Parties

The work on Individual Contract for Services No. 1 between Sharp Business Systems (India) Private Limited and Sharp India Limited dated 1st June 2021 has generated certain revenue during the financial year ended March 31, 2023.

Further during the period 2021-22 Sharp Corporation, promoter and holding Company has attempted to acquire public shareholding and consequently voluntarily delist from stock exchange. The resolution put up for shareholder approval through postal ballot resolution was not carried out with requisite majority as declared in its voting result 28th October 2021.

(2) OBSERVATIONS / COMMENTS IN SECRETARIAL AUDIT REPORT.

1. Delay in submission of financial statements for
 - a) The quarter and year ended March 31, 2022 approved in the Board Meeting dated November 23, 2022 and submitted to the Stock Exchange on November 23, 2022 with a delay

of 177 days. The Company paid fine of Rs. 10,44,300/- (Inclusive of GST @ 18%) imposed by BSE Ltd.

2. Delay in submission of financial results for
 - a) The quarter ended June 30, 2022 approved in the Board Meeting dated December 03, 2022 and submitted to the Stock Exchange on December 03, 2022 with a delay of 109 days. The Company paid fine of Rs. 6,43,100/- (Inclusive of GST @ 18%) imposed by BSE Ltd.
 - b) The quarter and half year ended September 30, 2022 approved in the Board Meeting dated December 22, 2022 and submitted to the Stock Exchange on December 22, 2022 with a delay of 38 days. The Company paid fine of Rs. 2,24,200/- (Inclusive of GST @ 18%) imposed by BSE Ltd.
3. The Company has given prior intimations of Board Meetings dated **November 23, 2022, December 03, 2022 and December 22, 2022** to stock exchange in which financial results were considered on November 22, 2022, December 02, 2022 and December 21, 2022 respectively with a delay of 5 days each. Consequently, the Company paid fine of Rs. 11,800/- (Inclusive of GST @18%) each for Board meetings dated November 23, 2022, December 03, 2022 imposed by BSE Ltd and no communication received for Board meeting dated December 22, 2022 from BSE Ltd.
4. The Company has not submitted the financial statements within prescribed time as per Regulation 33 of SEBI LODR for two consecutive quarters ended on March 2022 and June 2022. Consequently, the script of the listed entity was shifted to "z" category by BSE Limited for the period from October 25, 2022 to December 25, 2022. The script was moved out of 'z' category with effect from December 26, 2022 upon filing of the financial statements for both the quarters.

Management response to Secretarial Auditors observations / comments.

The observations made by the Secretarial Auditor are self-explanatory and do not call for any further clarification from the Management as there had been delay in submission of financials for the various quarters and would take necessary measures to declare the financial results within prescribed time. Further, the Company has paid all the necessary fine imposed by the concerned authorities.

MANAGEMENT DISCUSSION & ANALYSIS

The management presents Management Discussion and Analysis report in pursuance to Regulation 34(2) (e) of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended from time to time).

Outlook

As per International Monetary Fund (IMF), the global economy is projected to slow down from 3.4 % in year 2022 to 2.8 % in 2023. While the global economic outlook for advanced economies is expected to see an especially growth slowdown from 2.7% in 2022 to 1.3% in 2023. The global economy remain on track of gradual recovery after been affected by Covid-19 Pandemic.

As per world bank, The Indian economy is showing consistent growth, In the FY 2022-2023 , the real GDP expanded at an estimated 6.9 %. The growth was underpinned by robust domestic demand, strong investment activity bolstered by government's push for investment in infrastructure and buoyant private consumption, particularly among higher income earners

Industry Structure & Development:

The consumer electronics products market is undergoing significant development, with more customer investing in their home and further thrive to look for effective and innovating options. The pandemic has change the consumer behavior and with work from home consumers have high investment in home appliances. While the opportunities are immures there are certain inherent challenges that industry needs to face.

The Indian television section is facing swift change in technology. The Television sector is expected significant growth in coming years due to increasing demand and preference for full high definition TV with better image quality, audio clarity, and color resolution has raised substantially. Due to being various entities in this segment, competitions have resulted reduction in the LED TV. The demand of television section especially due to upgradation of technology, increase in number of channels at budget friendly prices, web series and other modes of advanced entertainment. Electrification in rural area has further boosted demand from rural areas. The average time spent for watching television has increased over the years which again have raised demand for TVs.

The demand for Air conditioners has been increased from household customers and corporates. The expansion of infrastructure sectors like mall, hotels, the new industrial setup, retail outlets etc. has further boosted the demand for Air Conditioners. Further increase in disposable income, easy finance options, acceptance as utility product than luxury due to change in climate conditions has raised demand for AC. The work from home and de centralization of workforce shall further contribute raise in demand for Air conditioner market.

With the development of e-commerce industry, the customers have more options and are attracted to online trading platforms wherein competitive prices are offered. Availability of various options and easy comparison between the same, easy return and replacement policies and a professionally managed logistics with easy loan and convenient monthly installments has boosted the demand of consumer goods in Indian market.

Opportunities and Threats:

Opportunities

1. India is expected to be one of the largest consumer durable market.

2. There is huge demand from rural India for consumer electronics products. Electrification further expects boost for demand of consumer electronics products.
3. Change in lifestyle of new generation and increase in e commerce business makes the consumers buy products easily and at competitive price.

Threats

1. Rapid changes in technologies & consumer preferences is making product life cycle short making the products and technology obsolete.
2. Stiff competition results in reduction of margin

Risks & Concerns:

The risk associated with the consumer electronics are:-

- (a) The consumer electronic products and home appliances business is highly Competitive.
- (b) There is a risk of assuming product liability, warranty and recall costs which may adversely affect results of operations and financial condition.
- (c) There is a risk of obsolescence of technology due to changes in the technology in a short time span. Keeping pace, making necessary changes and up gradations in the products along with the ever changing consumer preferences is also a challenge & concern for your company.
- (d) The economic slowdown due to pandemic and challenging geopolitical situations has posed a lot uncertainty with regards to income causing lower consumers preferences.

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF SHARP INDIA LIMITED

Report on the audit of the financial statements

Qualified Opinion

1. We have audited the accompanying financial statements of Sharp India Limited ('the Company'), which comprise the Balance Sheet as at March 31, 2023, the Statement of Profit and Loss (including Other Comprehensive Income), the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and notes to the financial statements including a summary of the significant accounting policies and other explanatory information.
2. In our opinion and to the best of our information and according to the explanations given to us, except for the effects of the matters described in the basis of qualified opinion section of our report, the aforesaid financial statements give the information required by the Companies Act, 2013 ('the Act') in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India of the state of affairs of the Company as at March 31, 2023, and its net losses and other comprehensive income, its cash flows and the changes in equity for the year ended on that date.

Basis for Qualified opinion

3. We draw your attention to Note No. 33 to the financial statements which states that the Company has ceased business operations from the financial year ended March 31, 2016 and incurred net loss of Rs. 1574.80 Lakhs for the year ended March 31, 2023 and accumulated losses aggregate to Rs. 12,943.94 Lakhs as of March 31, 2023. There is no production of LED TVs from April, 2015 and of Air Conditioners since June, 2015 onwards in the absence of any orders. There is a significant doubt whether the company would be able to continue as a going concern due to material uncertainties in respect of commencement of production and other operations pertaining to it, mobilisation of human and other resources, revival of sales and services, establishing supply chain and also on account of current economic scenario. However, the management considers the going concern assumption as appropriate in view of certain service agreements with group companies and continued financial and operational support from holding company, though it may take longer duration than anticipated for the revival of operations of the Company.

Significant time has been elapsed after cessation of the production activity and in the absence of Board approved business plan and scheme of revival, the impact on the financial statements which have been prepared by the management under going concern assumption, cannot be ascertained.

4. We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ('ICAI') together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

Emphasis of Matters

5. We draw attention Note No. 36 to the financial statements which states that there was a delay in the submission of results of

the Company for quarter and financial year ended March 31, 2022, quarter ended June 30, 2022, quarter and half year ended September 30, 2022, for the quarter and financial year ended March 31, 2023 and subsequent quarters. This also resulted in attracting the consequential penalty under SEBI Regulations and shifting of the scrip of the Company by stock exchange in Z group (non-compliant companies) and freezing the shareholding of the promoters.

Our opinion is not modified in respect of the above matter.

Key audit matters

6. Key audit matters are those matters that in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. Except for the matters described in the Basis for Qualified Opinion section, we have determined that there are no other key audit matters to communicate in our report.

Information other than the Financial Statements and Auditor's Report thereon

7. The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual Report but does not include the financial statements and our auditor's report thereon. The Annual Report is expected to be made available to us after the date of this auditor's report.

Our opinion on the financial statements does not cover the other information and we will not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

When we read the Annual Report, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance and take appropriate action as applicable under the relevant laws and regulations.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

8. The accompanying financial statements have been approved by the Company's Board of Directors. The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Ind AS specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

9. In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.
10. Those Board of Directors is also responsible for overseeing the Company's financial reporting process.
14. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
15. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless Law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Auditor's Responsibilities for the Audit of the Financial Statements

11. Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.
12. As part of an audit in accordance with Standards on Auditing, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
 - Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control;
 - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls;
 - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management;
 - Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern;
 - Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation;
13. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
16. The comparative financial statements for the year ended March 31, 2022 have been audited by the erstwhile statutory auditors, Price Waterhouse, Chartered Accountants LLP (Firm Regn. No.: 0125754N/N500016) who have expressed their qualified opinion vide report dated November 23, 2022.
Our opinion on the Financial Statements and our report on the Other Legal and Regulatory Requirements below is not modified in respect of the above matter with respect to our reliance on the work done by the predecessor auditors.

Other Matter:

16. The comparative financial statements for the year ended March 31, 2022 have been audited by the erstwhile statutory auditors, Price Waterhouse, Chartered Accountants LLP (Firm Regn. No.: 0125754N/N500016) who have expressed their qualified opinion vide report dated November 23, 2022.

Our opinion on the Financial Statements and our report on the Other Legal and Regulatory Requirements below is not modified in respect of the above matter with respect to our reliance on the work done by the predecessor auditors.

Report on other legal and regulatory requirements

17. As required by the Companies (Auditor's Report) Order, 2020 ('the Order') issued by the Central Government of India in terms of section 143(11) of the Act, we give in the Annexure A, a statement on the matters specified in paragraphs 3 and 4 of the Order.
18. Further to our comments in Annexure A, as required by section 143(3) of the Act, based on our audit, we report, to the extent applicable, that:
 - a. We have sought and except as described in the Basis for Qualified Opinion Section above, obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit of the accompanying financial statements;
 - b. In our opinion, and except as described in the Basis for Qualified Opinion section above, proper books of account as required by Law have been kept by the Company so far as it appears from our examination of those books;
 - c. The financial statements dealt with by this report are in agreement with the books of account;
 - d. In our opinion, except as described in the Basis for Qualified Opinion section above, the aforesaid financial statements comply with Ind AS specified under section 133 of the Act;
 - e. On the basis of the written representations received from the directors and taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2023 from being appointed as a director in terms of section 164(2) of the Act;
 - f. With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B" to this report.
 - g. As required by section 197(16) of the Act, based on our examination of the books of account of the Company, we report that the Company has paid/provided for managerial remuneration in accordance with the provisions of and limits laid down under section 197 read with Schedule V to the Act.
 - h. With respect to the other matters to be included in

the Auditor's Report in accordance with rule 11 of the Companies (Audit and Auditors) Rules, 2014 (as amended), in our opinion and to the best of our information and according to the explanations given to us:

- i. The Company, as detailed in note No. 15 & 30 to the financial statements, has disclosed the impact of pending litigation on its financial position as at March 31, 2023;
- ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses as at March 31, 2023;
- iii. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company during the year ended March 31, 2023;
- iv. The management has represented that to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other person(s) or entity(ies) including foreign entities (intermediaries) with the understanding, whether recorded in writing or otherwise, that the intermediary shall, whether directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company (ultimate beneficiaries) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; (Refer Note No. 34 to the financial statements)
- v. The management has represented that to the best of its knowledge or belief, other than as disclosed in the notes to the accounts, no funds have been received by the company from any other person(s) or entity(ies) including foreign entities (funding parties) with the understanding, whether recorded in writing or otherwise, that the company

shall, whether directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the funding party (ultimate beneficiaries) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; (Refer Note No. 34 to the financial statements)

- vi. Based on the audit procedures considered reasonable and appropriate in the circumstances carried out by us, nothing has come to our notice that has caused us to believe that the representation under clause (i) & (ii) of Rule (e) contain any material misstatements.
- vii. The company has not declared or paid any dividend during the year and as such the compliance of section 123 of the Act has not been commented upon.
- viii. No comments have been offered as regards the maintenance of books of account using accounting software which has a feature of recording audit trail (edit log) facility under Rule 11(g) of Companies (Audit and Auditors) Rules, 2014 since the said requirements under proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 are not applicable to the company for the financial year ended on March 31, 2023.

Annexure A referred to in Paragraph 17 under the heading 'Report on Other Legal and Regulatory Requirements' of our report of even date to the members of the Sharp India Limited for the year ended March 31, 2023

In terms of the information and explanations sought by us and given by the Company and on the basis of our examination of the books of accounts and records of the company in the normal course of audit and to the best of our knowledge and belief, we report that:

- i. a) (A) The company is maintaining proper records showing full particulars including quantitative details and situation of Property, plant and equipment.
- (B) The company is maintaining proper records showing full particulars of Intangible assets.
- (b) The management of the Company has physically verified its property, plant and equipment during the year wherein no material discrepancies were noticed on such verification. In our opinion, the periodicity of physical verification is reasonable having regard to the size of the Company and nature of its assets.
- (c) According to the information and explanations given to us by the management and on the basis of examination of the records of the company, the title deeds of the immovable properties (other than the immovable properties where the company is lessee and the lease agreements are duly executed in favour of the lessee) disclosed in the financial statements are held as under:

Description of the property	Gross Carrying Value as at 31st March 2023 (Rs. Lakhs)	Held in the name of	Whether promoter, director or their relative or employee	Period held	Reason for not being held in the name of the Company
Factory land at Gat No. 686 / 1, 3A, 4, 6A, 8A, 10A Koregaon Bhima	19.31	Kalyani Sharp India Limited	--	Since 2005	Registration of the land post change in the name of the Company after change in the management is pending.

- (d) The Company has not revalued its property, plant and equipment or intangible assets during the year.
- (e) No proceedings have been initiated or are pending against the Company for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and rules made thereunder.
- ii. (a) The physical verification of inventory has been conducted at reasonable intervals by the Management during the year. There were no discrepancies of 10% or more in the aggregate for each class of the inventory noticed during physical verification of the inventory. In our opinion, the periodicity of physical verification is reasonable having regard to the size of the Company and nature of its inventory.
- (b) During the year, the Company has not been sanctioned working capital limits in excess of Rs. 5 crores, in aggregate

from banks and financial institutions on the basis of security of current assets and accordingly, reporting under this clause is not applicable.

- iii. The Company has not made any investments, granted secured/unsecured loans/advances in nature of loans, or stood guarantee, or provided security to any parties. Therefore, the reporting under clause 3(iii) of the Order are not applicable to the Company.
- iv. The company has not granted any loans, investments, guarantees and securities given where the provisions of section 185 and 186 of the Act are applicable. As such reporting under clause 3 (iv) of the order is not applicable to the company.
- v. The company has not accepted any public deposits and amounts deemed to be deposits as per the section 73 of Companies Act and rules made thereunder. Further the Company has not accepted any deposits before the commencement of the Act. As such provisions of 74, 75 & 76 are not applicable to the Company. No order has been passed by Company Law Board or National Company Law Tribunal or Reserve Bank of India or any court or any other tribunal.
- vi. Pursuant to the rules made by the Central Government of India, the Company is required to maintain cost records as specified under Section 148(1) of the Act in respect of its products. We have broadly reviewed the report for FY 2021-22 and are of the opinion that, prima facie, the prescribed accounts and records have been made and maintained. We have not, however, made a detailed examination of the records with a view to determine whether they are accurate or complete.
- vii. **Annexure B referred to in Paragraph 18 (f) of the Independent Auditor's Report
of even date to the members of the Sharp India Limited for the year ended March 31, 2023**

Independent Auditor's Report on the internal financial controls over financial reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ('the Act')

1. We have audited the internal financial controls over financial reporting of Sharp India Limited ('the Company') as of 31 March 2023 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Responsibilities of Management for Internal Financial Controls

2. The Board of Directors ('the Board') and the Company's Management is responsible for establishing and maintaining internal financial controls based on the internal controls over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting ('the Guidance Note') issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of the Company's business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility for the Audit of the Internal Financial Controls Over Financial Reporting

3. Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with Standards on Auditing as specified under section 143(10) of the Act to the extent applicable to an audit of internal financial controls over financial reporting, and the Guidance Note issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.
4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of such internal financial controls, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.
5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion on the internal financial controls system over financial reporting of the Company.

Meaning of Internal Financial Controls Over Financial Reporting

6. A company's internal financial controls over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls over financial reporting include those policies and procedures that:
 - pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
 - provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors

of the company; and

- provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

7. Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial controls over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Basis for Qualified opinion

8. According to the information and explanation given to us and based on our audit, we have identified material weakness stated below:
The company has prepared the financial statements for the year ended March 31, 2023 on a going concern basis as set out in Note No. 33 to the financial statements, though the Company has ceased its business operations from the financial year ended March 31, 2016 and incurred net loss of Rs. 1,574.80 Lakhs for the year ended March 31, 2023 and accumulated losses aggregate to Rs. 12,943.94 Lakhs as of March 31, 2023. However, the management has not put in place internal control system to prepare and review the business plans and scheme of revival in order to justify the going concern assumption.
9. A material weakness is a deficiency, or a combination of deficiencies, in internal financial control over financial reporting such that, there is a reasonable possibility that a material misstatement of the Company's annual or interim financial statements will not be detected or prevented on a timely basis.

Qualified Opinion

10. In our opinion, except for the possible effects of the material weakness described in the Basis for Qualified Opinion para in relation to the going concern assumption on the achievement of objective of the control criteria, the Company has maintained in all material respects, adequate internal financial controls over financial reporting and such internal financial controls over financial reporting were operating effectively as of March 31, 2023 based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance note on audit of internal financial control over financial reporting issued by ICAI.
11. We have considered the material weakness identified and reported above in determining the nature, timing, and extent of audit tests applied in our audit of the financial statements of the Company for the year ended March 31, 2023 and said material weakness has affected our opinion on the financial statements of the Company for the year ended on that date and we have issued a qualified opinion on the financial statements as mentioned in para 3 of our Independent Auditor's report for the year ended on that date.

Note 1: General Information

Sharp India Limited ('the Company') was incorporated on July 5, 1985. The Company is principally engaged in the manufacture and sale of light emitting diode televisions ('LED TVs') and Air-conditioners ('ACs'). The Company also provides feasibility study services to group companies in India.

Sharp Corporation ('Sharp') incorporated in Japan, holds 75 per cent of the issued share capital of the Company. The Company has a technical collaboration with Sharp for the manufacture of 'LED TVs' and 'ACs'.

Refer Note 32 of the financial statements.

Note 2: Significant accounting policies**(a) Basis of preparation***(i) Compliance with Ind AS*

The financial statements comply in all material aspects with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (the Act) [Companies (Indian Accounting Standards) Rules, 2015] and other relevant provisions of the Act.

The Board of Directors have authorised these financial statements for issue on November 25, 2023.

(ii) Historical cost convention

The financial statements have been prepared on a historical cost basis, except for the following:

- Defined benefit plans – plan assets measured at fair value.

(iii) New Amendments issued but not effective

The Ministry of Corporate Affairs (MCA) has wide notification dated 31 March 2023 notified Companies (Indian Accounting Standards) Amendment Rules, 2023 which amends certain accounting Standards, and are effective 1 April 2023. These amendments are not expected to have a material impact on the Company in the current or future reporting periods and on foreseeable future transactions.

(iv) Applicable Amendments from Current year

The Ministry of Corporate Affairs (MCA) has wide notification dated 23 March 2022 notified Companies (Indian Accounting Standards) Amendment Rules, 2022 which amends certain accounting Standards, and are effective 1 April 2022. These amendments are duly taken in to consideration and do not have a material impact on the Company in the current or future reporting periods.

(b) Segment reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker.

The board of directors of the Company are identified as the Chief operating decision maker. Refer note number 32 for segment information presented.'

(c) Foreign currency translation*(i) Functional and presentation currency*

Items included in the financial statements of the Company are measured using the currency of the primary economic environment in which the entity operates ('the functional currency'). The financial statements are presented in Indian rupee (INR), which is the Company's functional and presentation currency.

(ii) Transactions and balances

Foreign currency transactions are translated into the functional currency using the exchange rates at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities denominated in foreign currencies at year end exchange rates are recognised in profit or loss.

All foreign exchange gains and losses are presented in the statement of profit and loss on a net basis within other income or other expenses as the case may be.

Non-monetary items that are measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value was determined. Translation differences on assets and liabilities carried at fair value are reported as part of the fair value gain or loss.

(d) Revenue recognition***Sale of goods***

The Company was engaged in manufacture and sale of a range of electronic items.

Sales are recognised when control of the products has transferred, being when the products are delivered to the customer, the customer has full discretion over the channel and price to sell the products, and there is no unfulfilled obligation that could affect the customer's acceptance of the products. Delivery occurs when the products have been shipped to the specific location, the risks of obsolescence and loss have been transferred to the customer, and either the customer has accepted the products in accordance with the sales contract, the acceptance provisions have lapsed, or the company has objective evidence that all criteria for acceptance have been satisfied.

A receivable is recognised when the goods are delivered, as this is the point in time that the consideration is unconditional because only the passage of time is required before the payment is due.

The Company has however, not had any sale transactions during the current and previous reporting period.

Services rendered

The Company provides feasibility study services to certain Sharp Group companies in India. Revenue from such services is recognised as and when services are rendered as per the terms of contract.

Revenue from services measured at fair value which is usually the transaction value net of goods and service tax.

(e) Income tax

The income tax expense or credit for the period is the tax payable on the current period's taxable income based on the applicable income tax rate adjusted by changes in deferred tax assets and liabilities attributable to temporary differences and to unused tax losses.

The current income tax charge is calculated based on the tax laws enacted or substantively enacted at the end of the reporting period. Management periodically evaluates positions taken in tax returns with respect to situations in which applicable tax regulation is subject to interpretation and considers whether it is probable that a taxation authority will accept an uncertain tax treatment. The Company measures its tax balances based on either the most likely amount or the expected value, depending on which method provides a better prediction of the resolution of the uncertainty.

Deferred income tax is provided in full, using the liability method, on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements. However, deferred tax liabilities are not recognised if they arise from the initial recognition of goodwill. Deferred income tax is also not accounted for if it arises from initial recognition of an asset or liability in a transaction other than a business combination that at the time of the transaction affects neither accounting profit nor taxable profit (tax loss). Deferred income tax is determined using tax rates (and laws) that have been enacted or substantially enacted by the end of the reporting period and are expected to apply when the related deferred income tax asset is realised or the deferred income tax liability is settled.

Deferred tax assets are recognised for all deductible temporary differences and unused tax losses only if it is probable that future taxable amounts will be available to utilise those temporary differences and losses.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to offset current tax assets and liabilities and when the deferred tax balances relate to the same taxation authority. Current tax assets and tax liabilities are offset where the entity has a legally enforceable right to offset and intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

Current and deferred tax is recognised in profit or loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, the tax is also recognised in other comprehensive income or directly in equity, respectively.

(f) Impairment of assets

Assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less costs of disposal and value in use. For the purposes of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash inflows which are largely independent of the cash inflows from other assets or groups of assets (cash-generating units). Non-financial assets that suffered an impairment are reviewed for possible reversal of the impairment at the end of each reporting period.

The management periodically assesses using external or internal source, whether there is an indication that an asset may be impaired.

(g) Cash and cash equivalents

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash on hand, deposits held at call with financial institutions, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities in the balance sheet.

(h) Inventories

Raw materials and stores, packing material, work in progress, traded and finished goods

Raw materials and components, stores and packing material, work in progress and finished goods are stated at the lower of cost and net realisable value. Cost of raw materials comprises cost of purchases. Cost of work-in-progress and finished goods comprises direct materials, direct labour and an appropriate proportion of variable and fixed overhead expenditure, the latter being allocated on the basis of normal operating capacity. Cost of inventories also include all other costs incurred in bringing the inventories to their present location and condition. Costs are assigned to individual items of inventory on weighted average basis. Costs of purchased inventory are determined after deducting rebates and discounts. Net realisable value is the estimated selling price in the ordinary course of business less the estimated costs of completion and the estimated costs necessary to make the sale.

(i) Financial assets

(i) Classification

The Company classifies its financial assets at amortised cost.

The classification depends on the entity's business model for managing the financial assets and the contractual terms of the cash flows.

(ii) Recognition

Financial assets are initially recognized when the Company becomes a party to the contractual provisions of the instrument.

(iii) Measurement

At initial recognition, the Company measures a financial asset at fair value. Subsequently these assets are measured at amortised cost.

(iv) Impairment of financial assets

The Company assesses on a forward-looking basis the expected credit loss associated with its assets carried at amortised cost. The impairment methodology applied depends on whether there has been a significant increase in credit risk. Note 26 details how the Company determines whether there has been a significant increase in credit risk.

(v) Derecognition of financial assets

A financial asset is derecognised only when:

- The Company has transferred the rights to receive cash flows from the financial asset or
- retains the contractual rights to receive the cash flows of the financial asset but assumes a contractual obligation to pay the cash flows to one or more recipients.

Where the entity has transferred an asset, the Company evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, the financial asset is derecognised. Where the entity has not transferred substantially all risks and rewards of ownership of the financial asset, the financial asset is not derecognised.

Where the entity neither has transferred a financial asset nor retains substantially all risks and rewards of ownership of the financial asset, the financial asset is derecognised if the Company has not retained control of the financial asset. Where the Company retains control of the financial asset, the asset is continued to be recognised to the extent of continuing involvement in the financial asset.

(j) Offsetting financial instruments

Financial assets and liabilities are offset and the net amount is reported in the balance sheet where there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the Company or the counterparty.

(k) Property, plant and equipment

Freehold land is carried at historical cost. All other items of property, plant and equipment are stated at historical cost less depreciation. Historical cost includes expenditure that is directly attributable to the acquisition of the items.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognised when replaced. All other repairs and maintenance are charged to profit or loss during the reporting period in which they are incurred.

Depreciation methods, estimated useful lives and residual value

Depreciation is calculated using the straight-line method to allocate their cost, net of their residual values, over their estimated useful lives:

Particulars	Useful lives
Buildings	
- Factory	29.94
- Others	60
Plant and machinery	2-15
Furniture, fittings and equipment (including office equipment)	4-10
Computers	3-6
Vehicles	5

The management has estimated, supported by independent assessment by professionals, the useful lives of certain Plant and machinery, Factory buildings, Moulds, jigs and fixtures, Vehicles and Office equipment as per table above, which are lower than those indicated in Schedule II.

The residual values are not more than 5% of the original cost of the asset. The assets' residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period.

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

Gains and losses on disposals are determined by comparing proceeds with carrying amount. These are included in profit or loss within other income or other expenses as the case may be.

(l) Intangible assets*(i) Computer software*

Computer softwares are shown at historical cost and are subsequently carried at cost less accumulated amortization and impairment losses.

(ii) Amortisation methods and periods

The Company amortises computer software over a period of 6 years

(m) Trade and other payables

These amounts represent liabilities for goods and services provided to the Company prior to the end of financial year which are unpaid. The amounts are unsecured and are usually paid within 30 days of recognition. Trade and other payables are presented as current liabilities unless payment is not due within 12 months after the reporting period. They are recognised initially at their fair value and subsequently measured at amortised cost using the effective interest method.

(n) Borrowings

Borrowings are initially recognised at fair value, net of transaction costs incurred. Borrowings are subsequently measured at amortised cost. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognised in profit or loss over the period of the borrowings using the effective interest method. Fees paid on the establishment of loan facilities are recognised as transaction costs of the loan to the extent that it is probable that some or all of the facility will be drawn down. In this case, the fee is deferred until the draw down occurs. To the extent there is no evidence that it is probable that some or all of the facility will be drawn down, the fee is capitalised as a prepayment for liquidity services and amortised over the period of the facility to which it relates.

Borrowings are removed from the balance sheet when the obligation specified in the contract is discharged, cancelled or expired. The difference between the carrying amount of a financial liability that has been extinguished or transferred to another party and the consideration paid, including any non-cash assets transferred or liabilities assumed, is recognised in profit or loss as other income/expenses.

Borrowings are classified as current liabilities unless the Company has an unconditional right to defer settlement of the liability for at least 12 months after the reporting period. Where there is a breach of a material provision of a long-term loan arrangement on or before the end of the reporting period with the effect that the liability becomes payable on demand on the reporting date, the entity does not classify the liability as current, if the lender agreed, after the reporting period and before the approval of the financial statements for issue, not to demand payment as a consequence of the breach.

(o) Borrowing costs

General and specific borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset are capitalised during the period of time that is required to complete and prepare the asset for its intended use or sale. Qualifying assets are assets that necessarily take a substantial period of time to get ready for their intended use or sale.

Investment income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation.

Other borrowing costs are expensed in the period in which they are incurred.

(p) Provisions

Provisions for legal claims are recognised when the Company has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources will be required to settle the obligation and the amount can be reliably estimated. Provisions are not recognised for future operating losses.

Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. Provisions are discounted only if the impact of discounting is considered material.

(q) Employee benefits**(i) Short-term obligations**

Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognised in respect of employees' services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled. The liabilities are presented as current employee benefit obligations in the balance sheet.

(ii) Other long-term employee benefit obligations

The liabilities for earned leave and sick leave are not expected to be settled wholly within 12 months after the end of the period in which the employees render the related service. These are recognised on the basis of the actual obligations calculated and are presented as current liabilities in the balance sheet if the entity does not have an unconditional right to defer settlement for at least twelve months after the reporting period, regardless of when the actual settlement is expected to occur.

(iii) Post-employment obligations

The Company operates the following post-employment schemes:

- (a) defined benefit plans such as gratuity and
- (b) defined contribution plans such as provident & pension fund, superannuation fund and employee deposit linked insurance scheme.

Gratuity obligations

The Company, on a prudent basis, accrues its gratuity obligations on the basis of actual liability using gross undiscounted basis. Accordingly, the changes in the gratuity obligations are recognized in profit or loss.

Defined contribution plans

The Company pays provident, pension, superannuation and employee deposit linked insurance scheme contributions to publicly administered provident & pension fund, contribution to superannuation fund and employee deposit linked insurance scheme as per local regulations. The Company has no further payment obligations once the contributions have been paid. The contributions are accounted for as defined contribution plans and the contributions are recognised as employee benefit expense when they are due. Prepaid contributions are recognised as an asset to the extent that a cash refund or a reduction in the future payments is available.

(r) Contributed equity

Equity shares are classified as equity.

Incremental costs directly attributable to the issue of new shares or options are shown in equity as a deduction, net of tax, from the proceeds.

(s) Earnings/ (Loss) per share*(i) Basic earnings/ (loss) per share*

Basic earnings per share is calculated by dividing:

- the profit/(loss) attributable to owners of the Company
- by the weighted average number of equity shares outstanding during the financial year, adjusted for bonus elements in equity shares issued during the year.

(ii) Diluted earnings/ (loss) per share

Diluted earnings/ (loss) per share adjusts the figures used in the determination of basic earnings/ (loss) per share to take into account:

- the after income tax effect of interest and other financing costs associated with dilutive potential equity shares, and
- the weighted average number of additional equity shares that would have been outstanding assuming the conversion of all dilutive potential equity shares.

(t) Rounding of amounts

All amounts disclosed in the financial statements and notes have been rounded off to the nearest lakhs as per the requirement of Schedule III, unless otherwise stated.

Note 3: Critical estimates and judgements

The preparation of financial statements requires the use of accounting estimates which, by definition, will seldom equal the actual results. Management also needs to exercise judgement in applying the Company's accounting policies.

This note provides an overview of the areas that involved a higher degree of judgement or complexity, and of items which are more likely to be materially adjusted due to estimates and assumptions turning out to be different than those originally assessed.

Judgements

In the process of applying the Company's accounting policies, management has made the following judgements, which have the most significant effect on the amounts recognized in the financial statements:

1. Going concern

Refer Note 33 of the financial statements.

Estimates and assumptions

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. The Company based its assumptions and estimates on parameters available when the financial statements were prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising that are beyond the control of the Company. Such changes are reflected in the assumptions when they occur.

1. Fair valuation measurement of unquoted financial instruments

When the fair values of financial assets and financial liabilities recorded in the balance sheet cannot be measured based on quoted prices in active markets, their fair value is measured using valuation techniques including the DCF model. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgment is required in establishing fair values. Judgments include considerations of inputs such as liquidity risk, credit risk and volatility. Changes in assumptions about these factors could affect the reported fair value of financial instruments. Refer note 26 for further disclosures.

7 Deferred tax asset

Unrecognised deferred tax assets

Deferred tax assets have not been recognised in respect of the following items, because it is not probable that future taxable profit will be available against which the Company can use the benefits therefrom. There are no items resulting in creation of deferred tax liabilities.

Particulars	As at 31 March 2023		As at 31 March 2022

Defined Contribution Plan

The Company has certain defined contribution plans i.e., contribution to provident and pension fund, contribution to superannuation fund and employee deposit linked insurance scheme. Contributions are made to provident fund for employees at the rate of 12% of basic salary as per regulations. The contributions are made to registered provident fund administered by the government. The obligation of the Company is limited to the amount contributed and it has no further contractual nor any constructive obligation. The expense recognised during the period towards defined contribution plan is as follows:

Particulars	For the year ended 31 March 2023	For the year ended 31 March 2022
Defined contribution plans		
-Provident fund	15.63	15.98
-Pension fund	17.75	19.03
-Superannuation fund	2.24	1.95
-Employees' deposit linked insurance scheme	1.06	1.14
Total	36.68	38.10

A Provision for compensated absences

Provision for compensated absences cover the Company's liability for earned leave which are classified as other long-term benefits. The entire amount of provision is presented as current since the Company does not have an unconditional right to defer settlement for any of these obligations. However, based on past experience, the Company does not expect all the employees to avail the full amount of accrued leave or require payment for such leave within the next 12 months.

B Gratuity

The Company has accrued gratuity on the basis of actual liability using gross undiscounted basis. The liability is net of the amounts contributed to an Insurer, along-with interest accrued thereon, specifically to fund these liabilities.

i) Fair value hierarchy

This section explains the judgements and estimates made in determining the fair values of the financial instruments that are measured at amortised cost and for which fair values are disclosed in the financial statements. To provide an indication about the reliability of inputs used in determining fair value, the Company has classified its financial instruments into three levels prescribed under the accounting standard. An explanation of each level follows underneath the table.

<i>Assets and liabilities which are measured at amortised cost for which fair values are disclosed</i>	Notes	Level 1	Level 2	Level 3	Total
At 31 March 2023					
Financial liabilities					
Borrowings	13	-	-	8,125.98	8,125.98
Total financial liabilities		-	-		8,125.98

<i>Assets and liabilities which are measured at amortised cost for which fair values are disclosed</i>	Notes	Level 1	Level 2	Level 3	Total
At 31 March 2022					
Financial liabilities					
Borrowings	13	-	-	6,775.02	6,775.02
Total financial liabilities		-	-	6,775.02	6,775.02

Level 1: Level 1 hierarchy includes financial instruments measured using quoted prices. However, the Company does not have any financial instruments that are measured using Level 1 inputs.

Level 2: The fair value of derivatives is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in Level 2.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3.

ii) Fair value of financials assets and liabilities measured at amortised cost

The carrying amounts of all financial assets and liabilities except for borrowings are a reasonable approximation of their fair values. The fair value of borrowings are based on discounted cash flows using a current borrowing rate. They are classified as Level 3 fair values in the fair value hierarchy due to the use of unobservable inputs, including own credit risk.

27 Financial risk management

The Company's activities exposes it to market risk, liquidity risk and credit risk. The operative management of the treasury activities of the Company is responsible for managing the financial risk position and maintaining adequate liquidity. The financial risks are reviewed and monitored on a regular basis.

(A) Credit risk

Credit risk mainly arises from cash and cash equivalents, deposits with banks as well as security deposits.

The maximum exposure arising from these financial assets is their carrying value as disclosed in the balance sheet.

(i) Credit risk management

For banks and financial institutions, only high rated banks are accepted and hence, these are subject to low credit risk with risk of default being negligible. Hence, no provision has been created for expected credit loss for credit risk arising from these financial assets. Further, the Company has sales on one-off basis, which are made solely to its related parties. As such, it does not bear any credit risk with respect to receivables, if any.

For security deposits also, generally the Company is subject to low credit risk with risk of default being negligible. However, considering the nature of balances the Company evaluates the balances and recognises a loss allowance, if any, on a specific identification

Notes to Financial Statements**(All amounts in INR lakhs, unless otherwise stated)****(B) Liquidity risk**

Prudent liquidity risk management implies maintaining sufficient cash and marketable securities and the availability of funding through an adequate amount of committed credit facilities to meet obligations when due and to close out market positions. The Company obtains necessary funds mainly through loans from its parent company i.e. Sharp Corporation, Japan and fellow subsidiaries. The management monitors rolling forecasts of the Company's liquidity position on the basis of expected cash flows.

(i) Maturities of financial liabilities

The tables below analyse the Company's financial liabilities into relevant maturity group based on their contractual maturities.

31 March 2022	Less than 1 year	1-3 years
Borrowings including interest accrued	6,833.40	-
Employee benefits payable	52.91	-
Trade payables	56.68	-
Other financial liabilities	-	-
Total	6,942.99	-

31 March 2023	Less than 1 year	1-3 years
Borrowings including interest accrued	8,251.64	-
Employee benefits payable	51.35	-
Trade payables	27.62	-
Other financial liabilities	-	-
Total	8,330.61	-

The amounts disclosed in the tables above are the contractual undiscounted cash flows. Balances due within 12 months equal their carrying balances as the impact of discounting is not significant.

(C) Market risk**(i) Foreign currency risk and exposure**

The Company operates internationally context where transactions are conducted in currencies different from the Indian Rupees (INR). This exposes the Company to risks arising from exchange rates fluctuations. For this purpose, the Company has an exchange rate risk management policy which aims to neutralise the possible negative effects of the changes in exchange rates on Company cash-flows. The Company is exposed to foreign exchange risk arising from foreign currency transactions, primarily with respect to Japanese Yen. However, due to minimal operations, the gross exposure is not very significant.

(ii) Interest rate risk exposure:

The Company has availed fixed - rate borrowings and hence is not exposed to any interest rate risk.

28 Capital Management**Risk management**

The Company's objectives when managing capital are to:

- safeguard their ability to continue as a going concern, so that they can continue to provide returns for shareholders and benefits for other stakeholders, and
- Maintain an optimal capital structure to reduce the cost of capital.

In order to maintain or adjust the capital structure, the Company may return capital to shareholders, issue new shares or sell assets to reduce debt.

- (i) The Company has evaluated the impact of the recent Supreme Court Judgment in case of "Vivekananda Vidyamandir And Others Vs The Regional Provident Fund Commissioner (II) West Bengal" and the related circular (Circular No. C-1/1(33)2019/Vivekananda Vidya Mandir/284) dated March 20, 2019 issued by the Employees' Provident Fund Organisation in relation to non-exclusion of certain allowances from the definition of "basic wages" of the relevant employees for the purposes of determining contribution to provident fund under the Employees' Provident Funds & Miscellaneous Provisions Act, 1952. In the assessment of the management, the aforesaid matter is not likely to have a significant impact and accordingly, no provision has been made in these financial statements.
- (ii) The Indian Parliament has approved the Code on Social Security, 2020 which would impact the contributions by the Company towards Provident Fund and Gratuity. The draft rules for the Code on Social Security, 2020 have been released by the Ministry of Labour and Employment on November 13, 2020. The Company is in the process of assessing the additional impact on Provident Fund contributions and on Gratuity liability contributions and will complete their evaluation and give appropriate impact in the financial statements in the period in which the rules are notified and become effective.

32 Segment reporting

The Company was exclusively engaged in the business of 'consumer electronics' consisting of all types of Color Televisions, LED TVs and Air-conditioners which constitute one single segment. The Company is domiciled in India. Revenue from operations during the current financial year is within India. The revenue is generated from a single customer. (Previous Year Rs. 11.58 Lakhs). All non current assets are located within India.

33 Going concern assessment

"During the quarter and year ended on March 31, 2023, the Company incurred a loss of Rs. 402.88 Lakhs and Rs. 1574.80 Lakhs respectively. The accumulated losses of the Company as at March 31, 2023 are Rs. 12,943.94 Lakhs. There is no production of LED TVs from April, 2015 and of Air Conditioners since June, 2015 onwards in the absence of any orders. Considering the same, there is a significant doubt whether the company would be able to continue as a going concern due to material uncertainties in respect of commencement of production and other operations pertaining to it, mobilisation of human and other resources, revival of sales and services, establishing supply chain and also on account of current economic scenario. However, the Company continues to receive financial and operational support from Sharp Corporation, Japan, the majority shareholder and holding company and as at March 31, 2023, the Company has received a support letter from Sharp Corporation, Japan for financial and operational support until March 31, 2024. Based on this continued support from the holding company, and the fact that the Company has entered into (i) Basic Services Agreement between Sharp Corporation and Sharp India Limited dated 3rd June 2021; (ii) Service Agreement between Sharp Business Systems (India) Private Limited and Sharp India Limited dated 1st June 2021 and as such the management is of the opinion that the Company will be able to continue as a going concern. However, taking into consideration the current economic scenario in India and Japan, the revival of the operations of the Company may take longer than anticipated earlier.

Notes to Financial Statements**(All amounts in INR lakhs, unless otherwise stated)**

Nevertheless, the recognition and measurement of assets (except freehold land) has been considered at lower of their carrying value or net realisable value and in the opinion of the management, no further adjustments would be required if going concern assumption is not considered as appropriate.

- 34** There was delay in submission of results of company for quarter and financial year ended March 31, 2022, quarter ended June 30, 2022, quarter and half year ended September 30, 2022, for the quarter and financial year ended March 31, 2023 and subsequent quarters. The letters stating reason for delay in submission of financial results as per SEBI Circular No. CIR/CFD/CMD-1/142/2018 dated November 19, 2018 and SEBI/HO/CFD/CMD/CIR/P/2020/12 dated January 22, 2020 were submitted to stock exchange on 11 November 2022, 30 May 2023, 11 August 2023, 13 November 2023 and consequential penalty as leveid, has been paid/provided by the Company. Due to non-compliance in respect of submission of quarterly results for two consecutive quarters i.e., March, 2022 and June 2022 and March 2023 and June 2023, in terms of SEBI Circular No. SEBI/HO/CFD/CMD/ CIR/P/2020/12 dated January 22, 2020, the company was placed by SEBI in Z group (Non-compliant Companies) during the period from 25th October 2022 to 26th December 2022 and 30th October 2023 onwards respectively. Further, the entire shareholding of promoters has been frozen w.e.f. August 3, 2023.
